THE APRIL ISSUE: FILLED WITH BIG TITS AND BIG SURPRISES

Dear SCORE,

The April '09 issue contained at least three great surprises:

1. Minka got me rock-hard in her tennis outfit without showing her magnificent tits.
2. You had five hot girls in your XXX section rather than the usual two.
3. A newcomer, Sarah Sunshine, making her SCORE debut in the Xtra section is equally cock-stiffening, perhaps even more so, than the four more-experienced porn stars who fuck and suck in the same section. She's a keeper. I'd like more girls to make their debuts in that section. Then readers could write in that they can't wait to see the same girls in

How does Minka play tennis with such huge tits? Great balance.

solo spreads.—C.J., Philadelphia, Pennsylvania

MINKA: THE BIG-TIT MODEL BY WHICH ALL OTHERS ARE JUDGED

Dear SCORE,

After enjoying Minka's pictorial in the previous issue, lo and behold, my favorite big-titted lady appeared again in the April '09 issue. As someone said in "Scorecard," one cannot get enough of Minka.

As a SCORE reader from the beginning, I use Minka as the baseline for comparison of big tits, body and pussy. Just thinking about this lady as I write is enough to work up a gigantic boner that will need relief very soon.

Most of my choices won the "20 Greatest Naturals Showdown," but there were some surprises. Guys just

didn't have the chance to experience any of the earlier naturals, so they can only compare recent girls.

Student Westy definitely has my nomination for 2009 Newcomer of the Year. Tits! Blonde! Blue eyes! Smile! Willingness to spread in her debut! Great discovery, SCORE.—Monty, Chicago, Illinois

HOW THE HELL DOES MINKA PLAY TENNIS WITH THAT RACK?

Dear SCORE,

Minka, Minka, Minka! I've been jacking off to her pictures since I was 18, and now I'm 34 and still beating off to her.

Her cover on the March '09 issue and the pictures of her playing tennis in April '09 make me so horny! How in the hell does she play tennis with those huge tits? I'd love to watch her play tennis, and she could watch me jack off. It would be cool to put my meat between her sweaty tits and shoot a load all over those sexy tits.—C.C., Greensboro, North Carolina

IF HULK HOGAN KNEW BEST, HE WOULD'VE KEPT HIS BUSTY WIFE

Dear SCORE,

I have so many favorite models, but one thing I love about SCORE is Dun-

The first time we saw Sarah Sunshine, she was fucking!

Is Westy our 2009 Newcomer of the Year?

can Gutteridge. This man is an incredible artist who takes it to another level of huge boobs.

He draws the perfect boobs. They look real. Too bad all women don't have breasts like that. I just got the March '09 issue. Minka is on my list of faves, and when I saw Duncan's new drawing of Hulk Hogan's wife and daughter, I was blown away. They look awesome. This is his best I've seen. Then I had a vision of *SCORE* and Duncan putting together a four-or-five-page pictorial of these two blondes. I'm sure it's never been done, but I can see Duncan drawing them larger and giving them bras and nylons, etc.

P.S.: I'd like to know where the hell is Chelsea Charms. It's been way too long since we've seen new pictures of her boobs, or even a DVD.-S.Y., British Columbia, Canada

Dear S.Y.: Unfortunately, Chelsea steadfastly refuses to pose for any magazines or do any videos. We've tried to change her mind, but she won't budge.

Jasmine Black stole the show with her anal three-way in *Busty Riding Academy*.

again with a very fun, exciting and entertaining video. I enjoyed all of the scenes, as well as the extras and out-takes. It was excellent.

I'm glad to see that Kristy Klenot jumped straight into doing tits 'n' tugs

Melissa and Kristy

and that Karina Hart moved one step closer to hardcore with her tits 'n' tugs scene. Melissa Mandlikova looked great in her TnT scene, too. However, she has been debating doing hardcore since her debut. Is there any particular

reason she is reluctant to take the hardcore plunge? *[Editor's note: None that we know of. As you might understand, fucking in front of the camera camera is a very big step for many girls.]*

It may be my imagination, but I could swear Terry Nova's boobs are much bigger now than when she debuted. She looks great! And, of course, Model of the Year Christy Marks never fails to impress.

I enjoyed all of the models in the video, but the star of the show was Jasmine Black. When Jasmine debuted in the January '09 issue, I was blown away by her beauty. I couldn't wait to see her fuck. She has a gorgeous face, killer body and an awesome pair of boobs. So sultry and exotic, she looks so sweet yet so very satisfyingly nasty in her hardcore scenes. You have found another beautiful lady who is destined for stardom.—D.S., Jacksonville, Texas

Christy Marks (left) and Terry Nova drain cocks in *Busty Riding Academy*.

SORRY TO BRING YOU THE BAD NEWS, BUT LINSEY HAS RETIRED

Dear SCORE,

Has Linsey Dawn McKenzie officially retired from modeling or is she undecided? It's been a heck of a long time since any new photos of her appeared in *SCORE*, yet you have never made any announcement about her retiring. If she has, you'd think that

LDM was recently inducted into the Big-Boob Hall of Fame.

would be a newsworthy event.

Just a couple of comments about the March '09 issue. Angelina Castro...wow! What a body! Hope there's cock-chomping goodness heading our way from her in the near future. And Minka...what can you say about Minka that hasn't already been said? Well, here's something... I wish she was a little fuller in the hips. Don't get

Angelina debuted in March '09 and came back to fuck in July.

SORE-DICKED BUT HAPPY: ONE MAN'S BIG-TIT FILM FESTIVAL

Dear SCORE,

I went nuts and ordered six DVDs from eBoobStore.com. The order arrived (to Australia) in about eight days, which was pretty impressive in itself. First impressions after three days of mad wanking as I tried to skim through the hours of boob mayhem, making my dick sore:

► **Rack Riders.** The cast (Brandy Talore, Jolie Rain, Whitney Stevens, Cassandra Calogera, Jasmine Black and Terry Nova) is fantastic, but Terry deserves special mention. She has such a

tall, imposing, shapely figure, and we get to see her stupendous boobs in P.O.V. while I play with those torpedoes. Also deserving special mention is Jolie, revealing her fantastic tits

complete with fantastic nipple rings. The way she plays with those rings and the fun I have while also fondling her tits is amazing.

► **Big Fat Tits.** Again, the cast (Angela White, Victoria Lane, Janet Jade, Anna Carlene, Dallas Dixon, Haydee Rodriguez, Alanna Ackerman and Terry Nova) is fantastic. I chose this on the cast alone for their full, shapely figures. The hips, thighs and arses on all are the things of wet dreams, especially Anna, Janet and Victoria. Dallas' outfit was a bit tacky, but she soon dispensed of it, so no loss. Terry's use of that peek-a-boob spencer (that's UK slang for a female undergarment) is a must-see scene. One comment, though: The

women in this DVD are perhaps some of the most beautiful in the world. Couldn't you have put a bit more effort into the title? Imagine someone like Victoria in years to come revealing to a new lover, "Yes, I've been in nude modeling movies." "Get out of here! What was it called?" "Big Fat Tits." "Oh." A bit of a letdown, don't you think?

► **Paola Rios Chesty Chica.** This one is a little disappointing. The picture quality is a little poor (you were probably trying to give it that home-movie look), and Paola is very reserved. Nevertheless, we get a good look at her beautiful body as she chats away while naked to semi-naked.

► **Tits for the Taking.** The cast is fantastic. Deborah Blue and Melissa Mandlikova are, unfortunately, a little coy in that they do not show very much pussy. Emily Cartwright, Vida Sadora, Mellie D. and Jane Blow are great, though the picture quality for Mellie is a little poor. Normally I don't bother with the sound, but Natalie Fiore talking us through her horny state is wankable in its own right.

ring. But her tit play is out of this world and makes up for any other complaints.

