Kayla Kupcakes (far left) showed off her perky nips in August's "Summer Fun" issue. A month earlier, newcomer **Karina** fingered her pussy and **Yurizan** created a boob pillow.

GIANT TITS, BURSTING BIKINIS AND SOME GREAT NEWCOMERS

Dear **SCORE**,

The August '08 issue is one of the best in several months. The bikini and sun, surf and huge boobs features made this issue great. Seeing large tits barely covered or covered in one-piece suits I have never seen on a beach sure caused a huge tent pole in my trunks. The strain was so bad that immediate relief was necessary.

After I recovered from looking at the big tits in bikinis, Bea Summer was a real sight to see. Again, **SCORE** has gone way beyond in locating a tall, big-titted wonder from Europe.

Kylee Nash and Christy Marks in "Flex Time" turned out to be a highlight of this issue. Amazing what these women could do and what a turn-on it was. Both being close to the same height and size made this fantastic. My explosion was huge.

The July '08 issue had a couple of Newcomer of the Year candidates. They are Yurizan and Karina Hart. But then along came Sheila Grant in the August '08 issue, and she blew the others out of the water. Sheila in a fishnet top facing the camera with her hands on her hips left little to the imagination. I had a hard

time holding my load until I saw her entire feature. Then I let go over the photo of her ass.

Not only did my temperature rise but I had one of my biggest boners of all time over the "Bikini Busters" feature. And Kayla Kupcakes shot from the rear—plus the photos of her erect nipples—was the icing I needed.—H.L., Cromwell, Connecticut

HOW COULD WE MISS DANNI ASHE'S ASS?

Dear **SCORE**,

The June '08 awards issue was a grand slam. Danni Ashe was rightly voted into the Hall of Fame. I'm glad you pointed out her ass as one of her best features. There is a scene in one of the Boob Cruise DVDs in which Danni is swimming naked underwater, and her ass just looks incredible, along with the rest of her body.

I was happy to see Crystal Gunns win Model of the Year. Almost every one of her pictorials looks different from the others. She knows how to pose. I'm surprised

Merilyn didn't win, though, with all the DVDs and pictorials of her. Speaking of Merilyn, her pictorial in the awards issue was ho-hum. I don't know if it's her hairstyle or if maybe we've seen a little too much of her over the past two years. It's the first spread of her that didn't do it for me.

Now, Delotta Brown: Take it from me, this girl will one day win Model of the Year. I saw her in one of her DVDs the other day and her body and breasts are incredible to watch when they're moving around. For some reason, she's one of those models who looks a lot better on video than in pictures.

Finally, bravo to Africa, one of my all-time favorite porn stars, for her very hot Xtra pictorial. I sure hope you filmed that and put it out on DVD.—B.P., Toronto, Ontario, Canada

Dear B.P.: Just to let other readers know what you're referring to, Danni swims naked in the DVD *Ben Dover Does The Boob Cruise*, available at eBoobStore.com or by phoning, toll-free in the

Sheila Grant made her **SCORE debut in the Aug. '08 issue and immediately netted a ton of new admirers.**

IT'S BEA SUMMER TIME, AND THE JACKING IS VERY EASY!

Dear SCORE,

Just a couple of thoughts I'd like to share with you and the readers about the August '08 issue with debuter Bea Summer and longtime favorite Chaz.

Ms. Summer is a nice-looking chick with high, sexy cheek bones. You asked if we recognized her face. Well, with me, not right away, although I did recognized her name. The first time you showed her was when she was one of the women who couldn't make it to the Bahamas for *Big-Boob Paradise* (Jan. '08). When I saw her then, I didn't think much of her. Well, you had a lot of debuters in the August '08 issue, and Bea was the best. Now, you know what some other readers are going to say about her, that she doesn't smile a lot. And she does look like one of those models who is serious about her work, so to speak, like Bea Flora and Marilyn Sakova (who is noticeably smiling more). But it doesn't matter to me because they can get away with it. Sometimes a model who is extremely sexy and erotic doesn't have to smile much, and it doesn't necessarily mean she's not enjoying what she's doing.

Face. Tits. Ass. There's absolutely nothing not to like about newcomer Bea Summer.

COMING SOON: Rachel Love, one of our all-time favorites, returned to the *SCORE* studio recently and drained our studs of their nut juice. Alexis Silver returned and took it up the ass a few times. And in the really big news, Morgan Leigh visited us and did something she's never done before...on camera, at least.

SCORE

A reprise of the Aug. '08 centerfold, in which Christy Marks & Kylee Nash did amazing things.

The second thing I'd like to comment on is Chaz. Notice that she keeps popping up in *SCORE* every now and then. She was even featured in the "15 Years of *SCORE*" edition (June '07), and I know she wasn't in it for nothing. So, do you think she's good enough to be a *SCORE* Big-Boob Hall of Fame inductee? Or is she too voluptuous for *SCORE*?—S.M., Baltimore, Maryland

Dear S.M.: That's a question only the readers can answer, so let's put it out to them. Should Chaz be a nominee for the *SCORE* Big-Boob Hall of Fame? Let us know, and if you vote yes, we'll make her a candidate for the Big-Boob Hall of Fame. To Chaz's advantage: huge, natural H-cup tits. To her disadvantage: only two full-length appearances in *SCORE* magazine.

TIANA WOLF: HEAVENLY BEAUTY

Dear *SCORE*,

I was simply astounded by the layout of newcomer Tiana Wolf in the August '08 issue. On a scale of one to 10, I rate her a perfect 20. Yes, 20.

It's hard to believe that this stunning woman is only 19 years of age. She has it all: a gorgeous face with those huge, mischievous, expressive eyes, flawless complexion, full, red kissable lips, slender, seductive, perfectly proportioned, statuesque supple body covered with beautiful rose-pink, flower-petal soft skin and the class, poise and confidence of a mature woman. In fact, she seems too perfect to be a woman. More like a magnificent heavenly goddess. I look forward to seeing more of her as soon as possible.—Michael, Chicago, Illinois

AND TO THINK, THEY POSED THAT WAY JUST FOR YOU!

Dear *SCORE*,

The centerfold of Kylee Nash and Christy Marks in the August '08 issue might be no, make that, *is*—the greatest centerfold I've ever seen in any men's magazine. Big tits, legs tucked behind their heads, pussies and assholes completely exposed...ready, aim, fire! I've shot six loads over that photo already, and I've only had the magazine for two days. Please thank both of them for me.—N.L., Wheeling, West Virginia

THE PREGGER DEBATE CONTINUES: DO THEY BELONG IN SCORE?

Dear *SCORE*,

I have been enjoying the pictorial of Stefani at six months pregnant in the July '08 issue. I also

Yes, despite what some impressed readers may believe, Tiana Wolf (Aug. '08) is a flesh-and-blood woman, complete with big, real tits.

enjoyed the earlier layout where she admitted to just becoming pregnant. Her image on page 84 reminds me of a sculpture in an art museum.

The pictorial itself is not that great as your photographer does not seem to know what to do with a pregger model. You indicated in the copy that pregnant Stefani was an experiment or a trial balloon. I'm sure your photographer will improve with experience.

You were asking if *SCORE* readers want models who are pregnant. This reader certainly does. Stefani's pregnancy simply underscores the elegant lines of her body, which are still quite visible. Her tits are absolutely amazing now. Why wouldn't readers want to see an elegant, slim-n-stacked pregnant model? Ask ourselves what is the point of this beautiful, pleasurable sexuality and the sex acts that we gaze at in *SCORE* every month? Pregnancy is the point of sex and sexuality, and a woman who is pregnant is as erotic as a woman in any other situation I can imagine.

Furthermore, *SCORE* and *Voluptuous* glorify large female breasts, which are the reason most of us read your publications. Ask ourselves, why are large breasts so attractive and erotic? My answer is that large breasts invoke a fertile nursing female whose breasts are bursting with milk. My suggestion, then, is to bring back Stefani and show her lactating after she gives birth.—Bob, address withheld by request

ANOTHER VOTE FOR PREGGERS...

Dear SCORE,

The photo spread of pregnant Stefani in the July '08 issue was great. I would like to see more of the same on a regular basis. Pregnant women are quite beautiful. Also, let's have more of Nicole Peters, one of the all-time greats.—N.T., Arlington, Virginia

...AND ONE VOTE AGAINST THEM

Dear SCORE,

Congratulations on your first 3-D issue (July '08). The images were fun, and I look forward to getting the DVD *Rack-o-Rama*. Innovations like this and the interactive features of the DVD *Plush Control* are features I've been hoping to see in SCORE DVDs for some time.

Now for the bad news. SCORE ideally should be slim-and-stacked. Preggers just don't fit that mold. There are other magazines for that, like *XL Girls* or *Voluptuous*. Not SCORE. It's hard to think of less of a turn-on than a pregnant woman.—J.K., Minneapolis, Minnesota

They're fucking and sucking you!

Why does it look as if the cameraman is fucking Carmen Hayes in the photo on the left-hand page? Because he is! That's right, our cameraman was slamming this **SCORE** Girl's sweet, tight pussy while working the camera, too. Now that's what P.O.V. is all about, and it's what the new **BigBoobsPOV.com** is all about: Making you feel as if it's your dick that's slamming the tight cunts of chicks like Claire Dames and Kianna Dior, that it's your dick being squeezed between Sara Jay's soft cans, that Alexis Silver is riding your cock while she's shoving a finger in her needy asshole. This is P.O.V. the way it was meant to be done...the way only big-boob experts can do it. It's the ultimate reality experience.

Stacked street sluts at your service!

