A SPECTACULAR ISSUE FOR A YEAR OF SPECTACULAR GIRLS!

Dear SCORE,

The SCORE "Awards Spectacular" (June '09) was just that: spectacular!

This issue, packed with fantastic models and outstanding photography, showcased all that makes SCORE an incredible magazine.

Even as a long-time subscriber, I needed several readings to fully absorb all this

issue had to offer. I especially enjoyed the interviews with the award winners, which gave readers more insight into the personalities of our favorite models.

Congratulations to Christy Marks for

Christy Marks celebrates winning Model of the Year by letting her tits hang out.

a well-deserved Model of the Year Award. This gal has done it all in the past year. I hope Christy will continue to thrill SCORE readers for many years.

First runner-up Marilyn Sakova, with her new curly hair, looked wonderful in (and out) of her gold bikini with the lavender backdrop. Now with more presence of her lovely smile, she will continue to be a top award winner.

Second runner-up Lorna Morgan is

Marilyn's sexy smile has made her more appealing than ever.

amazing for still being a top pick well into her long career. The setting of her dockside bikini pictures and fully nude photos really added to her appeal. Bravo, Lorna!

Third runner-up Rukhsana showed her incredible figure, which proved that she just as easily could have been Model of the Year.

I viewed Linsey Dawn McKenzie's induction into the Big-Boob Hall of Fame with mixed feelings. It was great to see yet another pictorial of her legendary body yet sad to think that she has now retired. Thanks for an incredible career, Linsey!

Linsey's retirement was countered somewhat by the introduction of the super busty Ashley Sage Ellison and the 2009 Newcomer Awards. After viewing the photos of Daylene Rio, Yurizan,

Ten years after making her SCORE debut, Lorna Morgan continues to thrill us.

Janet Jade and new princess Karina Hart, I feel that the future of SCORE as a leader in big-bust entertainment is very solid. Let's hope we see all of these lovely ladies in the next year and beyond!-J.Z., via email

Rukhsana's beautiful face, big tits and perfect body always get us hard.

ASHLEY SAGE ELLISON DELIVERED ON A PAIR OF HUGE PROMISES!

Dear SCORE,

All I gotta say is, you gotta get us more of Ashley Sage Ellison. Damn! She's gotta be one of the hottest girls I've ever seen. The preview in the May issue got me wondering, and when I got the June issue, I was not disappointed. Those eyes, that body and that sexy bust! Wow! Make sure to let us know ahead of time when she is going to be in a publication of yours.-S.J., Fargo, North Dakota

Dear S.J.: No problem! We'd love to keep you abreast of Ashley's breasts! She returned to SCORE in the September '09 issue, which is available from the back issues ad on page 11. She is also slated for a stunning return (wearing a swimsuit) in the October '09 issue of Voluptuous. That goes on-sale July 28. And if you want to see Ashley in live action, check out her first DVD, Ashley's First Time. You can order a copy on page nine (and that's the only way to get it. Ashley's DVD is not available at SCOREonDemand.com).

FINE, BUT YOU GOTTA ADMIT THAT SHE HAS A GREAT PAIR.

Dear SCORE,

You created great expectations in the May '09 issue, but June did not deliver. By now, if Ashley Sage Ellison will not even show pink, don't waste your time and money. Show us girls like Terry Nova: nasty face, great set of hangers and three holes ready for action. I would love to see her rub her clit with her own nipple if she is flexible enough.—S.L., Montreal, Canada

mag would be nice. Not all of us are squeamish hairphobes!

Also, way too many fake lezzies. Too many pink, blue, green, silver and glass vibes. Use realistic huge, rubber dildos if you can't afford a stud with a huge cock. Those mid-range guys just don't cut it.—Name withheld, San Diego, California

torial) do we shave our models. They come to our studio already shaved. It's a fact of modern-day life: shaved pussy is in, and most girls are shavers. Read on for another commentary on modern trends.

A FEMALE BODY SHOULDN'T BE USED AS AN ARTIST'S CANVAS

Dear SCORE,

It seems like you're getting better while your competition keeps getting worse. But what's up with all those fucking tattoos? I realize it's a trendy thing all throughout society right now, and maybe a small, tastefully done tattoo can be attractive, but so many models have big, hideous-looking art on their bodies, and it's not a turn-on at all for me.

