SCORE CARD

A galaxy of bust-out stars from the Oct. '08 issue: Kora shoved a dildo up her snatch; Maddie Thomas sucked on a big red one; brunettes Claire Dames (above) and Veronica Rayne (left) got ass-fucked, as did blonde Holly Halston (right) and Carly Parker; Jade displayed her huge Asian tits.

WE GET THE PICTURE: HE WANTS MORE PICS OF PUSSY & ASS!

Dear SCORE,

The October '08 issue was a smashing success. I loved the preview of *Tits & Tugs 2*. I only wish the video had actual fucking and sucking.

The debut of Kora the maneater was okay, but I was disappointed that her pictorial was somewhat tame. She has great tits and a nice, round ass, but I was hoping she would be more explicit. The two pussy shots at the end saved her pictorial.

If not for Minka, Jade Feng would

most likely rank as the No. 1 Asian sex star. I love her big tits and hairy pussy.

Miss Emma's debut was nice, but again, I was left feeling that her photos could have been more explicit.

The best part of this issue was the 32-page XXX section. It's so much better to

do several shorter pictorials of

many girls as opposed to longer pictorials of fewer girls. Puma Swede, Candy Manson and Stacy Adams all had good pictorials but could not compete with the anal sex sluts: Carly Parker, Claire Dames, Veronica Rayne and Holly Halston. Holly's asshole would be the perfect wedding gift. Fucking that ass would be the ultimate bachelor party. Fucking Veronica Rayne's ass for \$40 would be the best purchase since the USA bought Alaska! At \$40 a visit, I would fuck her ass every day and all day on Saturday and Sunday!

As for Lorna Morgan, I agree with E.D. from Waverly, Iowa. I don't enjoy

seeing preppers and hope you will stop showing them.

Nikki Jaye is very beautiful. Her big tits, small waist and curvaceous hips complete the package.

And what a debut by Maddie Thomas! She has the complete package of tits, ass, legs and pussy. Her photos are the way pictorials should be: spread and open for men to see. I would consider it an honor to have her legs wrapped around me, but only after I've licked and sucked her pussy and ass. The dildo she has would not be needed because my tongue, lips, fingers and cock would gladly service her any way she wanted.—W.V., Durham, North Carolina

MAKING THE HARD CALLS IN THE TOP 20 NATURALS SHOWDOWN

Dear **SCORE**,

I have to elaborate on my choices in the "20 Greatest Naturals Showdown" (Sept. '08). Some of the challenges were very difficult. Others weren't.

The jury is still out on some of the new models because the legends have been modeling for so long and have done more in their careers. That's the case with Linsey Dawn McKenzie and Marilyn Sakova. Linsey has been modeling longer and has done a lot more. Therefore, Marilyn has a long way to go, but she is definitely on the right path. She is, without a doubt, the closest thing to Linsey. But Marilyn would have to do at least two or three XXX videos, reinvent herself constantly and may have to reach celebrity status like Linsey did.

Other examples of this: Autumn-Jade over Christy Marks; Jessica Turner over Melissa Mandlikova; Via Paxton over Paola Rios. Paola has a very nice body, but Via is just too loaded.

I did pick some of the new naturals over the legends, like Kelly Kay over Charlotte; Anna Song over Nilli Willis; and Sharday over Devon Daniels. Some

Pairing off in the "20 Greatest Naturals Showdown": Lorna (left) and Natalie Fiore have remarkably similar tits.

were very tough to decide, like choosing Natalie Fiore over Lorna Morgan and Luma over Kerry Marie. In these cases, Kerry and Lorna weren't as hot as Natalie and Luma when they started their careers. Both Kerry and Lorna had to blossom to get where they are, especially Kerry, who started out as a bashful, cute type but later flourished. Kerry and Lorna got better as their breasts got bigger. Luma and Natalie didn't need their boobs to grow; they were already hot on arrival.—S.M., Baltimore, Maryland

VARIETY IS THE SPICE OF SCORE

Dear SCORE,

As a longtime reader of both *SCORE* and *Voluptuous*, I'm always impressed with the variety of scenes that your photographers use to depict your outstanding models. Each photo set always looks fresh, interesting and appealing. Often, the background setting, model's outfit and the supporting narrative help us identify with and fantasize about the situation. Let me give you some recent examples to illustrate my point.

It's always great to see Lorna Morgan, but her May '08 interview photos were fantastic. The sailing yacht deck scene, Lorna's little sailor's cap and seeing Lorna in (and out of) her bikini bottoms and stretch mesh top soon had me at full mast(urbation).

This photo set was quickly followed by another longtime fan favorite, Lisa Lipps as Major Hooters. Yes, they sure are! Lisa's abbreviated military outfit and her numerous poses

with great eye contact in a patriotic backdrop had me standing at attention. I had to give Lisa the 21cc salute.

Of course, Christy Marks in her sheer, white bridal outfit (June '08) set the scene for a fantasy wedding night. Her lovely smile, angelic setting and natural poses had me stammering, "I wish, I do; I wish, I do."

It's always a good idea to show the *SCORE* Girls in and out of bikinis during summer. Morgan Leigh and Daphne Rosen (July '08) really heated things up. I, too, had to get wet in order

to cool off.

"Tits in tight tops" is a perennial favorite and gives the reader a chance to see *SCORE* models in tight-fitting street clothes. This helps us better identify with each gal. I hope this feature continues for a long time.

I really enjoyed seeing "Stefani's Surprise," a six-month pregnancy photo set in the July '08 issue. Her overall radiance, enlarged breasts, darkened areolae, maternity bra, lotion and lactation equipment made for quite a scenario. This very approach makes all *SCORE* models more real to the reader. It's

great that you are taking a risk by being on this cutting edge. I'm sure there will be some vocal readers who dislike this pictorial, but I think a silent majority very much appreciates an occasional photo set of this nature.

Finally, I have to mention the Kylee vs. Christy "Flexitime" pictorial (Aug. '08). It was a great idea to show their incredible flexibility. The clear-blue background, side-by-side poses and many athletic positions enabled readers to compare their incredible attributes. Ironically, the more flexible Kylee and Christy became, the stiffer I got. However, this problem was soon remedied.—Jack, address withheld, via email

HE LOVED LORNA, BUT HE'S STILL NOT A PREGGER CONVERT

Dear SCORE,

I was already sharpening my nib to tell you to stop featuring layouts of my favorite babes with buns in their ovens as it ruins the fantasy. I recall strongly voicing my opposition when *SCORE* ran a pregnant set of Lorna Morgan in February '06, but then I got to Lorna's latest photos in the October '08 issue and all thoughts of dissent just died.

No two ways about it, she looks amazing. I can

Even guys who don't normally like seeing pregnant women went nuts over Lorna Morgan.