You're driving down the street when, suddenly, you have no choice but to hit the brakes...hard! There, standing on the street corner, is one of the bustiest chicks you've ever seen. Her tits are pouring out of her top, her skirt is so short, you can see the bottom of her ass cheeks and she's wearing heels so high, she can only be one thing: a busty street hooker. The new website BigTitHooker.com was inspired by the overwhelming popularity of the DVD *Busty Hookers*, which told us that you want to see your favorite big-titted chicks acting as sleazily as possible...as whores who give up their gash for cash. BigTitHooker.com is, undeniably, our nastiest website ever, packed to the gills with wanton busty babes doing what they do best. So, if you're looking for the kind of girl you'd marry, you're looking in the wrong place. If you want your cock sucked and satisfied, we've got the girls right here.

Real boob lovers don't need pussy.

It's the truth, and you know it: Given the choice between fucking pussy or fucking a big pair of tits, you'll take your cock disappearing between a huge, fleshy pair of boobs any day of the week. Well, here's the good news. The girls in TitsandTugs.com know that, and they know how to use their huge boobs to best advantage. Of course, first they'll get you hard by working their hands all over your cock, jacking you hard. Then, just when you think you can't hold back anymore, they'll create the tit-tunnel of your dreams and invite you to slide your cock inside and fuck it until you cum all over their chests, their faces or both! TitsandTugs.com features many of your favorite **SCORE** Girls, including 2008 newcomer Janet Jade in her first video encounters with live cock. So log on and jack off, **SCORE** Men. The super-busty **SCORE** babes at TitsandTugs.com, BigBoobsPOV.com and BigTitHooker.com are ready and waiting just for you!

added My SCORE Sites. Seeing that the listed sites contained some of my favorite models, I was hoping for some expanded photo galleries from years gone by and perhaps some new content here and there as a bonus.

The site I was really looking forward to was BustyLornaMorgan.com. I am a longtime fan of Lorna. She is such a beautiful woman: the face of an angel, wondrous curves and her breasts are simply magnificent. It would be fair to say that over the years, she has become my all-time favorite.

It has been wonderful to be able to follow her career on Scoreland, from her appearance in Boob Cruise 2000 to the On Location shoots in Portugal, Key Largo and recently in Eleuthera. Lorna has grown more beautiful with age and, dare I say, with motherhood. She positively glows in *Big-Boob Paradise*.

I was aware that Lorna was expecting twins. As she did not do any photo shoots during her first pregnancy, I had imagined that Lorna would regard posing pregnant as too private this time as well. In February, she mentioned on her own site that she had stopped modeling until after she has given birth.

Imagine my surprise and astonishment, then, when I went to the website BustyLornaMorgan.com and saw not one but two new photo shoots of Lorna: heavily pregnant, a radiant, voluptuous goddess whose breasts are beyond perfection. She just looks more ravishing than ever. To me, Lorna's pregnant curves represent the ultimate feminine form. She is fertility itself. She is life.

As Lorna noted in her interview, this is a unique and special time in her life. I am so grateful that she has shared it with us.—Frank, via email

Dear Frank: As you probably know, Lorna's pregnant curves were also on display in the October '08 issue.

WIN THE SHIRT OFF CHLOE'S RACK!

HER BODY-PAINTED T-SHIRT COULD BE YOURS!

In October 2000, the legendary German Wunderbabe Chloe Vevrier modeled at the *SCORE* studio for a series of ChloesWorld.com pictorials. For the photo set called "Boobies In Technicolor," Chloe pressed her paint-splattered chest against a plain white T-shirt and produced a work of art that surpassed Picasso and Dali, if not Sweat and Gutteridge. The Wunderbabe's boob art was stored away in a plastic bag all these years, totally forgotten, until a staffer recently discovered it in a drawer. Now, here's your chance to hang this rarity on your wall along with your other *SCORE* memorabilia.

Simply write on a sheet of paper your name, address and email address and the statement, "I am over 18 years of age and I want to win Chloe Vevrier's Shirt" and mail it to "Win Chloe's Shirt, *SCORE* Magazine, 1629 N.W. 84 Avenue, Miami, FL 33126." Sorry, no email or fax entries for this contest. No purchase necessary. Multiple entries will not increase your chances of winning. Offer prohibited in countries where body-painted T-shirts are not allowed. Entries must be postmarked by October 15, 2008. Good luck!

Japanese fitness apparel model Serena Kozakura was jailed for two months.

Not Guilty By Reason of Big Tits

DNA evidence is widely used in courtrooms to overturn or confirm verdicts. But how about big tits?

Japanese model Serena Kozakura had a guilty verdict against her overturned after a judge in Japan decided her boobs were too big for her to have crawled through a hole and into an apartment.

The 38-year-old model was convicted last year of property destruction after a man who claimed to be her ex-boyfriend said she angrily kicked a hole in the wooden door of his apartment and crawled inside because he was with another woman. Kozakura denied the charge and said the man had made the hole himself.

In the appeal, her defense attorney held up a plate showing the size of the hole and told the court she could not have squeezed through the hole because her 43-inch tits would have made that impossible. The hole was a rectangular 28 inches long by eight inches wide. Serena has a 40-inch bust, and her breasts alone extend 11 inches from her chest. The judge agreed and threw out the guilty verdict. A video of the demonstration is on YouTube.com.

"I think I've become a textbook case of someone who is falsely accused of a crime," said Serena, now free at last.

The Breast of Times For Angela White

Proud of her *Voluptuous Model of the Year* award, Angela White sent a bunch of snapshots of her back home in Australia holding her titty trophy.

Now that's a happy girl! The Down Under Wonder tearfully accepted the award by video on *SCOREtv* episode 5. It was a great moment.

Angela also wrote, "Paola Rios (September '08) is driving me crazy! She is just so gorgeous! Could you please send her down to Australia to satisfy my every need? I promise I will take good care of her! As your *Voluptuous Model of the Year* for 2007, I feel that I should get some sweet, sweet Paola privileges! I wish she could

have made it to the Bahamas!" Whoa, easy, girl!

Paola was unable to travel to the Bahamas for *Big-Boob Paradise* week, a disappointment to everyone, but we later hooked up with the Paraguayan piece of ass for a Scoreland.com special and the DVD *Bad Girl In B.A.*

Added Angela, "I know I already said it in my acceptance speech on *SCOREtv*, but I have to say it again. I am just so ecstatic and still in complete disbelief that I won *Voluptuous Model of the Year* 2007. Thank you so much to all the fans who voted for me and for all of their support."

Angela certainly deserved the title after five years of erection-producing pictures and videos for The SCORE Group. She is one in a million.

Thank you, Angela, and congratulations on your win. Congratulations, too, to the other *V-mag* award winners: April McKenzie (Newcomer of the Year) and Sapphire (Plumper of the Year). Special thanks to the JingleJugs.com people for their participation in this year's *SCORE* and *V-mag* contests.

It's been a memorable year for Australia's finest, Angela White. It's her fifth year modeling for The SCORE Group, and readers voted her *Voluptuous Model of the Year*.

Skin Wins in Shirts vs. Skin Battle

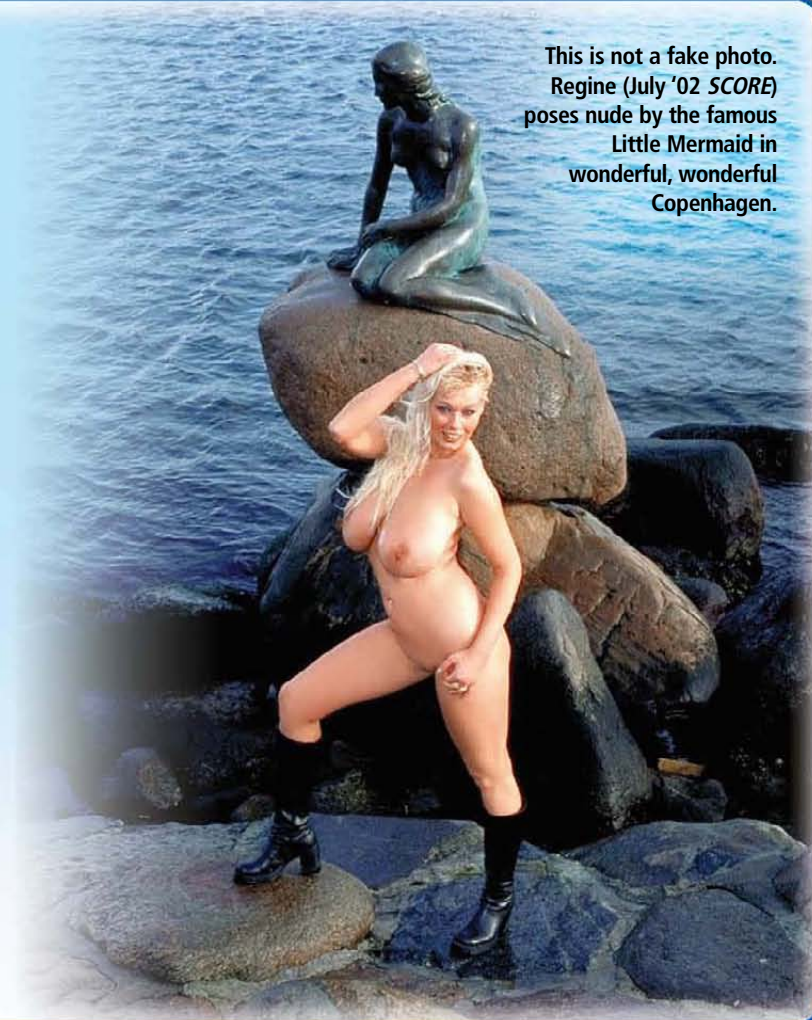

Good news (and possibly a reason to plan a trip to Denmark real soon)! Danish women can now swim and walk around topless at swimming pools.

Astrid Vang, the 20-year-old leader of the campaign to make this happen, took off her shirt, along with other girls, in a protest at a leisure center this past December. The protest was organized by The Topless Front, a group in Denmark campaigning for equal rights for bare-chested men and women. Obviously, the thinking goes that if men can bare their chests, why can't women?