► **Hooter Hotel.** This is one serious boob movie. The Katarina and Dominno lezzie maid scene is truly erotic. Melissa's tits and pussy show is mindboggling. Karina Hart's room service is something to be seen. One of the best masturbation scenes ever. The tit massage from Kristy was also a surprise. Mandy Pearl's tits are great, but we don't see her pussy.—S.B. via email

me wrong. Her tits are truly monumental and that centerfold is to die for, but her bottom half has always been her weakness. But, hey, this ain't V-Mag. It's all about the tits in **SCORE**, right? And, boy, would I like to smother Minka's with my love-lava. I'm assuming you've got her lined up for a future *Tits & Tugs*. If not, I have only one question: Are you guys insane?

—K.S., United Kingdom, via email

Dear K.S.: Regrettably, Linsey has retired from big-boob modeling, which we announced when we made her a candidate for the Big-Boob Hall of Fame. Linsey was voted in by the readers, and a tribute to perhaps the greatest natural ever appeared in the June '09 issue. If you missed it, you can order a copy on page 11.

Angelina Castro fucks in the July '09 issue. Minka fucks in the upcoming DVD Big-Tit A-List. See the September '09 issue for release information. No tit 'n' tugs planned for Minka. She does that, anyway, in her hardcore videos, and besides, she prefers to go all the way.

WATCHING MORGAN LEIGH WATCHING SUMMER: HOT!

Dear **SCORE**,

All I can say is wow! I know Morgan Leigh won't do boy-girl, but her spread with Summer Sinn and a generous male volunteer (Jan. '09) was as hot as it can get for her stance. If she chooses to do a similar shoot in the future,

KARINA HART

As You Wish

**Karina at her most personal
and most intimate!**

GOOD MORNING, KARINA!

In the 2008 Newcomer of the Year's new DVD, Karina lets us get to know her like never before. She answers your personal requests in eight scenes that have an intimate, you-are-there feel. Filmed in St. Martin, the DVD opens with a voyeur's look at Karina's morning routine.

BUSTING OUT!

We all want to see Karina naked, and we get plenty of that in *As You Wish*. But as you've let us (and Karina) know, there are few things you love more than big tits busting out of bras and stretching tight clothes, so Karina puts on a fashion show just for you. The highlight of this scene: watching Karina jiggle her way *into* her bras.

SHE'S NOT JUST TITS!

Yeah, those tits are something special, but there's more to Karina than a great rack. She has a spectacular ass, too! If you haven't noticed, Karina's measurements are 40-28-40, and that 40 on the back end is nearly as impressive as the 40 on the front side. Karina gets nasty, sticking her fleshy and luscious butthole right in your face!

OIL & BOOBS *DO MIX!*

Actually, few things mix better than a big pair of tits and lots of tanning oil. And since it was hot and sunny in St. Martin, Karina made very good use of her tanning oil, saturating her body with it. By the way, for you swimsuit lovers, Karina opens the scene wearing the same monokini she's busting out of in this issue's swimsuit special.

SWEATIN' TO THE TITTIES!

Karina laughed when we showed her letters from guys who wanted to see her working out. "Why?" she said. "Isn't it boring to watch a person exercise?" Not when that person has big, natural tits that bounce all over the place when she's exercising. Not when Karina's exercise routine includes lots of bending over and tit play!

WHAT'S YOUR FANTASY?

We're not even close to Halloween, but that doesn't mean we couldn't ask Karina to dress up in fantasy costumes picked out by her fans. Sure, the beach is an unusual place for a costume show, but when the girl trying on the costumes looks like Karina, who cares? In this scene, a very playful Karina becomes your fantasy cheerleader, football player, police officer and more. You'll agree that Karina as a cop is a very *arresting* image!

FUCKIN' KARINA

We saw Karina giving a lucky guy a tug job and tit-fuck in *Busty Riding Academy*, but we've never seen her sucking a cock and fucking it. "I don't think I'm ready to do that in front of the camera," Karina told us (yeah, we asked), but she was willing to let our photographer strap one on and fuck her every which way with a big, fake, black cock. Gentlemen, this isn't the real thing, but as you can tell from the pictures on this spread, it's damn close... believably close. "When I looked down, I saw this big, black cock fucking me, and it looked so real," Karina said. "And when I closed my eyes, I felt like I was getting fucked." This is undoubtedly the hottest scene Karina has ever filmed. And it's only in *Karina Hart As You Wish*.

WANTED: MORE BUSTY BABES FROM AROUND THE WORLD

Dear SCORE,

There are so many models from Hungary, the Czech Republic and Poland. Every issue, there is another one or two from these countries. Not that I have anything against the women or the countries. On occasion, we will see one from Germany or Britain. Don't the editors and everyone else at SCORE realize there are other nations in the world? Doesn't anyone travel to other nations to search for models? I'd like to see models from other countries in Europe, Africa or Asia. I believe more diversity is needed. SCORE should represent the big-titted women of the world, not just a few countries.—R.C., via email

REMEMBERING THE GLORY DAYS OF GUYS' SQUINCHED-UP FACES

Dear SCORE,

I would like to see more threesomes with one guy and two girls, not two guys and one girl. They should be shot P.O.V. I love XXX, and P.O.V helps me jack better. Directors used to cut to the guy's face when he came, and I hated that crap. It ruined my jack experience.

I don't care about stories. I fast forward, anyway. Keep it real. Hell, if I had the money, I'd do it myself!—K.M., via email

SCORETV SHOULD HAVE BEEN NOMINATED FOR AN EMMY

Dear SCORE,

I really enjoyed watching SCOREtv Season 1 on DVD. My favorite is Episode Two with an interview with Crystal Gunns. She wore a light green, tight mini-dress, and, as usual, she looked sexy and gorgeous. I'm really glad that I

Puma's Mid-Air Blow Job

The Federal Aviation Administration has launched an investigation of helicopter pilot David Martz, 53, of California. Martz was allegedly caught on tape getting a blow job from SCORE Girl Puma Swede...while in the air and at the controls.

Gossipmongers TMZ obtained a videotape of the action, shot in 2007. In the video, Puma helps him lower his pants so she can lean over and suck his joystick. So that's why it's called a cockpit. Most of the copies circulating on the Internet cut out the action. Puma, who has a terrific, off-the-wall sense of humor, said the pilot was nervous but she wasn't.

Martz has flown such celebrities as

rocker Tommy Lee. The FAA initially took no action against him, finding no proof that the Puma video was taken in the air. An anonymous email led them to check out Puma's high-air hijinks further.

"I think this is a case where we probably should have taken a closer look at this when we first received that information, and we are now taking that closer look," FAA spokesman Ian Gregor said.

There's not much the FAA can do to our friend Puma, who could have a great career as an airline stewardess if she wanted one. Puma has recently done a lot of sexin' online at BigTitHooker.com, Scoreland.com and BigBoobsPOV.com. Watch her fuck and suck tonight!

The Absolute Worst Pick-Up Lines Ever Told To **SCORE** Girls

Every tit-man dreams of picking up and taking home a **SCORE** magazine centerfold, and some of them will say anything to do it. Janet Meets Christy!

Sometimes the stars cross paths when they're at **SCORE**. This happened recently, and it was a major event because the girls were Janet Jade and Christy Marks. Christy grabbed her video camera so she could film and interview Janet. A girl who appreciates a big pair of succulent tits almost as much as we do, Christy asked Janet what she likes to do in her spare time.

"I like to watch TV and movies, and I like to go bowling," Janet said.

We'd love to watch Janet bowl. Maybe one day we can make it happen. Janet also told Christy that she likes to eat fatty foods, and Christy replied that it must all go to Janet's boobs. Christy also rightly observed that Janet has a beautiful ass. "Baby got back," Christy said.

Christy and Janet's video interview is posted on ChristyMarks.com. Christy couldn't end the video without leaning back on a couch, opening her legs and asking Janet for a dance, just like the super-horny young lady she is! And in another video, they give a dude a hand-jerk he'll never forget. Now that's a must-see event!

Janet Jade and Christy Marks met at a top-secret location.