Bikini babes like Morgan Leigh and Daphne Rosen, bridal fantasy girls like Christy Marks and Lisa Lipps as the drill sergeant of our dreams are among the things that make every issue of SCORE special.

COMING SOON: Our trip to Hungary with Karina Hart, Christy Marks, Terry Nova, Melissa Mandlikova and seven other chesty naturals resulted in a bounty of new videos. The first one, *Hooter Hotel*, featuring Karina, is due out next month, so look for a preview next issue.

honestly say that on this occasion, I don't feel envious, just awed by her beauty and sheer womanliness. But please don't make a habit of this as you appear to be doing. I think it's admirable that you present your models as human beings as opposed to mere body parts, but you must never lose sight that jacking is the goal, first and foremost. I'd rather you left the models' personal lives—pregnancies included—out of it.—K.S., address withheld, via email

THE LORNA EFFECT: THE PROVEN CURE FOR ERECTILE DYSFUNCTION

Dear SCORE,

The "20 Greatest Naturals Show-down" in the September '08 issue reminded me that I owe a debt of gratitude to the lovely Lorna Morgan for all she has done for me.

Several years ago, I suffered a minor stroke that left me with what some doctors call erectile dysfunction. I was given medication to deal with the problem, but my greatest success occurred when I saw one of Lorna's pictorials in SCORE. She is truly one of the classic beauties in every way, and I have enjoyed her every time. Other SCORE models have helped as well, but Lorna has been the key to much of the pleasure I have experienced since the stroke.

I took the risk of mentioning Lorna's effect on me to my doctor. I expected him to laugh, but he surprised me when he admitted he reads SCORE regularly and Lorna is one of his favorites. Small world.—M.T., Elkins Park, Pennsylvania

KARINA: ALREADY IMMORTAL

Dear SCORE,

Karina Hart (Sept. '08) has ruined me for all other women. Her breasts are perfect, and the curve of her hips and ass are absolutely divine. Miss Hart is perfectly proportioned from top to bottom.

While your pictures are a good start, this is a woman who should have her likeness immortalized in marble. She is far and away the most incredible model I have ever laid eyes on and definitely a future member of the pantheon of greats. Thank you for bringing us this truly tremendous discovery. I, too, am hooked on her. She already has my vote for "Newcomer of the Year."—M.Q., address withheld, via email

Dear M.Q.: Sharpen your pencil and get ready to vote. The 2008 SCORE Newcomer of the Year Contest kicks off with this issue and, not surprisingly, Karina Hart is one of the 10 finalists. Check out her new pictorial beginning on page 107, and cast your ballot on page 13.

HE'S "HUNGARY" FOR KARINA

Dear SCORE,

Karina Hart looks like a super-ready sexual athlete! She is a natural. Her latest pictures on *Scoreland* in "Hungary for Hooters" are breathtaking. I can't wait to see her pics with Christy Marks. I pray for the day I see Karina taking a huge cock between her luscious tits and in her juicy pussy. You found a champion in her. Congratulations.—Robert, address withheld, via email

Continued on page 12

Supernaturals converged when Karina Hart (she's in yellow) and Christy Marks went tit-to-tit in Hungary.

THIS JUST IN FROM PALM COAST: KYM IN APRIL '08 WAS AMAZING

Dear **SCORE**,

I'm a little late, I realize, to be commenting on the April '08 issue, but I missed it when it first came out and just got my hands on a back issue. Imagine my glee when I opened it and saw my favorite model, Kym. I was so enthralled with her in the August '07 issue that I wrote you to lavish praise upon her. Please humor me as I do so once more.

Like all **SCORE** Men, I love boobs, but I also appreciate a pretty face, a fine ass and gorgeous legs, and Kym has all that in abundance. The shots showing her voluptuous ass and lusciously curvy hips practically gave me a heart attack. I know Kym wants to be a singer, and I support her in that endeavor, but please, oh please, beg her, bribe her if you must, to do more photo shoots with you.—B.P., Palm Coast, Florida

Dear B.P.: It's never too late to comment on one of your favorites. Unfortunately, so far, the lovely Kym hasn't returned to the studio. For some girls, modeling nude is a fleeting thing. But you can see more of her in the June '07 issue of *Voluptuous*. To order a copy, give us a call, toll-free in the U.S. and Canada, at 1-800-421-0760 (+1-305-662-5959 elsewhere) or get it online at eBoobStore.com.

The 2008 *SCORE* Awards

It's time for you to vote for your favorite big-titted babes!

In 2007, Christy Marks cruised to victory in the Newcomer of the Year Contest. Crystal Gunns experienced one of the thrills of her life when she won Model of the Year for the first time. And Danni Ashe was inducted into the *SCORE* Big-Boob Hall of Fame. Who will win the honors this year?

Once again, we're asking you to cast your ballots for your favorites in three important categories: Newcomer of the Year (the oldest of the *SCORE* Awards), Model of the Year and Big-Boob Hall of Fame. This issue of *SCORE* is devoted almost entirely to the top 10 newcomers of 2008. It contains new pictorials of all of the finalists. The contenders for Model of the Year can be seen on pages 32-39. SCORE[®] NEWCOMER OF THE YEAR 2008 CONTEST

Isis Haze

We kick off this year's Newcomer of the Year Contest with a girl who's so new, you've never seen her before. Her name is Isis Haze, she's a house dancer from Wisconsin and she was discovered in one of our favorite ways: A *SCORE* reader walked into a gentlemen's club to enjoy some erotic entertainment, looked up on stage and saw some of the biggest tits he'd ever seen in person. Then he started laying his rap on her. "I know a magazine that would love you," he said. "It's called *SCORE*." After flattering her and convincing her that he wasn't just some crackpot off the streets, he got her to take some test shots and sent them along to us. We flew her to Miami, took these pictures and decided that she is one of the top 10 newcomers of 2008. And he got a healthy finder's fee and our eternal thanks.

As you page through this issue and try to decide who will get your vote for top newcomer, you'll realize that 2008 was another great year for naturals. Isis was just the icing on our cocks. "I love big tits as much as some guys do," Isis said. "When I'm having sex, I love licking my own nipples. I love it when I lick one and the guy I'm with licks the other."

These pictures and the ones on the following spread should assure you that Isis isn't shy. We asked her to oil up her tits, and she oiled up her tits. We asked her to spread her pussy, and she spread it wide. "Sweetheart, would you please open up your asshole?" we asked, and she did it. "Hey, this is a jack mag, right?" she said, catching on right away. "I want guys to jack to my photos." Isis, you didn't have to ask.

The Best Jugs in the 'Naut

**It was more than the
best wet T-shirt contest ever.
For Hank, it was much more!**

BY JON WHELAN • ILLUSTRATION BY OTIS SWEAT

Hank Leahy never claimed to be original. Just successful. Which went a long way towards explaining why he was locking up late again, alone, after counting out the register receipts. It had been another good night, the latest in a string of such nights as the bar's 10th anniversary approached.

