A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

WHEN IT COMES TO BIG BOOBS, THERE ARE NO POLITICAL PARTIES

Dear SCORE,

I really enjoyed researching this election compared to the one on November

were Christy Marks and Denise Derringer. Christy is hot, but Denise has the look and body to do (and has done) anything and everything. That turns my vote to her.

For Hall of Fame, my finalists were Linsey Dawn McKenzie and Julia Miles. That blonde hair, that soft, creamy skin, those two huge pillows...that's Julia Miles. She's my pick.

Karina Hart (left) is favored to win Newcomer of the Year, but Shyla Stylez is attracting attention, too.

4th! It is hard to pick my favorites because all of the girls are winners.

For Newcomer of the Year, my finalists were Karina Hart and Shyla Stylez. Shyla wins with her blonde hair, cute face, perfect tits and all-around awesome body.

For Model of the Year, my finalists

Christy Marks

Denise Derringer

Regarding the smoking debate, I assumed that a girl sucking on a cigarette would be great at sucking a dick, but I found out that is not always a certainty. Nevertheless, I find that sexy women smoking is a turn-on.

Tall or short, thick or thin, brown hair, black or blonde, short or long, real or fake boobs, furry or slick pussy, smoking or not, show me all the naughty bits. Just make sure she has really big tits.-69er, Illinois

Dear 69er: Thanks for writing. We'll announce the winners of Newcomer of the Year and Model of the Year, plus the first of this year's two inductees into the SCORE Big-Boob Hall of Fame, in the June '09 issue, March 24. The issue will feature brand-new pictorials of the winners and top runners-up. Now read on to find out who your fellow readers voted for.

EVERYONE ELSE IS VOTING FOR KARINA. HE'S VOTING FOR...

Dear SCORE,

Newcomer of the Year: Karina Hart and Yurizan made it a very tough deci-

sion for me. They are both gorgeous with the complete package. I know Hart will receive the majority of the votes, so I'm going with Yurizan.

Model of the Year: Daphne Rosen all the way. A SCORE masterpiece. Sakova and Gunns won it. Denise Derringer, Morgan, Summer Sinn and Rukhsana are deserving of the title. But it would not surprise me if Lorna Morgan takes this one. Damn, Lorna looked super hot pregnant.

Hall of Fame: My vote goes to my favorite SCORE Girl, Sharday. Put Sharday or Ines Cudna in any contest and they'll always get my vote.

PROOF THAT WELL-BUILT THINGS STILL COME OUT OF DETROIT

Dear SCORE,

Newcomer of the Year: Janet Jade. Janet is the answer to all of our prayers. She brings it all to our perverted tables. She has the looks, the ass and the tits to set not only Detroit but the world on fire. She has to be what God intended when he gave the world women. She is an absolute angel. The creamiest cocoa skin, amazing, enormous rack and an ass that can't be denied. I would love to see her featured in her own video. I think I'm in love.

Hall of Fame: Sharday. She is the most amazing woman to ever grace your pages. A legend from the first day we laid eyes on her.

Model of the Year: Marilyn Sakova. Wow! Her body and tits absolutely defy the laws of physics and nature. -Sturg, Detroit, Michigan

AWARDS FINALISTS BROUGHT BACK SOME HAPPY MEMORIES

Dear SCORE,

Newcomer of the Year: Janet Jade. She reminds me of a black dancer I saw at a nude club in Tampa, Florida about 15 years ago. Janet's tits are the same, and this girl, like Janet, wasn't shy about showing them off. She'd walk around the club nude all night.

Model of the Year: Christy Marks looks like a 21st Century version of Roberta Pedon from the 1970s.

Hall of Fame: Lili Xene gave me memories of a stripper named Roxanne Brewer from the 1960s and '70s. Lili struck me as a class act.

Seeing these women made my cock feel like it was a teenager again.—K.B.F., St. Petersburg, Florida

1960s and '70s legend Roberta Pedon was one of the greatest naturals ever.

V-Girl Romina Lopez (left) and SCORE Girl Cynthia Romero (right) have to be high on any boob man's list of the greatest Latinas.

THE LATINA INFLUENCE IN THE 2009 SCORE AWARDS CONTEST

Dear SCORE,

The Holiday '08 issue was off the hook. What a great lineup of newcomers! Your constant supply of busty beauties just blows me away, and I'm constantly changing my Top 20 list.

Thanks for bringing us some beautiful Latin girls lately. I asked for more Latinas about a year ago, then along came Paola Rios, Mia Starr, Daylene Rio and my newest addition to my Top 20, Yurizan.

Yurizan is the complete package. Deciding between her and Karina Hart for Newcomer of the Year was not easy. Karina is a force to be reckoned with and will probably walk away with the title. I feel those two are tied. I almost voted for Karina because she did video but instead went with Yurizan because I'm hoping to see much more of her, and I'm hoping more Latinas will step up and become SCORE Girls.

My favorite Latin SCORE models are Yurizan, Cynthia Romero and Romina Lopez.—D.M., Fresno, California

BIG-TIT MASSAGE: RUBBING ONE OUT THE RIGHT WAY

Dear SCORE,

"Rubbed The Right Way" with Crystal Gunns in the January '09 issue sure had me rubbing the right way very quickly. Those shots of Crystal have to be some of the best she has

taken. While seeing all those hands on her spectacular body was a turn off, once I got to her behind, sideways and on her stomach with her butt in the air, I couldn't hold back any longer and had to release everything I had. She deserves Model of the Year again.

It was harder to believe that the "Amber at SCORE" woman is a MILF with her body, tits and that "come fuck

Holly Halston likes to stay warm when she's sucking cock.

me" look. Wow! **SCORE** has done it again. Too bad she didn't make the **SCORE** Awards voting. Maybe next year.

Holly Halston sure looked hot and filled her sweater nicely. She is just as beautiful with or without the sweater, but the sweater made Holly all the more enticing.

Jasmine Black provided the best of the best shots with her pussy-and-ass spread at the end of the issue. I just couldn't hold back and had to let my cum fly over the finger insertion shots. –K.M., San Diego, California

CRYSTAL GUNNS SAVED THE DAY

Dear **SCORE**,

I thought the January '09 issue was okay. Without that red-hot Crystal Gunns pictorial, I would've said it was the worst issue in a long time, but those pictures saved the issue.

You started 2008 the same way. I thought the first two issues of 2008 were subpar, and then from March '08 until November '08, every issue was a home run.

Jasmine Black has an exotic look. Her breasts were not the biggest in the January '09 issue, but she was the hottest girl. She reminds me of Luma.

June Summers has possibly the hardest nipples I have ever seen on a **SCORE** model. Speaking of June, I have a question. Her last pictorial was July '02. Every couple of issues, a model

pops up who hasn't been in **SCORE** for five, six or seven years. How does this happen? Do you go through your archives and decide to contact a certain model to pose again, or once a year do you contact all the models and ask

them if they want to pose again? Or is it up to the model to contact **SCORE**? –B.P., Toronto, Ontario.

Dear B.P.: A combination of factors are involved. Some models retire for

a short time and come back. Sometimes a model originally would only pose solo and later decides to do hardcore, at which point we'll shoot her again. Some models get bigger breasts. Some models lose weight (and breast size) after we shoot them the first time, then regain their original tit size and become **SCORE** Girls again. And sometimes we look at a girl from three or four years ago and decide, "Hey, let's see her again." Often, we make the first re-contact with a model, but sometimes, a model calls us and says, "Hey, I'm back! Do you want to photograph me again?"

EVERY DAY IS CHRISTMAS DAY WHEN YOU'RE A SCORE READER

Dear **SCORE**,

I could hardly contain my excitement at the debut of the fine-looking MILF Amber Lynn Bach (January '09). She definitely has my vote for 2009 Newcomer of the Year.

From the beginning, *Tits & Tugs* has been all about your favorite *SCORE* Girls wrapping their tits around a hard cock for the first time on camera. *Tits & Tugs* #1 brought us Crystal Gunns and Cindy Cupps. *Tits & Tugs* #2 brought us Christy Marks and Janet Jade. And now, *Tits & Tugs* #3 brings us Morgan Leigh, the 2006 Newcomer of the Year, tugging on a dick and then getting her giant jugs fucked in what she promises will be her one and only XXX video. "I had fun," she said. "But I want to keep it special."

Sara Jay

Sara Jay takes a lot of pride in her oral skills. Nobody sucks cock quite like Sara, and she's sucked a lot of cock on video. But here, Sara Jay displays one of her most-overlooked skills. "I'm so good at BJ's because I know how to use my hands," Sara said. "And I love feeling cum all over my big tits!"

