FEMALE READER COMPARES TWO CHRISTYS, MARKS & CANYON

Dear SCORE,

Circa 1985-86, Christy Canyon hit the magazines and took the porn world by storm. Miss Canyon, who has been married a few times since then, is still a porn legend and looks very hot today. Could this be the future path for Christy Marks?

Miss Marks has the same looks as Christy Canyon with real boobs, dark hair and a pretty face. And both Christys seem to love big ones. Miss Marks really did get fucked good in those hot pictures in the December '08 issue. Fucking four men without condoms on them was so hot! I masturbated lots and lots, and my boyfriend shot his load onto the pictures. But what really made me horny was Miss Marks with a large penis in her mouth while looking into the camera. That's hot!

And, yes, women do read and mastur-

1980s porn legend Christy Canyon (above left) and Christy Marks (right) both love big cocks.

bate to SCORE.—R.B., North Carolina

Dear R.B.: An interesting perspective, especially from a woman. But, as the accompanying photos prove, Christy Marks is much bustier than Christy Canyon ever was.

IF CHRISTY WANTS TO BE A STAR, SHE HAS TO STOP...FUCKING?

Dear SCORE,

I've calmed myself down before I wrote this. This is the last time I'm going to be writing on this subject concerning Christy Marks. But I've read recently

about Christy being compared to Linsey Dawn McKenzie by another reader.

Well, to me, it's a little too premature to compare her to anybody. I know she was compared to Autumn-Jade in the September '08 issue, but if we're going to go there, Christy isn't going to

not be buying it. I suggest that Karina not follow the same route as Christy or she could lose some credibility with me, too.—S.M., Baltimore, Maryland

Dear S.M.: You might be the only person disappointed to find out that Karina Hart tugs on a real cock and takes it between her tits in the new DVD Busty Riding Aca-

Like Autumn-Jade (top left) and Linsey Dawn (top right), Christy Marks got boned on camera.

be better than Autumn or LDM.

I mean, maybe I'm wrong but despite that both Autumn and LDM did boy-girl, neither had the nerve to do a whole 90 minutes of 100% pure fucking like Christy does in *Christy Marks Gets Fucked*. If Christy wants to be a real legend in the making, she needs to follow in the footsteps of models like Sharday and Via Paxton. They did absolutely no hardcore. They set their standards higher than that. Christy should take notes.

I know she said she wants to please everybody by doing solo, girl-girl and boy-girl, but you're not going to please everybody. Obviously, I'm one of them.

It'll be interesting to see where this goes with Christy. Her full-fledged XXX DVD may be another top seller, but she has lost credibility with me, and I will

demy (a preview of the movie starts on page 13 of this issue). So far, though, she hasn't had full sex on camera.

ON THE OTHER HAND, HE TELLS CHRISTY, "KEEP ON FUCKING!"

Dear SCORE,

Oh my gawd! Renew my subscription, gentlemen, because I want to continue to watch Christy Marks get fucked. What a photo spread (Dec. '08)! I ordered the DVD today and can't wait to watch

Lillian Faye's big naturals, suckable nipples and pretty pussy debuted in the Dec. '08 issue.

this sexy, young babe suck cock and take it in her pussy. The photo of Christy sucking on the dude's cock while it's squeezed between her H-cup tits was amazing. Another shot I truly loved showed Christy on all fours from the side while her tits overflowed from a black, lace bra. She is sucking cock, and the dude is pulling anal beads out of her asshole. Unbelievably hot and nasty.

Now that Christy is on her way to XXX fame, I would love to see her in fishnet hose, garter belt and matching bra

and thong panties while wearing five-inch stiletto pumps. You also ought to consider the above spread for *Leg Sex*. Great mag.

The debut of Lillian Faye was also a treat. She is a beautiful brunette with a sexy smile, huge tits with big, suckable nipples and delicious-looking pussy lips.

Last but certainly not least, Angela White. Wow! I have never seen her look so beautiful, voluptuous and sexy. She has come a long way from her debut as a plump 18-year-old five years ago. The stunning pics of her squeezing a fat-cock dildo between her mammoth tits, then with the glass of wine with her thigh-high hose, showing pussy, looks incredible.—K.B., Albuquerque, New Mexico

HE SAYS "NO, NO, NO" TO AMY WINEHOUSE "FANTASY SCORE"

Dear SCORE,

What the fuck were you thinking when you decided to feature Amy Winehouse as a "Fantasy SCORE" subject? Your magazine rarely does the "Fantasy SCORE" feature, and then you waste it on an unattractive crack whore. Whose dumbass idea was that? I mean, the woman looks like a Halloween witch in real life. Is that why you put her in the October issue? If so, then the artist should've had her riding a broom. Then I could've hung it on my door for a Halloween decoration.

A better choice would have been

A collection of artist Duncan Gutteridge masterpieces from 2008. We're not gonna say who these women are—you're gonna have to figure it out for yourself—but they look a lot better with massive racks.

OUR TOP 10 BEST-SELLING DVDs

1 CHRISTY MARKS GETS FUCKED

The 2007 Newcomer of the Year gets fucked once. Then gets fucked again. Then again. Then gets fucked a fourth time. Holy fucking shit!

2 MERILYN IN YER FACE

Her big, natural tits are in your face. Her pretty, pink pussy is in your face. But, for many guys, the highlight is hearing Marilyn speak.

3 STACKED STREET SLUTS

Dominno, Terry Nova, Cassandra Calogera, Whitney Stevens and Candace Von play the role of slutty hookers. They're very convincing.

4 KARINA HART: HART ON

In her first DVD, the top contender for 2008 Newcomer of the Year plays with her pillows, toys with her twat and dares you not to cum.

5 TITS & TUGS 2

Christy Marks gives a tug job and tit fuck that'll make you say, "Who needs pussy?" Janet Jade makes a cock disappear with her giant rack.

6 SWEATER STRETCHERS

Morgan Leigh & Summer Sinn bust out of tight tops and make a guy cum. Africa & Daphne Rosen bust out of tight tops and take it up the ass.

7 MY WIFE, YOUR MEAT

Holly Halston has done a lot of fucking on film. She's taken it in her mouth, pussy and asshole. But she's never done it with total strangers.

8 TITS FOR THE TAKING

The tits you're supposed to take belong to Melissa Mandlikova, Miss Emma, Emily Cartwright, Natalie Fiore & four more naturals.

9 HOOTER HOSPITAL

The insurance companies aren't the only ones fucking people in *Hooter Hospital*. Five stacked-and-packed V-Girls are fucking everyone, too.

10 BIG-TIT P.O.V. BLACK LABEL

Five of our best black and stackers—Alexis Silver, Carmen Hayes, Candace Von, Soleil Hughes and Stacy Adams—get boned hard.

Morticia Addams or Elvira, both of whom I have often fantasized about with bigger tits. If you've already had Morticia or Elvira featured, please let me know so I can buy the back issue.

Please don't waste "Fantasy SCORE" on filth again because I really do like the idea of putting bigger tits on beautiful women. The one of Charlize (August '08) and the one before of Gwen (May '08) were both beautiful works of art, and that is what they all should be.—J.V., Podunk, Idaho

Dear J.V.: Thanks for writing, even though there's no such place as Podunk, Idaho. By the way, Elvira was depicted by Duncan Gutteridge in December 1993's issue.

MINKA: STILL THE GIRL AGAINST WHICH OTHERS ARE JUDGED

Dear SCORE,

Thank you for the wonderful DVD featuring Minka that was included with a recent SCORE. I have been a major fan of this world-class model ever since I first saw her. Minka's tits are the standard of excellence against which I have judged every other lady who appears in SCORE or *Voluptuous*. Some of them come close (including Angelique, who also appears in the DVD), but no one quite equals Minka for pure magnifi-

cence and appeal. Her tan lines are one of her trademarks, and I compliment her on her decision to display them.

I especially appreciate the opportunity to see Minka trying on all those sexy bras of different colors. I compliment her on her decision to pick bras that are just a tiny bit too small so the viewer gets to see how her twin beauties strain against the fabric and bulge. And she seems to really enjoy pleasuring herself for the viewer. Knowing that she really enjoys it adds to my pleasure.

Most of the time when I'm watching a solo performance on a DVD, I find myself fast-forwarding or skipping part of the show because the scenes get boring. Minka's scene is one of the few exceptions. I savor every second because she is so thrilling.—R.P., Bristol, Pennsylvania

Dear R.P.: Then we're sure you'll enjoy the new pictorial of Minka that begins on page 44 of this issue. It includes a fabulous center spread that focuses almost entirely on her amazing tits. Minka returned to our studio recently and looked amazing. She also played some tennis for us (she's a very competitive player) and appeared on SCOREtv. Log-on to Scoreland.com to see Minka—and her history-making tits—on the tennis court.