Hank had patterned his gin mill on the legendary Hogs and Heifers tavern in New York City, where the decor was fashioned from the willing donations of women's panties. Everybody from feature topless dancers to Hollywood starlets had slipped off a pair of unmentionables, sometimes less than discreetly, to add to the collection. Eleven years earlier, Hank had stumbled into the pub for a nightcap. A lifelong boob man, he'd brought the concept north and opened his own establishment. The Juggernaut was born.

Along each wall, above the bar and hanging from the hardwood crossbeams, bras from well-developed ladies decorated his second home. From a 19-year-old exchange student's over-the-shoulder-boulder-holder in the F-cup range to a gargantuan L-copper sold in England, the smallest support system on display was a triple-D model that had been supplied one particularly raucous evening after the Red Sox eliminated the Yankees from the playoffs. As Hank recalled, several additions had been made that night.

Hank glanced at the banner that had been hanging over the bar for some weeks now, the banner that advertised the likely reason for the upturn in the nightly take. Word of the contest had spread as far as Rhode Island and Maine. At the time, the idea of a \$10,000 grand prize for the Best Jugs in the 'Naut seemed risky. Not now. No shortage of well-endowed women had come through the bar since the contest was announced, and where there were big-titted babes, there were men lined up three-deep to buy them drinks. Hank kicked himself for not thinking of it sooner.

He was reaching for the light switch when he heard a tap at the door. Since it was Tuesday, the bar usually cleared out around two. Who could be knocking at twenty past three?

He peeked around the shade to take a look. Standing outside was a woman, fidgeting, shifting from foot to foot. Hank couldn't get a good look at her, but she didn't appear to be a regular. Seeing that she was alone, he let her in.

"Howdy," said Hank. The girl stood about five-six, a brunette with blue-green eyes and a pretty face that would have had Hank grinning in and of itself. But Hank was more than grinning. He was feeling the familiar stirring in his loins that he always felt when a bosomy looker crossed his path. And this filly was substantially bosomy. Her boobs lifted up her shirt so high that her belly button was visible.

"Thanks!" she said cheerfully. "Sorry, I didn't know you'd be closed. Got stuck on the Turnpike. But I wanted to come down and enter the contest. The deadline is still tonight, right?"

The deadline had actually been Sunday night, but Hank didn't care. It was his bar. His contest. His rules.

"Yup," he said.

"My name's Kelly," she said.

"C'mon," Hank said, barely able to keep his eyes off her chest. "I'll get you the form."

Hank led her to the bar, got out one of the entry forms and handed her a pen.

He watched as she filled it out. She leaned forward when she wrote, giving him a clear view down her crew-neck. What a pair of tits she had!

Kelly gave Hank the sheet. She definitely wasn't a local, but she sure had a better-than-fair shot at the top prize. He saw her checking out the decor, suitably impressed by some of the tit slings.

"Wow!" she said. "Do I have a shot?"

"By the looks of...things," Hank said, ogling her jugs. "I'd say you're definitely in the running."

"Really?" she asked. "You think these are good enough?"

She hauled up the front of her shirt and bared her large, firm and perfectly shaped globes. All Hank wanted to do was slobber all over those hooters. Suck her nips. Nibble those titties until Kelly creamed her jeans.

"Are they natural?" Hank asked.

"See for yourself," she offered, taking off her shirt the rest of the way.

Hank was around the bar in a flash, standing before Kelly and bringing his hands up under her cans. He cupped them, felt their weight in his palms. Kelly didn't object when he gave them a squeeze. Then another. Or when his thumbs began to stroke her nipples until they were hard.

Natural *and* gravity-defying. Kelly had to be at least an F-cup. Her nipples had flushed dark, and she showed no sign she wanted Hank to stop. He knew he'd been at it a lot longer than necessary to confirm her boobs were God-given, but since she wasn't objecting...

Hank put his mouth to one of her succulent caps and tongued it while continuing to fondle her other knob. Kelly let out a little gasp of surprise as his lips closed around her nipple, but her fingernails scratching lightly at the back of his neck told him that he was doing just fine.

Hank came up for air. Kelly's breast glistened with saliva. He pressed her tits together and went back and forth, suckling each one hungrily. His oral action made Kelly squirm.

Hank hoisted Kelly off the stool and swung her around, putting her down on one of the tables by the bar. He shucked off his shirt and jeans and climbed on top of her. Kelly writhed as he waved his dick at her hooters.

"Wait!" Kelly protested, pulling him closer. "Let me suck it first."

Hank had no problem with that. Kelly opened her mouth, her soft lips parting around the tip of his cock, before slithering wetly down his pole. She wrapped her hand around his shaft and stroked him while working the head of his bone. She had a great mouth. Her tongue was everywhere at once, first tickling the tip of his asshole, then teasing the underside of his glans, before working all the way around the sensitive ridge. To top it off, Kelly was a noisy little cocksucker, her molten mouth making raunchy slurping noises as she gobbled his dick.

Hank thought about letting her suck his cock until he came. The notion of blowing his wad in her mouth was appealing. His bet was that Kelly was a swallower. No girl who liked huffing cock this much wouldn't take it in the throat and guzzle it down. Kelly, he was certain, was the type of slut who loved the taste of jizz and couldn't wait for him to spew a hot, salty mouthful and lacquer her tongue. But as much as he wanted to watch Kelly chug his load, he couldn't resist pulling out and slapping his spit-dripping boner between her jugs and wrapping them tight around him, creating a tit vacuum that sucked him almost as good as her mouth.

Hank rode Kelly hard, fucking her

Yurizan

The arrival of both Yurizan and Karina Hart in the July '08 issue was a windfall for big-tit lovers. Wrote, J.G.P. from Toronto, Canada, "One appearance and Yurizan and Karina Hart are already members of SCORE's upper echelon. They are both the total package." In that issue, we clearly cast our vote for Karina as she got the main cover shot, relegating Yurizan to the side. And since Karina is already being hailed by SCORE Men as one of the best naturals ever, it just might be that the 2008 Newcomer of the Year Contest will turn into a runaway: Karina in front, then all the rest far behind. But not so fast! Before you crown Karina, check out these seven pages of Yurizan. She's one of the most beautiful models we've ever featured (in a class with Ines Cudna), and, as these pictures reveal, she's one of the sexiest. What a doll!

From her angelic, youthful face to the unique shape of her natural floaters to her long, strong, luscious legs to her bangable butt, Yurizan has everything you could ever want in a woman. She also has one of the prettiest, meatiest pussies we've ever seen, and she loves to spread it and finger it. "I've always loved showing off my breasts," she said, "and now I love showing off my pussy. I used to be a little shy, but not anymore."