"We women would like to decide by ourselves when our breasts should be sexual and when not," Astrid told reporters. "In swimming pools, they should not. That is why the breasts should not be covered. We will bathe topless just like men."

Well said, Astrid. The Danish campaign was inspired by a Swedish group called the Bara Bröst (Just Breasts) Network, an organization I reported on in the August '08 Boob Beat.

"This has been legal in Ontario, Canada for a number of years now," a Canadian joked. "Unfortunately, most often it's the girls you'd rather see with a top on." Speak for yourself, buddy.

This is not a fake photo. Regine (July '02 *SCORE*) poses nude by the famous Little Mermaid in wonderful, wonderful Copenhagen.

Dr. Rosen: Expert at giant cocks & anal

In the fourth episode of *SCOREtv*, the wild new TV show on Scoreland.com, sexologist-in-training (not that she needs training) Daphne Rosen answered letters from readers about sex. These were letters we didn't know what to do with because our advice probably would've gotten your suitcases dumped into the street. "Boob Beat" would like to share with you some of this Q&A, strictly for educational purposes. We believe Daphne has really big things ahead of her as a sexologist. One day you'll see her on her own TV show, like Dr. Phil.

Question #1: My large penis hurts my girlfriend. She can't have sex for too long or too vigorously. What can we do? We've tried lube.

Daphne: Trying lots of lube is a good thing. I have personal experience in this because I'm tight. Even normal-sized cocks are difficult to get inside of me, and I have been with very big cocks. I would suggest starting with a dildo, smaller than your erect cock, to loosen her up. Slowly open her pussy with the lubed dildo. If a dildo is too much to start with, then work your cock in slowly. Go very slowly and eventually her pussy will open up. Pussies are wonderful and magical. So just give it time. Also, focus more on her clitoris by giving it lots of stimulation.

Question #2: How can I convince my girlfriend to have anal sex?

Daphne: Good sex with an anal virgin takes lots of practice. The key to anal sex is relaxation because the anus is a muscle. Sometimes a little wine will relax a girl. I'm not telling you to get her drunk.

Create a soft, romantic mood to mellow her out. Inserting a finger into her ass to loosen her up at first is not a good idea because it can actually be more painful than a cock. So lube. Relaxation. Slow insertion. Enjoy.

Thank you, Dr. Rosen! See more of Ask Dr. Rosen in *SCOREtv* each month at Scoreland.com.

You've got sex questions? Daphne Rosen has sex answers. As a sexologist-in-training, Daphne really gets into her work. And her work gets into her.

Yurizan pulled this out of a rather large fortune cookie. Believe it or not.

Yurizan Sticks Them Out For SCORE

Yurizan has a really nice way of expressing herself in this photo she sent to *SCORE* headquarters after her debut in the July '08 issue. More big-boobed girls should think like her. In a recent tit-chat, Yurizan spoke our language. The language of Boobonics.

SCORE: Do you do any exotic dancing?

Yurizan: Yes, when I am alone or for someone special. But not in a club, at least not yet.

SCORE: What brands of bras do you buy?

Yurizan: I love Fredericks of Hollywood bras.

SCORE: Do you need a fitting for a bra or can you buy them off the rack?

Yurizan: I get them fitted. All girls should get their bras fitted because most of them will buy the wrong kind.

SCORE: Were you the bustiest girl in school?

Yurizan: Yes. At 15, I had the biggest boobs.

SCORE: Did jealous girls ever say anything about your breasts?

Yurizan: They'd ask, "Can I touch them?"

SCORE: Did you ever get in trouble in school for showing too much cleavage?

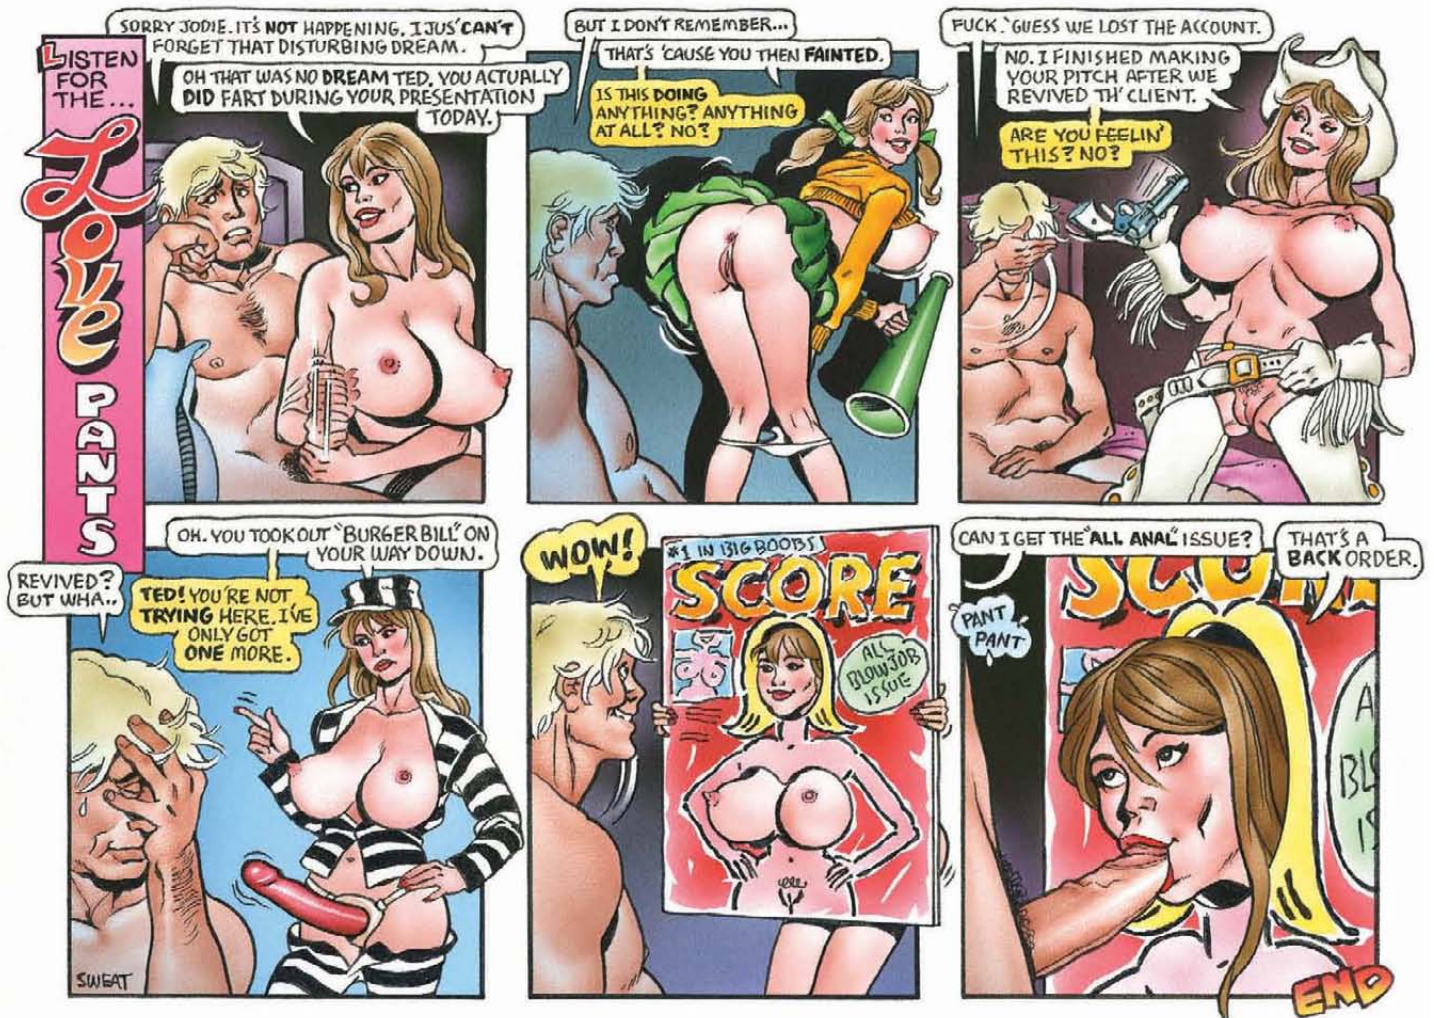

Yurizan: Yes, all the time!

Not Just A Couple of Pasties

Depending on idiotic local laws, many strip clubs require their dancers to keep their nipples covered. Otherwise, everybody risks fines and arrests if the police have nothing better to do. In the past, the traditional nipple-covering cloth pasty was used. More recently, liquid latex has been used to cover nipples but it looks ugly. Now a company has now created a better alternative. Nip-Glo is a realistic nipple with a patented silicone backing that allows the dancer to press the fake nipple over her own nipple without glue or tape, and it'll stay there until she peels it off. The company claims that Nip-Glo can be used up to 30 times and can even be in pools and while tanning. Nip-Glo adheres to the skin and will stay in place for the entire duration of an entertainer's shift. Unless, of course, some perv getting a lap dance sucks it off.

Nip-Glo is made in several colors, including natural, glow-in-the-dark and neon orange. This would also be great for adult conventions with strict no-nipple rules. For complete details, visit NipGlo.com.

Strippers in many clubs need to conceal their nipples because of stupid laws. NipGlo silicone nipples are a high-tech solution.

A Swedish professor says young Isabella should not wear a brassiere.

To Bra Or To De-Bra?

Now what? Professor Göran Samsioe of Sweden's Lund University advises young girls to not wear bras at too early an age because of the danger of ending up with low-hanging breasts.