Sarah is a Southern cutie who made her **SCORE** debut by fucking and sucking cock in the April '09 Xtra section. Here, she makes her video debut special by adding an ingredient to her tug job: honey! "I like getting a cock nice and sticky before it gets me nice and sticky," said this DD-cup girl-next-door-turned-porn star.

Sarah Sunshine

Holly
Halston

We all know that porn star Holly Halston fucks and sucks and even takes cock deep in her tight ass. So, what makes this scene special? "It's special because my pussy is wet and tight but my tits are soft and fluffy," she said. "It's special because I've had my pussy and ass fucked so many times, I appreciated the opportunity to show everyone what I can do with my tits. I know if SCORE Men had to make the choice, they wouldn't be able to decide between my pussy and my tits."

See it now at **SCOREonDemand.com**

Puma Swede

Hot tubs are great for tit-fucking and tug jobs because tits are more accessible than pussy and ass when you're in a hot tub. "My cleavage was getting all moist and sweaty, and that made the guy's cock slide in and out even better," Puma said. "Then I stuck out my tongue and begged for him to cum all over my face."

Candy Manson

"When people see a girl like me with such big tits, they assume she's a slut. And you know what? In my case, they're right!" Candy Manson said. Check out the look on Candy's face as she wraps her tits around that slab of man-meat. "Yeah, I want it," Candy said. "I always want hard cock."

TITS&TUGS3

In *Tits & Tugs #3*, super-popular *SCORE* Girl Summer Sinn plays out one of our favorite fantasies. She's a stripper who gives more than lap dances. She gives tit-fucks and tug jobs, and she does it on stage. Can't a girl get in trouble for doing something like that? Summer doesn't care. "Lap dances are for beginners," she said. "I know what you guys want. You want to fuck my tits!" That's right, Summer, we do! And in *Tits & Tugs #3*, we always get what we want.

SCORECARD

Continued from page 8

Once I had a chance to settle down from the excitement of seeing Amber, it didn't take too long for my aroused state to show itself when I got to the Crystal Gunns feature. This lady has gotten better and better each time she appears in **SCORE**, and this time was no exception. Even though she had all of those hands all over her, the feature did not lose any appeal and, in fact, made my boner stiffer. I almost did not make it through her entire feature.

I had to rest for a while before reaching the sweater feature, which is one of my favorite things. I sure do like to see how well those large tits fit into a sweater or top. All of the women were spectacular. **SCORE** continues to entertain a mix of interests, and sweaters is one of mine.

Each issue of **SCORE** is like getting a Christmas present every month. One never knows what is going to be inside, but one can be sure that whatever it is will always be fantastic.—K.O., Chula Vista, California

MAKING FANTASIES COME TRUE

Dear **SCORE**,

If I were to see a model like Yurizan walking down the street, I would instantly do my favorite impression of the Washington Monument! A boob lover appreciates how rare and beautiful the models featured in **SCORE** are in real life. You don't see them every day, and when you do, you don't forget it.

I've been thinking about an idea for a new video. I'd like to see a video with the following gorgeous **SCORE** models: Marilyn Sakova, Linsey Dawn McKenzie, Autumn-Jade, Karina Hart, Yurizan, Christy Marks, Ashley Jiggs and Anna Song.

1. I'd like to see what each of these models looks like in a tight, white T-shirt (with white bra underneath) and a pair of jeans. Just like they'd look if I saw them out in public shopping or going on errands wearing some of the luckiest fabric in all of the Milky Way.

2. Then I'd like to see them in the studio and watch it all come off. And as it's all coming off, I'd like to see some masterful squeezes (oiled up, of course) and playful pokes. And after everything but the heels come off, I'd like to see those

Introducing the next GREAT NATURAL

We haven't even announced the 2008 Newcomer of the Year winner (that'll happen next month), and we already have the leading contender for 2009 Newcomer of the Year.

Her name is Ashley Sage Ellison, she's a 20-year-old beauty therapist from Manchester, England and (here's the information you really want to know) she packs her natural treasures into a J-cup bra.

Yeah, a J-cup, which makes her one of our bustiest naturals ever.

One of the most down-to-Earth, too. How much of the girl-next-door is Ashley? Well, get this: She shot her first photo sets for us in the upstairs bedrooms of the house she lives in with her parents.

And forget about trying to talk to her about

sex. When we asked her what she likes to do best in the sack, she said, "I can't tell you that. I'm a good girl."

Ashley will make her SCORE debut in the June '09 issue, on sale March 24. And if this photo isn't enough to tide you over,

you can check her out right now in the April '09 issue of *Voluptuous*. You can't miss it. She's the covergirl, naturally.

Don't miss the debut of newcomer Ashley Sage Ellison next month! Trust us!

Daylene Rio: **HOT MAMITA**

"I am totally into pleasing the man," Latina sex goddess Daylene Rio said, her voice seductively dripping with flame-roasted sexuality.

Latin women may be the hottest and most passionate of all the women in the world, and, if that's true, then Daylene (Holiday '08) is the poster girl for fiery fornication.

"I think about sex all the time," Daylene emphasized in her sexy accent. "Pleasing men comes from my background, where the man is the king. We use the Spanish term 'papi chulo.' That means hot daddy. I like coming to *SCORE* because the Latin culture in Miami is similar to Los Angeles. It makes me feel extra-sexy when I fuck for *SCORE*."

Daylene really is into cock adoration by hand, mouth and tits.

"I like it when a guy tells me what to do, when he shows me who is the boss. That's my nature. The more a guy talks dirty to me and bosses me around in bed, the hornier I get and the more I talk dirty. Like when a guy talks in a sexy voice and tells me

to get on my knees and suck his cock, I get all flushed and my skin gets tingly. Guys have told me that they wished their women were like me. Most women don't spit on cocks or titty-fuck like me." Girls should use Daylene's videos as training guides. They could learn a lot.

With her big tits and horny sex skills, Daylene is a natural for porn.

"At first I thought I would take my time making porn videos, but then I liked it so much, I wanted to do more at *SCORE*, as much as I could," Daylene said. "It's more exciting than everyday fucking. It's a show. That's why I love it."

One day your editor walked into the studio and saw Daylene bouncing up and down on a cock. The videographer was nowhere near her—she and her fuck buddy were between takes—but Daylene couldn't get enough. It's not work for her.

Check out Daylene's first DVD, *Busty 'N' Wet*, and her XXX videos on Scoreland.com. She's also scheduled for an episode of *SCOREtv*.

WOMEN IN RED

Janet Jade has it all, but scientists claim she can become even more attractive by wearing red outfits.

According to a University of Rochester study, women who wear red may find that their dates are more attentive.

Male testees were told they had \$100 to spend on a date. After they were shown different pictures of their date wearing either red or blue clothes, they were asked how much of that money they were prepared to spend. The guys said they would spend more money on a woman wearing red than they would on the same woman wearing blue.

The researchers say their study is proof that red makes men feel more interested in a woman, if only on a subconscious level. On average, wearing red meant a more expensive night out for a woman, and the women in red earned a higher attractiveness rating. When the same pictures were shown to women, color made no difference in their responses about the woman's attractiveness. They probably hated her in any color she wore.

Anthropologists say that red signals ovulation and sexual readiness in other species and they suspect the same applies to humans. That would account for the popularity of red lipstick and nail polish.

Once again, science proves that guys are pushovers, not colorblind.

Mia's A Starr

Mia Starr (July '08) gets tons of compliments wherever she goes. It would be shocking if she didn't because she's a knockout. But how does a guy succeed in attracting her attention with all that competition to deal with? Easy! Use reverse psychology. Mia explains.

"Don't compliment me on my boobs and body," she said. "Try something different. The worst things that guys have said to me were 'You look like my ex-girlfriend' or they ask me, 'How old are you?' I like confidence but not cockiness. I'm very, very passive. I need someone to dominate me. Skip those pick-up lines like 'You must be tired because you've been running through my mind all day' because what do you do after you say it?"

Beats us! We've never gotten that far.

"My perfect evening is nothing complicated. I'm happy with dinner and a bottle of wine, overlooking the ocean, followed by a massage. If you have good hands, maybe we can hook up."

Marilyn Sakova

Photo Fantasy SCORE

What would you like to do to Marilyn Sakova (February '09) if you could be alone with her? Most definitely on your to-do list would be getting your cock licked and, of course, sliding your schvanz between her deep cleavage while she stares longingly at you with fuck-me eyes.

But since many of Marilyn's fans simply do not want to see some sleazy dude whip out his pecker and mess with Marilyn for real, this "virtual" knob-job satisfies a curiosity factor. So, courtesy of a realistic-looking rubber dick sticking out of a fly, this is kinda how Marilyn would idolize your Johnson. Tell us what you think of this kind of photo fantasy. Do you like it? Is there anyone else you'd like to see as a virtual cock worshiper?

