This is *Big-Boob Paradise*: (L-to-R) Christy Marks, Terry Nova, Lorna Morgan, Angela White and Gianna Rossi in the Bahamas.

JUST ANOTHER PERFECT DAY IN PARADISE WITH LORNA MORGAN

Dear SCORE,

Lorna Morgan on the cover was enough for me to buy the "Big-Boob Paradise" special issue of SCORE (Jan. '08). Lorna is one of my favorite big-titted women and has been for many years. Her absence was definitely noted, and I hope SCORE brings her back soon.

The selection of women in this issue was quite a delight for me. Some of the women are relatively new, like Terry Nova and Christy Marks, and then there were Gianna Rossi and Angela White,

who have appeared before. It was really great to see a different selection of women. Not that the women who have appeared before are getting boring, but it is nice to see new

faces and bodies. Angela

looks hot in her feature.

I have a feeling Christy Marks will make her mark in future SCORE appearances and will be a contender for New-comer of the Year and then Model of the Year. If it were possible to vote for a model in both categories, Christy would surely get my vote.

I sure wish Bea Summer, Marilyn, Anna Song, Melissa Mandli-kova, and Paola Rios

could have made it to this photo shoot. Maybe next time.—M.V., San Diego, California

Dear M.V.: You'll be happy to know that Lorna is back already! Another pictorial from the "Big-Boob Paradise" shoot, plus an exclusive interview in which she discusses her entire career, starts on page 34 of this issue. Enjoy!

BIG, NATURAL BOOBS ARE THE GIFT THAT KEEPS ON GIVING

Dear SCORE,

I was blown away by the January '08 "Big-Boob Paradise" special issue. Wow! Five super-busty beauties, including one of my all-time favorites, Angela White, who looked unbelievable.

The addition of the 2008 "Big-Boob Paradise" calendar, featuring all five of the gorgeous gals in full-page photos, was a nice gift as well. The tiniest little

bikinis straining to cover the huge boobs of these lovelies!

As I thumbed through the pages, my cock sprang to attention as I came across a two-page spread featuring Angela and Christy Marks together. Unbelievable. I can't wait to buy the two DVDs (*Big-Boob Paradise* and *On Location Big-Boob Paradise*) to watch this big-tit man's dream sequence and others. It's a shame you weren't able to capture Angela and Lorna cuddling as they shared a bed.

Terry Nova's F-cups spilling out of her blue bra was a luscious sight. Gianna Rossi's beautiful smile, full hips, DD-cup tits and shapely ass were incredible, too.—K.B., Albuquerque, New Mexico

A SCORE MAN'S BRUSH WITH FAME: "ARE YOU NATALIE FIORE?"

Dear SCORE,

I am a faithful reader of *SCORE* and *Voluptuous* and have many enjoyable fantasies about meeting your models but never thought it would happen to me. But I was vacationing in south France recently and had an amazing encounter.

I liked to walk along the seaside in the evening and enjoy the sights and smells. One evening, I noticed two hot girls walking in front of me and talking to each other in French. One was blonde and her friend was brunette. The brunette was wearing little white shorts that encased a cute and perfect ass that undulated as she walked in her black heels. Her shoulder-length hair shone

If you're ever lucky enough to see Natalie Fiore in public, be sure to buy her a drink.

and swayed, and I could see her bra through a black, lacy top.

They turned to go into a seaside cafe, and I couldn't believe my eyes. The brunette had huge, perfectly shaped breasts that were straining against the buttons of her blouse and an incredibly erotic face. Then it hit me. She looked exactly like Natalie Fiore!

My heart started to race, and I heard someone's voice say, "Excuse me, are you Natalie Fiore?" I only realized it was my own voice when she turned to me, looked at me with her clear brown eyes and smiled.

"Yes, I am Natalie," she said.

I was blushing and stammering and couldn't take my eyes off of her huge tits, and she said, "It's okay. I don't mind when men stare at my teets," just like she said in her interview on Scoreland. I asked if I could take her picture, and she said okay.

Natalie deserves to be your Newcomer of the Year. Her photo layouts are great, she has the ability to look different each time, she has an incredibly sexy voice in her videos and her body is perfect. And she is even more alluring in person.—J.E., via email

CHRISTY MARKS VS. MERILYN

Dear SCORE,

The Holiday '07 and January '08 issues both featured newcomer Christy Marks, who has the youth, body, tits and smile to be 2007 Newcomer of the Year and rival Marilyn Sakova very soon. I

look forward to a comparison of Christy and Marilyn and probably unloading large quantities.—Brad, Atlanta, Georgia

IS IT THE GIRL OR THE BLOW JOB?

Dear SCORE,

My favorite way to enjoy SCORE is to sit back and feast my eyes on your mod-

els while my wife, Gwen, gives me one of her very talented blow jobs. The pleasure is much greater than jacking off.

We make a game out of it. I select a different model every evening, and Gwen tests my reaction to each girl. Gwen keeps track of how quickly I get hard over a girl, how quickly I shoot and, more importantly, how quickly a model gets me hard again after I cum. Sometimes I can manage only one load over a particular model. Sometimes I shoot as many as three loads. The average is two.

When I manage to shoot three loads, it's obvious that evening's model is really great. Candace Von has been a real winner in her two recent SCORE appearances, one of them a solo layout and one in the Xtra section. Minka is always great, too.

I met Gwen in college. She was very popular because of her oral talents. We married after graduation, and Gwen likes to say she chose me from among several men because I am not jealous and encourage her to enjoy her oral pleasure with her male friends. I always enjoy her reports about how big a man's cock is, how tasty his cum is and how many times he manages to get it up and off for her. I confess that I did get a bit jealous when Gwen told me that one gent came

four times in a couple of hours. Three is the most I have managed. But Gwen says to consider it a challenge. Maybe next time Candace Von appears in *SCORE*, she will help me meet that challenge. —B.K., Camden, New Jersey

THE SLOW STRIP SEQUENCE: WHEN PATIENCE IS REWARDED

Dear *SCORE*,

The November '07 *SCORE* illustrated how a photo sequence can highlight a model's attributes and build excitement for readers as she slowly strips to full nudity. We get to see how a model looks in sexy street clothes and appreciate how a tight top, wet T-shirt, bikini or push-up bra barely restrain a model's ample chest. Our anticipation is soon met when all is revealed in subse-

quent, full-nude photos. It was great to see this approach taken in the pictorials of Jana, Cindy Cupps, Deborah Blue and Brianna Bragg and done to perfection in the Alena Snow librarian shoot.

Last but not least was the outstanding pictorial of Christy Marks. An opening strip sequence quickly showed us that Christy has all the physical attributes, camera presence and an openness in her poses to become a *SCORE* legend. My only criticism is that her flexibility could have been alluded to in her debut yet not shown until later pictorials to give us a sense of anticipation. Nonetheless, it is hard to believe Christy is only 18.—J.Z., via email

Dear J.Z.: Hard to believe but true. Actually, Christy just turned 19.

Continued on page 18

Deborah Blue (Nov. '07) demonstrates the slow—but not *too* slow—strip that many *SCORE* Men prefer.

BRANDY DEAN

BRANDY DEAN'S PUSSY IS REALLY WET. BUT AS ALWAYS, IT'S REALLY TIGHT, TOO!

There are seven busty *SCORE* babes in the new DVD *Busty 'n' Wet*. Four of 'em do each other. They eat pussy and suck on tits. The other three fuck. Brandy Dean is one of them. "Whenever I have a choice between cock and pussy, it's always cock for me," said this midwestern farm girl as she got ready to go down on some cock, poolside. "The sun and hot weather always makes me hot for cock. I love fucking by the pool. Then I can cum and dive in to get cooled off!"

HARMONY BLISS & MIA STARR

BUSTY FUN IN THE HOT TUB!