The same holds true for a lot of the male performers you have, but I don't

care as much. I'm not looking at them. I still think it looks ridiculous to be covered with tattoos, but the guys are ugly anyway, so who cares?

I request that you find models without all the ink, or maybe you can wipe out the tattoos with your computer programs or what a lot of people still refer to as airbrushing.—T.H., via email

YOU KNOW WHAT THEY SAY ABOUT CAMPAIGN PROMISES...

Dear SCORE,

I was pleased to see Mianna Thomas on your cover and her equally delicious pictorial in the July '09 issue. Doubtless, there will be more models to compete for 2009 Newcomer of the Year. I promise that when I cast my bal-

HOW TO GET YOUR BIG-TITTED FRIEND TO MODEL FOR SCORE

Dear SCORE,

I can't remember which issue it was that a college guy wrote to you asking how he should go about asking his hot female friend to pose for SCORE. I have a few suggestions for him.

First, use a library or a friend's computer and send her an email. Put BEaSCOREmodel.com in big letters and write that SCORE is a very reputable adult company. Tell her she would never have to do hardcore if she didn't want to and would still make a lot of money. Just don't sound like a pervert. Or you could stuff the BEaSCOREmodel.com advert from the magazine, along with a note, in her jacket pocket. I bet she would be curious enough to at least check out BEaSCOREmodel.com. Who knows? Maybe she reads SCORE.

The absolute best way to get a girl to pose for SCORE is to show them the segment hosted by Gianna Rossi on every SCORE DVD release. Try to get the girl to watch that segment. In fact, don't say anything. Just sit the girl down and pop in the DVD. This is the best way because it shows the outside of the SCORE building. Most women think of a porn company as being in the back alley somewhere. The SCORE office looks like anything but a porn company. I'm sure 95% of the people who drive by there have no clue that SCORE is an adult company. And Ms. Rossi does a great job of explaining everything about posing for SCORE.

In the end, none of this will work. Most women don't want to take naked pictures so millions of men can see them. But my message to this guy is, you never know until you try. You can't get arrested for asking her. Good luck, and may the force of SCORE readers be with you!—B.P., Toronto, Ontario, Canada

lot, it will be for Mianna. If and when she releases a DVD—solo, girl-girl or boy-girl—I will buy it.—J.B., Ohio

Dear J.B.: Mianna's first DVD is out, and it's a hot one. Mianna does her first hardcore boy-girl scene in *Sexed & Suckled*, available on page nine of this issue. Her tits look huge as she gets fucked hard by a big cock. By the way, there's a pictorial of that scene in the October '09 *Voluptuous*, which goes on sale July 28. Get it wherever you buy adult mags or online at eBoobStore.com.

INDIANNA & ANIKA: GREAT TITS AND THEY SPREAD THEIR PUSSIES

Dear SCORE,

Thanks for the fantastic debuts of both Indianna Jaymes and Anika Anderson in the May '09 issue. Why do I single out these two particular models? Well, it's due in no small part to their amazing—not to mention cock-hardening—spread shots, Indianna's on page 33 and Anika's on page 96. Wow!

I've brought up this subject before in a letter to V-Mag, but I don't mind saying it again: Please try to include at least one of this type of shot in every pictorial. When I'm jerking off over the mag, I can really imagine I'm balls-deep in the model and dropping a load in her juicy pussy with pics like these. Importantly, though, I like them to be full-pagers and show the girl's face and tits. I dislike disembodied closeups of tits and pussies by themselves. I find them completely pointless and un-arousing.—K.S., United Kingdom

Sharon Pink (above) fucked in the May '09 issue. Angelina Castro did it in July '09.

WE'RE CALLED SCORE BECAUSE WE SCORE WITH BIG BOOBS!

Dear SCORE,

I just went through the March '09 SCORE, and I have to say that once again, if big boobs were baseball, you guys would have hit it out of the park.

First, thanks again for featuring the biggest Asian in the world of tits: the amazing Minka with her double-K cup chest. I have never gotten tired of seeing her, and this month's fashion show was

no exception. I loved the pink shirt that was stretched to the absolute limit of the laws of physics. And it still couldn't cover her perfect nipples. The only thing missing was a dick in her mouth, but the dildo was a fair substitute.