Great Moments In SCORE History

One of the two major SCORE projects of 2001, the *Mega-Boob Olympics*, turned out to be more than just a handful of gigantic tits. Some people said we were crazy to do it. So what? That's what they said about Steven Spielberg. Now those same critics thank us. In fact, the DVD is one of the most popular titles in SCORE history. We think it'll always be a timeless classic, like *It's A Wonderful Life*.

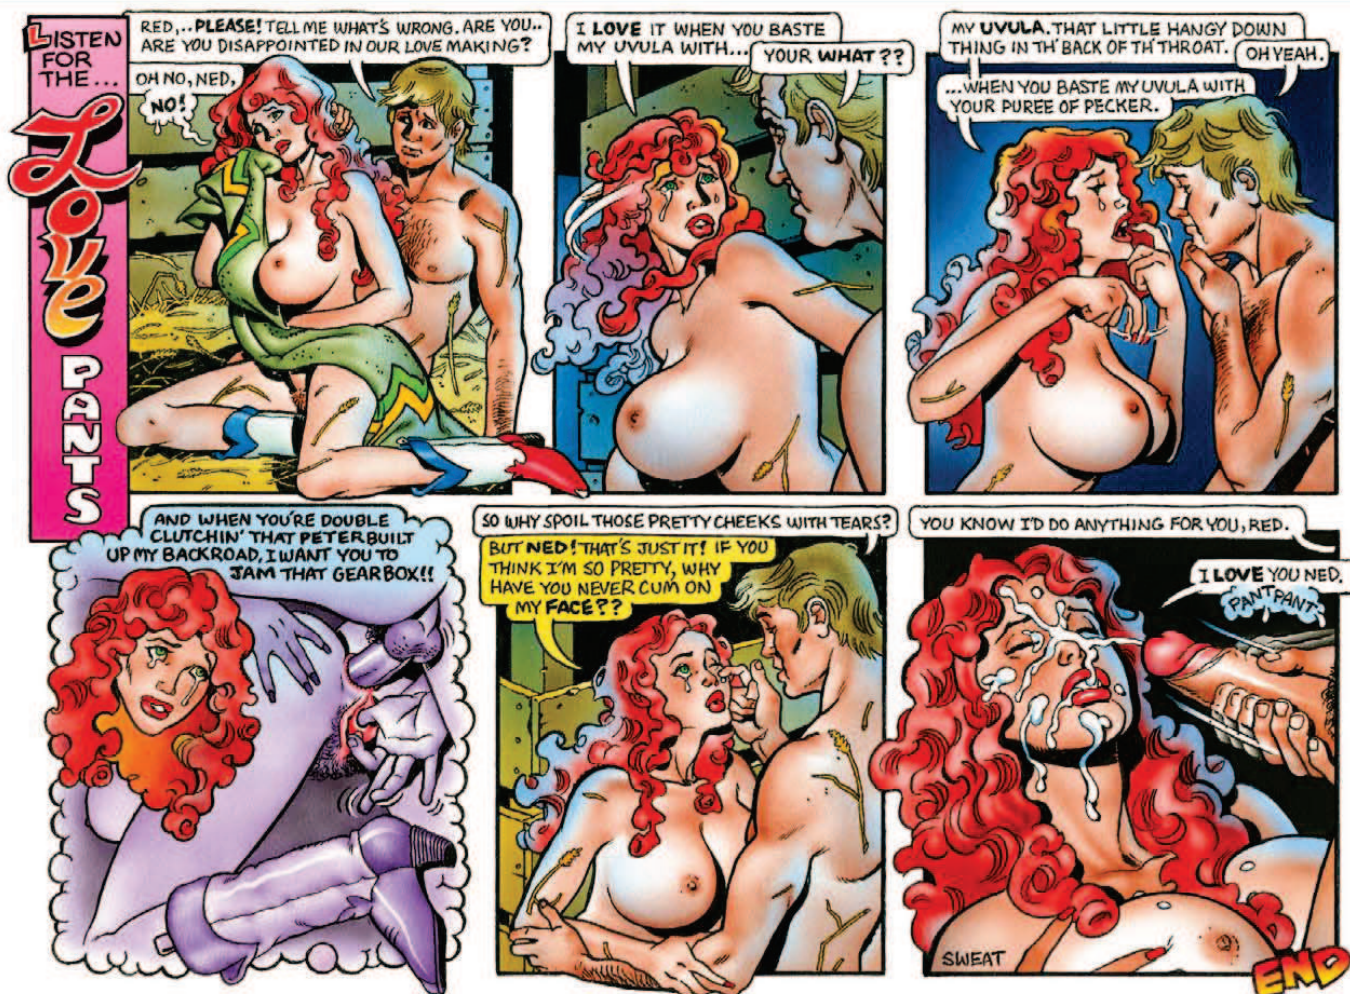

Seven years later, another round of mega-special

thanks must go to the very mega-special babes who made it what it was: (from left to right) Kayla Kleevage, Casey James, Maxi Mounds, SaRenna Lee, Minka and Plenty

UpTopp. Among the praise MBO continues to earn are these gems: "For connoisseurs of gorgeous females with astoundingly imposing pectoral projections, this title is truly one of the

most magnificently made of its kind." That's from Michael in New York. And Jackson from the UK said, "It's just the film if you, like me, love mega-boobs." Like we said, a classic.

Bra Price Prejudice

England's famed Marks & Spencer, a retail chain of over 700 stores worldwide, is defending a policy of charging a higher price for some bras that are bigger than a DD-cup. It claims that the added cost, around £2, is "standard industry practice."

Over 900 people have joined the Busts 4 Justice group on Facebook in protest. The group was created by a woman who rightfully feels it is an unfair tactic.

"If you don't charge a size-20 woman more for a pair of trousers, then why should you pay more for an E-cup bra?" she said. "I have been a size eight all of my adult life but have never benefited from smaller-priced pants."

The M&S website advertises the Ceriso Polka Dot Padded Bra for £12 but charges £14 for sizes DD to G. The chain said it offers "the most comprehensive DD-plus collection and one of the most competitively priced on High Street. Our bras are less expensive than many other specialist larger cup size retailers, where they could cost around £60 or more."

M&S also said most customers were happy to pay a premium for the work needed to make larger sizes of their bras. Should busty girls be forced to pay more for bigger bras? We side with Busts 4 Justice.

GET READY FOR A BUSTY ADVENTURE WITH INDIANA JAYMES, A GIRL WITH BIG DREAMS AND HUGE TITS.

Some girls dream of becoming teachers, nurses or beauticians. When she was in her late teens, Indiana Jaymes had dreams. "I've always wanted to be in porn," she said. "I love sex, and being in *SCORE* is the first step towards making a life-long dream of becoming an adult actress come true. I've never been happier!"

A woman with long dark hair and bangs is lying on her side on a bed with white sheets. She is wearing a red lace-trimmed thong, red lace-trimmed garters, and black lace stockings. She is also wearing black high-heeled shoes. She is looking back over her shoulder at the camera with a slight smile. The background is a blue wall with a wooden shelf and a vase of yellow flowers.

Indiana's inclination towards showing off her body started early. "I always had the biggest boobs of any of the girls in my neighborhood," she said. "Guys would approach me to talk, but eventually they would start asking me about my tits. Soon, they'd want to see them. Often I'd lift up my shirt to show them off. I'd leave them in the bra at first, just to gauge their reaction when they got a fuller view of them. Then I'd ask, 'Would you like to see more?' knowing that they wanted nothing more at that moment. I would undo my bra and let my funbags fly. I never got a bad review, ever. And it turned me on to show off."

A woman with long, dark, wavy hair and bangs is sitting on a bed. She is wearing a black corset with silver buckles and red lace underwear. She is looking directly at the camera with a slight smile. The background features a blue wall with a vase of yellow and red flowers, and orange curtains.

If Indiana was born for porn, then her later chestal developments made her a natural for *SCORE*. Perhaps you've already noticed that Indiana bears a striking facial resemblance to *SCORE* legend Casey James. "I don't know who she is," Indiana said. "But if she has tits like mine, I'd love to see her." One difference between Casey and Indiana: Casey never did XXX. Indiana plans on fucking her way to the top. "More than one guy said they thought I'd be really good at porn because I'm active and loud when fucking. And now I'm going to prove them right."

Now that's she gotten her foot, as well as a few other of her incredible body parts, through the door, Indiana wants to write the next chapter to her story. "I've wanted to be in porn for as long as I can remember," she said. "Now that I'm here, I believe that anything is possible. Some people never see their dreams realized, but when they do, they're energized with an incredible amount of confidence. That's how I feel right now. I could do anything. I want to do more pictorials, and maybe if everything works out, I can do some hard-core in the future. The idea of fucking on camera makes me so wet that I might not be able to resist doing it." That's okay. We find you irresistible too, Indiana.