Busty 'n' Wet is the hard-core **SCORE** DVD that has something for everyone. Do you fantasize about fucking a stacked chick by the pool? As we've just seen, Brandy Dean is your girl. Ever dream about two hot chicks getting each other off in a hot tub and connecting their cunts with a double-donged dildo? Then Harmony Bliss and Mia Starr will get you off while they're getting each other off. Like watching big-titted babes getting fucked in their tight asses. Well, newcomer Shyla Stylez likes it in her anus as much as she likes it in her pussy. Check out the expression on Shyla's face as her asshole gets drilled. "I love seeing a cock in my ass," she said. "It's so nasty and naughty. I love thinking, 'That's a real cock in my ass, and there are millions of guys watching this and jacking off.' That's the kind of thing that gets me wet!"

WIN SUMMER SINN'S BRA!

OWN THE TIT-SLING WORN BY THE SCORE FAVE!

Here's your chance to own the actual brassiere that supported Summer Sinn's incredibly huge sweater melons at the *SCORE* Studio. This double-hooked bra is fire-engine red, and the cups are decorated with beads and stones. This is no ordinary off-the-rack bra. It was custom-made by a bra-expert to Summer's exact specifications. This is not just a boob harness. It's a work of breast art! While Summer's tits actually measure 34GG, she had a 42 D-cup bra custom re-fitted to produce massive cleavage mounds when she wore it.

In addition to *Ultimate Summer Sinn* (co-starring Cindy Cupps and Claudia Kealoha), Summer stars in *Big Tit P.O.V.*, *SCORE Sexplosion* and *SCORE Xtra #11*. Because of these movies and her fucking and sucking talents, she has become a favorite of many tit-men.

To win Summer's bra, simply write on a sheet of paper your name, address and email address and the statement, "I am 18 years of age and I want to win Summer Sinn's bra" and mail it to: **Win Summer Sinn's Bra, *SCORE* Magazine, 1629 N.W. 84 Avenue, Miami, FL 33126.** Multiple entries will not increase your chances of winning. No purchase necessary. Offer prohibited in countries where Summer's tits are not allowed. Sorry, no email or fax entries for this contest. Entries must be post-marked by May 1, 2008. Good luck!

Big-boobed Summer Sinn autographs one of her bras in the *SCORE* Studio. You can have a shot at winning this bra if you follow the rules. If you don't, tough titties.

BUSTY HOOKERS WINS NIGHTMOVES AWARD

The **SCORE** movie *Busty Hookers* was honored with the "Editor's Choice" award for "Best All Sex/Gonzo" release at the 15th Annual NightMoves Awards ceremony held in Tampa, Florida. *NightMoves* magazine hosts and sponsors this extravaganza that has grown from a local awards show into a nationally recognized star-studded adult entertainment event every summer.

Torn from today's headlines, *Busty Hookers* boldly dramatizes what happens behind closed motel room doors in a film about the world's oldest profession and the shameless, big-boobed girls who sell their precious pussies to the tricks prowling the streets in search of sex. *Busty Hookers'* all-star cast features Kelly Madison as a flashy and trashy call-girl, Brandy Talore as a co-ed whore, Alexis May as the Scottish prostitute and Carmen Hayes as a streetwalker from Funkytown.

Critic Glen Mustafa from *Adult Video News* wrote: "Breasts are kept on screen almost the entire time. Indeed, the camerawork makes for a captivating study in mammary motion."

Busty Hookers: They'll drain your balls while they drain your wallet. Available on DVD at your local video store or download it from SCOREOnDemand.com.

YOU'LL BE SCREAMING, "I WANT MY SCOREtv!"

Big things have been happening online lately at Scoreland.com. And we're not just talking about the big tits that have been the staple of the super-site for nearly 10 years.

Monthly specials, such as "15 Years of SCORE," "On Location Eleuthera" and "On Location Prague" have been presented monthly since June 2007. These events, often a week long, are available only to full members of Scoreland.com (sorry, 3-day trial subscribers) and are removed from the website when the special concludes. In other words, these specials are not archived.

And now, Scoreland is breaking new Internet ground with SCOREtv, a monthly, half-hour online variety show hosted by SCORE editor Dave Rosenbaum and featuring your favorite SCORE Girls. Morgan Leigh, Crystal Gunns, Melissa Mandlikova and Summer Sinn have already been guests on SCOREtv.

"Think *The Tonight Show* meets *The Man Show* but a lot sexier, a lot more fun, a lot more provocative and a heckuva lot bustier!" SCORE chief John Fox said. "This is fast-paced, made-for-television adult entertainment. Last time I checked, Jay Leno wasn't doing any segments called 'Big Tits In Tight Tops' or tape measuring his bustier guests on the set."

New episodes of SCOREtv air in prime time on the first Friday of each month with encore presentations available to members throughout the month.

"We're taking Must-See TV to the next level," John said. "This is Must-See Big-Tit TV. We're going to make SCOREtv part of your monthly viewing habit."

Dave interviews 2006 SCORE Newcomer of the Year Morgan Leigh for the premiere episode of SCOREtv. This 30-minute show is dedicated to boobs, babes and bras with lots of man-humor throughout.

Dave gets to measure Morgan's JJ-cup tits.

We'd like to look Brianna in the eyes, but her glasses are blocking our view.

IN OTHER WORDS, LOOK AT HER EYES, NOT HER TITS!

A study by Aberdeen University suggests that faces are considered more attractive if they are gazing directly at the viewer rather than looking slightly to one side. (Magazine publishers have known this for years when choosing cover shots.) The power of confident eye contact is strongest when that person is smiling. People who find it hard to look others in the face and have shifty eye movements are regarded as much less attractive.

The researchers claim that eye contact has great importance in making someone appear more attractive, and the ability to look another person in the eye can make the difference between getting or not getting a job, making a friend and finding a sex partner. Even the smallest variation from a straightforward gaze is registered negatively on a subconscious level.

"People are attracted to people who seem to like them," one of the scientists said. "What this study shows is that not all attractiveness is down to physical characteristics. There have been lots of studies on what makes faces attractive, but most have focused on physical characteristics. We looked at the effect of gaze direction, which is something that changes second by second. We found that people preferred faces that were looking at them more than faces that were looking away."

When the faces were unhappy, eye contact made no difference to their attractiveness. Bottom line: The experts say you can alter your attraction to the opposite sex by simply looking straight at them and smiling.

"Mating effort is a finite resource that should be allocated judiciously, and preferences for direct gaze in opposite-sex faces would increase the likelihood of allocating mating effort to potential mates who are most likely to reciprocate," one researcher noted.

Whatever the fuck that means, it sounds like a lot of work!

DO DUMB BLONDES MAKE MEN STUPID?

Scientists at the University of Paris claim that men's test scores plummeted after they were shown pictures of blondes. They are calling this amazing effect the "bimbo delusion."

The researchers believe that men are not just distracted by blonde hair. They are also unconsciously driven by social stereotypes to "think blonde."

"This proves that people confronted with stereotypes generally behave in line with them," an author of the study said. "In this case, blondes have the potential to make people act in a dumber way because people mimic the unconscious stereotype of the dumb blonde."

The study, published in the *Journal of Experimental Psychology*, was based on two studies. In both studies, subjects exposed to images of blondes recorded the lowest test scores. So don't look at blondes or you'll become an idiot. Do what we do. Don't look into their eyes. Just look at their tits.

French scientists claim blondes can turn you into a moron. Don't let them!

FOR STARTERS, MARTINA IS SHOWING OFF HER PRETTY NATURALS AND PINK PUSSY. BUT THE BEST IS YET TO COME.

Here's Martina Novakova, a beautiful, naturally stacked babe from the Czech Republic. She's a university student, but let's not let that distract us from the basic fact of Czech chicks who pose for nudie mags: Sooner or later, they're gonna fuck for our viewing pleasure. It hasn't happened yet with Martina. In fact, she blushed when we asked her about it. But it's gonna happen. "Maybe," she said to our interpreter. But as you're about to see, Martina is not a bashful first timer. She shaved her bush to afford us a better view of her juicy, tight cunt, and you're about to see her spreading it nice and wide.

