SPECIAL AWARDS ISSUE

Through the years

A trip down mammary lane with the SCORE Awards

In the beginning, we had no intention of starting the thing that became the SCORE Awards. At the end of 1986, we ran a pictorial featuring the top winners of the year, and readers responded by sending in their selections for Misses of the Year. The winner of these could be such a thing when there was no contest in the first place—was Rocki Roadie, who had Lenny Davis Mottisette and others. Suddenly a tradition was born, a tradition that continues in this issue of SCORE.

A BOUNTY OF BIG TITS, BUT WHY ARE SOME SCORE GIRLS SO SHY?

Dear SCORE,

The February '08 issue was one of your best ever. The review of the top 10 big-tit videos of 2007 was the perfect start for this issue. Lovely and stacked Janet Jade continues your tradition of stacked, natural black ladies. Her DDD-cup naturals are awesome, but she also has a great ass and suckable pussy, as prominently shown on page 30.

Crystal Gunns absolutely filled that green sweater to the limit. I loved how the pictorial showed Crystal in the process of undressing, slowly teasing us with photos of her exposing her tits, pussy and ass before ending with using a dildo that makes her pussy so wet, you can actually see the creamy juice as she spreads open her pussy with her hands.

You can include Penny Porsche in every issue because she skips the tease and begins to please. Knowing that Penny does XXX movies is also a great turn-on, and to suck and lick her big clit would be priceless.

Rukhsana is very beautiful and her body is marvelous, but I wish her pictorial showed more pussy and ass. The Xtra section was sensational. Claudia Kealoha shows what a cock-sucking, ball-licking fuck bunny she can be. Chavon Taylor demonstrates why she is a rising star in the porn world. The

If there were separate categories, one reader would have cast his votes for Alena Snow (left) as Non-Natural Newcomer of the Year and for Natalie Fiore as Natural Newcomer of the Year.

SEPARATE SCORE AWARDS FOR NATURALS AND MEGA-BUSTERS?

Dear SCORE,

Great lineup on this year's SCORE Awards ballot. I think it would be more logical if the ballot was a little different, such as more categories. I feel there are models who have been left out and need to be recognized. Most importantly, I feel there needs to be two separate categories for natural and augmented models.

For example, I voted for Natalie Fiore, a natural, for Newcomer of the Year. My non-natural vote would have been for Alena Snow. What a kick-ass body!

Then there's Crystal Gunns, who is so deserving of Model of the Year, but once again, I favor naturals, which is why I chose Bea Flora. So, next year, two ballots, please: natural and non-natural. -D.M., address withheld

Dear D.M.: Readers, your opinions, please? We suspect that most SCORE Men don't care if a girl is natural or augmented, as long as she has big tits and loves to show them off. It's interesting to note, though, that in the voting for 2007 SCORE Model of the Year and Newcomer of the Year, a natural finished second behind an augmented model in one competition, while an augmented model finished second behind a natural in the other competition. Just a coincidence?

Stars of Feb. '08: Brianna and her unusual bra, Janet's black naturals, sweater girl Crystal, cock sucker Chavon, hot fucker Claudia and beauty Rukhsana.

"Sweater Shredders" section was nice, but I would have preferred seeing all those huge tits bouncing loose and free of clothing. Ashley Juggs is much like Rukhsana: very beautiful with a marvelous body but needs to expose more pussy and ass. **SCORE** is a magazine with explicit photos, and the shy ladies need to pose for *Playboy*.

Brianna Costello never disappoints me. Her bra is incredible. Izabella is the perfect model for fishnet pantyhose. Her big tits are great, but I love how she displays her pussy, especially while playing with her dildo. Morgan Leigh is a blonde bombshell, and her pussy looks absolutely delectable.

You saved the best for last, and Daylene Rio was worth the wait. Beautiful face, big tits, succulent pussy and a delicious ass make Daylene the total package. If she wants to be a porn star, I'm sure she will succeed. I'm waiting desperately for the photos and videos of Daylene doing the nasty.-W.V., Durham, North Carolina

Dear W.V.: Daylene fucks and sucks real cock in this issue's Xtra section. You can see her on DVD in Busty & Wet, available on page 105 of this issue (or see it now at SCOREOnDemand.com). As you're about to see, Daylene does not disappoint.

THE BEST KEEPS GETTING BETTER

Dear *SCORE*,

It's truly amazing how ya'll keep topping each issue month after month. The February '08 issue was off the hook! Crystal Gunns is one of my favorite models: huge tits, Italian-Puerto Rican mix and sexy lips. The girl is a walking wet dream. I always look forward to seeing her or reading her column in *SCORE*. I'm also looking forward to what she alluded to with her breast friend Cindy Cupps. Maybe some lick-licky!

Also, I gotta give ya'll extra mad props for Janet Jade. She's packin' in all the right places. Nice tits, phat ass, gorgeous lips and hips, sexy smile, thick thighs... she's everything I want in a woman. I love my thick sistahs, and speaking of that, Camille Morgan (Holiday '07), is a bad muthasuckah, too!—R.F., via email

JANET JADE: GREATNESS IN THE BLACK & STACKED TRADITION

Dear *SCORE*,

The February '08 issue was fantastic. Janet Jade is simply great. Hope you can keep finding these ebony beauties. Janet is a continuation of a long string of black, busty women you have featured, and she may be the best. That's saying a lot considering photos of Delotta Brown and Candace Von in recent issues.

I would also like to make a comment about the layout of Crystal Gunns. I know that your bread and butter is big, beautiful tits, but I would like to point out what a fabulous ass Ms. Gunns has.—E.S., via email

Dear E.S.: We know!

Coming next issue *SCORE* Girls in 3D!

**Reach out and touch 'em!
Reach out and squeeze 'em!**

A spectacular new era of 3D photography has arrived, and nothing says 3D like big tits in your face. The era begins in the **July '08 issue of *SCORE*** with a bonus 32-page 3D special, featuring sensational super-busty favorites Christy Marks, Cindy Cupps, Crystal Gunns and Kylee Nash, plus a pair of complimentary ***SCORE* 3D** glasses that'll bring these ladies to life. You've seen 3D before, but you've never seen it like this.

A PENNY FOR YOUR THOUGHTS

Dear *SCORE*,

Thank you for another Penny Porsche pictorial (Feb. '08). Every time there's a new pictorial of her, it's like it was in the day with Busty Dusty and SaRenna Lee or currently with Colt 45 and Minka. It doesn't matter how many times you feature her, it's never enough. With her

beautiful face and hair, spectacular breasts and an ass so perfect that it deserves a shrine to it, combined with gorgeous legs, Penny is just incredible. It's so rare to see such a deliciously curvaceous body with long, beautiful, runway-model legs.—H.D.L., Texas

A *SCORE* MAN WHO'D RISK GETTING SLAPPED IN THE FACE

Dear *SCORE*,

I agree with Peter of Portsmouth ("Scorecard," Holiday '07) who wants to see the ages of the *SCORE* Girls included with their particulars. The ages, together with the girls' vital statistics, weight, height, etc., are all information that add to the pictures. Your response, "You wouldn't ask a woman how old she is," does not stand up to scrutiny. By the same token, you would definitely not ask a girl her weight, yet this is quoted in the details. Neither would you be likely to ask a girl for her bra size or vital statistics. However, these are details you can obtain and give us to help complete the full picture of the girls.

If any girl does not want her age given, then by all means leave it off in those particular cases, but give us the full information on the others. If a girl is in

With her blonde hair and big tits, Penny Porsche is a *SCORE* Girl in the tradition of some of the great models of the 1990s. But who wants to make comparisons when Penny is spreading?

Men, a new age of big-tit DVDs is on the horizon. It's three-dimensional!

In preparation for their trip to Eleuthera for the Big-Boob Paradise issue of *SCORE*, Gianna Rossi (above left) and Lorna Morgan did not shave their pussies, much to one reader's delight.

SCORE, she must have a good body and be proud of it whatever age she is.—P.P., via email

HERE'S A GUY WHO'S WILLING TO TAKE ONE FOR THE TEAM!

Dear *SCORE*,

I loved the January '08 issue. The girls all looked awesome. I was also very happy that Lorna Morgan and Gianna Rossi did not shave or trim their pussies. For me, nothing compliments a big pair of boobs like a big bush.

It's unfortunate that the other girls could not make it to the photo shoot.

However, I do have a solution for Marilyn. I will marry her and thus make her an American citizen. Then she would be able to travel to Miami, the Bahamas or anywhere else you have a photo shoot. Understand that I am not making this offer because she is beautiful and I am in love with her. I just want to help out my favorite mag.
—Brian, Clearwater, Florida

THE THEME IS BIG, FUCKABLE TITS

Dear *SCORE*,

I loved your January '08 issue more than any other *SCORE*. Not only were all the models naturally busty and brunette (my favorite combination), but they were shot outdoors, too.