The Health Benefits of Boob Massages

According to proponents of the practice, doing breast massage regularly helps women have firmer, bigger breasts. The other health benefits include:

- Improved skin tone.
- Brings nutrients to the breast tissues.
- Increases relaxation.
- Increases energy balance.
- Flushes out toxins from the breasts via the lymphatic system.
- Decreases the symptoms of PMS, menopause and menstrual cramps.
- Diminishes benign breast cysts.
- Stimulates the glandular system.
- Flushes the lymph nodes of toxins.

Now you know what to say to convince girls to let you massage their boobs. Good luck.

Crystal enjoys a healing massage.

How to stuff a monokini

**THIS ISSUE OF SCORE IS
PACKED WITH SWIM-
SUITS. THIS SWIMSUIT IS
PACKED WITH MORGAN.**

Every year, the arrival of *Sports Illustrated's* swimsuit issue is a big event. People go ga-ga over the girls, the bikinis, the photography. Meanwhile, *SCORE* Men yawn. They know that there isn't going to be a decent pair of tits in the issue and that none—absolutely *zero*—of those swimsuits are gonna come off. No tits, no pussy, nothing to jack to. So they patiently sit and wait, knowing that the August issue of *SCORE* isn't far off and that before long, chicks like Morgan Leigh are going to show the world what a real swimsuit issue is all about. Fact: Morgan alone has more tit than all of those *SI* girls combined.

Morgan was born in Scotland, but now she's a Florida girl, and she likes to take advantage of the hot weather by wearing as little as possible, especially during the summer. "I tend to wear little, very short shorts and tiny tank tops," she said. "I've been seen out in little bikini bottoms and a tank top or whatever. Something just little. Something so that I can catch the sun. And I always wear bikinis to the beach, and my bikinis are really not the right size for me, and they quite often fall off. That's quite a scene, too! I scare people to death! They're either scared or embarrassed. They're like, 'Look at that woman! Look at her boobs!'" Yeah. Look!

On the first two pages of this pictorial, we got to see Morgan in her little monokini. On the final six pages of this pictorial, we get to see Morgan's naked tits and ass and her tight, pink pussy. In other words, the first two pages of this pictorial are what the entire *Sports Illustrated* swimsuit issue is like (but with flat-chested models). The rest of this pictorial is comprised of what you really want in a swimsuit issue. Because what's the sense of wrapping a package like Morgan if you never get to see her unwrapped?

"My world revolves around my tits!"

INTERVIEW BY ELLIOT JAMES

"Small-town girl, big-time tits!" read the headline that went with Angel Gee's cover photo in the April '09 issue. Truer words had never been spoken. Angel is from the tiny town of Littleton, New Hampshire (population 5,845), and her tits are F-cups. It's a rack that's going to make her a big-time star in SCORE. Which is exactly what she wants to be. Some girls get into modeling for the money. But Angel loves to be the center of attention. And she always is.

SCORE: Hi, Angel. Welcome back to SCORE. How did you originally find out about us?

ANGEL: I heard about SCORE a long time ago from a photographer I knew. He tried to get me into the magazine, but I guess my boobs weren't big enough, so then I got bigger and I found SCORE again on Craigslist. I used to work in an adult store, so I'd seen SCORE around, and I loved how the girls looked.

SCORE: You're really into big boobs.

ANGEL: Yeah!

SCORE: And you're five-feet tall.

ANGEL: Yes. I'm little! In some spots.

[Laughs]

SCORE: How did you enjoy your first modeling experience at SCORE?

ANGEL: I absolutely loved it. The people in the studio are fabulous and make you feel right at home. They treat you like a princess and make you feel comfortable. Anything you need, they get it. At first I was really nervous, and once I got there, I absolutely loved them all. I didn't want to leave.

SCORE: Was that the first time you'd done a magazine pictorial?

ANGEL: Yes, and I was very nervous.

SCORE: Had you ever made videos?

ANGEL: Never! I'd done live fantasy shows but never on video. The one that's on Scoreland right now was my first. I'm a very sexual girl so I like to bring it out, and it shows on film.

SCORE: It's a great video. When did you get your nipples pierced?

ANGEL: Over a year ago.

SCORE: Why?

ANGEL: One of my friends had had them done, and she had really good experiences with it, and they look good so I figured I'd try it out. And I love the outcome.

SCORE: Do you always keep them in?

ANGEL: All the time!

SCORE: Do your piercings keep your nipples hard?

ANGEL: They're pretty much hard all

the time anyway. They just don't really get soft. [Laughs] But the rings really bring them out.

SCORE: You also have a ring through your clit hood. When did you get that?

ANGEL: About two years ago.

SCORE: What does that do for you?

ANGEL: That's the best thing ever without having sex! [Laughs] If you pull on it, my clit is very sensitive and

that feels good, and I've got something hanging there all the time, so that's really good! And the ball on it is nice when it's played with and licked.

SCORE: Let's talk about your boobs: Do you like them sucked hard or soft?

ANGEL: Soft at first then I like it hard.

SCORE: Do you like a guy to spend a lot of time on them?

ANGEL: I do! I like to watch a guy

play with them and watch him while they're in his mouth. That's hot.

SCORE: So do you have any rituals to take care of your boobs?

ANGEL: I put lotion on them at least three times a day. I put it all over my body, but I pay a little more attention to my boobs 'cause I like to show them more. They're on display a lot more than the rest of me.

SCORE: During the spring and summer, do you like to sunbathe?

ANGEL: I love it! And I love tan lines.

SCORE: Do you wear a bikini when you sunbathe?

ANGEL: Yeah. Unless I go to a tanning salon. Then I wear nothing or a thong.

SCORE: Let's talk about bras. What's your favorite brand?

ANGEL: I like Victoria's Secret. They have really nice bras, even though they don't fit me too well. I get a size smaller so it pushes my breasts up. It might not fit right but it looks better! It brings them up and out. Brings them to the center of attention. I like that.

SCORE: Do you ever get custom-made

bras or do you buy them off the rack?

ANGEL: I buy them off the rack. I've tried to be fitted at Victoria's Secret but they don't have my size. And all the bras that were my size, not in Victoria's Secret, weren't sexy looking, so I figured I'd just get the smaller size down.

SCORE: Is there any style of bra you go for?

ANGEL: I like the push-up bras. Even

though my tits are out there already, I like them to be more out there. And pink is my favorite color. I like baby blue and white. I like red, too.

SCORE: How long does a bra last before you throw it out?

ANGEL: A bra can last me a long time because I hardly ever wear them. I can keep them for a while and they still look brand new, but I'm always up to

buying new stuff. I love to go shopping for my boobs.

SCORE: Do you know how much your boobs weigh?

ANGEL: I honestly have never weighed them. Everybody asks me that. They say, "Those things must weigh at least 10 pounds apiece." I can tell you that when I stepped on the scale after I got my boobs larger, my weight did go up.

SCORE: Do you always wear a bra?

ANGEL: No, I don't. If I go out and I'm wearing a style of shirt where I have to wear a bra, I do, but other than that, if I wear a tank top or something, I don't wear a bra because my boobs stay up on their own. And my piercings show through whatever I'm wearing. I like that! It gets a lot of attention.

SCORE: When you go out in warm weather, what kind of tops do you like to wear?

ANGEL: I like very fitted tops, fitted to my stomach and boobs. Tank tops. Or if I'm wearing a V-neck shirt so I'm showing cleavage, I wear a push-up bra so I can show lots of cleavage and my tits are really out there! You could say my world revolves around my tits.

SCORE: If we saw you shopping at the mall, what would you be wearing?

ANGEL: It depends on the weather. I like little jean skirts with tank tops or fitted jeans with a little, tight baby T. Or if I go out-out, like dressy, I'll wear a button-down shirt that's open to my belly button with a bra so my tits are up there and at the center of attention, and everything else is just nice and fitted. But my boobs are on display.

They're always on display.

SCORE: Have your boobs ever fallen out of your top?

ANGEL: Yes! Once I was going into a restaurant with a friend and I said, "Am I hanging out?" and he said, "No," and when I got in, I saw that my bra was all the way to the side. It was a bra that didn't even fit me, but I was trying it anyway. I've hung out like that so you could see through my shirt but not actually out-out with my tits all the way out of my shirt.

