WHO ARE THE BUSTY GIRLS WITH THE BEST PUSSIES?

Dear *SCORE*,

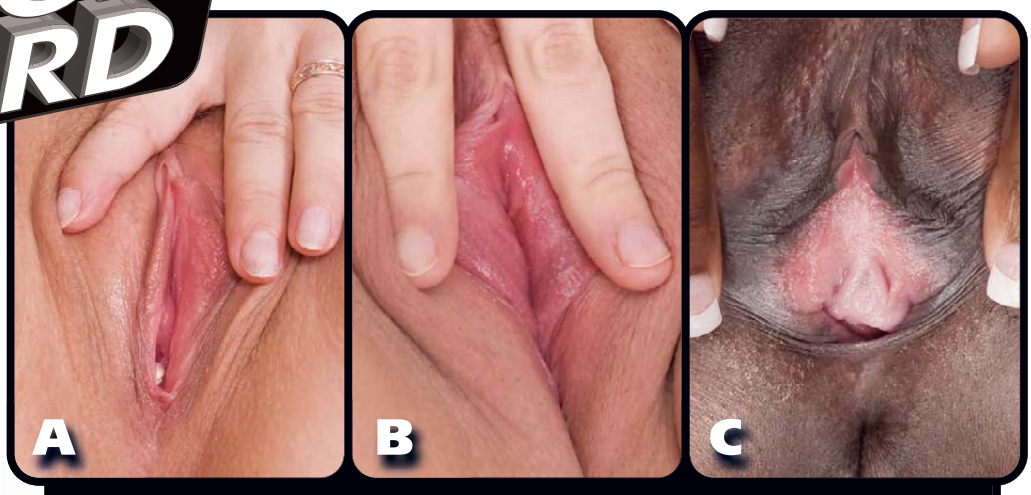

I know this is not an ass or pussy mag, but since you do show pussies as well, I'm going to write about something a little different, something I thought of off the top of my head: the best-looking pussies. The models are judged as follows:

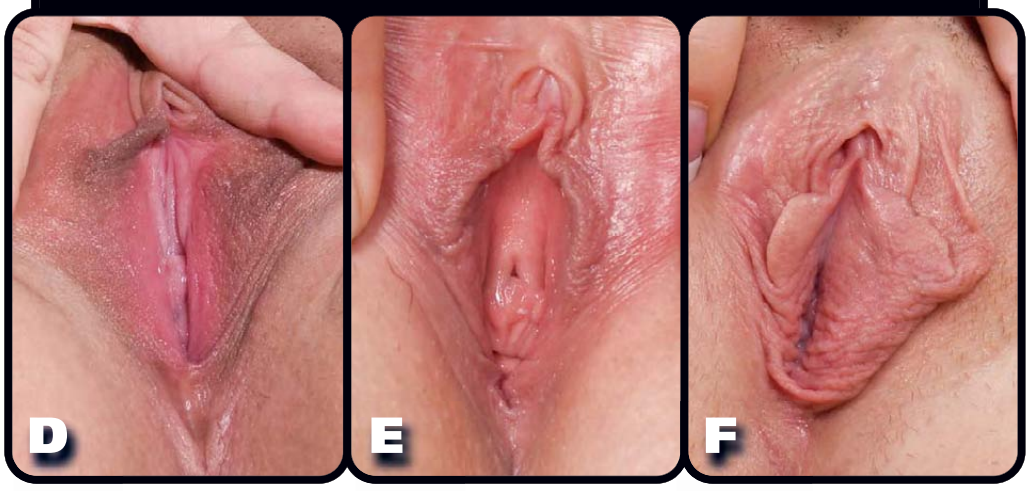

Smoothest. Perfect-looking. No overlapping lips or appearance of raggedness, like she's been fucked five million times.

Lickability: Just makes you wanna go down on her.

Fuckability: Just makes you wish you could fuck her sweet pussy so much.

I've come up with 20 of the best-looking pussies of *SCORE* and V-Mag. And here they are: 1. Natalie Fiore; 2. Lorna Morgan; 3. Linsey Dawn McKenzie; 4. Kelly Kay; 5. Janet Jade; 6. Nicole Peters; 7. Daphne Rosen; 8. Anna Carlene; 9. Bea Flora; 10. Kerry Marie; 11. Gabriella Michaels; 12. Harmony Hart; 13. Sharday; 14. Brianna Costello; 15. Tera Cox; 16. Sam Springs; 17. Crisa; 18. Karina Hart; 19. Cassandra; 20. Sydney Simona. And maybe, someday, Kym could be on this list.–S.M., Baltimore, Maryland

How well do you know your *SCORE* Girls' pussies? The six sweet, pink cunt holes pictured here belong to Janet Jade, Lorna Morgan, Daphne Rosen, Tera Cox, Kelly Kay and Brianna Costello. Janet's pussy is obvious, but how about the others? Figure it out–take your time!–then turn to page 66 for the answers.

LET'S FACE THE FACTS: IT'S ALL ABOUT THE BIG TITS!

Dear *SCORE*,

As much as I enjoyed jacking over every model in the November '08 issue, I will limit myself to three comments.

1. I buy *SCORE* for the tits. Seeing wide-open pussies is a wonderful added treat, but it is secondary. Rukhsana is a world-class *SCORE* model, and her decision to not spread wide for the camera doesn't detract a bit from my enjoyment. And her sheer, black dress is so perfect for her, I'm guessing it was designed especially for her. Absolutely gorgeous!

2. You ask if Annina Ucatis' tits are 2008 Newcomer of the Year quality. I don't have to think about how to answer. My cock answers for me every time I see

Stacked stars of Nov. '08: (l to r) Lexxi Tyler, Rukhsana and Annina Ucatis.

Annina's twin beauties, especially in the photos in which they hang out over her hot, red dress.

3. I hope I'm among the first readers to welcome lovely debutante Lexxi Tyler to my favorite magazine and to compliment her on her selection of that tiny, yellow bikini to start her layout. If any girl I've seen this year can rival Annina for Newcomer of the Year, it's Lexxi. Would it be possible, in a future issue, to feature Annina and Lexi in side-by-side photos in identical poses so we can do a comparison?–C.J., Philadelphia, Pennsylvania

STRIKING THE PERFECT BALANCE: SOMETHING FOR EVERYONE

Dear *SCORE*,

I would like to share my thoughts with fellow readers regarding the balance that is found in *SCORE* and *Voluptuous*. I know that many readers enjoy both magazines.

I agree with J.B. in the September '08 V-Mail in *Voluptuous*. Too many readers complain when there are features they do not like. We all must remember that there are many tastes amongst readers. I believe The SCORE Group does a great job in finding the balance across the wide variety of tastes.

I was glad to see T.A.'s comments in the October '08 *SCORE* that there is nothing more beautiful than seeing a busty woman in a natural setting.

Although I'm not a big pornography fan, *SCORE* Xtra is there to satisfy read-

Here's the legendary Lorna Morgan, pregnant, as seen in the August '08 issue of *Voluptuous*. It's too heartbreaking a sight for some men.

ers who enjoy XXX photos.

T.E.'s comments (October '08) were right on, too. You can not please everyone all the time. Many people have it good if the photos in *SCORE* are their only complaint.

I liked the variety in the October *SCORE*. Jade Feng's bigger bust is outstanding, and Emma and Maddie Thomas are new models with great potential. *SCORE* Xtra had six models in a variety of hardcore poses to please XXX lovers. Nikki Jaye is a lovely young model with a fantastic figure who shows us how black can be beautiful. Cindy Cupps is an old favorite who can really stretch a sweater and bra.

Finally, Lorna Morgan looked absolutely fantastic as a mother to be. Great poses and lovely smile. I'm sure they were appreciated by the many readers who have followed her incredible career.–J.Z., via email

FOR THIS GUY, SEEING A *SCORE* FAVE PREGNANT DESTROYS THE FANTASY

Dear *SCORE*,

In 11 years as a *SCORE* Man (the last six in a row without missing an issue), you have never run a pictorial I haven't wanted to look at until Lorna Morgan's in the Oct. '08 issue. And I haven't looked at it.

Please don't misunderstand me. I know the problem exists entirely within my head. I'm not averse to seeing pregnant women, and I do find them beautiful and sexy (my wife is currently pregnant with our first child). I'm very happy for Lorna and wish her all the best, but I don't want to see any more pictorials of any flagship *SCORE* models in the family way, so to speak. It's too heartbreaking for me.

I'm not a fantasist, and I recognize that these ladies have lives and partners outside of modeling. I do not expect to ever meet Lorna or be the man of her dreams. But you sometimes seriously underestimate the emotional attachment some of us longtime *SCORE* Men have for models like Lorna, Linsey, Kerry Marie, etc. I respect Lorna's decision to pose pregnant, but I find it too painful to look at, as irrational as that may sound. I just about made it through the August '08 issue of V-Mag without blubbering, but please, if you can possibly help yourselves, no more.