Lorna Morgan has been a favorite for a long time, and Angela White is looking as lovely as ever. Gianna Rossi blows my mind with her stunning face, perfect tits, dense pubic hair and nicely tanned skin. I am so happy she was added to the crew at the last minute.

Christy Marks is fresh on the scene, and her body is incredible, but I'd have to say that newcomer Terry Nova is my favorite of the pack. Her height and generous proportions make her my perfect Amazon woman.

The recent bikini special was terrific, and with the success of this issue, I think you should start looking for more ways to create themes. What about an all-Latina issue? Or an all-women-of-color

issue? How about an issue devoted to women masturbating or even having sex? I could see one with models playing sports (and falling out of their clothes) and another with models in cars, on car hoods and getting greasy with a mechanic. And with all the shoots you've done with women as nurses, how about a medical issue? Just a thought.—E.B., Berkeley, California

DID WE HAPPEN TO MENTION WHAT GREAT JOBS WE HAVE?

Dear SCORE,

Just finished reading the January '08 issue and had to share my thoughts. Now don't get me wrong. It's not that I didn't like the issue, but I found my enjoyment seriously compromised by feelings of envy, brought about by reading editor Dave's log. I mean, talk about rubbing our noses in it!

Of course, I understand that there's a creative process that goes on, and maybe some guys like to read about it, but I'm not one of them. You should have just let the pictures speak for themselves this time. I really don't need to hear about Dave fondling Christy Marks' boobs in the water or what a great time you all had. And I swear if I read one more thing about Lorna Morgan's baby, that vein in my forehead is finally gonna pop.

In case you'd forgotten, SCORE is a jack mag where guys go to fantasize that the girls only have eyes for them (the reader). True, envy is one of the seven deadly sins, but then so is lust, without which SCORE's sales figures wouldn't be especially healthy.

Enough of my negativity. Photographically, the issue was a stunner. Thanks to Gianna Rossi for bringing some much-needed sleaze to the issue. I love that girl.—K.S., United Kingdom

IT REALLY SHOULD BE LEGAL TO MARRY LOTS OF BUSTY WOMEN

Dear SCORE,

If the women of SCORE and V-Mag were looking for men to marry, we men would have trouble deciding which women we would want to marry. If I were President of the United States, I would make a law that would permit men to marry more than one woman as long as the first woman didn't mind.

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

WIN MERILYN SAKOVA'S BRA!

SHE WORE IT, AND NOW IT CAN BE ALL YOURS!

When *SCORE* hooked up with Marilyn Sakova on her side of the globe for special BustyMarilyn.com videos and pictorials, your friendly neighborhood editors asked the photographers to have Marilyn autograph one of her hooter holders for one lucky *SCORE* reader. Now here's your chance to own a brassiere worn by Marilyn, a true superstar since she hit the cover of the September '05 *SCORE*. Hang it proudly on your garage wall. Or simply lie to your friends and tell them you had a wild night with Marilyn and a dozen body shots of vodka.

To enter, write your name, address, email address and the statement, "I am over 18 years of age and I want to win Marilyn's bra" on a sheet of paper. Then mail it to "**Win Marilyn's Bra, *SCORE* Magazine, 1629 N.W. 84 Avenue, Miami, FL 33126.**" Multiple entries will not increase your chances of winning. No purchase necessary. Offer prohibited in countries where looking at huge tits is not allowed, like Saudi Arabia. No email or fax entries. Entries must be postmarked by June 1, 2008. Good luck! As you can see by the photos, it's the real deal.

Here's the absolute proof that this bra was, in fact, signed by Marilyn herself!

There are few women on the planet who fill out a bra like Cindy Cupps.

LUCKY BRA WINNER

We have a winner in the Cindy Cupps' bra giveaway from the November '07 edition, and it is Mr. J.G. of Watertown, Wisconsin. On his entry, J.G. wrote, "Does that mean she's going to walk around braless?" Sorry, J.G., but Cindy owns more than one bra. The one you're getting isn't her one-and-only, but enjoy it anyway. It's yours to do with what you like. And if you want to visualize Cindy walking around with no bra, that's fine with us. We do that all the time.

ARE CURVY GIRLS THE MOST SMARTEST?

Girls with curvy bodies are brighter than thin girls and might produce more intelligent babies, a new study suggests. We knew that.

Researchers tested 16,000 women and girls and found that voluptuous females performed better on cognitive tests. So did their kids. The bigger the difference between a woman's waist and hips, the smarter she is. Some scientists believe this has to do with fatty acid deposits found on the hips. Other experts are not convinced by the findings.

"On the fatty deposits being related to intelligence front, it's very hard to detangle that from other factors, such as social class or diet," one egghead from Newcastle University said. "And much as we like the idea that men are interested in the waist to hip ratio, it actually ranks relatively low down the list of features males look for in a potential partner."

DO THE EYES HAVE IT?

Women actually ogle others more than men do, knocking down the myth they are less interested in looking at bodies than guys are.

Scientists used eye-tracking technology to pinpoint the eye movements of test subjects exposed to sexy photos. They expected women to be more interested in faces and men to be more interested in tits and ass. The results surprised them.

"Men looked at the female face much more than women looked at male faces, and both looked at the genitals comparably," said a doctor from the world-famous Kinsey Institute. They also found that women will look at pictures of couples fucking longer than men.

Looks like Tera is having a problem with that bra. It's too damn small!

TERA COX IS JIGGILICIOUS

"I've been a 36H-cup the past four years," Tera Cox said. "When I was in school, I dressed to cover up my tits, and I wore sports bras. It wasn't until I was 18 that I changed my feelings. Then I started waitressing at a local dance club. I was dressed conservatively, but the owner got nervous when he saw me and said, 'You can't dress like *that*! Take that outfit off.' This was at a club in Missouri. He didn't have uniforms, so I waitressed in my bra and underwear!" We would've paid to see that.

Tera is one of those **SCORE** girls who we didn't find. She found us. Someone (a breast man and a hero to other breast men) told Tera she'd be great for **SCORE** and *Voluptuous*. She checked us out on the Internet and sent in her photos to our model website, BeAScoreModel.com. The rest is pure happiness. Tera stars in the DVDs *Pounding The Pledges* and *Tits On Top*, the only XXX movies you'll find her in. For those who like solo vids, check out *Busty Big-Uns*.

ANGELA WHITE INVOLVED IN SECRET BRA TEST

Exercising in a poorly-fitted bra can increase the risk of long-term injury. The larger the breasts are, the more pressure the bra puts on the wearer's shoulders. The pain often keeps very busty girls from playing sports and fitness activities like jogging. Australian scientists at the University of Wollongong believe their research will help bra makers make better sports bras and relieve the pain of boobs in motion. Thank goodness!

Their findings, published in the *Journal of Biomechanics*, will permit better analysis of breast movement during exercise. The current methods of testing bras rely on old-fashioned sensors that can affect the way the fabric moves. With great advances in polymer science, sensors can now be built into fabrics. The Wollongong experiments incorporate these new sensors ("intelligent fabrics") and not the older instruments such as strain gauges and buckle transducers.

"Our fabric sensors are suitable to monitor breast motion and brassiere function," the scientists said. "Brassiere designers will have the ability to assess the effects of changes to each brassiere component. Apart from strap-related pain, many women, particularly large breasted ones, are restricted from participating in physical activity due to exercise induced breast pain associated with excessive vertical breast displacement. It is imperative that bra designers have access to methods that can accurately measure the effects of various brassiere design features on breast motion while not altering the material properties of the bra." We're not exactly sure what they said, but we agree with them.

We can now reveal

that Angela White (*Big Boob Paradise*, *Busty Ladies of Oil Wrestling*) was one of the test subjects involved in the top-secret experiments. Although Angela signed a confidentiality agreement promising to not reveal the exact testing methods of the lead scientist and the main factor they focused on ("This is so no one else steals her idea," Angela said), we can describe one interesting detail courtesy of Angela that doesn't blow any important secrets.

"One of the cooler things is that they measured the volume of my breasts," she said. "I had to put each breast in a special beaker, and the amount of displaced water would technically measure the exact volume of each of my breasts. I say technically because the whole of my boob wouldn't fit in the beaker, so the amount is an underestimation. My left breast holds 2,000 milliliters (two liters), and my right breast holds 2,150 (2.15 liters). Pretty cool, huh? I really do have some full-liter jugs!"

And there you have it!

Angela White has helped advance bra science. For that, she should be honored and revered.

SCORE GOES TO THE VENUS EXPO, FINDS SCORE GIRLS

The Venus convention is the German counterpart of the yearly Adult Entertainment Expo in Las Vegas. Packed with actresses, producers, manufacturers and distributors, the Venus features eight huge exhibition halls covering more than 90,000 square feet of space filled with 400 exhibitors from 35 countries. It's become the must-attend show for all of Europe.

