A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

FOR OUR NEXT TRICK, HOW ABOUT A PREGGER IN 3D?

Dear SCORE,

First, let me say, great work on the 3-D shots in the July '08 issue (SCORE 3D). I was suspicious, but once I customized the glasses to get a good fit, the view was spectacular. Not every shot worked, but Kylee Nash's foot really sticks out from page four, and Crystal Gunns' final photo was so real, I thought she was right in front of me.

Your spread on Yurizan was the best I've ever seen of her. I've always loved Julia Miles, and the lost shots even added to her appeal. And, please, those preggo shots of Stefani were most welcome. In fact, I'd like to see her a month or two later, but I'm probably in the minority.

And in an issue full of wonderment, my most pleasant surprise was Karina Hart. Her last two pages were as good as they come.—D.S., via email

WE'RE GUESSING HE DIDN'T LIKE

THE PREGGER PICS OF STEFANI

Dear SCORE,

I really don't like seeing preggers. Never have. I have even commented in the past how I saw that it was abundant in some of your competitor's magazines, some that I no longer see on newsstands.

Please stop, in both SCORE and V-mag (I subscribe to both). I don't want to see preggers.

Also, FYI, I don't like seeing way-too-fake boobs, and girl-girl spreads don't really interest me, either. Hirsute is also a big turn-off.—Ed, Waverly, Iowa

A NEW DIMENSION OF BIG TITS, AND HE'S HAPPY ABOUT IT

Dear SCORE,

I have been watching the free DVD that came with the July '08 issue. It's great. When I watch the 3D scenes, I feel like I'm Gulliver as a tiny, sexy woman is dancing on a miniature stage for my erotic pleasure. I know you can't include something like that every

The arrival of Karina Hart in the July '08 issue was a very pleasant surprise.

month, but I hope you do it again. Next time, get a gal who has been a feature dancer or specializes in solo scenes. Maybe even up a boy-girl scene. That would be a blast.—G.H., via email

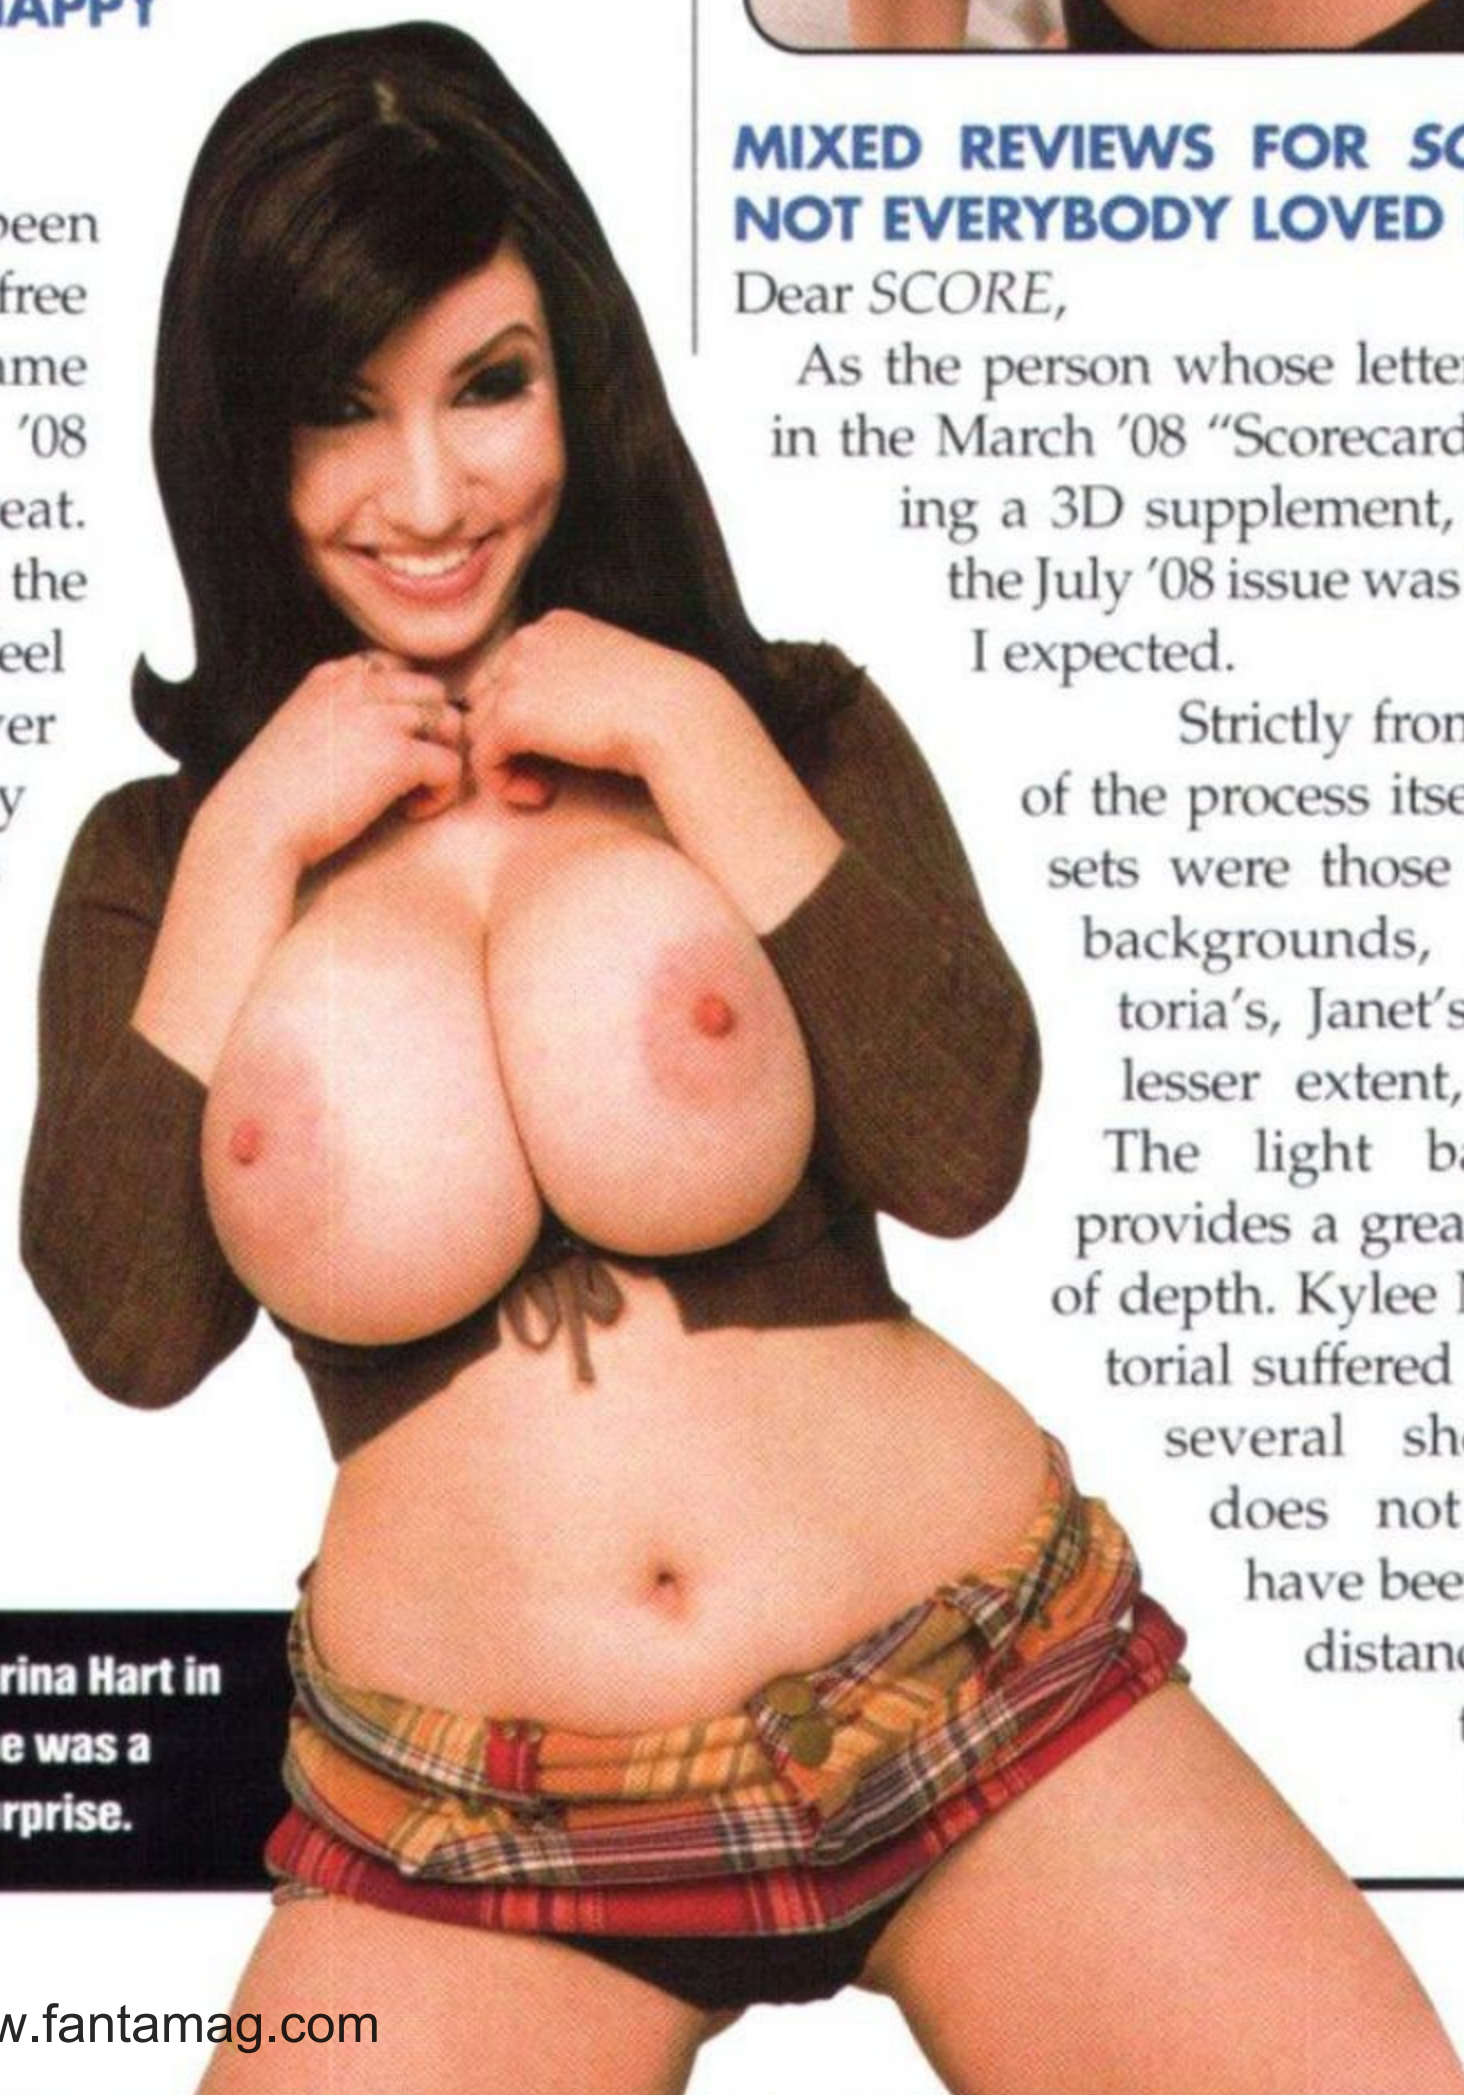

MIXED REVIEWS FOR SCORE 3D: NOT EVERYBODY LOVED IT

Dear SCORE,

As the person whose letter appeared in the March '08 "Scorecard" advocating a 3D supplement, the one in the July '08 issue was better than I expected.