Remember Petra? She was another busty-but-shy Czech student who wasn't sure she'd do hardcore. Now she's an ass-fucked porn star. Martina? She isn't so sure what she wants to do with her life, but she did tell our interpreter that "posing for these pictures is the most exciting thing I've ever done." She also said that her sexual fantasy is to get face-fucked by a guy while a chick eats her pussy. That's the kind of fantasy that can be satisfied in porn.

Here's Martina laid out and ready for fucking. Her DD-cup tits look like they want to be sucked. Her pussy is open and ready for a hard cock. Shove your dick inside of her and slam her silly in the great outdoors. When you're done, cum all over her beautiful naturals. "I love sex," Martina said. Of course you do, sweetheart.

SEXUAL FANTASY: "A man fucks my face while a girl eats my pussy."

Lorna Morgan

The all-natural legend looks back upon her great career.

But the best is yet to come!

Interview By Dave Rosenbaum

She made her worldwide magazine debut in the April '99 issue of *Voluptuous*, and the headline of her pictorial only hinted to her future greatness: "LORNA: Another all-natural, British newcomer with a world-class rack!" Well, we got the world-class rack part right. But calling Lorna just "another all-natural, British newcomer"? Well, as we've since found out, Lorna is in a class of her own.

Nine years later, Lorna is still going strong. In 2001, we named her one of the 20 greatest naturals ever, and when we updated the list in 2006, Lorna was still on it. In fact, she had the lead picture in the "20 Greatest Naturals" pictorial in the September '06 issue. She was the covergirl of the February '06 issue of *SCORE* (pregnant, no less!) nearly seven years after being featured on her first cover in the October '99 *Voluptuous*.

Between those cover appearances, Lorna has been a part of one special SCORE project after another: *On Location Portugal* in 1999, *Boob Cruise 2000* and *On Location Key Largo* in 2001. In 2007, she added to her impressive resume by joining us in Eleuthera, the Bahamas for the Big-Boob Paradise DVD and magazine project.

How does she do it? Well, that's something a lot of her peers would like to know. Because Lorna has retained her enormous popularity despite the fact that she has never used dildos, never done hardcore, never really posed much more explicitly than she did in her SCORE and Voluptuous debut pictorials in 1999 and 2000.

Perhaps she has done it by just being Lorna. By being naturally beautiful, naturally busty, naturally sexy. She is the ultimate girl-next-door, the girl you'd love to take home to momma. And you know momma would love her.

These photos, taken during the Big-Boob Paradise shoot in Eleuthera, are testament to her everlasting greatness. The following interview, conducted between photo shoots, is testament to her natural charm.

SCORE: Well, SCORE Men, we're here in beautiful Eleuthera in the Bahamas with the lovely and beautiful Lorna Morgan. How are you?

LORNA: I'm good. I'm in the Bahamas with a bunch of naked, sexy ladies taking lots of naked pictures all over the place, so I'm having a good time.

SCORE: Lorna, you get to go to all the good places with SCORE.

LORNA: I know! I have been told. I only do the special stuff. If it's like this, then I'm, "Okay, I'll do it! I'm there!"

SCORE: First, it was *On Location Portugal* in 1999.

LORNA: That's right, with a whole bunch of lovely girls. Mostly British girls on that one. Linsey Dawn McKenzie, Kerry Marie, Jessica Turner, Jade. One girl, Annette Christianson, was from Sweden, I think. That was fun. It feels like yesterday, really. I can't believe it was that long ago. Then *Boob Cruise 2000*. That was the first time I was ever on a cruise ship. That was a dream come true. An amazing little ship going around these amazing islands. Stopping off, going on the island and having an amazing exploration and taking all those pictures. Loads and loads of photographs.

SCORE: Then, in 2001, *On Location Key Largo* in Florida

LORNA: That was similar to being here

in Eleuthera in that we had so many nice girls, and obviously we were in one nice spot. I have a dream-like memory of that trip. I liked that one. There was some red wine! Good music. Lots of dancing. It was good.

SCORE: And it was you, Chaz, Kerry Marie, Chloe and Desirae.

LORNA: That's right. The most memorable photo shoot for me was the lineup where we all stood against a wall with our heights and bodies being measured so people could see the differences between all the big-boobed models. I liked that one because it was very chilled-out. Very relaxed. Whereas the Boob Cruise was very hectic. Very early in the morning, and a bit crazy. Lots and lots of people. Two totally different experiences, but I loved every single one of them.

SCORE: And now Eleuthera. What makes this different is that there's no somebody here for the first time.

LORNA: No Kerry Marie! But Kerry wasn't on the Boob Cruise, either. She's not always with me. *[Laughs]*

SCORE: But don't you think people put the two of you together?

LORNA: I don't know. I think it's because when I did the Portugal trip, I didn't know any other models. I didn't know Linsey, I didn't know Jessica. I didn't know any of them. And then I turned around at the airport and there was this stunning girl with beautiful hair. She was so sweet, and we had so much fun chatting away. And then we ended up, as always, in a bunking situation together. There were so many people there, so I said to Kerry, "I'll bunk with you if we have to bunk with someone," and she said, "Okay!" And we were just so similar. We went to sleep at the same time. We got up at the same time. She's neat and tidy. I'm neat and tidy. We both love to have a chat, but we just don't chat until four in the morning because we like to have our beauty sleep. *[Laughs]* We just hit it off, and she lives about three hours away from me. I think I spoke to her about a week ago.

SCORE: You're still friends?

LORNA: We're still friends. I still see her. It's nice. She's still modeling, I'm still modeling, so every now and again we work together because it just makes a lot of sense. We'll drive to shoots together, so it's nice.

SCORE: For me, it's always Kerry and Lorna. Even the first time I met you in the office prior to the Key Largo trip,

you were with Kerry, bouncing around the office...

LORNA: In our T-shirt and our jeans.

SCORE: The image is unforgettable. There's even a picture of you and Kerry with John Fox in the 10th anniversary issue. That was taken before the Key

Largo trip on that very day. But let's go way back, Lorna, to 1999. It's 1999, and you are a young girl.

LORNA: That was the first time I was in the magazines, in *SCORE* or *Voluptuous*, but I think *Voluptuous* was the first one. I remember that. For me, it was really

strange seeing myself on the front cover of anything. I think I was wearing an orange bra on the cover of the October '99 issue of *Voluptuous*. I kept those. I only keep the cover-shot ones. I tend not to keep the others, but if I'm on the cover, I keep a copy. Something to show

SCORE: Before you were a model, what were you doing with your life?

LORNA: I was acting in television, and I did theater, and then I started an agency for models and actors and actresses. I suppose the whole modeling thing wasn't something that entered my head because I'm little, and I don't have long legs. I'm short, so I didn't think I'd be a model. It was other people who said, "Oh, you should model those boobs. You should take those boobs and set them free!" They said, "You gotta go take some shots of yourself with your top off, girl," so I said, "Okay, I'll do that," and I asked my friend to take some pictures, and that's how I started modeling. And there was

also this incident

where I sort

cash, as

most

young

girls do,

and I was

modeling

for artists

in col-

leges.

They

wanted a nude model, and they got me!

SCORE: I want to be in that class!

LORNA: Ah, it was good! Some of them were drooling over me. Some of the guys couldn't care less because I wasn't their type, and some of the guys were like, "Look at the size of those!" And I was getting something like six pounds an hour, which is like 12 bucks, and that just happened to coincide with my acting agent saying, "You could get a whole lot more if they were using a camera instead of a paint brush." So I said, "Okay, I'll have a go. Send those pictures, and we'll see what happens." But I still kept running my business because I didn't take modeling very seriously. Even now, I still don't take it that seriously! [Laughs] It's still something I like to have fun doing.