SCORE traveled to Berlin to photograph several new models, including May '08 covergirl Annina, and stopped off at the 11th annual Venus to cover it for *SCOREtv* on Scoreland.com. Our reporter Tushna bumped into American Ava Divine (July '04), transplanted American Puma Swede (Holiday '07) and British porn star Cathy Barry (November '03), as well as Annina, who has become a superstar in Germany very quickly.

So what's happening in Europe? They're pumping out the hardcore like everyone else. But they're not big-tit fanatics like we are. As in America, the DVD is losing ground to Internet video-on-demand. This is hurting the brick-and-mortar stores as less people stop off at their favorite shops to rent or buy DVDs. Twenty-five years ago, the videocassette destroyed the adult movie theater business. History repeats itself. Only the technology changes. Check out *SCOREtv* at Scoreland.com. You're gonna love it.

BIG BOOBS EQUALS BIG TIPS

Do waitresses with bigger breasts earn bigger tips? What kind of a no-brainer question is that for **SCORE**?

"If men see a body they like, they open their wallets more, and the more you show, the more they spend," a former Hooters waitress said. She said that a boob job resulted in a sharp increase in her tips.

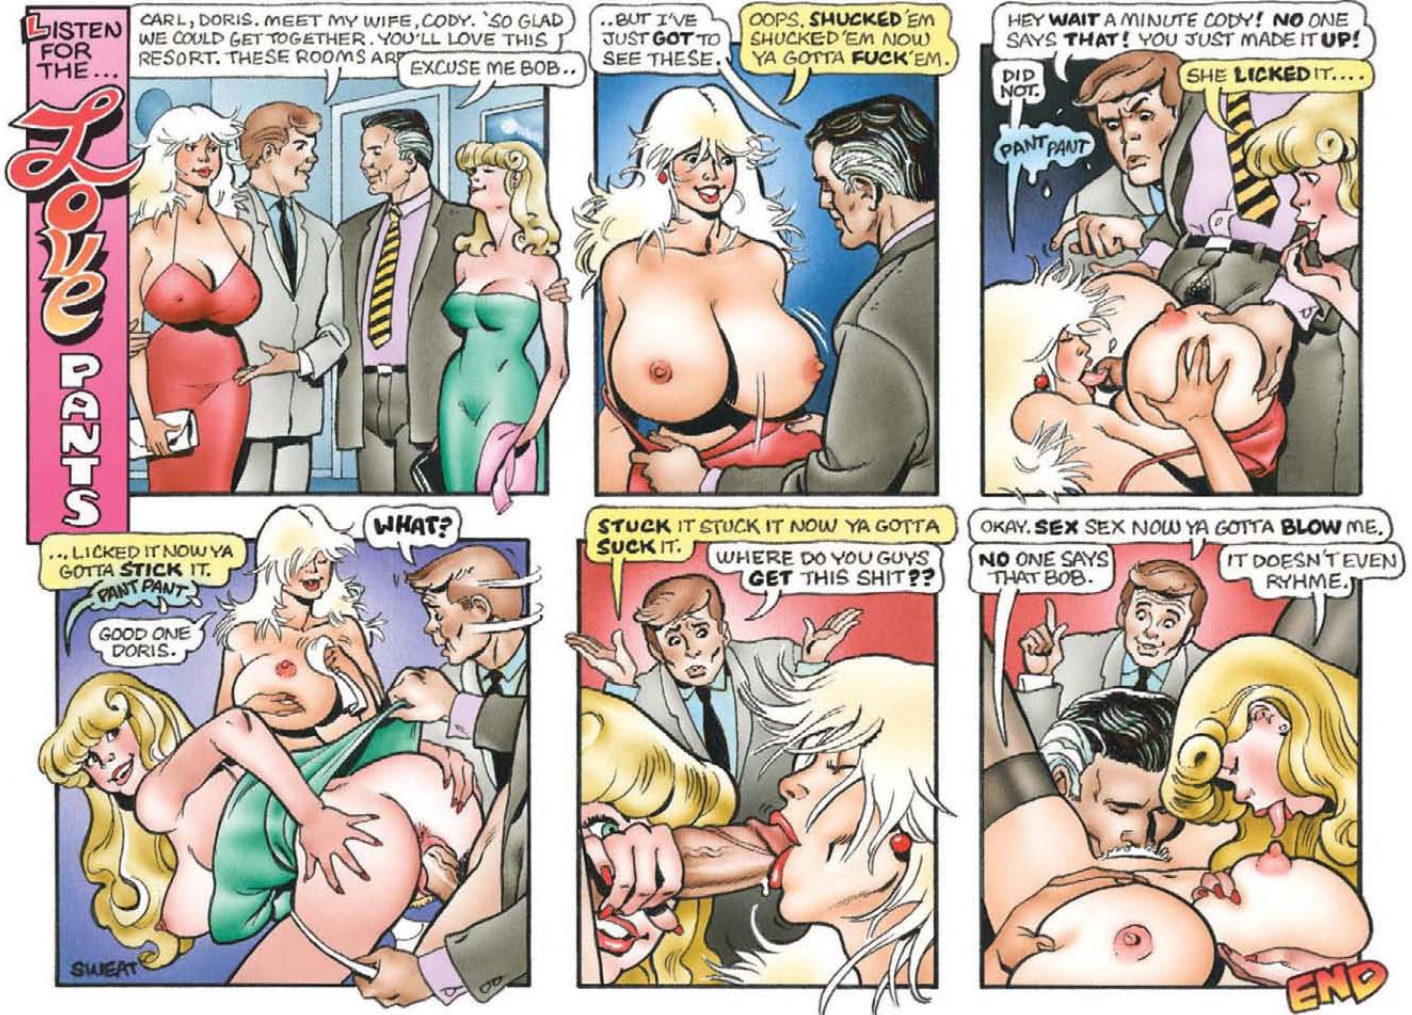

"I've rearranged my vest to show more cleavage and, yes, it absolutely does make a difference," agreed a waitress who used to dress conservatively.

Said a bartender, "I'll tell you this, new cocktail waitresses come in looking nice, dressy and professional. But as the weeks go on, they start wearing more-open tops. They earn more."

Waitresses with average-sized chests know what to do. "I wear a padded bra," a cocktail server said. "Bigger girls make a lot more money cocktailing."

As it should be, right?

Would you stick a big roll of cash between these knockers? You betcha!

RHYTHMS IN RUBBER

Condoms with tiny, built-in vibrators are a big hit, so more variations on the basic rubber are being dreamed up. A musical condom designed to play louder and faster as couples reach orgasm is being sold in the Ukraine. Inventor Grigoriy Chausovsky said his condoms come fitted with a special sensor that registers when the condom is put on. It transmits a signal to a miniature speaker that plays a melody from the base of the condom.

"As the sex becomes more passionate, it registers the increased speed of the movements and plays the melody faster and louder," Chausovsky said. Got any Sinatra?

PUT YOUR BEST BREASTS FORWARD

Busting Out: Putting Your Best Breasts Forward is a new book by Shirley Archer and illustrator Neryl Walker. The book urges women to use a series of exercises that will strengthen the muscles of the chest wall, back and torso. Archer believes these exercises will help to slow the effects of age and gravity. She's given them such colorful names as "the hooray for hooters overhead press," "focus your high beams" and "the bosom-boosting incline chest press."

The book doesn't claim that fitness training will increase breast size, but "Boob Beat" praises anyone who tries to get women to stay in shape. There's also a section about dressing in a way to make boobs look more attractive. The *New York Post* slammed *Busting Out*, saying it perpetuates 1950s-era breast-building myths, but one lady reviewer on the Internet wrote, "It's a cute, illustrated book that has tips on toning and strengthening your love muffins. It also has tips on buying the right bras."

A trip down mammary lane with the SCORE Awards

In the beginning, we had no intention of starting the thing that became The SCORE Awards. At the end of 1996, we ran a pictorial featuring the top newcomers of the past year, and readers responded by sending in their selections for Newcomer of the Year. The winner—if there could be such a thing when there was no contest in the first place—was Rocki Roads, who beat Linsey Dawn McKenzie and others. Suddenly, a tradition was born, a tradition that continues in this issue of SCORE.

Before long, *SCORE* Newcomer of the Year had become the most coveted title in big-boobdom, a seal of approval from the world's No. 1 big-tit mag and its boob-loving readers. Capturing Newcomer of the Year guaranteed a model's rise to superstardom. Sure, there were some surprises, such as in 1999, when Via Paxton beat out the greatest crop of natural newcomers ever to win the award. But others, such as Julia Miles and Sharday, swept to victories that almost seemed preordained.

For years, readers wondered why **SCORE** had a Newcomer of the Year but no Model of the Year for the established big-titters. We responded in 2002, and our first Model of the Year was Sharday, who destroyed the competition much as she had when she won 2001 Newcomer of the Year. In 2003, Julia Miles became the second to pull off the Newcomer of the Year/Model of the Year combo.