Strictly from the point of the process itself, the best sets were those with light backgrounds, like Victoria's, Janet's and, to a lesser extent, Christy's. The light background provides a greater illusion of depth. Kylee Nash's pictorial suffered because in several shots, there does not seem to have been sufficient distance between the left and right nega-

GIRLS IN TIGHT TOPS ARE GOOD ONLY IF THEY SHOW CLEAVAGE

Dear SCORE,

I would like to put my two cents in on the subject of nude vs. clothed pictures. I would love if every pictorial had some clothing shots. The models should wear something very revealing but enough that I can use my imagination to fill in the blanks. I don't mean tight tops or sweaters, either. They could wear a tight top or a sweater or a tight sweater, but if they aren't showing acres of cleavage, it doesn't do much for me. Still, it should be revealing, but not so much that they

Brit chick Kym (left) didn't show as much as Lana Del Amore did in the April '08 issue, but we were still happy to see this newcomer. Will there come a time when Kym spreads her pussy and ass wide open for our viewing pleasure?

couldn't go out in public. Don't get me wrong. I still want nude shots. After all, *SCORE* is a nudie mag, but it sure helps me get my motor running if I see a model wearing something I could imagine seeing her wearing at, say, a grocery store.

By the way, I love that shot of Christy Marks on the back of the July '08 issue. It could have been better if we could have seen some more skin, but her face and hair never looked better.—J.G., Watertown, Wisconsin

GREAT IDEA, BUT FIRST YOU NEED A GIRLFRIEND WITH BIG TITS

Dear *SCORE*,

I agree with the letter written in the July '08 issue that big-titted girls in tight sweaters are guys' kryptonite. It's my weakness, too. I get weak in the knees when I see such a girl, and I also get hard in the cock.

Over the years, I've devised a fool-proof plan to take advantage of this turn on. Take your big-breasted girlfriend out on a sweater shopping spree, and

when you get home, she can model all her new sweaters for you. She's happy because she gets a new wardrobe, and you're happy because you get to watch her titties sway in various sweaters as your cock stiffens.

But the best part for both of you is when you get to screw her brains out in marathon sweater sex sessions.

And this isn't just a fall and winter phenomenon. I've had girlfriends willingly wear wool sweaters in the heat and humidity of the summer and tell me, "Fuck me like a rag doll." It works for me every time. Just remember to buy a big bottle of Woolite before attempting.—T.N., via email

NO REASON TO APOLOGIZE. WE WERE HAPPY TO SEE HER TITS.

Dear *SCORE*,

I am from Kent, England, and therefore I was really pleased to see Kym in the April '08 issue as she must live near me.

But I was so disappoint-

ed that she never showed her pussy. In one picture, she covered up her pussy with her hand, which I found quite offensive. So, on behalf of all right-thinking guys in England, I want to apologize for Kym's shyness. I just can't understand why she didn't show her pussy. It surely can't be that bad-looking judging by the rest of her. If you ever consider her again for a photo shoot, please make it clear to her that she must show her pussy and preferably spread it wide open as I don't want to write any more apologies.

In stark contrast to Kym was the beautiful Lana Del Amore, who you photographed close up spreading her gorgeous pussy wide open. More, please! —M.T., Kent, England

SMOKING IS HAZARDOUS TO HER HEALTH & HIS HARD-ON

Dear *SCORE*,

After seeing Christy Marks in her November '07 debut, I wrote in saying that my heart melted upon seeing this very beautiful young lady (I look at the eyes and the face before I look at the tits). The message was reprinted in the June '08 awards issue.

I received the July '08 issue with the *SCORE* 3D mag included. The picture of Christy on the cover is the best I've seen of her yet. If only I could spend a short while with her just to get to know her. If anything were to happen between us, it would be her decision. I do hope to meet her some day.

Unfortunately, I found a couple pictures of her that make me upset. I've seen her holding a cigarette. To me, a cigarette can make a gorgeous woman become an ugly woman. I don't really want that to happen. Therefore, I have a strong sug-

Okay, guys, what do you think? Should we show pictures of girls like Christy Marks smoking cigarettes? Does it turn you on?

COMING SOON: Lexxi Tyler, the Queen of Girl-Girl, was in our studio recently, and she hit it off really well with Kianna Dior. The two of them did a scorching girl-girl that you'll have to see to believe. Put it this way: Even if the cameras weren't rolling, they would've been fucking. You can also see them together on *SCOREtv*.

Candace Von is more than a girl we'd like to 69 with. After the BJ, we'd love to fuck her, too.

gestion for Christy: Please, please, please stop smoking! You don't want anything to damage your chest. To *SCORE*, at the very least, don't print any pictures of her with a cigarette. You will keep me a happy man.

Keep the photos of Christy coming and you will keep me cumming. She is one hell of a gold mine for *SCORE*.—R.C., Brooklyn, New York

WE'LL PASS YOUR NOTE ALONG

Dear *SCORE*,

I have a title to bestow on Candace Von: "The Lady I'd Most Love to 69 With." Candace has such a gorgeous mouth, and I'm sure she can give a world-class deep throat. And she has the juiciest and most mouthwatering pussy. I'd be honored to give her pleasure with my tongue. To experience both giving and receiving oral pleasure with Candace at the same time would be a mem-

orable experience.—C.J., via email

Dear C.J.: Candace doesn't 69 in the *Xtra* section of the September '08 issue, but she does suck and fuck. Yes, it's memorable.

HE DOESN'T LIKE PORN, BUT HE LIKES LOOKING AT NAKED BABES

Dear *SCORE*,

I am not a fan of pornography. I like to consider myself a fan of the female body, which explains my online membership to *Scoreland*. My favorite feature was always the video interviews. There is nothing I like better than seeing a beautiful woman in natural surroundings wearing revealing clothing and then taking everything off, wiping out any thoughts of mystery.

The "On Location Eleuthera" special on *Scoreland* was a real winner. It might not be a porn lover's cup of tea with the absence of graphic sex, but for softcore

lovers like myself, it fills a necessary void of being able to view beautiful women in NC-17 material. Please continue to give us more features similar to this one, either on location or in the studio. This is fantastic stuff!

I just adore Angela White. There has never been another SCORE personality with the charm and beauty of this woman. If I ever get a chance to meet Ms. White, you can bet I'll be the first in line. I appreciate and respect her decision to decline any hardcore boy-girl material. It adds more sex appeal and mystery to her nature. Oh, yeah. Did I mention she deserves her own website?—T.A., Chicago, Illinois

KARINA HART: PERFECT IN EVERY WAY...EXCEPT FOR HER HAIR

Dear SCORE,

July '08 debuter Karina Hart is a cute brunette with a nice pair of firm, round, tasty looking F-cup puppies that sit upwards on her chest (and are kinda hard to believe are natural), along with a fresh-looking coochie. But what's up with that '70s-style hairdo? This is 2008, not 1978!

On another subject, I was reading through some past issues when I came upon an answer to a recent critic about Marilyn Sakova's areolae being too light and that she needs to color them in or something. The guy who answered basically put that reader back in his place, and I'm with him.

There is absolutely nothing wrong with Marilyn's boobs. So what if her areolae and nipples are a light-pink color? They are the best out of all the naturals. Anna Song has light pink areolae and nipples, too, but that reader has no problem with her.

Only Linsey Dawn McKenzie has better boobs than Marilyn. Marilyn's boobs are perfect in size, color, shape, texture, density...you name it. Not to mention how firm they look.

That guy needs to get a life and leave my Marilyn alone. You can't mess with my Marilyn.—S.M., Baltimore, Maryland

DON'T WORRY. BE HAPPY.

TITS & TUGS 2

CHRISTY MARKS

A photograph of a woman with large, light-skinned breasts lying on her back on a striped pillow. Her eyes are closed, and her mouth is slightly open. A large, erect penis is positioned vertically against her chest, between her breasts. A hand is visible at the bottom, holding the base of the penis. The woman's skin is covered in a white, creamy substance, likely lubricant. The background consists of a pillow with horizontal stripes in shades of red, green, and beige.

“Do you want me to fuck your hard cock with my titties?” 2007 New-comer of the Year Christy Marks asks as a lucky guy drills her H-cup naturals. Christy oils up her tits for fucking, then strokes the cock while talking dirty. She goes down for some more tit-fucking and slaps the cock against her flesh pillows. Memorable moment: Christy jacks the cock with two hands while doing a headstand. Her tits flop against her cheeks, and her pussy is wide open and exposed. Superb!

JANET JADE

The unforgettable sight of Janet Jade lying on her back and making a huge cock disappear between her magnificent DDD-cup torpedoes is not to be missed. Janet, one of 2008's best newcomers (and one of the greatest naturals ever), dances, bounces, talks dirty and plays with her tits. She takes a big, white load all over her creamy brown bombers then rubs it in while cooing, "Yeah, baby."

Harmony Bliss, a **SCORE** Girl since 2001, bounces her big, pointy tits and gives us a nice view of her bald snatch before getting boob-banged. She talks like a dirty slut, too, and has the guy cum into a champagne glass, then she pours the cum onto her tits. Goldie Blair, who will make her debut in the Nov. '08 issue, demands "Put your throbbing cock between my tits" as she kneels on the kitchen floor, then lays down for a sloppy boob bang. Holly Halston proves she doesn't need her mouth, pussy and asshole to get a cock off. She can do it just by using her hands and tits. Of course, that's no big surprise to a real **SCORE** Man like you.

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

HER BOOBS ARE MORE THAN OK!

MEET BUSTY NORWEGIAN SINGER LENE ALEXANDRA

"My boobs, my boobs, my boobs are ok! My boobs, my boobs, my boobs are ok!"

The lyrics of Lene Alexandra's song "My Boobs Are OK" are unlikely to be heard on the radio or TV in breast-phobic America, but in Europe, the sexy and busty 26-year-old singer from Norway is a star. Fortunately, Lene's video of "My Boobs Are OK" is posted on many websites, including YouTube. In the second stanza of the song, Lene sings, "I'm lazy, admit it, work is not for me. Busy doing nothing, I'm a beauty queen. I don't cook, I don't clean. Hey, do it for me, I'm such a stupid girl!"

Lene hadn't sung live since she was 14 years old when, in 2003, she almost made the final rounds of the Norwegian TV show *Idol*. This show is similar to *American Idol* in the U.S.

"Too bad I did not win, but I probably wasn't ready for it," Lene said. "After *Idol*, I felt more confident and I contacted a studio to make a demo tape. Since it was very expensive, I had to borrow money to make it happen. I made three songs and tried to contact some labels with no luck. At that time, some friends of mine wanted me to join a modeling agency so I gave up on my musical career." But not for long.