"Mem-rees...light the cooor-ners of my mieeend! Misty, water-colored MEM-REE--"

"Thank you!" Greg Harris cried out, cutting off the woman's caterwauling on stage.

"Oh, am I done?" she asked.

"Yes, you're done," he said. "Thank you. We'll be in touch." He waited for the woman to leave, then glanced around the empty theater from where he was sitting.

"Is there anyone else?"

He leaned back in the red velour seat and rubbed his eyes, careful to balance the sheaf of audition forms in his lap. He hated auditions, especially musical ones. With dramas, you only had to hear them speak. Everyone can talk, but with musicals it was an endless stream of people who thought they could sing and did their best to approximate the beastly vocal techniques they heard on any number of TV talent shows. This was community theater, after all, so for every legitimate voice that auditioned, Greg had to sit through 10 or more tin-ears.

"Sh-should I start?" said a small voice from the stage, shaking Greg from his inner dialogue. He looked up and saw a stout young woman, about five-foot four, dressed in a black T-shirt and slacks. Her face was round and she had shoulder-length, wavy black hair. Her skin was lightly tanned. Her torso was oddly shaped, as though she might've been pregnant, but it was hard to gauge with her facing him and all that black, like trying to gauge the horizon from the night sky. She seemed nervous.

"What's your name?" he asked.

"Celeste Rollins," she said with a slight slurring of her s. Greg rifled through the stack of papers.

"I don't have your audition form here, Celeste," he said. "Did you fill one out?"

"Oh, yes," she said. "I have it right here. Do you want it?" Greg groaned inside his thoughts.

"Yes, please," he said.

Celeste turned and began walking to the left of the stage towards a small flight of stairs. Greg's eyes widened. Like an optical illusion, what his mind had perceived as portly or pregnant suddenly revealed itself. Barely contained by the straining black T-shirt were the biggest breasts he had ever seen. They hung down below her curvy waistline but pushed out fiercely like a couple of over-inflated beach balls. As she descended the staircase, he could see her straining her neck in a failed attempt to see over her giant chest to where she was stepping. It was a miracle that she didn't fall. With each step, her tits shuddered heavily, and as she walked quickly toward Greg with the audition form held out in front of her, they jostled back and forth, unable to get out of each other's way.

Greg took the paper and with a Herculean effort managed to look only at Celeste's eyes, which he now saw were brown. The tanned color of her skin made him think she might have some Native American or Inuit in her bloodline. But the overwhelming thought running through his mind at the moment was, *Oh, shit!*

Greg loved big boobs.

No, not loved. He worshiped them. They utterly hypnotized him, and their power over him increased exponentially with each cup size. He subscribed to *SCORE* and *Voluptuous*. Had for as long as he could remember. Knew all the girls and their sizes by heart. Had honed the art of detecting a big pair from across the room and could accurately, within one cup size, give you the bra measurements of any big-busted girl he saw on the street.

And like most big-breast lovers, Greg had honed his peripheral vision skills. So while he was saying to Celeste, "So, have you been in many theater productions?" he was peripherally scanning every strained square inch of her chest. He couldn't begin to guess what her cup size was. He'd had a girlfriend once who wore a triple-D, which had seemed huge to him. Celeste's boobs looked more than double that size.

Greg mentally groaned again as he felt the last of his objectivity fade away. He knew Celeste would be in the show no matter what. Now that he knew they existed, he had to see those giant knock-

ers as often as he could. Heck, he'd make her the lead if he had to, and he'd worry about the reviews later. Any big-boob lover worth his salt would give Celeste raves.

"This is my first show," she said. She smiled nervously. "I've always wanted

Greg mentally rejoiced as her ridiculously huge chest slowly inflated. The tips almost grazed his chest.

to try it, and my girlfriend finally convinced me to come to the audition. She was here earlier, but she had to go." She looked at him a bit oddly. "Hey, are you okay?" she asked.

Greg realized he'd been caught up in his thoughts and had gone a while without blinking. It was a miracle that his eyeballs didn't dry out.

"Oh, yes, I'm fine," he said. "It's been a long day. Let's get started."

"Okay," she said. She turned and began walking back toward the stage.

Greg's eyes immediately dropped to her curvy hips and ass, and he felt his mouth begin to water as he saw the rounded sides of her breasts peeking back at him.

She climbed the steps and walked back to centerstage.

"Do you want me to sing?" she asked. Her cute, little slur combined with her huge, heavy jugs caused a clockspring twitch in his crotch. Before he could stop himself, Greg stood up and said, "Not yet. Let's try some movement first." He wasn't sure if he would get away with this, but it was sure as heck worth trying. He'd never forgive himself if he didn't.

"O-okay," Celeste said as Greg mounted the steps and hopped onto the stage. *I'm going to hell*, he thought as he stood facing her.

"First, let's warm up a little," he said. "I want you to close your eyes, take a deep breath through your nose and exhale through your mouth."

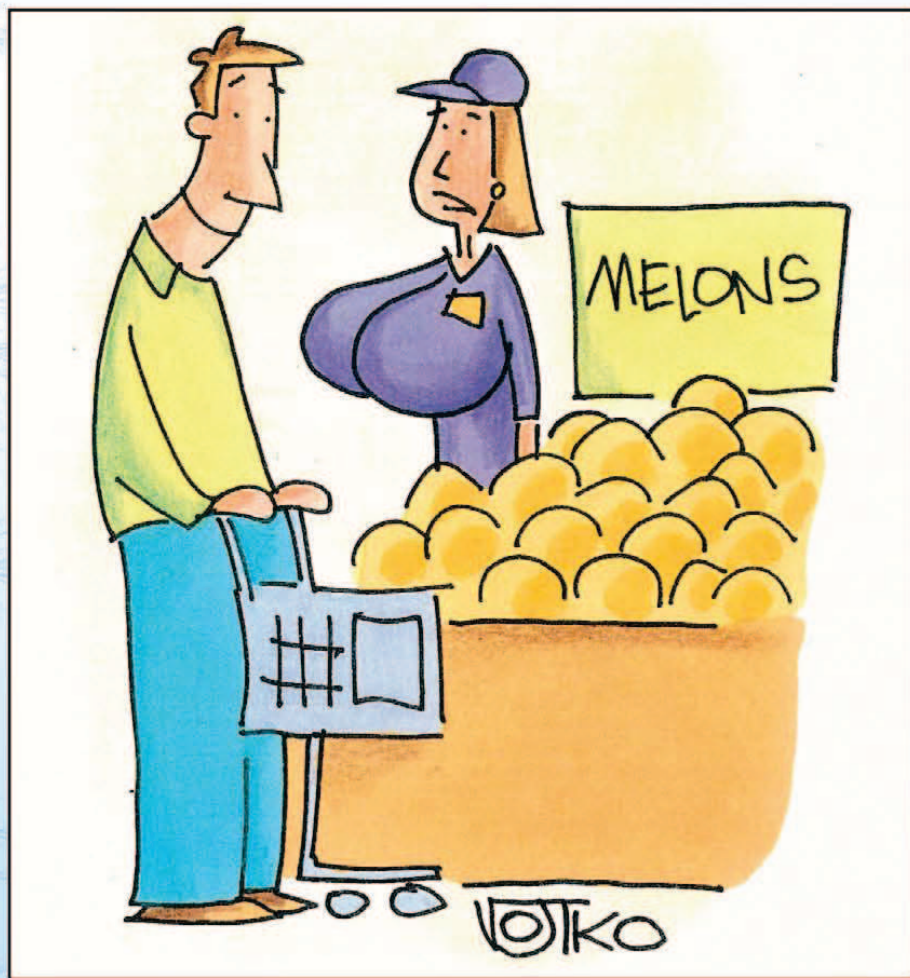

"Okay," she said, and closed her eyes. She inhaled deeply through her nose, and Greg mentally rejoiced as her ridiculously huge chest slowly inflated. Greg had been standing almost three feet from her, but her magically expanding breasts were closing the gap until, just as she began to exhale, the tips were almost grazing Greg's chest. His dick was now hard and started to push against the fabric of his pants leg. He tried to imagine just how big and stretched the areolae must be on tits that huge and how long her nipples could get when he realized he'd been looking at them the whole time Celeste had been exhaling. He looked back up to her eyes, which were still closed, although he thought there might've been a slight movement to her eyelids. Had she seen him? He decided to test it.

"Okay, one more breath, and this time hold it at the height of your inhale," he said. Now he was really being daring. Lecherous, almost.

Once again, she breathed deeply, her chest expanding and rising. This time, Greg kept his eyes on hers and was relieved to see they didn't open.

"Okay, exhale," he said, "and open your eyes." She opened her brown eyes and smiled.