It's all here on this spread: the face, the tits, the ass, the legs, the pussy. "Sure, I'd love to be **SCORE** Newcomer of the Year," Yurizan said. "What busty model wouldn't? But, most of all, I just hope the readers like me." They do. No doubt.

Twelve **SCORE** favorites go tit-to-tit.

Who's the best in the world?

Merilyn Sakova

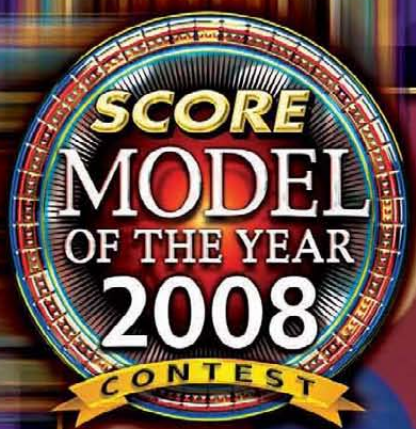

Lorna Morgan

In 2007, it was Crystal Gunns. No surprise. She'd had an amazing year that included her first boy-girl. In 2006, it was Merilyn Sakova. Again, no surprise. She was being hailed as one of the greatest naturals ever. In 2005, it was Minka. Once again, no surprise. Her career seemed to be leading up to the ultimate honor of winning **SCORE** Model of the Year. But who's the obvious pick for 2008? There is none!

Crystal Gunns

Denise
Derringer

This figures to be the most competitive Model of the Year competition ever with 12 girls vying for your vote and all of them having a legitimate claim to the prize. On the previous spread, Lorna Morgan convinced even guys who don't like preppers that they should reconsider. Marilyn Sakova proved she *could* get better. Columnist Crystal Gunns looked special every time we saw her. On this spread, Daphne Rosen and Denise Derringer fucked their way into our hearts, and Rukhsana is the classic **SCORE** Girl.

Cindy Cupps

Kylee Nash

Okay, gentlemen: Cindy Cupps has been a *SCORE* Girl since 2000—that's eight fucking years!—and it's time for you to show her a little respect. She supersized her rack, did her first boy-girl video in *Tits & Tugs* and landed the cover of the October '08 issue with a magnificent sweater photo. Listen, we're not campaigning for Cindy. We're just saying that if it was Minka's turn in 2005 and Crystal's turn in 2007, then maybe it's Cindy's turn in 2008. Oh, by the way: Has Summer Sinn's rack ever looked better?

Summer Sinn

Morgan Leigh

**Christy
Marks**

Paola Rios

There was no sophomore jinx for Christy Marks, who followed up her win of 2007 Newcomer of the Year by doing her first tug-job video (*Tits & Tugs 2*) and her first hardcore fuck-and-suck (*Christy Marks Gets Fucked*). So, if we had to pick a favorite going into the contest, it would have to be Christy, especially since Newcomers of the Year often go on to win Model of the Year. But Morgan Leigh is a former Newcomer of the Year, too! **SCORE** Men, picking one girl isn't going to be easy. But it will be fun!

SCORE[®] NEWCOMER OF THE YEAR 2008 CONTEST

Annina Ucatis

For some men, there is only one criteria for a SCORE Girl: She must be slim 'n' stacked. That might sound like two criteria, but it's not. Being slim is not enough. Being stacked is not enough. She must be both. Which is why Annina Ucatis from Cologne, Germany, figures to get a lot of support in the 2008 Newcomer of the Year Contest. In fact, if history is any indication, Annina and Karina Hart-the mega-buster and the super-natural-will be the top two vote getters. And Annina might very well win. Why? Because of the math: Lovers of natural tits will likely be tied up in knots trying to decide between Karina, Janet Jade, Yurizan and any of the other naturals. But the mega-buster, slim 'n' stacked vote is going to be dominated by Annina. Will it be enough to carry her to a surprising victory?

In all honesty, we wouldn't mind if Newcomer of the Year went to a woman who admits to having had a breast fetish since she was 18. "I love big breasts," Annina said. "I love the breasts of all of the women in **SCORE**. I would love to suck on Karina Hart's tits." Maybe that can be Annina's grand prize...if she wins!

SCORE NEWCOMER OF THE YEAR 2008 CONTEST

Janet Jade

Why should Janet Jade get your vote for Newcomer of the Year? There are plenty of reasons. Here's one of them: In the September '08 issue, Janet went tit-to-tit with the legendary Sammie Black in the "20 Greatest Naturals Showdown." Now, it is pretty much agreed that Sammie has one of the top three biggest natural racks of any girl who has ever appeared in **SCORE**. Hers just might be the biggest...or, shall we say, might have been the biggest. Because in this tit-to-tit challenge, Janet Jade, a college student from Detroit, Michigan, matched her inch for inch, pound for pound, in the place where it counts most to **SCORE** Men. More reasons to vote for Janet: Few models have ever looked as good as she does in a string bikini. And no model has ever looked so slippery and sexy when wet!

Just to top things off, Janet finished 2008 by taking a big, hard cock between her tits in the movie *Tits & Tugs 2*. Not surprisingly, she makes the cock disappear. So there you go, **SCOREMen**. Does Janet have your vote?

Bea Summer

Every girl in the 2008 Newcomer of the Year Contest has something to offer. For Bea Summer, it's smoldering sexuality, whether she's all greased up and working on her car in the August '08 issue or in a far more domestic situation in this, her second appearance in the world's greatest big-tit mag. Bea's ability to look sexy in any situation reminds us a bit of Anna Jota, a newcomer in 2005, as does her totally explicit posing. "I want the readers to like me. Really like me," said Bea, who lives in Germany. "I want the guys to fantasize about what it would be like to be alone with me. I have not disappointed any man." Actually, that's not quite true. Bea disappointed us when she missed our *Big-Boob Paradise* shoot because of passport problems at the airport. But we're getting over that.

Bea is slim, beautiful and sexy. "Many men have told me that," she said, smiling. "They were trying to get me into bed." Maybe so, but they weren't lying. "If a woman wants to have sex, it is very important for her to look her best. And I want to have lots of sex."

When Sharday and Alyssa Alps finished second and third last year behind Danni Ashe in the voting for Big-Boob Hall of Fame induction, it seemed certain that one or both of them would only have to wait one more year to get voted in. But nobody counted on this year's class of candidates becoming one of the most star-packed ever. It's an amazing slate!

Angel Eyes

Chloe Vevrier

Lisa Chest

Over the past year, Linsey Dawn McKenzie, Chloe Vevrier, Diane Poppo and Julia Miles became eligible for the Hall of Fame. By popular demand, Lacey Legends was added to the list of nominees, too. So, gaining entry into the big-tit pantheon has become more difficult than ever. And deciding who will get your vote has never been tougher.