The Model of the Year Award seems to have taken on a life of its own. Rather than being an award that honors a model for her achievements over the past year, readers seem to view it as an award that honors a model for her lifetime achievements. Thus, readers decided that it was Linsey Dawn McKenzie's turn to win in 2004 and Minka's turn in 2005. Crystal Gunns, another model who deserved the honor for her contributions to *SCORE* since 2002, nearly won the title in 2006, but the huge-titted juggernaut known as Marilyn Sakova denied her the prize. Crystal's disappointment over not winning speaks volumes about what *SCORE* Model of the Year has become: a title that all busty models covet. They yearn for your stamp of approval.

Is Christy Marks exactly who we thought she was: a super-natural who deserves to take her place alongside other great naturals such as Sharday, Nicole Peters and Kelly Kay? All of these questions will be answered in this jam-packed special awards issue of *SCORE*. Your votes—nearly 20,000 of them—show what the *SCORE* Awards have become. They started as an afterthought. For a while, it looked as if there'd be no stopping Minka. The 2005 Model of the Year had a big lead early in the voting, and we thought nobody could catch her. At one point, Minka had 42% of the vote, and nobody was over 20%. But then, the votes started pouring in for the other nominees, and in the end, Minka's bid for *SCORE* Awards immortality came to an end. But, of course, Minka will always be a *SCORE* legend. "Minka is *SCORE*," wrote L.G. from Troy, New York. "She is the epitome of what this mag is all about: huge tits and beauty."

Readers had several ways to vote in the *SCORE* Awards: by mailing or faxing in the printed ballot from the magazine, by emailing their selections or by using the online polling booth at Scoreland.com. Minka actually won the magazine vote by a narrow margin but was outdistanced in the online vote. This was somewhat surprising because Minka was one of the early big-tit pioneers of the Internet, but it attests to the unpredictable nature and competitiveness of the *SCORE* Awards. Still, we have a feeling that this all-time great will be back in the race next year.

My first choice would be December '07 newcomer Katarina. She's not only fuckable but her face is beautiful. Next would be Jade Feng. I could suck on those titties for hours. Wow! Harmony Bliss would be next because not only is she top-heavy but she has great eyes. I would love to spend the rest of my life with her. My next wife would be Vida Sadora. Very pretty.

No words can express the feelings that I have for these women. My question to them is, if you were First Lady, what would you change and why?—Future President John R., Las Vegas, Nevada

DENISE, DAPHNE AND ONE COCK

Dear SCORE,

Thank you for choosing me as one of the five people who got a magazine signed by Crystal Gunns. Crystal was one of the reasons I subscribed to SCORE. She was in the first issue of SCORE I bought.

I noticed that in the last three DVDs I bought with Denise Derringer in them, Daphne Rosen was in them, too. The three DVDs are *Big-Tit Glory Hole*, *Tits-A-Poppin'* and *XXXtreme Big-Tit P.O.V.* I've seen both Denise and Daphne do three-ways with two guys but not with another woman and a guy. I request that Denise and Daphne do a XXX with a guy. If you cannot get Denise and Daphne to do a three-way with a guy, I understand, but I would like to see them with a guy in Fantasy SCORE.—M.W., Fayetteville, North Carolina

Dear M.W.: Thanks for the suggestion, but you might be confusing Fantasy SCORE by Duncan Gutteridge with Dream SCORE by Otis Sweat. In Dream SCORE, Otis depicted SCORE Girls who had never done hardcore doing hardcore. In Fantasy SCORE, a current feature, Duncan allows us to fantasize about what would happen if certain celebrities had big tits.

As for Denise and Daphne doing a guy together, we'll definitely run the idea by them.

2nd Runner-Up

SHE NEARLY FUCKED & SUCKED HER WAY TO THE TOP. SHE TOOK IT IN HER ASS JUST FOR YOU.

What has Texas sexpot Denise Derringer done for you over the past few years, *SCORE* Men? Well, of course, she's shown off her beautiful E-cup tits and plugged her tight pussy for your viewing pleasure. She has also been seen fucking and sucking in the Xtra section four times. She has sucked cock through glory holes. She has taken it deep in her tight ass. But here's the thing, *SCORE* Men: She's done it only for us!

It's a good thing for the other Model of the Year finalists that Denise's pictorial in the March '08 Xtra section appeared *after* the voting had closed. Nothing screamed, "Vote for me!" like Denise sucking cream off a hard cock. The fact is, to *SCORE* Men, Denise is a nasty, horny girl, capable of the wildest hardcore videos we've ever produced. But that's *only* to *SCORE* Men because Denise has never appeared in another mag or in anyone else's DVDs. Her loyalty to *SCORE* is amazing, especially when one considers she's willing to do things the most experienced (and exposed) porn sluts do.

Part of us—the part that gets rock-hard every time we see Denise in action—was hoping she'd pull off the upset and win Model of the Year. Wrote J.L. of Baltimore, Maryland, expressing the point of view of many voters, "My criteria for Model of the Year is that the girl has to have done hardcore. Who else has done what Denise Derringer has done? Not only does she have huge tits and a tight, wet pussy, but she fucks and sucks and even takes it up the ass. To me, voting for Denise was a no-brainer." In the end, the competition was just too tough, but Denise's third-place finish was impressive nonetheless. Now, what can she do for an encore, though? What can she do to put herself over the top? Well, she's already done everything a girl can do. Now she should do it again!

Merilyn Sakova

1st Runner-Up

HER BID TO REPEAT AS MODEL OF THE YEAR FELL SHORT, BUT SHE'S STILL THE NO. 1 NATURAL.

"Merilyn has been a prolific model, posing literally for thousands of photos, and I still relish each new layout she does," wrote E.F. via email. "I could spend hours more gazing at this ravishing Russian." You're not alone, E.F., in proclaiming Merilyn Sakova as one of the greatest naturals ever. In fact, with a few hundred more votes, Merilyn could have staked her claim as *the* best natural ever: the first *SCORE* Girl to win Model of the Year two years in a row. But even without that achievement, these pictures attest to her greatness.

These photos (taken in Kiev, Ukraine, during a recent trip by our photographers to take videos and photos of Marilyn for a weeklong special that ran on Scoreland.com)

show Marilyn at her best. When Marilyn started modeling in 2005, her few critics pointed out that she rarely smiled. Well, in this pictorial, she's smiling beautifully... when she's not making love to the camera. The critics have been silenced.

Now hear this! On a recent episode of *SCOREtv* on Scoreland.com, Marilyn challenged Christy Marks to a big-tit showdown. We're working on plans to make that showdown a reality so we can see Christy and Marilyn side-by-side and tit-to-tit. If the showdown happens, we'll be witnesses to a true Clash of the Tit-ans. "I want to be known as the greatest natural ever," Marilyn said. History will be the judge of that. But for the past three years, no natural has done it better.

The **SCORE** Interview

Crystal Gunns

Model, columnist,
feature dancer, cock-tugger.

And now she's our No. 1 girl!

Interview By Dave Rosenbaum

In 2002, Crystal Gunns stormed onto the SCORE scene and won Newcomer of the Year. She was a classic SCORE Girl in the tradition of the 1990s: pretty, slim and super-stacked. Readers took to her right away, and she became a big star on the feature dancing circuit.

But Crystal didn't follow-up her Newcomer of the Year victory by winning Model of the Year. Instead, Julia Miles won in 2003. Linsey Dawn McKenzie won in 2004. Minka won in 2005. In 2006, Crystal was edged by Marilyn Sakova. And she was disappointed.

But instead of sulking, Crystal made things happen. She continued writing her column, "The Gunns Show." She hosted "15 Years of SCORE" on Scoreland. She did her first boy-girl DVD, *Tits & Tugs*. And you fell in love with her all over again.

SCORE: Crystal, congratulations. I'm calling to let you know that you have won 2007 *SCORE* Model of the Year.

CRYSTAL: It's about time!

SCORE: Are you happy?

CRYSTAL: Yeah, I am. Do I get a trophy?

SCORE: Yes, you do.

CRYSTAL: I got a really nice one for Newcomer of the Year in 2002. I still have it here in my house. It wasn't a cheap little plastic thing. It was really nice. It says, "Crystal Gunns. Newcomer of the Year."

SCORE: Where do you keep it?

CRYSTAL: On the bureau in my bedroom, where I can see it.

SCORE: So it means a lot to you.

CRYSTAL: Yeah!

SCORE: How come?

CRYSTAL: Newcomer of the Year was really big for me because when I first started, I didn't know how I was going to become popular. Chelsea Charms helped me out a lot, but I shot for other photographers, and I knew that getting into *SCORE* was the big part of the whole thing because that's the magazine big-busted features go into. Then I got my first cover, and it was August of 2002. My first appearance in *SCORE* was March 2002. Then August 2002 was my first cover, and I won Newcomer of the Year, which was huge.