"Now let's do some stretching," he said. He then guided her through a series of stretches, each one managing to shake or jostle or otherwise showcase

"They come in small, medium and large, sir. We don't have any 44s."

Party Girl

WHEN LEXXI AND HER FRIENDS ARE OUT ON THE PROWL, NO ONE IS SAFE

Imagine you're at a bar when you begin to feel like you're being watched. You look over and see the gaze of Lexxi Tyler and a gaggle of leggy, bisexual babes leering your way. Want to make this dream come true? Get to Los Angeles. "My friends and I go out all the time," Lexxi said. "We're always looking for fun. With cool guys, hot girls, whomever is up for a good time and is fun to be around. It's not that I can't stop going clubbing. It's that I don't want to stop."

Lexxi and clubbing is a combination that goes better together than rum and Coke. "Part of the reason I live in Los Angeles is the nightlife," she said. "I like going out with my girlfriends. We're all hot and bisexual and love to find girls and guys to play with. First, we'll go to a nice dinner and have a few drinks. Then we'll set out and start hitting the best clubs. We know all the doormen and bartenders, and they take care of us because we always liven things up. Sometimes I don't have to try very hard to find a hookup partner. Other times, it's hard to pick which one to take home! On the rare occasion I don't find anyone that thrills me, I'll just end up in bed with one of my girlfriends. But I always have fun when I go out, and that's not changing." Don't change, Lexxi...especially if we meet you!

"It doesn't matter to me if a girl is licking my pussy or a guy is fucking it. I love both!"

Dutch Treat

HER NAME IS ARIANA ANGEL, AND SHE THINKS SHE'S BORING. WE'VE GOT SOME NEWS FOR HER.

"I'm pretty boring," said Ariana, an F-cup newcomer who was born and raised in Amsterdam, Holland, the city of sin. "I'm old-fashioned." Okay, the second half of that statement might be true, but the first half? Boring? Well, we're guessing that thousands of *SCORE* Men around the world will never get bored looking at Ariana's natural chesty charms, and although she might be surprised to find out that she's this issue's covergirl and centerfold, Ariana does admit to one thing: "Guys have always liked my tits," she said.

Facially, Ariana reminds us of Mary Waters, a very popular big-tit star of the 1970s. Physically, Ariana isn't built at all like Mary (who definitely appealed to men who like their ladies big boned), but her boobs match up against just about anyone's. And by the way, she's not boring. She's into having sex in mirrored rooms. She went tit-to-tit with a Hungarian fetish model she was dating. She's into rock bands and had her cherry broken in the band's hotel room after a show. She had sex in the parking lot at a KISS show. Boring? Ariana? She's a Dutch treat we can't get enough of.

KH

KarinaHart.com

Her H-cup naturals have been compared to the all-time greats'. Firm. Heavy. Full. Capped by wide, pink areolae and sharp nipples that could poke your eyes out. Karina Hart stormed onto the big-tit scene in the July '08 issue, and since then, there has been no doubt: She's a legend in the making. And now, like all other big-titted legends, Karina Hart has her own website. It's called KarinaHart.com, and it's loaded with exclusive videos and photos, like the ones you see on this spread. "I'm very excited to have my own website," Karina said. "I hope you'll join me!"

This is Karina's exclusive website, and it has her personal touch. Karina had a hand in deciding upon the photo sets and videos that would be shot, and just about every posting is accompanied by her personal comments, like this one about her red, fishnet body stocking: "It's the naughtiest thing I've ever worn!" Added Karina, "Point a camera at me and my clothes just fall right off." Okay! We're gonna keep on pointing 'em!

WEB EXCLUSIVE!
Karina and Christy
Marks tit-to-tit!

When we brought Karina Hart and Christy Marks to Hungary for a week of photo shoots, we knew we had to get them together for some girl-girl action. Christy, who loves girls and big tits, couldn't wait to get her hands on Karina, who was shy at first but quickly loosened up and came!

With big tits, camera angles are everything, so we told our photographers to get as close to Karina as possible to capture every inch of her body, every drop of water cascading down her tits, to give you the kind of views you dream about, like the one below.

"I am very happy to be doing what I am doing right now because whether you are a fashion model or a nude model, you are still a model and having fun in front of the camera and showing off, and I like that," Karina said. Karina is a natural in front of the camera, whether she's playing with her tits, spreading her ass for your inspection or drilling her pussy with big dildos. And it's all at KarinaHart.com.

We're looking for attractive, slim-n-stacked women to photograph at the *SCORE* studio in Miami, Florida. her amazing assets. Greg's eyes feasted on the sight of her, and he was starting to have trouble concealing his erection, which was doing a dance of joy in his strained pants.

"Okay, let's just shake out our arms and legs and we'll be ready," he said, struggling to keep his voice sounding professional and a little bored. He was anything but bored. This was the best show he'd ever seen in the theater.

Celeste shook out her legs and her arms while her gigantic boobs trembled. Greg suddenly noticed that her nipples had started poking through her taut black T-shirt. He managed to tear his eyes away, but her nips were like magnets drawing his eyes to them.

"Let's run a scene," he said. "You're at an ATM, it's late at night and I come up from behind and try to rob you. You need to convince me to let you keep your money. Okay? Go."

He thought he saw a hint of a smile as Celeste turned and pretended to be using an ATM. Greg walked up slowly behind her and placed his right hand on her right shoulder. Suddenly, she stepped back into him, grabbed his hand and managed to trip and push him at the same time. In a split second, Greg was flat on his back.

Before he realized what she was doing, Celeste had jumped onto him, straddled his stomach, and dropped the full weight of her chest onto his face, smothering him. He reached up and grabbed the sides of her massive chest, pretending to try to disengage himself from her assault while actually smashing his face deeper into her boobs. He could feel the reinforced fabric of her bra through her shirt and wanted to bite it, to tear through it like an animal.

As suddenly as it had happened, the eclipse was gone as Celeste quickly sat up. She straddled Greg's stomach, her giant globes hovering over him. Greg marveled at the strength of her back. She giggled and looked at him with an expression that was neither of shyness nor nervousness. This new expression held only one attribute: power. The power that comes from having an amazingly big pair and knowing you're on top of a guy who wants nothing more than to handle them.

Strip Tease

THE ONLY THING MELISSA LOVES MORE THAN CLOTHES IS TAKING THEM ALL OFF!

We meet a lot of girls who are big on fashion, but none of them are quite like Melissa Mandlikova. This Czech stunner is always looking for new threads and the latest fashions to accent her incredible body. "There are a lot of beautiful ladies out there," Melissa said through an interpreter. "The way I separate myself is with my style. Any sexy blonde can make a man turn his head, but it takes more to make him follow, too."

Sometimes Melissa's desire to be a fashionista can lead to trouble. Not for herself, but others. "I was at a shop recently," she said. "There was a cute guy sitting bored as his girlfriend shopped. I decided to be naughty and a little flirtatious. I grabbed a shirt from a rack close to him and made believe I was looking at it. Then I took off what I was wearing to see if the top would fit. I had a sexy, little, white push-up bra on that made my cleavage look very big. I looked at him and smiled. He was very surprised, but his girlfriend was very angry!"

A blonde woman with long, wavy hair is posing on a couch. She is nude, with her back to the camera, looking over her shoulder. Her hands are placed on her hips. A large, realistic-looking dildo is visible in the foreground, positioned near her feet. The couch has a red and black patterned blanket. The background is a simple, light-colored wall.

We titled this pictorial "Strip Tease." We could've called it "Couch Tomato" because Melissa's on a couch and she's one hot tomato. Kinda corny, right? Hey, give us a break! We took one look at the photo on the next page—in which she's lifting a tit to her mouth and pinching her nipple while she sucks it—and lost our brain functions. "Did that photo make you cum?" Melissa asked when we told her about it. "Yeah," we said. She blushed, but not for long. "I love to make men cum with my photos," she said. With Melissa, that mission is always accomplished!

"Was that an accident?" Greg stammered. Celeste grinned.

"No," she said. "That was a gift." She spoke with confidence. Greg still wasn't sure what to think.

"A gift?" he said.

"Mmm-hmm," she said. "You're obviously into my breasts. I mean, you've spent the last 20 minutes figuring out ways to make 'em bounce all around. I've gotta say, the breathing thing was a new one to me." She smirked. "Very creative."

"A-a new one?"

"Oh, yeah," she said. "you don't walk around with a chest like mine without getting to know all the boob-guy's tricks." She held his eyes with hers. "And that's what you are, isn't it? You're a boob guy?"

She waited for his answer. It was a ridiculous question, but he couldn't lie, and he felt his cock straining as he grumbled, "Yes."

Celeste grinned again, then deftly reached behind herself and began to firmly knead Greg's cock. He gasped involuntarily.