Please remember that *SCORE* is a magazine about fantasies. As much as I applaud your presentation of the models as real people with real lives, I can think of few things that trample all over a fantasy as much as seeing a model I absolutely worship pregnant with another man's baby. As I said, it's difficult to rationalize this, but I hope you can sort of see where I'm coming from.–K.S., United Kingdom, via email

WRITING ABOUT FUCKING IS ALMOST AS GOOD AS FUCKING

Dear *SCORE*,

I'm beginning to get the impression that B.P. from Toronto, Canada doesn't like me ("Scorecard," Dec. '08). As far as photographic evidence of my girlfriend is concerned, I wrote you a letter recently concerning a threesome with a girlfriend named Jennifer and a friend named Heather. I will send a couple of photos of Jennifer and I, and a solo shot. Feel free to pass them along to B.P.

I've had some wonderful girlfriends, and, thankfully for me, all my stories are true. Just writing them brings back some great memories. Thanks for printing them. All the girlfriends I've had (small-breasted and big-breasted; trust me, bigger is better) have gotten off on what I'm into. Sweaters turn me on, and I've never had trouble introducing my turn-on in a relationship. If the sex is

Just about every *SCORE* Man loves seeing babes like Deena Duos (far left) and Morgan Leigh stretching sweaters to the max. This issue's bonus calendar features *SCORE* Girls in super-tight tops!

Christy Marks is so horny that even when she has a big cock stuffed inside her pussy, she can't keep her hands off of Terry Nova's tits. Christy and Terry enjoy an outdoor four-way in the upcoming DVD *Busty Riding Academy*.

hot and your girlfriend likes you, she'll do just about anything you want. Believe it or not, B.P., there are girls out there, many of them with big breasts, who will make your fantasies come true if it means more fun in the sack.

There's no better feeling in the world than seeing your big-titted babe in a tight sweater for the first time. That's why I anticipate your winter issues so much. Sweater pictorials!

You guys have been great to me and publish one hell of a magazine, but I'm a pushy New Yorker, so if it's not too much trouble to ask a favor: Christy Marks or one of your other big-titted models in a cheerleader pictorial. Rah, rah!

It just occurred to me, I sent you a couple of photos of Lisa, a girl I met, wearing a tight sweater in a New York restaurant. She was Dominican. What freaking nipples! God, rehashing these stories has been great. All your readers should give it a try, even if they are only fantasies.–T.N., via email

Dear T.N.: Your Christy Marks cheerleader fantasy comes true in the new DVD Christy Marks Gets Fucked *and in the Xtra section of the Holiday '08 issue. And your sweater fantasy comes true in this issue's bonus, a 2009 calendar of* SCORE *Girls in tight tops. Enjoy!*

NOW THAT SHE'S DONE XXX, IT'S TIME FOR CHRISTY'S THREESOME

Dear *SCORE*,

Now that Christy Marks has done her first hardcore DVD, in which she has full sex with four different men in four different scenes, I was wondering if there was any chance of you miracle workers at *SCORE* convincing her to do scenes with more than one guy at the same time. Seeing as she's obviously happy to have sex on camera with different guys in different scenes, why not with two or more in the same scene? I'm sure many fans would love to see Christy with a guy at each end.–Matt, Cambridge, England

Dear Matt: If you're referring to a traditional three-way, the answer is no…so far, and we say that because Christy seems willing to do anything (just recently, we engaged her in a discussion about anal sex, and she was intrigued by the idea). You'll be happy to know, though, that Christy has done a scene with two guys…and another girl. It's a four-way with Terry Nova in the upcoming DVD Busty Riding Academy. *Christy services both men, but not at the same time. They take turns fucking Christy and Terry. If that doesn't sound like the ultimate fantasy, we don't know what does. We'll have information about* Busty Riding Academy *in the March issue.*

ALENA'S ELUSIVE SMILE

Dear *SCORE*,

I like what you did with *SCORE* Xtra in the October '08 issue, but I think that it is best as a change of pace. I like the longer layouts as a rule. *[Editor's note: The October XXX section was expanded to 32 pages, featuring six pictorials of shorter length than usual: four-to-six pages instead of the usual six-to-eight.]*

Also, kudos for putting Cindy Cupps on the cover. She is as nice as she is beautiful.

I really like your new star Kylee Nash. I like Alena Snow, but I wish she would smile more. The best smiling picture you have of her is in the table of contents of the February '07 issue. She has a really nice smile. With Hannah Callow, it is almost her trademark. It is her little joke with us: "I am just about to smile and you know I am, but that will just be for the photographer." Alena looks like she is afraid to smile.

Also, as I live in Austin, Texas and Alena lives in Dallas, I wish she would say if she dances at a local club.–D.B., Austin, Texas

Dear D.B.: Alena was a feature dancer who toured the United States before she recently moved back to her native Norway. As for Alena smiling, it's an interesting

Continued on page 20

A rare photo of Alena Snow smiling. Alena isn't afraid to smile. She smiles all the time. But she thinks she looks sexier in pictures when she sports a "fuck-me" look.

SCORE Holiday Video Roundup

Give yourself the gift of the top 10 DVDs of 2008!

In a world in which everyone has gone hardcore crazy, *SCORE* Men are different. That shouldn't surprise any of you. You know that your tastes in women, and in adult entertainment, are different, refined, specific. So, it shouldn't surprise you, either, that six of the top 10 *SCORE* DVDs of 2008 are not hardcore films. They feature *SCORE* Girls doing what they do best: showing off their beautiful tits. How many of the Top 10 do you have?

Christy & Janet's 1st tit-fuck

Christy Marks (below left) wrapped her big tits around a cock, and Janet Jade (above left) made a dick disappear between her massive cleavage. Goldie Blair (left), Holly Halston (above right) and Harmony Bliss (bottom right) also joined the fun.

For Christy, four times the fun!

After her dick-hardening performance in *Tits & Tugs 2*, in which she showed us how much she loves cock, Christy Marks was ready to go all the way in her first full-sex film. And she did it again, and again and again, fucking four different guys and loving every minute.

SCORE Holiday Video Roundup

The ultimate Lorna collectors' item

If you're a fan of Lorna Morgan, one of the greatest naturals ever, then you owe it to yourself to own this. Some of the stuff has been remastered, some of it is brand-new.

Reach out & touch 'em!

(Clockwise from top left) Kylee Nash, Christy Marks, Cindy Cupps & Janet Jade took big tits to a new dimension: the third dimension!

Horny, busty babes get doused with cum!

SCORE **Men love big, wet tits, and *Busty 'n' Wet* is loaded with them in hardcore boy-girl and girl-girl action. So, what is it you prefer? Shyla Stylez (above) getting fucked in the ass? Got it. Daylene Rio (top right) in her first on-camera fuck? Got that, too. Scorching, wet lezzie action featuring Morgan Leigh and Daphne Rosen (middle right) or Harmony Bliss and Mia Starr (bottom right). It's all here. So get hard, get wet.**

TITS & TUGS

The first boy-girl for Cindy and Crystal!

We waited a long time—nearly a decade—to see Cindy Cupps (above left) and Crystal Gunns (above right) jacking off cocks and taking a big dick between their huge tits. It finally happened in the first installment of the *Tits & Tugs* series, and it was worth waiting for. "I did it for my fans," Crystal said, although by the looks of things, she enjoyed it a lot. April McKenzie (left) was among the costars of this historic, must-have film.

Your big-tit fantasy, on location!

You could say that there are 11 videos in this year's top 10. After all, *Big-Boob Paradise* and *On Location Big-Boob Paradise* are two different films. But the vast majority of *SCORE* and *Voluptuous* Men bought them together as part of the "Paradise Pack" package. And these videos put us right there in paradise (Eleuthera, the Bahamas) with Lorna Morgan, Angela White, Terry Nova, Gianna Rossi and Christy Marks. You lived the fantasy, then went behind the scenes.

SCORE Holiday Video Roundup

You won't want to check out!

Imagine checking into a hotel in which every staff member has big tits. Karina Hart, Melissa Mandlikova, Jasmine Black, Katarina and newcomer Mandy Pearl make the fantasy come true.

Because you can never get enough!

Her first DVD, *Merilyn Busts Out!*, was a No. 1 bestseller. Her second DVD, *Merilyn Sakova Second Cumming*, was also a No. 1 bestseller. Could her third DVD, *Merilyn Sakova Take 3*, also top the bestseller list? Yes, it could, proving that when it comes to Merilyn Sakova, one of the greatest naturals ever, *SCORE* Men can't get enough. By the way, her fourth DVD, *Merilyn In Yer Face*, is headed to the top of the list, too.

Karina Hart's first video!