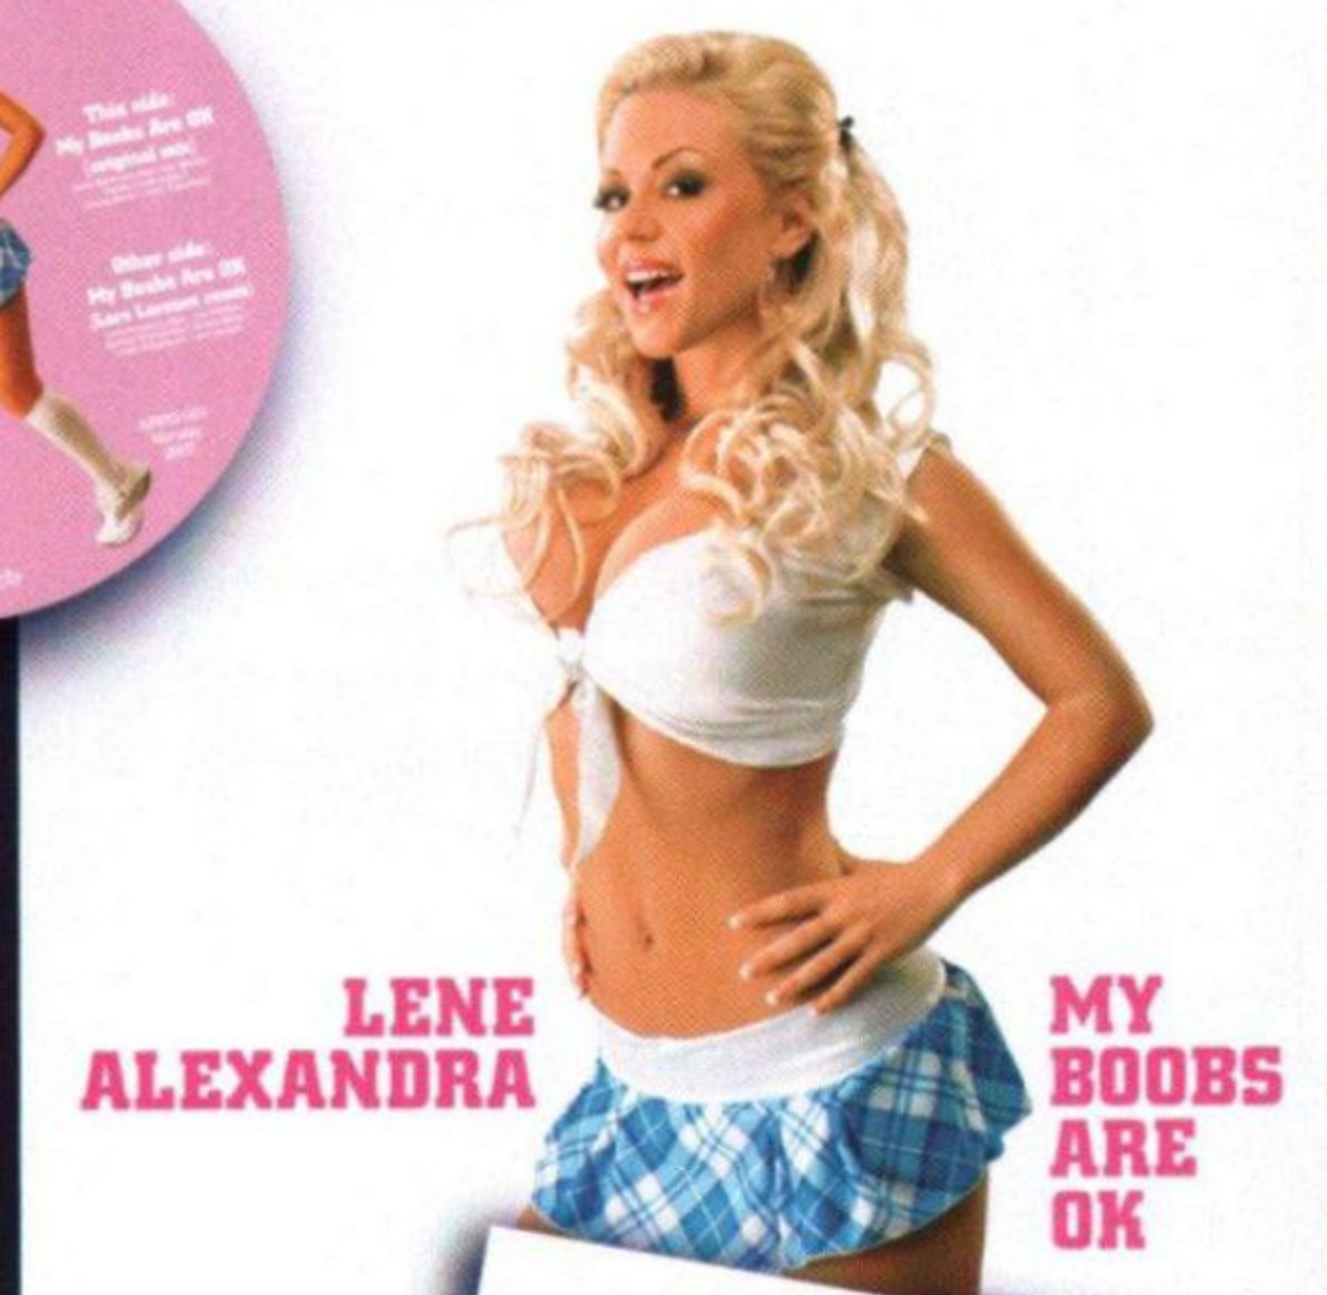

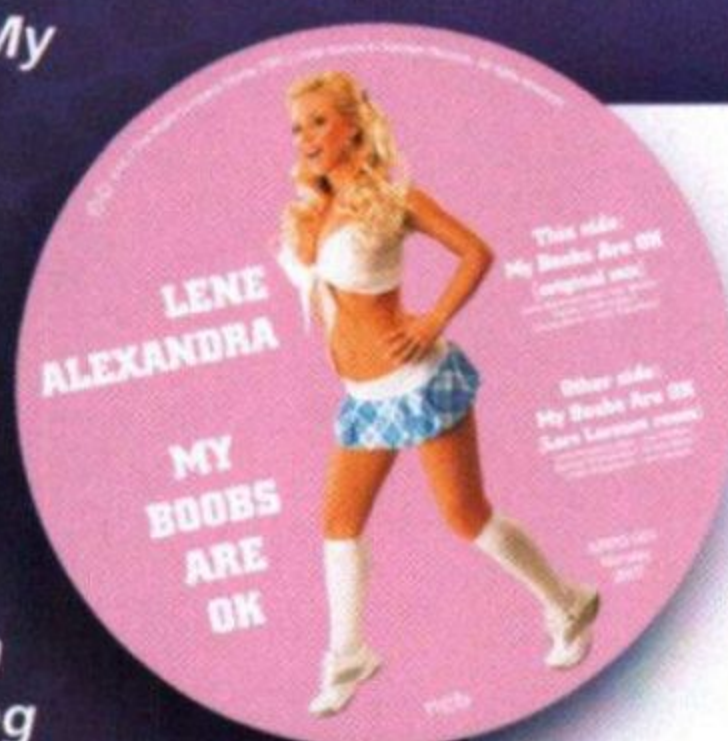

Lene moved into modeling and appeared on the TV show *Survivor* in Norway. The host, Christer Falck, was running a record company, so Lene started doing music videos, commercials and radio and TV appearances.

"I got so much attention, people started to recognize me on the street," she said. But Lene wanted C+C, Falck's company, to release a record of her, and in 2007, she got her first record deal.

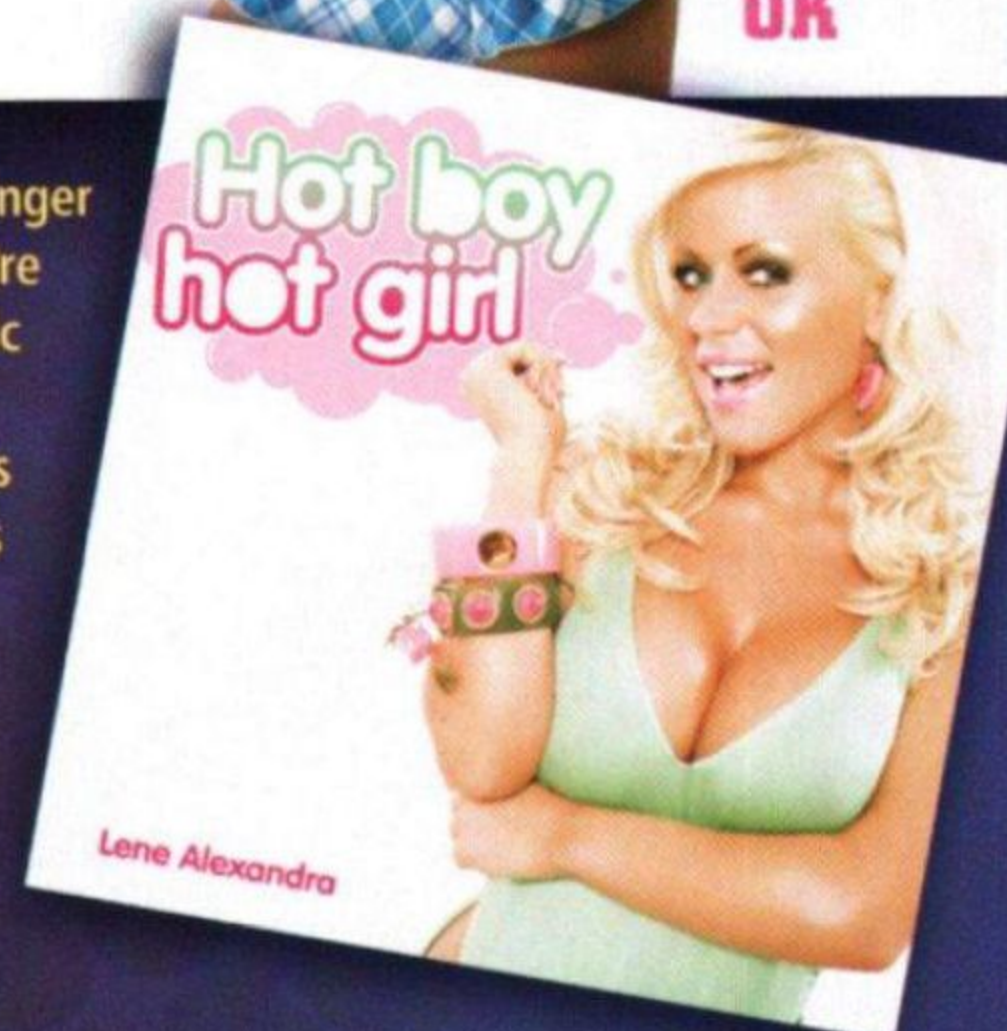

"It was a dream come true for me," said Lene, shown at left on the cover of a Polish magazine. "I know there are a lot of people who would like to be in my situation right now, and I am gonna do my best."

"My Boobs Are OK" has been a hit in many countries, and her latest song, "Sillycone Valley," has been getting extra attention because it was featured in the Eurovision Song Contest. We kind of wonder why skanks like Britney Spears and Christina Aguilera get so much attention in the U.S. while hotties like Lene are ignored. Of course, there is big-boobed Jessica Simpson.

Sillycone or not, Lene's books are okay with us!

Norwegian singer Lene Alexandre has two music CDs for sale, and a third is coming. She's one of Europe's hottest musical celebrities.

Whatever happened to April Hunter?

When she appeared in the February '98 issue of *SCORE*, fit, tight and toned April Hunter was blitzing strip-club stages across North America. And then...

"World Championship Wrestling was looking for some gratuitous cleavage to help with their television ratings and hired me with five other girls to become New World Order Girls," April said. "I left WCW on good terms when I was off TV for a while. Then I decided to get into wrestling full-time and become a fully trained wrestler. I packed up and moved across the country to attend Killer Kowalski's wrestling school in Boston. I've competed in the ring all over the world as well as in the United States."