"Too tight a bra can lead to breasts that sink," warned the prof. "If natural movement is restricted by a bra that is too tight, it can affect the growth of elastic tissues that naturally support the breasts. Bras can cause nipple height to sink slightly."

Maybe. Maybe not. He cited a French study of women from 18 to 25 that claims the distance between a woman's nipples and the ground decreased for women who wore bras. But girls with large tits don't have to avoid bras.

"If you feel uncomfortable without a bra, you should use one, as long as it allows your breasts to move in a natural way," he said. "Western culture has come to believe the breast is some sort of sex organ. We're made to believe that women all need to have a bra, but there is no medical reason for them, and in some cases it can even be harmful."

So what's a budding girl of Scandinavian stock like 21-year-old Isabella (above) to do? Only one thing. She took off her bra for the Holiday '07 issue of *18eighteen*.

Who's That Girl?

IT'S GOLDIE BLAIR, AND THIS TIME, SHE HAS THE TITS TO BE A SCORE GIRL.

We were a little wishy-washy about Goldie Blair when she made her *SCORE* debut in the January '04 issue. Were her DD-cup tits big enough for the world's greatest big-boob mag? Did she deserve an encore? Well, the jury was out on that one...until Goldie popped back up with considerably more boob meat than she had before. She's a full E-cup now (she was barely a DD before) and ready for her encore!

Goldie's chest isn't the only thing that has changed since we last saw her. She's gone from blonde to brunette, which is more in keeping with her penchant for shooting bondage and female wrestling movies. Yeah, Goldie is into the kinky stuff, so if you're gonna make a move on her, you'd better be able to handle what you get. "I like a man's man," she said. "Romance has its place, but I definitely have my dark side."

"I'm bigger all over than I was four years ago, and I like that. I feel more womanly," said Goldie, who packed a few pounds onto her ass, too. "I'm lucky. I gained six pounds, and almost all of it went to my chest and my hips. So far, I haven't received any complaints." Goldie, who was born in the UK and now splits her time between England and Los Angeles, California, isn't likely to get any. So, who's that girl? A *SCORE* Girl!

Natalie was an Olympic gymnast,
but her best event was the...

Dickathlon!

SWEAT

It hadn't been a good day on the mat. For a few of the girls, things had gone great. But Natalie was mired in 14th place overall, and in her individual events, her best current position was ninth. Atop most of the standings was a single name: Svetlana Jackamova, the wiry little sprite from the Czech Republic. The one who had laughed at Natalie when they were in the dressing rooms at the World Championships in February and the International Cup competition the previous fall.

"With a body like that, you think you can win?" the waify Czech with nothing but nipple had taunted before taking home four golds. Natalie's best performance? Two bronzes. How badly she wanted to beat the diminutive Czech bitch. But could she?

If she expected to, then she needed to put in some after-hours work, she'd decided, which was why she was sneaking around the practice area of Beijing's National Indoor Stadium all by herself at 1:30 in the morning.

Only she wasn't alone. As soon as she stepped inside, she heard sounds coming from the far end of the gymnasium. Quietly, she made her way closer until she saw that she wasn't the only athlete looking to get in some additional practice after a sub-par day. Mattias Gunther, one of the German gymnasts, was busy working on the rings. He was practicing his dismount when Natalie caught his eye. The lanky German with the blonde crew cut and ice-blue eyes grinned at her.

"I see the Americans sent the chubby one along after all," he said, wiping the sweat from his brow and eyeing Natalie's sizeable breasts.

Natalie fumed. *Chubby?* The only place Natalie wasn't a hard body was in the chest. Though she had to admit, she carried more mass in her 34H cups than the entire Chinese squad.

Gunther gripped

the rings again, went into his dismount and took a step upon hitting the mat. A costly mistake in competition. A similar landing had cost him earlier in the day. Natalie did nothing to stifle a laugh. Gunther glared at her.

"As if you could do better?" he spat, reaching once more for the rings.

"As a matter of fact, I can."

Gunther's hands dropped to his sides. He looked Natalie over, then laughed.

"Okay, let's see," he said, going to the wall to lower the rings. Natalie adjusted her skin-tight leotard and concentrated. She did not compete in the rings enough to qualify for the Olympics, but she did spend time on them in training, just in case. You never knew when somebody on the squad might get injured.

She watched Gunther as she did some rotations, noticing how he ogled her giant jugs. She held a perfect stiff-arm position, then allowed her boob weight to help swing her over backwards. She let go of the rings and stuck a perfect landing. Gunther's mouth hung open. Natalie strode over to him and poked him in the chest.

"Perfect 10," she bragged, sticking her tongue out. She felt like a high school girl. Gunther hadn't said anything. He was too busy leering at Natalie's humongous knockers. Natalie couldn't resist.

"Too bad you don't like us chubby ones," she sneered, slipping her hands under her jugs and hoisting her bountiful bosom.

"Tell me, they're real?" the German finally managed.

Natalie stuck her tits out defiantly.

"Check for yourself," she challenged.

Mattias didn't wait for her to suggest it again. In an instant, his hands were on her generous breasts, caressing them, cupping them from below, gauging their considerable weight. As Mattias fondled her, Natalie realized that she was breathing heavily, and it wasn't the result of her brief twirl on the rings. She was so focused on the funny feeling spreading through her crotch that she didn't notice Gunther had peeled down the front of her leotard, exposing her rock-hard nipples. Before she could protest, the German's mouth was glued to her right tit, and his large, strong hands were pawing her ass, pulling her against him.

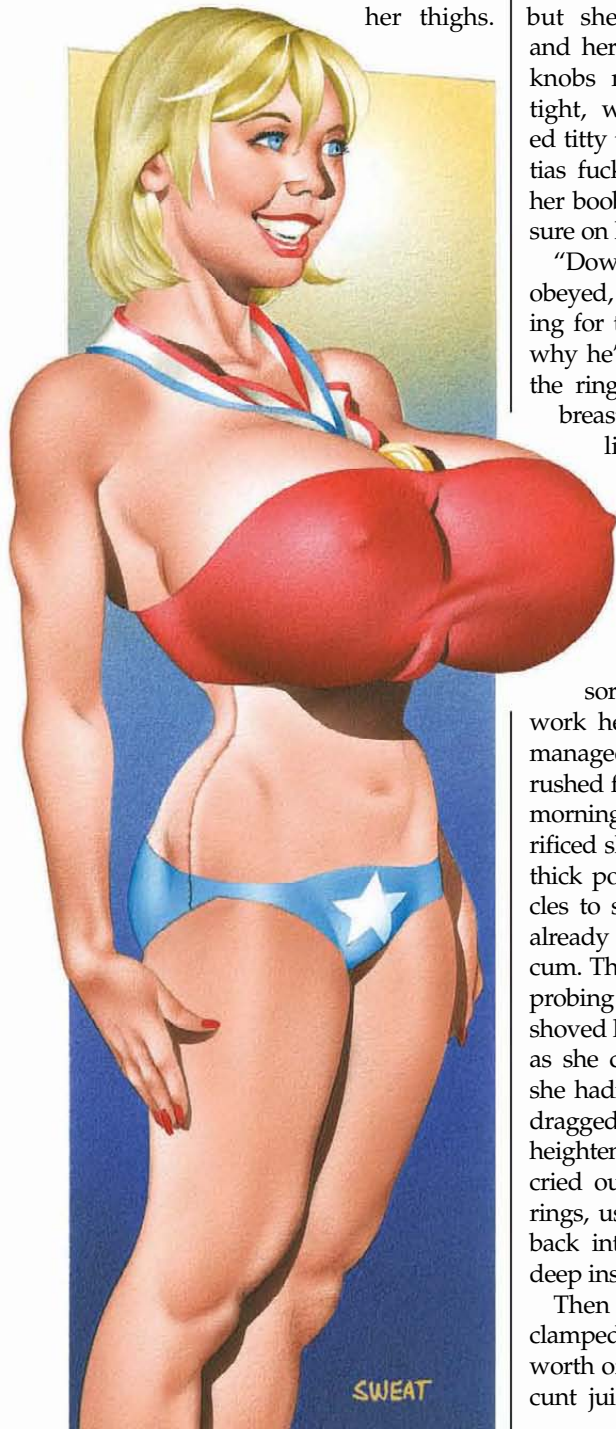

He was wearing a training skin, too, and Natalie could feel his hard, thick cock pressing into her while he suckled her melons. Feeling the damp spot between her legs spreading, Natalie wondered if it had been a good idea not to wear panties. Too late now.

Gunther's middle finger dug between her pussy lips, and Natalie felt the textured Lycra rub against her clit. She

threw her arms around Mattias' neck and drove his face down into the grand canyon between her tits. She thought she heard him moaning as he peeled down her leotard so she could step out of it.

"Wait," Mattias said when Natalie reached for his bulge. The German jogged to the wall and readjusted the rings. They were practically at knee level now. He rushed back, climbing out of his Spandex, discarding it beside hers. Natalie took hold of his prick, stroking it and teasing the head of his cock in the cleft between her thighs.

Gunther was oozing a copious amount of pre-cum, making Natalie's twat drip like a leaky faucet.

The horny German guided Natalie to her knees, and she took his long, hard twitching cock between her globes. She hadn't been sweating after dismounting the rings, but she was now, and her greased-up knobs made for a tight, well-lubricated titty tunnel. Mattias fucked it eagerly, Natalie pressing her boobs together to increase the pressure on his throbbing rod.

"Down," he prodded, and Natalie obeyed, dropping to all fours and reaching for the rings. Now she understood why he'd dropped them so low. Using the rings for support, Natalie's heavy breasts brushed against the mat as the limber Olympian entered her from behind.