"Oh, yeah, I thought you were pack-in' something down there," she said, her voice a little lower than before. She slid down his body until she was straddling his cock. She slowly began to dry-hump the bulge in his pants, her tits jiggling as she did.

"Mmm," she moaned softly. "That's sexy. I'll bet you want me to take off my shirt, don't you?"

Greg couldn't believe what he was hearing. "Yes...yes, please," he said. She smirked, then crossed her arms and grabbed the bottom of her shirt. She slowly pulled it upwards, revealing the bottoms of her giant breasts clad in a black bra. She continued to free them from their nylon cage, and soon a deep chasm of cleavage revealed itself. Greg moaned as more and more of the bisected breast flesh appeared. Celeste chuckled sexily.

"I'm glad you like what you see," she said as she pulled the T-shirt completely off and tossed it aside. She continued to slowly grind against his cock, which kept getting harder, if that was possible.

"I'll bet you're wondering how big my nipples are," she purred, lightly tracing the circumference of each breast

with her fingertips. "Boob guys always like to imagine how big a girl's nipples are. Do you want to see?" Greg could only nod at this point.

"Well, I have to get this big bra off first," she said. "Do you know how many hooks it has?"

Greg shook his head quickly. Celeste leaned down until the warm weight of her chest pressed lightly against him. He was amazed that she had asked this question. How did she know that boob lover's were into every structural aspect of a stacked chick's bra.

"Six!" she said proudly, and sat up again. "Can you believe that? I had to have my bras specially made with six hooks. The bra makers had never heard of that before. Even five is unusual."

Greg had never heard of six clasps, either. He'd once fucked a girl whose bra had four, but never six, not even five. This chick was record-breaking on top of bra-breaking!

Celeste reached behind herself and began to unhook her bra, emphasizing each release. Her tits acted as if they were relieved to be let loose.

"That's how big—click!—and full—click!—and fat—click!—and heavy—click!—and swollen—click!—and amazing—click!—they are!" With each *click!* her boobs lowered just a little as gravity greedily wrenched control back from the bra. Celeste slowly slid the brassiere off her shoulder and released her breasts completely, revealing staggeringly wide areolae tinted a creamy brownish-pink and easily eight inches across. She couldn't hide the pride on her face. And to a boob guy, there's nothing better than a girl who's proud of her assets.

Greg's mouth watered involuntarily as Celeste's nipples, now finally released, began to race each other to become fully erect. She held the bra out to him, and he took it questioningly.

"Go ahead and look at the tag," she purred. "I know boob guys love to know what a girl's bra size is. I think you'll be pleased."

She was right. Greg found the hand-stitched tag by the huge clasp, and his jaw dropped as he read the heavenly, the unimaginable: 38KK! This girl was in Minka territory. Bigger, even.

"I bet you've never seen anything that big before, huh?" she moaned, grinding harder against him.

"N-no," he grunted.

"Well, you know what?" she said. "I like big things, too." She slid off of Greg

and began unbuckling his belt.

"And if this thing I've been rubbing up against is as big as I think it is, then I'd say we're pretty well matched!"

Greg was glad he had the goods: eight inches long and six around. Sure enough, Celeste groaned with approval as she released it.

"Oh, good, this is going to be fun!" she said, squeezing pre-cum from his cock with her left hand and slicking up the head with her right. She looked at Greg as she got his dick ready.

"I know you wanna put this thing between my tits," she said, now jerking his cock firmly up and down. "Don't you?" Greg grunted an affirmative.

"Let's just smack 'em a little bit first," she said and began slapping his dick against her warm tit-flesh. She wasn't gentle, and the smacking sounds of skin against skin were music to Greg's ears.

Celeste's nipples got even harder and longer, and soon she stood and began pulling off Greg's pants. The sight of her fat knockers hanging and swaying as she bent over him made Greg want to pop his load right then.

"If we're gonna fuck on stage, I'm gonna let you stay on your back," she said. "I don't want to get too dirty. I am a lady, after all. And I want you to see my tits bouncing up and down. I want you to enjoy them."

She smiled, then stood and pulled off her black slacks and panties. Her black pubic hair was trimmed, and her hips and ass were big and firm, the way Greg liked them. He hated chicks who had huge tits and bony asses.

Celeste got down on her knees between his legs and sat with her tits a fraction of an inch from the tip of Greg's straining cock. Greg felt like he was going to shoot his load right then and there and forced himself to think of the flattest-chested girl he knew, just to keep himself from cumming.

"Are you ready to feel these around you?" she teased, jiggling her tits once again, knowing what he wanted. She was experienced at this.

"Oh, my god, yes!" said Greg. He gasped as she gleefully wrapped her tits

around his cock. The pre-cum had made him very slick, and he easily slid between her giant breasts. They were hot, not warm but hot, and she wantonly slammed them into Greg's body. The force of her thrusting combined with the heavy softness of her tits was animalistic. Greg didn't think he'd be able to last much longer when suddenly, Celeste stood up.

"Oh, god, I've gotta fuck you!" she said, then grabbed his cock with her left hand and quickly and firmly lowered herself onto it.

"Whooo!" she gasped as she slid his cock all the way in. Greg felt as though he'd just stuck his cock in a vat of molten sugar. Her pussy couldn't have been hotter or wetter.

Celeste began thrusting forcefully, trying to get all of Greg's cock in and out of her cunt with every thrust. Her eyes were closed and her face was flushed as she pumped him in and out of her.

"Oh, yeah, yeah, yeah!" she moaned with each thrust. "You love my boobs, don't you? My big, fat, giant tits! Tell me you love my big tits! Fuck my pussy with that big dick of yours and tell me how much you love my tits."

"Oh, yeah, your big tits are gonna make me cum!" he said. She sped up her thrusts and smashed her breasts against his face.

"Suck on my fat nipples," she cried. "If you suck on them really hard, it'll make me cum! Do it!" She rode harder, pumping Greg's straining dick in and out of her.

Greg took a breast in each hand, pressed them together so both nipples were touching, and greedily latched onto both nipples at the same time and began sucking and licking like they were his last meal on Earth. Celeste gasped, and Greg felt her pussy clamp down hard on his dick.

"Oh, shit, are you sucking them both? No one has ever done that before! Oh, it feels so fucking good, it's gonna make me cum really, really hard!"

Greg redoubled his efforts and felt his cock getting squeezed even harder as Celeste screamed:

"Oh, yeah! There it is! Oh, fuck, I'm cumming!" She came and came, her nipples expanding inside Greg's mouth while her pussy milked his cock for what seemed like hours.

When she finally caught her breath, she lifted herself off of Greg, letting his

cock reluctantly slip out, and kneeled between his legs again.

"I know this is what you want, baby," she groaned as she engulfed his dick once again in the hot, heavy flesh of her boobs and began thrusting them up and down. The feeling of her giant tits on his dick was magnified by the sight of the monsters bouncing up and down, jiggling and sloshing, all for him, all to make his big dick cum. He could feel himself getting closer and closer to cumming. He didn't want to cum. He wanted to enjoy this forever. But he had no choice. Celeste looked at him intensely.

"Cum between my boobs, baby. I want to feel you cum inside them!" she said, frantically slamming her tits faster and faster onto him.

Greg couldn't last another second. He grunted loudly as his cock exploded into the endless chasm of tit flesh. It was the most powerful orgasm he'd had in his life, and he felt like he came a gallon, although you wouldn't have known it by the way Celeste's cavernous breast acreage consumed his cum. It wasn't until after he'd pulled out of her cleavage that he could see the cum dribbling from the underside of her tits, as if her rack had been supersaturated by cum. As much as he had cum, he still hadn't managed to completely coat her KK-cup tits, but he was definitely enjoying the view of his cum dripping off her nipples and underneath her cleavage.

Celeste jerked his cock slowly up and down, coaxing the last drips of cum from it.

"So, am I in the show?" she purred, a twinkle in her eye. Greg chuckled and could already feel his cock starting to swell again.

"Yeah, sure, whatever part you want," he stammered, not caring if she had any talent. Besides, nobody would complain. Her talents were obvious.

Celeste grinned and began rubbing the tip of Greg's cock into her fat nipples. He felt himself getting hard again.

"You know I can't sing," she said.

"Who cares?" Greg said.

"Or act. In fact, these are all I have. They're my only talent."

"Then you're the most talented girl I've ever seen."

She smiled, jiggled her boobs again, then licked the cum off of one of her nipples. She looked down and saw that Greg was hard again.

"Man," Celeste said. "I love boob guys!"

MADDIE

**YOU WROTE, WE LISTENED
AND NOW HERE SHE IS.
MADDIE THOMAS IS BACK.**

Very rarely do we get the type of response that Maddie Thomas caused after her debut spread in the October '08 issue. "That girl is going to be a superstar," wrote T.C., of Coral Gables, Florida. "She has so many jackable qualities that it's hard to pick the best one. Her round soft tits? Her magnetic eyes? Her cotton-candy-pink pussy? It's hard to say. All I know is that whenever she's in your mag, I'm going to buy an extra copy that month."