Physically unchanged from when she appeared in *SCORE* 10 years ago, April looks just as sexy as she did then and lives in Louisville, Kentucky with her husband, who is a wrestler.

"Wrestling has been a huge part of my life, and I've gained a lot from my experiences," she said. "I have been able to travel and work all over the world. I've met lots of interesting people and made new friends. I've taken tons of pictures and have some incredible memories all because of pro wrestling."

April has retired from wrestling because of an injury, but she can still be seen at ringside as a manager and she still models.

"It's never boring," she said. "I've always loved managing, and I am excited to be back on that side of the ring. I always thought there was a lack of great female managers who truly knew their way around the ring and can believably alter, and add to, a match, managers that are more than just a fifth ring-post rack of boobies. But you only have one body to last your lifetime. No offense to wrestling, but it's not worth getting crippled over. Since we only get paid when we work, I tended to tape up and work through way too many injuries. Now I can't ignore it any longer. And I refuse to take painkillers. I've seen too many in this business destroyed by them. But I still love the buzz of being in front of a crowd."

April's website is AprilHunter.com.

April Hunter went from one kind of leg spreading to another when she became a pro wrestler.

Puma's ancestors had bra awareness. Photo from XXXtreme Big Tit P.O.V.

In support of Viking women

Viking women wore bras that were both functional and decorative. So says archaeologist Annika Larsson from the University of Uppsala about a discovery near Stockholm, Sweden.

"They were designed to give lift and shape to the breasts but were banned with the arrival of Christianity, which regarded their wearing as a pagan ritual," Larsson said. "Viking women were fashionable and way ahead of their time, but it was a fashion that vanished with the arrival of Christianity. It was also felt that the bras made the female body too much an object of observation."

"It was previously thought that these circular metal discs were shoulder protectors, perhaps for women carrying heavy loads, but they seem to actually have been worn as a metal bra or bra reenforcer. The metal fasteners have been found in previous Viking graves beneath skeletons where

the back was. Prudish scientists previously speculated that these must have slipped from what they thought were the shoulder protectors.

"The Vikings took oriental influences and combined them with Nordic clothing to come up with colorful clothing that was revolutionary. So the garments had an aesthetic lingerie effect as well as providing support. I think Viking women would have chatted about clothing styles and designs in simple fashion shows while their men were away marauding." More proof that Scandinavian women, like Puma Swede, are super hot!

When your doctor is a *SCORE* reader...

After she lost 200 pounds on an extreme diet, a German woman named Ingrid Bruelling wanted her wrinkles surgically removed and replaced with firmer breast skin. When she woke up after the operation she requested, she found that the doctors had given her silicone implants, increasing her cup size from a C to a D. No big deal? Think again! Her doctors told her the boob job was the best way to achieve the tighter skin. Ingrid is now—you guessed it—suing the doctors. Whoops!

"I'd like to fuck with my dream partner as long as possible, more than I ever did before," said Kora, a newcomer from Poland who lists her occupation as "civil servant." We could think of a few ways for her to serve us. "My record is six hours," she said. "I feel that I would be capable of doing over 12 hours. In different positions, of course." Twelve hours? In one sex session? That's why we call Kora a maneater!

The tits are F-cup naturals. They're a product of Zabrze, a town in southern Poland, not far from the Czech and Slovakian borders, and they bounce wildly when Kora is playing her favorite sport, volleyball. Kora is into fetishes. She likes musclemen. And her favorite TV shows? We can't pronounce them: *Kuba Wojewodzki Show* and *M jak milose*. That last one probably means, "Me jack you off."

We're sure you've noticed that Kora's body is just about perfect: great tits, round, firm ass, beautiful legs. And you're getting a rare view of her assets because she doesn't dress to show them off. "I don't want people to see that my breasts are large, so most of the time, I wear dark colors that hide my chest or some loose clothes," she said. "Sometimes I don't care and wear what I want, but it doesn't happen often." It's happening here. And we're the lucky ones.

The Uncensored Guide to Lap Dancing

How to get the perfect lap dance every time

BY DAVE ROSENBAUM & ELLIOT JAMES

We've all had them: lousy fucking lap dances. Lap dances that turn your cock into soft tissue. The chick grinds too hard (ouch!) or not at all (blue balls!). She pushes

your hand away when you try to touch her tits or grab her ass. She's completely disinterested in you. She's just working, and you're just another sucker. You're halfway through the first dance, and you can't wait for the song to end so you can get her off your lap.

Of course, we've all had great lap dances, too. Dances you didn't want to end. Dancers who were so good, you tried as hard as possible to keep from popping in your pants so the dance could last longer. Lap dances that were better than sex.

Nobody wants a bad lap dance. We all want to have a good time and get off. But how can we be certain that the next time we tuck our hard-earned cash into a dancer's garter, heaven awaits?

Fortunately, there are ways to assure the perfect lap dance. We know. The two writers of this story have been getting lap dances for a combined 60 years, and now we're ready to share our knowledge. It's "The Uncensored Guide to Lap Dancing." No bullshit.

We've divided this special report into three sections: "Do Your Homework" "Rules of the Room" and "Lap Dance Etiquette."

Ignore one or more of these sections at your own peril. Read 'em all, digest 'em and you're on your way to lap dance nirvana.

DO YOUR HOMEWORK!

Or, don't lap the first dancer you see

Your quest for the perfect lap dance begins before you walk into the club. That's because your quest for the perfect lap dance begins or ends with what club you pick for your evening's entertainment.

Looking for a great lap dance? Do not go to clubs with lots of customers and fast-paced action. You want to go to a club where the girls have few choices in men and want to make money. These are the girls who will work for your cash. So, that new club down the street, the one with the fancy, neon signs, doormen and valet parkers out front? Stay away. The neighborhood club down the street? That's where you want to be. New in town or not sure? You might want to invest in a subscription to The Ultimate Strip Club List (tuscl.com). Yeah, it'll cost you \$6.99 a month, but that's only about a third of the cost of a lap dance...a potentially bad lap dance.

If possible, avoid walking into a club during the busiest hours of the day, like Friday and Saturday nights and after work gets out at five p.m. Walk into a strip bar three o'clock on a weekday afternoon and you'll have dancers circling you like sharks.

But don't let them take a bite out of you. Not yet! Because by the time your dancer of choice plops

down into your lap and starts grinding her hips, it's too late. Your lap dance fate has been sealed...even if you don't know it yet.

Why? Well, face it. The only thing you know about her is what she looks like, and that's not enough. You have no idea whether she's a good lap dancer or a total dud. You have no idea whether you're going to get bang for your buck or just a limp dick. You haven't done your homework, and in lap dancing, as in any other worthwhile endeavor in life, you have to do your homework. Fortunately, this is one of the rare areas of life in which doing homework is fun.

So, you walk into the club, and you've barely reached the bar when a drop-dead gorgeous chick with huge tits, wearing just a tiny bra-and-G-string getup, walks up to you and asks you if you'd like a dance. Or she asks you if you'd like some company. Or you're already sitting and she points to the empty stool next to you and says, "Mind if I sit here?"

Now, listen, both you and I know that it would be rude for you to say, "Yes. I do mind if you sit there." The fact is, she can sit wherever the hell she wants. But what she means is, "Mind if I sit here so you can buy me a ridiculously overpriced drink"—drinks for the dancers almost always cost a lot more than drinks for the patrons—"and talk you into a lap dance?" That's what she really means.

Because remember the first rule of lap dancers: They don't give a shit about your problems or your personal life. They have no interest in sitting there and talking to you unless they think you're a good investment.

This is followed by rule No. 2, which reads, "Dancers are very good at acting like they do give a shit about your problems and your personal life." It's what strippers are best at. It's what they do for a living.

I'm not trying to burst your bubble or anything like that. I'm just trying to give you the facts. I'm trying to save you heartache, heartbreak and money.

So, the correct answer to "Mind if I sit here?" is, "I just got here so I'm just going to hang out and check it out for a while." She'll interpret that as, "Yes, I do mind if you sit here," but she'll appreciate that you said it in a polite way. She'll also say something like, "Okay. I'll come back and check on you later."

Now, some of you might be thinking,

Continued on page 70

RULES OF THE ROOM

Or, how to avoid getting bounced

I've had my hand pushed away by a lap dancer. But never twice by the same lap dancer. At least not on the same part of her body.

I've locked my mouth around a lap dancer's tit and heard, "Lick. Don't suck." And she only had to tell me once.

I've had hundreds of lap dances, some good, some bad, some memorable, and by now, I think I know the Rules of the Room.

You're not going to see the Rules of the Lap Dance Room posted anywhere. You just have to know them.

1. No means no. Listen to what she says! You do not want to piss off your lap dancer. She's your friend. You want her to make you happy. You want her to want to make you happy. So when she tells you not to bite or suck her nipple, don't bite it. If you're kneading her tits like a pile of dough and she says, "Soft, not hard," then soft, not hard, it is.

2. Do not try to finger her pussy unless she invites you to do it. Don't worry. She'll let you know if it's okay. You'll be playing with her hips. Maybe your hand will wander over her G-string. And she'll direct your hand to her pussy. If she does, rub it. If she moans, finger it. The same rule applies to her ass, although I've been with only a handful of dancers who let me finger their assholes. Which brings me to the next rule...

3. If she's letting you finger her, don't go from her pussy to her ass and back again. That's an hygienic no-no.

Continued on page 75

LAP DANCE ETIQUETTE

Or, that dance doesn't stink. You do!

You're not going on a date when you enter a strip club and go looking for a lap dance, but you're still going to be associating with women. Just because you have what they want (money) doesn't mean you can be a disgusting pig. So, before you leave for the club:

1. Take a shower or make sure you smell good. You want these girls getting as close to you as possible, and they're not going to want to if you smell like a garbage dump.

2. Think twice before putting on cologne. What if she doesn't like what you're wearing. What if it reminds her of her ex-deadbeat boyfriend (as opposed to her current deadbeat boyfriend)? Remember, you're not trying to build a long-lasting relationship with her. You're trying to get her to grind your cock in a way that'll get you off.

3. Don't wear rough pants. If you wear denim jeans, make sure they're soft

Jade's wearing an outfit that requires a special engineering permit to wear. This is a woman who loves to admire her photos and DVDs over and over again. When Jade looks at herself in the mirror, she smiles and touches her boobs. "My sex drive has gone way up since I've gotten bustier," Jade told us. "I was always very horny. Now I want sex every day. If I can't find a man to come home with me and have sex, then I will lube up a big, rubber cock and masturbate until I cum real hard a few times."

"I went to the Portland Roadster show with a friend," Jade said from her home in Portland, Oregon. "It was fun to go and take pictures. I was the only model there. Other cities have lots of car model girls, a lot of them Asian, but not Portland. There was a lot of oohing and aahing when I walked around, and all the guys were trying to take my picture with the cars. I love being photographed, so I was happy to do it. I told them to look for me in *SCORE* and *Scoreland* because I love *SCORE*. I only pose for you guys. I love to look at the other models, too. I would have loved to have been in a group like the *Mega-Boob Olympics*. I've met Minka several times. She is very nice and sexy."