HE HAD HIS OWN, PERSONAL BIG-TIT SWEATER SPECIAL

Dear SCORE,

Perhaps I should have written you sooner, but maybe I was embarrassed because I didn't get the girl. Last winter, I went to my magazine store to purchase the February 2008 issue. When I saw it, I picked it up and tore open the plastic covering. The women who owns the store didn't care. She knew I was buying it.

I was staring excitedly at the "All-Star Big-Tit Sweater Special" with the great Crystal Gunns on the cover in a tight green sweater, and my cock was beginning to stiffen. I was lost in my own little SCORE world of thought when I heard a woman's voice behind me.

"Wow!"

I turned around and saw a hot

XXX!**

Karina Hart, Melissa Mandlikova, Jasmine Black, Christy Marks and Kristy Klenot are the students at *Busty Riding Academy*, the brand-new feature film from SCORE. They think they were sent there to ride, but the tension quickly builds in the opening scene when Lord Chandler, who runs the school, sets his sights on Karina. Will he get what he wants?

Terry Nova
is really
catching on
to this rid-
ing thing.

After getting briefed by Lord Chandler, Terry Nova is checking out the grounds when she stumbles upon the stable boy, who's doing some chores down in the wine cellar. He quickly decides that he'd rather fuck than work, and Terry decides that despite the Lord's warnings, nobody's going to get hurt if she fools around with the help. A great scene for boob lovers; the focus is almost always on Terry's F-cups.

BUSTY RIDING ACADEMY

Lord Chandler is surprised when he walks into the lobby and sees Kristy Klenot, one of his former students, sitting there. Does she want more riding lessons? "I already know how to ride," Kristy says, smiling, then she gets up and walks upstairs to share a cock with Melissa Mandlikova. Two big pairs of tits, two soft pairs of hands, one lucky hard-on. This is, by the way, Melissa's first tug-job video.

Christy Marks and Terry Nova are touring the stables when they decide to horse around with Carlos, the stable boy. A hot threesome is going on with Christy and Terry taking turns at Carlos's rod and balls when Lord Chandler shows up. At first, he's angry. The girls are supposed to be getting ready for their riding lessons. But then he decides to ride the girls.

Karina Hart

Lord Chandler becomes pissed off that Karina seems to have her eye on the stable boy, and now he's intent on teaching her a lesson in front of all the other girls. So, he takes Karina over his knee, and while her tits dangle down on one side, he spansks her generous rump. But has Karina learned her lesson? Or does she still want Carlos's cock?

Jasmine Black
takes it
up her
tight ass!

Dinner's over, but the cock-eating has just begun for horny Jasmine Black, who shows up unexpected at Lord Chandler's room. The Lord thinks it's Karina at the door, but he doesn't mind. After all, Jasmine is very willing to offer up her tight mouth, cunt and ass for cock. Two cocks, as the Lord soon has a partner for a horny threesome. Jasmine gets an "A" for mounting cock.

What Lord Chandler doesn't know-until he's finished fucking Jasmine-is that Karina is with Carlos, the stable boy. She's offering up her fabulous naturals for her first-ever on-camera tit-fuck, and Carlos is the happy recipient. Of course, he shoots his load all over Karina's rack, but does that mean *Busty Riding Academy* has a happy ending? Yeah, for Carlos. And for you and Karina. But how about for evil Lord Chandler?

brunette with a huge rack tightly encased in a blue, wool sweater. She spoke again.

"Honey, you have to buy this magazine now!" she said, pointing to my copy of SCORE.

Her boyfriend came running over, looked at the cover, his eyes widening and said, "Yeah, definitely."

The boyfriend picked up a copy and went to the register to pay for it. Then the girl said to me, "I hope you enjoy your copy. I can see that you already are."

As she stared at my ever-hardening and lengthening cock, I shyly repositioned my jeans, but that made my cock stand out even more. The girl smoothed her sweater down and arched her back. Her wool-covered jugs jutted out even farther and there was no stopping my hard-on.

"Too bad I already have a boyfriend," she said, her eyes fixed on my jeans. Then I heard a voice from a few feet away. Her boyfriend was at the exit, excitedly waving his copy of SCORE.

"Honey, we have to get home quick," he said.

The girl, still looking at my erection, motioned toward my cock.

"Seriously, good luck with that," she said. "I wish I could be there to watch."

Then her annoying boyfriend again spoke up. "Honey, I told you I got it. Let's go," he whined.

"Think of me," the girl said as she shook her head, seemingly in disbelief at the size of my erection. "I'll be thinking of you."

She smiled and then skipped out of the store, making sure her heavily sweated tits bounced up and down for my viewing pleasure. I knew that lucky bastard was going to get his brains fucked out that night. I just hoped he had enough left to hose down those knockers a couple of times.

Let's face it: Girls with big tits know what they're doing when they wear tight sweaters and tops. I used to have an overly endowed girlfriend who wore the tightest sweaters on our dates and teased me by saying, "What do you think we should do tonight when we get home?" Then she would call me the next day from work and tell me some of her colleagues were wondering why she was

CHRISTY & KARINA KICK OFF THEIR NEW WEBSITES

The big-boob community has been shaken and stirred by the arrival of two breast goddesses, Christy Marks and Karina Hart. First they conquered the magazine world, then they conquered the DVD world. Now they've taken on the Internet for those breast men who just can't get enough and need a regular fix of these two or they'll go blind.

The names of their websites couldn't be easier to remember. Just key in ChristyMarks.com and KarinaHart.com.

A girl who adores cock and likes to show it, Christy does XXX with guys and girls on her site. Adult critic Roger T. Pipe of RogReviews.com praised, "Fans of busty teens will go nuts for

Christy. She has curves but is tight, cute and ready to take the busty world by storm. Christy has a great set, and her boobs take center stage in every shoot. She's also quite flexible, and that makes for some really hot sets. The site is easy to use, everything loads quickly and you can get everything from slideshows to HD video downloads. The *SCORE* folks have put together a great collection. *SCORE* sites typically have good technical quality, and this one is no exception. Rating: 95 of 100."

The praise from the Boob Brotherhood about Karina also keeps rolling in. Among the comments from *SCORE* readers and Scoreland members: "She

has the most rare, unmanufactured beauty I have ever seen. Make sure you share more of her with us." "This is an official cry for help. What have you done to us down here in Australia? Men's zippers are bursting everywhere! We haven't been able to eat or sleep since you unveiled this gorgeous woman. A totally complete, desirable woman who oozes passion and sex appeal." "Karina definitely looks to be yet another *SCORE* mega-star. Dark-haired with huge, natural breasts and a slim waist and wide, womanly hips. A gorgeous face and a come hither look are more reasons she scores points with me." Men, those two girls are angels from Hooter Heaven.

Look what we found!

Their names are Tina (above left) and Lucy (above right), and they're additional proof that here at **SCORE**, we're willing to travel the globe to bring you new, big-titted babes. Tina is from Germany, Lucy is yet another busty Polish

princess, and we photographed (and videographed) both of them on a recent trip to Munich, Germany. You'll see Lucy next month in the April '09 issue, on sale January 27, 2009. Tina makes her debut in the May '09 issue.

Kelly Kay Bra Winner

We have a winner in the Kelly Kay bra-and-panty giveaway contest from the August '08 issue. Mr. J.D. from Toronto was randomly selected from over 400 entries for this rare item autographed by Kelly in the **SCORE** Studio in London.

Two years ago, millions of British television viewers saw Kelly Kay and her mother, May 2007 *40Something* model Jane, beat the banker for 50,000 pounds on the TV show *Deal Or No Deal*. But J.D. has won something even better than all that cash. Congratulations to J.D., who did not reveal his plans for Kelly's humongous 34F-cup holders.