For the past 12 weeks, Natalie and the squad had been sequestered, training 14 hours a day. Most nights, she had been too tired even to masturbate, her arms and legs sore, her fingers too cramped to work her clit. The few orgasms she'd managed to have had all been quickies, rushed finger fucks in the shower in the morning or with her dildo when she sacrificed sleep for sex. Now, with Mattias' thick pole forcing her underused muscles to stretch once again, Natalie was already on the verge of a much-needed cum. The tip of the German's prick was probing her deepest spot, and Natalie shoved her ass back against him as hard as she could, desperate for the release she hadn't felt for so long. Her nipples dragged back and forth across the mat, heightening her sense of arousal. Natalie cried out, her fingers digging into the rings, using the ropes to propel herself back into Mattias, forcing his cock as deep inside her as possible.

Then she came. With her pussy clamped tight on Mattias' shaft, months' worth of sexual frustration were erased, cunt juice spilling down the ringmas-

Natalie gripped the rings, hoisted herself off her knees and hung suspended over Mattias' cock while his eyes bulged.

ter's thighs. Still, though, the German had not reached that pinnacle. While Natalie came, he continued fucking her, driving into her like a machine, his rhythm constant, his hands locked on her hips while he doggied her towards another climax.

Natalie looked back over her shoulder. The German was grinning broadly as his balls slapped against her ass.

"Pull out," Natalie said, seductively so as not to alarm her partner. He didn't want to, but with a groan, Mattias withdrew. Nearly eight inches of man-meat slithered out of Natalie's sopping snatch.

Still fired up and not wanting to lose the feeling, Natalie quickly pulled Mattias into position, then straddled him. For a moment, the tip of his bone nestled into her soft, slick folds, but Natalie wasn't interested in simply riding him until he blew his load. She gripped the rings, hoisted herself off her knees and hung suspended over his cock while Mattias' eyes bulged.

Slowly, Natalie eased down, her velvet fuckhole spreading open around Mattias' dick. Inch by inch, with expert control, Natalie sucked his shaft up inside her until finally, her bottom made contact with his thighs. Gasping, Mattias seemed on the verge of cumming, but Natalie held perfectly still, allowing him to calm down just enough.

When she was certain that Mattias' torrent of cum had been dammed up, at least for a few moments longer, Natalie began to spread her legs. Wider and wider they opened, showing Mattias a view he had never seen before. With Natalie's thighs parted in a full split,

IS ANNINA UCATIS READY TO TAKE HER GIANT JUGS ALL THE WAY TO 2008 NEWCOMER OF THE YEAR?

Über tittens. That's German for giant tits. Okay, it's not, but it should be. And Annina, who made her *SCORE* debut in the May '08 issue, is toting mega-über tittens, the biggest (so far, at least) of any newcomer this year. So, is Annina ready to take her giant jugs all the way to the Newcomer of the Year title? That's up to you, but in this, her second appearance of the year, the super-stacked cock worshiper from Cologne, Germany, is making her case for the title in a super-tight dress that sensuously hugs her dangerous curves.

If you were out and about in Germany and were lucky enough to see Annina, chances are she'd be wearing something very tight and very low-cut. "I always dress to show off my breasts," she said. "I've had a breast fetish ever since I was 18 years old, and now that I have big breasts, why shouldn't I show them off?" We can't think of a single reason. We just wish more girls thought like Annina. "My favorite position is double penetration," she said.

Last time, Annina told us that she loves having sex with more than one man. This time, she elaborated. "I love when one man is fucking my pussy and another is fucking my ass. My favorite position is when I am sitting on a man's cock with my pussy and another man is fucking my ass from behind." But how about your tits, Annina? "They can both cum on my tits," she said. "But only after I get to cum."

Tits & Suds

NATALIE FIORE'S MORNING ROUTINE INCLUDES TAKING A BATH, SHAVING HER PUSSY & FUCKING!

There are few things lovers of big tits love more than a pair of big, wet tits with soap suds all over them. And Natalie Fiore's soapy sudsy DDD-cup naturals look especially inviting. "I always feel sexiest in the morning," Natalie said. "I love waking up feeling all refreshed, then taking a bubble-bath and letting the water and the soap suds wash over my body. Meanwhile, a man might be waiting in my bed, wondering what is taking me so long to get ready. But he should not worry. I am getting ready just for him."

"While you are in my bedroom, waiting in my bed, I am still in the bathroom, shaving my legs and my pussy," Natalie said. "I am shaving my legs so they will be smooth to your touch, and I am shaving my pussy so that you will want to go down on me even more, for a long time. Then, perhaps, I will put on my sexiest lingerie. Or maybe I will return to the bedroom as I am, naked, and fall into your arms. As I said, I always feel very sexy in the morning. I am ready for love."

BURNING UP THE PAGES!**

She's been busy burning up our video cameras, too! Dominno, a spectacular babe from the Czech Republic, is one of the sexiest chicks we've ever featured in *SCORE*, and she knows it! "I love the effect I have on men," she said through a translator. "I love how men look at me when I walk into a room. They are all wondering whether they will be the one to go home with me that night, not knowing that one of them will be the lucky one."

"I love showing off my body," Dominno said. "I am looking forward to having a long career in which I can have sex with many men in front of the camera." Dominno is only 21, but she has known for a few years that she wanted to be an adult model. "The first time I had sex, I thought, 'This is the most wonderful experience I have ever had. I want to repeat it many times.' Now I can do that and get paid for it, too. I am a lucky girl." We're the lucky ones, Dominno. And we'll say it again!

Fifty is the new 40 and 40 is the new 30, but one thing hasn't changed: An F-cup is still an F-cup, a big pair of tits is still a big pair of tits, and for a lot of men, there's nothing sexier than a stacked, mature woman. **SCORE** has presented numerous busty, mature babes over the years, and you'll see many of them in this eight-page special. But you'll also see several stacked 40somethings you've never seen.

The laws of nature dictate that if a chick has big, natural tits when she's younger, she's gonna have bigger tits as she gets older. The laws of hard-ons dictate that if a mature babe goes out of her way to get big boobs, she's horny as hell and wants your attention. Rukhsana Body Shaped

LOOKING EVEN BETTER THAN BEFORE, THIS KNOCKOUT BRIT GIVES US AN EYEFUL... AND MORE!

This is Rukhsana's fourth appearance in *SCORE*, and we know what you're thinking. You're finally going to get to see her pussy, right? Well, hold onto your cocks for a second because there are a few other things we need to deal with first. One is that this beautiful Brit's body seems to have gotten tighter and fitter. More toned. "I've been working out a lot," she reported. "I wanted to look really good this time." Second, that dress. Holy shit! If ever a body fit a dress perfectly, Rukhsana's is it. "It's one of my favorites," she said. "I love how it fits me."

Oh, right. Rukhsana's pussy. We were so busy looking at her tits and her body in that dress that we almost forgot. Well, here it is, for the first time, Rukhsana's pussy, and it's probably the best view of it we're ever going to get. "I'm just not the kind of girl who's ever going to be comfortable laying back with her legs spread and opening up her pussy," Rukhsana said. "But when the photographer asked me to do this, I was okay with it. Besides, I don't want you guys to think that I'm nothing but a tease."

A babe doesn't get a body like Rukhsana's by accident. "I am an ex-county swimmer and runner," she said. "I train as often as possible to look my best. I do a lot of sensible eating. I swim and do hundreds of sit-ups. It's important for me to look my best, not just for *SCORE* but because it makes me feel better. It makes me feel sexier. I enjoy being a desirable woman. Being in *SCORE* makes me feel that way."

about the July '08 issue, which was filled with outstanding models and featured two great newcomers, Yurizan and Karina Hart. Let's hope we see more of these ladies.

However, it was your first-ever 3D collectors' edition that made the issue special. The insert was only exceeded by the included DVD, which was spectacular. My only criticism is from a truth-in-advertising standpoint. The glasses should have been labeled as 3DDD lens.

Although this was your first time to feature 3DDD, I know I speak for all fans in saying we hope it will not be the last.—Jack, via email

HE JUST WANTS TO LET US KNOW HOW MUCH HE LOVES SCORE

Dear SCORE,

I've been an avid fan of your work for several years and am consistently amazed by your seemingly endless supply of gorgeous models. From Linsey, Autumn-Jade and Kerry Marie to Christy Marks, Marilyn Sakova and my personal fave, Angela White, you have consistently bought us an endless array of beautiful and busty babes, lovingly captured in all their beauty, flawlessly photographed and bursting out of the pages of your magazine.

Your DVDs are of the highest quality, from Kayla Kleavage's squirting orgasms with her rams-head dildo (*Mega-Boob Olympics*) to Gianna Rossi's dirty talk instructions as Christy Marks gives her big black dildo a workout (*Tit 2 Tit*), from Fantasia and Sana Fey stroking Ben Dover's erect cock through his Speedo while they ravage each other's bodies (*Ben Dover Does the Boob Cruise*) to Kerry Marie and Missy in their pussy-dripping girl-talk video (*Busty Kerry Marie 2*). Crystal Gunns in her hot red micro bikini, Daphne Rosen's anal sex scenes, Cassandra and her red lady beetle vibrator, Jade Feng, Denise Derringer, Danielle Derek, Samantha, Brandy Talore...the list goes on. You have not only given me and countless others around the globe hours of viewing pleasure, you have surely committed to film some of the most erotic and sexy images ever produced.

I salute you on years of the highest quality work and look forward to much more.—A loyal Australian fan

IN THE U.S., IT MEANS, "MAN, LOOK AT THE TITS ON HER!"

Dear SCORE,

I have to take exception to your use of the phrase "built like a brick shithouse." In Australia, the phrase "built like a brick shithouse" is usually used on big, burly blokes, not normally on sheilas, and whilst it might not be a derogatory term for a bloke, it certainly would be for a woman. It means big and without curves: straight up and down, and so it is highly inappropriate to be used in reference to SCORE and V-Girls.-S.B., Sydney, Australia.