It wasn't just one letter, either. After a while, we just lost count. "Every girl you put in *SCORE* is hot," wrote H.F. of Charlotte, North Carolina. "But only some are truly beautiful. Maddie Thomas is just that. She may be the most beautiful girl to make her debut in years." Want to hear more? Okay. "Where did you find her?" asked C.S., of Philadelphia. "Wherever that was, please do two things. Go back to find other girls there, but not until after you tell me where it is so I can find some babe that looks like Maddie. That place might be a pussy goldmine."

Now that the globe has gone ga-ga over Maddie, how does she feel about this newfound attention? "I really can't believe it," she said. "I'm so happy that everyone loved my first spread, and I hope this one doesn't disappoint. I don't think it will, though. I felt more confident this time knowing that so many guys loved my debut, and I think that'll be seen in the pictures." Where does Maddie see her career going? "I'm taking this one step at a time," she said. "This has been so much more fun than I expected, and the reaction has been extremely gratifying. If I get more feedback than from my debut, then I know I am taking the right steps." Maddie, you're not stepping. You're dancing in our sexy dreams.

lovely hooters painted and put on the canvas for some masterpieces of modern art.

Here is what I am suggesting: A special video series called Fantasy SCORE. Fans send in (and read) the ideas in the letters column and vote for the Fantasy SCORE video they'd like to see get made. SCORE gets to see what type of predetermined market a particular video will have. I believe a fan who votes to see a video made will definitely purchase that video after it is produced. Based on the readers' responses, SCORE will determine the viability of making the video and any fan who sells an idea into production will receive a one-time developer's fee of \$5,000.

With this Fantasy SCORE video I have just described, fans will vote, and one lucky fan will be chosen to have the luckiest hands in the universe! One fan will get to fill his hands full of some of the biggest boobs on the planet and get them nicely oiled up for the cameras. -S.R., via email

WE'RE GONNA MAKE HIS LIST CHANGE A FEW MORE TIMES

Dear SCORE,

I have been a SCORE reader for many years. I started keeping a list of my 10 favorite pairs of tits, and it was fun to see how new models' racks moved up

and down (on the list, I mean), how new girls replaced the more familiar ones and how models who had been deleted from the list came back on it when you published new and exciting layouts.

After a couple of years, it became obvious that a top 10 list wasn't enough,

and I had to expand it to a top 15 and later to a top 20. Thank you for that, by the way. I recently got a big surprise when one model's boobs jumped all the way from 17th place to second place on the strength of her latest layout. No girl had ever done that, but Daphne Rosen did it in the January '09 issue. Needless to say, I wasn't prepared for Daphne's jump when I opened the magazine. I was caught off guard and almost shot a load in my pants.

Please convey my compliments to Daphne, as well as my apology for not fully appreciating how wonderful her tits are from her previous layouts. I'm happy to say that I keep many of your best past issues and have been able to go back and do justice to Daphne's pair in her previous appearances.—R.N., Paramus, New Jersey

GIRLS WHO SMOKE CIGARETTES: ARE THEY SMOKIN' IN BED?

Dear *SCORE*,

I couldn't care less if a chick has a cigarette dangling from her lips as long as she's a mega-boobed hottie (and, being in *SCORE*, she already fits that criteria, doesn't she?).

What I really can't get my head around is how some guys are so vehemently opposed to it, to the point of pointing out the health risks. So what? To me, smoking indicates a rebellious attitude, and therein lies its allure. There's just something about a girl smoking that suggests she's going to be smoking hot in bed. I've never smoked, but my wife did in the early days of our relationship. She used to blow me while smoking at the same time. It was unbelievably erotic, but it didn't lead to me having a cigarette fetish.

I really don't know how this subject has escalated in *SCORE*. It's not as if you're constantly running pics of girls puffing away. I've been reading *SCORE* since 1997, and in all that time, I bet I've seen maybe a half-dozen girls smoking.

Speaking of 1997, I've recently been re-reading some of my old issues (I now own issues from as far back as 1994) and cannot believe the tameness of some of the boy/girl layouts you ran back then. It's almost comical. Fast forward to the January '09 issue and there's Africa unflinchingly and unapologetically taking schlong up her bunghole. Where did it all go right? If it isn't already, I confidently predict hardcore will soon be in the mainstream. Thanks to the

Internet, no one bats an eyelid at hard-core any more. I'll know the day has finally come when you can rent porn at Blockbuster. I bet you can already.—K.S., United Kingdom

Dear K.S.: Unfortunately, that's a bet you'd lose. To the best of our knowledge, Blockbuster Video still doesn't have an adult section (and probably never will).

READER WITH BUSTY CLASSMATE WANTS TO GET HER INTO SCORE

Dear SCORE,

From time to time, I have seen letters from readers who know a girl who they say would be perfect for you. Your response usually is that if the guy is not sure the woman would want to be a nude model, he should be very careful if and when he suggests it.

Now I find myself in a similar situation. I'm in my third year of medical school, and I have a female classmate who I think could be your Model of the Year. I would not be afraid to compare her to any model you have ever had, and that includes Nicole Peters, Karina Hart or anyone you want to name. She really is that hot. She has a perfect rack. I can only guess, but she has to be at least an E-cup. I've had some girlfriends with big tits that were DD, and I know she's bigger than that. She also has a very pretty face, a nice smile and everything else that a good model needs.

We work close together on lab projects and study with each other often. I know money is tight for her, so she could use the extra cash she could make from modeling. I just don't know how to bring up the subject without pissing her off and jeopardizing our friendship and the possibility of an even closer relationship. Please, if you have any words of wisdom of how to best approach this situation, I would greatly appreciate it.

If this does work out the way I hope it will, you'll get a fantastic new model, she'll have a part-time career that will help her finish paying for medical school and I may hopefully end up with her gratitude and a tighter bond with her.—J.H., via email

Dear J.H.: As we've said in the past, this is a subject that needs to be handled gently. It sounds like you are friendly with this young lady but not yet close friends. That can be good or bad. If you barely knew her, you would have a lot less to lose if she was offended by your suggestion that she should model. On the other hand, since you know

each other, she may trust your judgment, take it as a compliment and her curiosity could be ignited.

The best approach is to take things very slowly, especially if you are interested in hooking up with her on a personal level and you are both in the same class. You don't want to be the subject of a complaint if she takes things the wrong way. Obviously, since she is attending medical school, she has well-defined life goals and is a hard worker and an achiever.

First, try to find out how she feels about nudity and adult magazines and videos. Find out her background. Find out what she thinks about models, modeling and posing for nude pictures. Set it up by saying you read an article that said adult modeling is good for society. That way, you're not tipping your hand on whether or not you like it; you're just making conversation and can learn a lot from her reaction. Go to a movie together or rent a movie that has some kind of sexy modeling theme to it and use that experience to hypothetically ask what she thinks about modeling herself. Or go to a bookstore, drift over to the erotica section and see how she reacts. If she goes on a 10-minute tirade against erotic material, you'll know not to pursue it any further. If she's more accepting, even slightly excited about the subject, probe a little deeper.

Take this process so slow that you don't do it all in one session but spread it out through several interactions with her. If she takes all of this well, find a way to have her log on to BeAScoreModel.com. If what she sees there doesn't convince her, there's no hope. When you want to get a girl to do something, there are two kinds of girls: those that need convincing and those that need persuading. Good luck if you intend to pursue her, and keep in touch.

Dear SCORE,

I am what the young people would call old-school. I prefer looking at your printed magazines instead of looking at computer porn. I have a computer and I use the Internet daily, but I mostly know just the basics, like how to send emails and simple things like that.

I doubt if my opinion will ever completely change, but I recently decided to take the plunge and sign up for a membership on Scoreland.com. Shit, what a fantastic deal that is! I never realized that your website has so many photos and videos included all in the monthly price. I have had it a couple of weeks

now, and I am thoroughly enjoying going through all the older stuff, especially the hardcore videos. I have also enjoyed your TV program, *SCOREtv*, on the website.

I doubt if I will ever give up magazines completely and go strictly online to find my favorite adult material, but if I ever do, it will definitely be with *Scoreland*.—W.S., via email

Dear W.S.: We're glad to hear that you've joined the rapidly increasing group of *SCORE Men* who have discovered that a subscription to *Scoreland* is the perfect supplement to their monthly reading of the magazine. There's always a lot going on at *Scoreland*, including more hardcore, plenty of high-speed videos and exclusive pictorials that will never be seen in the magazine. Think of it as *SCORE Daily*.