SCORE: You went to London for your first shoots.

LORNA: Well, I did a couple of shoots for a little Japanese magazine. They were very soft. But then I did my first shoots for *SCORE* and *Voluptuous* in John Graham's studio in London. That was overwhelming because before that, everything I'd done was very small. This wonderful makeup artist was doing my makeup, and it was a completely different world for me. I'd never been sitting in the makeup chair. I'd always been the one on the phone saying to somebody, "Do you want to model for something?" so it was a complete turnaround. It was great. I can't remember exactly which pictorial was the first one that was actually printed, but I remember the orange bra and

panties because in those days, I couldn't buy anything with color. I couldn't buy a bra and panty set that was pink or yellow or green in my size, so I dyed this thing myself and made it orange.

SCORE: I didn't know that.

LORNA: It was an all-white bra and panties set that had gone slightly off-white, and I just wanted a color. I didn't want to be in white or black, and to buy a bra that was in a color was impossible. They just didn't do 30FF, which is what I was back then, in those nice colors, only in basic stuff, so I decided to dunk it in some dye and hope for the best. And it came out orange, and it was great. That's why I remember that cover, because the bra was done by me!

SCORE: Were you nervous about your first shoot? Excited?

LORNA: A bit of both. I think a photographer helps a great deal when you're modeling, especially if you're very young and nervous. I think I just dived straight in. Did whatever I could, and the more chatty and more fun you make it, it's much better that way.

SCORE: You had fun the first time?

LORNA: Yeah. It was good. I got my head around it. I said, "I know what I'm going to do, and I'm going to do it. It'll be fine." And it was. I'm definitely like that. I get all crazy nervous the day before, and on the day, I'm fine.

SCORE: So Portugal came how much later after that?

LORNA: It wasn't that much longer because I wanted to buy a house, and in the UK, you have to pay three years worth of tax and stuff before you can get a mortgage on a house, and I wanted a steady job, so I said to *SCORE*, "If you want me, you're going to have to keep me for a year. Otherwise, I'm going to go model for everybody else," and you said, "No, we want to keep you." You said, "We're going to take you to Portugal, and I said, "Okay. That'll do."

SCORE: One of my favorite scenes in the video *On Location Portugal* is when you're shopping.

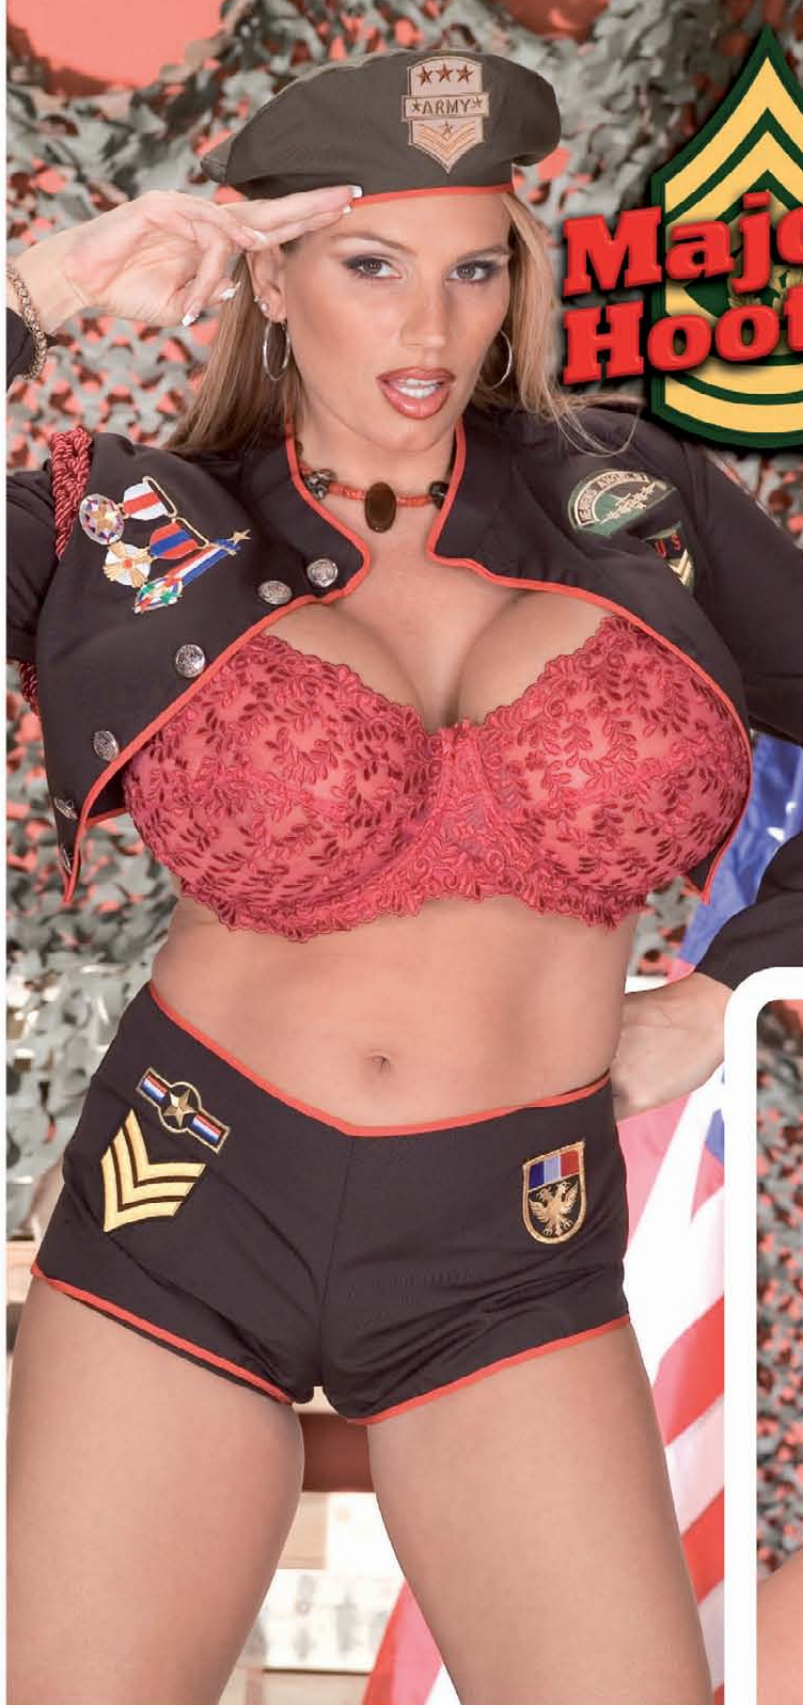

LORNA: Yeah, for fruit and veg. And we were genuinely shopping for fruit and veg! The fruit and veg that was purchased *was* eaten. I think there was some dressing up, as well. That was good. Didn't I chase some chickens in that scene?

SCORE: I know you went to a bar or restaurant and had a beer. At the time, did you find it strange that we wanted

We've seen Lisa fucking and sucking so many times, it's nice to have her to ourselves this time. Of course, there's that dildo. "I have a needy pussy," Lisa said. Who's that girl?

WHY, IT'S MELISSA MANDLIKOVA, OF COURSE, AND SHE'S LOOKING SEXIER AND BUSTIER THAN EVER!

In this, her third appearance in the world's greatest big-tit mag, Czech university student Melissa Mandlikova is trying out a new look. It's called new-age L.A. porn slut, and although lovely, young Melissa hasn't decided yet whether she wants to become a new-age L.A. porn slut, we think the look is good on her. "Thank you," she said in her sexy, sultry Czech accent as she whipped out a tit. "I think my breasts got bigger." Hey, we weren't asking—yet!—but since Melissa was so willing to play show and tell, we're definitely looking.