SCORE **Men saw Karina for the first time in the July '08 issue and instantly fell in love. Now, with Karina getting bustier and bustier and the discussion heating up about whether she's the greatest natural ever, her first DVD, *Hart On!*, is selling in record numbers. You can get it, and all the other Top 10 DVDs, on page 89.**

subject. Some readers like when the SCORE *Girls smile as if they're posing for a high school yearbook or a prom photo. Crystal Gunns is one model whose smile is one of her most popular features. Other readers prefer when the models strike a sexier, sultry look. After all, most women aren't smiling wide when they're fucking or dildoing their pussies. We try to strike a balance between the two, realizing that some models look better one way or the other. Readers, do you prefer when the models smile or when they strike a "fuck-me" look? Or do you enjoy a mixture of both looks? Let us know.*

NATURAL VS. AUGMENTED POLL RESULTS GOT HIM A LITTLE DOWN

Dear *SCORE*,

I was very disturbed by the results of the poll on Scoreland that asked what type of busty models we prefer. I am astonished to see how low the augmented models are ranking in the voting.

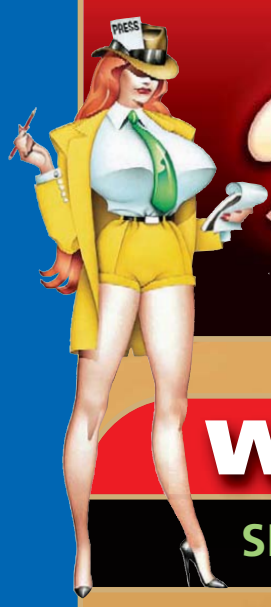

Don't get me wrong. I love all big boobs, period. I'm sick of all the arguing for/against pregnant girls, ethnic girls, this girl, that girl…it does not make a difference to me. Attractive girls with big boobs are all that matters. However, my personal preferences are augmented girls and mega-boobed girls.

I became a fan of *SCORE* when you guys were supplying content for Danni Ashe's website, but when Scoreland.com started, it wasn't long before I saw who had the better content. The models like SaRenna Lee, Sana Fey, Alyssa Alps, Dawn Stone, etc., are among the many reasons I joined Scoreland 10 years ago. These days, I look forward to seeing Crystal Gunns, Annina Ucatis, Denise Derringer, Shyla Stylez, and all of the other augmented, natural, pregnant, non-pregnant, lactating, ethnic, mature, newbie, and mega-boobed girls.

Although I prefer the augmented and mega-boobed girls, I love all the busty types, so please don't start leaving out my favorite model types or focusing more on another type. Don't change a thing!–J.K., via email

Dear J.K.: Here are the final results of the poll to which you referred: 25% preferred mature and natural models; 23% went for young, slim and natural models; 21% went for plumpers; 19% went for mega-boobed babes; and another 12% preferred young and

WIN CARMEN HAYES' BRA

SHE PERSONALLY AUTOGRAPHED HER F-CUP TIT SLING!

Stacked-and-sexy Carmen Hayes has appeared in a slew of *SCORE* DVDs since her debut in 2004, among them the award-winning *Busty Hookers*, *Fuckin Mo' Titties* and *Hard SCORE*. In recent months, Carmen has been smokin' poles and putting her ankles behind her neck in her trademark bang position on the new websites BigTitHooker.com, BigBoobsPOV.com and TitsandTugs.com. She settled a controversial subject about her tits on *SCOREtv* episode 6. She even did a girl-girl with Christy Marks for Christy's new website. Now win Carmen's bra! Simply print on a sheet of paper your name, address and email address and the statement, "I am over 18 years of age and I want to win Carmen Hayes' bra." and mail it to "Win Carmen Hayes' Bra, *SCORE*, 1629 N.W. 84 Avenue, Miami, FL 33126." Multiple entries will not increase your chances of winning. No purchase necessary. Sorry, no email or fax entries for this contest. Entries must be postmarked by February 1, 2009. Good luck! Enjoy her pictorial on page 67.

Carmen Hayes handed over her bra for one lucky *SCORE* Man. Who will take it home? Will it be you? You gotta be in it to win it so enter now! The clock is ticking!

A New Home For Christy Marks' Bra

We have a lucky winner in the Christy Marks bra giveaway from the July '08 issue. G.S. of California is the happy owner. We're sure he'll provide a good home for Christy's 36H-cup holders.

Also, five runners-up each won an autographed copy of Christy's debut covergirl issue, the November '07 issue of *SCORE*. We're sure they'll treasure those magazines for years to come. Wrap 'em in plastic, boys!

These have been hot times for our Miss Marks. She made her first XXX DVD, *Christy Marks Gets Fucked*, featuring four scenes of Christy enjoying cock. She won the 2007 Newcomer of the Year Award. And topping things off, the new website ChristyMarks.com launched in August. The site features a photo set and video of Christy every week and a blog entry by Christy every two weeks. The blog has proven to be a big hit with members. From time to time, guest *SCORE* Girls will be doing very horny things with Christy. Take the free titty tour to see!

German policewomen have no bullet-proof bras in Christy's size: 36H!

Bullet-Proof Tits

German policewomen will now be able to wear bullet-proof bras. Made of white cotton with the word Polizei (Police) along the seam, the bras will protect police gals who wear bullet-proof vests. The bras have no metal parts and resemble sports bras made of cotton, polyester, spandex and polyamide with no buttons or fasteners.

"There was a slight safety risk for women wearing normal bras with metal parts underneath a bullet-proof vest," a police official said. "If the vest is hit by a projectile, this can have an impact on the metal bit in the bra underneath and cause injuries." In other words, ruined racks.

The bra will be issued to 3,000 women working for Germany's federal police, but wearing them will be optional. The bras will be available in four different sizes and a handful of styles. Each officer will be issued three bras.

"These can save someone's, life so it's not a laughing matter," said Carmen Kibat, a Hamburg policewoman.

Kibat organized a committee called Action Brassiere. She got hundreds of women to try the bras on the job, something we'd love to see.

First Timer's Kit: The Safe, Effective Way To Lose Your Virginity

It's not a book but a small metal box of stuff (seen here being held by the sexy and busty Latina Daylene Rio during her latest visit to the *SCORE* Studio). Inside the box, which is the brainchild of Eric Ryland Horner, you'll find the tiny book *How To Lose Your Virginity In 96 Pages*, 10 Sexual Position Study Cards, 10 Heroes of Intercourse Trading Cards (including William Shatner and John F. Kennedy) and a Certificate of Copulation diploma. The publishers call it the perfect gag gift for insecure college students, bachelors and bachelorettes. The kit is sold by Quirkbooks.com.

As for Daylene, jack to her scorching XXX videos on BigTitHookers.com, BigBoobsPOV.com and Scoreland.com. She also stars in the DVD *Busty 'N' Wet*. Man, this chick is smokin'!

Your editors deeply regret not losing their cherries to Daylene Rio.

The Wild, Wild World of Weird, Wacky Bras!

Soccer Bra: Triumph of Japan is the world leader in inventing zany, unusable bras just for the fun of it. The Soccer Bra was made to celebrate the World Cup…or is that Cups?

Mail Bra: For girls who have letters to post, this Triumph bra has compartments to hold their mail until they get to a post box…unless they let the mailman serve himself.

Shopping Bra: A handy shopping bag is stowed in this Triumph bra until the wearer needs it at the store. The idea is to promote green because Japan is the world leader in using the most plastic, non-ecological shopping bags.

Voting Bra: The weakest idea of the lot, this Triumph bra is supposed to store a girl's ballots during a political election until she gets to drop her vote off at the polling station.

Baseball Bra: Japan is baseball crazy, so this Triumph bra is designed to show support for a girl's favorite team (in this case, the Rakuten Eagles) and to provide support for her tits at the same time. Other teams are available.

Spiky Bras: Artist Laura Jacobs makes these Mad Max tit-slings up to size 38C. The spikes are made out of silicone, but I'd still recommend you avoid getting poked in the eye. Available from SpikyBras.com.

The Bra Bag: The Stellar Bra Travel Bag keeps padded bras in shape. The protective hard casing fits up to six bras from A to D cups. The Stellar Bra Travel Bag is available in black, leopard & pink polka dot. They need bigger sizes for *SCORE* girls.

BraBaby: The BraBaby allows washing machines to gently clean bras. It protects them from the agitator and from the weight of the other clothes in a girl's washer during the spin cycle. BraBaby is dryer safe, too, so chicks can baby their bras from the washer to the dryer.

Light-Up Bras: Made by Enlighted.com, these hypnotic sci-fi bras are powered by a battery hidden in a pocket under the arm or inside the cup. All the electronic parts are concealed in the lining. William Shatner would approve.

Book Review: Confessions of a Working Girl

Working girls. Hookers. Escorts. Everybody loves them. Even the politicians and the police. Hookers are hot lately. The governor of New York, officially anti-hooker, lost his job for fucking escorts on the sly, and *The Secret Diary of a Call Girl* with Billie Piper from Dr. Who is a hit on Showtime and the BBC.