"I need sex at least five times a week," said Lillian Faye, who debuted in the December '08 issue and has already become one of our favorites. "I like lots of foreplay. Tit play, kisses up and down my body, especially my neck, boobs, tummy and ass." That covers just about everything, doesn't it? And it proves what we've always said: You can't tell a book by its cover. Lillian looks like the girl-next-door. You'd think she'd be the type of girl who might make you hang on until marriage for a fuck. But you'd be totally wrong. That's the beauty of a beauty like Lillian. "Men always say to me, 'You look so sweet and innocent.' I say to them, 'I am sweet and innocent, but that doesn't mean I don't like to have sex.' I just don't put it out there like some girls do." Well, here's Lillian, putting it out there!

"I appear passive on the outside, but when I want sex, I love to tease until he can't take it and makes the first move," Lillian said. "I guess you could say I never make the first move, but in a way, I make him make the first move. I usually get what I want." *Usually?* How can any man resist Lillian? "In all honesty? It hasn't happened too often." Even once? "I guess never. But you know how guys are." Yeah. We can't resist a pretty face and a great pair of tits.

Daylene Rio

You've had fantasies about women like this. The sexy, Latina house dancer with big tits. The one that grinds in your lap until your wallet and balls are empty. The girl that mama warned you about. The girl that every married woman fears. She's too sexy for everyone's own good. And she knows it. So, while Daylene Rio grinds in your lap at Hawaii Theater in the City of Industry near Los Angeles, California, just try to say, "Stop. I have to go home now." Try to keep yourself from grabbing her tits and slapping her ass and trying to sneak a finger or two up her shaved snatch as Daylene, with every move, defines "full-friction lap dance." *Ooops!* What was that? You came in your pants? "That's the whole idea," Daylene said. "When I give a lap dance, I'm going to make you cum. I always get what I want."

Anybody care to vote for a sultry Latina with big tits, huge, dark areolae, a shaved, pink pussy and a spread asshole? Oh, and did we mention she fucks her brains out in the DVD *Busty 'n' Wet*? That has to be worth a few votes right there!

tits like he hadn't gotten laid in a year. Kelly was into it, moaning and crying out when Hank pinched her nips or he drove into her tit-pussy so hard, his balls slapped the base of her cleavage.

On a better night, Hank might have lasted longer, but not tonight. Between Kelly's fantastic head and her Grade-A balloons, he arrived at his jizzing point quicker than he expected. His cock twitched, and Kelly gasped as her chin got plastered by his first spurt of gunk.

The table was rocking, and Hank's back stiffened. His prick jumped out from between Kelly's mounds, and a jet of semen coursed between her headlights. Cum landed on her tits, her throat, even her face. Hank wasn't surprised to see Kelly gulping down what rained into her mouth.

Hank climbed down after his cum-shower ebbed and fetched Kelly a bar mop to clean off with.

"See you Saturday!" Kelly chirped, pulling on her shirt and skipping out the door. Hank didn't bother locking back up. He was too busy pouring himself a double.

Thursday night was uneventful. Profitable, but uneventful. The guys were buzzing about the Saturday night festivities, but no other latecomers had entered, and Hank had a pretty good idea who'd wind up taking home the 10 Gs. He was driving home when he saw somebody in the road, waving. Slowing, he recognized one of his regulars, Maggie, who'd be battling tit-to-tit with Kelly in the wet T-shirt portion of the competition. Hank pulled over.

"Dead as a doornail," Maggie complained, pointing to her car. The door was open and the hood up. Hank got in and tried the key. Nothing. He went through the motions, checking the usual possibilities. It appeared Maggie had a dead battery. She was rummaging around in the trunk, her generous ass sticking up, when he came around back. Maggie was wearing skin-tight, hip-hugger jeans and a loose-fitting top. Hank enjoyed the view, until Maggie looked back at him. He gave her the bad news. Maggie pursed her lips.

"Think I need to be...jumped?" she asked with all the subtlety of a sledge-

hammer. Hank, whose cock was already rising to the occasion, pulled her glorious rump into his crotch and dry humped her.

Maggie let out a *Whoop!* as Hank's bulge dug into the crack of her ass. She gripped the bumper for support as Hank thrust his hands up her shirt and grabbed hold of her hooters.

Maggie had never worn clothing that accentuated her top-heavy figure, and Hank had always had some doubt about whether she could really fill the brassiere she'd contributed to the bar's ornamentation. Now, with Maggie bent over and grinding her ass into him like a cat in heat, Hank was rethinking his assessment. It felt as if he were balancing two watermelons in his large (though undersized for the task) palms.

"How do you like it, Hank?" Maggie purred in a low, seductive voice. "You a doggie man?"

"Woof," Hank grunted, his throbbing meat nestled in the cleft between Maggie's cheeks.

Out of the way though it was, fucking on the roadside was inviting trouble. So Maggie wriggled out of the trunk and led Hank to the dark backseat of her car. Though the sedan was by no means a compact, it quickly grew crowded once Maggie stripped, setting her pendulous boobs free.

Oh, yes! Hank knew he had seriously underestimated the size of Maggie's hammers. *Hammers?* Who was he kidding? They were more like anvils. Thick and meaty, solid and forged into twin nosecones that poked him in the face.

They kissed, and Maggie's mouth was hungry, her tongue snaking its way inside Hank's mouth. She really was like a cat in heat, thrusting her jugs into Hank's face and purring as he spread her legs. Hank took Maggie's small, girlish hands and had her mash her boobs together while he yanked down his pants. Hank went back to playing tonsil hockey with her, and the tip of his oozing cock jabbed her in the belly. Maggie playfully slapped it away, pulling free of Hank's embrace.

"So, from behind?" she suggested, and Hank shifted onto his knees to take her that way. Maggie got down on all fours, sticking her ass in Hank's face. Maggie was curvy in all the right places: full in the thighs and hips, just the right amount of junk in the trunk, and of course, chest buoys that would keep her

SCORE[®]
NEWCOMER
OF THE YEAR
2008
CONTEST

**Mandy
Pearl**

She walked into our lives during our week-long "Hungary for Hooters" trip to the Budapest countryside that was featured on Scoreland.com, and now she's walking into the 2008 Newcomer of the Year Contest in her very first appearance in **SCORE**. Not bad for starters, eh? Mandy Pearl, a beauty therapist back home in London, England, hauls around a beautiful pair of F-cup naturals, a nice, round, fleshy ass and muscular legs that she'd love to wrap around your back when the going gets hard and wet. And, yeah, Mandy is playing the part of sultry vixen in these photos, but that's only one side of her personality. The other side, as we discovered, is fun, playful and girlish. "I'm very excited about this," Mandy said as she prepared for her first pictorial. "This is about the most exciting thing I've ever done."