SCORE: You know, that voting for Newcomer of the Year was really close.

CRYSTAL: Yeah!

SCORE: I remember when we shot the covers of you with the trophy, before the voting closed, you were winning by a mile, and then, all of a sudden, votes for Annie Swanson started pouring in.

CRYSTAL: I think I only won by like 50 votes or something.

SCORE: You didn't win by much, which was shocking at the time because we thought you were going to win easily. And then it looked like you actually were going to win easily, and the Annie Swanson votes started pouring in, and we were like, "Uh-oh." We had already shot your covers. I was thinking, "Oh, no, I'm going to have to call Crystal to let her know she didn't win."

CRYSTAL: I know! That was hilarious.

SCORE: Yeah, but you did win. Do you think that did anything for your career?

CRYSTAL: I don't think it did anything for my career. It just made me feel good that I actually had fans. I don't think it helped with bookings at clubs because I was getting booked a lot anyway, but for my fan base, it kind of shot up there.

SCORE: It did?

CRYSTAL: Yes, definitely. And that was a cover, when I won Newcomer.

SCORE: The one with the trophy?

CRYSTAL: Oh, yeah, and the red, white and blue outfit. Actually, they're all sold out for *SCORE*. There are only 15 left, and you guys keep them in the back for me, on the side. I have one copy for myself. It's in a frame. Anthony, my roadie, for Christmas two years ago, he got me this beautiful frame, and he took six of my best covers and framed them with the T-shirt that says "Tits On Wheels," the one that I'm wearing in the roller girl pictorial. They're all my best covers from *SCORE*.

SCORE: Where do you have that?

CRYSTAL: That's in my office at home.

SCORE: Do people bring that 2002 Newcomer of the Year cover to clubs for you to sign?

CRYSTAL: Not anymore. It was big when it first came out and the year after, but not anymore. People in some of the clubs see me every three or six months, and they bring in the latest stuff for me to sign.

SCORE: But then, after winning Newcomer of the Year, you went a couple of years where you didn't get much attention in the Model of the Year voting.

CRYSTAL: No love.

SCORE: Is that what you want to call it?

CRYSTAL: No love.

SCORE: Are you talking about from the readers or from your fans?

CRYSTAL: From my fans, in the voting.

SCORE: What was going on?

CRYSTAL: I don't know. I think they were sleeping! [Laughs] But you know what happened? I think once I got my column in *SCORE* and I started writing, I became more popular. A lot of people read that column. They want to find out what's going on on the road, and they get pictures that are not glammed up like they usually get in *SCORE* magazine or another men's magazine. It's more real to them, and once I started doing that, people started paying attention to me again. It's like I was a bigger part of *SCORE*.

SCORE: What's funny is that Alyssa Alps did a column in *SCORE* before you, and she's not super-busty by our standards, but in the Hall of Fame voting this year, she got a ton of votes, and it has to be because of her column. Of course, she was a very popular feature dancer, too.

CRYSTAL: Who won Hall of Fame?

SCORE: Danni Ashe.

CRYSTAL: I should have known that.

SCORE: A lot of us thought Sharday would win, but Danni ended up winning. Maybe next year for Sharday.

CRYSTAL: I do like Sharday. I like the naturals.

SCORE: Really?

CRYSTAL: The naturals beat me out every year.

SCORE: You like the naturals?

CRYSTAL: I don't mind the naturals. I don't know why. Remember back in the day when

everybody went so big? I think with this generation, it's about the naturals. And I like them. There are certain girls in SCORE who have nice ones.

SCORE: Like who?

CRYSTAL: Linsey Dawn McKenzie, for

one. If she has real boobs, she has some nice ones.

SCORE: They're real.

CRYSTAL: I also thought she was very pretty. Her pictorials are always great. I like Sharday. There's another one in there, Ines Cudna. She's gorgeous. There are certain girls I like.

SCORE: When you started doing "The Gunns Show," did people start reacting to you differently?

CRYSTAL: You know what? If I have a cover out, the guys get the column signed more than they do the cover. It's really weird. People ask me to sign the column. I say, "Okay, but would you like me to sign the cover?" They say, "Okay, you can sign the other pictures, but I want the column signed, too." And everybody

knows about the column because I'll go back to a place and they'll say, "Oh, you were here and you wrote about this girl." It's like they know what I do on the road. It's really funny.

SCORE: Do the other dancers at the clubs read your column?

CRYSTAL: I don't know about the girls who are in it. I think they may. I do know there are some club owners who get it because they know they're going to be in the magazine, and they read the column. Like, the guy from The Southern Belle got it. Al's Diamond Cabaret got it when they were in it. Certain clubs get it just to see what I wrote about them and the pictures. Some club owners will say to me about a dancer, "Oh, you can't put her in there. She's not pretty enough," and I'm like, "Yeah, but guys might see that she's cute in a way. They might like something in her. I choose who I like. You can't tell me who to put in there. She has a great personality, and I can write about that." So I do.

SCORE: You've actually written about a couple of clubs that you didn't like.

CRYSTAL: Oh, my God, yes! One time, my roadie was with me, and we hated the club so bad, I made him take stink bombs, and we stepped on them all over the club. We would clear a whole section of the club out. It was hilarious!

SCORE: Never make Crystal angry! Do guys who come to the clubs ask you about your column?

CRYSTAL: Yeah, they do. A lot of them want to be in it, and they don't understand I need a copy of their driver's license, and they'll say, "Why do you need a copy of my license?" And I'll say to them, "If you want to be in my column, I need a copy of your license."

SCORE: Because of government regulations, of course.

CRYSTAL: Right. I don't need your social security number, but I do need your license. So they'll ask me, "Do the girls have to do that?" and I'll say, "Yeah, the girls have to do that." I think there are fans who talk about my column, but there are more fans who want to be in it. I have a club coming up, Gallagher's in New York City, where a lot of guys want to be in the column. And they all know they have to bring a copy of their license if they want to be in the magazine.

SCORE: You're right about what happened in the voting. You weren't getting votes for a few years, then two years ago, you started writing your column and you finished second to Marilyn, which was out of nowhere because you'd been coming in way down near the bottom for a few years, and then in 2007...well, why do you think you won this year?

CRYSTAL: Why? [Pauses] I don't think it's because I've been modeling for SCORE. I've been doing that for years. Maybe the *Tits & Tugs* video?

SCORE: Could be.

CRYSTAL: You think so?

SCORE: It certainly didn't hurt. A lot of voters commented on it. And it is selling very well.

CRYSTAL: Well, I'm glad about that. I've had companies ask me to do full boy-girl, and I keep telling them, "What don't you understand? I don't do it." I think there are only a few big-bust features who have never done boy-girl. Me, Chelsea, Maxi Mounds. I think *Tits & Tugs* really helped because that was something people had been wanting me to do for a long time, and they never thought I'd do it, but I did. And I enjoyed it, which I hope showed.

SCORE: It did. So, *Tits & Tugs*, the column and probably even the "15 Years of SCORE" special on *Scoreland* that you hosted helped you win this year.

CRYSTAL: I have to tell you, I think I did a good job on that one, the "15 Years of SCORE" on *Scoreland*.

SCORE: You did a great job.

CRYSTAL: And it was really pretty, the whole presentation with the island and all the different outfits. I liked that, too.

SCORE: I knew you'd be good at that. When we were deciding who to have host "15 Years of SCORE," I immediately thought of you. Do you think of yourself as more of a SCORE Girl now than

New Inductee **Danni Ashe**

Are you surprised? You shouldn't be. Danni Ashe had the lead over Alyssa Alps and Sharday from the moment the voting started. The only question was whether she'd receive the 30% of the votes required for induction. She did, ending up with 31.2%, and became this year's only inductee. Congratulations, Danni. Your spot in the Hall is waiting for you!

The voters recognized Danni's significance in big-boob history. Wrote J.M. from Virginia, "Danni Ashe is the Vince Lombardi of boobs." Said T.D. from Cupertino, California, "If historical significance is key, none of the other nominees hold a candle to Danni." Added T.B. from Atlanta, Georgia, "Danni has done much to promote the Internet, the industry, beauty and class. It is her turn."

SCORE BOOB CRUISING WITH DANNI

Danni Ashe sailed on three Boob Cruises in 1994, 1995 and 1997 and was one of the prime attractions on all three. Danni's outgoing personality and professionalism always came through on the Cruise, whether she was being photographed by other Cruisers on the beach or partying the night away. You can't say Boob Cruise without saying Danni Ashe.

There are so many facets to Danni. Her face and body are spectacular, from her famous pout to firm, sloping breasts to her trademark buttercup nipples to her sensational ass, which many think is her best feature. No wonder she was named one of *SCORE*'s 20 Greatest Naturals in 2001. Of course, there's the other side of Danni: the businesswoman who read *The HTML Manual of Style* while on vacation and, with *SCORE*, launched *Danni's Hard Drive*. The rest is history.

