Showdown! Autumn-Jade's hangers vs. Christy's; Karina's spreads vs. Chloe's.

20 GREATEST NATURALS SHOWDOWN: AN IN-DEPTH ANALYSIS

Dear *SCORE*,

Fantastic idea to have the 20 Greatest Naturals from the September '01 issue matched up against their newer counterparts. Here are my votes, including my reasons for each:

1. Autumn-Jade over Christy Marks. When Autumn packed on the pounds a few years ago, she looked sensational. As I generally favor larger ladies, I'm less keen on the slimmer Autumn, but it's those fond memories of her weight gain that get her my vote. As a longtime reader, I also feel I know her better than her admittedly gorgeous rival.

2. Danni Ashe over Ines Cudna. Ines

may have the edge in facial beauty, but Danni's body is the gold standard. Sheer perfection, not to mention

one of the best smiles.

3. Bea Flora over Jeannine Oldfield. Jeannine has to be the unluckiest model in the showdown, being pitted against the goddess Ms. Flora. Never has there been a more devastating combination of beauty and big tits in the pages of *SCORE*. Why Bea isn't gracing the silver screen is beyond me.

4. Karina Hart over Chloe Vevrier. There's something about the way Karina makes love to the camera with her eyes while spreading her hole that gives me wood.

5. Linsey Dawn McKenzie over Merilyn Sakova. Of all the models in the "Showdown," Linsey is the surest bet to retain her place in the 20. It's oft been said, but the girl is a legend. The greatest naturally busted model there has ever been and ever will be.

6. Kerry Marie over Luma. Sorry, Luma. As luscious as you are, you drew the short straw here. Kerry Marie is both impossibly beautiful and a *SCORE* icon.

7. Melissa Mandlikova over Jessica Turner. This was a simple choice of which girl I'd most like to fuck.

8. Kelly Kay over Charlotte. My most grudging choice because I've never been keen on KK. Still, there's no denying her tits blow Charlotte's out of the water.

9. Nilli Willis over Anna Song. This was tough because I'm not particularly crazy about either girl. I find Anna Song a bit boring, so Nilli's exotic looks win the day.

10. Via Paxton over Paola Rios. Via is a woman you can really grab hold of, and she has an ass that's the equal of her mouthwatering jugs. Great smile, too.

11. Natalie Fiore over Lorna Morgan. I've been hopelessly in love with Lorna for longer than I can remember. She was like my fantasy girlfriend. But then she started posing pregnant, and my feelings have never quite recovered. My vote

goes to Natalie, who looks like a huge-breasted version of the singer KT Tunstall, who I also fancy.

12. Nicole Peters over Rhonda Baxter. There's just no arguing with a rack like Ms. Peters', which is, in a word, incredible. Then she appeared in *V-Mag*, clad only in black PVC thigh-high boots.

My cock had a pretty good day that day.

13. Janet Jade over Sammie Black. Even without those great whoppers, Janet would be a stunningly beautiful girl. As it is, she's a major force to be reckoned with. She reminds me of Sierra, and I can only hope she follows in her lookalike's footsteps into nasty hardcore. She should rightfully be crowned 2008 Newcomer of the Year but will doubtless lose out to Karina Hart.

Oh, did I mention her smile? Amazing.

14. Sharday over Devon Daniels. Devon is a bit before my time, so I don't have those rose-tinted memories of the impact she made. But in the modern era, has there ever been a model with quite

More Showdown! Black 'n' stacked Janet vs. Sammie, girls next door Nicole vs. Rhonda.

the impact as Sharday? The way she marries girly innocence with a voluptuous, womanly body is almost unparalleled in the history of big-boobdom.

15. Lisa Phillips over Terry Nova. I just love Lisa Phillips. She has an '80s look, the era when I started discovering titty mags. Of course, her tits probably have a lot to do with it: full, meaty, heavy, shapely, a textbook example of what tits should look like.

I would've liked to see contender slots go to Nadine Jansen and Cherry Brady, perhaps replacing Anna Song and Paola Rios. Angela White, Cynthia Romero and Annie Swanson also got overlooked.

Still, I commend you on the idea and can't wait to see the new list. No doubt, it'll provoke another seven years of controversy, but that's what I love about SCORE. It's not just a tit mag. It's a community.—K.S., United Kingdom

Dear K.S.: Thanks for your in-depth analysis. We'll publish the results of the "20 Greatest Naturals Showdown" in the Feb. '09 issue. Meanwhile, read on for more comments from readers. The response to the "Showdown" has been overwhelming.

CHOOSE BETWEEN MERILYN AND LINSEY DAWN? IMPOSSIBLE!

Dear SCORE,

Voting in the "20 Greatest Naturals Showdown" was not too difficult until I came to the Linsey Dawn McKenzie vs. Marilyn Sakova matchup. That was an impossibly tough choice to make, and I am still second-guessing my selection.

Linsey's breasts are perfect, plus she has a great personality, as we can see in her DVDs. But I am partial to Russian ladies, and Marilyn is one of the most incredibly proportioned models to come out of Russia. Unfortunately, I know nothing of her personality because you never have her speak in your DVDs. I am anxious to practice my Russian with her.—T.D., Ventura, California

Dear T.D.: The "20 Greatest Naturals Showdown" in the Sept. '08 issue was not meant to be the final say on a new Top 20. It was meant to be a starting point, a way of saying, "If this girl is in the Top 20, then maybe this one should be, too." That's why we tried to pick models who are similar in some way. So don't worry, guys. If Linsey beats Marilyn in her one-on-one matchup, or the other way around, the so-called loser will likely still have a spot in the Top 20.

Oh, and by the way, you can hear Marilyn speak in her new DVD Marilyn In Yer Face, available on page 105.

DID THE NEW NATURALS HAVE AN UNFAIR ADVANTAGE?

Dear *SCORE*,

Thank you for the opportunity to update the list of the 20 Greatest Naturals. Such a difficult yet enjoyable task! I'm sure you are aware of the risks and potential controversy that may generate as a result of this contest, but kudos for you to persist and recognize new naturals. Some observations:

1. Some new readers may not fully know or appreciate some of the natural legends of yesteryear. Some of us older readers may have forgotten their impact over time, too. This may bias the voting toward the contender.

2. Some matchups are so difficult. There is no winner/loser, yet I see that incomplete ballots are not counted, so I flipped a coin.

3. The layouts showed only three small pictures of the legend yet a large spread of the contender. I realize this was done to save space, but perhaps it could have featured equal side-by-side photos in the same poses. This would have taken two or three issues to show the entire contest, but this may have been to your advantage. Again, the layout may bias the voting toward the contenders.

Anyway, here are my difficult choices:

1. Although Miss Marks will become a *SCORE* Hall of Famer one day (hopeful-

ly in a long time), Autumn-Jade remains The Legend.

2. Chloe will always be a legend, but the ever-smiling, lovely Karina Hart is a great natural whom I hope will continue to model for a long time.

3. Although Melissa Mandlikova is a remarkable contender, Jessica Turner wins by a hair.

4. Tough choice. I pick Paola Rios over Via in order to encourage her career at *SCORE* and hopefully more busty Latinas from South America.

5. Although Janet Jade deserves to win, Sammie Black's huge, natural breasts are legendary.

6. Ines Cuda is the Polish princess, but the legend of Danni Ashe is untouchable.

7. Marilyn Sakova is incredible and a treat to see in each photoset, but the sensational Linsey Dawn McKenzie, and all she has done at *SCORE*, is the stuff of legends.

8. Kelly Kay over Charlotte, hands down.

9. Lorna Morgan over Natalie Fiore for the same reason as Linsey.

10. Toughest call. Devon Daniels will always be amazing, but Sharday was a legend after her first photo shoot. Great to see another layout of her!

11. This time, the big, busty, Polish beauty, Bea Flora, wins.

12. Kerry Marie over Luma. A legend.

Readers had to make difficult choices in September's "20 Greatest Naturals Showdown." In the top row, a battle of beauties between Ines and Danni, and the super-naturals of Linsey and Marilyn. Below, busty blondes Melissa and Jessica, and Devon let it all hang out vs. Sharday.

COMING SOON: Our most ambitious feature film ever stars Karina Hart, Christy Marks, Terry Nova, Melissa Mandlikova and newcomers Jasmine Black and Kristy Klenot on-location at an historic castle near Budapest, Hungary. There's full-scale fucking and sucking involved, but will Karina Hart take the cock? Stay tuned.

13. Anna Song over Nilli Willis. Anna is a new legend.

14. Nicole Peters over Rhonda Baxter. Easiest choice of the contest.

15. Sorry Lisa. Terry Nova is also a legend.-J.Z., via email

JADE FENG PASSES THE TEST OF TIME...AND THE JACKING TEST

Dear SCORE,

I have been reading SCORE for over a decade, and my all-time favorite model is the gorgeous Minka. I am always very happy when another girl comes along who rivals Minka in her ability to get me up and off more than once in the same day. Jade Feng is the best in that regard.

I didn't fully realize how magnificent Jade's tits are when I first saw her. But in the October '08 issue, she is out in front in all her glory. On the first day I bought the magazine, I came three times over her. I didn't write this note that day because I wanted to wait several days to see if my excitement over Jade was just a fluke or if it would continue. It has now been two weeks, and my cock still rises to rigid attention when I see her photos.