Now, *Confessions of a Working Girl* by Miss S. is the true story of a Brit university student by day, hooker by night. After losing her virginity at the age of 20, S. answered an ad for a whorehouse disguised as a massage parlor and, before long, she was slipping condoms on her clients' cocks. For someone who just had sex for the first time, Miss S. is oddly matter-of-fact about screwing hundreds of guys, as if she'd become a physical therapist instead of a massage parlor hooker. At least that's how she comes across in her 300-page book.

The book features an epilogue called "Handy Hints For Hookers" that includes the best way to put a bag on a trick's dick, dirty talking, hot and cold blow jobs, proper household etiquette and other practical bits of advice.

"I have written about my experience 10 years back, about how I started out in the sex industry in a well-run British bordello, the kind that no longer exists today because of technology and the law," S. writes. "I did originally start writing this four years back when no one would publish a so-called torrid sex memoir for fear of reprisal or being too down-market."

Guess those publishers didn't know about *The Happy Hooker* written by Xaviera Hollander in 1972. Miss S. is still a prostitute in London and New York. *Confessions* is available from Sourcebooks.com. A very informative read!

Hos are hotter than ever in the news, TV, movies and books.

Sometimes a male teacher sees a pair of tits and can't control his hands.

Tits For Grades

University of Iowa police searched the email account of a political science professor following allegations that he asked female students for breast fun in exchange for better grades. Why, the nerve!

The prof is charged with four counts of accepting bribes based on allegations he asked four girls to give him breast favors, including exposing their boobs and letting him fondle them. Several email exchanges between the students and the teacher referred to grades or offers to negotiate. He's been barred from contact with students.

According to the complaint, one student said the prof told her he would give her an A if she let him fondle her breasts. She said he fondled her and then asked to lick her breasts. He later sent her an email asking to meet again, stating, "A lasting memory of a lovely Monet cannot be formed in 20 seconds." What a poet!

The prof is also accused of asking another student to take off her shirt in exchange for an A. The student said he told her that "girls in New Orleans do it all the time just for beads and her grade was on the line."

Surprise! You're stacked!

NEWCOMER KIKO LEE DIDN'T KNOW SHE HAD BIG TITS UNTIL SHE WALKED INTO HER FIRST STRIP CLUB.

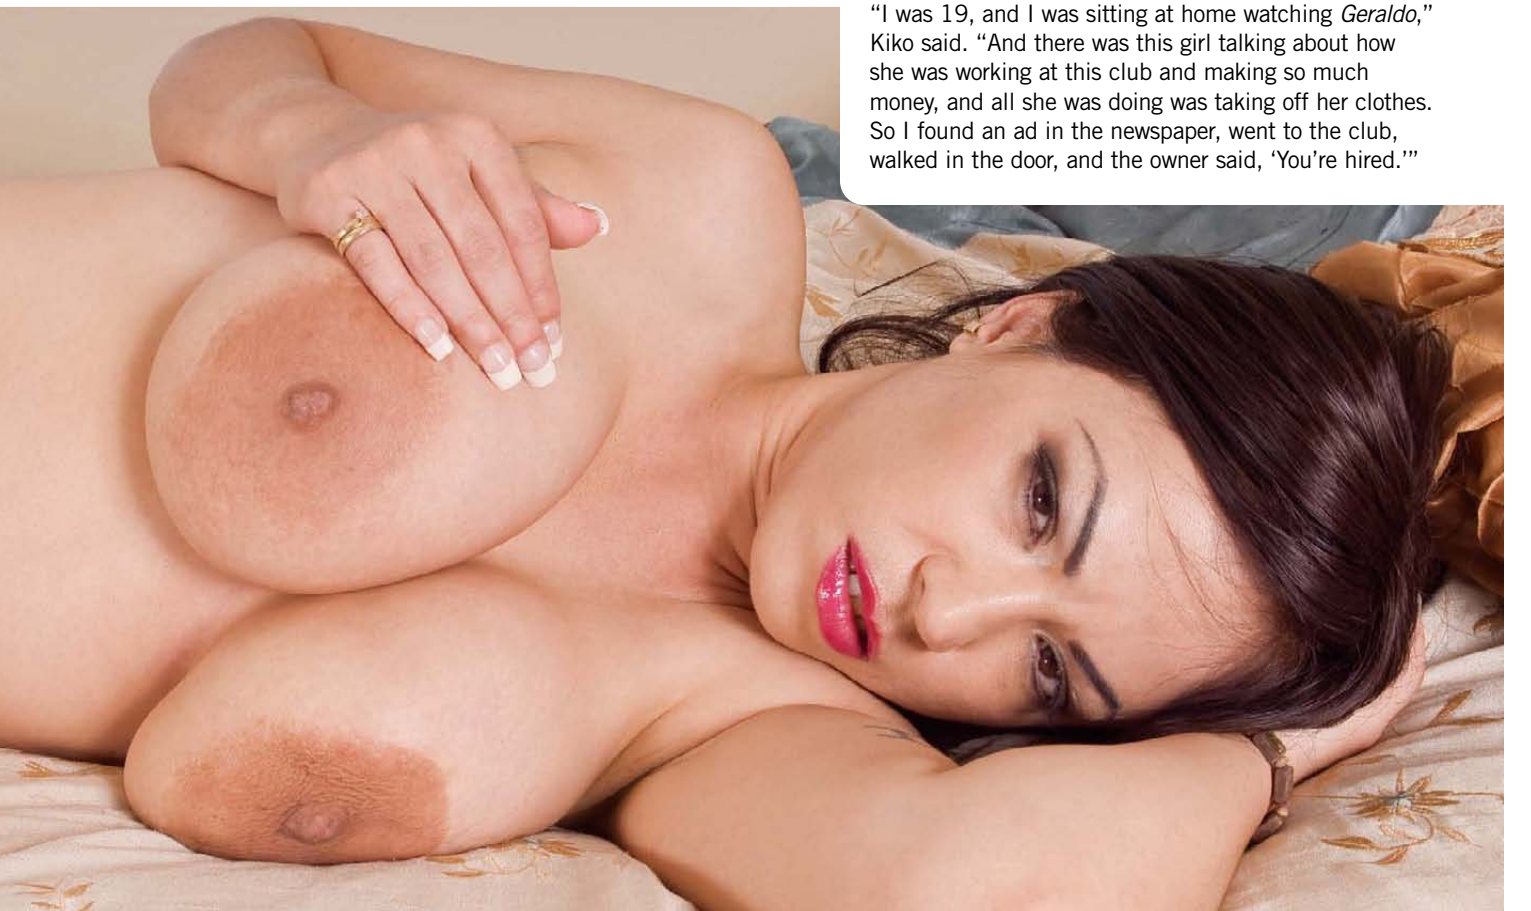

Yeah, you read that right. She didn't know, and you're probably wondering the same thing we were: *How is that possible?* "I just didn't pay attention," said Kiko, an Army brat who was raised all over the world and now lives in Denver, Colorado. Didn't know? Didn't she buy bras? "I just didn't realize that I was different from any of the other girls." Obviously, she is. And, just as obviously, Kiko has a story to tell. So read on.

"I was 19, and I was sitting at home watching *Geraldo*," Kiko said. "And there was this girl talking about how she was working at this club and making so much money, and all she was doing was taking off her clothes. So I found an ad in the newspaper, went to the club, walked in the door, and the owner said, 'You're hired.'"

CHECKLIST

KIKO LEE

BIRTHDAY: October 30 **BRA SIZE:** 34DDD
MEASUREMENTS: 40-28-36 **HEIGHT:** 5'2"
WEIGHT: 121 lbs. **BORN:** Okinawa, Japan
LIVES: Denver, Colorado