These pictures were taken on the grounds of a castle in Hungary, an hour outside of Budapest. It's where we brought together Mandy, Karina Hart, Christy Marks, Terry Nova, Melissa Mandlikova and six other busty naturals for a week of photo and video shoots (look for them soon). Mandy and Karina hit it off big and even played a dick-hardening game of tennis (you had to see those tits bouncing!) that turned into a water-balloon contest. It aired on **SCOREtv**. See it at Scoreland.com.

Chest-wise (we're talking about the shape of her tits and how they sit on her chest), Mandy reminds us a little of American Annie Swanson. Mandy, who is completely new to modeling, had never heard of her, although she has heard of fellow Brit Linsey Dawn McKenzie. "I think she's great," Mandy said. "I would love to be as famous as her." She's off to a smoking start!

afloat after a shipwreck. Without bothering with a rubber, Hank found Maggie's sopping notch and probed it.

Maggie groaned in satisfaction as Hank plunged into her, burying his pole balls-deep. His nuts came away soggy, so wet was Maggie's love trench, which only served to make him hotter. Once again, Hank reached around and got a hold of Maggie's funbags. Where, he wondered, did Maggie top out on the scale? G-cup? An H-cup, perhaps? Hank had seen only a few H-cuppers in person in his life. A lot in *SCORE*, of course, but there was nothing like the real-deal, in 3-D and shaking right in your face. Maggie could be an H-cupper, he decided, wrestling with her boobs, feeling—and hearing—the slap-slap-slap as they swung back and forth.

"Squeeze 'em, baby," Maggie begged. "I like it when you play with 'em."

Her lucky day, Hank thought. Playing with tits during sex was one of his favorite pastimes. Along with fucking and sucking them.

Maggie whimpered, leaking cunt oil down his thighs. She arched her back, pressed her palms to the glass and braced herself. Hank, like a champion bull rider, hoped to hold on for seven seconds because he didn't think it'd take much longer for him to blow his load, either up Maggie's box or on her back. Given the confines, he wasn't too sure, if she kept going like she was, that he had the room to pull out. With a quart of jizz bubbling in his balls, Hank grabbed Maggie's ass and shoved her forward, freeing up a little space.

Maggie howled as the tip of Hank's dick was trapped, stabbing right into her swollen clit. Hank could feel his cock free of her snatch, but it was still trapped in her outer folds, and now Maggie was cumming even more intensely. As Maggie's labia stroked Hank's tip, he couldn't deny that the sensation was pushing him over the edge, too. Once again he thrust forward, his hips, hands, thighs and cock propelling Maggie against the window, her fleshy torpedoes striking the glass with a sweaty flumph. Hank pulled back, but his jones was still pinned, once again at the bottom of her slit, just millimeters from reentering her slick canal.

Flumph! her tits spanked the glass.

Hank looked up this time, seeing the two impressions Maggie's huge globes had left in the condensation. *Flumph!* again. Hank was right there now, his balls stretched taut like an overfilled water-balloon. *Flumph!*

"Oh, yeah!" Hank cried, his cock now pointing skyward as ropy ball butter sprayed out of him, striking Maggie's back and ass cheeks. Feeling Hank's love lava flowing into the hollow of her back, Maggie pressed her tits into the cool panes and yelped with every spurt of spooage Hank poured out.

Good thing she's got leather seats, Hank thought, looking at the mess they'd made. After cooling down, Hank got out his jumper cables.

When Maggie asked him to follow her home to make sure she didn't stall out again, he was happy to oblige.

Friday morning wasn't looking good. Hank had gotten in around five, worn out and dragging like something the cat hadn't brought in. By 10, he had a pounding headache that was preventing him from sleeping. Pounding, pounding, pounding...

The door, you dumb-ass, his brain finally kicked in. Somebody's banging at the door!

Hank took his time, splashing cold water on his face and freshening up a bit. If his visitor left, all the better. He could go back to bed until he had to open up the bar. But no, the knocking continued. Hank went to open the door.

"You bastard!" spat Naomi Weaver, slapping her hand so hard on her thigh that the rain accumulating on her slicker shot at Hank like it came off a wet dog. Naomi stormed in, uninvited, to face off with him.

"Nay, what the hell are you..."

"You know damned well what I'm talking about. I saw your truck parked outside Maggie's place all night. How could you? She's in the contest!"

Suddenly, Hank got it. Naomi was right. Maggie was a contestant, just like Naomi. Oh, boy!

"Listen, Naomi, it isn't like..."

"Isn't like what? Isn't like you fucked her? Hank! How can you be fair when you're fucking the contestants?"

She had a point. And he knew why she was so ticked. Entering the contest, Naomi had been one of the favorites. She'd won nearly every wet T-shirt contest in the county three years running, and while he'd never seen her naked, he

had seen her wearing a wet, sheer piece of cotton and couldn't deny she had the biggest rack in the state. Perhaps it had been a mistake to sleep with Maggie, he thought. And Kelly, too. If either of them won and word got out that Hank had been boffing them, things might get ugly. Juggernauts, after all, was successful because of one thing: its reputation. If that were damaged...

Hank was stuck. But not for long. Watching Naomi fume there in her slicker, rain dripping onto the carpet, he got an idea. He invited her into the kitchen for coffee. She followed.

"So, you think this makes everything unfair, huh?" he asked.

"Duh! Ya think?"

"Well, I can think of one way to be sure everything's fair and on the up-and-up."

"Oh? How?"

Hank moved in quick, grabbing the cuffs of her slicker and kissing her neck. He ran his tongue up to the back of her earlobe, tickling it, feeling her beginning to melt. Then he kissed his way back down, down past the collar of her shirt, straight down her tit to the spot where rain had dampened her blouse so that her pert, pink nipples were already begging for attention.

"Oh, Hank!" Naomi breathed, going weak in the knees. Hank had heard from a fellow or two who'd rolled in the sack with Naomi that she had such sensitive knockers that she could cum just from having them tweaked. He was banking that those guys were telling the truth. So far, so good.

Hank peeled off her coat and dumped it on the floor. In less than a minute, the rest of her clothes were wadded up in a ball, and she was standing there nude with one of Hank's hands between her legs and the other pawing at the biggest tit he'd ever had the fortune to grope.

Naomi had at least a full cup size, and maybe two, on Maggie. HHH? Perhaps even an I-cup?