"I went on vacation to Los Angeles a few months ago and shopped one morning in Beverly Hills," Jade said. "I bought a tight V-neck sweater with stripes and some new bras. I also bought some Hooters T-shirts. One T-shirt had 'I Love My Hooters' printed on it. So much of my life was about my big boobs but even more now. My breasts give me a lot of pleasure and I hope they give everyone pleasure too." Turn to page 24 to see a photo of Jade at home holding up her pictorial in the December '07 issue of *SCORE*. As you'll see, the girl practices what she preaches. "Being a *SCORE* Girl is what I love," she said. "It makes me proud."

BASEBALL PLAYERS PLAY BASEBALL. DOCTORS PRACTICE MEDICINE. CANDY MANSON SERVICES COCKS.

"The Kind You Fuck" read the headline of Candy's pictorial in the July '08 issue. We meant, of course, that there are two types of girls, the kind you fuck and the kind you marry. So here's Candy playing the part of a slutty street hooker. It doesn't seem like such a reach. This guy planned to catch a bus, but he was a sucker for Candy's fuck-me face, big tits and reasonable rates. Who wouldn't be?

WHEN A GIRL'S BEST ASSET IS HER BIG RACK, SHE NEEDS TO SHOW THE GUYS WHAT THEY'RE GETTING.

There's a lot to admire in these photos of *SCORE* newcomer Stacy Adams. We love the outfit. She looks like a street hooker. We like how she uses the dude's car as a boob shelf. We like how she sucks the guy's cock through his shorts. That's a *real* hooker move! And we love the photo on page 22. We're not gonna give it away. "I'm always aware of my tits when I'm fucking," Stacy said. We can tell.

The Gunns Show

THE DIARY OF A FEATURE DANCER

BY CRYSTAL GUNNS

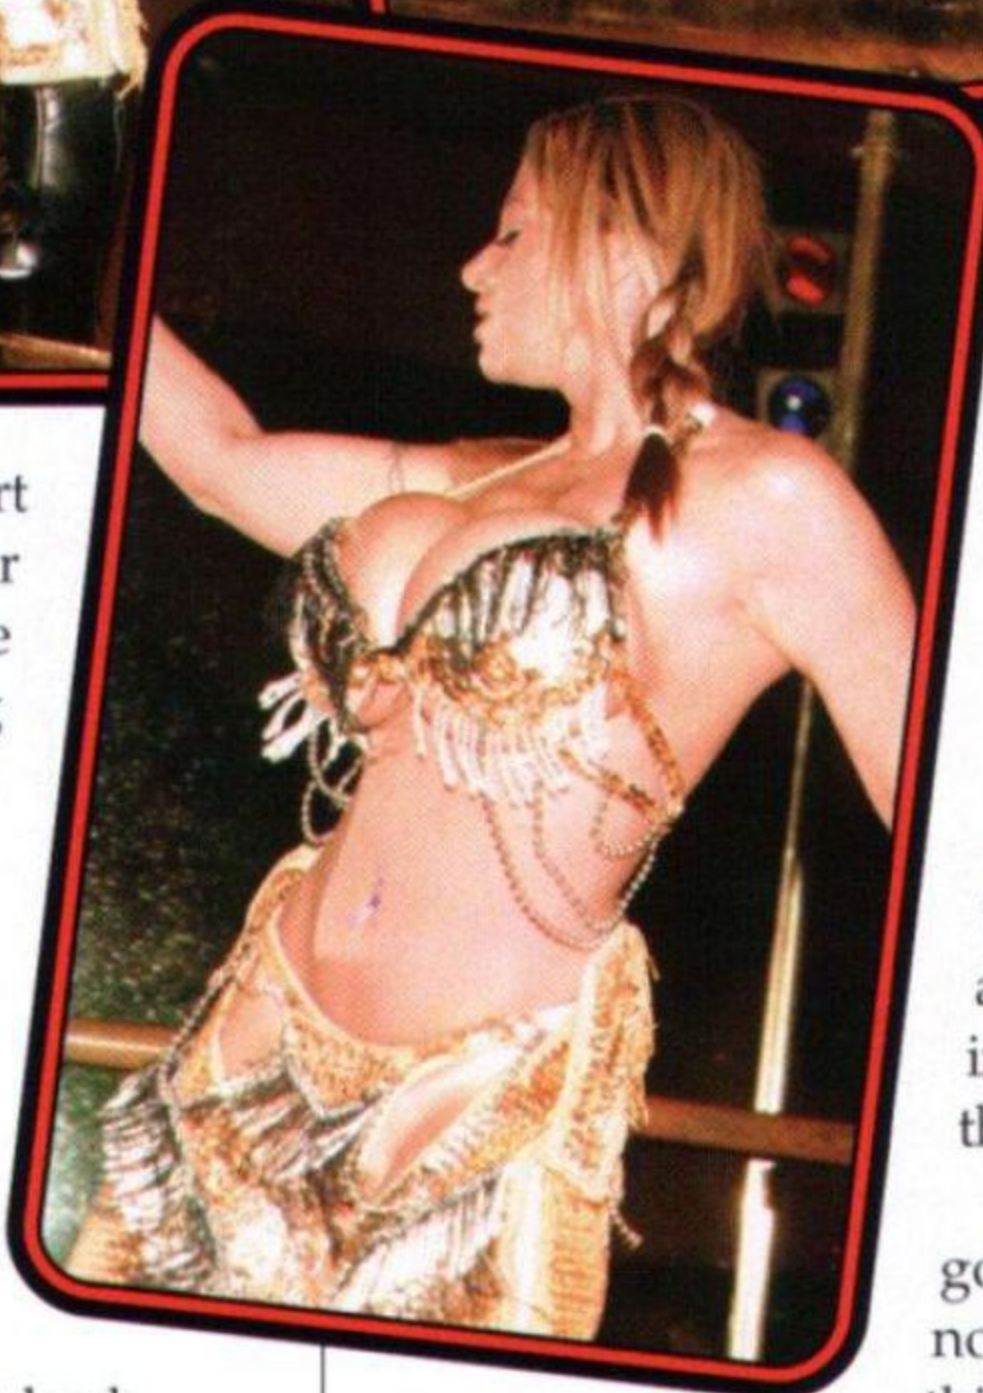

Okay, guys, I'd like to start by dispelling a big rumor that's been going around. I've heard that people are saying I'm retired and that I took out my implants.

Some of what is being said is not true. Yes, it is true that I will not be going on the road anymore to feature. Sorry, guys, but being on the road for eight years has taken a toll on me. I have been having a lot of back problems and my ankles are starting to give. Plus, there's all that travel, which can get a little wear-

My cow-girl show always goes over big in the Midwest. This is one of my favorite costumes of all.

some, too. I mean, traveling to different towns all the time, sleeping in hotels, eating in bad restaurants... sometimes it's nice to be at home, and I'm looking forward to that a lot.

But on a good note, I'm not doing anything to my big boobs and will still be shooting pictorials for *SCORE* and doing more videos. I'll also be working on my website, CrystalGunns.com, and keeping you updated with new pics every two weeks. Not being on the road will give me more time to shoot and keep my website going. I'll also be taking special requests.

So please don't believe everything you hear unless you hear it from me. The day I retire completely from modeling and doing my website, you will be the first to know. If you have any

questions or want specific pictures done for my pay site, you can email me at CrystalGunns@aol.com.

Okay, enough of the rumors. Now on to the good stuff. This month, I decided to do something different since it might be the last time I ever write about me featuring in a club. I went to a club called Bazookas Showgirls in Kansas City, Missouri. Every month, I usually take pictures of me with other girls at the clubs, but this time, I had someone take pictures of me on stage. I did it for all my fans who can't make it to my shows (and now might never get to see me on stage).

I do a lot of different acts on stage. One of the sets I did was my cowboy show. It seems to go over very well in the Midwest. Other pictures you'll see are of my cape show.

I try to get a lot of audience involvement to make sure the guys are paying attention instead of playing pool or sitting around talking and drinking beer. Hey, guys, it's a nudie club! You're supposed to pay attention to the girls! Fortunately, this club was great and loud. At some clubs, it seems like you're in a library, but here was a bunch of horny men who didn't care about anything but tits and ass. I love it!

Bazookas has a very

interactive crowd. The guys like when the dancers play games. I decided to play boobie ball during every show. That's when I put a cup between my big tits, and you have to toss a dollar into the cup. The guys like to cheat by slam-dunking the dollar bill, but that's a no-no. You have to throw it. When you win, you get a free, signed, eight-by-10 picture of me!

Bazookas is also big on auctions, like when the dancers auction off their outfits or maybe a magazine or video. I put together a package that included a magazine, a video, and the bra and G-string I was

wearing for that show. The DJ started the bidding at \$20 and worked his way up. It's so funny because everyone starts yelling out numbers. The highest bidder that week was a guy named Steve. He won the auction when the bidding ended at \$280. Not bad!