SCORE: What kind of lingerie do you like to wear?

ANGEL: Baby dolls. See-through mesh material. I like garter belts. Sexy stuff. See-through.

SCORE: How about bikinis?

KATARINA'S SEX-EXERCISE

When Czech college student Katarina Dubrova debuted in the December '07 issue, we thought her first appearance might be her last. She told us she was afraid that her parents might find out about her pictures. And, let's face it: For some girls, posing nude is a once-in-a-lifetime thing. But Katarina is beautiful. And she has big, natural tits. So you can imagine how excited we were when she agreed to join us in Hungary for our "Hungary For Hooters" Scoreland project. Of course, at *SCORE*, the magazine comes first, and we took advantage of the beautiful weather to get Katarina outside for some summer fun: a big-tit workout!

We told you last time that Katarina isn't as innocent as she looks. She's proving it on this spread by sucking on those E-cup beauties and on the next spread by spreading her pussy and asshole. And she proves it on the website TitsandTugs.com by handing out a tug job and tit-fuck to a lucky dude. Yeah, Katarina gets tit-fucked, and when the guy is done, he shoots his load all over her tits. Because let's face it: It's summer. And tit-fucking is great exercise.

ANGEL: I love bikinis. Micro-thongs. Tiny, tiny ones that barely cover my nipples for the top.

SCORE: We call them extreme bikinis.

ANGEL: I like those! They make my boobs look huge.

SCORE: Do guys ever ask to go bra shopping with you?

ANGEL: Honestly, I don't get that too much anymore. When I was dancing, I got that a lot more. Guys always wanted to buy me bras, and that's fine. I will let them!

SCORE: Let's touch on that for a while. For how long were you dancing?

ANGEL: I started dancing when I was 18. I started by doing live fantasy booths, and then I started stage dancing. I liked it, and that's when I saw everyone with the boobs and thought, "I want some!" [Laughs]

SCORE: Where was that?

ANGEL: I started dancing at the Lion's

thong off, so I'd lie right down on the stage in front of them, and it was as if they were taking my thong off of me.

SCORE: Did these clubs have lapdancing, too?

ANGEL: They had private dancing. It was a no-contact club, but if I liked somebody and they liked me and I was comfortable, I could inch my way a little bit closer, put my boobs up in their face and whatever. [Laughs] And of course they'd say, "Can I touch?" and I'd be like, "Hmmm, maybe!"

SCORE: So you danced in those clubs for five years.

ANGEL: I danced at Ten's for five years and I danced at the Lion's Den for about two and a half years.

SCORE: What did you like about dancing? Other than the money.

ANGEL: I absolutely loved it, and it wasn't even about the money. I'm not your average stripper. I love my body. I'm comfortable in my skin, and I love to have guys wanting me. It's a big turn-on to be the center of attention.

All eyes are on me and it's my show.

SCORE: So a guy who acts hard to get is making a mistake with you?

ANGEL: No, not really. A guy who's hard to get, I know how to handle. The ones who look easy, I play really hard to get, so one who plays hard to get, I'll just be nice and approach him and see how it goes. Flaunt myself around in front of him and see his reaction, and that tells me where I need to go. I can pretty much handle whatever comes at me. Couples, too. I've had so many couples I've danced for, and they both love me, the guy and the girl. A lot of married couples would come in and see me.

SCORE: You mentioned fantasy booths. What were those like?

ANGEL: They're live shows. You're on one side of the screen and the guy sits on the other side of the screen, but he's in his little room and I'm in my little room, and it's a dollar a minute, and the better the tip, the better the show.

Couples would constantly come in and tell me what they wanted to see, and I would do it for them. It was really nice!

SCORE: Did they ever try to hook up with you after a show?

ANGEL: Sometimes. But I never did. I'm a tough one.

SCORE: Did you ever do shower shows onstage?

Den in Salisbury, Massachusetts. I'm from New Hampshire. I danced at the Lion's Den and then I danced at Ten's Show Club. I was there for almost five years.

SCORE: What kind of club was it? Topless?

ANGEL: They were both nude clubs. Completely nude. And my

dancing was very sexual. Teasing. Slow and sexy. I liked the guys to be right there. For my last song, I'd take my

First, the bad news: Your chances of seeing anyone remotely built like the girls in this pictorial at a beach or pool this summer are very...well, remote. But, hey, *SCORE* Girls are real people who go to the beach, too, so the possibility exists. Now the good news: There are 16 girls on these nine pages, and they're destroying bikinis and monokinis in a way you've never seen before, a way you'll only see in the world's greatest big-bust magazine. Because like we've said before, that sports magazine might think it puts out a real swimsuit issue every year. But this is the real thing.

Merilyn Sakova

Minka

Shyla Shy

**Sydney
Simona**

On the previous spread, we saw three of the bustiest naturals ever: British newcomer Ashley Sage Ellison (photographed at a beach villa in St. Martin), spectacular college chick Janet Jade and 2005 Newcomer of the Year Marilyn Sakova (overflowing her bikini while working out). On this spread, we have Minka, who fills a bikini like no woman we've ever seen (and we've seen some great ones, like Boob Cruisers SaRenna Lee and Maxi Mounds, among others). And speaking of the Boob Cruise, this issue's spectacular cover photo (and the photo on page 53) of Casey James was taken on the 1997 Boob Cruise. Who do you think is a better bikini babe, Minka or Casey?

Mandy Pearl

**Kylee
Nash**

**Lexxi
Tyler**

Goldie Blair

We allowed the previous spread to go by without calling your attention to blonde cutie Shyla Shy, a G-cup newcomer who will make her debut very soon. Keep an eye out for her. On this spread, Karina Hart models a sexy monokini while on location in St. Martin to shoot her new DVD *Karina Hart As You Wish*. And Goldie Blair, Kylee Nash and Lexxi Tyler stretch three bikinis that bear closer inspection and commentary. "I think I could go to a public pool in this bikini and not get arrested," Goldie said. But Kylee and Lexxi would likely get escorted out if they showed up wearing those tiny triangle bikinis. There *shouldn't* be a law!

Karina Hart

Morgan Leigh

What's that you said? You already saw Morgan Leigh wearing a swimsuit in this issue? Well, if ever there was a girl built to wear tiny swimsuits, it's Morgan, and we weren't going to deny you the chance to see her in this red bikini. Annina (right) took a break from getting ass-fucked in the Bahamas to model this yellow number which, when you look closer (and we're sure you are) is actually a monokini. Harmony Bliss's bikini top barely covers her nipples. And Christy Marks is bulging out all over in Eleuthera, the Bahamas. Some might say her bikini doesn't fit properly. We think it fits perfectly. Don't you?

ANGEL GEE

Continued from page 52

ANGEL: Yes, at the Lion's Den. They were great! We had our thigh-high boots on in there and our metallic bikinis. They looked really good, soaked and all!

SCORE: You were 18. What made you decide to try dancing?

ANGEL: I love the look. I love the sexy, erotic look. I think it's so beautiful. Pamela Anderson was my idol, so I looked into it and saw an ad in the newspaper for modeling, so I checked it out and it wasn't modeling, it was the fantasy booths. So I got into it and got addicted and stayed with it.

SCORE: There aren't a lot of clubs in Massachusetts, are there?

ANGEL: Actually, there are. I was from New Hampshire, and that's where the fantasy booths were. Seabrook, New Hampshire. That's where it all started, and I could never turn back. I'd started modeling in art galleries, so I got more erotic when I turned 18.

SCORE: While you were dancing, had you ever seen **SCORE**?

ANGEL: Yes. I always did. I looked at it, and my photographers always had it hanging around, and they were trying to get me into it. I always dreamed of being in a magazine. I just had to meet the right people and get noticed, and then when I saw your ad on Craigslist, I was like, "Oh my God!" And you guys got back to me so quickly, and I was down there in Miami within three weeks, if that.

SCORE: Well, we don't waste any time when we see the right girl. Let's go back to club life. What mistakes do most guys make with dancers in clubs?