I don't know if it would be possible for you to feature Minka and Jade together in a two-girl layout, but I am sure many of your readers would be as excited as I would be.-R.N., Paramus, New Jersey

YOUTUBE? U GOTTA BE KID-DING!

Dear SCORE,

I believe that you are missing out on a huge amount of

business. I see little snippets of video on YouTube of women with huge, natural breasts, and these women don't weigh 300 pounds, but I don't see any way of buying video copies.

I buy your magazine on a regular basis, but for the most part, I'm not interested in any of the videos you offer because the only women who are big enough (for me) do weigh 300 pounds. Also most of your videos do not focus on showing off the size of the breasts, and what's the point of buying videos of busty women if the focus is on something else. And your biggest girls (Chelsea Charms, Deena Duos, Keisha Evans) don't appear to have any videos.

If you were to buy all these snippets I find on the Internet and do a compilation video, I would definitely buy it. These snippets are very short, but I assume YouTube, etc., are only using parts of the whole. It would be best if you used the whole, or better yet find these women and shoot your own, without trying to turn them into porn stars. I don't care about watching them have sex. I just

want to see their breasts in everyday situations (on the street, in their homes, in restaurants, in the shower) fully clothed and fully revealed.-D.L., Calgary, Alberta, Canada

Dear D.L.: Good idea but nearly impossible to execute. YouTube, of course, doesn't own the videos that are posted there. It's simply a place for people to post videos (and we're guessing that most people post complete videos, not just snippets). So, each video would have to be purchased from the poster (who is usually anonymous), and getting the proper paperwork from the

One reader thinks Kora looks a little like Elvira. That's a good thing, right?

models (IDs, model releases, etc.) would be extremely difficult in most cases because we don't know their real names or where they live. We do, however, always keep our eyes on YouTube (and other Internet sites) for potential models.

KORA SAVED THE OCTOBER ISSUE

Dear SCORE,

Guys, guys, guys! C'mon, you gotta do better than that! No disrespect, but the October '08 issue has to be the worst of the year so far. The best pictorial in the issue was, maybe, "The Maneater," Kora, even though she looks like Elvira. And I don't believe she fucked for six hours straight, taking no breaks at all.

Seeing preggo pics of Lorna Morgan wasn't enjoyable, either. And I don't care for enhanced models, so I have no comment on them.

Alright, I'll take something back about Kora. She does have nice, round, shapely, natural F-cup boobs that look very suckable.-S.M., Baltimore, Maryland

HEY, BUDDY, WE'D LOVE TO SEE THOSE 3D PICTURES OF YOUR WEDDING NIGHT!

Just when I thought SCORE couldn't get better, you guys do 3D (July '08). I'm a 3D fan and a boob fan (though not necessarily

Karina Hart

You order room service—a bottle of champagne and some fruit—and the waitress turns out to be H-cupper Karina Hart, whose amazing naturals are looking bigger than ever. Have they grown? Yeah, they have, and *Hooter Hotel* gives us our first look at Karina's growth spurt. Karina pops the cork, and you're popping wood as she caresses her succulent tits and fucks her pussy with a dildo. And here's the good news: Your dream vacation has only just begun.

Melissa
Mandlikova

At *Hooter Hotel*, the girl at the front desk (Mandy Pearl) has big tits, the bellhop (Melissa Mandlikova) has big tits, the masseuse (Kristy Klenot) has big tits, even the maids (Katarina and Dominno) have big tits. Katarina and Dominno enjoy some lezzie fun as they dirty up your room, and Kristy uses her big rack to massage your cock. The girls aim to please at *Hooter Hotel*...because they want you to cum back soon!

in that order). I strongly believe breaking ground is the only way to survive in a competitive industry. Things like this ARE what keeps the competition at a very safe distance, and although 3D pics and films have been around for 100-plus years, they haven't connected fully with the audience. But 3D is the future. I know. I have 3D pics of my wedding! —A.P., Madrid, Spain

IN ALL HONESTY, WE NEVER NOTICED THE RESEMBLANCE

Dear **SCORE**,

When Merilyn Sakova made her debut in 2005, she quickly became my favorite natural. Her beauty is amazing. Merilyn's big, natural tits with their tiny bumps complement her highly attractive face. She is the sexiest Russian I have ever seen.

My second-favorite natural is Karina Hart, who is a marvel. She has beautiful, long hair and amazing eyes. Her smile is almost identical to Merilyn's, so much so that the two could be sisters. As for Karina's breasts, they're gorgeous.

I often fantasize about being with these two gorgeous, sexy, big-breasted ladies.—N.W., Morganville, New Jersey

GIVE THEM MORE TIME TO FUCK!

Dear **SCORE**,

I would like to comment on the layout of the October '08 Xtra section. I like having 32 pages of hardcore, but I favor longer layouts of fewer models. Four pages just isn't enough for me to get into the layout and fully appreciate the girls.

Also, I totally agree with J.G.'s letter in "Scorecard" about preferring some clothed pictures as opposed to nude only. I love cleavage!—Name withheld, Jacksonville, Texas

WOMEN WHO GET THEIR LEGS BEHIND THEIR HEADS ARE SEXY

Dear **SCORE**,

The August '08 issue gave me extra excitement with the two very flexible girls, Kylee Nash and Christy Marks.

Among the many lovely females I have been lucky enough to make love to, there were two or three who excited me even more because they were very flexible and put themselves into real contortionist positions that made very deep

HOW TO SCORE HOT CHICKS

THIS BOOK WAS ACTUALLY WRITTEN BY A HOT CHICK!

Beautiful Victoria Zdrok, Ph.D.—Dr. Z to her clients—is a model turned sex therapist (and Ukrainian-born, like Marilyn Sakova). In fact, she appeared in the Oct. 2002 issue of *Leg Sex*. A lot of us would think, “I probably need to be a handsome millionaire to get a woman like that.” Dr. Z disagrees, and she’s out to prove it with her new book, *Dr. Z On Scoring: How To Pick Up, Seduce, And Hook Up With Hot Women*.

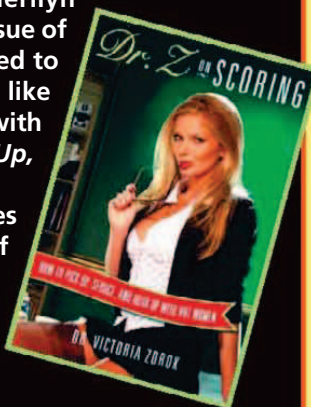

If you want to score with a hot chick, it makes sense to learn how from a hot chick, not any of the dozens of seduction geeks and gurus pushing their pickup seminars, books and DVDs. In other words, this guide is the hot-babe play-book written by a hot babe. At 350 pages, it’s not an overnight read.

Advise Dr. Z, “While you may be average in looks, in income or in other respects, if you have read this book and assimilated the contents, you are not an average guy when it comes to handling hot women.” That’s a comforting thought.

The book has three sections: “The Art of Picking Up Hot Babes,” “The Skill of Seduction” and “How To Bed Her.” The chapters include “Fear of Rejection: Reaching Rejection Immunity State,” “Beyond Pickup Lines,” “Asking Her Out” and “Behaving On The First Date.”

Writes Victoria (left), “When you meet a woman, she will base 55% of her initial impression on your appearance and body language, 38% on your style of speaking and only seven percent on what you actually say. The key to making a good impression is to remain cool, collected and composed while you are talking to a hot woman.”

We’ve written about dozens of seduction books over the years. Victoria’s is one of the best training manuals that has ever crossed our desks.

Lucky Breast-Man Wins Marilyn Sakova's Bra

We have a winner in the Marilyn Sakova Bra Giveaway Contest from the June '08 edition. He's a great fan of Marilyn and a member of her website, BustyMarilyn.com, so winning her autographed bra made his day. Over 300 entries came in.

The red and black bra, with bra-tag intact, is made by Kris Line and is both supportive and finely crafted. This is the actual bra that cradled Marilyn's delicate melons in one of the scenes in the Internet special *Marilyn Exposed*. The special is posted at Scoreland and BustyMarilyn and is available on DVD as *Marilyn: In Yer Face!*

Miss Sakova has great taste in brassieres, which is only natural since her unbelievably wonderful tits are a huge part of her life...and ours!

Marilyn no longer owns this bra, but don't worry. She has many more.

Hot Chicks Linked To Financial Risk! Ya Think?

A study that used brain scans may help explain a major motivation for financial risk taking. You guessed it: sex.

When 15 heterosexual men at Stanford University were shown hot pictures of sexy girls (like Summer Sinn, below), they were more likely to make a larger financial gamble than if they were shown a picture of something disturbing or neutral. The photos sparked the same part of the brain that lights up when financial risks are taken.

"Men have a need in an evolutionary sense for money and women. They trigger the same brain area," a professor said.

The study focused on the sex and money hub, the V-shaped nucleus accumbens that sits near the base of the brain and plays a central role in pleasure. When that hub was activated by the pictures, the subjects were more likely to bet higher on a random game. The same could be true for females, but they weren't tested because it's difficult to find a photo that would appeal to many different women.

Big tits make guys spend more money, and that's a fact from us!

Sounds Like Snake Oil

Lovely Bust is a tin of pink goo that sells in Japan for around 4,000 yen (\$35 U.S.). The cream is advertised as containing a "breakthrough compound" known as "volufilin," a chemical designed to cause fat cells to "differentiate," resulting in bigger tits.