As his hard-on strained against the waistband of his shorts, Hank diddled Naomi's clit and suckled her titties while she gripped the countertop for support. She had shown up wet, but not like she was now. Sweat was beading on her forehead, and a different type of perspiration was beginning to trickle down the insides of her thighs. Naomi's hips began to lurch outward, pressing

SCORE NEWCOMER OF THE YEAR 2008 CONTEST

Shyla Stylez

There's a segment of **SCORE** readers who won't give a girl their vote for Newcomer of the Year (or Model of the Year) unless she has done hardcore. If that's your criteria, then this contest comes down to two girls: Daylene Rio and Shyla Stylez. And if it's scorching, deep-throating, balls-deep, asshole-plunging hardcore that you're after, then your vote has to go to Shyla Stylez, who takes cock deep up her butt-hole in the DVD *Busty 'n' Wet*. But even if Shyla didn't suck and fuck cock on camera, she'd be worth your full attention. She has the body of a *Sports Illustrated* swimsuit model...an *SI* swimsuit model with great tits, that is. She looks like the all-American girl. "I'm just a small-town girl from Canada who wants to make it big in the porn world," said Shyla, who's been making things very big!

Here's Shyla's story: After high school, she moved from the small town where she was born to Vancouver, British Columbia and began doing nude photo shoots and live webcams. She also danced in strip clubs. She met a porn stud who brought her into the video scene, and she's been banging and tit-fucking the guys hard ever since. "I like an Alpha guy, a guy who takes charge and wants to sexually dominate me," Shyla said.

And now here's the deal: Despite the fact that some guys won't vote for a model who hasn't done hardcore, a porn star has never won Newcomer of the Year. Will Shyla be the first? There's no doubt that even if she didn't fuck and suck, she'd be worthy of a spot in **SCORE**. So check out these photos. There's no cock. No fucking. Just sexy Shyla.

into the pad of his thumb as he slowly began to fingerfuck her. Her jet-black hair sparkled with rain, and when she threw her head back and shouted, "I'm going to cum!" it brushed his face.

Naomi was too aggressive to sit back and let Hank worship her tits and diddle her like a high school boy. She whipped out a chair and threw him onto it, straddling his lap and spreading her lips for his turgid meat missile.

Hank had a hard time wrapping his arms around Naomi. Her tits were so huge that they precluded the bear hug he wanted to give her. Naomi bounced raucously in his lap, grinding her cunt around his prick like a lap dancer. Hank's chair began to creak, and he expected it to come apart at the hinges.

Naomi pulled Hank's face into her tits, letting him motorboat her massive milkers. Hank's hands gripped her flanks and drove her down onto his dick, making her squeal. Hank was drilling her as hard as he could. He slammed his hips into hers, smashing their loins together with fury. Naomi wrapped her arms around him, drawing his face deeper into her cleavage until her boobs enveloped his entire head. Hank nibbled on the insides of her breasts, giving her a hickey that was so well-hidden, he doubted Naomi would notice it standing naked before a full-length mirror. Of course, it would have to be a full-width mirror, too.

"C'mon, Hank," Naomi urged, riding him with equal abandon. "I'm gonna cum again. Cum, cum, cum with me!"

Naomi shut her eyes, and her fuck-hole clamped around his cock as her muscles flexed from the tips of her toes all the way up her back. Her pussy locked down on Hank's hard-on, quivered around it and then released as she shrieked in ecstasy.

Hank knew better than to wait. He drove his cock up into her love nest once again, then withdrew. As Naomi shifted, rubbing her bare muff against his thigh, Hank wrapped his fist around his cock and launched a thick geyser of jizz onto her cans.

"More, more!" Naomi cried, digging her nails into his shoulders. Hank short-stroked his cock, and another gush of nut cream erupted from the tip, drenching her boobs in man milk.

"C'mon," coaxed Naomi, wrapping her own hand around the top of his shaft. "Again! I wanna see it again!"

Almost spent, breathing raggedly, Hank clenched his muscles and thrust, Naomi jacking the very last drops of cum out of his shriveled ball sac.

Dizzy, Hank threw his arms around Naomi's waist and collapsed face-first against her less-spattered tit.

This contest, he thought, was going to kill him. By dehydration.

Saturday night and Juggernauts was rocking. Kelly and Maggie were standing atop the bar, dirty dancing, topless and grinding their gazongas together like natural-born lesbians. Naomi was spread-legged on a bar stool, having whipped off the bra Hank most wanted to add to the bar's collection. Missy was having water poured on her right tit and beer on her left as two of the male partiers got their own wet T-shirt contest going. A college kid lay prone on a table as one of his buddies poured suds into Gwen Gold's cleavage. Hank hated to interrupt the festivities, but he had a job to do. He walked up to the stage.

"Ladies and gentlemen," he announced, "it's time to announce our winners! In third place, from Rhode Island, 35E-28-35, Winona!"

Winona raced to the stage, whipped off the shred of T-shirt clinging to her whoppers and kissed Hank.

"In second place, measuring 38EE-28-39, Jenna from Boston!"

Jenna, wearing nothing but a G-string, strutted to the stage. Hank scanned the crowd and saw Kelly, Maggie and Naomi all watching him.

"And in first place, splitting the new grand prize of \$15,000..."

The roar was deafening. With a smile, he announced, "A three-way tie!"

Sheer pandemonium broke loose as Kelly, Maggie and Naomi all came up on stage to celebrate and stuff their tits in Hank's face one last time. Hank handed them each a check for \$5,000—the girls had brought in so much business, he could afford to be generous—then copped a suck of six of the biggest jugs he'd ever seen in his life. The crowd roared again.

Last call came and went, and three of the taps went dry before closing. Hank spent all night and most of the following morning in his office. But not counting out the register.

THE SUPREME COURT OF BIG TITS

Dear SCORE,

Thank you to SCORE President John Fox, who should be running for President of the United States, and to all the staff and models, who should be elected to Congress.

During my review this year, I have found 2008 to be the best ever. You truly have included something for everyone. You have included models with nipple piercings and some without. You featured some models covered in hair and some that were completely shaved. Models that used dildos and inserted their fingers while some did not. Some models were featured doing XXX, others not. But my absolute favorite feature of 2008 were the pregnant models.

Although I adore models with nipple piercings, who are shaved and use big toys and lots of fingers, I love pregnant models. Maybe you know a pregnant model with pierced nipples. I know some people like to look at pregnant models and some don't. I love it. Lorna Morgan said, "I've never felt more alive or sexy," and though Lorna is a very sexy woman, to me she has never looked more sexy than when she was pregnant.

From the swollen tits and bellies to the dark thickening of the nipples, pregnant models are just sexy and natural.—A.D., address withheld, via email

CHRISTY WASN'T TEASING. SHE WAS JUST GETTING STARTED!

Dear SCORE,

It only gets better from The SCORE Group. I just received my copy of *Tits & Tugs 2* featuring Christy Marks finally handling a big cock. You tease us viewers with this new DVD. I watched Christy (who looks awesome with a new hairdo) squeeze and tug on her monster tits and then, looking right into the camera, she crawls over on her knees and grabs the fat cock and just goes to town with it. I wanted her so badly to just bend forward, open her mouth and take the big dick into her mouth, but, alas, it never happens on this DVD.