We caught up with Melissa during a recent *SCORE/Voluptuous* trip to the Czech Republic during which we taped a week of XXX boy-girl scenes for a week-long special on Scoreland. Melissa didn't do the dirty deed (she still hasn't decided whether she wants to do porn) but enjoyed watching the action. "It is very sexy, very sensual," she said as she watched her comrades-in-tits taking stiff rods in their mouths and pussies. "But I am not sure it is for me." That's okay. Melissa did grace us with a tits-in-tight-tops fashion show that was featured on the first episode of *SCOREtv*, the new online TV show that's airing monthly at Scoreland. Log on today. There's still time to check it out. "I like wearing sexy clothes," Melissa said. "I do not have the chance to wear them too often because I am usually in school and I try to be proper when I am in class." Hey, no need for that, Melissa. Most university professors are horny fucks.

A full-body photograph of a blonde woman with large breasts, standing with her hands on her hips. She is wearing a thin chain necklace with a large, clear, teardrop-shaped pendant. She is looking directly at the camera with a slight smile. The background is a plain, light-colored wall with a framed abstract painting in shades of red and orange. The lighting is soft and even, highlighting her skin tone and the texture of her hair.

A few things you might want to know about Melissa: She speaks serviceable English, but she is more comfortable conversing through an interpreter. She loves going out to nightclubs and dancing the night away, shaking her big naturals all over the place. And she's smart. When she graduates from the university, it's going to be with honors. Summa Cum Loudly, perhaps?

to take pictures of you shopping?

LORNA: Yeah! Totally. They said, "We're going to take pictures of you walking and then shopping." And I was like, "Okay." Obviously, you guys find that sexy, but I didn't know it was sexy. And I still don't get it. Not really. I don't walk down the street and think, "I'm being sexy right now." It doesn't enter my head. I think most girls will say the same thing. It doesn't really register.

SCORE: So here you are wearing jeans and a long-sleeve white shirt. Totally covered up. You don't think what you're wearing is sexy, do you?

LORNA: I think it's nice because it's comfortable and the mosquitoes are not biting me, but I

don't necessarily think it's sexy. To me, sexy means sexy clothes.

SCORE: But you know that if you

stood up right now and we took some pictures and posted them at [Scoreland](#) or ran them in the magazine, we'd get a lot of good comments, wouldn't we?

LORNA: Probably. Somebody would like it because I'm wearing a tight top.

SCORE: And we can kinda see your bra under it.

LORNA: Baby pink.

SCORE: Maybe that's what it is about you, Lorna. There are a lot of things people love about you. Maybe one of the best things is you don't try to be sexy or don't realize you are, but you are sexy.

LORNA: Yeah, I never thought about it that way, but it makes a lot of sense. I mean, I used to have some great stuff and people would say, "Oh, that looks sexy," but it was so uncomfortable. The most uncomfortable thing in the whole world. Now I just wear stuff I'm comfortable in and hope it's sexy. [Laughs] Sometimes it is, sometimes it isn't.

SCORE: With you, most of the time it is. Then in 2000, we took you to the British Virgin Islands, one of the most beautiful places on Earth.

LORNA: It was stunning. That was my favorite place and my favorite trip, the Boob Cruise.

There were so many people. There were so many models, and there were a lot of fans on the boat. I didn't think anybody would know my name when I got on the boat, and maybe there were two people who knew my name. They were like, "I know your face. What's your name?" There were a lot of very established models on the ship, and everybody knew them, but I was the newbie. I was so excited. I was like, "Look at this! Sand, sand! Sea!" I love all that stuff. Unfortunately, it just doesn't like me 'cause I'm

white as a ghost, and all the other models were bronzed and stunning and beautiful, and I was this little white thing that sort of wandered around figuring things out.

SCORE: What's your favorite memory of the 2000 Boob Cruise?

LORNA: There are so many. Waking up next to Melody was quite funny. Melody Foxxe, my roommate? She was so fun. We had bunk beds, and she would sleep at the top and I would sleep on the bottom, but she would tumble into the room maybe a couple of hours after me, and she'd just climb into bed with me, and I'd wake up and her head would be right there on my chest. She'd use my breasts as a pillow. Evenings were really good fun because they had big shows with all the girls dancing. I couldn't believe what some of them could do. The dancing, the splits, getting down there. Casey James with her chaps on and spinning around and spreading legs. Wow! It was just amazing. There are just so many memories. And talking to some of the guys. They were just so much fun. And dancing in the evening with all the guys and having some fun with all of them. I had a good time.

SCORE: Parasailing.

LORNA: Parasailing was cool. That was the very first time I ever did that.

SCORE: Scary?

LORNA: No, not scary at all. I was scared before I did it, but once I was there, I was good. It was so calm, so relaxing. You get up, you think it's going to be the wind in your face and all sort of busy, but it was like you were just floating along. And you could see everything, all the islands, so I got to see everything from a totally different view.

SCORE: By the way, you mentioned the girls dancing on that Boob Cruise. Have you ever been a dancer?

LORNA: Yeah, I danced for about three years. It's different in the UK because it's just a club, and you'd go to the club and just dance, and there are very strict rules. It's not like a stage show. It's more like one-on-one. There are special little areas that you take one of the customers, and he pays the model to dance for him. Private dancing. You'd stand there and do your little dance, but you can't touch the customers and they can't touch you. But you're not behind a screen. You're like a meter away from the customer. And they have a little area

As Johnny Cockring, the great defender of big tits, once said, "If the bra don't fit, you must acquit." But the girls in this special pictorial are all guilty of overstuffing their under-sized, overwhelmed bras, and they're also guilty of causing the raging hard-ons in our pants. They smile so sweetly and innocently, as if they haven't done anything naughty. But all these girls know exactly what they're doing. Every last one of them. "Wear a bra that's too small?" Christy said. "Never."

Here's the deal: a chick with **SCORE**-sized tits walks into a department store and asks to see the bras in her size. The poor salesperson, knowing such a thing doesn't exist off-the-rack, throws his or her hands up in surrender. The busty chick, not wanting to deal with custom-bra makers, buys the biggest bra they have. And it still isn't big enough.

Hey, what's Tera Cox (left) doing? She's released the tension on her bra cups. The straps aren't digging into her shoulders. "My tits are heavy," Tera explained. "I need some relief once in a while." Simone Staxxx (right) looks like she's going to get some relief...and a little help from a friend. Can we help?

counted. For Newcomer of the Year, Christy Marks has taken the lead over Alena Snow, but her lead is very small. Tera Cox, Delotta Brown and Terry Nova are following right behind. For Model of the Year, Crystal Gunns has closed the gap on Minka, who had opened a big lead early in the voting. Bea Flora, Marilyn Sakova and Denise Derringer follow. For the 2008 Hall of Fame induction, Danni Ashe has a big lead over Sharday and Alyssa Alps. However, 30% of the vote is required for induction, and so far, Danni has only 27.8%. Will there be a Hall of Fame induction this year? Stay tuned!

TERRY KEPT HIM BUSY? HOW?

Dear SCORE,

Newcomer of the Year: Terry Nova's big hangers put me over the top, plus her XXX scene in the Scoreland Prague special kept me busy all weekend.

Model of the Year: This is Crystal Gunns' year. I met her at a club in 2006, and her sex appeal and personality left me babbling like an idiot.

Hall of Fame: Danni Ashe. She may not have the biggest tits, by far, but she's

Daphne has the look of a 1950s pinup girl and the attitude of a modern porn star.

YOUR VOTES KEEP POURING IN!

Dear SCORE,

Newcomer of the Year: Paola Rios. Any of the naturals are great, but Paola is most likely to still be a sensation years from now and talked about as one of the all-time greats.

Model of the Year: Bea Flora. This was the easiest of the categories in which to choose a winner since Bea and Marilyn are so far ahead of the rest that it is not even close.