The makers claim that cup sizes can increase by as much as 10% with frequent use. Volufilin allegedly comes from the root of French lilies. We tried to find info about volufilin but came up with zip. But we like the can. Of course, it's a scientific fact that girls can increase their cup sizes by regularly swallowing cum.

Science of Boobonics: If It's In Writing, It Must Be True

- Some women can reach orgasm via breast stimulation alone, researchers have found. It's a well-known fact that some women can achieve orgasm through nipple stimulation. But the idea that women can achieve orgasm by breast stimulation alone has been put forward by sexologists Marshall Miller and Dorian Solot, the authors of *I Love Female Orgasm: An Extraordinary Orgasm Guide*. Their studies indicate that one-percent of women report the ability to achieve orgasm through manual stimulation of their breasts.

- A study published in the *Annals of Plastic Surgery* examined the breasts of approximately 600 women and provides statistical evidence that the left breast is usually bigger than the right. That proves it's normal for a woman's breasts to be unequal in size. It's an old wives' tale that if a woman's left breast is bigger than the right during pregnancy, she's going to have a girl, and if the right is bigger, the baby will be a boy. Thanks to the Internet, those Old Wives really have made a big contribution to misinformation about boobs.

- Elisabeth Squires, author of the book *Boobs: A Guide to Your Girls*, says that American breasts are getting bigger while blouses are getting smaller. "We are seeing more cleavage these days for a few reasons," Squires said on the TV show *Good Morning America*. "First, the fashion of the day is tight and skinny. At the same time, women are bigger than they were even 15 years ago. Bra fitters tell me that an E-cup is the new C-cup. We have to remember that while more women are showing more cleavage, you really have to use your breast power responsibly." Like showing them in **SCORE** magazine.

- Evolutionary psychologists, and a lot of other brainy dudes, have always theorized why we prefer women with large boobs. Historically, large boobs are a sign of fertility. Check out any ancient statue of a fertility goddess. Harvard anthropologist Frank Marlowe's study, *The Nubility Hypothesis*, contends that females evolved protruding breasts because the size and shape of breasts function as a signal of reproductive value to a man. Women with greater reproductive value are preferred by males. Upturned and pointed breasts became "sexual releasers of approach behavior for heterosexual males." In plain Boob Beat language, chicks with big tits are hotter.

We are learning more about tits every day. It's a big subject to swallow all at once.

Trained Pole Dancers

Authorities in several countries are on the alert for strippers dancing in the subway for spare change. What a waste of time. Let 'em strip!

Police in Bucharest, Romania are looking for a pole dancer who performs on commuter trains. Passengers described the stripper as a "well-dressed, attractive, student-like young woman." She does her dance only when the train travels long distances without stopping. While the Tom Jones song "You Can Leave Your Hat On" plays on a CD player, she strips and dances on a pole. When the song is over, she dresses and passes around a box for tips. A police spokesman said the girl faces a fine for indecent exposure and public begging if she is caught. She dances only on trains with no guards or cameras so the cops are having a tough time capturing this dangerous criminal.

In Chile, stripper Monserat Morilles was pole dancing in Santiago's subway system and got arrested by a squad of hardened cops after a week of shows. Monserat, a professional dancer, had her act timed so she could play a song, do her strip, slide down the pole, then throw on her coat and get off at the next station. Called *La Diosa de Metro* (the Subway Goddess) by the media, Monserat says she was challenging Chile's puritanical culture. There's a video of Monserat pole-dancing on the Net. What we want to know is, where are the British and American subway train dancers?

**SHE'S A BUSTY MILF WHO DOES IT ALL.
THIS TIME, SHE DID IT ALL FOR US!**

It's always a good time for Amber Lynn Bach to show off her tits or fuck, whether she's walking down Duval Street in Key West, Florida, wearing a tiny little sun dress or having sex on the ocean floor while SCUBA diving. And now, this popular Internet star (her private website is called AmberAtHome.com) is getting naked in the world's greatest big-boob magazine. Welcome to the big show, Amber!

Amber is a MILF from Florida who loves everything about sex, whether it's fucking on the ocean floor, getting tied up and cunt-slammed or eating pussy. "It's funny because as much sex as I have, I love to masturbate," she said. "It's fun when I'm in the shower or lying down at night, relaxing with my little silver bullet and holding it to my clit."

"I started dancing in 2002 and found I enjoyed being around others and making them feel good," Amber said. "Whether it was to get them hot and bothered or to just listen and be there as a friend, I had such a great time with it that I decided to start modeling." Although Amber Lynn lists her occupation as "porn star," she's really the MILF-next-door. She enjoys relaxing on the beach and reading a book. She loves watching football (her favorite team is the Philadelphia Eagles). She has a pet black Lab and some fish. "I'm just like any other woman," Amber said. "I'm just hornier than most!"

A big game. A bunch of hungry friends. Who ya gonna call?

The SuperDomers

BY MICHAEL PATRICKS  **ILLUSTRATIONS BY OTIS SWEAT**

"Idunno, Denny," Tom grumbled. "It doesn't seem right. We haven't missed a home game since '88."

"Can't help it, buddy. First off, I haven't got time to fly to Wembley for a football game, and second, that place has been sold out for 10 months."

Tom knew his pal was right. Denny also had a good solution. His suggestion that he, Chris and Tom get together and veg in front of his 72-inch TV with a lot of beer and food was how they celebrated road games, so why not this weekend? Denny was even going to bring in a caterer for it. Without much choice, Tom went with the idea.

A Saints home game in London...Sometimes, Tom hated the NFL.

Dennis finished up his business calls and flipped through the free weekly he'd picked up on the way to work. He'd been planning to look for entertainment of another variety to make Sunday more appealing when he'd seen the caterer's ad. The SuperDomers, they called themselves, local Louisiana bayou babes who promised to be as hot and spicy as what they served. The picture in the small ad certainly looked appealing. The raven-haired girl smiling at the camera over a chafing dish of Cajun shrimp had a pair

on her that even a two-dimensional photo couldn't lessen.

"Gal's fucking huge!" he'd said to nobody in particular. When you had the corner office and ran the company, you could say whatever you wanted because nobody was looking over your shoulder in a cubicle, wondering what you were doing a page away from the Escort Service listings.

Dennis placed the call.

They showed up at quarter of, right on schedule. The minute they came through his door, Dennis knew even grumpy Tom would have nothing to complain about. Mo-

nique had brought two of her co-workers, and watching them wheel their wares into his kitchen, Dennis thought, "The ad didn't do her justice."

Monique ran the small catering biz from home, and she would be getting a lot more business once word of mouth began spreading. That would have to wait until drool of mouth subsided, however. Monique was stunning with a model's face and a fantasy body. Her enormous tits were shrouded in a black top while slender, athletic legs were almost bare beneath gold lame short-shorts. Saints colors, sinner's body.

Bodies, actually. Tara was an Amazon. Easily five-10, she had equally impressive headlights, only her nipples were hard and pert and sticking through the fabric of a shirt that was either half a size smaller than Monique's or had been washed in hot water one too many times. The third girl, Bree, was the shortest of the lot, perhaps five-two at most. But height

was the only area in which she was undersized. She dwarfed her partners in the only place it counted. In the jugs department. Bree had a set of cans that he'd have thought inconceivable for a girl her size. Until he saw her bouncing around his kitchen, casting shadows over everything she stood by.

Dennis left the girls to their preparation, dropping onto the sofa between his friends.

"How's the food look?" Chris asked. Without exaggeration, Dennis said, "I have no clue."

Concentrating on the game had been tough during the first quarter, when the girls began serving. Tom hadn't opened his mouth to bitch once, staring in dumb awe at Tara as she scooped homemade salsa into a dish surrounded by salty chips. When she bent over to pull three frosted mugs out of a cooler, Tom's eyes had nearly bulged out of his skull. Though the girls wore short, white aprons, Tara's shorts crept so far

up her ass that she may as well have worn a thong.

And only a thong, Tom was near enough to tell. He'd been so close that he could see Tara wasn't wearing panties. The blonde was also so tall that sitting back on the couch as he was, Tom was certain he'd gotten a peak of pink.

With the end of the first quarter approaching and the Saints driving for the end zone, Chris headed for the kitchen and a fresh beer. He could have waited. The girls were attentive as hell. But he figured the quarter was ending, anyway. He wouldn't miss anything.

Monique was alone, holding her apron over the sink. She'd spilled something and sent her pals out for a replacement and the second-quarter goodies.

"Need help?" Chris asked.

Monique turned, wearing only her short-shorts and that overworked T-shirt. Before Monique could respond, Chris' eyes were riveted on her crotch, which was no longer concealed by the

The SuperDomers

apron. Monique had chosen to go commando for this job, too, and Chris was now staring at a cameltoe that made him instantly hard.

"Did you need something?" she asked. "Or see something you wanted?"

Chris did, and quickly came to her. Putting his hands on her hips, he opened his mouth and kissed Monique hard, feeling her return his kiss. He pulled her hips forward so she was leaning back against the counter. His raging prick found the cleft dividing her swollen vulva and he pressed into it, dry-humping her.

Monique responded, her nips swelling up full and puffy and poking into his chest.

"Is there somewhere...?" Monique began. She didn't need to finish. Chris whisked her into Denny's guest bedroom, where he'd crashed after many drunken poker games.