ANGEL: Hmmm...there are a few. You know the desperate guys who come in and just stick their tongues out? That's not the best thing to do. For some girls that might be all right, but for some it's kind of a turn-off. And some of the guys get too personal with the girls and really think something's going to happen, and that girl's just going to lead him on for as long as she can. If I were a guy, I'd just go and have some fun and look at boobs and ass and pussy and be on my way. Just know what I'm going there for and that's it.

SCORE: Most dancers after a dance might sit with a guy and talk or do a pri-

A HOT SUMMER DAY IN MIAMI. NIKKI JAYE IN A BIKINI. IT DOESN'T GET ANY BETTER THAN THIS.

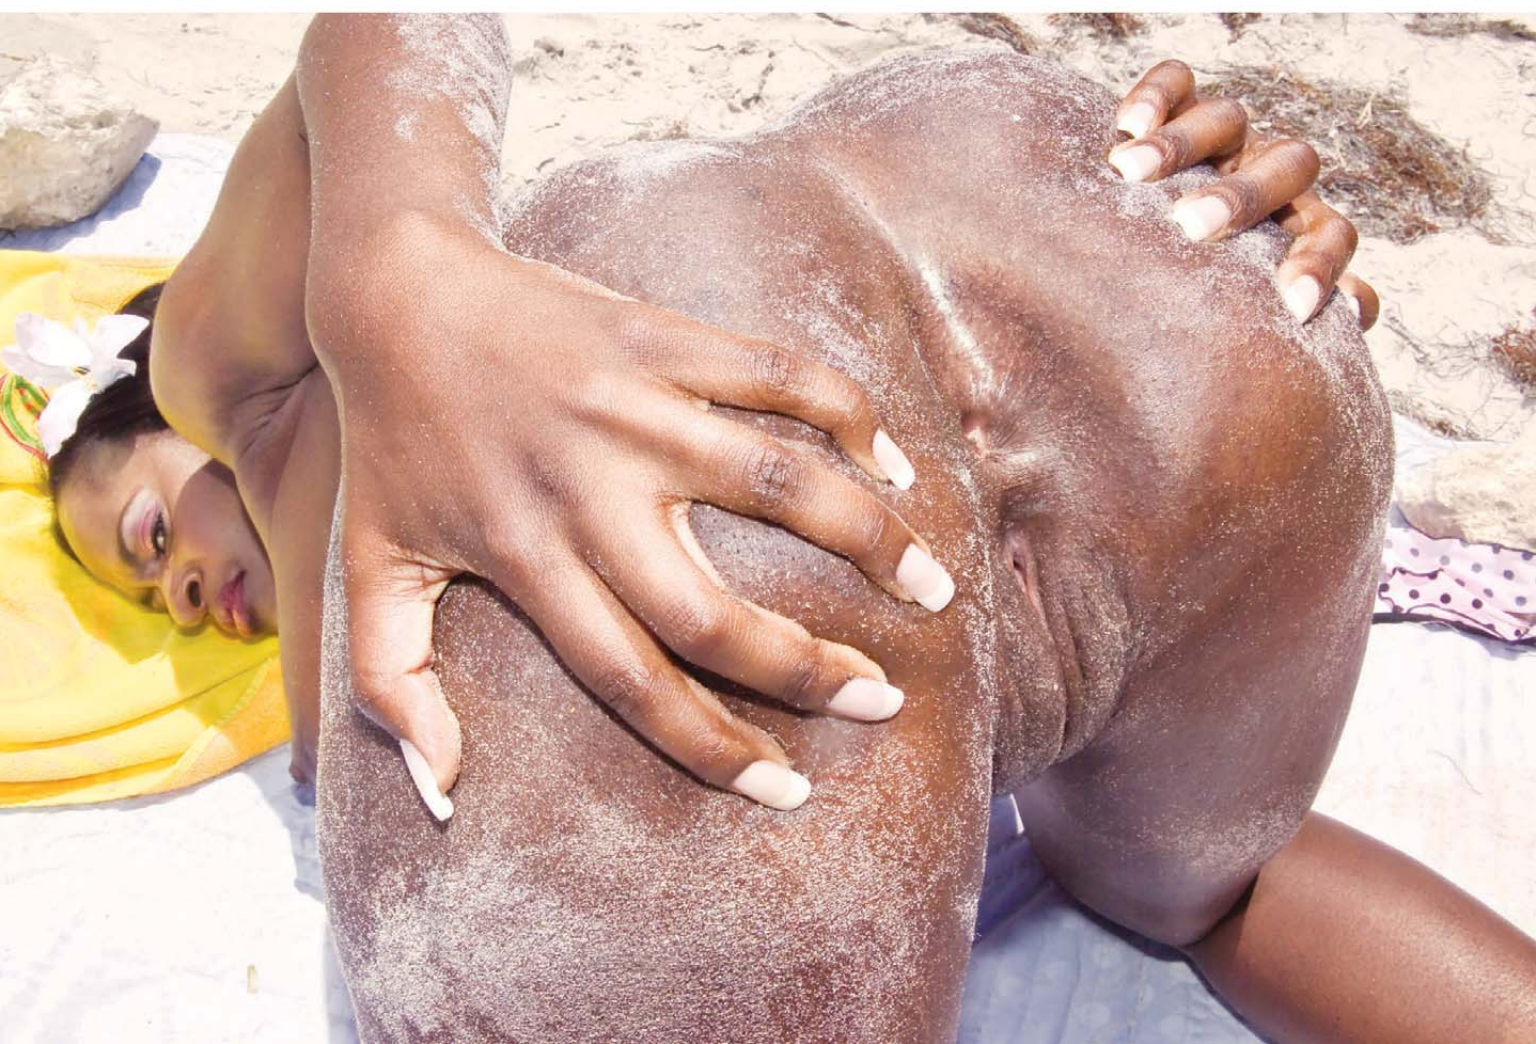

Now that you've enjoyed nine pages of *SCORE* Girls destroying bikinis, it's time to get back to what this issue is really all about: Hot babes like Nikki Jaye squeezing into bikinis and then sliding out of them. "I had a lot of fun doing this shoot," Nikki said. "Where I come from in Massachusetts, we don't get a lot of chances to go to the beach. It's too cold! So it was a lot of fun to go to the beach wearing my itty-bitsy bikini, and it was even more fun to take it off!" Like we said, this sorta thing just doesn't happen in *Sports Illustrated*.

This is Nikki's fourth appearance in *SCORE*, and she's looked different each time. First, she wore a tight, low-cut top and a mini-mini. Then, it was ultra-tight jeans and a denim vest with a plunging neckline. In the October '08 issue, she looked glamorous in a long, revealing gown. And now she's the bikini girl we always knew she could be. "I think this shoot is my favorite," Nikki said. "It was so exciting getting naked on a public beach and spreading my stuff, knowing anyone could walk by. In fact, a couple of guys did walk by while we were shooting. They stopped and stared for a few minutes, then they walked on. I hope they think of me tonight when they're jacking!"

vate dance. What did guys like to talk about with you?

ANGEL: They usually get really personal, and it was depressing sometimes because they'd talk about how they were single and didn't have anyone. I feel for those guys. I have a huge heart, and I was like their shrink, too, and I became friends with them. I liked that. I liked that they could open up to me and were comfortable enough to talk to me about certain things, and half the time they weren't even looking at anything.

SCORE: You were kinda like a big-boobed psychiatrist.

ANGEL: [Laughs] Yes! A psychiatrist with tits!

SCORE: Were you always the bustiest girl in the place?

ANGEL: Pretty much. They all called me "Tits." They'd say, "What's up, Tits?" It was fine by me. They're great people and they loved me. It was like our second home. We were all pretty close. It was how they showed affection.

SCORE: Were any of them jealous?

ANGEL: Sure, some are, but they won't come out and say it. They'll just be competitive with you. We were once in Walgreen's after work, and we went in to get some makeup, and there was this guy staring at me and following me around. Well, the guy had said, "Oh, my God, nice rack!" and I wasn't even paying attention. I thought he was talking about the shelves or something! And my friend was getting mad at me for him following me around the store, like I did something wrong, and she tripped me in front of the guy to make me look like an ass. Not very nice.