WIN Miss Emma's Bra

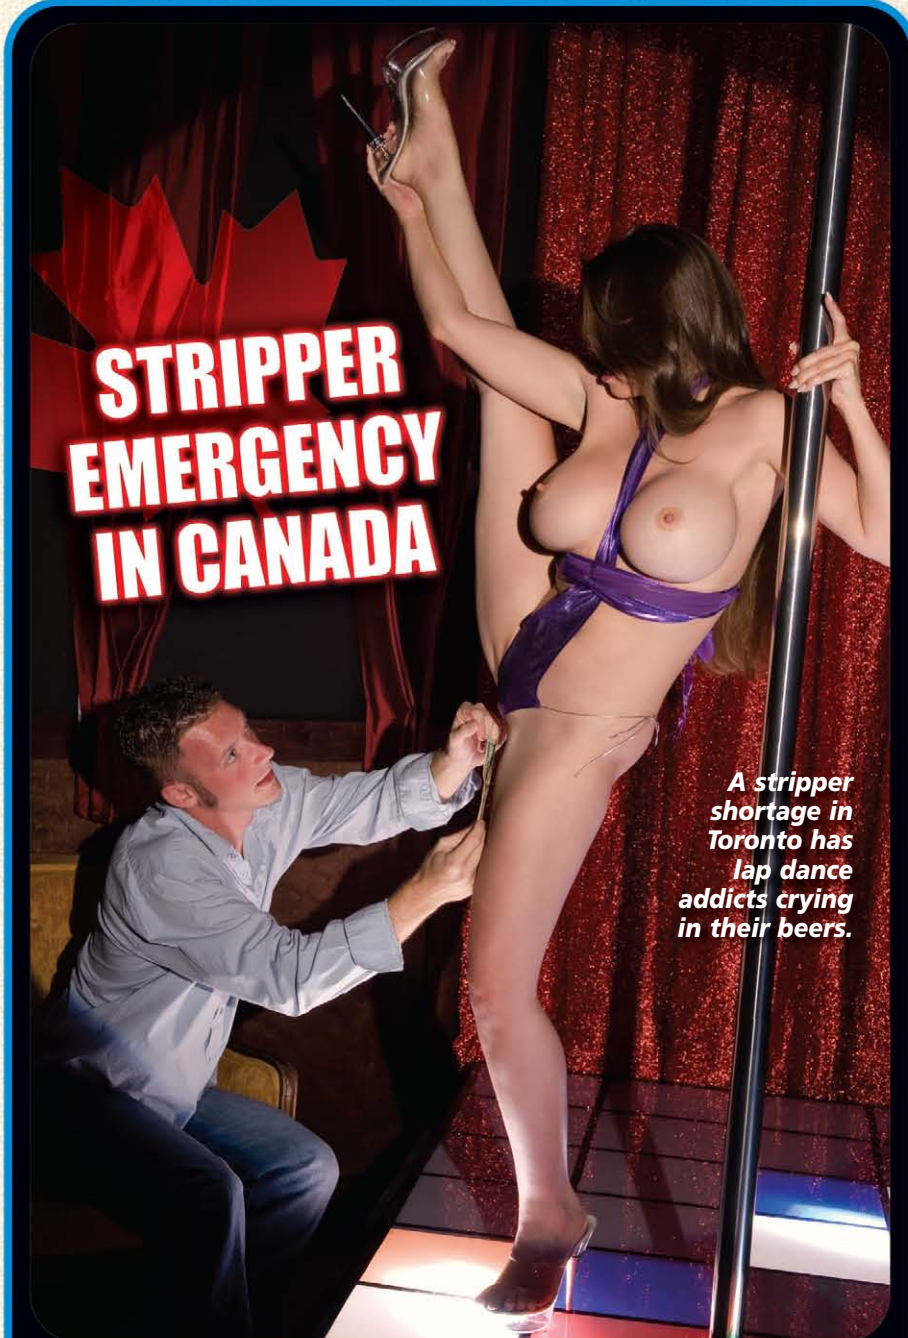

When British college student Miss Emma popped her bra for her debut pictorial in the October '08 issue, she handed over one of her tit holsters for a lucky **SCORE** reader to win.

"I trust he shan't do anything improper with it," Emma remarked. Of course not. At least we don't think so.

Yeah, right.

Want to win Emma's bra? Write on a sheet of paper your name, address and email address and the statement, "I am 18 years of age and I want to win Miss Emma's bra" and mail it to "Win Emma's Bra, **SCORE** Magazine, 1629 N.W. 84 Avenue, Miami, FL 33126 USA." Multiple entries will not increase your chances of winning. No purchase necessary. Sorry, no email or fax entries for this contest. This offer is prohibited in countries where Emma's bra is not allowed. Entries must be postmarked by April 1, 2009.

STRIPPER EMERGENCY IN CANADA

A stripper shortage in Toronto has lap dance addicts crying in their beers.

The number of strippers and strip clubs in Toronto is shrinking. Many dancers are blaming the Internet for putting them out of work.

A 23-year-old ex-dancer named Madeline told the *Toronto Star* newspaper that she used to make \$1,000 per night in clubs four years ago but gave it up for a job as a bartender when the number of men that would pay \$20 for a lap dance decreased enough to force her to take off her fuck shoes and quit.

"Why would a guy go to a club

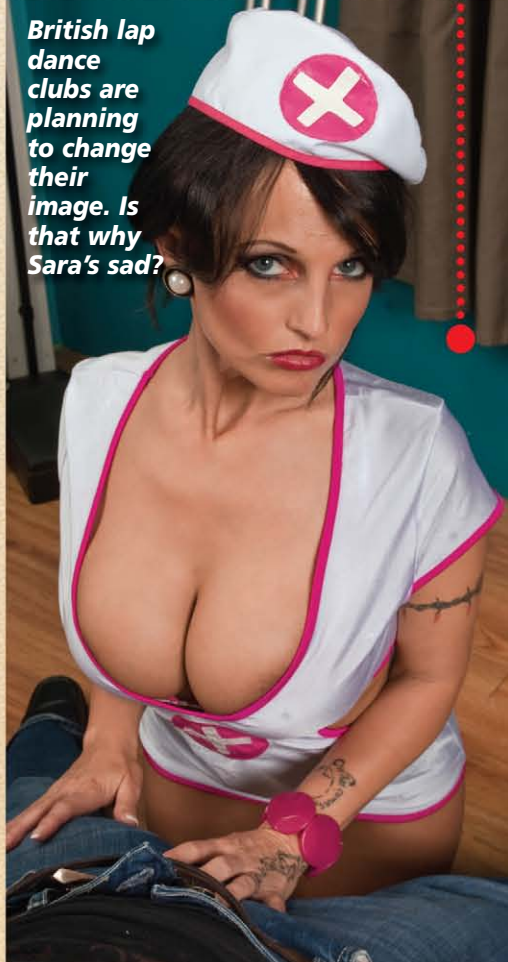

and pay to sit there if he could get it all for free on his computer at home?" she complained.

As many as 10 Toronto strip clubs have closed in the last five years, and the number of licensed burlesque dancers has decreased by more than 50% from 2,834 in 1998 to 1,254 in 2007. At press time, there was no info from the Canadian government about sending in strippers from their reserves to offset these losses. Memo to Canadian strippers: If you have really big tits, go to BeAScoreModel.com!

Look For The Union Label

This item is more about the guys who manage the lappers than the lappers themselves. The Lap Dancing Association (LDA) is a new trade association for lap, table and pole dancing clubs in the United Kingdom. It will create a code of behavior in the clubs to distinguish them from the raunchy, down-market buckets of flesh where anything goes. The type of fine establishments your *SCORE* editors prefer. LDA's members include For Your Eyes Only and Spearmint Rhino.

"The establishment of a national trade body is a sign that the sector has come of age," Spearmint Rhino president and LDA chairman Simon Warr said. "Our industry has lacked a unified voice. We will show that clubs recognize their responsibility towards their staff, dancers, customers and local community. We want to distance our industry from the sleazy image of drugs and prostitution." Of course, whether you think this is a good thing depends on why you go to strip clubs.

British lap dance clubs are planning to change their image. Is that why Sara's sad?