Chris tugged Monique's shorts down and was face-to-folds with a slickly oiled pair of netherlips that he dove into with gusto. Monique gasped when his tongue found her entryway and probed it, tickling her cockhole while his nose prodded her nubby clit. Monique's hips thrust upward, bathing Chris' chin in a wash of cuntsauce as he hungrily gobbled her box.

Chris dug in, parting her labia and peeling her lips apart with his fingers, lapping and swabbing her love trench clean with his tongue. Monique grabbed a pillow, fearful of shrieking like a victim in a horror film, her pussy being so thoroughly invaded. Chris was about to make her cum, and when Monique came, the word screamer wasn't adequate.

Chris heard her even through the pillow. Monique howled, one hand pressing it tight to her mouth, the other pushing the back of his head down so he could finish her off one more time. He wrapped his mouth around her clitoris, sucked

it with abandon, and felt Monique's legs thrashing around his shoulders as she came once more.

The bedspread stained with a pool of feminine juices, Monique dragged Chris to his feet and ripped open his jeans. A thick dribble of pre-cum was running down his shaft, and Monique pressed her lips to the warm, salty bead and sucked it up, working her way to the tip of his dick before taking his cockhead into her mouth.

Staring down into the deep valley of cleavage and tasting Monique on his lips made Chris' boner swell even more. Monique struggled to get it down, needing to wrap her hand around the base of his shaft to fully accommodate his rod. She sucked him noisily, squeezing his balls when he pressed deeper into her, feeling the smooth roof of her mouth give way to the textured walls of her throat. Chris longed to flood Monique's mouth with jizz, fantasizing about her sucking his cum down in great, heaving swallows. But those tits...he couldn't possibly wrap this up without getting a look at those twin-torpedoes.

Chris withdrew from Monique's expert mouth, and he grabbed

her shirt, pulling it off with difficulty. Monique's jugs were so full that they rested against his thighs.

"You like 'em big?" Monique asked, giggling as Chris gaped at her enormous knobs.

"Play with them," Chris told her. "Play with them and suck my cock."

Monique was happy to oblige. While more wetness puddled between her thighs, she gave Chris a knee-rattling blow job. She was all mouth now, no hands, because she needed them to cup and fondle her gigantic globes. Chris reached down, helping her out, pinching her nipples just enough to make her hum around his pole.

"Ifm mrwou wamnt, you cafn cubm on thgem," Monique mumbled while Chris pressed another inch of his fuckstick down her. His balls were slapping her bottom lip now, and when what she'd said registered on him, it was almost too late.

Monique wrapped her lips tightly around his prick, slowing him up as he drew it from her throat. He felt the tell-tale surge of ball butter pumping out of him as Monique angled his member between her tits so he could lacquer them with cum.

Chris shook, emptying his balls onto her cans, leaving the cock-swallowing caterer coated in cream. When he had finished, Monique cupped her hooters, fingers squelching in his ejaculate.

"Wow," said Monique, impressed. "And I thought my apron was messy!"

For a second, Chris wondered what was going on in the game. But only for a second.

Tom didn't see Chris when he went into the kitchen, only Tara, who was struggling to get a cart through the door. Seeing her trouble, Tom helped her navigate the tight turn into the kitchen.

"Where are your friends?"

"Bree's in the van prepping the stuff for half-time. Monique...not sure."

"So they abandoned you?" Tom asked, stepping closer.

Monique was stunning with a model's face and a fantastic body. Her enormous tits were shrouded in a black top. Saints colors, sinner's body.

CRYSTAL GUNNS' RETURN TO SCORE MEANT A CHANCE TO BE TREATED LIKE A QUEEN. A TIT-QUEEN.

As Crystal Gunns, the reigning *SCORE* Model of the Year, begins her defense of the crown in the 2008 contest (ongoing now; see the *SCORE* Awards ballot on page 25), she thought she might do something different to sway your vote in her favor. So here's Crystal, in her first appearance since June '08, lying back, relaxing and getting massaged by a pair of female hands and a very lucky pair of male hands. Does this rub you the right way?

The two pairs of mystery hands knead Crystal's FF-cup tits and tweak her nipples. They squeeze her much-overlooked ass (overlooked only because most *SCORE* Men can't take their eyes off her rack and smile). She moans and sighs, enjoying the royal treatment that the queen of big tits deserves. "Is this how you treat all your Models of the Year?" Crystal asks as she sinks into the bed, allowing the hands to explore her body. "I can't wait to feel what you're going to do to me next."

The hands spread Crystal's ass and pussy and squeeze her tits together. They caress and probe, bringing her to the verge of orgasm. She deserves this. Ever since retiring as a feature dancer, Crystal has been working at what she calls "a real job." Life as a nine-to-fiver isn't easy. She needed this trip to *SCORE*. This diversion. This chance to do what she does best.

Their tops are gonna burst! Your balls are gonna explode!

Minka, Daphne Rosen and Sara Jay are mega-stacked, and shopping for tops that fit their giant chests is impossible. So they don't even try. "Why would I want to hide my tits?" Daphne said. Added Sara Jay, "I want guys to know exactly where I want them to fuck me." As for Minka, words can't do justice to that tank top.

Tits in tight tops!

A full-page photograph of two adult women, Summer Sinn and Morgan Leigh, in a domestic setting. Summer Sinn is standing on the left, wearing a yellow ribbed crop top and a green skirt, with her hand on her hip. Morgan Leigh is kneeling on the right, wearing a red cardigan. Both women have large breasts and are looking towards the camera. The background includes a green wall, a potted plant, and a vase with yellow flowers.

Summer Sinn

Summer Sinn (standing) and Morgan Leigh (kneeling at the altar of Summer's rack) know the power of a pair of tits in a tight top. In the new DVD *Sweater Stretchers* (available on page 105), they help each other try on super-tight sweaters, which barely stretch over their super-sized racks. "Let's stretch this sweater around these big tits," Morgan says as she tries to pull on a blue number. Then the girls go on a successful hunt for cock.

Karina Hart

Crystal Gunns

Brandy Talore

Christy Marks & Janet Jade

Crystal Gunns (above) knows that if she takes a deep breath, those buttons are gonna pop and her tits are gonna go flying! Karina Hart (left) has more cleavage than most women have total tit, and it's barely contained in what passes for a sweater. Most guys don't like shopping, but wouldn't you love going to the mall with Christy Marks and Janet Jade (right)? And what's Brandy Talore (top right) saying on the phone? "I can't believe it! My big tits are popping out of this top!"

We've often wondered, "Do women realize how much cleavage they're showing when they wear tight, low-cut tops?" Of course, we've never asked that question about Alexis Silver, Holly Halston and Marilyn Sakova, who know exactly how much they're showing and the effect it has on men. "If I wear a low-cut top, it's because I want people to pay attention to my tits," Alexis said. "Any girl who says she wears a low-cut top for any other reason than to show them off is full of shit." In other words, if a girl is wearing a tight, low-cut top, you have permission to look. Not that you need permission. You're a **SCORE** Man.

Teacher,

KANDY COLE STILL HAS HER DAY JOB. BUT SHE HAD TO PUT ON A LITTLE SHOW TO KEEP IT.

More than a year has passed since British schoolteacher Kandy Cole last appeared in the October '07 issue, and you might have been thinking the same thing we were thinking: She got busted. No, not arrested. Seen in *SCORE* by her elementary school principal or maybe an angry parent. Told that if she ever did this kind of thing again, she'd be fired. Well, we're happy to report that Kandy didn't get busted. But she almost did. "One of the single male parents saw my pictures," she said. "I showed him my tits to keep him quiet."

Kandy's job-saving tit show occurred in her classroom during a parent-teacher conference. "I don't know if he really would've tried to get me fired, but I wasn't taking any chances," she said. "If I had to, I would've given him a blow job. The funny thing was, it was really exciting showing my tits to him in my classroom. I wouldn't have minded giving him a blow job, but he wasn't my last appointment." Alas, this could be Kandy's last time in t it's so much fun!"

Dream Lineup

AN HISTORIC HUNGARIAN CASTLE WAS HOME TO BIG-TIT ROYALTY.

The big-tit lineup has become a *SCORE* tradition, something we try to do every time we go on location. Our two most-famous lineups are the naturals lineup during *On Location Key Largo* and the Tit-ans lineup during *Boob Cruise 2000*, and we think what happened in Budapest, Hungary, this past summer will go down in history, too. We brought 11 naturals to an historic castle for seven days of video and magazine shoots, and we ended each day with a lineup. On this day, the first, we had six girls at the castle, so we dressed them in *SCORE* T-shirts, took them outside in front of the castle's front gate and lined 'em up. Just like that, we had made history!

These photos mark the first time Christy Marks (second from left) and Karina Hart (third from right) have been photographed together. The amount of natural tit-meat in this lineup is hard to fathom, and we can tell you the girls had a great time comparing and playing with each other. You can see more from Hungary in the new DVD *Hooter Hotel* (pages 12-17). Plus, there's lots more coming up in new DVDs and *SCORE* pictorials. For seven days, we were Hungary for hooters. And our hunger was satisfied!

Daphne's Face Warmers

YEAH, IT'S GETTING COLD OUTSIDE, BUT DAPHNE ROSEN'S RACK'LL KEEP YOU WARM.