SCORE: So when a guy walked into the club looking for big boobs, he went right to you.

ANGEL: Yeah, pretty much.

SCORE: Has having big boobs benefited you in any other ways, like you get faster service in a restaurant or a store?

ANGEL: It depends whether it's a male or a female. Some females are into me, like I'll go through the drive-thru at Burger King and the girl will be like, "You're so pretty!" and she'll give me free soda. And you don't really find many girls like that. Male waiters and bartenders tend to get really nervous around me, and I'll talk to them and try to make them feel comfortable, but I can

tell they want to stare at my boobs the whole time. I laugh because it's amusing to me. I'm more than just tits, but I like that they love my boobs. Sometimes I get free things. Guys will send me stuff if they're starting out, like local bands. They'll send me their T-shirts so I'll wear them and advertise the band or their CDs. But I love the attention.

SCORE: Have you ever gotten out of a ticket by showing a cop your boobs?

ANGEL: I haven't. I've had a few cops who were looking at me. Most of the time I just get a warning. I usually don't get tickets.

SCORE: That's why cops wear sunglasses, so you can't see what they're looking at.

ANGEL: [Laughs] I've noticed that, too.

SCORE: What's it like for you when you go through airports?

ANGEL: Oh my god, I set the alarm off every time I go through security. When I was leaving Memphis, which is where I live now, the girl had to feel me down because of my piercings. She said, "I hope you don't mind this." I said, "Oh, no, I don't care." She said, "Do you mind if we do this out here or do you want to go into a private room?" I said, "We can do it out here. That's cool." But all of the guys, their mouths were dropping to the floor watching her touching my boobs and making sure it was the ring on my clit that was setting off the alarm. So, yeah, it's an experience.

SCORE: She wanted a private show.

ANGEL: I would've given it to her if she had just asked!

SCORE: It was your piercings that set off the detector?

ANGEL: Yeah, but when I was waiting to go through baggage check, the workers would come up to me and start talking to me, asking me when I was coming back, where I was going, and of course, when they see SCORE on the ticket, even the girls start staring at me.

SCORE: They know.

ANGEL: Yeah. And some of them try not to look, but they just can't help it and they stare, and I'm like, "Honey, if you want to look, I will give you something to look at!" Yeah! It doesn't bother me at all. Even if they're being negative to me, that's fine. They're entitled to their opinion. They just don't have a clue. You can't judge a book by its cover.

SCORE: In airports, do people ever ask to take a picture with you?

ANGEL: Not at airports but out in general. I've done several bikini contests in

SCORE: Have you ever caused a car accident by walking down the street?

ANGEL: I haven't caused an accident, but they swerve! [Laughs] A lot! And, of course, they yell stuff out the window, and that's cool. I'll wave. As I was walking through the airport, people were waving to me as I was going down the escalator. I just waved back.

SCORE: Give us some help. How does a man attract your attention?

ANGEL: Eyes are a big thing for me. I like lips. And you gotta have the right mind. I'm not too much into punks. I don't care for guys who try to show me up or prove they're better than me.

SCORE: What type of appearance should he have?

ANGEL: I love L.L. Cool J. He has always been my dream guy. I like dark skin, but I like white guys, too. It depends on the person. I don't like a guy who's too thuggish. Sometimes a conservative guy is much better.

SCORE: Would you call yourself a very sexual person?

ANGEL: I am. I'm very sexual.

SCORE: How often do you have sex?

ANGEL: Not as much as I would like to. Maybe two times a week. Two or three. It depends. In a good week, maybe four times. I'd like to every day. Twice a day or more, if I could.

SCORE: What kind of foreplay do you like best?

ANGEL: I love breast play. I love when a guy plays with my rings. Just rub my breasts and go down on me. I love kissing and I love teasing a guy and making him wait and want me more. That's a big turn-on.

SCORE: Favorite sexual position?

ANGEL: I love doggie-style because he can grab my boobs from behind while he's fucking me. I like to be on top so I can play with them myself. I just like sex. I'm very sexual, so I like to play with myself and have a guy watch me before sex. That's kinda foreplay for me.

SCORE: What's your least favorite sexual position?

ANGEL: I would have to say standing up. It's very awkward and not fun for me. I like to be laying down and playing with myself.

SCORE: Do you ever like trying new positions?

ANGEL: Sometimes. I look at the magazines and the Web and see what people

are doing. I don't see too much different, unusual stuff, but I'm willing to try everything. I want to experience things that I've never done before. Sex is supposed to be fun.

SCORE: Do you ever watch porn?

ANGEL: Not really. I want to be the porn star in my bed! I'll pick up little things by surfing the Web, and I'll try out new toys. I like that. That's my scene. I feel like I'm my own porn star in my own room.

SCORE: Do you have mirrors in your bedroom?

ANGEL: I do. I love to watch myself having sex. That's hot! I have mirrors on the walls, though, not so much on the ceiling. I think I'll do that next. It sounds like it would be exciting.

SCORE: What's the most unusual position you've ever tried?

ANGEL: Besides standing up? I don't even know what you would call it. It's kinda from the side, one leg way up in the air, one leg on the bed, one of his legs in-between. It was good, and it was something I'd never done before. We were all tangled up. We were laying down, and he was behind me. I'll try anything! But nothing hits me better than doggie-style. His cock goes in further, so there's an extra scream that comes out of me! [Laughs]

SCORE: How important is cock size?

ANGEL: It's not very important, but it's important. If you know how to work what you've got, then it's okay, but if you've got something and you don't know what to do with it, you shouldn't have it, so maybe it would be better if you were a little bit smaller. It depends on how you work it. You just gotta know how to move.

SCORE: What makes you cum hardest?

ANGEL: I like to be licked and stuck at the same time. That's hotter than hell! We can use a toy and lick me. Or just fuck me and then lick me, or something like that. That's the best.

SCORE: Do you like tit-fucking?

ANGEL: I do. I've done it a few times, and I was really into it. I loved watching his cock go between my tits, and I would suck on it and play with it and move my tits back and forth. It was really nice, and one guy I did it with had never done it before, so that made it even better. I felt like I was bringing him to new levels.

SCORE: He hadn't asked for it?

ANGEL: No! It was my idea. But it's not something I do all the time. I'd like to do

it more, but then again, I'd like to have sex more in general.

SCORE: You said you use toys at home.

ANGEL: I do. I'm a toy fanatic. I have the Dolphin. I have many different vibrators, and they're all baby pink. My latest thing is a Cyberskin vibrating cock. It's not a strap-on, but it has a remote control and real balls. It's very hot! I have several strap-ons, too. I like to be kinky and get hot candle wax dripped down my ass during sex, the feather dusters. All that stuff. Whipped cream. Make a banana split out of him. I love trying new things.

SCORE: What kind of toys are you trying currently that's new?

ANGEL: It's kind of a strap-on. Part of the dildo goes inside the other female. It just sits inside of her, and the rest goes inside of me, but it's not really a strap-on. Me and my girlfriend tried that recently, and it was a lot of fun.

SCORE: You're into girls.

ANGEL: Yes, but I like guys, too.

SCORE: Girls with big boobs?

ANGEL: It doesn't matter. As long as I have big boobs, it's good because then we both have something to play with. But I'd love to do a girl-girl scene with another big-boobed girl.

SCORE: We could probably arrange that. Do you think you'll ever do a boy-girl video?

ANGEL: I honestly have thought about it. I've never done it before, but it is something I'm thinking about. I want to try it and see what it's like to have sex on film with a guy.

SCORE: Well, we hope you'll think of us when you do it.

ANGEL: Of course! Who else? You guys are my first priority, always. **SCORE** is all I talk about anymore.

SCORE: And what do people say when you tell them you're in **SCORE**?

ANGEL: They just want to see it! And I'm so happy about it. I just hope I can come back!

SCORE: You're always welcome here, Angel. Let's say a guy—a boyfriend—wanted to have a threesome with you and another woman. What do you think you would say?