Hall of Fame: Sharday. This was very difficult. Six of the 10 nominees should be in the Hall of Fame. I'll have to wait another year to vote for Sammie Black, Danni Ashe, Alyssa Alps, Jessica Turner and Dixie Bubbles.—G.P., via email

HARMONY AND THE GIRLS ARE KEEPING HIM IN A STATE OF BLISS

Dear SCORE,

Once again you delivered an awesome edition of SCORE with the December 2007 issue. Seeing Harmony Bliss on the cover got me so excited that I couldn't wait to get home and start stroking over her FF-cup tits. She looked amazing and and more gorgeous than ever.

And Candace Von doing hardcore was incredible and made me cum many times over. Keep the XXX section coming. More facials would be great. There is nothing like seeing a big-boobed babe's face covered in cum and the cum drip-

GOT
MILF?

A woman with long, wavy brown hair and a bright smile is the central figure. She is topless, showing large breasts, and is wearing a dark red garment with a pink lace trim. Her right hand is resting on her hip, which is covered by a black fishnet stocking. The background is a simple indoor setting with light-colored walls and a window.

**WE GOT HER! J.J. LANE IS A
REAL-LIFE WIFE AND MOM!**

The smile says it all. "You can't wipe it off my face these days," said J.J., who didn't always have big tits and didn't always feel sexy. "Ever since I saw my pictures in *SCORE*, I haven't stopped smiling. Neither has my husband. He thinks he's the luckiest man on Earth." We have news for him: He is!

J.J.'s hubby, a longtime *SCORE* reader, likes to look at his wife's pictures in the magazine while she gives him a blow job. He doesn't cum in her mouth. "He cums all over my tits," she said. "He thinks it's so cool that he gets to cum on a *SCORE* model's chest. I say to him, 'Honey, I'm not just a *SCORE* model. I'm your wife.' And then his smile gets even bigger." But not as big as J.J.'s. "I'm having the time of my life," she said. "Thanks, *SCORE*!"

ping off her chin onto her huge knockers.

Gabriella Michaels is damn hot, and seeing her either dressed or nude makes no difference as she is the epitome of a stacked queen and gets my cock hard in no time.

Anyway, guys, since I first came across *SCORE* (the first Boob Cruise issue) back in the mid-1990s, I have been hooked. You guys are by far the best big-boob magazine on the market, and I have no complaints at all. Thanks to you and all the models who appear in your fine publication for the joy you give to tit fans like me.—M.B., Sydney, Australia

IF YOU'RE GONNA HAVE TWO WIVES, THEY'RE GOOD CHOICES

Dear *SCORE*,

I think I am going to join one of those remote Mormon offshoots, way out in the middle of nowhere. Well, only if I can get Natalie Fiore and Kylee Nash to join me as wives. I've raved about them before, but between the magazine sets and the *Scoreland* sets, that Kylee is something else! What a beauty! She doesn't need a bigger bustline, but I don't argue with beautiful women.

I'm always saddened to hear about the retirement of ladies like Alexis Love, Busty Dusty and Nikki Knockers, but lately the new models have made me not worry about the lack of curvy beauty.—D.C., via email

MINKA'S ERECT NIPPLES RULE!

Dear *SCORE*,

Minka's melons are huge and full, but what turns me on is her nipple size, hardness and how erect they protrude into space. When walking down the street, it is just great to see a bulging T-shirt approaching with two cherry-like nodules sticking further out from the two swishing bulges unhindered under the T-shirt. Just how does Minka get her nipples big and hard when so many models' nipples are flat and flaccid? Can Minka tell us what stimulates her so much that her nipples become outstanding? Are there exercises, creams or cold ice, or is it the traditional sucking on them that makes her nipples stand to attention? It gets my attention.

In the 2007 Model of the Year award, the erotica of breast size and shape must be taken into account, but there should

LOOKING IN THE GLORY HOLE

Dear SCORE,

Just added *Big-Tit Glory Hole* to my collection of superb SCORE DVDs. Danielle Derek is amazing. She is drop-dead gorgeous from head to toe. Her puffy nipples, tight tummy and juicy boobs are amazing. She makes love with a frenzied enthusiasm that is inspiring.

The rest of the DVD is great. With Denise Derringer in it, you've got two out of the top five big-tit models in one vid (the others, in my humble opinion, being Vixen LaMoore, Lisa Lipps, and the best of them all, Minka). Daphne Rosen and Jade Feng are no slouches either, but it's hard to get past Danielle.—D.H., via email

STICKING UP FOR LACEY LEGENDS

Dear SCORE,

Shame on you, SCORE, for not putting Lacey Legends on the 2007 Hall of Fame ballot. I go back a long way with SCORE, back to the November '92 issue that had the classic girl-girl pictorial of Lacey and Deena Duos, "Happy Trails." That set the standard for future girl-girl pictorials. It's a shame you never did a girl-girl of Lacey and Minka. They live two blocks from each other in Las Vegas.

My write-in vote for the 2007 Big-Boob Hall of Fame is Lacey Legends. —R.R., address withheld

Dear R.R.: Thanks for voting. Unfortunately, we don't accept write-in votes. But we'll keep Lacey in mind for the 2008 ballot.

HAPPY, HAPPY BIG-TIT BIRTHDAYS

Dear SCORE,

Linsey Dawn McKenzie, born 1978, gets to be 30 in 2008, right? I would be a really happy guy if you'd consider publishing a 164-page special collector's issue featuring all the best Linsey SCORE appearances, plus one or two new ones. She is your most magnificent model ever and really deserves this celebration-in-print. Choice features would be her first-ever photo set, a hardcore section, her oiled-tits set, the bodypaint top hat and tails set and the "Devil in Miss Linsey" set. PORN STAR IN TRAINING

HARMONY HEART HAS HIGH, HARD ASPIRATIONS.

Her name is Harmony, she's not old enough to drink in the United States of America, she's a tall, sexy blonde from Los Angeles, California and she puts her occupation as "self-employed." Not for long, though, if Harmony has her way...which we think she will. This DDD-cupper has porn on her mind, and if her cock-sucking skills are any indication, she's gonna be a star.

Yeah, we've seen Harmony sucking cock, and you can, too, in the new DVD *Big-Tit Rubdown*, her first boy-girl video. The guy she's with has a big cock, but Harmony takes every inch of it down her throat with long, lusty sucks. "I didn't even realize I was so good at giving blow jobs until he told me," Harmony said proudly. "He said, 'I've been with a lot of porn stars, and that's the best BJ I've ever had.'"

The photo above, in which Harmony reveals her pussy and asshole for your inspection, says all you need to know about whether Harmony is bashful. But how about the woman behind the tits and cunt? "I played volleyball in high school, but that got difficult when my tits grew too big," she said. "I love to play with kids in my spare time. I hope to have a big family one day." She's also been the target of one of the worst pickup lines ever. "A guy came up to me and said, 'I need to get some ketchup and catch up to you.' I didn't want to laugh at him, but what was I supposed to do?" We don't know. Show him your tits, maybe? Suck his cock? "Nah," she said. "I save my blow jobs for the nice guys."

SCORECARD

Continued from page 80

is my idea for a new Linsey set. And please try to include a full-page pic of her beautiful face with those eyes!

Also, fabulous black babe Jeanie Pepper gets to be 50 in 2008. I can't believe she hasn't been in SCORE before. Now is really her time. She is a fantastic MILF, and her boobs have never looked better. I'm sure she would be a great success with SCORE Men.

Now some comments on the Holiday 2007 and January 2008 issues. In Holiday, I love Delotta Brown, Candace Von, Camille Morgan, Christy Marks and Tera Cox. Three black babes in one issue! Way to go! I really appreciate your increased coverage of black beauties. Delotta and Candace are two of the finest, and Camille fully deserves her status as a Newcomer of the Year finalist. Christy, Tera, Paola Rios and Puma Swede are wonderful. Alena Snow has great eyes, though her rack is a bit extreme for me.