I had a lot of fun at Bazookas. I have to say this is the most beautiful

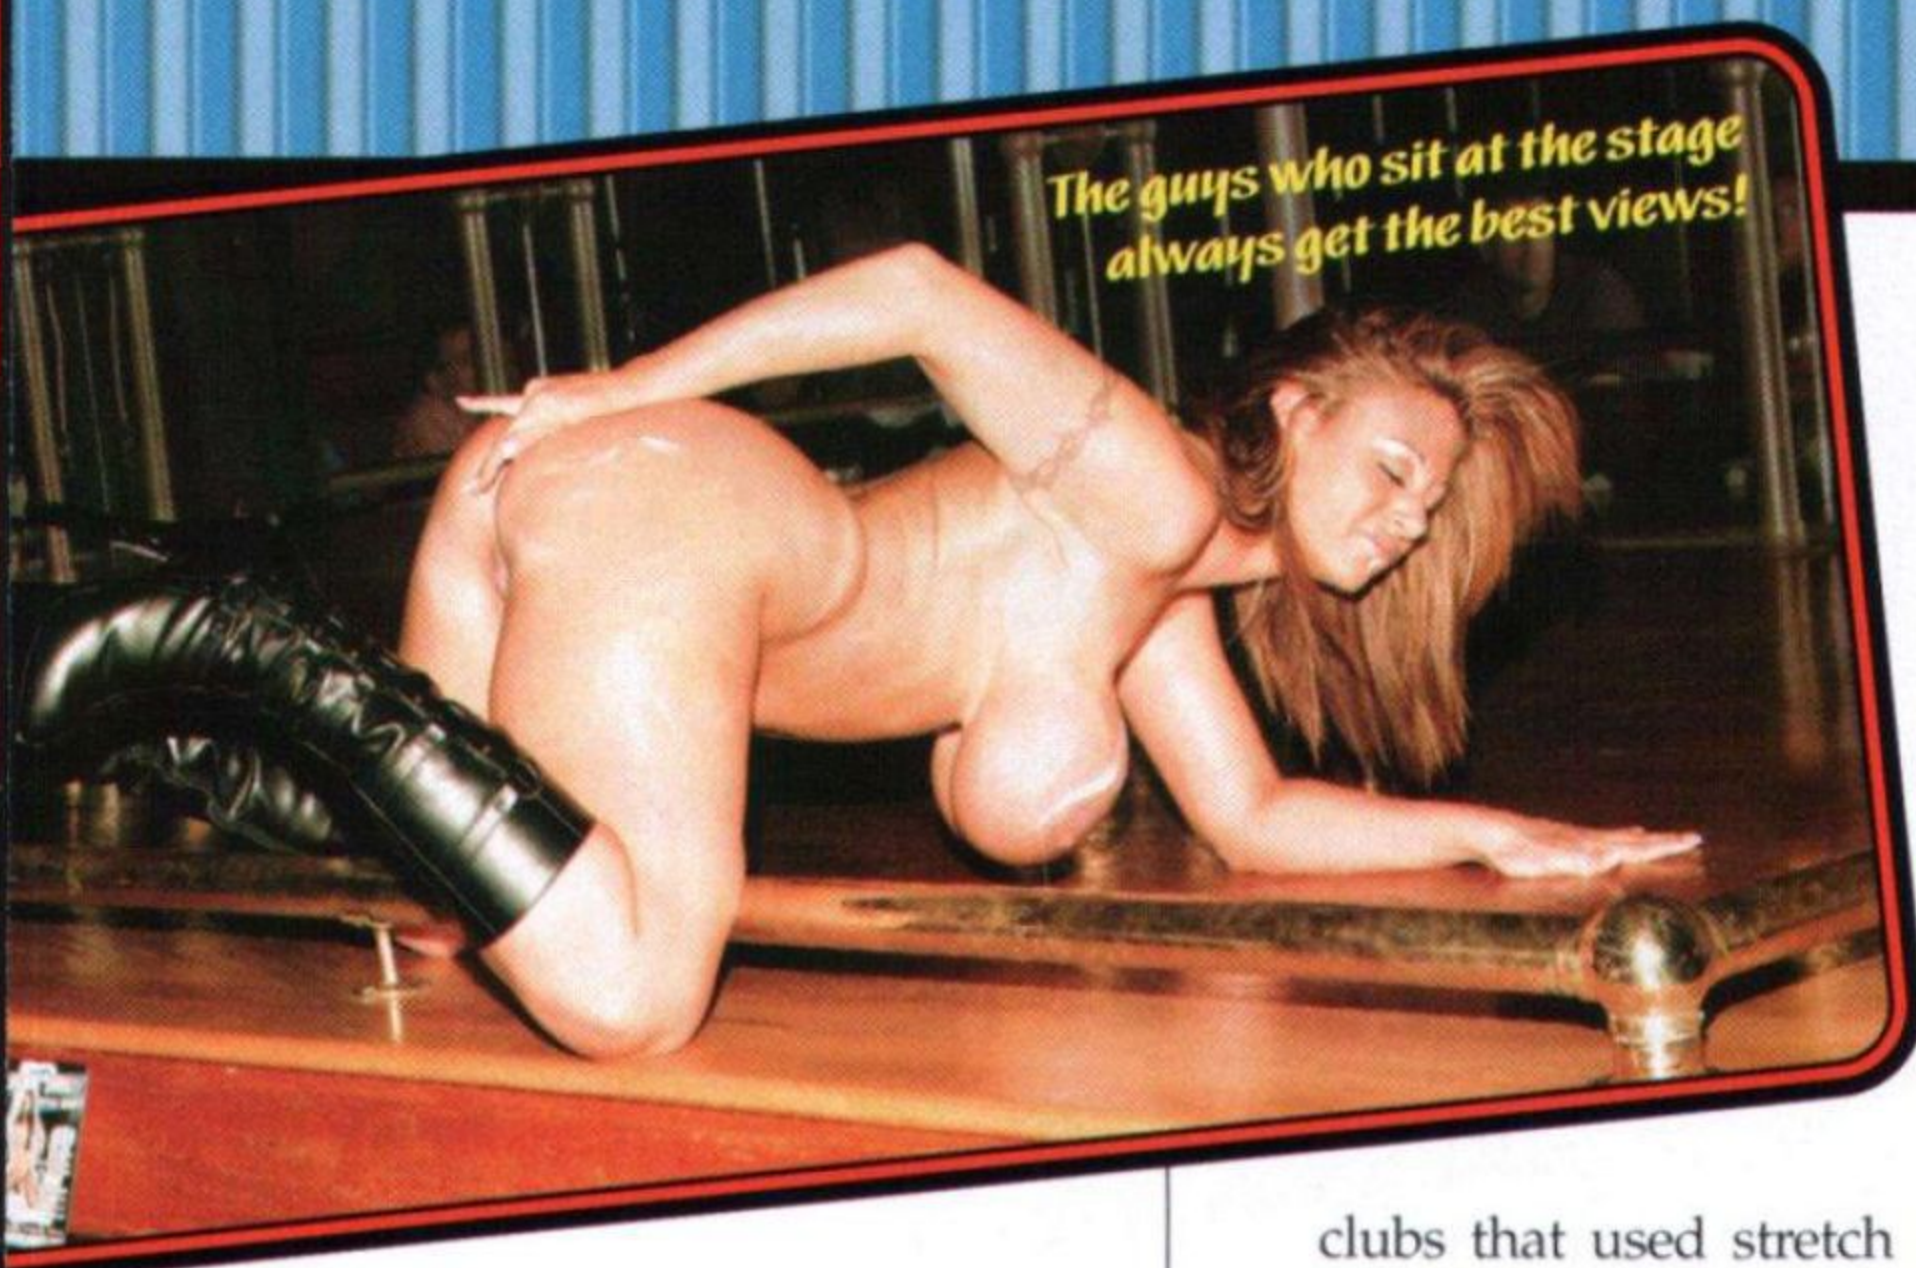

club I've ever been to. There's also a book and video store upstairs. When the features are finished performing, we're escorted to the book store to do our signings. I would like to thank my true fans who came to see me during the snow storm. Thanks for risking your life by going out on the road for me!

There was one bad thing about this place. It was a juice bar, meaning no alcohol was served. So after my shows, I would go next

Bazookas is a fun club because I can get completely naked and do almost anything I want. The guys loved playing boobie ball with me (left), but they kept trying to slam-dunk!

door to the bar and have a few drinks. I usually had an hour between shows, depending on how many fans were waiting for me.

The best (and funniest) part of my four days at Bazookas was my bitch boy. For all of you who don't know what a bitch boy is, he's the guy who cleans up after the features and gets them anything they want. Usually when I

clubs that used stretch Hummers. Well, this guy drove me around in this beat-up car. I couldn't get out on the passenger side, so I had to jump over to the driver's side. That wasn't even the worst of it. The passenger side didn't have a seat. I sat on a crate, and the car was full of garbage. If that's what you call star treatment, boy, are you wrong! But I found it to be hilarious.

Fortunately, he was a nice guy and kept apologizing to me. I brushed it off like it didn't matter because I didn't want to seem like a bitch. I asked him if I could take pictures of his car, but he wouldn't let me.

Besides that, I had a great time and a great experience. The girls were hot and the club was beautiful. By the way, the food in Kansas City rocks.

Then I was off to Jacksonville, Florida to do a charity event to raise money for kids. It was with Hulk Hogan, The Big Show and Tess. You know, the wrestlers, and it went great. The people in charge of the

event flew me from Kansas to Jacksonville and picked me up in a stretch Hummer, and it was a big event. They held it outside. Since there were kids around, I had to keep my clothes on, so I just wore a T-shirt, shook my boobs and gave out signed eight-by-10s. The people there were like, "Oh, my God!" because of my tits.

It was a lot of fun working with Hulk Hogan. He was the nicest guy. I'd seen him on airplanes when I was a kid, but I'd never met

If there's one thing I've learned in all my years of dancing, it's that guys love wet chicks!

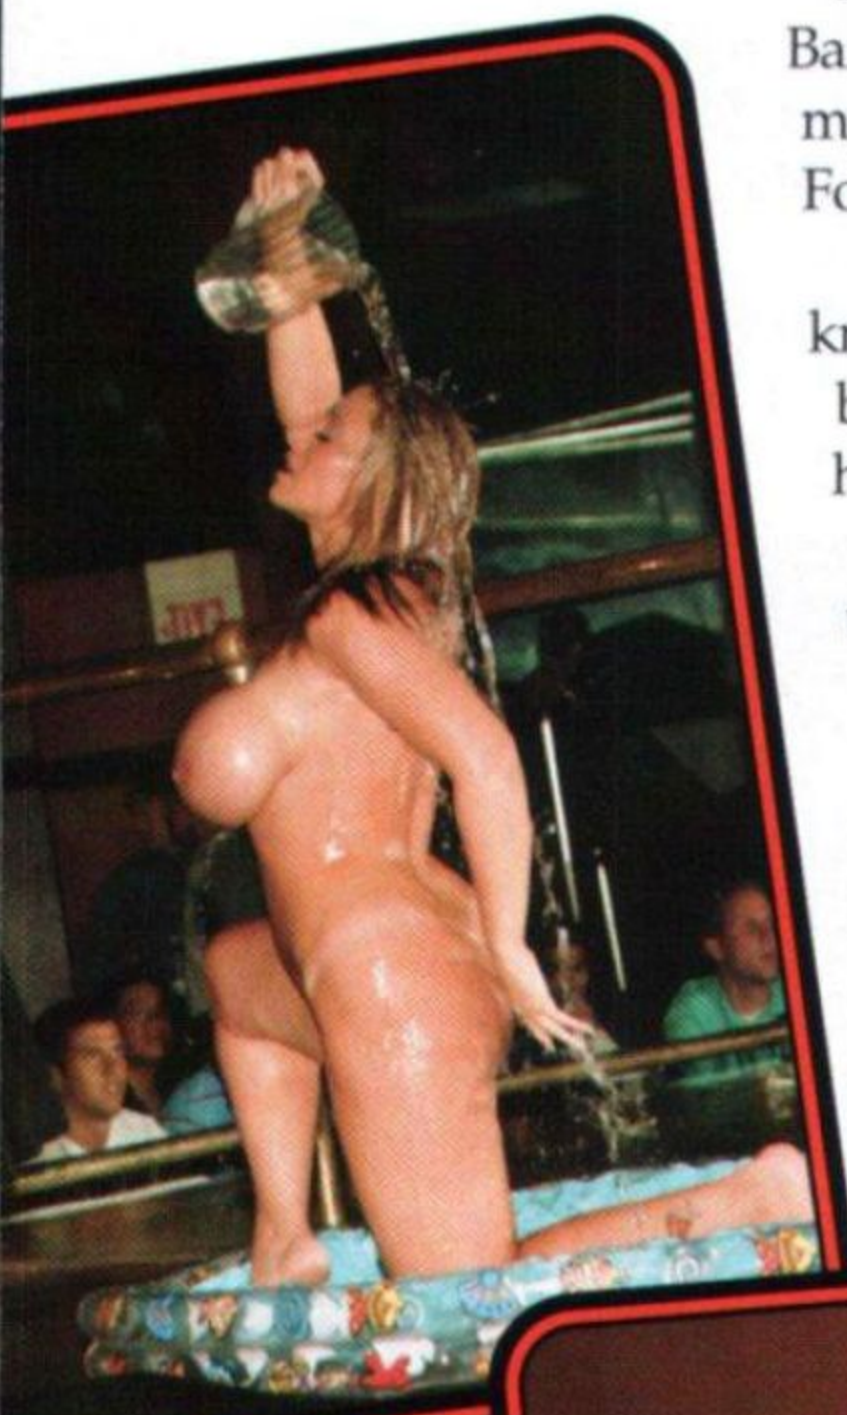

him, and he was huge. So is The Big Show, who must be seven-foot-something. Overall, it was a good event.

The next day, I flew home. So that's how I ended a perfect week.

By the way, guys, this isn't my final column. I still have something special planned for you.

Like I said, I can do anything I want at Bazookas, like having the guys come up on stage.

**THE PICTURES WE
NEVER THOUGHT
WE'D SEE ARE
FINALLY HERE!**

Lorna's tits...yeah, they're bigger. A lot bigger. Naturally. Her areolae? Darker. Her nipples? Longer and sharper. And that glow on her face...in our opinion, she has never looked more beautiful. But why? What's the difference between the Lorna we're looking at now and the woman we last saw in the May '08 issue? Gentlemen, hold your breath and turn the page.