Danni Tit-to-Tit

Danni never did boy-girl but became famous for her girl-girl shoots with Chloe Vevrier, Lisa Lipps, SaRenna Lee, Minka, Becky Sunshine, Sophia Capri and many more. Whether she was by herself or with another girl, Danni's combination of eroticism and wholesomeness always came through. She is truly a Hall of Famer.

**FACE. TITS. ASS. PUSSY.
AND SHE FUCKS. WHAT
DOES A GIRL HAVE TO
DO TO GET YOUR VOTE?**

Delotta Brown is "absolutely, stunningly beautiful," wrote K.S. from the United Kingdom. "There isn't an inch of her that isn't perfect. She's the sort of woman who makes you cry with lust." Wrote M.P. from Scottsdale, Arizona, "If Newcomer of the Year was a big-tit contest, Delotta Brown would win. The fact that it's about the total woman makes her an even easier choice. This girl has everything!"

It's true that Delotta has everything. In addition to a beautiful face, she has heavy H-cup naturals topped with saucer-size areolae and nipples that seem to be perpetually hard. Her waist tapers to 28 inches, then flares to 38 inches of bootylicious womanhood that earned her a spot in the July '07 issue of *Booty-Licious*, our sister publication. Adding to her credentials are two cock-hardening hardcore fuck-and-suckathons in the DVDs *Bounce*, *Baby, Bounce* and *Buxom Sluts*. You wanna talk about the goods? Delotta has 'em everywhere you look.

When the finalists for Newcomer of the Year were announced, Delotta said, "I'd love to win, but if I don't win, it'll be okay." So how does she feel about being third runner-up? "Obviously, winning would have been a lot better, but I'd like to thank the thousands of people who voted for me. I'm flattered. I'd love to personally thank them in my own way, but that would be impossible." If she did, the line would form around the world.

one of the best all-natural newcomers ever, but I also thought there was something lacking about the pics of Marilyn when she had on bras or tops. I couldn't quite put my finger on what exactly was wrong until now.

Being a big fan of big tits in tight clothing and having done some photography work myself, it finally dawned on me what was missing in her pictures. Marilyn's bras and tops all fit her. For me, this was a revelation. I was used to seeing tits bulging all over the top and out the sides of these bras and tops with great strain on the straps and materials. I never really saw this in most of Marilyn's photos.

Simply look at one of SCORE's own cleavage queens, Vixen LaMoore. She is a shining example of how great big tits look when stuffed into small tops or bras. I realize that tightly clothed big tits have not been given the attention they deserve because a lot of fans like myself that have not been heard from over the years, but we are here and hope that SCORE will hear our voice and step up its efforts in this area.—SparG., via email

Dear SparG: We are stepping up our efforts in this area. If you haven't noticed, over the past year or two, the models' bras have become tighter, their tops have become smaller. We recently photographed Marilyn in the Ukraine (a week-long special ran this past December on Scoreland), and she's

SCOREtv: BIG TITS ARE A BIG HIT!

Dear SCORE,

The first SCOREtv show on Scoreland was great. Morgan Leigh was great. Please make more episodes. Bring on more busty ladies and more interviews. The format is perfect and needs no changes as long as you show more girls. I hope you continue with SCOREtv and sell yearly DVDs of it with extra footage.-J.Z., via email

Dear J.Z.: Glad you enjoyed the first episode of SCOREtv. Several more have since aired on Scoreland.com. For those who haven't seen it (or are not Scoreland members), SCOREtv is a monthly big-tit variety/news show hosted by SCORE editor Dave Rosenbaum. This fast-paced program features on-the-set interviews, on-location special reports and unique, fun segments such as "Tits in Tight Tops" (starring Janet Jade in Episode Two) and busty girls catching gumballs with their tits (Shyla Stylez did that in Episode One). Christy Marks is the studio guest in Episode Three. A new episode of SCOREtv airs in prime time on the first Friday of each month. Check it out!

BUILDING THE IDEAL WOMAN

Dear SCORE,

Is there anything more frustrating than a beautiful SCORE model who ruins her looks and my fantasy by having lardy tan lines, excessive piercings and tattoos, big hair and a hairy, camouflaged crotch? Whether the model is 21 or 45 years old, the perfect look for me is an all-over tan, gym-toned body, tied-back or short hair, little make-up, no tattoos, 100% shaved crotch and a cheerful-shy, motherly, girl-next-door look.

As for the way SCORE models dress, well, what I call "workday suburban" lingerie is the sexiest for me. None of those lacy frills, embroidered patterns or horrible wide solid or lacy bands on stocking tops. Simple, succinct and plain lingerie is best; what you'd expect an ordinary suburban woman to be wearing under her work uniform/dress or in her home. For example, tan, high-leg nylons held up by simple suspenders and narrow suspender belts; what cheap motel or diner waitresses wear. Then those petite panties that are tiny at the front and thong, triangle on the butt. Have you ever noticed those pretty

2nd Runner-Up

BLONDE HAIR, SPREAD PUSSY, BIG TITS. WELCOME TO YOUR DREAM.

"Blonde bombshell Kylee Nash is what my wet dreams are made of," wrote S.R. from Riverside, California. "Every part of her looks so delicious, I don't know where I would start. Those tits, that ass, and oh, that suckable pussy. I'd eat her out so hard, I'd get lockjaw." Wrote D.C. via email, "That Kylee is something else! What a beauty! She doesn't need a bigger bustline, but I don't argue with beautiful women." You should never argue with Kylee, especially when she's in the position you're about to see her in! In a year of flexible women, Kylee just might be the best. She just might be the most fuckable.

We say 2007 was a GREAT year for flexible women because Kylee, Delotta Brown and Christy Marks all demonstrated the ability to strike poses that most women aren't capable of. We don't know who the most flexible is, but when Kylee is pulling her legs behind her head or bending all the way over and making her asshole gape, we're not making judgments. We're just jacking. "I love to turn men on," Kylee said. "I love being a man's fuck toy."

Kylee has the tits, the ass and the face to be great. She also has the kind of enthusiasm we love. She's truly a fun-loving girl who's always cracking jokes, and she always seems to be smiling. "I have a lot to be happy about," she said. "I love what I do, and I'm really flattered that so many guys voted for me. I'm having the time of my life!"

you did before, let's say maybe three years ago?

CRYSTAL: No. I think once my covers started coming out, the first one, I considered myself a SCORE Girl. August 2002. I was like, "Oh my God, I'm a SCORE Girl!"

SCORE: You liked that.

CRYSTAL: I was so excited. I called Plenty UpTopp and said, "I'm a SCORE Girl!" She was like, "Whoopee," but she didn't care because she'd been in SCORE so many times before. I called Chelsea, too. But it was big for me. I had just started modeling and dancing in 2001, and there I was on the cover.

SCORE: I remember when we first saw you. Cindy Cupps was shooting, and after she was done, she gave us test photos of you.

CRYSTAL: And you guys turned me down. She told me. I had just gotten my boobs done. It was August of 2001.

SCORE: I didn't know you knew we turned you down. How did that make you feel?

CRYSTAL: To be honest, I was like, "Fuck them." Then another photographer called me and shot me.

SCORE: So when Cindy originally told you she was going to show us your photos, you were pretty sure we were going to say yes?

CRYSTAL: I was. I was like, "I'm a pretty girl. I have a nice body. I'll probably definitely make cover." And then you said no, and I said, "Fuck them. I'll shoot for somebody else."

SCORE: Which you did, and we bought a set from him and ran it in SCORE. So when we finally called you to come to our studio and shoot, did you ever think to say no?

CRYSTAL: No, because I'd always heard good things about you guys, even though you guys had heard bad things about me.

SCORE: Only from one person. Never from anyone else, and he couldn't have been more wrong.

CRYSTAL: Thank you.

SCORE: We think about that sometimes. What if we had listened to him and never invited you to our studio? That would have been a very bad move. Fortunately, we like to find out for ourselves what a person is like. But if somebody had told us seven years ago that

you would turn out to be one of the best SCORE Girls ever, we wouldn't have believed it, not after those test photos and what we'd been hearing. Did you see this happening?

CRYSTAL: No, I thought I would be washed up already. And a lot of people told me, "Don't overshoot yourself and don't shoot with a lot of people." I guess I listened to what they said because I only shoot with SCORE now. You can still see my pictures in other magazines, but those pictures are from 2002. They're old. The only new pictures of me are in SCORE.

SCORE: Why did you decide not to shoot for anyone else?

CRYSTAL: [Pauses] What happened was, I had liked the way SCORE treated me. I liked the studio. The pay was good, of course. And I had a bad experience with another photographer, and I didn't want to go through it again. I was comfortable at SCORE. There was nobody else I could trust, so I just stayed with SCORE, to be honest. I'm not putting down any other photographers. I just wanted to be comfortable. And it was more a Peter Wall thing. I think Peter Wall does great work. He really is a great photographer.