It's winter, and Daphne's staying warm by wrapping a faux-mink boa around her neck. She'll keep you warm by wrapping her G-cup tits around your head and smothering you with tit-flesh. She'll use her hot mouth to get your cock hard, then slide it deep inside her tight, comforting pussy. What's better than a cozy sweater and a cup of hot chocolate? A roll in the sack with Daphne, who once said, "I was born for sex. My mouth is very talented. I can do a great titty fuck. My pussy is absolutely amazing. My asshole, very accommodating."

What's Daphne up to these days? "Fucking a lot," she said. Showing off her huge tits in *SCORE* and her big, round ass in *BootyLicious* magazine (she sucks and fucks a big, black cock in the December '08 issue). Getting every hole-mouth, pussy, ass-filled in the new DVD *Sweater Stretchers*. "What's great is that even though I get fucked a lot, and often by some very big cocks, my pussy and ass are still very tight. I'm lucky in that way." So are the guys.

If you're reading this, we gotta ask, "Why?" Why in hell are you reading anything when there's that amazing full-page photo of Daphne's flesh pillows staring you in the face, begging to be jacked upon. "You shouldn't be reading right now," Daphne agreed. "You should have your cock out. You should be staring at my big, juicy tits and hard nipples and getting ready to cum all over them. Come on, now. Do it!"

"Guess so," Tara huffed. "Need another beer?"

"This one's still cold," Tom answered, reaching out with it. "Want a sip?" The chilled mug brushed Tara's nipple, causing her to shiver.

"Ooh," she whispered. "That's cold!" Tom stepped even closer, again brushing the mug across Tara's tit. Both nips were erect now, jutting through her tee hard enough that he could have hung his jacket on them.

"Look at what you did," Tara protested weakly. "Now my shirt's wet, and look at these." Tara cradled her enormous breasts, and traced a circle around each bud with her index finger, to illustrate how hard Tom had gotten them. Tom was up against her now, adding his thumbs to the mix. He gently pressed the pad of his finger to the hard tip of her nipple. Tara purred in his ear.

He rolled the front of her T-shirt up, having to stretch it forcibly to get it over Tara's hooters. Her tits were full and upright, and even without the shirt controlling them, they barely dropped once only nature was supporting them.

36H, Tom estimated. Not a micron smaller. They were still well-tanned from the Indian summer, and even now in late October she looked like she'd just stepped off the beach. Tom grabbed her pumpkins, and brought his mouth to her oversized caps. They were wide and puffy, her areolae a dark, chestnut brown. He had to stretch his lips wide to completely encircle them.

Tara moaned without reservation as he pleased her nips. Tara knew she had crests like saucers, hyper-sensitive and prone to perk up at the merest hint of sexual activity. Now, they were tingling like somebody had hooked them up to a car battery, and her tits were throbbing with frustration. Even light boob-play could make her cream her undies, and today, she wasn't wearing any. That made her think to hold Tom off, if only long enough to strip off her shorts, but what he was doing to her buds with his nibbling teeth and wide tongue was too much for her. She sank against the cabinets, and they wound up on the floor, Tom on top, Tara feeling the crotch of her gold Saints shorts soaking up her girl-cum like a sponge.

Boobs 'n' Booty

YEAH, WE KNOW YOU LOVE BIG TITS. BUT CAMILLE MORGAN HAS SOMETHING MORE TO OFFER YOU.

The girl you're looking at used to be a bus driver. Now she's going to college, and one day she wants to be a psychologist. During her brief modeling career, she has appeared in both *SCORE*, the world's greatest big-boob mag, and *BootyLicous*, the world's dirtiest ass mag. She has also appeared on TV dating shows. By now, you should be getting the picture: Camille Morgan is a multifaceted woman, a girl who can do anything.

"I love my boobs because they look good in clothes," said Camille, who's well aware that her boobs look good *out* of clothes, too. "I like the attention they get. I think most girls who have small tits want big tits and most girls who have big tits want small tits, but I'm happy the way I am." Camille is also aware that her ass can attract as much attention as her chest. "The best is when a guy is both a boob man and an ass man. I'm perfect for a guy like that." Camille is perfect for any guy.

SUPERDOMERS

Continued from page 74

Tom palmed her melons eagerly, teasing her as each little orgasm bubbled in her soupy crotch. He could tell each time he got her off, and by his count he'd coaxed her to three small climaxes before Tara reached down and yanked aside the drenched panel in her shorts.

"I can't wait any more," she told him breathlessly. "You have to fuck me!"

Tom yanked his pants down to his knees and then didn't bother. He angled his cock towards Tara's pink vee and plunged into her.

Tara bit into his shoulder as he drove all eight inches up her cunt. She didn't leave bite marks, but she kissed and tongued the faint indents she'd left while trying to hold back from alerting the whole house that she was getting her brains fucked out on the client's kitchen floor. She hoped somebody had put the shrimp on Medium!

Tara's ass bounced off the linoleum, and Tom's cock probed her depths. The wadded fabric between her legs acted like a French tickler. Every time Tom withdrew his cock from her twat, the shorts would ball up and press tighter against her nub. Then, Tom would drive back into her, penetrating her to the hilt, his heavy nutsac slapping against the base of her cunt, the gummy shorts rubbing her clit, sending shockwaves of excitement straight through her spasming vagina.

"Ar-are-are you going to cum?" Tara managed, seeing—and feeling—Tom's pace quicken. She'd lost track of just how many times her pussy had crested like Lake Pontchartrain.

"Any...second," Tom grunted, adding, "Don't worry, I'll pull out..."

Tom reared back, kneeling, cock poking at the dishwasher. But before he could blow, Tara scrambled onto all fours, taking his jizzrod in her mouth.

Tom watched, everything happening like it was in slow-motion. Tara, naked and her boobs swinging heavily, pulled the tip of his pecker between her lips just as the first eruption of spooge pulsed through his shaft. Tara, surprised by the volume of his discharge, uttered an overwhelmed, "Hmnnnn!" as she struggled to gulp down the first wave of his spermy high-tide.

Though she tried valiantly, with his

**WHEN LUCY GETS NAKED,
SHE EXPECTS TO GET LAID.**

WARNING! If you're looking for virgins (or even the kind of girl you might take home to meet the parents), the rest of this issue is not for you. But if you're looking for hot, sexy, busty babes who love to fuck, then we've got three of them. We kick things off with Lucy Love, a Hungarian blonde who enjoys eating cock for a living and can't imagine doing anything else.

When we told Lucy that we wanted to shoot a solo pictorial of her, she looked at us like we were crazy. Then we explained (through a translator; Lucy speaks very little English) that *SCORE* Men like to see their girls by themselves before they see them fucking. "Okay," Lucy said. "I will make it very sexy for them." So Lucy lit up a cigarette and smoked it sexily. She got down on the grass and spread her well-fucked pussy. When she was done, we took her inside and showed her the digital pictures. "I look good, no?" Lucy asked. Good enough to fuck!

second and third spurt coming rapid-fire, cum leaked from the corners of Tara's mouth and dripped to the floor. Tom kept cumming. Another flood of spunk jetted from his nuts into her mouth and Tara gave up. Sputtering, she gulped down what she could, as the rest shot out across her face.

Even bathed in his love lather, Tara was hot. Her cheeks striped with jizz, she looked up at him, trying to lap up the seed that had overflowed her bottom lip. She held his erection against her face, milking the last of his gooey load. It ran down his shaft, and she grinned contentedly as he gradually flagged in her sticky palm.

"I think you need to help me find a shower," Tara said. "There's more than I can wash off in the sink!"

Dennis couldn't understand why the showers had begun running upstairs and in the guest bathroom, nor why Tom and Chris had missed a spectacular 38-yard run by Reggie Bush. The bacon-and-cheese potato skins were getting cold.

"How's the game going?" Bree asked, stepping in from the kitchen and placing a platter of food in front of him.

"Not bad," Dennis said.

"You're looking lonely," Bree said.

"Plenty of room for company," he told her, patting the cushion beside him.

Bree chose not to accept that particular seat. Instead, she faced Dennis and straddled his lap, resting her cute, round ass on his thighs. His cock leapt to attention. A cheer sounded on the TV, but Denny ignored it. He couldn't see anything but the impossibly-large set of boobs pressed into his chest, right up under his chin.

"Good god," he said, tentatively putting his hands on them. "They're humongous!"

Bree fought her way out of her T-shirt and unclasped her bra. Her phenomenal fleshbags shot the cloth-and-steel contraption over the back of the couch, exposing an acre of breastmeat to Dennis' hands and mouth.

"Thirty-four-I," Bree boasted, hefting them. And on a ribcage so tiny. Dennis thought they looked like cannonballs.

Dennis parted his lips, and instantly, tit filled his mouth. Bree was unbuck-

ling his belt and popping the button-fly on his jeans. He heard his zipper go down because all he could see otherwise was smooth, taut titflesh, now shiny with saliva as he gave Bree's whoppers a tongue-bath.

Even when Bree leaned back, her tits remained in his face. Dennis let go of her hooters and reached into Bree's shorts, feeling the sloppy wetness accumulating in her panties. He pulled them back, found her slit with his index and middle fingers and inserted them both. Bree ground her pussy against his hand. He flicked her clit, making her tits jiggle as he continued to nibble on her melons.

"Whattya think?" Bree asked, hovering on the verge of climax as Dennis fingerfucked her. "Want to fuck them?"