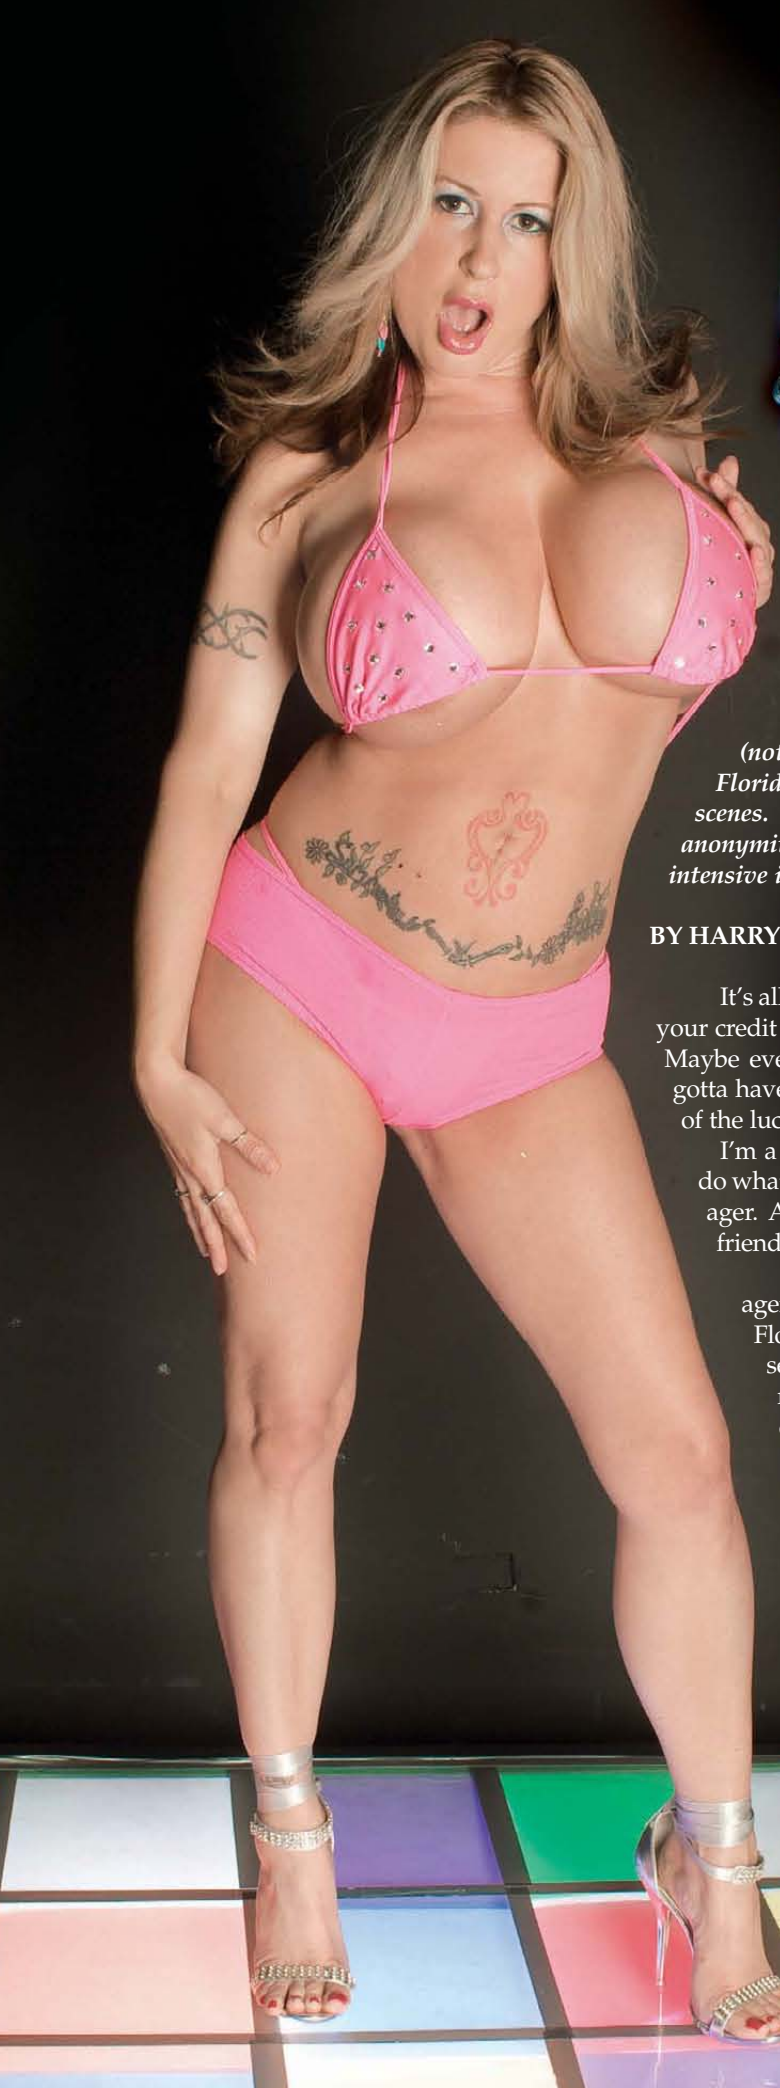

Kiko was confused. She had gotten the job as a dancer without an audition. "I said to the owner, 'What am I supposed to do?' and he said, 'Just dance.' Then, my first night at the club, I was in the dressing room and all the other girls were looking at my boobs and saying, 'They're so big!' I didn't know I had big boobs until the girls told me." At that point, Kiko's days of wearing baggy clothes were over. Now, she dresses to impress. And she's very impressive!

Confessions of a Strip Club Manager

The ultimate insider takes us behind the scenes!

Editor's Note: The following article is true. "Harry M." (not his real name) is the manager of a strip club in the Miami, Florida area. We wanted to know what really goes on behind-the-scenes. "Harry" agreed to speak to our journalist on condition of anonymity. The following article is the end result of several nights of intensive interviews and conversation.

BY HARRY M.

It's all about the girls. You'll empty your pockets for them. Max out your credit line for them. Choke your chicken until it screams for them. Maybe even leave your wife for them. They're strippers, and you've gotta have 'em. I have them, and to you, that probably makes me one of the lucky ones. And you know what? I am.

I'm a guy you don't want to cross, but if you're my customer, I'll do whatever it takes to show you a good time. I'm the strip club manager. And if you knew what I know, you'd want to be my best friend. So I'm gonna tell you some stories.

Call me Harry. I'm a veteran of this business. A top manager in one of this country's biggest metropolitan areas, Miami, Florida. A nice Jewish boy who's lived life to the maximum, seen the reality behind the bullshit, and knows where the money is: selling sex. I'm a former corporate executive, soldier of fortune, and ex-con. I did my duty for the U.S. government in some nasty covert operations. They rewarded me with a five-year stretch. Ollie North got his own TV show.

I got out of stir in my mid-40s and realized it was time to cut the crap. Took a look at the sex business and figured this was the way to go. After 10 years in the business, I've done every job from parking lot attendant to club owner. I've trained almost all of the strip-club managers in this part of the country. Run some of the area's most successful gentlemen's clubs and turned money pits into gold spinners. All the girls love Harry. Because they know I'll take care of them.

There are a number of beautiful things about running a strip club. Number one, unless you do something really stupid, it's a great cash business that's virtually recession proof. See that smile on my face? I'm thinking of

the day I'm going to retire and sail my boat from the Caribbean down to Brazil. I've just taken over my own club. Twenty grand a week in turnover. My overhead's 10. The rest is mine. Doing that kind of math, even after taxes, sail away day is not very far away.

I've seen it all. I know why men keep coming back to stuff their hard-earned cash in garters and G-strings, get hard, maybe get blown, maybe get laid, and almost always go home alone. It's a sad commentary on our society, but some guys don't even come here for the sex. Some guys come for a specific girl; some guys just wanna fuck, some guys just wanna talk. They want a woman who won't bitch at them. They want to rub their backs, rub their legs, and hold their hands. The girls are blowing smoke up their ass, the guys know they're blowing smoke, the girls know the guys know, and everybody loves it because everybody gets what they want. Everyone thinks they're scamming each other and nobody's getting scammed. That's the beauty of it. They get money. You get off. Who loses?

I've had all the top girls in the country in my clubs. The top features. The big-bust girls. The porn stars. The newbies. The flakes. Fucked a lot of them too, but never, and I say never, while on the job. We used to get a lot of incredible girls from Eastern Europe coming over to dance. But since 9-11, the INS is lean-

ing on us. They've threatened to fine us five grand for every girl we hire who doesn't have working papers. So the girls have scattered. Meanwhile, terrorists are still sneaking in across our borders. Go figure.

About the girls. You have the smart ones who save their cash, buy property free and clear, get an education. Maybe find a rich guy. But not too many do. You have the stupid ones who forget they've got a limited shelf life and that looks can be here today and gone tomorrow. The ones who make a G every night, but for some reason show up the next day and ask me, "Hey Harry, lend me a $20". The superstars, who know they can haul down up to five grand a night. The has-beens, who've stayed in the business and don't know how to get out. But everybody knows what the story is. And the ladies are all here because they want to be here. Because they love those Benjamins. Hey, who doesn't?

About your five-grand-a-night girls. These are the real knockouts. They really know how to work the guys. Or maybe they just have something that makes guys want to be with them. And some of them never even show their bush. They just have it. And guys'll do anything to get a taste of "it." These are the girls who spend a lot of time on their profession. They make sure they always look their best. They don't stumble around the club half drunk. And they're concerned about their reputations, meaning they always make sure you have a good time. Because among customers, word spreads faster than a stripper doing floorwork.

Some of you wonder if you can ever have a long-term relationship with a stripper. Maybe. That is, if you're a masochist. These girls have a now mentality. They want everything and they want it now. They don't want a guy telling them they have to be here or there. If they work, they want to get paid now. If they want to have sex, they want it now. Tomorrow? Who the fuck knows what tomorrow will bring?