SCORE: He shoots you well.

CRYSTAL: He does, and there's just something about Peter. He makes you feel like you're the only one that matters. Girls don't have problems with Peter. He really makes you feel comfortable, and that's important.

SCORE: We hear that all the time. Can you guess which pictorial of you we're running this time?

CRYSTAL: Which one?

SCORE: Roller girl.

CRYSTAL: I love that set! Love it! Do you like it?

SCORE: Yeah, I do, although I'm partial

to the bra set from the February '07 issue and the green sweater set from February '08. Why do you like the roller girl set?

CRYSTAL: I don't know. I was excited about it the second I shot it. Hector shot that. It's my favorite set. You know what I also liked? The 3D set.

SCORE: We're doing that next issue.

CRYSTAL: That's going to be badass! Didn't Cindy Cupps do the 3D?

SCORE: Yes, she did, a few weeks after you were here. Out of all your pictorials that have been in *SCORE*, which one is your favorite?

CRYSTAL: My favorite? Wow! My favorite is one that I don't have. I think it's the January 2004 pictorial. I had blue shorts on and a blue bra. Do you remember that one?

SCORE: Sure.

CRYSTAL: I have that cover in my picture frame.

SCORE: Why is it your favorite?

CRYSTAL: I don't know. I think my body was in the best shape then.

SCORE: I know which pictorial is your least favorite.

CRYSTAL: Oh, God, the volleyball one! People still ask me to sign that, and I say, "Nope, nope, nope." I won't sign it.

SCORE: You refuse to sign it? Somebody comes up to you with that issue and you say no?

CRYSTAL: I hate that one. I don't like the way I look. Fortunately, I wasn't on the cover. There's just a little picture of me at the top.

SCORE: You have a lot of fans. Do you have a group of fans that have been loyal to you over the years?

CRYSTAL: Yes.

SCORE: Do you want to name names?

CRYSTAL: Sure! Joe. He's from New York, Long Island City. Delmo from New York City. David from Austin, Texas. Phil from Long Island. E.W.L. from Brooklyn, New York. And there are a lot more.

SCORE: And they go to your shows whenever you're in the area?

CRYSTAL: Yes, every one.

SCORE: It's pretty cool to have fans who are loyal, isn't it?

CRYSTAL: Oh, yeah, especially when I'm having a really bad day. Sometimes I'll go to a club, and it's dead. It's not my fault. It's a Wednesday, nobody's coming in and you have the one fan who comes in and makes your day. That's what I like best.

yourself dancing and modeling?

CRYSTAL: I don't know. I don't know how much longer I'm going to be dancing. Maybe not much longer. That's what I'm thinking right now. But I'll probably keep modeling. I'm just not sure yet.

SCORE: When you're out and about in your personal life, away from the clubs, do you get recognized?

CRYSTAL: In my hometown I do because I live in a very small town.

SCORE: How about when you're on the road?

CRYSTAL: Well, yeah, because the ads are in the newspaper. The club puts me in the newspaper with my picture. Especially when I go to a place like Jackson, Mississippi and they see this little white girl with huge boobs, and there's a picture of me in the sports section, which I think the clubs should start doing more discreetly for our safety.

SCORE: Do you think it's dangerous?

CRYSTAL: Yeah, sometimes. There are stalkers out there.

SCORE: Do people who didn't see your ad in the paper come up to you just because they know you?

CRYSTAL: Sometimes people come up to me, but not all the time. They'll just stand and stare. People do that a lot.

SCORE: Would people who see you in the magazine recognize you in your everyday life? How do you dress when you're out and about?

CRYSTAL: It all depends. If it's nice out, I'll wear a little jeans skirt, sandals and a tank top.

SCORE: So they can tell you're built.

CRYSTAL: Yes. I don't dress to disguise my body, although if I'm home and I'm going shopping, I'll throw on a big sweatshirt and a pair of jeans, but that's about it.

SCORE: What kind of reactions do you get, like in a mall?

CRYSTAL: I sometimes get stupid ones where I want to smack them in the face. Seriously. I'll tell you a quick story. The other day I was in Starbucks with my girlfriend, and two girls came in. They were both fat and protruding through their jean tops. Their asses were halfway out. Their thighs were as big as a fucking monster. Now, I'm not saying anything because I'm not going to make fun of them. I just ignored them, but they were sitting there laughing at my tits. I turned around and said, "They are funny, aren't they? But I'm not laughing

SHE'S THE KIND OF GIRL WHO MADE YOU LOVE SCORE IN THE FIRST PLACE. THE KIND OF GIRL YOU STILL LOVE.

For the second year in a row, a classic battle broke out in the voting for Newcomer of the Year: The Natural vs. The Mega-Buster. In 2006, the Natural was Anna Song, who lost in a close vote to Morgan Leigh. This time, the Mega-Buster was Alena Snow, who lost in a close vote to Christy Marks. Alena, the chestiest newcomer of 2007, had the edge in the magazine voting, but Christy overwhelmed Alena in the online [Scoreland](#) vote to win the overall title. Still, it was a great year for Alena, a spectacular throwback to the slim-n-stacked '90s.

Holy cantaloupes! Alena's chest melons are bigger—a lot bigger—than those melons she's holding in her hands. "Alena's tits are magnificent," wrote U.K. of Stockholm, Sweden, in casting a vote for his fellow Scandinavian. Wrote J.Z. via email, "With her huge, enhanced bust, lovely blonde hair and smile, Alena is a throwback to the wonder years of the early '90s." A *wonderful* throwback.

A photograph of a woman with large, light-skinned breasts and blonde hair lying on her back on a blue, textured blanket. She is looking directly at the camera with a slight smile, showing her tongue. She is wearing a thin gold chain necklace with a small red pendant. Her hair is styled in a short, wavy bob with a white flower accessory on the side.

The Mega-Buster vs. Natural battle also broke out in 2002, when Crystal Gunns held off a late charge by Annie Swanson to win Newcomer of the Year. Chances are this battle will be waged as long as many love big tits. Forever, in other words. "Models like Busty Dusty, Tiffany Towers and Wendy Whoppers are what introduced me to *SCORE* back in the '90s," wrote A.R. from Oakland, California. "Alena is continuing in their great tradition, and I'm very thankful for that."

because your fat is coming out of your jeans, am I? You should learn how to dress." They just turned around and left. I couldn't believe they could be so rude about another woman.

SCORE: Stuff like that comes mostly from women, doesn't it?

CRYSTAL: Yes.

SCORE: How about from guys?

CRYSTAL: Not much. Sometimes they'll say, "Nice rack," or they'll do a double-take. They'll stare at me more than girls will. Girls are just bitches, and I don't understand it. I never did.

SCORE: Is the "nice rack" comment okay or not okay?

CRYSTAL: It all depends on who it's coming from. When it's coming from a 12-year-old kid, no, it's not very nice.

[Laughs]

SCORE: Well, how about from an adult? He passes you on the street, looks at you, smiles and says, "Nice rack." Is that okay?

CRYSTAL: I don't know. I'm not the kind of person who likes to be stared at.

SCORE: But it kind of comes with the territory, doesn't it? I mean, you do kind of stand out.

CRYSTAL: Well, there's a way to do it and there's a way not to do it. Say something like, "Wow, you're really beautiful" or "You have some special features that look really good on you." Don't say "Nice tits" or "Nice rack."

SCORE: It's kind of like when you told us last time we interviewed you that you don't like when people tell you they jack off to your pictures.

CRYSTAL: I hate that. Some of my fans who saw that say to me, "I know you don't like when I say that." I'm like, "Well, don't say it, then." But my fans know I'm a wiseass. I just don't have the tolerance sometimes.

SCORE: But obviously, you have to know what's going on when guys look at your pictures.

CRYSTAL: Well, that's fine, but every time we take a shit, should we announce that we're taking a shit?

[Laughs] And I tell them that all the time, and they just laugh at me. There are certain things that you should keep to yourself. If you want a woman to think you're a gentleman, you don't go up to her and say, "I jacked off to your photos." Sometimes guys will wait at the

club to talk to me, and then they'll come up to me and say, "Oh, I love the video you just did. I jacked off to that one." They waited all that time to tell me that? I don't want to hear that!

SCORE: What's your reaction to that? Do you let it pass?

CRYSTAL: I curse them out!

SCORE: I thought so. You don't let anything pass.

CRYSTAL: [Laughs] No, I'm like, "Didn't you read my last interview in *SCORE*? Just be a gentleman."

SCORE: So if a guy says to you, "I saw you in *SCORE* last month. You're really sexy. I liked the outfit you were wearing," that's good?

CRYSTAL: Absolutely. I love when the guys come in and say, "I really enjoyed your layout." There's a nice way of putting it, like, "You really looked good in that one position." Thank you! I'll accept that. Maybe I'll try that position again since so many people liked it. But don't come in and tell me you jacked off and the pages are all stuck together. I don't want to know that. But I get that all the time.