Dennis rolled Bree off of him and onto the cushion. He took just long enough to tear off her panties and remount her, his jeans and shorts getting soiled in the artichoke dip. He clambered atop her, his hard-on bobbing just above Bree's gargantuan mounds.

"Wait!" Bree said, running her fingertip through a dipping bowl of Cajun spice. She traced a ring of instant heat around the head of Denny's meat pole then breathed on his tip.

The feeling was extraordinary. To hell with menthol cough drops, Denny thought, jamming the head of his cock between Bree's puckered lips and letting her suck the first droplets of precum out of his shaft. His balls were gently being squeezed between her jugs. Gripping the sides of her milkers, he pressed his cock down into the valley, where his dick was swallowed up by Bree's mouth and cleavage.

Bree got off on mashing her boobs together around his dick, using her tits to jack him off and mouthing his cock-head whenever she could manage to get her lips around it. Dennis backed off, his cock leaving the confines of Bree's mouth with a loud, wet pop.

Bree didn't seem to know what to make of it until Dennis used his own finger to paint the head of his cock with Cajun spice. But instead of plunging back into the depths of Bree's throat, he spread her knees and pressed his dick against the mouth of her fuckhole.

Bree groaned as first the head, then five inches of Denny's bone, split her. She grasped her heaving breasts, fondling her nips as Denny gradually eased all of his cock into her pussy.

Talk dirty to me!

JUNE SUMMERS ISN'T INTO SWEET TALK.

It was a quiet Thursday afternoon at *SCORE* when, all of a sudden, loud fuck noises started emanating from the studio. "Let me suck your big cock!" the female voice screamed, then, "Fill my pussy with your dick!" June Summers was in the house, and she was getting it good.

If you met June Summers, you'd never guess what kind of filthy-mouthed fuck slut she turns into once the cocks come out and the cameras start rolling. She's relatively quiet. Demure. When she's out and about, she likes to dress "comfortably but fashionable." When she's fucking, she "likes the cocks big, hard and deep in my wet pussy."

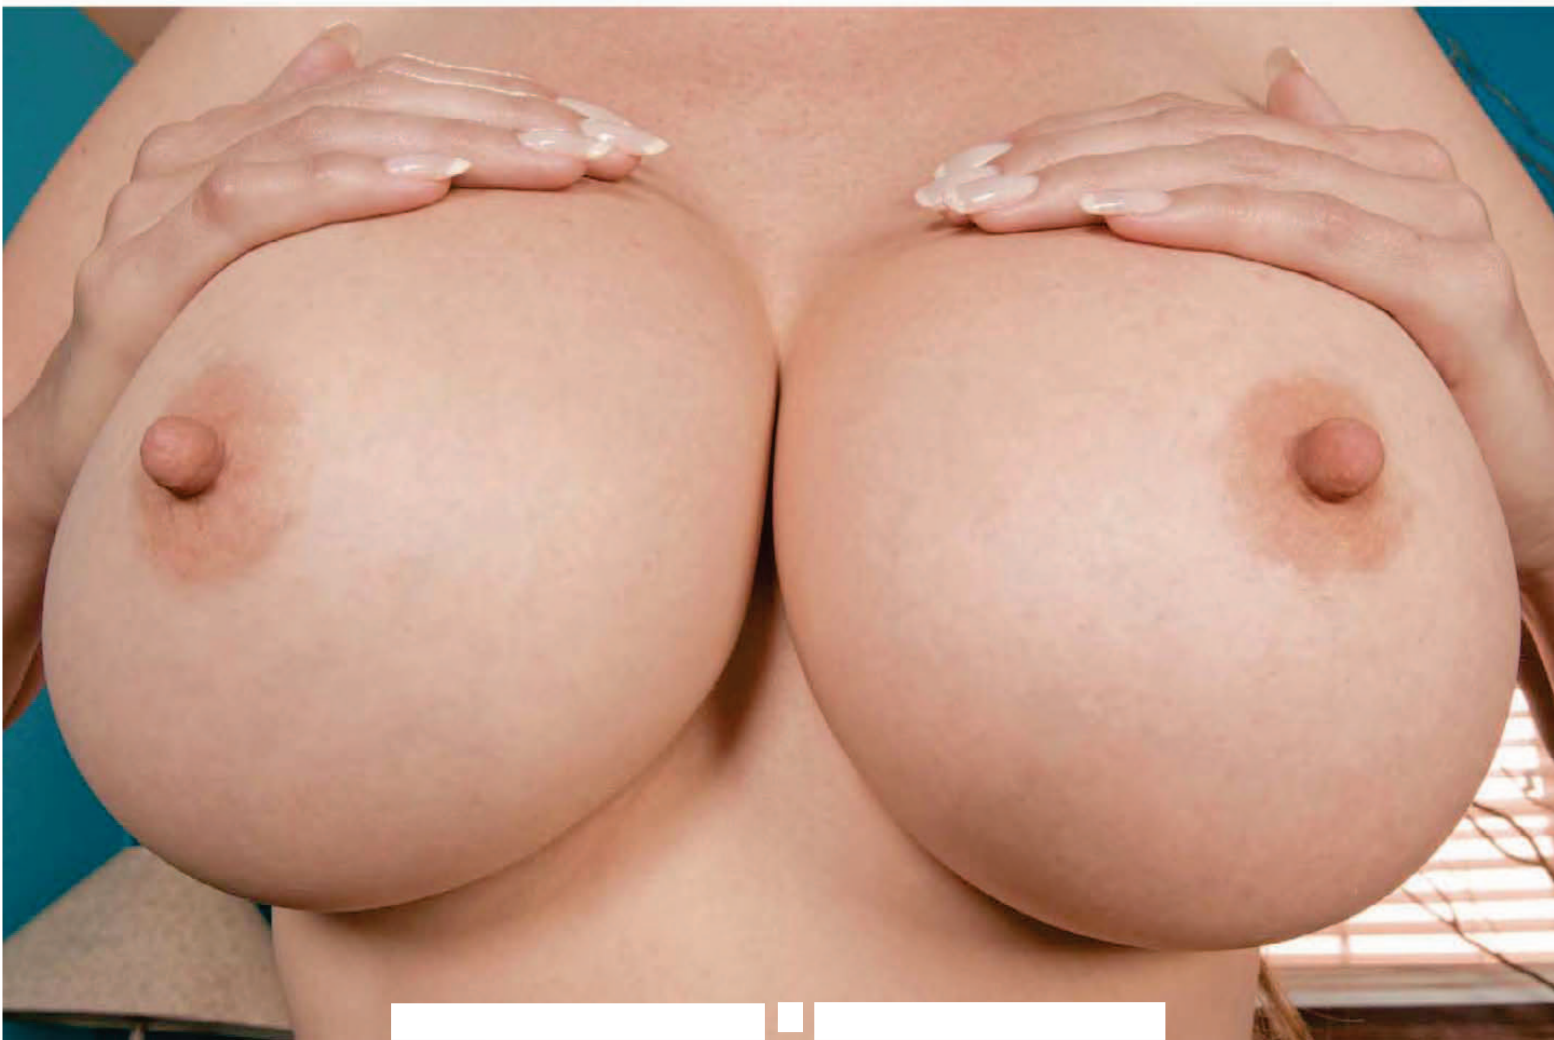

We discovered the former Miss Nude Galaxy at the annual Nudes-a-Poppin' festival in Illinois, and she debuted in the July '02 issue with her legs wrapped behind her head and all of her dick holes in full view. Now June is fucking like crazy, and you'll see her in action in an upcoming issue of *SCORE*. "I think with most men, their women don't talk dirty and say the raunchy things they want to hear," June said. "I want to fulfill your fantasy. Fuck my pussy! Fill my mouth with your cock! Let me suck those nice balls! I think you get the picture."

Bree's short legs swept up Denny's back, coming to rest, ankles crossed, just below his shoulder blades.

"Do me!" she pleaded. "I'm a big girl. I can take it!"

Big up top maybe, but not down below. Dennis felt himself bottoming out in Bree's cunt, but every time his tip met resistance, it only made her beg him to give it to her harder. Bree wanted to be thoroughly fucked out.

She dug her fingernails into the back of his scalp, pulling his head down so he could suckle her tits while fucking her inside-out. Dennis complied, ignoring the strain on his neck as he jackhammered Bree's sopping box. Their bodies slamming together made wet, nasty, raw sex sounds, and Dennis began to feel the warning signs, but he didn't hold back. He continued to plow Bree's cunt, hoping to get her off one more time before he shot his wad. He could tell Bree was on the verge of cumming again as his balls tightened and his thigh muscles began flexing.

Bree was right there now, gasping as he banged her, squealing and letting him know that at any moment, she was going to gush all over his sofa because it was so good.

"I'm going to cum," Dennis told her. "I'm going to blow my load right up your tight little pussy."

Bree came, and a moment later, Dennis released a geyser of hot ball grease up her love tunnel.

"God, that was fantastic!" Bree wheezed, mopping up some of his cum with her T-shirt.

"You had a little something to do with that," Denny said.

"Some way to start out," Bree said. "I think Tara is upstairs doing Tom in your bedroom, and Monique is getting laid by Chris in the guest shower."

"Start out? You mean nobody's hired you guys yet?"

"First week we ran the ad. You were our only call. Things haven't been going so good yet, but we're hoping."