ANGEL: I guess it wouldn't hurt to try. I couldn't say until I was in that situation. It would depend on who it is. Because catty girls are not for me. I don't like drama. If they're the jealous type, then no, but if they're cool and down to Earth, I'd be willing to give it a try as long as it didn't turn into a competition.

But that's never happened. I've been with two guys.

SCORE: Did you like it?

ANGEL: Honestly, I was so drunk, I don't remember much of it, but from what I do remember, it was pretty good. Lots of things were getting touched so I didn't feel left out. I definitely got plenty of attention.

SCORE: Are you into dirty talking?

ANGEL: Sometimes. I once thought about becoming a phone-sex operator, but I didn't do it. I guess I didn't know how to get into it. I didn't even know how to get in touch with you guys for the longest time.

SCORE: Well, we got lucky.

ANGEL: We both got lucky!

SCORE: Have you had sex in a car?

ANGEL: Many times. I like it. I've done it in the backseat, I've done it in the front seat. I like it better in the car than in the bedroom. It's different. It's out in the open, but you're in the car. I just feel more free. Bedroom sex is just so plain and same-old, same-old. And that turns me off sometimes. I like to be different and explore, and being in a car, listening to the music, hearing the rain outside, is really hot. Something about it really turns me on.

SCORE: You don't worry that someone's watching?

ANGEL: Hell, no!

SCORE: Where have you done it?

ANGEL: In parking lots. Truck stops. Just driving down the highway. I'll suck his cock while he's driving. That is hot! It's adventurous.

SCORE: Did this guy cum while he was driving and you were sucking?

ANGEL: Well, we pulled over and he finished by cumming in my pussy. I'm very playful. I love to touch. While a guy's driving, I can do my thing in my seat, and then we can pull over.

SCORE: How about vans?

ANGEL: I've never done it in a van. I've always wanted to do it on the hood of a car in the pouring rain. Later at night, with not too many people around in an area where there's not too many houses. I would love to do that.

SCORE: Sounds like a music video.

ANGEL: Right? I think it's very sexy. Seeing the body wet is so hot.

SCORE: Have you ever had sex in a swimming pool?

ANGEL: Not full sex, no.

SCORE: What about sex in other public places, like parks?

WHEN IT COMES TO LOOKING FUCKABLE ON A TENNIS COURT, GIANNA'S A WINNER!

As far as we know, Gianna Rossi does not play tennis. And, in all honesty, we didn't ask her. We just dressed her in the tightest, skimpiest workout clothes we could find, handed her a tennis racquet and counted on Gianna to come up with new, sexy and exciting ways to shake her body out of them. Which we knew she would. In the April '09 issue, Minka demonstrated how hot a big-titted babe can look on a tennis court even if she keeps her clothes on, but keeping her clothes on isn't part of Gianna's personality. "Hey, this is all about getting guys hard and making them want to shoot their loads, right?" Gianna said as she stroked her racquet handle. "I know how to do that!"

You're on a tennis court. The ball is coming at you. Most people would hit it back. Not Gianna. She doesn't have much of a fore-hand, anyway (unless she's stroking a cock), so she uses her chest cushions to create the perfect boob ball caddy. The tennis pro on the other side of the net tells Gianna to get into the ready position. Having no idea what that is, she takes her tits out and bends over. Her melons sway from side to side as she awaits the approaching shot. But playing tennis isn't Gianna's thing. Getting naked and fucking are. So she takes off her clothes, lays down on the court and spreads her pussy and ass. Ace!

These photos were taken in Eleuthera, the Bahamas, where Gianna joined Lorna Morgan, Terry Nova, Angela White and Christy Marks for the filming of *Big-Boob Paradise* and *On Location Big-Boob Paradise*. Shortly after Gianna finished shooting this set, she ran inside, showered off and went tit-to-tit with Christy Marks. That scene is on the new DVD *Tit 2 Tit with Christy Marks* and can also be seen online at Scoreland. So, as you can see, it was a very satisfying day for Gianna. She might not know how to play tennis. But she definitely knows how to cum.

ANGEL GEE

Continued from page 76

ANGEL: Just foreplay. I have done it outside but not where there were people watching. I've done it on park benches, but nobody was around. It was late at night.

SCORE: Foreplay?

ANGEL: No, sex! All the way!

SCORE: I get the impression you lounge around the house topless or naked. Am I right?

ANGEL: You are. I love to be naked. If I'm just walking around the house, if I'm not naked, I'm wearing something skimpy, like little booty shorts and a little, tight top. And I walk my dogs like that, and there are a few neighbors where I am, but I don't care. And I love heels! I think I was born in them. I even walk around the house in them. My slippers have heels. It's so sexy for me. I just like to be sexy and dress up, and I love to dress down.

SCORE: How many pairs do you own?

ANGEL: A lot! I pretty much have every color, and they go from five inches to eight and a half inches. I used to dance in them. When I was onstage, I'd stroke my heel as if I was stroking a guy.

SCORE: Do you play with your boobs when you're at home?

ANGEL: I always touch my boobs. It's just a habit. And sometimes I don't even notice I'm doing it. My friends will be like, "What're you doing? Like you have to draw more attention to them!" And I'll say, "I'm sorry." They're just there. It's hard not to touch them. They just scream "Touch me!"

SCORE: What are your hobbies?

ANGEL: I love to sing. Country. R&B. I love sappy songs. I used to do karaoke back home all the time. I have my own karaoke machine. I love to dance. I workout. Take care of my dogs. I'm a big animal freak, dogs especially. Shopping. I love meeting new people and going out in public and letting people see me. That's a thrill because people compliment me and come right up to me, and I like that. I feel like I'm my own little celebrity.

SCORE: Would you like to say anything to the guys out there who are enjoying your pictures?

ANGEL: Yes! If you like what you see and want to see more, please tell **SCORE** to bring me back! The more the merrier!

voted for her for 2007 Model of the Year and she didn't kick me or any other guy in the balls!

Another favorite is Episode Five: seeing Crystal Gunns receive the 2007 Model of the Year award. She was so excited and happy.

Let me say this about Daphne Rosen: She definitely has the five Bs: Brains, Beauty, Body and Big Boobs.

Let me say this about SCOREtv: Seeing SCORE models is nothing like *The Man Show*. I give SCOREtv Season 1 two thumbs up and 10 stars. I really hope to see more episodes of SCOREtv on DVD. That was a great idea to put episodes of SCOREtv on DVD.—V.L., Brooklyn, New York, via email

BRING BACK THE JACK REPORT!

Dear SCORE,

A few years ago, one of your regular features was called "The Jack Report." These articles consisted primarily of the author's description and evaluation of various jack aids. Readers were also

invited to share their ideas, tips and techniques on masturbation. I found "The Jack Report" to be very interesting and helpful. I was able to make an informed choice on my subsequent jack aid purchases. I also benefited from the open and frank discussions about masturbation.

"The Jack Report" was stopped after many products were reviewed. However, a number of new jack aids are in the marketplace, and many are now available through The SCORE Group. These products include the Fleshlight, The Perfect Ass, Tenga and the Monkey Spanker. Do you feel it's time for another Jack Report? I'm sure many readers would find an updated feature report very useful and beneficial.—J.Z., via email

Dear J.Z.: When we first ran "The Jack Report," we weren't selling sex toys and masturbation aids as we are now. We reviewed items that weren't sold by us. But now we're selling a full line of sex toys (see page 25) and other sex aids. Reviving the "Report" has been discussed a few times at editorial meetings, but our concern is that some readers might consider it a conflict of interest for us to review products that we're

selling. We'd be more likely to present articles about how to use the products.

BUSTY, DUSKY FUCK DATE WITH A SCORE MAGAZINE WANNABE

Dear SCORE,

I just spent a rainy afternoon enjoying a hot date with my busty fuck buddy. She's the one who remarked that you usually feature only one black babe per issue. I took along the January '09 issue of SCORE that features two dusky babes, Camille Morgan in the main mag and Africa in the Xtra section. She really went wild over Camille (my friend is bi). She loved her hourglass shape and sultry face.