The girls are intensely competitive. Because they're all fighting for the same dollar. And sometimes you have to step in when two girls want to rip each other apart. A lot of these girls come from violent backgrounds, and stripping is a way out for them. But sometimes they lapse back into their past. Something snaps. It's something to see white girls talking like ghetto bangers when they start fighting. But mostly they get along because they have to. Or they'll get their asses bounced out of the club, and maybe even out of the business. And then all they're left with is hooking.

Sure, the customers have sex in the clubs. We try to keep it in the back room, but unless it's creating a disturbance, we don't do anything to stop it. Look, this is all about hospitality, not selling drinks. Sex is part of the hospitality. It's Disneyland for adults.

The first thing we teach the girls is how to get the maximum amount of money out of a customer. And that's what they have to keep in focus. That's it. Of course, like I said, they have to do it in a way that keeps everybody happy. The last thing you want is a guy walking out of a club thinking he got ripped off and vowing never to come back. Because there are a lot of clubs and a lot of girls out there.

Guys often say to me, "You've got the best fuckin' job in the world, man. You must get laid all the time." I let 'em believe that's true because I do get laid all the time. But sex for me, in the club-during working hours? Never. If you fuck the girls, you're done. And managers who fuck the girls get fucked. Any strip club manager who's fucking his girls is finished. Because you lose control. Because all of a sudden, she's the queen bee. And you never get involved in a relationship with a girl who's working for you. That's absolutely the kiss of death. Sure, I've had lots of girls, and I've had the cream of the crop, but I haven't had them when they were working for me, and not when they were working at my club.

Of course, I did get a blow job on stage by five girls. But as our former President pointed out, a blow job isn't sex. And anyway, it was just to get the customers' attention.

I'll tell you the story. We were having

SHORT STACK

IF YOU LIKE 'EM, SHORT, STACKED AND NATURAL, PREPARE TO FALL IN LOVE WITH KRISTY KLENOT.

We already have fallen in love with Kristy. We spent a week with her in Hungary for the filming of the DVDs *Hooter Hotel* and *Busty Riding Academy*, and her enthusiasm, sense of humor, intelligence and honesty made her irresistible. Oh, yeah, her big tits and luscious ass made it difficult for us to take our eyes off her, too. Kristy is ready to become a big-tit star, and this is her first appearance on the big stage of the big show.

Kristy is from the Czech Republic and speaks Czech, English and Hungarian. That last skill really came in handy during our week in Hungary because Kristy served as our unofficial translator, communicating on our behalf with the staff of the castle where we were staying. We love her accent. We loved hearing her yell, "Beetch! I keeel you!" during a cat-fighting scene with Jasmine Black.

These photos were shot in the courtyard of an historic castle near Budapest, Hungary. "I love it here," Kristy said. "It is so beautiful. I love getting naked outdoors. I love seeing beautiful new places." We loved seeing Kristy come to breakfast wearing flimsy low-cut tops with no bra and short shorts that hugged her ass. We loved her enthusiasm, her willingness to do anything, including tit-fuck a cock in *Hooter Hotel*. As with everything, Kristy was a natural.

DAYLENE & JUNE: WAREHOUSE WHOREHOUSE

DAYLENE RIO & JUNE SUMMERS WILL PLY THEIR TRADE ANYWHERE. ANYTHING FOR A BUCK & A STIFF COCK.

What are a couple of busty hookers like June Summers and Daylene Rio doing picking up tricks in a warehouse? Hey, stop asking questions and start jacking 'cause there's some good stuff here: June and Daylene dressed like sluts, then battling over who gets the balls and who gets the shaft, who gets fucked first, and who gets the load of cum all over their tits. Hey, there's enough for everyone.

Daylene is a candidate for 2008 Newcomer of the Year. Based on these photos, she wins. Yeah, we said it. Yeah, we're biased. But look at that chick! She's sucking that cock like the secret to eternal youth is bottled up inside. And how about June Summers, showing incredible suction as she practically sucks those balls out of their socket. This was supposed to be a photo shoot, but it turned into Daylene and June trying to outdo each other, each proving that she's the bigger slut. The winner? Us. And the guy, of course.

Here cums the bride!

IT'S YOUR WEDDING NIGHT. AND YOUR WIFE IS THE GIRL OF YOUR DREAMS.

It seems too good to be true. You want to pinch yourself. It seems like just yesterday that you were jacking to Merilyn Sakova's pictures in *SCORE*, and now, she's your bride. All through the ceremony, you couldn't stop thinking, *Look at those tits in that dress. Look at how beautiful she is. And now, at last, she's all mine!*

All through the reception, you had a hard time keeping your dick in your pants. You wanted to fuck Merilyn right there on the dance floor. But now, finally, you're all alone in the wedding suite, and Merilyn is in bed, waiting for you, looking more beautiful than ever. And you're wondering, *Is it proper etiquette for me to tit-fuck the bride?*

"These are all yours," Merilyn says as she takes her tits out of her dress and pushes them together, answering your question for you. Yes, it is okay to tit-fuck the bride. Yes, it is okay for you to stuff your cock down her throat. Yes, it is okay for you to fuck her pussy and then shoot your load all over her rack. Because that rack is all yours.

THUMBS UP, COCK UP: A READER REVIEWS *MERILYN IN YER FACE*

Dear *SCORE*,

I can't help myself. I'm supposed to be working, but I keep thinking about Merilyn's latest DVD, *Merilyn In Yer Face!* I have concluded that this DVD is the hottest I've ever seen. Ever!

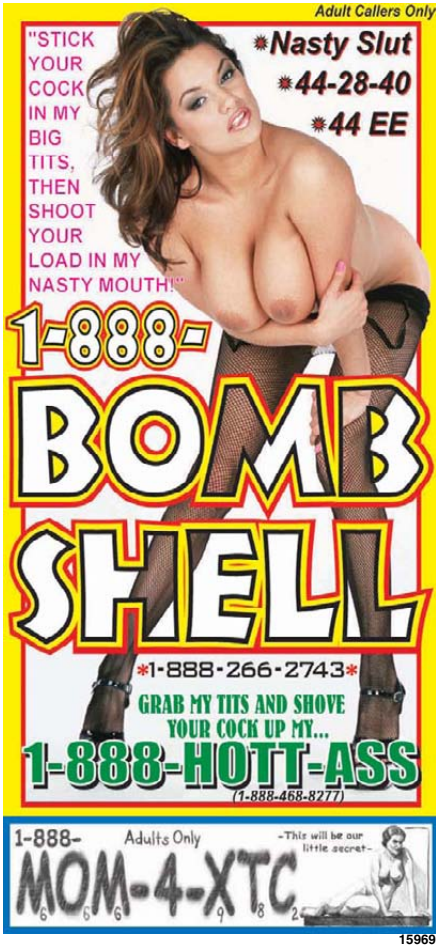

Now, granted, your subject is not an ordinary girl. Merilyn is the most desirable young lady I've ever laid eyes on. Basically, all you need to do to produce a good video of her is turn on the camera, point it in her direction and walk away. She seems to be quite the video self-starter, imbued with brains, personality, great looks, and a body that won't quit. But it may be the very mundane aspects of *MIYF* that make it so appealing. A shlub like me can sit back and pretend he's spending time in the company of this stunning, charming, sweet, fun, and funny Ukrainian doll.

Here are a couple of highlights.

The cooking scene: Whoever thought watching a girl cook dinner could be so appetizing? And I hate fish! But this sequence rocks right from the opening

Merilyn Sakova has an unusual way of enjoying her morning orange juice.

ironing segment, not to mention the sight of Merilyn putting on the purple dress and adjusting her cleavage.

Other incredible moments: squirting orange juice on her boobs, then washing them off and drying them by wobbling those beautiful whoppers side to side and up and down; her pantomime when she reveals her fear as a young girl that her boobs would grow too large; or her animated confession that she often gets borscht all over her tits when she eats it. Or the Tom Jones moment when she eats and looks right into the camera with her boobs on the counter. Or the part when she gets up on the counter naked. But that's usually as far as I make it through this sequence.

The massage: The sight of Merilyn busting out of the red and black lingerie is unbelievable. Then when she starts gyrating side to side on her back, her boobs swaying along. Yikes! And then when first one pair of hands starts working on her boobs and then two! What big-boob man hasn't dreamed of playing with a pair of tits like that, but how many of us will ever get in the same room with such perfection?

Merilyn may say she has no singing voice, but her speaking voice with that sexy Russian accent is a major turn-on. The way she says "squeeze my teets" or "I vant massage." And the shots where you go in close on her face…what eyes! What lips! I even like to hear her sing in the shower!

The mirror scene: The only thing better than the sight of one Merilyn is the sight of two. When Merilyn kisses herself in the mirror, mashing her boobs up against the glass…hotchie-motchie! Special mention goes also to the shower scene where she presses her boobs against the glass door and slides it open with just her tits.