TITS FOR THE THIRD MILLENNIUM

Dear SCORE,

Please publish more photos of SCORE debutante Karina Hart. She is one of the sexiest models you have featured in the third millennium A.D. Her captivating eyes, gorgeous face and perfect hair complement a picture-perfect figure. This Slovak *uber* vixen is a stunning beauty.

Thank you for the centerfold of Melissa Mandlikova (May '08). The entire pictorial spotlighted the incredible beauty of the Czech college coed. Please feature her often. Another centerfold would be fabulous.

An encore solo layout of Harmony Heart would be very nice. Pretty please?

Dear J.T.: Right now, another solo layout of Harmony Heart isn't planned, but she did return to SCORE in the Xtra section of the August '08 issue and can also be seen sucking and fucking in the new DVD Big-Tit Rubdown. Yes, we know you want to see her solo again, but you just have to see her with a cock in her mouth. She's one of the best cock suckers we've ever seen, and she's a damn good fuck, too. As for a Valerie Fields retro, she's one of our favorite models (and an often overlooked model). We'll keep it in mind.

COMING SOON (WE HOPE): CHRISTY MARKS VS. MERILYN

Dear SCORE,

Please! You've teased us long enough. When will Christy Marks go tit-to-tit against Marilyn Sakova? And speaking of tit-to-tit, will Chelsea Charms take on Maxi Mounds or Keisha Evans? We would love to see that happen. Minka could take on the winner.—Carl, Norristown, Pennsylvania

Dear Carl: Chelsea vs. Maxi or Keisha isn't on our agenda (Chelsea steadfastly refuses to pose for any magazines or videos), but Christy vs. Marilyn is definitely on our agenda and something we're busy arranging. In fact, Marilyn recently challenged Christy on SCOREtv. We'll give you an update as the plans become firmer. This much is certain: When these two finally get together, it'll be fascinating...and cock-lifting!

SCORE 3D: LIKE HAVING YOUR OWN, PERSONAL SCORE GIRL

Dear SCORE,

The first-ever SCORE 3D (July '08) is absolutely sensational. Or should I say, Sinn-sational. I've seen other attempts at 3D photos, and most of it is crap. SCORE 3D is in a class all by itself. All the girls in SCORE, in person, are in 3D, anyway. With the first SCORE 3D, you took the dimension one step further.

You should have included a warning: "Caution: Objects are closer than they appear."—L.M., San Jose, California

TWO INSTANT SUPERSTARS

Dear SCORE,

When I saw two of your newcomers on the cover of the July 2008 issue, I couldn't buy the issue quick enough! One appearance and Yurizan and Karina Hart are already members of SCORE's upper echelon. They are both the total package. I can only hope that they are featured in SCORE and *Voluptuous* many times! The extra section was above average, and it was nice to see the old set of Julia Miles as well.

Oh, yeah, in answer to your question on page 85, "Are you enjoying this pictorial?" Fuck no! Keep the preggers out of SCORE and *Voluptuous*.—J.G.P., Toronto, Ontario, Canada

Dear J.G.P.: Old is a relative term for the photo set of Julia Miles in the July '08 issue. Yes, it wasn't recently shot, but it was previously unpublished. As for the preggers, as you can tell from this issue's "Scorecard," we're counting the votes, and so far, they're slightly in favor of the preggers.

ANOTHER READER WHO CAN'T GET ENOUGH OF YURIZAN

Dear SCORE,

I have jacked off so much to the July '08 issue, I may have added a half inch to my foreskin restoration. It was great to see Mia Starr once again. The Julia Miles and Candy Manson pictorials were outstanding, but what really made the issue for me was Yurizan, and Diamond. Oh my god, you must bring Yurizan back for another pictorial. What a hot Latina ass and pussy.

By the time I got to Diamond's pictorial, I just could not control myself. I don't normally jizz on my mags, but on pages 54-55, I lowered my cock and shot six huge ropes all over it.—S.H., email address withheld

GLAMOUR SLUT

WE'RE USED TO SEEING STACY ADAMS FUCKING. BUT BEHIND THE SLUT, THERE'S A SCORE GIRL.

When Stacy Adams made her *SCORE* debut last issue, she did so by getting fucked. Stacy dressed up like a street hooker—a part she plays well—and proceeded to fuck and suck a lucky stud until his nut sac was drained of juice. In one memorable photo, Stacy bounced up and down on a cock while pushing her tits up to her mouth and taking a lick. The girl's a great fuck. And sometimes, that clouds our minds.

While Stacy bounced up and down on that stud's cock—while she used her cleavage as a cum receptacle—your *SCORE* editor looked at the photographer and said, “She’s a *SCORE* Girl. Even if she didn’t fuck, she’d deserve a spot in the magazine.” When we said that to Stacy (after she was finished fucking), she laughed. “You mean you want to take pictures of me by myself? No guy?” That’s right, Stacy. No guy. Just you, the photographer and thousands of jack happy *SCORE* Men.

"This is fun," Stacy said as, for one of the rare times in her life, she played the part of glamour girl. Now, granted, her inner slut kept coming out, like when she spread her legs and opened up her pink pussy without any direction from the photographer. And rest assured that visitors to our three new XXX websites (see the preview on pages 13-19 of this issue) will get to see plenty of Stacy fucking, sucking and tugging. But it's nice to know that there's more to a girl like Stacy than just her sexual skills. "You mean there's more to me than dressing up like a street hooker?" she said, smiling. "But let's face it: Either way, you guys are jacking." She's got that right!

THE OLD DEBATE ABOUT DILDOS & A NEW DEBATE ABOUT HEELS

Dear SCORE,

Just read a letter from a guy who is anti-heels. He's entitled to his opinion, but personally, I look at your magazines and websites as an escape from reality, and that often involves seeing these fantasy ladies decked out in heels, hose and all manner of trashy lingerie. I've always believed that such apparel serves to enhance and accentuate a model's natural assets.

High heels in particular cause a woman's ass to jut out more, and who doesn't love the sight of tits straining against or busting out of tight, sexy tops? I have a particular thing for shoes, so I hope you'll continue to feature them heavily.

While I'm here, I might as well have my say on the dildos debate. I'm very much a fan of spread pussy (there's no sexier pose), but I'm not adverse to the odd dildo-insertion shot, either. I think what you have to do is think more carefully about the way you photograph the insertion. What I like to see, provided the model is up for it, is anal dildo insertion, which pleases both camps and basically solves the problem. I remember seeing a layout of Sierra in SCORE a few years ago in which she did exactly this, and those photos were unbelievably arousing. But it's something you don't see a lot of anymore.—K.S., via email

BRINGING BACK MEMORIES OF FUCKING BY THE SEASHORE

Dear SCORE,

The "Fun in the Sun" pictorial of girls fucking outdoors in the August '08 issue brought back memories of my first experience with outdoor sex. Perhaps some readers have had a similar experience.

Back in 1979, I was on summer break from college and spending most of my days in a town on the Jersey shore. At the time, I was dating a girl from Jersey who, in all honesty, was giving me one of the worst cases of blue balls ever. She had big, natural tits and a body to kill for, but

there was only one problem: She didn't put out. I'd been dating her for about three months, and all I'd ever gotten from her was a hand job. To make matters worse, she would wear the hottest fucking clothes ever. I don't know if you remember, but those were the days when cameltoe was in and girls would walk around with their jeans pulled up their snatches. Well, she did that and more. She also wore tight, low-cut tops that showed off her great cleavage.

I thought my bout with blue balls was going to get worse when I picked her up to go to the beach. She was wearing the tiniest bikini I'd ever seen. Girls didn't wear thong bikinis to the beach back then, but this one was close, and her top barely covered her nipples. I was not looking forward to spending the day with a tent-pole in my trunks.

She could tell that I was visibly pleased with her bikini, but maybe she didn't know that I wasn't too pleased about my hard-on situation. Or maybe she didn't care because when we got to the beach and laid out on our blanket, she immediately became friskier than she'd ever been before. I mean shoving her tongue down my throat when we kissed, and when she asked me to put suntan lotion on her, she moaned, which was, unfortunately, a first.

We had been lying there for about 15 minutes, me still with a tent in my trunks, when she started stroking my leg and said, "Being out in the hot sun has always made me horny."

"Really?" I said.

"Yeah. I wanna fuck," she said.

I couldn't believe it, and I didn't know what to do about it. Fuck? Out there on the beach, with hundreds, if not thousands, of people around? There was no way that was going to happen without us getting arrested. Besides, since when did she want to fuck?

"Let's take a walk down the beach," she said, then she stood up, took me by the hand and led the way.

We ended up about a half-mile down from the crowd in a protected dune where we couldn't be seen. There, I proceeded to fuck her for the rest of the day: in her mouth, in her pussy and definitely between her big tits. It was my best day at the beach ever.

Unfortunately, we broke up at the end of the summer. It turned out that she only liked to fuck on the beach. But I will never forget my first beach fuck.—E.M., Reston, Virginia

hanging suspended above his groin, her sleek, pink cleft wide, Gunther thrust upward in a frenzy, unable to restrain himself. Looking down, Natalie could see dew dripping out of her onto Mattias' blonde short hairs. His hardness stabbed into her, making her jerk like a super-stacked, flesh-and-blood marionette at the end of the ring ropes. Natalie felt her slit beginning to gush again and knew her final climax would beat Mattias to the punch.

Natalie shuddered and slipped down a bit farther. Now Mattias was pinned in place, and Natalie was no longer able to support herself as a blistering orgasm ripped through her.

"Gott in himmel!" Mattias huffed, and Natalie pushed off just in time. As Mattias' cock escaped her, she trapped it between her boobs. Warm jets of hot ball cream flooded into her cleavage. Natalie felt spurt after spurt empty onto her chest, leaving her coated in syrupy jizz from chin to belly by the time the German finally drained his sac.