I also purchased the DVDs *Hooter Hospital* and *Big Boob Squealers*, both featuring newcomer Alanna Ackerman. What a set of tits! She is totally nasty and sexy as she sucks on cocks and bounces up and down on them as she gets it from

every angle. The titty-fucking scenes are so hot!—K.B., Albuquerque, New Mexico

Dear K.B.: Christy is already fucking and sucking on camera. You can see her in the new DVD Christy Marks Gets Fucked, available on page 105 of this issue. The flick contains four scenes of the 2007 Newcomer of the Year in hardcore action. But even though Christy has now gone all the way, her scene in Tits & Tugs 2 is worth seeing, especially for the part in which she jacks a cock while standing on her head, her tits flopping back into her face. It just might be the No. 1 big-tit video moment of 2008.

THIS JUST IN FROM SWEDEN: THE JUNE '08 ISSUE WAS GREAT

Dear SCORE,

The June '08 issue was really great. True, the cover made it look like there was a brand-new Danni Ashe photo set inside, and I would love to see more of her in that hairstyle and those panties, but, no, there was just a superb overview of the looks of the stunning Danni.

Crystal Gunns looked real good this time. Face, tan, tan lines, a bit of oil, costumes, hair style and poses...it all came together real well. Powerhouse sexiness! She really deserved to be Model of the Year. And so does Christy Marks, smashingly hot in a very well-made photo set.

I always love Delotta Brown. She is one of the supreme women. Her hairstyle, boots and green thong really flattered her, and the photographer really captured her pouty, totally alive, sassy look. Super-fine breasts as always, and those tit-licking shots were really special.

The XXX high point was Daylene Rio, who looked smoldering, glamorous and MILF-hot all at the same time. And that superb skin tone! More Daylene hardcore, please!

Africa also looked good as always, but the angles in many photos were slightly off, never giving a real look at her face. And I missed a full-page reverse cowgirl shot to really show off her tits.—Stefan, Sweden, via email

CINDY CUPPS' SWEATER PUPPIES

Dear SCORE,

It was great to see Cindy Cupps on the cover of the October '08 issue. That sweater shot was a knockout, as were the pictures inside. Her tits look better than ever, and I love that her posing has gotten even more explicit.

The cover of the issue referred to Cindy's "Sweater Puppies." I'll pet them anytime she wants!

SCORE[®] NEWCOMER OF THE YEAR 2008 CONTEST

Karina Hart

We bring down the curtain this month with our final entry in the Newcomer of the Year Contest, a girl who many readers agree is the odds-on favorite to win. Well, if Karina really is the favorite, nothing she's doing in this pictorial will hurt her cause. We think it's her best yet. Karina was startlingly seductive and sexy in her first two appearances, but this time, she's outdone herself. She's positively glowing. Her tits are bigger than before (which isn't surprising because she's young and growing). We've never seen a young lady who's more comfortable in front of the camera, whose sexuality overflows when the camera starts clicking. "I love to flirt with the camera," said Karina, who speaks fluent English, Czech and Slovakian. "When I look at the camera, I am seeing all the men who are looking at my pictures."

A woman with long brown hair and a white headband is sitting in a kitchen. She is wearing a red swimsuit with white polka dots and a matching red necklace with red beads. She is looking directly at the camera with a slight smile. The background shows a kitchen with a tiled wall and a window.

Fact: A natural has won Newcomer of the Year four of the past five years, with Morgan Leigh being the exception. Fact: A Slovakian chick has never won Newcomer of the Year (Karina was born in Slovakia and now lives in the Czech Republic). Fact: Readers are already hailing Karina as one of the greatest ever. Fact: We agree.

This photo just might be the clincher: Karina applying an ice cube to her magnificent F-cup sucklers, which have never looked bigger, fuller and more suckable. Or maybe, just maybe, you're still not convinced. If that's the case, take your time and review the pictorials of all 10 finalists. When you've made up your mind, vote using the ballot on page 13. Karina-and the all the girls-are counting on you!

CHRISTY MARKS: THREE CHEERS FOR HER FIRST FUCK!

AND HER SECOND. AND HER THIRD. AND HER FOURTH! ONCE SHE GOT STARTED, SHE JUST COULDN'T STOP!

We all want to see our favorite SCORE Girls fucking and sucking on camera. But when the big day comes, will it live up to our fantasies? Is the girl we always dreamed about as good a fuck as we thought she would be? Not always. But in the case of Christy Marks ...you're damn right she is. And in her new DVD, *Christy Marks Gets Fucked*, Christy does the deed once, twice, thrice...four times!

Christy won 2007 Newcomer of the Year in a landslide, and she would have been one of the favorites to win 2008 Model of the Year even if she didn't fuck...even, in fact, if she hadn't tugged on dick and done a great tit-fuck in the DVD *Tits & Tugs 2*. But she did, and as one of our porn studs said, "I've fucked a lot of seasoned porn sluts, and Christy is a better fuck than 99.9% of them. It's amazing that a teenage girl can suck cock like she does." With Christy, it's the hunger. The hunger for hard cock. She always wants it.

"I wasn't sure I was ready to do boy-girl, but once I did it, I kept wanting to do it again and again," Christy said, explaining why there are four fuck scenes in *Christy Marks Gets Fucked* (Linsey Dawn McKenzie, for example, fucked only once in her first XXX movie). But what's next for Christy? Anal? Giant cocks? "I want it all!" she said. And we're gonna give it to her!

For eight years, Holly and Troy Halston have been porn's first couple. Holly piled up an impressive list of fuck-and-suck credits, including a great scene in *SCORE Xtra #10*, but for all that time, she only fucked one man on camera: her husband. But that all changed recently when Holly visited the *SCORE* Studio in Miami, Florida. That cock filling Holly's pussy while she licks her own nipple? It's not Troy's cock. That big dick slamming Holly's ass while she spreads her cunt? That's not Troy's cock, either. They're strangers' cocks!

The new DVD *My Wife, Your Meat* features four scenes in which Holly samples new cock. The first is a boy-girl in which only Holly's pussy gets fucked. The second is her first anal with someone besides Troy. The third is a DP with two guys she had never met before. And the fourth is a DP with Troy and a porn stud. It's very hot stuff!

"My fans have been asking for this for years, and I just decided that it was time," Holly said. "I've been lucky in that I've been able to work only with my husband for so long, but that also kept me from trying out some of the hot porn studs that are around. It was definitely strange having someone's cock besides Troy's in my ass-hole." In fact, until this DVD, only Troy's cock had fucked Holly's tight ass. "It's a very exciting chapter in my life," Holly said. "I'm ready to become the porn slut I was meant to be!"