*Oh,
mama!*

Lorna is 23 weeks pregnant in these photos...photos we thought we'd never see. The last time she was pregnant, Lorna didn't pose when she was showing. "When I was pregnant with my son, I was so worried about what my fans would make of it," she said. "Up until then, I was just a model, and fantasies about a single girl are not difficult to have. I imagined that becoming a mother might put off a lot of my new fans and maybe some of my loyal fans. I wasn't certain how I felt about it, and I wasn't convinced that modeling nude when so obviously pregnant would be taken well by my family. It's a very private thing to do. I guess the second time around, I wasn't so worried, and I had already been given the title of Mummy for two years, so I felt more confident about it. Once I found out I was expecting twins at my 12-week scan, I thought I better get a move on because I was going to get big fast." She did get big, in all the right places. How big? You'll have to read on.

Those are some record-setting naturals that Lorna is toting around. "I am currently wearing a 32K bra," she said. "I think my boobs got a little bigger after my first pregnancy, and even though they did go back down, they never went back to the same size. I went from a 30GG to a 32H cup. Apart from that, they were fine. I was lucky. I didn't get any stretch marks." Lorna's body is remarkable. She's carrying twins, her breasts are huge, but there isn't a stretch mark on her body. "I love to model for you guys, so I really hope you enjoy looking at me in these pictures," she said. "This is a unique and special time in my life, and I just wanted to share it with you all, so please don't hesitate in letting me know what you think."

**NIKKI JAYE IS MORE THAN JUST A BIG PAIR,
AND SHE'S WEARING THIS DRESS TO PROVE IT.**

We've seen Massachusetts college chick Nikki Jaye in a short, sexy skirt and tight, low-cut top. We've seen her in jeans and a revealing denim vest. Now, for her third appearance in *SCORE*, Nikki is showing us her glamorous side...the side we might see if we took her to a fancy restaurant. "I don't get to dress up too often," she said. "I'm always either dancing or going to school, so this was a lot of fun."

"I love this dress," Nikki said. "Most people just think of me as the girl with the big breasts, but in this dress, I get to show off my other assets, like my waist and my legs. This is the kind of dress I'd wear if you were taking me to dinner at a nice restaurant and I planned on jumping your bones later." Nikki definitely has a playful side. She has already told us about the time one of her teachers walked into the club where she was dancing and the time she gave a lap dance to the dean of her university. Well, recently, she gave a lap dance to one of her classmates. "It was early in the school year, so I don't think he realized I was in the same class as him until he saw me the next day," she said. "He really blushed!"

Earlier in this issue, we presented "The Uncensored Guide to Lap Dancing." Well, Nikki has some tips for you guys who enjoy partaking in the fine art. "Never wear rough pants," she said. "They hurt the girl. Always take your keys out of your front pocket. And if you're running out of money, let your dancer know. Most girls will be nice and make sure you get what you need for that last dance." Nikki is very nice. "Always."

LAP DANCING

Continued from page 36

"Asshole, what did you do? You sent away a gorgeous chick with big tits!"

Relax! Sit down at the bar. You can hook up with the gorgeous chick with big tits later, after you've done your homework. For now, make sure you have a good view of the stage or stages. Order a drink. Take a good look around. Figure out where the good lap dance action is taking place. Find out the base price for a lap dance in the club (go ahead, ask the bartender. The going price is usually \$20 a song in the U.S., £10 or £20 in the UK, although it's lower in dives, higher in fancy schmancy clubs. Some clubs run hourly specials, like three for 50 or two for 25). You'll be approached by more dancers who'll ask either, "Would you like some company?" or "Would you like a dance?" to which your question is still, "Not right now, thanks." If you have no interest in her at all, say so, but politely. A dancer I knew once said, "I have more respect for a man who has the guts to say 'No thanks' or 'You're not my type' instead of the 'Come back later' bullshit."

Of course, you're not going to be at the bar for long. You're going to take a seat as close to the stage as possible. If there are seats encircling the stage—and there almost always are—then grab one.

Okay, I know what you're thinking. *Sit at the stage? I'm gonna be hit up for cash every other minute.*

Yeah, you are. But sitting at the stage is a good investment in your immediate lap dance future.

The stage is where it all happens. The stage is where you get to find out how down and dirty a girl really is. Is this chick spreading her legs and showing her pussy during stage shows while the other girls are just taking their panties off and showing bush? If she is, you not only know she's more daring and dirtier than the other girls. You know she's willing to do more to earn her money. And that's an important thing to know when you're scouting out a lap dancer to spend some time with.

Almost infallible rule: The more explicit a dancer gets onstage, the better she is as a lap dancer. Chicks who are afraid to get down on the stage and spread their pussies and asses (when the club allows it) are not going to go the extra mile in the lap dance room.

They're not going to take it as a point of personal pride to make you cum in your pants by grinding against your cock.

So, to summarize: In a bottomless club, the girls who are showing pussy and spreading their asses will most likely give the best lap dances. In a topless-only club, the girls who are constantly pushing the rules by either pulling aside their G-strings for a sneak peek or pulling their G-strings up their pussies are going to give the best lap dances. In a club where pasties are required, the girls who are most creative with pasty use, the girls who use clear-plastic pasties or are constantly breaking the pasties rule, are the ones not to get the dances from. Shy on stage, shy in the lap dance room. Bet on it.

The stage is also the place where promises are made, where some girls go for the hard sell. For example, the busty dancer is on her knees and leans over to accept your contribution between her tits. She then takes the opportunity to lean in further and whisper into your ear, "Let's do a dance later. I wanna make you cum in your pants." It is very unlikely that this girl won't follow through on her promise. She wants repeat business, not a one-timer.

Of course, sitting at the stage also gives you the opportunity to evaluate other important aspects of the dancer:

Does she look as good up close as she did at a distance?

How's her breath?

How does she smell?

Is she wearing perfume? This is an important consideration for everyone because nobody wants to smell bad perfume during a lap dance and for married/attached men because you don't want to go home smelling like another woman (unless, of course, your significant other approves of your lap dance excursions). Another consideration: Is she wearing sparkles? Men, some strippers think they're pretty, but those things will rub off on you during your lap dance, and they won't come off easily. How are you going to explain sparkles in your hair to your wife/girlfriend/significant other?

Whatever it is about this dancer, find out now or risk sitting through the longest lap dance of your life. There used to be a lap dance palace in New York City called The Harmony. The place existed in many incarnations, and in one of them, there were no stage shows, just lap dances, so the whole experience was hit or miss. Well, one time, a girl who I recognized as a SCORE/Voluptuous model (no, I'm not going to name her) was there. Pretty. Exotic. Big, floppy tits. And terrible body odor. The entire lap dance was ruined by her smell, and I couldn't wait for her to get off of me. The thing is, from a distance, I wanted nothing more than to suck on and play with her tits. But once she got on top of my cock, I couldn't wait for her to leave.

Now, my next suggestion might turn off some of you, but let's be realistic: You're not gonna be the first guy she gave a lap dance to and you're not gonna be the last. A strip club is not the place to find untouched virgins who you're going to bring home to mama.

I'm going to suggest that unless you're absolutely sure the girl you just saw onstage is going to give you a great lap dance—and I mean she did just about everything within the legal limit to give you a great show and practically dropped down into your lap—you're still not ready to take the plunge. Here's what I mean.

If the club has an open lap dance room (meaning the area where the dancers give lappers isn't separate from the rest of the club), take some time to see who's giving the best lap dances. Don't stare! Don't turn some poor schlub's private session into your personal peep show. That's just not right. It violates some unwritten man rule. But look around. See which dancers are really grinding, which dancers are really giving the customers their money's worth. Which dancers are always reaching behind their backs and grabbing the patrons' cocks. Figure out which dancers are always in demand.

If the club doesn't have an open lap dance area, there are still things you can do. Conclusions you can draw.

For example, let's say you see a guy and a dancer walk back to the lap dance room. One song later, they're walking back out. This could mean only one of three things:

1. The dance sucked and the guy couldn't wait to get out of there.

2. The dance was great and the guy came quickly.

3. The guy only had enough money for one dance.

If it's the third reason, you're fucked. You can't draw any conclusions from Reason No. 3.

Of the other two possibilities, chances are the dance sucked, and here's why: If he came in his pants, he wouldn't be walking out of the room so quickly. He'd still be back there adjusting himself. Getting himself ready. Tipping the dancer. Exchanging small talk. Then, somewhere near the end of the next song, they'd walk back out.

If the dance sucked, you can definitely tell. He walks out first, she walks out second, they're not talking to each other, he wants to get as far away from her as possible...but he doesn't leave the club. He stays because he still has money left to burn. Just not with her.

Of course, if the guy and his dancer are back there for a half hour, you know the dances are good. Another good sign: the guy leaves the lap dance room but the dancer doesn't. He heads straight for the ATM machine, takes out more cash and heads back into the room. This guy is spending more than he planned on spending because he's getting the dances of his life. This is the best sign.

So relax. Look around. See who's enjoying themselves. See which dancers are constantly in demand. They're not always going to be the prettiest ones (if the regulars seem to be going for the "8" girl and the "10" girl is sitting around smoking and drinking by herself, you can bet who gives the better lap dances).

Now, finally, you're ready to take the plunge. You're ready to dip into your wallet and spend some money (or visit the ATM machine).

You've done your homework.

You've had a few drinks.

You've resisted advances from the first dancers who approached you.

You've spent some time at the stage.

You've smelled, you've stared, you've listened.

You've scouted.

You have your sights set on the girl who's gonna grind your cock so good, you'll be cumming by the end of the second song.

Maybe.

Now turn back to page 36 and read "Rules Of The Room." Because doing your homework only gets you ready for the final exam.

RULES OF ROOM

Continued from page 36

4. Keep your cock in your pants unless she invites you to take your cock out of your pants, which she probably won't. Violating this rule could get you thrown out of the club if there's a bouncer nearby.

5. Don't try to kiss her on the lips. Kiss her ears (but don't stick your tongue in them), kiss her shoulders, kiss her neck, but don't try to kiss her on the lips, don't try to French her and don't slobber! Besides, for reasons I'm not going to go into here but should be obvious, you don't want to French her.

6. Remember, a good dancer not only wants to make you happy this time, she wants to keep you as a customer. She'll let you know what you can do, either by directing your hands or whispering in your ear. On the other hand...

7. A good, professional dancer never gives it all away during the first song. Chances are—and this only goes for a good dancer—the more you invest, the more comfortable she'll get with you and the more risqué she'll become. The more certain she'll be that you're not a cop. Strippers are like real-life girls in that way. The more time you spend with them, the nicer they are to you. Unless you're an asshole.

8. Don't be afraid to make special requests. No, I'm not telling you to say to her, "Blow me." What I'm saying is, if she's facing you and you want to see her ass, just say to her, "Let me see your ass." Say it politely, not gruffly. If she has her ass in your face and you want to see her tits, ask her to turn around. Don't say, "Turn around, bitch." Say, "Let me see those beautiful tits again."

Finally, make sure your cock is facing the right way (whatever's comfortable for you; for me, it's up and leaning left). Don't be afraid to say to her, "Can you give me a second to adjust myself?" She's been through this routine before. And be discreet when the bouncer or bartender are nearby or in the room. In other words, when the bouncer walks by isn't the time to shove a finger up her tight little ass.

Know the rules of the club. Know the girl's rules. If you really like a dancer, build a relationship with her. No, I'm not telling you to take her home to meet the parents. With familiarity comes better, hotter dances.