Denny smiled broadly.

"What?" she said.

Never in his life had he been more happy to be running a venture capital firm with his two best buddies. SuperDomers, he'd decided, had quite a financial upside.

THE UNIQUE, SCENT-UAL APPEAL OF HOT, SWEATY, SMELLY CHICKS

Dear SCORE,

Dave Rosenbaum and Elliot James' article on lap dancing ("The Uncensored Guide to Lap Dancing," October '08) was a hoot. I'm sure much of it was true, but I've found that strip clubs in North Carolina are dull compared to the clubs in Florida.

The part of the article that interested me was the so-called *SCORE/Voluptuous* model with body odor. I love the natural odor of a woman during sex. Call me a

freak and a pervert, but I get off on the smell of women.

My girlfriend plays golf, and after 18 holes, she's hot and sweaty. The first time we had sex was after her three-hour-plus round with her girlfriends. She wanted to shower first, but I was too horny. She worried about her smell. I told her I was turned on by her smell. We fucked all over the apartment for about 45 minutes. I enjoyed every whiff of her body.

She knows I'm a freak and loves that I want to smell her pussy and asshole when I'm giving head. So if a girl has a little stink, go for it and enjoy!—B.H., North Carolina

THE MAD WANKER HAS SPOKEN!

Dear SCORE,

I'm a big-time wanker, and my wife doesn't like it very much. The October '08 32-page Xtra special had me wanking

Kylee Nash (left) and Christy Marks will bend over backwards to please you.

An advertisement for a service called "1-800-JACK-OFF". On the left, a woman with large breasts is shown from the waist up, wearing a white shirt and a silver belt. A starburst graphic next to her says "LIVE SEX 24 HOURS". On the right, the text "THE ONE & ONLY..." is at the top. Below it, "1-800-JACK-OFF" is written in large, red, 3D block letters. Underneath the phone number, the digits "5 2 2 5 6 3 3" are displayed. Below that, it says "\$1.98 / min. to \$3.98/min Visa, MC, AMEX & Optima 18+. only". At the bottom, a blue banner says "CUM ON MY FACE" in white. Below the banner, the phone number "1-900-535-5111" is written in a stylized font. At the very bottom, it says "\$2.50 TO \$3.50/min. 18+" and the digits "7 5 8 8" are displayed.

like crazy. Is it just me or does Stacy Adams look like the actress Gabrielle Union? Stacy is so lovely taking that huge cock. And Holly Halston with a huge cock up her asshole was wonderful, too.

And, good God, the pictures of the DVD *Tits & Tugs 2* is a true wankfest. Harmony Bliss and that huge cock...wow! I know Christy, Janet Jade, Holly and Goldie are very good at wanking those cocks, too.

As Busty Dusty said many years ago, "Happy wanking!" I'll be wanking and wanking to *SCORE* for a long time.—The Wanker, North Carolina

THE GREAT SMOKING DEBATE: HE'S TURNED-ON BY SMOKERS

Dear *SCORE*,

R.C. from Brooklyn, New York ("Scorecard," Oct. '08) thinks Christy Marks should stop smoking. From reading his letter, he's talking like he's in love with her when he doesn't even know her. She's a grown woman and she can do whatever she wants. She's not his woman, so who is he to tell her to stop?

I know smoking is bad. I don't smoke, but it's a personal choice, and I'm sure a lot of the women in *SCORE* smoke. I've gone to see some of them at clubs, and I've seen them sitting around after their

shows signing pictures and smoking.

I love watching beautiful women smoke in print or on video. It's a huge turn-on to watch women smoke on video and in print. I know a lot of men feel differently, but some men like to watch women pee. I love to watch women smoke. They can be giving a hand job or a blow job, having sex or sitting in a chair doing nothing but smoking.

I don't like being around people who smoke, but I dated a woman who smoked. You have to take the good with the bad because chances are she was smoking before she met you. I'm sure if that guy from Brooklyn had a chance to date Christy Marks and she smoked, he would go with it.

Tell the guy from Brooklyn to take *SCORE* for what it is. I've seen women in your mag who I would love to meet and maybe date, but in the real world, that's not possible.—E.S., address withheld

THE GREAT SMOKING DEBATE: SMOKING GIRLS TURN HIM OFF

Dear *SCORE*,

SCORE is always smoking hot, but you asked a question in the October '08 issue which I have referred to before: Whether the beautiful, sexy ladies who appear in *SCORE* should appear in pictures smoking.

My answer is very simple. No. Under no circumstances should they appear in your magazines either smoking or even holding a cigarette.

Firstly it is in their interest not to smoke. Breast (or any form of) cancer can be a very horrible thing, and considering the size of their breasts is what makes them loved by all *SCORE* readers, we do not want to hear later in their lives the woes caused by smoking. I have lost close relatives who would still be alive had they not smoked.

Secondly, from a personal perspective, seeing anyone smoke, whether in print, on TV, on the cinema screen or in real life makes me nauseous. I cannot be in the same room as someone who is smoking for my own health reasons.

Thus when I see the ladies smoking in *SCORE*, I turn the page quickly. I think Christy Marks is a very beautiful, sexy young lady, and she is a very charming, witty and lovely young lady, too. However, I cannot bear to look at pictures of her either holding a cigarette or actually smoking. These pictures spoil, for me, what is a great magazine.

As I said, you asked this question in

the October '08 issue, and again as I was looking at the Xtra section, 32 pages of near perfection, what did I see? One of my (now former) favorite ladies, Puma Swede. Yes, she is beautiful. Yes, she is sexy. Unfortunately, yes, she is also smoking. Thus, these pictures have ruined her in my eyes.

I understand that there is a market for the ladies to be seen smoking, that some guys enjoy seeing this. I don't want to take their pleasure away, but I also don't want their pleasure to spoil mine. I suggest that once each year, you release a special as you do with *Mamazon* called something like *Smoking Hot Ladies*. Therein, the ladies that do smoke could be highlighted. This aside, keep up the great work.—Alan, London, England

YOU'RE RIGHT, J.G.! WE DID MAKE THAT ISSUE JUST FOR YOU!

Dear SCORE,

Wow, you really outdid yourselves with the October '08 issue! It's like you made most of the pictorials just for me. I had a hard time just getting past the cover. When I finally did open it up, five of the seven main spreads had at least one shot of a revealing top. These are exactly what I asked for. Well done.

I almost had to quit my job because I've been spending so much time with Cindy Cupps. As one of my favorites, she just keeps getting better and better. I only wish you had shot her in one of my favorite poses: from above looking down at her tits or from below looking up. Another pose you should use more is looking at the girl either sitting or on her knees with her tits pushed together or hanging down so we can see behind her looking between them. You'll just have to do another spread with Cindy in these poses. While you're at it, do a spread of Keisha Evans and bring Traci out of retirement and do a spread of her, too.

Also, to answer your question, shots of girls smoking cigarettes don't turn me on. Any shot with a guy's penis in it is also a turn-off (unless it's my penis).—J.G., Watertown, Wisconsin

Dear J.G.: Thanks to you, and all of the other readers, who commented on the issue of whether we should show our models smoking cigarettes (or anything else). This has always been a point of great contention among readers. Some love it and are greatly turned-on by the sight of a sexy woman smoking. Others find it a turn-off, mostly for health reasons. So, the suggestion box remains open, readers. Let us know how you feel. 

Bridge on the River Twat

JASMINE BLACK IS YOUNG, SWEET & BEAUTIFUL. SHE ALSO LIKES TO SHOW OFF HER FUCK HOLES.

So lovely. So sweet. Jasmine Black stood on the wooden footbridge that graced the grounds of our castle in Budapest, Hungary, worked her fingers through her hair and asked, "Do you like my flower?" Meanwhile, a pair of E-cup naturals were popping out of her top, and when she laid down on the bridge and spread, the sun glistened off her wet, ultra-pink pussy and tight asshole. "Do you see my flower?" she asked again, almost innocently. Sorry, Jasmine. We had our eyes on other things.