January 2008: A great opportunity to see a lot of a few super girls. I love all of them. My favorite sets featured Gianna and Christy. The full-page pic of Angela White in a leopard bikini bottom was super. This issue also made me into a Terry Nova fan.

Since I love black babes and MILFs, seeing Jada and Sara Jay in XXX was great. Please, more Jada Fire! The candid shots throughout were great, as was the bouncing tits pic on the contents spread. If you want to, please publish a small selection of pics from this shoot.

A final note: For your next black newcomer, please try to find a babe with really deep dark skin, like Seraya Jones (October '07).—S.A., Sweden

FINISHING ON A DOWN NOTE...

Dear SCORE,

For the past year or so, some of the new girls aren't cutting it. In fact, most of them. Some have okay tits and a pretty face. Some have great tits but an average face and body. Others have average everything. The last great girl was Sydney Simona. She has all three: great breasts, hot body and a pretty face. I know you're trying, though.—B.P., Toronto, Ontario, Canada

Dear B.P.: Thanks for the encouragement. And, yeah, we are trying hard to satisfy you. By the way, your girl returns to SCORE on page 93 of this issue.

with a pole, and you dance on the pole. But they don't have feature dancers. I did that for a while. That was great because it's really good to keep fit, but I stopped like three years ago.

SCORE: Then 2001, Key Largo. You want to hear my two favorite memories from *On Location Key Largo*?

LORNA: Go ahead.

SCORE: One, you were my first interview. My second memory of Key Largo...well, I was a real **SCORE** rookie at the time, and the idea of seeing nude girls running around was still pretty new to me. So, you and I, Lorna, spent about an hour one night doing the *Sunday Times* crossword puzzle.

LORNA: Yeah, I remember doing that! [Laughs] I like doing things like that, crossword puzzles. Brain teasers and all that stuff. I enjoyed that whole week. It was a nice place. Like this place, you could literally walk out the door and there was the beach right there. You never had to get in a car to find it. It was right there in front of you. And it had a cool pool as well.

SCORE: You and Kerry Marie swam naked together.

LORNA: We did! It was great because there weren't so many mosquitoes.

SCORE: And there was the scene where you, Kerry and Chaz oiled up Chloe. Did you go on the dolphin thing, too?

LORNA: Yeah, we all had a day off, with cameras, where we went swimming with the dolphins. That's a **SCORE** day off. You get a **SCORE** day off, but the cameras still come with you.

SCORE: Just make believe the camera is not there!

LORNA: I think I was talking to the boss lady, and she said, "It's guerrilla photography." [Laughs] You wake up in the morning, and you turn and there's a camera right there. [Laughs] You're never ever not working. And it was a lovely room we got to stay in. Stunning. And I shared a bed with Kerry.

SCORE: Again.

LORNA: Again! But I'm sharing a bed with Angela White on this trip.

SCORE: What's the difference between sharing a bed with Angela and sharing one with Kerry?

LORNA: I don't know. Angela tells me about it the next day, about the fact that I cuddle. She's so cute. She says, "What

SCORE: She's a *SCORE* and *Voluptuous* reader, you know.

LORNA: I know. She Googled me. Then she went on my website and told me. She said, "I know all about you, Lorna Morgan." She's so sweet.

SCORE: You know what's amazing about you, Lorna? If one looks at your pictures from 1999 and then looks at your pictures from 2006 and 2007, you're not doing any more now than you were back then, as far as how explicit your posing is, and you're still very popular. You've managed to maintain your popularity, and your modeling has not really changed, has it?

LORNA: No, I suppose not, because I'm happy doing what I'm doing. That's the trick. As soon as I'm not happy doing it, then I stop. So as long as people like what I'm doing, I'll keep doing it, but as soon as people stop liking what I'm doing and they want me to do more and I don't like it, then I'll stop.

SCORE: Because you know what the normal progression is. A girl comes into the studio for the first time and she'll only go topless.

LORNA: That's right.

SCORE: Then a few months later, "Oh, honey, can you do spreads," and she does spreads.

LORNA: Yep.

SCORE: Next thing you know, the dildos come out. Next thing you know, the girl is doing hardcore. But Lorna Morgan today is the same Lorna Morgan from 1999, and we still love her.

LORNA: That's because my brain takes over every single thing. It's like, I just know me. I know what I'm happy with. I know what I'm good at. And I think I would just be really bad at hardcore because I would just laugh all the way through. It would be no good. It would not be sexy. I'm telling you, you don't want to see me doing anything like that. You might think you do, but you don't!

SCORE: Do guys want to see it? Do you get letters like that?

LORNA: Not that many. I get some. Of course, you're always gonna get somebody who's never seen me before. They just stumbled upon me. They bought the magazine or something and they write, "I just found you," and they'd like to see me with this or that, and it's something I don't do, like dildos or

SYDNEY SIMONA HAS ALL THAT...AND LOTS MORE!

"Sydney Simona is one of the truly slim and stacked babes," wrote *SCORE* subscriber Mark. "She looks fresh and unspoiled. She gets my cock so hard that I might get a permanent hard on." Hey, buddy, that would be a waste. We defy any man to not blow his load while watching Sydney's solo scene in the video *Black Tits, Pink Slits*. "I love to make men cum," she said.

Some girls are just born hot, and Sydney seems to be one of them. Her chest started developing when she was 11, she was a fully grown E-cup by the time she was 14 and she maintains her magnificent, tight, 40-24-34 body by walking. Yeah, that's right. While some women are pounding the Stairmaster for three hours a day to keep from turning into whales, Sydney is staying fuckable simply by walking. "I'm lucky, I guess," she said. "But walking isn't the only physical exercise I get, you know." She smiled. "I am very active in bed."

Beautiful face, great tits, amazing nipples and areolae, fuckable pussy, bangable butt, long legs, tight waist...we can go on and on listing Sydney's incredible physical attributes. Instead, though, we'll leave you with Sydney's hard-on inducing words about what she likes to do to have fun. "I like to play cop and bad girl games, doctor and nurse or doctor and patient," she said. "I've kissed other girls, but I haven't gone all the way. I own two vibrators, one big and one small one. Sometimes I'll watch an adult movie while I'm using them." Ready, aim, cum!

hardcore, but it's not that often which is good because then I'd have to disappoint them.

SCORE: Well, maybe the point is that you're very comfortable with what you're doing and it comes through, so you look sexy all the time.

LORNA: Yeah, and I try to mix it up a bit. As much as I can because there's only one pair of boobs on me. Every now and again I like to bring a friend in and do a little girl-girl photoshoot or some dress up, which is up. I like fun dressing up shoots. I did a wicked one the other day with a sailor hat on a boat. I liked that. It was fun.

SCORE: One of your greatest photo shoots from Key Largo was the one in the bathroom.

LORNA: The shaving one and painting my nails? And brushing my teeth? You know, the brushing my teeth was scandalous. It was a scandal!

SCORE: What do you mean?

LORNA: I received emails going, "That brushing the teeth one with you spitting it all over you? That was strange." Because some of my fans don't even like me doing things like that. They're imagining what that stuff is, the toothpaste on my breasts, and they don't want that. It was a scandal. I got a few emails that said, "That was probably the most erotic one you've ever done."

SCORE: They meant that in a good way, I hope.

LORNA: Some of them thought it was amazing. One thing you learn is that you can never please everybody all the time, so the best way is to just please yourself and hope everybody likes it.

SCORE: That pictorial was very intimate. You weren't always looking at the camera. You were looking down. It was almost like we were eavesdropping.

LORNA: You were spying on me!

SCORE: We were!

LORNA: But that's okay. I don't mind that at all. I thought it was sexy, too. I liked that shoot.

SCORE: You shaved your pussy, but you didn't shave all the way, did you?