In between rounds of a long workout, we watched the video *Fuckin Mo Titties*. She is especially impressed with Sierra. "That chick has some skills!" she said. "Damn, she might have me beat!"

She tells me that a while back, she submitted some pics of herself to SCORE but was turned down. We both know how high your standards are, so there are no hard feelings. She would really be suited to XL Girls or even BootyLicious. Her 42DDD boobs are best discribed as bowling balls. With a little

touch of makeup and a trip to the hairdresser, she could hold her own with any SCORE or V-Mag babe. I'm trying to convince her to give it another shot. Like all your readers, I really want to get it on with a SCORE girl, so I'll keep pushing.—G.H., Los Angeles, California

Dear G.H.: As you said, our standards for SCORE are very high, and many busty girls who you see in real life just don't have the tits for SCORE. But keep trying!

IT'S WHAT'S CALLED A HARD SELL

Dear SCORE,

Thank you for the pictorial about Christy Marks' new website in the April '09 issue. Usually when I see something like this in your magazine, I think, "Here they go again, trying to sell me on something," but my cock wasn't complaining after I'd jacked to the pictures on those eight pages for about the hundredth time. And by the way, you did sell me on ChristyMarks.com, and it's great.—L.B., via email

IF YOU ENJOYED THE PICTURES, YOU'RE GONNA LOVE THE DVD!

Dear SCORE,

The photo shoot of Cindy Cupps and Crystal Gunns in the March '09 issue was awesome. Normally I am not a fan of breast-enhanced women to the point where they are enormous. Don't get me wrong. They are both very attractive women. But the pictures of them using a strap-on dildo was a tremendous turn-on. You can see just how much

THE EIGHT-POINT PLAN FOR ENJOYING A BUSTY GIRLFRIEND

Dear SCORE,

I've devised an eight-point plan that enables a guy to have fun should he be able to nab that elusive babe: the big-titted girlfriend.

Point 1: Don't call them tits until she does or allows you to. I dated a massive-titted girl for three years, and she was very proper and never referred to them as tits. Still, I sucked and fucked those babies all day and night. Meanwhile, I've had girls ask me if I wanted to fuck their tits on the second date.

Point 2: The double nipple suck. It's great to push two big titties together and suck on both nipples at the same time. The girl gets off on watching and knowing how much you're enjoying it. And occasionally if she's big enough, she will help you out by sucking on one or both of her tits.

Point 3: Titty worship on your part. This is great because the girl doesn't have to do any work, but you still get

off. I had a top-heavy girlfriend who used to ask me, "Do you want to beat off on my tits?" I would straddle her and masturbate a foot from her face and then drop a big load all over her tits. Another girlfriend would wake up every morning and before heading off to work would ask me if I would like to jack-off while I sucked her tits. I would gladly accept her invitation and suck away greedily while beating off.

Point 4: Fuck 'em and watch 'em fly. Watching a big set of tits move is the best. I dated a 98-pound British girl with a big, natural rack who used to mount me while I was standing and tell me, "Fuck me and make my titties wobble." Doggie-style in the mirror is great, and pounding a big-titted girl in the missionary position while you have her hands tied to the bedpost never fails. I knew a girl who would call this the "double-D dance" and told me, "I love watching my boobs fly as much as you do, and there is no way I can make them go as fast as you can when you're fucking me, so please tie me up."

Point 5. Phone sex. Some girls are shy and never able to get up the nerve for phone sex while others love it. I met a girl with a huge rack who never went out with me but would call a couple times a week for phone sex. She'd tell me how good her tits looked in her sweater and how she had two fingers buried in her pussy. She got me off, too.

Point 6: Dress 'em for success in a tight, wool sweater. Nothing frames a monster rack like a tight sweater. I had a girlfriend who was conscious about how big her tits were until she caught a glimpse of how good she looked in a mirror in a dance club and asked me to fuck her on the spot. You know you've got it good when she goes out and spends her own money on sweaters to turn you on.

Point 7: Tit-fucking. I had a large-breasted girl lying on her back when I pretended to reach over her and get something from her nightstand. My cock just so happened to fall on top of her tits, and we both acted surprised (at least I acted). "I think we might be onto something here," I said and pushed her tits together. I then hammered her boobs and blasted a load all over them.

Oh, and I almost forgot to give you point eight: Buy a copy of *SCORE*, look at the pretty pictures and make a mess while looking at them with your girlfriend.-T.N., via email

ALL ABOARD, MATES, FOR DAPHNE ROSEN'S BIG-TIT SAILING ADVENTURE. SHE'LL TAKE YOU AROUND THE WORLD!

If, to paraphrase singer Christopher Cross, sailing takes you away to where you're going, then you're going to cum. At least you're going to if Daphne Rosen has her way. This is the final pictorial in this issue, and if you're one of those guys who likes to look through the mag once before deciding which girl to jack to first, Daphne's ready for that challenge. "When I do a shoot, whether it's solo or hardcore, pictures or video, I imagine the guy at home sitting there with his cock in his hands, and my goal is to make him cum. I don't want you to jack to some other girl in this magazine. I want you to jack to me!"

With impressive assets on her port and starboard side (including her personal life preservers), Daphne would make a great sailor...if she wasn't one of the greatest mega-titted porn stars ever. You could sail the globe several times without finding a girl who loves to take it between her G-cup tits and in her pussy and asshole as much as Daphne does. "To me, getting guys off isn't a job," she said, smiling. "It's an adventure. Columbus discovered America, and I learned a long time ago that I love to make guys cum." By now, we're assuming none of you are flying at half-mast.

**FOR THE FIRST TIME
IN ANY MAGAZINE,
THIS MEGA-BABE
GETS ASS-FUCKED!**

Last issue, super-stacked German babe Annina told us about the time she got gang-banged by a bunch of guys in a parking lot while a bunch of men watched. "It was wonderful," she said. "I was out in this public place doing these naughty things, and that was the first time I'd had sex in front of people." That time, there were 10 men watching. This time, there are hundreds of thousands of men all over the world—including you—watching Annina fuck. And she loves it! "It was all I could think about while we were doing it," she said. "When he was eating my pussy, I looked right into the camera and imagined that all of you guys were playing with your cocks while looking at me!"

Annina's a little girl-5'4", 114 pounds-but that's a huge cock she's wrapping her mouth and pussy around. "It was a challenge," she said. "Besides, my pussy was so wet, he had no trouble sliding it into my pussy." That's not surprising. As Annina told us, "Knowing people are watching me makes me horny. I think I'm an exhibitionist. Think about it: There is a man fucking my pussy, and people are watching. That is unusual and exciting. Most people don't do that." Nor do they do what she's doing on the next spread. Enjoy!

CHRISTY MARKS & HOLLY HALSTON

CHRISTY GOT SOME HELP FROM AN EXPERT WHEN SHE WANTED TO HAVE ANAL SEX FOR THE FIRST TIME.

If you're gonna learn how to do something, you might as well learn from the best. So when 2008 Model of the Year Christy Marks decided to have anal sex for the first time, she turned to Holly Halston for help. Why Holly? Well, we don't have a count, but she's been fucked in the ass almost as many times as she's been fucked in her pussy. So when the big day came, Holly showed up with an anal kit, filled with all the things a woman needs to prep her ass for dicking (including an enema bag filled with coffee and water) and plenty of lube. "I have a virgin ass that's ready to be popped today!" Christy said.

Holly didn't want to just be part of the big event. She wanted to be involved, so she joined Christy for an anal four-way. First, the girls sucked and fucked the traditional way, then Christy turned onto her back. "Are you ready to get fucked in the ass?" Holly asked. Replied Christy, "I don't know, but we're going to try it." The cock entered slowly, then plowed Christy's butt. Christy got on all fours and got ass-fucked from behind while Holly fingered Christy's cunt. "Blow that load all over my sweet ass," Christy said, thoroughly enjoying herself. He came. She shoved two fingers in her asshole and licked them off. She had become an anal angel.