Fantasy
SCORE®

She's all woman

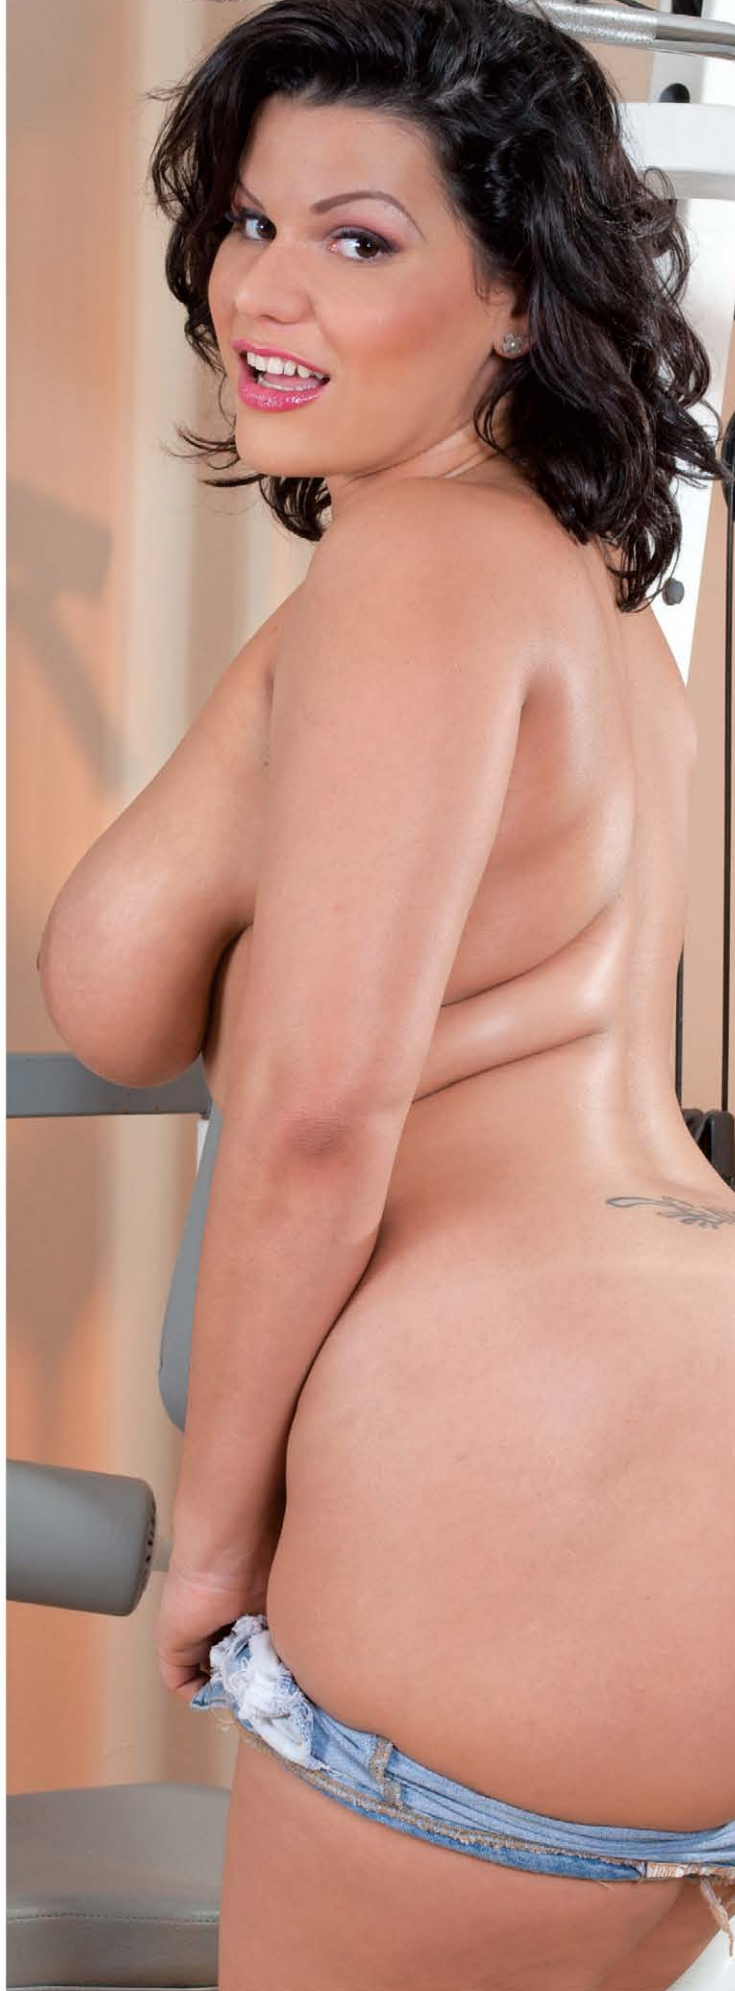

ANGELINA CASTRO HAS MORE THAN ENOUGH BODY TO SATISFY ANY MAN.

Latina babes are notoriously sexy, but they don't come much sexier than Angelina Castro. Born in Cuba, now living in Miami, Florida, Angelina measures a delectable 42-28-42, which means she's got plenty of tit meat (F-cups, if you need to know) and plenty of ass. "I can't remember a time in my life when men weren't hitting on me," she said. "They see the boobs and they want them. They see the ass and they want it. I guess I was just born to please!"

You can read this after you're done shooting your load over the full-page tit shot on this spread. "Please do," Angelina said. "If guys aren't getting off on my pictures, it ruins the fantasy for me." Don't worry, Angelina. Your fantasy is safe with us. "Most people would definitely say I'm oversexed," she said. "I mean, I have sex all the time, and on top of that, I masturbate a couple of times a day." Angelina has a pretty unusual fantasy. "I want to jump off a cliff and have an orgasm on the way down." Whoa! Hold on there a second. "Obviously, I'm with a man, and he's holding onto me and already inside me," she said. "We've been fucking for a while. Then, just as I'm about to cum, we jump. I cum, and then we land in the water." Cliff-diving, anyone?

Angelina is all woman in a very traditional way. "When I go out, even if it's just to go shopping, I always wear a dress," she said. "I don't even own a pair of pants. To me, too many women try to hide their femininity, and a dress makes me feel more feminine. A sexy, low-cut dress shows off my big boobs, and if it's cut just right, you can tell that I have an ass, too." It seems like there'd be no hiding the fact with Angelina. "I'm not the kind of girl who hides it. I enjoy being a woman."

IF YOU WANT TO GET CASSANDRA CALOGERA OFF, THEN STICK YOUR COCK IN HER MOUTH.

"The best thing about having big tits is it gets guys' dicks hard so I can suck them," said Cassandra Calogera, who has hit the porn world big-time and can be seen fucking and sucking on our new XXX websites, BigTitHooker.com, BigBoobsPOV.com and TitsandTugs.com. Ask most girls what gets them off and they'll say something like, "Having my pussy eaten." Ask Cassandra what gets her off and she says, "Sucking dick. Nothing gets me wetter." This is rare, and it's one of the reasons we love Cassandra. "I've had guys who actually got scared when I was sucking their dicks," she said. "I guess they thought I was going to swallow it." THE MAKING OF **Busty Riding Academy**

BY DAVE ROSENBAUM & MARIA GUERRERO

Eleven busty babes. An historic castle. Seven glorious days in Hungary. Here's what went on behind the scenes.

projects ever: a trip to Budapest, Hungary, with 11 naturally stacked babes, all of whom were coming from different parts of the world. Our adventure would net us thousands of photos and three new DVDs, including the just-released Busty Riding Academy. What follows is the editors' log of a memoir, boob-filled week in the Hungarian countryside.

We're off to Hungary for our most unusual on-location shoot ever and our biggest since the 2000 Boob Cruise. Eleven big-titted girls will converge upon an historic castle in Hungary for a week of big-titted modeling, fun and fucking. Yeah, fucking, which is one of the things separating this trip from the others.

On Sunday afternoon, we board two planes in Miami, Florida, one bound for Hungary via Zurich, Switzerland,

From the first Boob Cruise in 1994 to On Location Portugal and Key Largo, the Mega-Boob Olympics, Big-Boob Paradise in the Bahamas, and much more, SCORE has become famous for its on-location shoots. This past summer, we embarked upon one of our most ambitious on-location

the other bound for Hungary via New York's John F. Kennedy Airport, and at this point, we have exactly zero big-titted babes in tow.

None. If all goes well, Christy Marks, the lone American on the trip, will meet us at JFK.

So, here's what happens, and this is a story that keeps reoccurring and never ceases to amaze us. Our plane lands in New York. I stand up and look behind me. In the next row is a youngish girl, maybe 18 or 19, wearing a tight, green top that's covering a pretty nice-sized rack. If you saw her, you'd say, "She's stacked!" Which is

exactly what I said as a few studio people and I decided whether we should approach a chick who was obviously traveling with her family (no, we didn't approach her).

Anyway, we get off the plane. Find our gate for the New York to Budapest portion of the trip. Wait for Christy to show up. The chick in green? She's still around, and still looking very stacked. Until Christy walks up and reminds us what really big tits are all about: that there are regular girls and then there are SCORE Girls.

From the waist down, Christy is Ghetto Christy: basketball shoes and long, baggy basketball shorts. From the waist up, she's all tits: Tight, black low-cut top that barely encases her rack. The chick in green is forgotten. Christy is here. And every eye in the terminal is on her. SCORE Girls, you see, don't show up in every airport every day. But Christy? She seems to be oblivious to all the attention she's attracting. She digs into her travel bag and pulls out a collection of junk food that any 12-year-old boy would envy. Christy's eating habits, in all honesty, suck, but obviously, they're not affecting how great she looks, and who knows? Judging by things, it's all going to her big boobs.