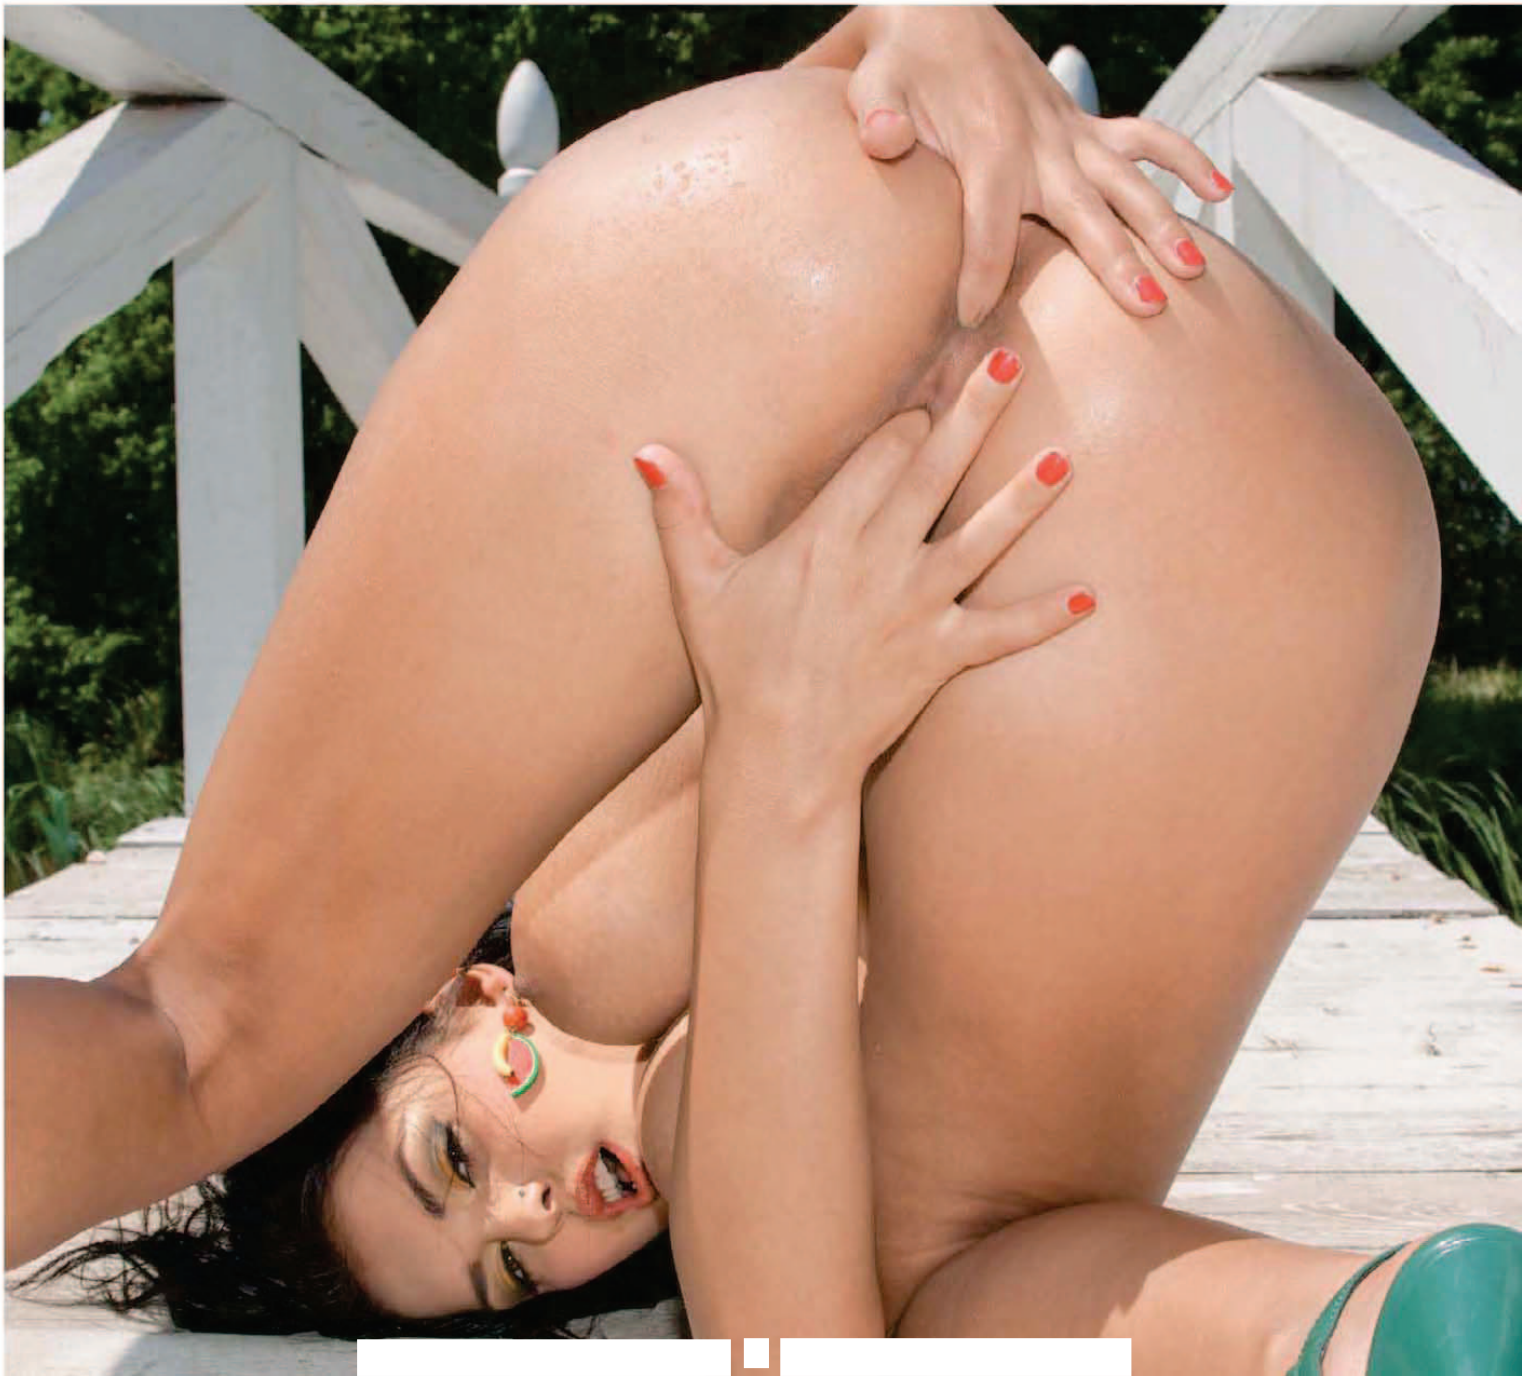

Jasmine, who was born in Romania and now lives in the Czech Republic, is only 20 years old, but she's already one of the horniest porn stars we've ever seen. During the three days she spent with us in Hungary, Jasmine fucked and sucked, took it up the ass and even got her pussy and asshole filled at the same time. You'll see Jasmine in action in an upcoming issue of *SCORE* and in the DVD *Busty Riding Academy*. But on this afternoon, Jasmine proved she doesn't have to fuck to look hot as hell. "You want me to spread my pussy?" Jasmine asked in her sultry Romanian accent. Yeah, and lots more!

Your *SCORE* editor had the honor of operating the spray bottle that kept Jasmine cool on this blazing-hot afternoon. Every time he spritzed her tits, she responded with a sexy, "Ooooh! That feels so good!" Then he sprayed her pussy and ass with water and Jasmine cooed, "More, more!" She smiled and giggled, as if she were totally unaware of how fucking sexy she is. Then she tucked a finger in her asshole, and the day got hotter.

MORGAN LEIGH & SUMMER SINN: SWEATER STRETCHERS

THE SUPER-STACKED BOSOM BUDDIES SET OUT TO PROVE THAT TITS IN TIGHT TOPS ALWAYS GET THE COCKS.

When Morgan Leigh and Summer Sinn met in the *SCORE* studio, they did what girls do: talk about clothes. But this was no boring conversation. Their subject was sweaters, tight sweaters, and how good they look when wrapped around big, firm tits. They tried on several sweaters—destroying some of them—and then decided, “We should be able to get any guy with these sweaters. Let’s try to prove it!”

With their tits bursting out of their low-cut sweaters, Morgan and Summer headed to the *SCORE* warehouse, where they found their prey: a horny dude who'd spent the whole day stacking boxes of big-tit magazines and videos. He turned out to be easy prey, and Morgan and Summer took him by the hand and led him back to the studio, where they proceeded to turn his head into the meat in a tit sandwich. Then Morgan sensually sucked on Summer's tits—she'd been wanting to do that all day—while Summer went down on the lucky employee's cock.

Some of the highlights from Morgan and Summer's scene in the new DVD *Sweater Stretchers*: Summer trying to get as much cock in her mouth as possible while Morgan lends a helping hand and pushes Summer's head down onto the hard-on; Morgan fucking her pussy with a plastic fuck-stick while Summer gets her tight cunt filled with real man-meat; the dude cumming all over Summer's tits, and Morgan taking off her sweater and using it to perform clean-up duties. Morgan has yet to play with a real cock on camera, but judging by this scene, her first time can't be far off. As for Summer, she said, "I loved having Morgan suck my tits while I got fucked." Oh, and by the way: the girls proved their point.

JANUARY 2009 MORGAN & SUMMER

AFRICA: SWEATER, MOUTH & ASS STRETCHER

SHE'S A WOMAN OF MANY TALENTS. A WOMAN WHO CAN DO WONDROUS THINGS WITH HER LOVELY FUCK HOLES.

We continue our sneak peek at the new DVD *Sweater Stretchers* with Africa. She's been a *SCORE* Girl since 2001, has fucked and sucked in several movies, including *Black & Stacked Xtra* #1 and #3, and has impressed us over and over with her big floppers, deep-throat skills and ultra-pink, ultra-fuckable pussy. But only recently (since the June '08 issue) has Africa added anal to her repertoire.

On this spread, Africa shows off many of the reasons we love her. Above left, she expertly sucks on her own tit, hands-free, while bouncing up and down on a cock. As many girls have told us, it ain't easy. Above right, she allows our stunt cock to finger her asshole, prepping it for the anal slamming she's enjoying in the photo below. And in the full-page photo to the right, Africa does something we've never seen her do: the inside-out cock suck, in which she uses her mouth suction to pull the guy's dick back over his balls and between his legs. This is not something most guys will allow a girl to do, but when Africa tells you she wants to do something to your tool, you just let her do it.