"Not bad for a chubby one, eh?" Natalie teased.

"I think I need to defect," the spent gymnast wheezed.

Natalie giggled. True, she hadn't practiced, but she'd had one hell of a workout, and at the moment, she felt better than she had in weeks. If this worked, she thought while sneaking back to the Olympic village, she might need to embark on a new training regimen.

Three nights later, Natalie once again found herself sneaking into the gymnasium, although she felt a lot more confident than she had on her first clandestine visit. She'd posted back-to-back good performances in her top two events and was within striking distance of a medal. More importantly, there was a slim chance that she could not only catch but perhaps even beat Svetlana, her lithe, flat-chested archenemy.

Tomorrow, however, was the vault, and she had been having trouble sticking her landings leading up to the Games. While she was currently in fifth place, she would need a virtually perfect day on the horse tomorrow to claw her way to the top.

Natalie turned on the lights at the far

**IT'S YOUR TIME TO
SPEND WITH DAYLENE
RIO. DO AS YOU PLEASE.**

Anybody who saw Daylene Rio's debut in the February '08 issue might look at the headline "Private Session" and think, *That could be fun*. Anybody who saw Daylene's fucking-and-sucking encore in the June '08 issue knows that a private session with Daylene would be more than just fun. It would be explosive. "I love pleasing a man," she said. "I love having him ask me to do outrageous things and seeing his reaction when I say, 'Whatever you want.'"

*Private
Session*

"I love to fuck, and I love when you watch," Daylene told us as she mounted a cock and started bouncing up and down in the June '08 issue. *Watch?* Did she say watch? Daylene, honey, we have no intention of watching during our private session with you. "Good," she said, licking her lips and bunching up her tits. "Suck my nipples and I'll lick your balls. Fuck my cunt and if you're a good boy, I'll reward you by licking your asshole. Cum on my face."

A woman with long dark hair, large breasts, and a pink thong is posing on a couch with a black and white patterned blanket. She is wearing a silver choker and a matching bracelet. Her right hand is placed on her hip, and she is looking towards the camera with a slight smile. The background is a plain white wall.

Dressed up like a glamorous whore with her big tits and succulent, pink pussy ready for action, Daylene looks like she was put on Earth for the sole purpose of satisfying men. "Okay," Daylene said as she fingered her wet pussy. "But I wanted to be satisfied, too. Eat my pussy. Suck my tits. Hold back and don't shoot your load deep in my pussy until I've had the chance to cum, too. This is my private session, too."

end of the gym and stretched. The vault horse was already in position, and she tested the springboard to get a sense of how lively it was. Bouncing around on the board, her tits jumped in her too-tight unitard. It wasn't one she had planned on wearing, but then again, she hadn't planned on cleaning jizz off herself with her practice tights and having to dig out this backup catsuit.

It was one of her favorites, the one that had gotten her international attention. It was custom made with a red band air-brushed around her chest and a low-rise blue bikini bottom painted across her crotch. Right over her pussy, a single, white star. Around back, the blue ass-panel that had been painted was speckled with tiny white stars. It wasn't what Betsy Ross had had in mind, but the rest of the flesh-tone catsuit made it look like she was performing in a bikini.

When she had debuted the outfit in Japan, it had driven the coaches crazy, and it had sure done a lot for international goodwill, too, as the fans went absolutely wild over her. You didn't often get standing ovations for eighth place, she knew, but the reaction to her whenever she trotted out onto the mat in the outfit sent fans into a frenzy. Tomorrow, for her final performances, she was going to be wearing a newer version of the same unitard. That one was Lycra and a half size too small. At first glance, it looked like it was spray-painted on.

Natalie did some warmups then a few simple vaults. Each time, the landing caused her trouble. On her last effort, she did a spinning somersault and was perfect except for a little bobble when her heels hit the mat.

"Damnit!" she hissed. She was about to take another go at it when she heard faint applause. Turning, she realized for the first time that she had an audience. What she saw surprised her. She knew both athletes. They were fellow gymnasts. Mike Brennan was on the U.S. team. But seeing Dimitri Kolzig surprised her. He was on the Czech national team, and he was Svetlana's boyfriend. Mike and Dimitri were going head to head in several events, so Natalie was stunned to see them leaning against a pommel horse like best buddies, staring right at her chest.

"What are you doing here?" she asked, eyeing Mike.

"Getting an eyeful," he said, wearing his ever-present shit-eating grin. "Look."

He pointed, and Natalie looked down. Good lord! Her practice leotard had started to rip. One of her boobs had popped out, and the other was threatening to. The leotard was daring enough even without it being torn.

Natalie tried to stuff her pendulous mam back into the leotard, but it was futile. The more she fought to wrestle it into the stretchy fabric, the more the overtaxed material ran and split. By the time she was done struggling, the rip had stretched practically to her belly button. The material hung limp beneath her breasts, both uncovered.

"Tell me you've got a change of clothes in your bag," Natalie said to Mike, trying not to make eye contact with Dimitri, who was eyeballing her boobs without reservation.

"Whattya think, Dimi?" Mike said.

"I think she look good just way she is," he said in heavily accented English.

"Hey!" Natalie protested, balling her hands into fists. Her tits jiggled wildly.

"What say we trade?" the Czech gymnast offered, running the tip of his index finger around one of Natalie's swollen, perked up nipples. Natalie shuddered. She couldn't deny it. Dimitri was one of the hottest guys on the circuit. Not to mention straight, too. She felt heat bloom in her chest as he moved closer.

"Trade?" Natalie said.

Dimitri rolled her nipple between his thumb and forefinger. She swallowed hard. "I show you how fix technique," he said. "But first..."

Natalie didn't need to wait for him to explain. She felt Mike slip behind her, freeing the unitard. It had become wedged beneath her mounds, and when he pulled on it, it simply tore in two. Dimitri pressed his mouth to hers, and Natalie wrapped her arms around his neck, driving herself into the hard lump between his legs.

Dimitri scooped her up, and Mike swept away her catsuit. Naked, Natalie felt the hot trail coursing from her jugs to her pussy, which was now beginning to leak around the outline of Dimitri's sizeable cock. Girls on the squad had often watched him perform, wondering what he had tucked into his jock. Now she knew, and she envied Svetlana for it. Getting it on with the trampy Czech's boyfriend would be a pretty good score.

Behind her, Mike's shorts dropped, and Natalie was sandwiched by cock and balls. Dimitri's stiff rod was poking into her belly, and Mike's hammer was trapped between her ass cheeks, probing her damp fur patch. Dimitri guided her to the end of the pommel horse, and Natalie grabbed on. Mike's tip found her entry and slipped inside her.

Natalie had never slept with any members of the team, but she had fantasized about a few on occasion. Now she was finding that the reality was pretty damned close to the fantasy, especially as he bottomed-out in her snug canal, his balls pressing into her gaping pussy.

Dimitri was a true performer. He doffed his T-shirt and leapt onto the horse in one smooth maneuver, swinging his leg over her head and his manhood into her face. Natalie's tits were propped up on the near pommel, and she opened her mouth to accept Dimitri's fuckstick. Dimitri was using the opposite pommel to support himself, arching his hips to and fro as Natalie's soft mouth engulfed his turgid shaft. With Mike's meat stuffing her twat from the rear and Dimitri's hard-on buried five, six, then seven inches into her throat, Natalie felt hornier than she ever had in her life. This double-team was beyond anything she'd experienced.

"Suck it," Dimitri urged, thrusting his hips forward and filling Natalie's mouth until it was crammed with dick. She was sucking all right, for all she was worth. There was simply too much Dimitri and not enough mouth.

Her eyes bulging, Natalie watched, amazed, as Dimitri took a hand off the pommel, supporting himself now with only one hand, and cupped the back of her head, guiding her down, down, until her nose was buried in his pubes. Dimitri smelled of soap and cold water and, now, spit. Natalie was gurgling saliva so thick that it was dripping onto her boobs, which jumped every time Mike slammed into her from behind.

"That's it," Dimitri said, his thick accent turning her on. "Do it like that and play with your tits for me."

Natalie let go of the pommel and palmed her huge tits. Drool ran down her chin, dripping onto the slick leather horse. With Dimitri's balls pushed against her chin, Natalie pinched her nipples and caressed her tits, kneading them, pressing them together, digging her fingers into them, leaving red marks as her orgasm began to build.

Before long, her throat packed with cock, her thighs quivering, Natalie released her hooters and gripped the horse, holding on as Mike continued to turn her inside out doggie-style. His callused hands replaced hers as he pawed her tits roughly, the way she liked it. His hands were hard and rough, weathered from years on the rings and pommel horse and mat. They felt dry and their texture sent a charge through her, especially when his grainy palms dragged across her nips.

"Mmmm, I'm..." she choked out around Dimitri's bone. "Guk-c'ming!"

Neither of her fuck partners might have understood the gurgled exclamation, but it didn't much matter. Dimitri felt Natalie's tongue and lips munch his soggy member and threw his head back as Natalie's throat finally opened to accommodate every last millimeter of him. As Natalie moaned and cried out, Dimitri tried to keep from blowing his wad right down her throat.

Mike was having his own difficulties. He continued to piston his dick deep into Natalie's gushing cunt. Before he finished, though, he had to know if the rumors were true. He needed to feel what it was like to explore Natalie's asshole. He had heard from a girl or two on the squad that Natalie's dildo of choice featured a sizeable back-door prong and that her travel bag was never without a jumbo-sized tube of KY jelly.

Mike pulled out. Natalie was caught up in the crescendo of her cum, but she jerked her head back when she suddenly felt her pussy evacuated. Mike could see Dimitri's eyes roll back as the Czech gasped, his lids closed, and began to ejaculate with the force of a river that had just broken over a dam.