SCORE: But you must get the good comments, too.

CRYSTAL: Oh, I do. There still are a lot of gentlemen left out there, believe it or not. But it can be crazy at times.

SCORE: So be nice to Crystal.

CRYSTAL: Be very nice.

SCORE: What do you think is happening with big-bust feature dancing? Do you see it going on for much longer?

CRYSTAL: No, I don't. A lot of clubs are not having features anymore because it's so much work for them, and some of the features who go in, they're so expensive, and they're not producing income or making their money back for the club. And there are less and less big-boob features. I think it's still a little okay, but a lot of club owners think the big-boob features are overweight, they look ridiculous, but there are some big-boob features that dance a lot, like Lovette, me, Chelsea Charms. But it is dying down. It's not how it used to be in the 1990s. That was a frenzy, and everybody wanted them.

SCORE: Do you ever wish you were part of that?

CRYSTAL: I do because I met some of them, like Lisa Lipps, Maxi Mounds, Plenty UpTopp. You talk to these girls, and they did a lot of stuff in the '90s. There were like 20 or 30 girls, and they were all on TV a lot. I wish I was part of

the Boob Cruise, too. That would've been so much fun. And there are still people out there who want the Boob Cruise to come back.

SCORE: But the good thing for you is that if you were around in the 1990s, you would have been one of many, and now you kind of have the whole scene almost to yourself.

CRYSTAL: Yeah, I do, but I still have to share the attention with Maxi Mounds, Chelsea, Minka. Minka will always be around. That girl will be 80 years old and look like she's 25 years old. She's just unbelievable. I love Minka. She's a very nice girl.

SCORE: For a while, it looked like she might beat you for Model of the Year. Have you ever featured with Minka?

CRYSTAL: I've never danced with Minka, but once when I was in Vegas, I went to a bar with her and went dancing. They had some rock band, and we danced. It was so much fun. Maxi Mounds is also a beautiful person. She will do anything for anybody.

SCORE: Where's Plenty?

CRYSTAL: I think Plenty is retired. We were close, but we haven't talked in a while. You never knew what personality you were going to get with Plenty.

SCORE: Do you like dancing?

CRYSTAL: I do. I was a dancer before I became a feature, a house dancer in New York, and then I became a feature. I'm a real dancer, too. I don't just walk around the stage.

SCORE: What do you like about it?

CRYSTAL: The music, the costumes, and sometimes when you travel to a club, you get to meet nice people. Not all of them are nice, but you do meet some nice people.

SCORE: Do you like traveling?

CRYSTAL: I'm pretty much tired of it now. I mean, I've been to just about every club there is that wanted me, and I think it's getting old. But I do like some of my fans when I travel. I really do. Like I said, when I travel, sometimes I'm having a really bad week, and one fan can come in and make your day. And maybe he wasn't a fan, but you made him a fan before he left, and that's an accomplishment. I always try to get new fans, and that's what's good about featuring. It lets me do that.

SCORE: Do you have any favorite fan moments you can remember?

CRYSTAL: I think my favorite fan moment was when I was in a club, and I don't remember the name of the club.

It was a long time ago. And I was giving a T-shirt away. I was doing a paint show with my boob imprint on the T-shirt, and I signed it, and I was giving it away to the loudest guy. And this one guy screamed out of nowhere, "I will eat the turd that comes out of your ass!" The whole club just stopped because he screamed so loud. And I pulled him on stage, and he said, "I will eat the turd out of your ass, that's how much I love you." And I gave him the shirt. And he is a **SCORE** fan. And if you put this in, he'll probably know what I'm talking about. I told him he was nasty, but he was the most original.

SCORE: Of course, there's the guy you kicked in the balls in Chicago last year at Glamourcon.

CRYSTAL: That's right. I had never done that before. And there was one guy who wrote an essay about me for a college class. Remember that?

SCORE: Yeah, I do.

CRYSTAL: He's from Florida. He got an "A" on it. I actually have a copy of it somewhere. It was supposed to be a paper about memorable people or different people, and he decided to write about me. I'll never forget it. He came to the club, and he was there every night. He just sat there and just watched and wrote and wrote and wrote.

SCORE: Well, before we go, let me ask you what winning Model of the Year means to you.

CRYSTAL: Oh, my God, I'm excited! And it's about time! I was starting to wonder if I would ever win. To be honest, I thought if I didn't win this year, I'd never win. I honestly thought this was my last chance because of all I'd done.

SCORE: You took an unusual route to winning Model of the Year. You were really popular in 2002 and won Newcomer of the Year, then you kind of disappeared from the voting radar for a while, then you got more popular.

CRYSTAL: I don't know. These fans are crazy. I guess they get tired of jerking off to the same person all the time, right?

SCORE: I'm not saying. You'll get mad at me if I tell you I jack off to your photos. But, honestly, like I said, the column helped, "15 Years of **SCORE**" helped, *Tits & Tugs* helped.

CRYSTAL: Well, there's nothing else I can do!

SCORE: Boy-girl?

CRYSTAL: No. But, seriously, I just want to thank everyone who voted for me. I'm really excited. 🍷

Christy Marks

ALWAYS A BRIDESMAID, NEVER A BRIDE? NOT CHRISTY MARKS, SCORE'S NO. 1 GIRL OF 2007.

We take this girl to have and to hold, to jack all over her big tits and fantasize about slamming her shaved snatch. If there's anyone out there who doesn't think Christy Marks is worthy of being 2007 Model of the Year, speak now or forever hold your piece. Christy is destined for greatness.

Wrote R.C. from Brooklyn, New York, "I have seen many beautiful young ladies in *SCORE* over the years, including Sharday, who was one of the more beautiful girls. But when I saw Christy Marks on the cover and her photo spread, my heart just melted. An absolutely gorgeous smile and tits to die for. I think I finally found the girl of my dreams." Added T.D. via email, "Christy is totally hot, basically perfect. The next year of *SCORE* will be worth it just to see her." Believe us when we say Christy has great things in store for 2008.

A full-page photograph of a woman with large breasts and pubic hair, posing for a magazine spread. She is lying down, wearing a white lace top and a pearl necklace. Her hands are placed on her pubic area. The background shows a bedroom setting with a bed and a nightstand.

When we told Christy that she won Model of the Year, she screamed into the telephone and said, "Me? I can't believe it! This is just about the best thing that ever happened to me." Like we said, more is in store. Christy was only 18 when she made her *SCORE* debut in the November '07 issue, and now, at age 19, she has lots of time to do great things. "I love *SCORE* and I love modeling," she said. "I just couldn't be happier."

DAYLENE RIO: BUSTY, WET & WELL- FUCKED

"I LOVED FUCKING IN FRONT OF THE CAMERA," SHE SAID. "IT MADE ME FEEL LIKE A DIRTY, NASTY SLUT!"

Here's Daylene Rio, who made her *SCORE* debut in the February '08 issue and is already fucking and sucking for our viewing pleasure. We're always happy when a new chick doesn't waste time and cuts right to the cock. Daylene is a house dancer at a strip club in Los Angeles, California, but judging by these pics and her performance in the DVD *Busty & Wet*, we predict a long career for her in fucking.

The great thing about photos (as opposed to video) is that you don't have to hit the pause button on your remote to see just the right shot of Daylene getting tit-fucked or sitting on a cock. The great thing about video is that you can see the soapy water dripping off Daylene's heavy DDD-cups and her tits bouncing wildly as she impales her cunt on a cock. And the great thing about Daylene is that she's totally uninhibited. "I love to fuck" she said. "And I love when you watch."

AFRICA: WHERE NO MAN HAS GONE BEFORE

MEN HAVE FUCKED HER DEEP THROAT AND PINK CUNT. BUT, UNTIL NOW, HER ASS HAS BEEN VIRGIN TERRITORY.

Seeing Africa getting fucked? In all honesty, it's nothing new. We've seen her dining on dick and getting her ultra-pink pussy impaled by hard cocks in the DVDs *Black & Stacked Xtra #1* and *Black & Stacked Xtra #3*. We saw her sharing a hard-on with Cassitty in a *Scoreland* special. So, when Africa returned to our studio, we had one question: What are you going to do that we haven't seen before?

Africa didn't answer our question right away. She simply smiled and said, "Just wait. You'll see." So we called the stunt cock onto the set. Africa started sucking his cock, lovingly deep-throating it as she always does. Shoving it between her tits. Then she laid on her back, let her tits splay to each side and said, "Fuck me, baby!" We kinda wondered, *Is that all there is? What's this special thing Africa has planned for us?* And then it happened. Africa got on all fours, looked over her shoulder at her fuck buddy and said, "Grease up your cock and stick it in my ass!" Yeah, that's what happened. And when you turn the page, you'll see it for yourself.