"Think there'll be a McDonald's where we're going?" Christy

asks as she digs into a bag of Cheetos.

"I could really go for some KFC right now," she says as she devours a bag of Combos.

Christy heads off to another part of the terminal, in search of more food. Hey, it's gonna be a long trip to Budapest. Christy wants to be prepared.

(L-R) Kristy, Karina and Melissa welcome us to Hooter Hotel.

Karina's amazing tits seemed to get bigger as the week went on.

Minka's Fashion-Titas!

WHEN THE GREAT MINKA PUTS ON A FASHION SHOW, THE TIGHT TOPS DON'T STAND A CHANCE.

When Minka returned to the *SCORE* Studio recently, excitement was high. *SCORE* staffers who had never met her were lining up for a look. Our stunt cocks were begging for the once-in-a-lifetime chance to fuck her. And we wondered, "What can we do with a model who has done everything?" With Minka, the answer was simple: put her in tight tops. Let Minka do the rest.

If we ever decided to have readers vote on the No. 1 *SCORE* Girl of all time (and we just might), there's no doubt Minka would finish in the top three, and she just might win the whole shebang. She has been with us since the beginning, and her popularity has never waned. Every month, we get letters from readers asking when the next Minka pictorial will appear (even though her most recent appearance was less than a year ago in the June '08 issue, when she followed up winning 2006 Model of the Year by finishing fourth in the 2007 contest). But luring Minka back to the studio wasn't easy. She was too busy playing tennis!

Minka has been playing a lot of tennis lately, and if the idea of those KK-cup tits encased in a tight, white tennis outfit and bouncing around the court boggles your mind, well, it did ours, too. Of course, longtime Minka fans know that she was a tournament player in her native Korea before she super-sized her rack. She hadn't played much for several years, but a few years ago, she picked up her racket again and discovered that her huge tits hadn't gotten in the way of her game. From nine o'clock in the morning to four in the afternoon every day, you can find Minka on the courts at a private club in Las Vegas, dispatching quality male and female players. "At first, the people at the club called me 'Big tits,'" Minka said. "Then they called me 'Porn star.' Now they call me 'Awesome'" Combine them and you get awesome, big-titted porn star. She's got a rack and a racket. A winning combination!

THE MAKING OF...

Continued from page 43

IF IT'S MONDAY, IT MUST BE HUNGARY

Eight hours and six time zones later, we arrive in Hungary, exhausted. The group that traveled through Zurich is already there, accompanied by Jasmine Black, a newcomer from Romania who is sexy, beautiful and exotic, and, oh yeah, has big tits, too. She's quiet. She seems very shy. This girl fucks? From what we've heard, she does it all.

An hour-and-a-half drive later, after taking the scenic route through downtown Budapest, we pull up at our castle in Hungary after 24 hours of travel, and the girls are so excited that they hop out of the airport shuttle and run into the castle, ready to go. Christy Marks is dying to meet Karina Hart, and when they finally bump into each other, it's like a natural phenomenon. Imagine two huge pairs of natural jugs bouncing and spilling out of tight tops as the girls run up to each other. Then they turn their attention to Jasmine Black, whose big, dark, E-cup floppers could make a grown man cry. Christy seems to love them, too, and she makes sure to cop a feel before any of us can even get close to Jasmine.

BIG TITS ARE ON THE MENU

It's dinnertime, but our minds aren't on food. Imagine sitting at a table surrounded by Christy Marks, Karina

Hart and Jasmine Black, practically topless and feeding each other Hungarian delicacies. And oops! Some of those creamy spoonfuls of food fall down Karina's shirt, and Christy leans over and licks it up. Where the hell are the photographers when we need them? Okay. They're getting set up for tonight's shoot.

Then the girls get into a conversation about making their tits bounce. So there we are at dinner, and these girls are literally flexing their muscles and making their breasts bounce up and down. Their six huge tits, undulating over and over. It's better than dessert. Much better.

That night, after dinner, Jasmine gets the party started by fucking and sucking our stud Carlos (he came with us from the United States) on a pool table in a beautiful room at one end of this sprawling castle. The cock goes in her ass, the cum goes all over her tits. And we're off to a very good start.

TITS FOR TUESDAY

We get up bright and early for our first full day of shooting in Hungary, and more big boobs have arrived. That's always a good thing. SCORE favorite Melissa Mandlikova is here, along with newcomer Kristy Klenot who, like Melissa, is from the Czech Republic. Kristy is a short and stacked cutie with full, natural E-cup tits, strong thighs, a nice ass and a very nice back. Kristy, Melissa and Karina Hart are hitting it off quite well, chatting

away in the dressing room, although who knows about what. They're all speaking Czech. In the middle of all this Czech

chat sits Christy Marks. She may not understand all the foreigners, but she does understand the international language of big boobs. Sitting with the girls while they get their makeup done, Christy playfully feels them up and makes silly faces at all of them.

We need a better introduction to Kristy Klenot, so we take her out back onto the great lawn and see what she has to—ahem—offer. Then we bring her back inside to see how she measures up. Very nicely, as it turns out.

Karina Hart has put on a little weight since we last saw her, and it's all gone to the right places. Her ass, which she's unjustifiably self-conscious about, is rounder, meatier, even more fuckable than before, and her tits... holy, shit! Karina, who says, "My boobs keep growing," might right now be in the hallowed territory of Linsey Dawn McKenzie circa 1999, which means she has some of the biggest, fullest, most shapely naturals you've ever seen. They seem to explode off of her chest: gigantic, white, ski-jump sloping mounds capped by large, pale areolae. Did we say explode off her chest? They dominate her chest, and you have to feel sorry for any woman who stands next to her. All of the girls in this house are super-stacked, but Karina takes it to another dimension.

Another thing about Karina: She's incredibly sweet. She smiles all the time, and she's very polite, and what's that noise coming from down the hall? It's Karina moaning loudly, cumming up a storm, as she dildos her pussy with a vibrator during her first photo and video shoot. The acoustics in this castle are very good.

Meanwhile, outside the house, back by the footbridge which leads to a little nature park, Jasmine Black is playing with her tits and fingering her pussy and ass. All eyes are on Jasmine's dark floppers and shaved pussy, but Jasmine wants us to pay attention to something else.

"Do you see my flower?" she asks sweetly, referring to the rose in her dark hair. Yeah, we see your flower, Jasmine, but we're trying to concentrate on the rest of your body.

Jasmine slips a finger into her asshole. Karla, one of the studio stylists, sprays Jasmine's tits with water.

"Oh, that feels good," Jasmine says, again in her sweet voice that makes

OF SUMMER

**IT'S WINTERTIME, BUT
KYLEE NASH IS GOING
TO WARM YOU UP.**

Yeah, it's cold outside. Really cold. And you need something to remind you of summer. Something to keep you warm. So how about Kylee Nash, second runner-up for 2007 Newcomer of the Year, sunning herself in a very sexy one-piece that she's making a lot sexier. "I live in Arizona, so I don't have to worry about the cold," she said. "Even in the winter, I wear a strappy, low-cut tank top or halter top with tight jeans or a short skirt."

We have a confession. Sure, we love Kylee's big tits and pretty face. But our affection for her runs deeper...or, shall we say, lower. Kylee's open, pink pussy and lovely asshole are two more things that make her special, and it should come as no surprise that every Kylee pictorial eventually focuses on her female parts. "I know," Kylee said, giggling and smiling as she always does. "The photographers are always asking me to spread my pussy and ass. But I don't mind. I think it's sexy. It turns me on to know I'm exposing myself like that to so many people." So, when you turn the page, you're gonna see a photo of Kylee with her legs behind her head and her pussy spread. "And you're gonna jack," Kylee said, smiling again. "I know you are. I read your letters."

**LILY VALENTINE'S
BIG, FLOPPY TITS &

ARE BACK FOR AN
UNLIKELY ENCORE.**

We thought we had seen the latest of Canadian beauty Lily Valentine and her fabulous floppers. Yes, when the last load of cum had been deposited onto her tits in the Xtra section of the September '07 issue, we thought it was time to say goodbye to Lily. But then a miracle happened. Buried treasure emerged from our archive. "Look what I found!" editor Dave Rosenbaum told Elliot James.

As we mentioned last time, Lily could have been a big-time porn star if she wanted. She has the face, the body and the tits, and as she proved in the DVD *Sleeping Sluts*, she's damn good at fucking in front of the camera. But modeling was simply something she did for kicks, and when the last photo was taken, she called it quits. "I love being looked at," Lily said. "It gives me such intense pleasure to be watched as a man makes love to me, that I can't describe it in words." Lily's effect on us can be described in jack strokes.