Continued from page 36

and pre-washed. Soft khakis are good. Sweatpants are fine, too, if the club allows it. Loose and soft is the way to go. If you have the balls, wear baggy shorts with no underwear. When you get to the club, take your keys and bulky items out of your front pockets.

4. If you haven't shaved for a few days, shave. If you scrape a dancer's boobs with your metrosexual stubble, her experience will be less than pleasant, and that will affect your experience. This rule does not apply if you have a full, soft beard.

Then, when you get to the club:

1. Don't get drunk off your ass. First, you want to exercise some money management. One time, a friend and I went to a ballgame in Montreal. He drank a beer an inning. Then we went to one of Montreal's notorious strip joints, at which he promptly fell in love with a dancer, convinced himself that she liked him and proceeded to empty his pockets. Of course, when he ran out of money, her love affair with him was over. A drunk guy in a strip club is what's known as a mark. Nobody wants to be a mark.

2. Don't be loud and obnoxious. Very few dancers like loud, obnoxious guys (they remind them of their boyfriends).

3. Tip the dancers on stage, even if you're not sitting at the stage. You'll score points with all the dancers, who'll be more eager to score with you.

4. Don't tip for a single lap dance. If you do, you will lock yourself in with that dancer. If you buy three or four dances from a girl, then you can throw in a tip after the final dance. Make her work for her money.

5. If you can swing it, tip the bouncer when you walk in. He'll appreciate it and leave you alone (unless you're violating the "Rules of the Room").

6. If you intend to shoot a load during the dance, go to the men's room while you're hard or semi-hard and put on a condom. Otherwise, you'll stain your shorts and pants and make a mess.

7. Dancers know they have hot bodies or they wouldn't have been hired by the club, but they still need verbal reinforcement. Compliment her on her hair and body while she's lapping you... without sounding like a porno perv.

**THERE ISN'T A SWEATER
CINDY CUPPS CAN'T
STRETCH. WE LOOKED!**

The sight of *SCORE* favorite Cindy Cupps in a tight top is mindboggling. Dick-stiffening. Her J-cup rack was spilling out of a halter top in the "Tits in Tight Tops" special in the July '07 issue. For this, her 15th full-length appearance in the world's greatest big-tit mag, Cindy is stretching a sweater to the max. Too tight for comfort? Yeah, we're feeling the tightness in our shorts. Oh, it's Cindy you want to know about?

Tight fit

"Most sweaters are going to be tight on me, even if they're extra large, because of my boobs," Cindy said. "I have a small waist, but my boobs stretch everything out. The funny thing is, I don't try to flaunt what I have. I walk around in regular clothes, and if guys stare at me, they stare at me. The only way for me to cover up my boobs is to wear a really big T-shirt or a huge sweater. I'm very conservative and I do buy bigger clothing anyway. I'm not out there to display my boobs. But if I want to display them, it really doesn't take much. Just an ordinary sweater will do." Ordinary sweaters look extraordinary on Cindy. Bras that average women buy off the rack in stores are no match for Cindy's rack. "I buy my bras online," Cindy told us in an interview in the November '07 issue. "I just find a website that has the size I want. It's potluck. I see if I can find something that works and I go with it."

Fifteen full-length appearances in *SCORE* is a milestone that only a handful of models have achieved, a milestone that places Cindy among the elite. We can't imagine that she won't one day be elected to the *SCORE* Big-Boob Hall of Fame. To still be cover-worthy in her eighth year of modeling places Cindy in the class of Minka and Linsey Dawn McKenzie. "It's nice to be appreciated," Cindy said. "I'm happy that the readers still want me."

LAP ETIQUETTE

Continued from page 76

8. Between dances with the same girl, take a break for a chat (the length of one song) and offer to give her a foot massage. Dancers love foot massages (they're standing on high heels for eight hours at a time), and when she starts her next dance, she'll probably be more generous with her body.

9. Be nice to her. Use your hands to make love to her body. Just because she's a stripper doesn't mean she doesn't like to feel good. When she's sitting on your lap with her back to you, breathe lightly on the nape of her neck or into her ear. These are powerful erogenous zones for a woman, and even the toughest dancer will find herself getting turned on.

10. Keep the grinding rhythmic and strong when she is sitting on your lap. Match her motion, as if you're dancing with her.

There are a few more touchy subjects we should deal with, too.

V.I.P. Rooms: Once she's sitting on your lap, there's a good chance she'll try to lure you into the V.I.P. room. V.I.P. rooms tend to be very pricey, and what you'll receive in the room varies from club to club and state to state (in some cases, you'll get nothing more than a more-private experience and a bottle of overpriced champagne; in other cases, and for considerably more money, you'll get a hand job, maybe a blow job, maybe full service). If you don't want to go into the V.I.P. room, just say to her, nicely, "No thanks. I'm fine out here." If she keeps pushing you, she's a money-hungry whore and it might be time for you to cum and run. Or just run.

The Lap Dance Room Blow Job: Yes, there are clubs (I've been in them) where blow jobs or hand jobs, sometimes even full, sit-on-your-cock sex, are offered in the Lap Dance Room. I've been in clubs in which the girl pulled my cock out and went down to suck without even asking. Now, this might be tough to do in this situation, but it's important: Insist on a condom. Because your cock won't be the first cock she's sucked in the Lap Dance Room. And it won't be the last. Can you be positive that the last unsheathed cock she sucked was disease-free? No, you can't!

Got all that? Now go out and get your dance!

WHAT WE'D LIKE TO KNOW IS HOW HE KNOWS DAYLENE RIO

Dear SCORE,

Thank you big time for discovering Daylene Rio (Feb. '08). She looks so beautiful. It has been a long time waiting for Daylene's professional skills to become internationally exposed. She is the sexiest, nicest and coolest girl I've ever known. I am a long-time friend of hers, and it is great to see friends get this kind of exposure.

I hope to see more pictures of Daylene, but please keep her solo.—A.V., Pacoima, California

Dear A.V.: Sorry if this disappoints you, but Daylene fucks and sucks in the June '08 issue of SCORE and in the DVD *Busty & Wet*. The rest of us will enjoy it.

Hey, what's that dripping out of Daylene Rio's pink, juicy cunt? Is it man-sauce? Well, it could be, considering that she has a cock in her sweet pussy in the DVD *Busty & Wet*.

HE'LL EXPLODE IF WE BRING BACK VANESSA MONTAGNE

Dear SCORE,

It has been a long time since you've had photos or videos of *Une Bombe*. The Bomb. I'm speaking of Vanessa Montagne, the beautiful, French superstar. She is one of the sexiest and hottest dressed girls I have ever seen in any busty mag or website. Vanessa just oozes sex without having to do hardcore or even using dildos. Please get her back into SCORE. It doesn't matter if she is with a group of girls or alone, although I would rather see her by herself. I'm sure she would love the attention. It's been too long—T.K., via email

2007 SCORE AWARDS REDUX

Dear SCORE,

Congrats to all the winners of the SCORE Awards (June '08). They're all good choices, even though Danni Ashe is the only one who was my first pick. Crystal Gunns and Christy Marks both deserve top honors, though.

I like Crystal's layouts a lot better since she toned down the prom queen smile that she sported in her early shots. Christy Marks' full, plush body, though more suited for *Voluptuous* than SCORE, really makes a boob man's day.

My choice for Newcomer of the Year was Delotta Brown, and seeing her pictorial as runner-up was my favorite part of the issue. I salute all the winners with a tight fist!—G.H., San Fernando, California

WILL RICKI RAXXX MAKE A COMEBACK? ONLY TIME WILL TELL

Dear SCORE,

Whatever happened to Ricki Raxxx? The last time you had her in the magazine or *Scoreland* was in 2005. Has she retired or just hasn't been in the studio?—M.F., Hamden, Connecticut

Dear M.F.: We're working on it as this issue is being sent to press and hope to have her back in our studio very soon.

ANOTHER SATURDAY NIGHT WITH SHYLA STYLEZ & DANIELLE DEREK

Dear SCORE,

One of my cardinal rules in buying adult magazines is to not buy any magazine that is wrapped up. I want to see what I'm getting since I've been burned in the past. Saturday night, I threw that rule out the door once I saw Shyla Stylez on the cover of the April '08 SCORE.

Shyla's pictures were a superb collection of a ravishingly sexed-up woman

who carries her two best assets boldly on her chest. Not one of the pictures in the pictorial could appear in *Time* or *Sports Illustrated*. They are all lewd and show Shyla in debauchery roles. I think that is exactly what she wants to do. I know that is what I want to see.

Your commentary is sparse and does not detract from Shyla's pictures. From what I can gather, Shyla has an unlimited future in porn. While her body is the No. 1 reason, another reason is her charming attitude that the best place for a cock is inside any one of her holes. No hangups from this gift from Canada.

What sets her apart is that the balance of her body is so perfect. It's almost a shame to be wanking away at her legs or tummy or face. Her ass is flawless and so is her cunt and her entire crotch region. Shyla has shaved her pussy and, coupled with her glorious total tan, makes for the ultimate sexpot. About the only downer in this display is, why wasn't Shyla the April centerfold?

There is more to add about the April '08 issue. Like Danielle Derek. If it wasn't for Shyla, Danielle would have stolen the show. There is not a damn thing wrong with this lovely blonde's body, either. While Shyla was photographed in 100% light, I like the way Danielle was displayed in front of a black background. What a clever way to make her hair and body stand out.

Danielle also has a progressive view of sex. She wants cum to progress out of my cock as fast as possible!

This was an A-plus production except for two points:

1. Why wasn't Danielle the centerfold, either? Putting Danielle on the cover was super, especially with her top pulled up. But next time, give that honor to Shyla.

2. What dipshit had her wear those dorky knee-high stockings. Normal-length black stockings that extended up her thighs would have added even more sensuality, as they do for every woman.

One other woman to mention this month: Kym from England. I didn't like how she hid her pussy with her hands, but I adore her black high heels with the white stripe on top. Those shoes would have looked cool on Shyla or Derek. Sometime, do a layout of Shyla wearing black stockings and heels or boots.

Finally, I agree that you have to run more layouts of Lacey Legends. She is one amazing chick who I have enjoyed for many years. No way she's 60!—S.B., Chicago, Illinois

DEBUT

FROM HER FRONT BUMPERS TO HER REAR END, MADDIE THOMAS IS THE PREMIUM PACKAGE.

"I'm looking for a man who will spoil me rotten," said newcomer Maddie Thomas, a Brit chick who should expect the line of potential suitors to wind around the block and then back again. We posed Maddie in front of a shiny, fancy sports car because she reminds us of the chicks in those car calendars, but don't worry. Maddie isn't looking for a guy who will buy her an expensive car. She likes the simple things in life, like cooking and riding horses. "Champagne, oysters and sex by the sea," she said. "That's what I dream about."

SCORE 91

After you've finished admiring Maddie's complete package of tits, ass, legs and pussy, make sure you drop us a letter or email to let Maddie know how much you liked her. "I love the idea of men looking at my sexy photographs," Maddie said. "I hope I make the readers very happy. I'm doing everything I can to please them." She is, as you're about to see.

Maddie's tits are firm and heavy. Her legs are muscular and will wrap tightly around your body. Her ass was meant to be banged and her pussy was meant to be sucked. "Men are always coming on to me," she said. "I take it as a compliment. When men stop hitting on me, that's when I'll get worried." That's not going to happen for a long time. "I hope not. There's still a lot of sex I want to have."