Waking up. How can any girl look so hot first thing in the morning? Merilyn says, "Don't look on me!" and hides her face under her hair, but I'm guessing most of us have already put our DVD players on slow-motion to examine her in more detail when she gets out of bed and walks across the room to the bathroom. The shot where Ms. Interviewer pulls back the bed covers to reveal Merilyn's enormous, hemispherical right breast and slender frame is awe-inspiring, too.

Measuring up: How wonderful to hear that she does gymnastics so she has no back pain. The ensuing demonstra-

tion is pretty incredible as well, most notably, "My tits are on my face."

Also, I'm not an ass guy, but there are a few shots in this sequence and elsewhere on the video where she swivels her shapely and exquisite behind into view, and even I gasp at the wonder of what I'm beholding. I also love the way she exclaims "Mamma mia!" when she amazes herself with the staggering circumference of her right bazoom.

Doggie style. Her favorite position is doggie style? Excellent. That's the position I like to see her in best. In the future, though, I prefer that she let her breasts hang free, unencumbered by a halter top, at least at the end of a sequence. I'm sure you will agree that her boobs need no wardrobe chicanery to look full, ripe, and succulent beyond all imagining.

Any sequences you can come up with that allow us to fantasize that we're out on a date with her or hanging out at home with her are fine by me. Here are some sequences I would like to see: bowling; working out at the gym; playing tennis, ping pong, or badminton; riding a bike and going on a picnic; going to the beach, sailing and sunning; playing pool; dancing; fencing or boxing; hiking or mountain climbing; jumping rope or jumping on a trampoline. The thought of watching her play strip poker makes me weak in the knees as well. Okay, I really do need to return to my life now.–J.D., via email

WHAT'S YOUR *SCORE* GIRL PUSSY IQ? IT'S TIME TO FIND OUT

How'd you fare at matching the names to the pussies on page five?

Pussy "A" belongs to Lorna Morgan.

Vagina "B" belongs to Kelly Kay.

Cunt hole "C" belongs to Janet Jade.

"D" is the juicy slit of Tera Cox.

That sweet, pink hole labeled "E" is the proud property of Brianna Costello.

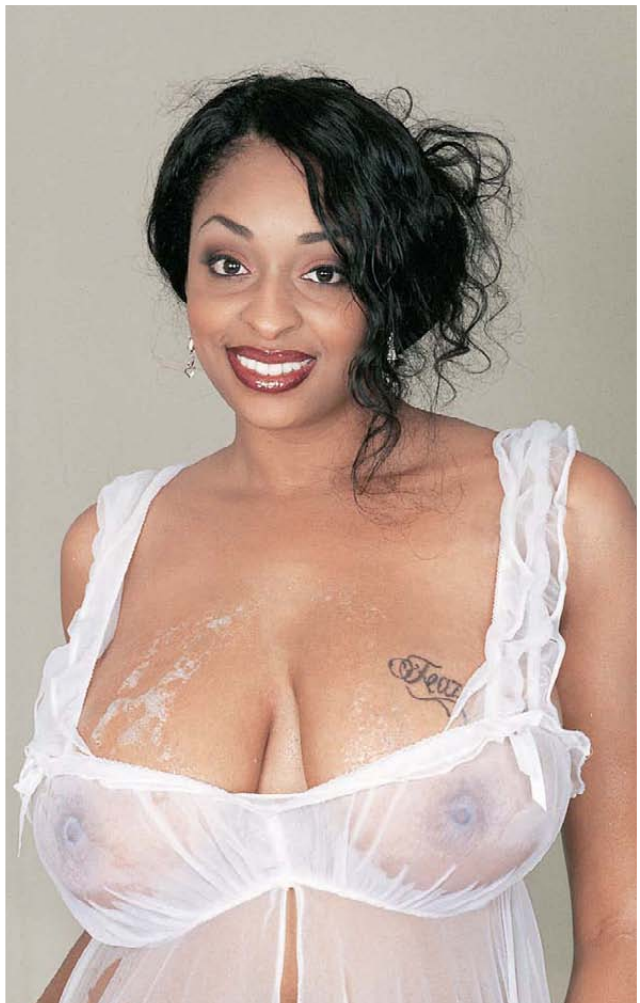

And fuck hole "F" is Daphne Rosen's. Isn't it amazing that a pussy that's been fucked so often by so many huge cocks still looks so tight and fuckable?

If you got all six correct, you're probably spending too much time staring at pussy and not enough time staring at tits. Four or five right, you're definitely a SCORE *pussy aficionado. Three right? You need to spend more time jacking. Two right? You could've guessed and done better than that. If you got one right, big fuckin' deal because we gave you Janet Jade. None right? Good thing there are a lot of pictures in this magazine because you obviously can't read.*

Wet Dream

WET, SOAPY AND ALL BY HERSELF. CARMEN HAYES DOESN'T HAVE TO FUCK TO MAKE US HAPPY.

The last time we saw Carmen Hayes in *SCORE*, she had a big, sloppy load dripping down her chin and onto her F-cup naturals. Actually, the last two times we saw Carmen, she was juicing a cock. It's what she does, and she does it well. She's also an outstanding hooker, as she proved in the DVD *Busty Hookers* and on the website BigTitHooker.com. But this pictorial proves Carmen doesn't have to fuck to get us off.

On episode six of *SCOREtv* (see it at Scoreland.com), Carmen revealed that when she gains weight, it all goes to her tits and ass and when she loses weight, it all comes from her tits and her ass. She's been as small as a D-cup, as big as a double-F cup, and she has no intention of ever being on the small end of the spectrum again. "I love having big tits and, most importantly, guys love my big tits," she said. "I just don't feel right when I lose weight. Now I have the best of both worlds: I can eat whatever I want, whenever I want, and have huge boobies!"

Fear

"Yeah, I like playing with my titties and my pussy," Carmen said. "I prefer fucking a man, but doing this shoot was fun, too. I got all wet and soapy, my titties felt so good, and best of all, I knew the guys at home would enjoy it." Carmen really is a special woman. She lives to make men happy and get them off. "I love showing off my titties in tight tops and seeing the reaction," she said. "I know some of the guys I pass on the street can't wait to get home and whip out their cocks and spank it. I get off on that. Just the other day, a guy passed me in the mall and said, 'Nice tits.' I smiled at him and said, 'Thank you,' and I could feel my pussy gushing. It was all I could do to get home, jump into the shower and play with my pussy. Wouldn't it be funny if the both of us were getting off at the exact same time?"

a contest in the club, and the place was packed. I couldn't get anybody to pay attention to my announcements. So I got up on stage and had five girls blow me. That woke the crowd up. And I said, "Gentlemen, now that we have your attention, I want to tell you about the promotion we're having tonight."

Anything goes in the club. I've seen girls fucking on stage, strap-ons, fist fucking, dildo fucking, you name it. Girls tearing guys' pants off and blowing them. And in the champagne rooms, there's no limit.

So where do we get our girls? Some are walk-ins. But mostly through agents. The pimps. By the way, the idea that, first of all, pimps are just black guys is crap. Sure, some of them do the Superfly thing to the hilt. You know, fur coat, bling-bling, a dozen bitches hanging off each arm, the $350K Bentley. But a lot of pimps are white guys who look like accountants. Some of them are even former cops.

One guy I knew, a probation officer, had a really good deal going. He'd get with these girls who'd gotten picked up for prostitution and tell them, "Look, you've got a choice. You can do time. Or you can go to work for my friend in Florida." So he'd send 'em down to Florida, set 'em up in a nice communal house with a bunch of other girls. If the girls had kids, the kids would live there too. And he'd take care of them. Pay their bills, get them clothes, get 'em boob jobs, health insurance, cars, you name it. He'd take all their money, give them a small allowance and invest the rest for them. He'd keep 'em clean and make sure they showed up for work on time. Did them right.

Violence at the clubs is a reality. Usually the clubs are pretty cool. You will have the occasional incident. There was a shooting in the parking lot of one of the big clubs down here about a year and a half ago. Two pimps–white guys–fighting over a girl. One tries to recruit the other's girl, and that just wasn't cool. Guy goes out to the parking lot; the other pimp walks up behind him and shoots him in the back of the head. That's it. I always tried to preempt that kind of situation by telling the pimps that I didn't want them soliciting

Okay, we know what you're thinking right now: Shy? *How can she be shy when she's flashing her tits for an international men's magazine*. Well, as you're about to find out, Vanessa Lilio also shows off her pussy and asshole. But, Vanessa said, "I always wait for a man to make the first move." DEBUT

Yep, there's the pussy and there's the asshole, and Vanessa isn't looking shy at all. Believe it or not, Vanessa is a romantic, too. Describing her perfect day, she said, "I wake up as the birds are singing at my window. I don't have to go to work, so there is no need for me to rush anywhere. My boyfriend brings me breakfast in bed. We eat together, talk, lie there, cuddle, and then we take a bath together. Finally, we make love and go for a nice walk."