For her part, Natalie couldn't imagine why Mike had pulled out of her, just when her second climax was about to break. But before she could protest, she felt the hot flood of Dimitri's jizz splash across her face. As the mad Czech pumped out spurt after spurt of baby batter, Natalie lifted her head and guided his missile at her tits. Tasting his salty discharge, Natalie felt herself on the cusp of that second orgasm. She was reaching down between her legs to give herself an extra push when Mike slammed into her ass, and all hell broke loose.

Natalie howled. The fierceness of her orgasm was nothing she could have prepared for. Her twat ground hard into the horse, the leather soaked with her girl-

sauce. Her tits swung apart and slapped back together, sending cum flying in all directions. Dimitri's hot jizz was in her mouth, oozing between her boobs, and streaking her face, while Mike began pumping nut butter into her. Natalie swallowed what she could of Dimitri's love lava, rode out Mike's post-orgasmic thrusts and wondered if she would even be able to stand up in the morning, much less compete. With Mike's cock sticky against her thigh and Dimitri's prick resting against her cheek, she didn't think it'd be all that bad if she couldn't.

The roar of the crowd filled her ears. The fans in the National Indoor Stadium were on their feet, cheering. Standing atop the center platform, two gold medals invisible for having dropped into her cleavage, Natalie waved and smiled. On the platform to her right, wearing a look of hatred, was Svetlana, far from accustomed to looking up during awards ceremonies. Natalie could see her frustration. She was trying to catch a glimpse of the medals she had not been able to capture, the ones tucked between Natalie's gargantuan hooters.

She winked at the two men cheering loudest, one a Czech and one a fellow American. Boy, had that chapped Svetlana's ass, seeing her former beau cheering for Natalie during the final vault competition. Natalie had found out the previous evening that Dimitri had broken it off with Svetlana.

"She great gymnast," he had confided about Svetlana, "but is lousy fuck. She has body of 12-year-old boy."

As the Olympic official cleared his throat to congratulate her, Natalie relived her final vault, the one that had gotten her here. As Dimitri had promised, if she tried to land on her heels, she would do fine. So she had done her double somersault and intentionally not rotated fully for her landing. Her heels hit the mat, but instead of her bobbling or falling backwards, her tits pulled her forward. She stuck her landing, a perfect dismount. The photographer from *Sports Illustrated* had cum in his pants.

Being in Beijing, 20 and horny. How better to spend the Olympics? Though her events were over, there was still a lot to look forward to. The men's rings, vault and floor programs were all yet to come.

And she had a pair of medal contenders who she had to help with some last-minute training.

Sexy Lexxi

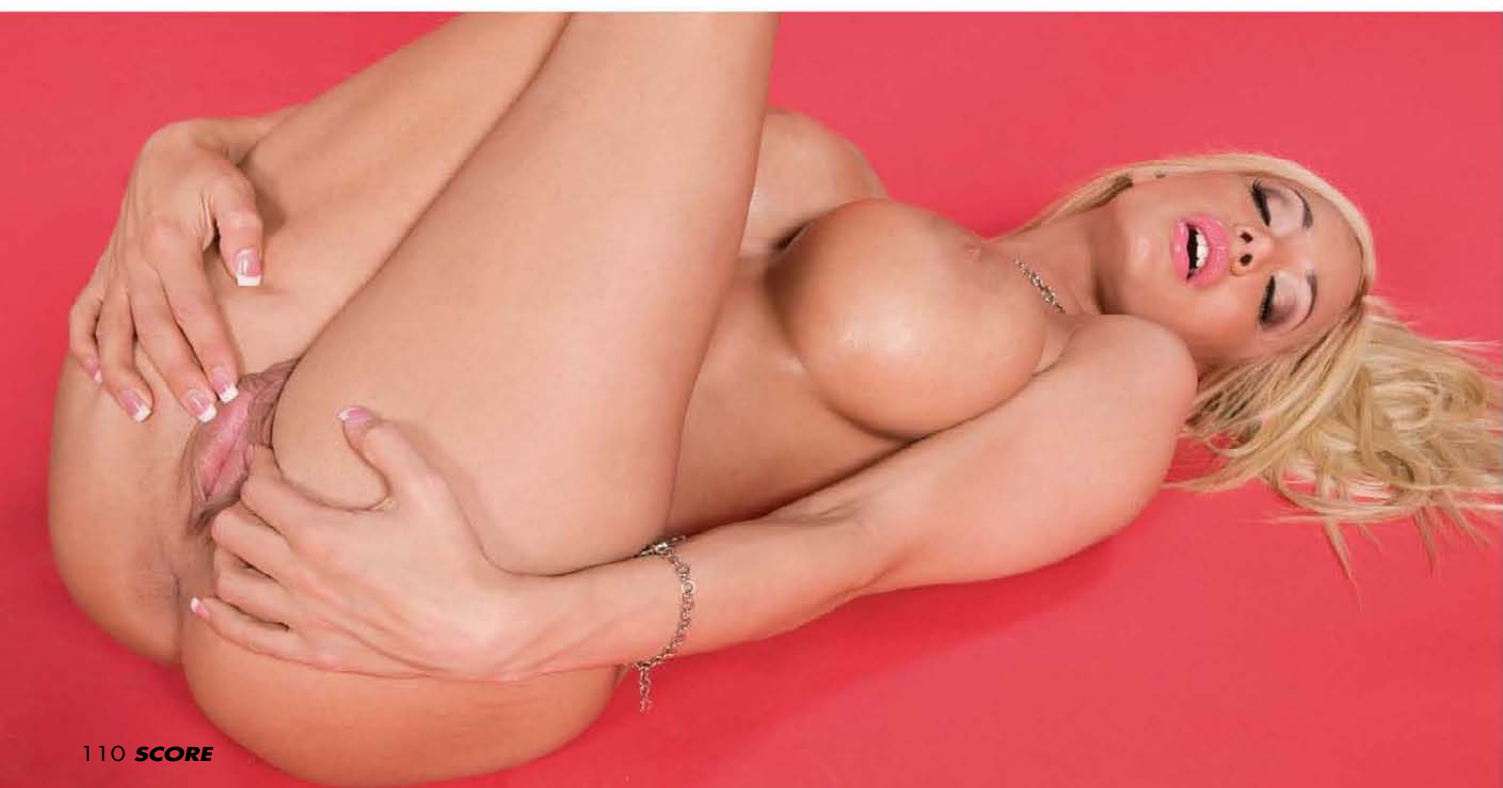

LEXXI IS VERY GOOD AT WHAT SHE DOES. WHAT SHE DOES IS EAT PUSSY.

"I'm the queen of girl on girl action," said porn star Lexxi Tyler. "The more pussy the better. Having sex with beautiful, busty women is a fantasy I get to act out on camera, and I love it." Now, don't be alarmed. In her private life, Lexxi loves cock. Can't get enough of it, in fact. But as a XXX actress, Lexxi only does girls. And she does them well.

Lexxi was in our studio at the same time as Kianna Dior, and they got into some scorching girl-girl that you'll see soon in *SCORE* and on DVD. Lexxi and Kianna couldn't get enough of each other, sucking each other's tits, eating each other's pussies and engaging in some super-sexy French kissing. "Lexxi's pussy tastes like honey," Kianna reported. "She's just so sexy, and she knows exactly how to handle a woman." Said Lexxi, "That's because I love pussy."

"I like the idea of bondage," Lexxi said. "I like the wardrobe, but bondage to the extreme is a bit too hardcore for me. I love funny handcuffs and feather teasers and to be tied up and spanked. I love having my nipples teased and my breasts handled hard. There are so many kinky things I plan on doing. I just haven't had the chance."

DENISE DERRINGER: RIDE HIM, COWGIRL!

AFTER A SOLO TURN IN THE JUNE '08 ISSUE, THIS BUSTY FUCK SLUT IS BACK TO DOING WHAT SHE DOES BEST.

We managed to wrench the cock out of Denise's ass long enough for her to pose solo in the June '08 issue and celebrate her third-place finish in the 2007 Model of the Year contest. But let's face it: Denise did so well in the competition because she's a megabuster who fucks and sucks, and if she's gonna fare even better in the 2008 competition, she's gonna have to do more of the same.

DENISE DERRINGER

These photos, which match Denise's scene in the DVD *Tits-A-Poppin'*, truly show off Denise's amazing XXX skills. We love the shot of her yanking cock the previous spread. She seems to be so into what she's doing. We love the shot of her tits hanging down as she stuffs her mouth with hard dick. And, in this spread, she's getting fucked in the ass, something we never get tired of seeing her do. "And something I never get tired of doing," she said. There ya go! Denise is a champ!

HOLLY HALSTON FINALLY FUCKS STRANGE COCK

FOR YEARS, PORN STAR HOLLY ONLY FUCKED HER HUSBAND ON CAMERA. IT'S TIME FOR SOMETHING NEW.

Those of you who saw Holly Halston in the October '08 Xtra section might be wondering, "What's she doing back so soon?" Well, the fact is, we weren't planning on an instant-encore appearance by Holly until...well, until she called us with some interesting news. "I'm finally going to fuck somebody besides Troy on camera, and I want to do it for *SCORE* first." Troy. That would be her husband.

"I was nervous but excited," Holly said after a week of shoots in which she not only fucked somebody besides her husband for the first time but also took it up the ass from somebody besides her husband and had an anal three-way with two men who weren't her husband. "It was exciting because I felt like I was cheating on my husband, but at the same time, he was sitting there the whole time watching me fuck these guys. But I was nervous because I haven't fucked anybody but Troy since we got married. Overall, though, it was great. I sucked their cocks, fucked them and even took it in the ass. I was like, 'Wow! A cock that's not Troy's fits in my ass!'" We never had a doubt.