All that is wonderful about Lily can be seen in this pictorial. The amazingly pliable tits that she loves to self-suck. The long, thick pussy lips that she loves to stretch and tie into knots. Her overt sexuality and willingness to strike the most explicit poses for our viewing pleasure. Her exotic looks and sexy pout that always seems to say, "Fuck me. Do whatever you want with me." So, as Lily opens up her pussy and sucks on her tits one last time, be thankful for the fact that our photo archive is not a bottomless pit and that buried treasure always gets uncovered. Treasure Lily.

THE MAKING OF...

Continued from page 54

you say to yourself, "This sweet girl is going to take it in the ass several times this week?" Yes, she is, from two guys, and you're going to see it in *Busty Riding Academy*.

On our way back from the bridge, we spot Melissa Mandlikova, totally naked and spread in the garden. Melissa's tits are big and white. Her pussy, which she's spreading for photographer Peter Wall, is ultra-pink.

Elsewhere, on the front steps, photographer Brandt is handing a dildo to Kristy Klenot. She accepts the gift and dildos away. Tits and pussy everywhere you look. Once again, we're in big-boob paradise.

GIRLS WILL DO GIRLS

Sitting in the makeup room, Karina Hart is nervous. She's never done girl-girl before—she's never even been sexual with a girl before—and she's unsure about how her upcoming shoot with Christy Marks is going to go. Christy tries to reassure her, and we remain confident. When the cameras start clicking and rolling, the sexual tigress within Karina always gets turned loose.

On their way to the courtyard where the shoot will take place, Christy takes Karina by the hand and reassures her, "You'll do great. Just follow me." Christy, who loves big tits almost as much as we do, can't wait to get her hands and mouth on Karina's mounds. It's time for the big show.

But, at the start, Karina is tentative, still nervous. Christy sucks on Karina's tits, but Karina is hesitant to return the favor for Christy. Like we said, she's never sucked any tits but her own. The reason for Karina's hesitancy, however, might not lie within Karina as much as it might lie all around her. There are simply too many people on the set, and we clear it out so that it's just Christy, Karina, the photographer and the makeup artist. Will giving Karina some privacy be enough to get her to loosen up with Christy? We'll see, but our confidence is waning.

A half-hour later, a surprising sound is echoing through the old hallways of the 19th-century castle: loud moaning, and it's obviously coming from two girls, not just one. Back in the courtyard, Karina is lustily grabbing onto Christy's

tits while fingering her own pussy. Christy is grabbing Karina's tits and fingering her own pussy, too. Their eyes are closed, their bodies are tense, but with pleasure. They're about to cum. The sound of two girls orgasming echoes through the courtyard, making us wonder how far away Karina and Christy can be heard. They sound as if they're cumming through loudspeakers. We told you the acoustics in this castle are very good.

Karina is handed a dildo. Christy is handed a dildo, and she turns it on. It hums softly.

"Isn't that the greatest sound in the world?" Christy says, holding the vibrator to her ear.

And Karina responds, "It sounds like my toothbrush!"

The girls giggle, then get busy with their toys and cum again. This has turned out to be a total success, and we can't wait to see the photos.

After they're done, Christy and Karina head upstairs, and Christy interviews Karina for *SCOREtv*. Already, they're bosom buddies.

A WILD, WANKING WEDNESDAY

It's our second complete day at the big-boob castle, and we wake up to a beautiful, busty sight: Terry Nova, who joined us in Eleuthera for *Big-Boob Paradise*, is in the house, bustier than ever (it seems as if we say that every time we see her) and just as quiet (the Czech Chester still speaks only a few words of English). But her limited English doesn't stop her from getting on. She's in the building for only half an hour before she's whisked away by one of our shooters to shoot hot POV fucking out in the wilderness.

Later, half of the girls are at a horse stable filming a scene for the new DVD *Busty Riding Academy*. This is the scene in which Christy and Terry have a four-way with two very lucky guys. Meanwhile, at the castle, Jasmine Black, Kristy Klenot and Melissa Mandlikova are getting ready for a good old-fashioned catfight. There's just something cock-hardening about three busty babes rolling around in the grass, screaming and pulling and clawing at each other. The WWE Divas have absolutely nothing on our girls.

"Beetch!" Kristy yells as Jasmine grabs her tits. "I keeel you!"

The girls roll around, and it looks like they're really fighting! After about 10

minutes of this, we don't want to yell, "Cut!" but the girls are just too exhausted and stop on their own. Hot. Sweaty. Naked. Breathing heavily. Boobs heaving. A very nice sight. We cool them down with a hose.

By the way, in addition to being busty, having an ass you just want to bite into, and having the kind of legs *Leg Sex* men desire, Kristy has been serving as our unofficial translator on this trip. In addition to speaking Czech (she's from Prague), Kristy also speaks English and German. That last language is kind of important here because most Hungarians speak Hungarian and German but little or no English. So, when we need to communicate with the staff here at the hooter mansion, Kristy does it for us.

Of course, when Kristy speaks to a male staffer, she has his full attention no matter what language she's speaking. Because she's speaking the language of big boobs.

TITS IN TIGHT TOPS THURSDAY

The major project for this trip is the shooting of *Busty Riding Academy*, and it's a major project because the movie isn't just about fucking and sucking. It has a real plot and a real script.

Today, we're shooting some of the most important and complicated scenes, one of which actually involves horses. Real, snorting, grass-chewing horses, not wooden props from a merry-go-round.

But let's forget about horses and award-winning cinematic achievements for a second. Let's talk about tits in tight tops. In the reading room, Karina Hart, Christy Marks, Jasmine Black, Terry Nova and Melissa Mandlikova are filming a scene that requires several takes and gives us more time to ogle the mega-busty beauties in their mega-cleavage revealing outfits. In the dressing room, the girls are putting on their riding outfits.

Christy Marks is a country girl who's been around horses all her life, and she's in complete control as she rides her steed all over the lawn.

"This is fun!" Christy says as her horse canters and Christy's tits bounce, just as we planned when we came up with this grand idea.

As for Jasmine Black, it's becoming very clear that this girl simply likes to ride, whether it's cock or horses. She's being very playful for a chick who was

up past midnight getting DP'd, and even when her horse rears and then gallops off a bit too fast, Jasmine's hanging on and bouncing, having the time of her life. In all honesty, we would've been off that horse.

Off to another side of the lawn, Melissa Mandlikova and Terry Nova are talking, laughing, pointing, laughing again. Who knows what they're actually saying (they both speak very little English).

Then stacked wonder Kristy Klenot comes out of the wardrobe room and says, "I love animals. I am not professional horse rider, but I will go on horse. I want to do this. This is okay?"

It's more than okay. We rush her back into wardrobe, and five minutes later, she is outside petting the horses and talking to them. Yeah, we said talking to them. She tells us that the horses looked tired so she needs to make "friends" with the right one so that she can get on it. It's like watching the topless horse whisperer. After 10 minutes, she picks one and is helped up on it by a trainer, and we're back in the saddle again.

The shoot is a success. Big-titted babes bouncing up and down on horses. What could be better?

FRESH-FACE FRIDAY

Another day, another pair of fresh, new boobs. This pair is a beauty, and it belongs to Mandy Pearl, a newcomer from London, England, land of big, natural tits. As sorry as we are that Melissa Mandlikova, Christy Marks, Kristy Klenot and Jasmine Black had to leave, we'll accept the tradeoff because Mandy is cute and sexy with F-cup tits and a body that measures 42-29-36. For the record, Mandy is 5'3" and weighs 138 pounds, and it's all distributed beautifully over her curvy body.

"I'm very excited about this," Mandy says as we measure her. Then she settles down into a stylist's chair and gets the royal treatment. Hair, makeup, the whole shebang. When she's all girly, Mandy heads up to the second floor of the castle for her first-ever nude photo shoot. But not her first-ever photo shoot. Mandy says she has done what she called "a little bit of sexy glamor modeling" in England.

Chest-wise, Mandy reminds us a little of American favorite Annie Swanson. Mandy had never heard of Annie until we brought up the topic, but she is familiar with another of

England's greatest gifts to the world, Linsey Dawn McKenzie.

Out on the side lawn, sexy Hungarian fuck goddess Lucy Love, who just joined us overnight, is sloppily sucking and fucking. Down in the wine cellar, our porn stud Carlos is trying to chat it up with Terry Nova before delivering her a serving of hard salami. And way back on the tennis courts, Mandy Pearl and Karina Hart are getting to know each other by playing a game of big-boob tennis.