Vanessa is living proof that *SCORE* Girls are just like the girl next door, only much bustier. She's the kind of girl you could take home to mama, the kind of girl you could see yourself marrying. She has everyday hopes and everyday dreams. "I like watching movies and reading magazines," she said. "I would like to fly a plane and drive a monster car. One day, I would love to get married to a man who loves me for who I am, not for what I look like." But girls next door can get kinky, too. "One time I was in a disco, and I was having a lot of fun with this guy I met there," she recalled. "He was really nice, so we went to the bathroom and had sex. It was wonderful." That's the kinkiest and most unusual thing Vanessa has ever done. "I am sexually passive," she said. "Until I get into bed."

the girls in the club. Outside, different story. But some guys don't listen.

Customers think the bouncers are there to enforce. Actually, they're there to back up the manager. My role is to defuse the situation before it escalates. Like one time a customer had an argument with a dancer. She said he insulted her; he said she didn't do what he paid her for. Maybe he tried to stick his finger up her asshole while she was giving him a friction dance. In any case this guy didn't want to pay her. I said, "Look, can you come with me for a second? We have to talk and I can't hear myself in here." My goal is just to get him to step outside the club. I tell him, "Listen. Just pay the bill. Come back tomorrow night and have a drink on me. Relax." But he didn't listen. He wouldn't step out of the club. He keeps going on about the girl. I tell him, "You really don't want to go there." Worse, the asshole takes a swing at me. That's a mistake. 'Cause I can put him down with one hand. But this mother decides to fight. Suddenly four of us are on top of this guy. The guy bites my floor manager on the arm right through his tuxedo. That's it. My guys take the customer out back to the dumpster. I don't know if he found all his teeth, because he's never been back.

When somebody says that the girls are stupid, that they don't know what they're doing in this business, that's

Summer Sinn demonstrates that in some strip clubs, anything goes.

total bullshit. The girls know exactly what they're doing. And the smart ones–and there are some very smart ones–save their money, buy real estate, get college degrees, set themselves up for the long term. Some of them get sugar daddies. There are some guys who'll spend stupid money on these girls, buy 'em or lease 'em a Jag, or an SL, get 'em a condo, clothes, whatever. But I tell the girls if they spend their time with these guys going on shopping sprees, they're losing money. Because every minute they spend with these guys not making money, they're losing.

A girl gets into the business usually because a girlfriend introduces her to us. I would take an experienced girl and have her show the new one the reality of the business. Because it is not playtime. It is work. It's a regular job. And she's gotta show up, on time, pay her house fee, make her money, take care of herself, and be ready to get on stage and entertain her customers. Girls who try to dance and then party after hours are finished after three days. They're absolutely useless.

Guys who want to have relationships with strippers either try to get the girl to leave the business, or–if they're very patient–they let her stay in the business till she's ready to leave. And there are some happy endings. But not many.

Here's the deal about that, guys: Can you deal with the idea that your girlfriend is up on stage every night, spreading her pussy for a bunch of strangers and getting manhandled back in the champagne room? I've never in my life met a guy who wasn't at least a little bit jealous, so take it from me. If you met her in a club, you need to face the facts. She's a stripper. That's what she is. Chances are it's what she's going to be for a long time. And it just isn't right to change her. I mean, she can deal with the fact that she met you in a strip club, so you should be able to deal with the fact that that's where you met her, too. But you can't.

So don't try to marry her. Don't even try to turn her into your long-term girlfriend. Just enjoy the sex because it'll probably be the best you ever had.

But most guys don't go to a club looking for a girlfriend, and I know that the girls aren't looking for boyfriends. It's therapy for the guys and therapy for the girls. In here, anything goes. You can't imagine how many women come to the clubs just to get the experience of touch-

ing another woman. And I walk by and say, "It's okay, honey, you can do whatever you want in here."

The key to being successful in this business is running it like a military operation. Every night, we'd come into the club, put on our tuxedos and two-way radios, and our game faces. And then, for eight hours, it's a battle. To make sure everybody's doing what they have to do to get the people to spend their money-and have a good time of course. But as I said, it's not a party for us, because we're running the party. And when you've got a couple of thousand people going through the club that night, generating that kind of revenue, you'd better be professional. You've got to contend with employees stealing, especially bartenders. And the girls who don't want to pay the house fee. And customers who don't want to settle their bill. There's no such thing as monthly cash flow. You've got to get the money each and every day, not think about what you made last week and what you think you're gonna make tomorrow. Because your liquor bills, your talent bills, your salaries add up fast, and if you're not on time with your payments, you'll sink pretty damn quick. So it's definitely a management challenge. But the payoff is fantastic. That's why everybody's in this business. It's definitely not for the sex. Because most of the time, you ain't gettin' any. The girls ain't gettin' any either, because when they're done, it's all they can do to get home, get some sleep and get ready for the next day. And maybe from time to time they'll get to hang out. You can burn out fast in this business. But if you can stay with it, you can

Yeah, you can fuck the girls if you own a strip club. But it's not a good idea.

I train my people well. I have every one of them read *The Prince* (Machiavelli's quintessential essay on the psychology of power), and I tell them, "This is the way it is." You learn the technique. You learn how to squeeze that extra dollar, 10 dollars, 50 dollars, and so on, out of a customer. Suddenly, it adds up. A car jockey makes $250 a night in tips just because he makes a habit of getting himself between the customer and his car as he's leaving the club, saying "Did you have a good time, sir? Thanks for coming, sir. Was everything to your satisfaction, sir? Come back and see us tomorrow, sir." And the customers'll throw you a five or a 10, or maybe a 20, just for asking. Do the math. Okay, maybe he's a car jockey, but he' s clearing more than a junior exec at IBM. And if he's good, he's got a future in front of him without the bullshit and the politics you find in a regular job. ahead in this business. It ain't rocket science. You just have to be reliable.

Sometimes I carry a piece. In this business, you have to. But you don't talk about it, you don't wave it. And you don't use it unless you absolutely have to, and only in self-defense, because if you do, it's because you have to kill the guy. It's a deterrent more than anything. A very important part of my job is to see that violence never gets to that point. Because it's bad for business in every possible way. You lose your customers, and more seriously, you lose the girls. One fight in your club can cost you ten grand just like that. And maybe hundreds, if people get spooked about the club.

If a guy gets out of hand, if he takes a swing at you, you have to resist the impulse to swing back. You just have to take him down and put him out of commission. I'd rather see three, four security men pinning a guy, taking him out back, beating the shit out of him and tossing him in the dumpster than see one punch thrown in my club. One punch can spark a brawl, and once that happens, the club may never recover.

One thing you make sure of is that a customer never hits a girl. If a guy is that stupid, his ass is fried. I just tell security to make sure he never forgets what an asshole he is. You gotta do that, because the girls have to know you're protecting them.

So you want to know if the girls have to fuck me to get a job in my club. Forget it, pal. They just have to know how to dance, how to treat a customer right, show up on time and pay the house fee. I've got my fuckbuddies to take care of me when I'm off-site.

Maybe I've shattered some of your illusions. That's good. Because illusions should stay where they belong. Like in here, in my club. Or in the pages of this magazine. Enjoy the girls. It's one of the few times in life where a girl's only goal is to please you.

So stop by my club, have a drink, watch the show. But if you really want to get a taste of this business, hey, come on in. I guarantee you that if you're any good, you'll be making more money and getting more pussy than you ever did working at your so-called executive gig. Because pussy attracts pussy. And when you're around it as much as I am, it all comes to you.

And that's my life.

Wanna live it?

RACHEL LOVE: NICE GUYS FINISH ON HER TITS

ARE YOU THE KIND OF MAN WHO CAN MAKE A GIRL SMILE AND FEEL GOOD? THEN YOU CAN FUCK RACHEL.

"I love sex!" said Rachel Love, who's proving it by sucking a real cock for the first time in *SCORE*. Timing is everything in life, and we're glad the time was right for us to finally see Rachel doing the nasty. When she started doing boy-girl, *SCORE* could only print soft-core layouts. When she made a brief comeback five years ago, she wasn't doing XXX anymore. But now she's back and fucking away!

"I have sex every day," Rachel said. "If I can manage to have it more than once a day, then of course, I'll do it as much as I can. And if I'm alone, I'll masturbate. Of course, I'd rather have a man, but I need to get off any way I can, so I do." We get the feeling that Rachel never has to be alone if she doesn't want to be. "That's true, but it's not like I'll go to bed with any man. He has to have a good personality."

We asked Rachel if the guy she's fucking in these photos had a good personality. She smiled and said, "I don't know, but he sure did have a nice, hard cock. But this is different, fucking on camera and fucking in my personal life. This guy had a nice body, but that doesn't matter to me. Short, tall, old, young, skinny, a little overweight. It doesn't matter. If he's a nice guy and can get it up, he can get into me!"