LORNA: No.

SCORE: You don't do that, do you?

LORNA: No. It goes back to the same thing I said before. If I'm not comfortable doing something, I won't do it. And the truth is if I do, I will walk

around the rest of the week with my hands down my pants scratching it. It's not a good look.

SCORE: That's for guys to do. We scratch ourselves all the time.

LORNA: It's so true. You guys are always scratching yourselves. And we're used to seeing that, but you guys aren't used to seeing glam models walking around scratching themselves. No. So I don't take it all the way off. I have to leave a little bit there, just for comfort.

SCORE: If somebody told you in 1999 that you'd still be modeling in 2008, you would have said...

LORNA: "Really? That's good." It's nice to think you can still do it because there have been moments in my life where I've thought, "Maybe they just don't want to see me right now," or my confidence will go up and down. Body changes. The fact that I can still do it? That's amazing for me.

SCORE: In the February 2006 issue, we ran a set of you in *SCORE*, and you were on the cover. Seven years after your debut. It might have been the nicest set of you we ever ran in *SCORE*.

LORNA: Yeah. My hair up and curly. I remember that one. That's a good set. I like it because even though I'm quite made up, it feels quite natural to me.

SCORE: And, of course, there was the not-so-secret about that shoot.

LORNA: I was pregnant. I was about three or four months pregnant in that shoot. My boobs were huge.

SCORE: Your boobs are always huge!

LORNA: Big mama boobs! I had a bun in the oven. But the bun's out. He's been cooked and served. Now I'm a mommy.

SCORE: Lorna, you're a MILF!

LORNA: I am!

SCORE: And don't you know I love that saying. [She puts on a deep voice] "She's a MILF!" It's like a badge. "I'm a MILF." I'm a mother you'd like to [whispers] fuck.

SCORE: MILF is a word that's used in England? I didn't know that.

LORNA: Yeah! We all watched *American Pie*, for goodness sake! I mostly watch American TV. I watch British comedy because I absolutely love it, but I don't watch British soap operas or any of that stuff. I watch American. Either situation comedies, or I like *CSI Miami*, *Vegas*, *New York*, all the others. *The Closer*. I like watching crime shows.

SCORE: Has anybody ever called you a MILF except for me right now?

LORNA: Yeah. I've been called a MILF a

few times. I've got some friends who have called me that. You know what happens when you have friends and they think you're cute and you tell them you're having a baby. They go, "Oh, no. That's it now. She's just going to get all chunky, and she's just going to wear smocks for the rest of her life." And they're so happy I didn't. [Laughs]

SCORE: You're from Cardiff, right?

LORNA: Cardiff, which is in Wales. But Cardiff isn't part of England. Cardiff is part of Britain, so I'm Welsh and a British woman.

SCORE: When you walk around Cardiff, do most people know you?

LORNA: No. I walk around Cardiff like anyone else. I get stopped sometimes, but I'm usually shocked when I am.

SCORE: What usually happens when you're stopped?

LORNA: It's usually good. I had one or two instances where I thought, "I gotta get out of here," but usually the people are nice. Sometimes they say, "Can I take a picture?" Sometimes it's like, "I know your face. Where do I know it from?" And once or twice it was like, "Can I walk around with you for the whole day?" No!

SCORE: I'd have to say you're one model who looks exactly the same in person as you do in pictures.

LORNA: I don't know. I don't know what I think about that. I just look at myself and wish I hadn't.

SCORE: Why?

LORNA: I usually find something wrong, so I tend not to look.

SCORE: Well, Lorna, nine years and we haven't found anything wrong yet. We never get a bad letter about you.

LORNA: That's good. I think sometimes people want me to do more than I do, but other than that, it's all good.

SCORE: I asked you what you would've said in 1999 if somebody told you you'd still be modeling in 2008. What if I told you you'd still be modeling in 2012? You would say...

LORNA: "Oh, my God!" I probably would've had to have surgery. I just think I'd be really, really lucky and wonder why I'm still modeling. But the answer to that question is that if I'm still modeling in 2012, it's because I'm still enjoying it and people still want to see me. That would be the answer to that question. But I'd be totally shocked.

SCORE: Well, Lorna, thank you. I hope you're still with us in 2012.

LORNA: Thank you very much!

GERMANY'S NEWEST GIFT TO BIG TITS IS A SLIM-N-STACKED BABE WHO LOVES TO FUCK.

Yeah, we said it. Annina Ucatis, a huge-titted (those are G-cups, *SCORE* Men), small-waisted (just 26 inches) sexpot from Germany is really into fucking and sucking. She lists one of her hobbies as "guys," and she says her sexual fantasy is to have a gang bang. "I love sex with more than one man," she said. "Two is good. Three or four is best. I do not know what I would do with more than that." Well, let's see: One in her mouth while she jacks off another over her shoulder. One between her tits. That's three. Another in her pussy. A fifth in her ass. "That would be very exciting," she said. "Of course, I would be very happy if there was another girl with me, too." Chances are that with her body and "fuck-me" face, Annina can have anything she wants. "I already have everything I want," she said, "other than a man. The only thing I would really like to have is more sex!"

Berlin BUST OUT

Did Annina say she's single and looking? Yes, she did! "I like intelligent, strong guys who know their own mind," she said as she strapped on one bra after another. "They have to be the right mix between macho and softie. Of course, they have to be hard when the time is right! I am not fixed about a certain look. To me, it is more about what a man is like on the inside." Women are like that. Guys? We're different. We like big tits. "A man has a chance with me if he is attentive and keen to meet me and get to know me better. I once had a neighbor invite me to go to a soccer match. We had fun, and then I became familiar with him!"

Annina made news in Germany when she got fired from her job as a real-estate agent because—get this—her boobs were too big. “My boss told me my breasts were too big and weren’t an asset to the company,” she said. “That is very funny because my clients all thought my breasts were great.” Disappointed but never to be denied, Annina plans on opening up her own real-estate agency and using her biggest assets to make sales. She also plans to pursue her career as a big-tit model and porn actress. “I’ve always loved big tits, and now I love having them,” she said. “Nothing is more beautiful than a woman with a big chest.”

On these eight pages, you're going to find out why Carmen is not just a great *SCORE* Girl but a spectacular fuck-and-suck star, too. These pics are from the DVD *Fuckin' Mo Titties*, and they show Carmen at her best. Sucking cock and making her cheek bulge. Getting fucked between her heavy F-cup tits. Staring into the camera as she sucks dick down to the balls. Great stuff, but there's more.

In the full-page photo to the left, Carmen spreads her legs as wide as possible so that the cock can drill her cunt deep. On the next spread, she performs her trademark pose, pulling her legs behind her head for a deep fucking. Then she jacks a huge load of cum all over her tits, and in the centerfold, she proves that her tits are so big, you can suck 'em while fucking her. Gentlemen, we don't know what your definition of greatness is. But in our book, Carmen fits the definition. She does it all, every single fucking time.

GIANNA ROSSI: "THE REAL GIANNA FUCKS"

SURE, SHE LOOKS GREAT IN HER SOLO PICTURES AND VIDEOS. BUT SHE LOOKS BEST WHEN SHE'S FUCKING.

Gianna Rossi had a great time in Eleuthera, the Bahamas, during the filming of *Big-Boob Paradise* and the making of the January '08 issue. She ran naked on the beaches. She bathed in the beautiful Bahamian waters. She got to play with Lorna Morgan's tits and pussy. But something was missing for Gianna in Eleuthera. As she asked our editor, "Where's the cock?" Well, Gianna, here it is!

It's not surprising that Gianna's solo scene in the surf at the start of *Big-Boob Paradise* is scorching hot. "I just thought about being pounded by cock the entire time the camera was rolling," she said. But thinking about cock is one thing. For Gianna, having a cock to fuck is everything. "These pictures, they show the real Gianna," she said. "The real Gianna fucks."