As we make our way over to the tennis courts, we bump into some of the stylists lugging huge buckets in the same direction. Being the nosey and helpful editors we are, we jog over to offer them a hand and see that these buckets are full to their brims with colorful water balloons. When we ask them what they're for, they tell us that one of the shooters thought it would be fun to get Karina and Mandy in a water-balloon fight on the courts.

We couldn't get those buckets over to the location fast enough. When we get to the courts, Karina is in this little, white athletic number and wielding a tennis racket. Her outfit is barely containing her tits, and we use this as an opportunity to have her jog over to us by letting her know we have balls... tennis balls that is. Being the sweetie that she is, she comes running, and just like that, her tits come out of her top.

"You just wanted to see my tits!" she says, laughing as we hand her a bunch of tennis balls. "Here, I will shake them for you."

She gives us a jiggle and a giggle and bounds back over to her side of the court to hit some balls for video. We get so caught up in the tit-tennis that we don't see Mandy come onto the court.

"How do I look?" Mandy says with her crisp British accent. "Does this make my tits look nice?"

We turn around, and Mandy is in a sheer, white T-shirt that is stretched so tightly over her pretty tits that we can clearly make out the outline of her areolae. She asks us if she should shake her tits for us, too, and we almost clap in anticipation. All these tits are reducing us to mush.

And then the girls are playing tennis, and although Mandy has some skills, we don't care if they hit the balls or not. We just want them to keep running and jumping around. But the muggy weath-

**WE WAITED SEVEN YEARS TO

CINDY. IT WAS WORTH THE WAIT.**

They've been bosom buddies since 2001. In fact, Cindy Cupps introduced us to Crystal Gunns. And, ever since then, we've begged them to do girl-girl...together. For a while, Cindy and Crystal weren't doing other girls. For a while, the timing wasn't right. For a while, we thought the opportunity had been lost forever. But then, finally, Crystal said, "Let's do it." And big-boob history was made.

"At first it was kinda strange to be licking one of my best friend's tits and eating her pussy," Crystal said. "But after a few minutes, I got into it." So did Cindy, who had been lusting after Crystal for a long time. "You know what I wanted more than anything?" Cindy said. "I wanted Crystal to fuck me with a strap-on. I don't know why, but I've had fantasies about Crystal fucking me with a strap-on for a long time." Make no mistake: Crystal and Cindy prefer cock. But, as these pictures prove, their girlie encounter was everything we'd hoped it would be. Everything they'd hoped it would be, too. "I had a great time," Crystal said. "I feel closer to Cindy than ever!"

THE MAKING OF...

Continued from page 76

er gets the best of them, and within minutes they are all hot and sweaty. And then, we finally hear the words we've been waiting for.

"Bring out the water balloons," says Peter, our photographer, and the girls laugh and jog over, and then they start using their chests to burst the water balloons. It's amazing what big tits can do.

Later, with a few minutes of down time, Karina Hart is back at her computer, which gives us another opportunity to ogle her cleavage as she bends over the keyboard, tits spilling out, Karina seemingly unaware of that fact.

That night, the entire crew sits outside, enjoying the country air, enjoying a few glasses of wine. Mandy joins us, wearing nothing more than she was wearing at dinner, and the sight of her is an awfully nice way to end the day.

SUPER-STACKED SATURDAY

Say goodbye to Lucy Love, who spent one day here at our hooter hide-away fucking anything that moved. Say hello to drop-dead gorgeous Czech big-buster Katarina Dubrova (December '07 SCORE) and her mega-busty country-mate Jana (November '07 SCORE).

Jana has actually made two appearances in SCORE, and her amazing growth spurt from one issue to the next had us wondering, "Are those flesh puppies real?" Her arrival gave us the chance to find out. And Jana, bless her heart, let us have our way with her awesome beauties.

"Please take off your bra. We want to see something," SCORE studio head Tushna says to Jana. Jana nods, gets naked and giggles and smiles as two of us proceed to grope and inspect her tits,

searching for telltale signs of an augmentation like we're scientists examining a fascinating discovery.

Nothing. No scars, and we look over every inch of her chest. Closely. Very closely. No bags in those tits. We grope them and lift them and squeeze them. Huge, impossibly firm and sitting high and proud on her chest, Jana's tits are, we decide, 100% natural. Absolutely no silicone added.

Meanwhile, Karina Hart stands nearby, watching the proceedings, and asks, "Do you think Jana's boobs are bigger than mine?"

Hey, Karina, there's only one way to find out! We have Karina and Jana stand side-by-side for an impromptu comparison shoot. Our conclusion: A dead tit heat, although Karina is more slim-n-stacked than Jana, who's truly a big girl packing a lot of tit meat.

Karina doesn't mind no longer being the biggest in the building. When we tell her that two Czech girls have arrived, she exclaims, "Good! Now I will have someone to talk to."

Actually, Karina speaks very serviceable English (she took English in school and has many friends who speak English), so, with Kristy gone, she has now become our unofficial translator for the rest of this trip.

Out on the front veranda, photographer Peter is enjoying his first photo shoot with Katarina, who is amazing everyone with her body and beauty. The girl is perfect: Beautiful, hanging tits, a tiny waist, a small but round ass, long legs and a gorgeous face. And one of our male models is falling in love with her, which just isn't allowed. He can't wait for his tits-and-tugs scene with Katarina later on.

Then, as rain clouds blow in from the east, we run out to the front lawn for an event we've been looking forward to for a long time: a wet T-shirt contest.

Prior to the contest, the girls have their eyes locked on the pitchers of water we brought out for the show.

"Is that cold water?" Mandy asks, a cool breeze already hardening her nipples. "Please tell me it's not."

"No, we promise."

Still not convinced, but willing to troop on, the girls line up and get wet. Huge, wet boobs, bouncing wildly. Girls giggling. A little bit of rain? They don't care. They're busty, wet and having fun. The rain passes. The wet T-shirt contest is a success.

FAREWELL TO HUNGARY

It's Sunday, the final day at our castle in the Hungarian countryside. Mandy Pearl has departed, and we were very sorry to see her go. Dominno has arrived from Prague, Czech Republic. She's one of the most beautiful models we've ever photographed, and she's super-sexy to boot.

As photographer Hector snaps away at Dominno near the rustic bridge located in the park near the front of the property (taking more pictures than we've ever seen him take of one girl because he can't get over how hot she is), Dominno is a self-starter, knowing all the poses, knowing exactly how to look sexy. Today, Dominno will complete the Triple Crown of Big-Tit Posing with a solo set, a girl-girl with Katarina and a boy-girl hardcore.

On our final afternoon at the mansion, we finally get around to doing something we had waited to do until the end of the week: measure Karina Hart's tits. Why'd we wait? Because her tits seem to get bigger every day, so we wanted to wait until the end for an optimal measurement.

"I don't know if my breasts have gotten bigger around here," Karina says, referring to the overall diameter of her chest, "but I think they have gotten bigger up here."

She points to the upper half of her breasts. "You've gotten fuller," we say.

"Yes," she says, but the proof will be in the measuring. When Karina debuted, she was an F-cup. And now? Her chest measurement is 41.5 inches. Under the ribcage, she's 29 inches. Using the standard calculation for breast measurements, she's somewhere between an H and an I. For the record, Linsey Dawn McKenzie at her peak was an HH-cup, which means Karina is in hallowed territory. But what's with that F-cup bra she has been wearing?

"It doesn't fit," Karina says.

No wonder.

"I only own two bras," she says, "a black one and a white one. I can't find bras that are my size in colors."

With our final chore complete, our week in Hungary has come to an end. And what a week it was! Seven days, 11 busty naturals, lots of fucking, loads of tits. And three DVDs: *Hooter Hotel*, *Busty Riding Academy* and the soon-to-be-released XXX film *Stacked and Serviced*. Our job is done. For you, the best is yet to come.

walking funny. She and I knew it was because she had been fucked numerous times the night before.

I once had an incident where I was helping my girlfriend get dressed for an important meeting, and she looked so good in her tight, black sweater that she gave me a quick titty bang before heading to the meeting. She called me later that day and said, "The meeting went well, but I didn't clean up as well as I should have this morning." I was confused. She spoke again. "Yeah, I could feel loads of your cum on my boobs throughout the meeting. That's alright. When I get a free moment, I'll close the office door and lick it all off." I made sure she called me while she was doing it.

This brings me to my next subject. How about a tits in tight tops DVD? The girls could talk about wearing tight sweaters and tops and how it makes their boyfriends feel when they wear them. Then they could slowly peel off their tops and get their brains fucked out.