BUDDY, WE'D ALL LOVE THAT DREAM DATE WITH KARINA!

Dear *SCORE*,

The February '09 issue was outstanding, but better yet was the 2009 Calendar insert. The opening shot of Karina Hart in the brown V-neck sweater had me hard immediately.

I actually met a pretty girl in a supermarket a couple of winters ago. She was wearing a big winter jacket (so I wasn't really able to get a look at her tits, but the bulge up top made me think there was something to get excited about). We hit it off and I asked her out. Imagine, fellow readers, when she showed up for our first date; she was wearing a tight-ass red V-neck sweater and had a rack like Karina's. She told me later she thought I was a boob-man.

I wasn't able to plow her and her titties until our fourth date, but it was well worth the wait. Oh, and by the way, I'm available, so Karina, if you'd like to go out sometime, get in touch. And if it wouldn't be too much trouble, could you wear that sweater on our first date?—T.N. via email

AN ISSUE FILLED WITH XXX?

Dear *SCORE*,

I know some of your readers might object to this suggestion, but I'd be willing to bet that 90% of your readers will love it: an entire issue with nothing but our favorite big-titted girls fucking and sucking. No solo pictorials, no dildos, just all hardcore.

That glamour modeling is a thing of the past. Hardcore is where it's at.—L.W., Seaford, New York

ANIK A

ANIKA IS ONE GIRL WHO'S VERY SERIOUS ABOUT GOING FROM THE BEDROOM TO THE BOARDROOM.

If her business makes it big, she'll have us to thank. Her name is Anika Anderson, she has some of the best nipples we've ever seen and she's an entrepreneur. She has an idea she thinks will make it big, but she needed some start-up cash. That's where a friend's suggestion and *SCORE* came in. "I'm going to start my new company," she said. "Posing is easier than dealing with a bank...and a lot more fun!"

Starting businesses from the ground up isn't new for Anika. Taking off her clothes for a magazine is. "I never would've thought of this," she said. "But I was telling my friend that I have this great idea but no cash. She said, 'Why don't you pose for a magazine? You have the tits and ass for it, and you're gorgeous.' I decided to do it. So, soon you'll see my new business open. I know it's going to work, and I'll thank everyone who bought this magazine!" Anika, there are many ways for you to show your appreciation.

GIDDY UP AND RIDE THESE BIG-TITTED GIRLS UNTIL THEY'RE SADDLE SORE!

CHRISTY MARKS AND TERRY NOVA RIDE EVERY COCK THEY FIND AT BUSTY RIDING ACADEMY. THEY'RE "A" STUDENTS.

In the super-hot DVD *Busty Riding Academy* (available on page 89 of the main mag), 2007 Newcomer of the Year Christy Marks and super-slung natural Terry Nova are just two big-titted girls who get their kicks, but not by learning how to become skilled equestrians. Instead, they sharpen their suck-and-fuck skills in an outdoor four-way. They're hanging around the barn when they decide to fuck the stable boy.

Christy Marks

Terry Nova

Talk about good girls gone bad! Horny students Terry Nova and Christy Marks are taking turns sucking off the stable boy when they're confronted by the school master, who threatens to report both naughty girls to their parents. The girls can't have that. In return for mercy from the stern instructor, Christy offers to suck him off, too. Unable to resist having his manmeat plunge deep into the throat of this young big-breasted beauty, the master accepts the bargain. Soon, both Terry and Christy are taking turns slurping each available cock in the stable before spreading their legs for a pair of hellacious pussy poundings. The girls went to the Academy to learn how to ride horses, but in the end, they're the ones being ridden until they're sore.

CARMEN HAYES

**GETS MORE GAME
BALLS THAN ANY GIRL**

***WHEN IT COMES TO HANDLING BIG BALLS,
CARMEN HAYES IS A Hardcore ALL-STAR.***

We always knew that the lovely Carmen Hayes was the playful type, but we weren't aware just how playful. "I love playing with my titties and my pussy," she said. "But I really prefer playing with a man's package. That's the most fun, feeling his cock and balls in my hands. I know how to work them, and when I look up and see a man moaning as I caress and fondle his boys, it is a tremendous turn-on."

Carmen's well on her way to becoming a Hardcore Hall of Famer, and some of her newest hits can be seen online at TitsandTugs.com, BigTitHooker.com and BigBoobsPOV.com. She also put in a performance in the DVD *Busty Hookers* (available on page 89) that would put Wilt Chamberlain to shame. "While I love my past scenes," Carmen said, "I really do believe that my best on-camera action is yet to come. I don't think I've reached my pinnacle yet." Spoken like a true pro.

SHARON PINK

**MAKING ALL HER
DREAMS CUM TRUE**

**SHARON SHOWS HER PINK IN A BIG WAY AS THE BUSTY
CZECH BEAUTY FINALLY TAKES IT IN HER FIRST Hardcore.**

When we first met Sharon Pink in the March '09 issue, she matter-of-factly told us, "I want to be a big porn star." Now we know that Sharon isn't the type to rest on her ass, no matter how sweet that backside may be. "This is only the first step," Sharon said of her XXX debut. "I told you what I want, and if I have to suck and fuck every cock between here and Prague to make it happen, then so be it."

Some people are born into greatness while others have it thrust upon them. Sharon will become great by having many cocks thrust into her delicious pussy. "I love to fuck," she said. "There's no better feeling than having a throbbing dick inside of me, unless it's having two. I love taking a cock in my pussy and my mouth at once, and I especially love having one in my tight ass, too." Does this mean that soon we'll see Ms. Pink go brown and get her backdoor violated? "I'm still thinking about that," she admitted. "While I do love getting ass-fucked, I want to leave my fans wanting something more. So for now, I'll only give up my ass when the cameras are off. But if the demand from my fans becomes too great, then I'll have to reconsider." Guys, can you help us out?

SCORE

MAY 2009 SHARON PINK

Now that Sharon has her future planned, we asked what would be her idea of the perfect scene. "It would have to involve two men and another woman," she said. "That would be the best. I could get fucked while having a dick in my mouth or lapping a pussy. Or, I could get face fucked while the woman goes down and nibbles on my clit. Maybe I could climb up on top of the guy and ride him cowgirl style. Meanwhile, she can sit on his face and have her honeybox tickled by his tongue as her and I kiss. Or we can be on all fours facing each other, making out while the guys are doing us doggie style. And it would definitely have to be in public because I love doing it in public places." On top of her other talents, it seems that Sharon has a wonderful imagination, too.

CHAVON TAYLOR

**SHE SUCKS HARD
FOR THE MONEY**

***TIMES ARE TOUGH. MONEY IS HARD TO GET. UNLESS
YOU'RE A BIG-TITTED HOOKER LIKE CHAVON TAYLOR!***

We're all feeling the economic pinch these days. Even Chavon Taylor, who is feeling it in ways different from the rest of us. "I'm just being honest," said Chavon. "I'm doing more and more hardcore because I need the money. It's not like I don't like sex. I don't *like* it. I fucking *love* it. But to get paid and to get fucked? These days? Tell me you wouldn't if you had a pair of tits and an ass like mine, especially if you're the kind of person who thinks about sex all day."

Chavon enjoys appearing on BigTitHooker.com but for a different reason than you'd think. "I've always admired certain ladies of the night," she said. "Heidi Fleiss, Sunset Thomas, Sydney Biddle Barrows, women like them. They're so sexual, and they used the energy harnessed between their legs to gain fame and fortune. People wanted to fuck them so badly that they were willing to spend their last dollar to have it. Getting to act as one was exciting for me." Anyone got a few bucks to spare?

HOT PORN STORE CASHIER GETS CHECKED OUT

WHAT'S BETTER THAN BUYING SCORE? SCORING!

It's happened to many of us. Went to our local adult book store to pick up a copy of *SCORE* and started fantasizing about the cute checkout girl at the register. Harmony Bliss knows that feeling. "I've been in a lot of magazine shops," she said. "Many of the girls who work there are cute. Hell, I'd want to fuck them! I can only imagine what it's like for a guy to pick up *SCORE*, get horny looking at the pictures and then see a hot, busty babe sitting at the counter. I mean, you're already hard, right?"

Harmony knew this scene would turn out to be a hot one when we first proposed it to her. "I love this idea for my first ever hardcore scene with *SCORE*," she said. "I think that there's a certain secret sexuality to girls who work in bookstores. They come across as kind of meek and shy, but deep down, there's a burning desire to suck and fuck in the book racks. They keep it all bottled up, but they're waiting to rip their clothes off and explode. As for me, I don't think I could play the meek part very well. I would just want to have a dick sliding against my tongue or inside my snatch. As soon as I was done with one customer, I'd start looking for the next. I probably wouldn't last long at a bookstore!" Neither will *SCORE* mags with your pictorials featured in them, Harmony.