Oh, and will there be a sweater spe-

cial, too, this winter? I'm hoping lightning can strike twice and I can catch another glimpse of that sweater girl again. I have been thinking about her (and jacking quite a lot) for close to a year now.—T.N., via email

Dear T.N.: Thanks for sharing your adventures. We try to run sweater and/or tits in tight tops specials every six issues or so. Hopefully you didn't miss the tits-in-tight-tops calendar that was included with the Feb. '09 issue. If you missed it, you can still grab a copy on pages 10-11 of this issue.

KUDOS TO ALEXIS FOR HONESTY, TO LILLIAN FOR A GREAT RACK

Dear SCORE,

The best part of the December '08 issue was the Alexis Silver interview and her pics. Once again, an interview in which it doesn't sound like the model is reading from a script. Just Alexis being honest. She sounds like a good woman who happens to do porn.

Lillian Faye doesn't have the biggest tits, but they look great. It's not always who has the biggest tits but how they look on a model's body. That's why Linsey Dawn McKenzie's tits are the best. Many SCORE models have bigger breasts, but they don't look like Linsey's.

Lexxi Tyler and Rukhsana were by far the best parts of the November '08 issue. Lexxi has an incredible body, and—holy shit!—those ass shots! I had to look at the cover to make sure I'd bought SCORE and not *BootyLicious* (even though I always buy that magazine, too). Lexxi could pass for Crystal Gunns' little sister. Also, consider using plain, one-color backgrounds like you did with Lexxi's pictorial. Every picture jumped out.

Rukhsana looked incredible in that dress. She and Ines Cudna have the most mesmerizing eyes of any SCORE model. Rukhsana and Bea Flora together would make a great pictorial.

Annina looked like she stepped out of a time warp from 1995. I normally don't like models with such fake-looking tits, but she has a great body.

As far as the SCORE Xtra question goes, I prefer five or six short pictorials instead of the usual two.

Thank you for not filling the magazine with phone sex ads containing pictures of transsexuals and outdated nude models from the '70s and '80s. I may not like every model's pictorial in SCORE, but I know when I turn the page, I won't have a tranny with a dick staring at me.

SHARON PINK

DRIVEN TO SUCK-SEED

**SCORE MEN, START
YOUR ENGINES FOR A
NEWCOMER WHO
LOVES TO SHOW PINK.**

This has been a memorable issue. We've seen the return of Minka, enjoyed Crystal Gunns and Cindy Cupps going tit-to-tit for the first time and witnessed Karina Hart with a cock between her tits for the first time on camera. And we're capping it off in a memorable way with a great newcomer. Her name is Sharon Pink, she's from the Czech Republic and she's built for sex. "I want to be a big porn star," Sharon said. "I love to fuck."

SHARON PINK

BIRTHDAY: April 29 **BRA SIZE:** 36F

MEASUREMENTS: 42-26-36

HEIGHT: 5'5" **WEIGHT:** 126 lbs.

BORN & LIVES: Prague, Czech Republic

As you get your first look at Sharon's F-cup rack, fuckable cunt and tight asshole, let's have Sharon tell us a little bit about herself (through a translator; she speaks only a few words of English). "I am very happy to be in *SCORE* because I know that is where the very best big-breasted models must go," Sharon said. "I have wanted to be a model for a long time, but I guess I did not have the courage." Sharon was, believe it or not, a teacher in a middle school in the Czech Republic, and she knew it would be impossible to keep her job and pursue her dream. "I decided to become a model because if a person does not pursue her dreams, he or she will live to be very disappointed. Now I plan to live out all of my fantasies." One of her fantasies is to fuck a woman in a public place.

Sharon's hobbies include dancing and taking long walks on the beach (there aren't many beaches in Prague, but she loves to travel). She loves horror movies and comedies, Madonna, Dior perfume and roast beef sandwiches. "You would not believe how much I can eat," she said. "I don't eat like a woman. I eat like a man!" Her appetite extends to sex, too. Although she says she loves all sexual positions, her favorite is doggie-style "with my tits hanging down and the man's cock going deep in my pussy until I can feel his balls against my flesh. Then, when I have cum several times and he is about to cum, he takes his cock out, turns me over and cums all over my breasts. I love rubbing the cum into my breasts and looking up into his eyes and seeing how pleased I have made him. That is why I always have sex with the lights on." Like we said, it's hard to believe that Sharon was a teacher. She was born for porn.

AMBER LYNN:
IF YOU PAY
HER SHE
WILL CUM

YOU JUST DON'T EXPECT A BIG-TITTED HOOKER TO MATERIALIZE OUT OF THE TROPICAL MARSHLAND.

We kick off this issue's collection of big-titted hookers with Amber Lynn Bach, who debuted in the January '09 issue and told us, "I'm just like any other woman. I'm just hornier than most." For Amber Lynn, playing the part of a busty hooker came naturally, and in these pictures, we see Amber walking out of the South Florida swampland to proposition a dude who just happens to have some extra cash.

After Amber Lynn reads the dude the menu of services, they agree on a price and move the action inside to his place. She makes sure he gets his money's worth (return customers are vital to the business) by mouthing his cock, sucking his sac and bouncing up and down on his dick until he's ready to cum. But no cumming *in* the hooker, buddy! That's just not allowed. Save that shit for your girlfriend, if she'll still have you after you got done shoving your stuff inside a pay-for-play slut's experienced orifices. The cum, as you'll see on the following spread, belongs on Amber Lynn's DDD-cup hooters. She should charge extra for that.

Candace is in the john, sucking off a John, when her cell phone buzzes. It's one of her regulars, and the guy's got bucks. He's a corporate executive, and he pays big money to fuck her. Does Candace finish the blow job or go where the money is? Hey, she's a hooker. She's going where the money is. And she's worth every penny. "I'm good because I enjoy what I do," Candace said. "If you don't like fucking, you shouldn't be fucking." She's a cock watcher, not a clock watcher.

DOMINNO
IS SHE TOO
CLASSY TO BE
A HOOKER?

**BEAUTIFUL DOMINNO
LOOKS LIKE A FASHION
MODEL. BUT EVERY GIRL
HAS HER PRICE.**

Okay, we take that back. We apologize. Not every girl has her price. Your mother and your sister don't have their price, okay? And, if you saw Dominno for the first time, you wouldn't think she had her price, either. You'd think, "Wow, that girl sure is classy!" But what the hell does that mean? Classy girls can't be porn sluts and hookers? They can't fuck strange cock for cash? Of course they can!

You might get a little over-cautious if you saw Dominno walking the streets, dressed like this. You might think, *She's a cop*. But those fears are dispelled when she flashes you some tit and ass and lets you feel up her tits. Just a minute ago, you were rushing home to the wife and kids, but now your brain is clouded over, and you're wondering how much you can squeeze out of the family budget without wifey noticing. Dominno's price turns out to be more than that, but right now, your little head is overruling your big one. You want those tits, that mouth, that pussy. "I'm worth every penny," she tells you, and you have no doubts. After all, she's a classy one.

**THE RISING COST

EDUCATION**

**SOME GIRLS WILL DO ANY-
THING TO STAY IN SCHOOL.**

Kali West, a college student from South Florida, is making her *SCORE* debut this issue, and you have to wonder, "Has college tuition become so expensive that 20-year-old girls have to resort to street hooking to pay the bills?" You also have to wonder, "Couldn't she have saved some money by going to a state school?" Ah, worry not, because Kali's desperation is our gain.

You know and we know that Kali isn't really a hooker. But doesn't she play the part beautifully? Doesn't she look so natural in that street slut outfit? Doesn't she gobble down dick with the skill of hookers twice her age? And when you turn the page, check out the photo of Kali bouncing up and down on a hard-on while she checks her nails, looking completely disinterested because, hey, it's just a job. Kali should quit school. She's found her calling.

DAPHNE ROSEN

BUSTY ANAL STREET SLUT

***ALL HOOKERS FUCK. BUT FEW TAKE
IT UP THE ASS LIKE DAPHNE DOES.***

It's the truth. Ask your average street hooker to suck your cock and she'll do it. For a price, of course. Ask her to sit on your cock and, after a brief negotiation, she'll hop on top. But ask most hookers if you can fuck them in the ass and they'll likely call on their pimps to kick the shit out of you if you get anywhere near their assholes. But not Daphne. Here, she's a full-service street hooker, no holes barred.

In this pictorial, we're seeing Daphne at her best. First, she sucks the john's cock in his car (one of our favorite hooker tricks). Then she has him fuck her huge rack. Then she has him fuck her tight pussy. Then she has him slam her ultra-tight ass and cum all over her face and tits. Notice, on the next spread, how happy Daphne is as the cum drips down her chin and onto her tits. She looks like a total slut, and she knows it. "I make no apologies for loving sex as much as I do," Daphne said. "I'm just a girl who enjoys my job."