Crystal Gunns and Cindy Cupps make such a sexy pair. Thanks for getting these two to finally do a girl-girl scene. Crystal's 36FFs are truly a thing of beauty. I love the shot of her riding the dildo while cradling those tits. That's artwork!

Sharon Pink: great boobs! Bring this Czech beauty back anytime. We would love to see more of her.

Kylee Nash is amazing. Nice tits and a pussy that demands to be fucked and an ass that needs to be spanked. The shots of Kylee opening up her pussy make her look like the fuck-toy we all hope she is.

Nice job scouting new talent: Angelina Castro is beautiful!

Amber Lynn Bach looked gorgeous, especially sucking a big cock and balls. Dominno was super hot as a classy hooker. I love how filthy G-cuppper Daphne Rosen gets for you guys, too. Great hand job, awesome blow job shots, tons of fucking and she always gives up her sexy, round ass for a good pounding, too.

How about some more Brianna Costello? I just watched her videos again and was reminded what great natural tits and a sexy ass she has. The fact that she is gorgeous and has a perfect smile is a bonus.—K.D., via email

G-CUPS & A WHOLE LOT MORE!

Dear SCORE,

I've been a faithful reader since the very first issue yet have never written to you. The May '09 issue had some of the best women ever. One in particular has gotten under my skin: the debut of Indianna Jaymes. She is the epitome of absolute perfection.

The opening picture of her turned sideways with her sexy ass in view and her 36G bra trying to contain those magnificent mammaries was absolutely the best pic you could have used for an opening page. Her lightly haired pussy is perfect on her. I mean, only five-foot-two, 120 pounds, 44-30-38 body wear-

Olympic Pole Dancing?

A group in Salt Lake City, Utah, has started a petition to get pole dancing into the Olympic Games in London in 2012.

"It's automatically assumed pole dancing has something to do with stripping," said Studio Soiree owner Lizz Schofield. "But this is not stripping at all."

Pole fitness classes are big in Australia, the United Kingdom and

the United States. Schofield co-owns her studio with Lorinda Coombs. Both women are certified to teach pole fitness.

"This takes grace, fluidity and strength. It's on par with ice skating and everything else in the Olympics," Coombs said.

"We are some of the safest, most-skilled athletes. I liken it a lot to rock climbing," Schofield said.

Pole dancing fan Kid Rock will probably sign the petition. The rapper takes a portable stripper pole with him when he goes on tour. Kid says it's the best way to start a party. You can sign the online petition at Petitiononline.com/polymptic/petition.

The Absolute Worst Pick-Up Lines Ever Told To **SCORE** Girls

We all dream of picking up a **SCORE** Girl and being locked in a hotel room with her. **SCORE** models are hit on a thousand more times than the average girl, and they've heard every pick-up line. Here's another trio of cheesy things to never say should you ever have the good luck to meet one of these hotties. Just buy her a drink and stare at her tits.

Mandy Pearl: *"I bet you like cheese because you're a cracker!"*

Carmen Hayes: *"They call me Starbucks because I grind so fine."*

Kianna Dior: *"I'm gay, so can I touch you?"*

BUSTY GIRLS GET MORE SEX. YA THINK?

Scientists from the University of Texas say busty, pretty girls may be more likely to have more sex because of a female hormone linked to fertility and flirtatiousness.

A study published in *Biology Letters* found that women with high levels of the hormone oestradiol considered themselves more

attractive and were found to be more sexy by both men and women. They are also more likely to change partners regularly. High female oestradiol levels are associated with attractive facial features, large breasts and low waist-to-hip ratio features.

Saliva tests on 52 women be-

tween 17 and 30 showed that those with high levels of oestradiol were less satisfied with their lovers and less committed to them. But rather than being prone to brief sexual encounters, the women were more likely to move on to a new relationship if they found a higher-quality partner. Women are also likely to accept sexual advances when their oestradiol levels are high.

One of the lead scientists wrote, "Physically attractive women receive more male attention and, when in relationships, are more likely to be the targets of mate poaching. Women often have to trade off between having a long-term mate who's a good provider and more physically attractive, short-term sexual partners. Physically attractive women may not only have more alternatives but also high standards that are difficult to satisfy. Women with high mate value are also women whom male partners want to keep, so they might be more vulnerable to a controlling partner."

This could partly explain why so many hot girls are drawn to dominating assholes.

Christy Marks has a lot of sex because she's horny and men want to fuck her.

BOOBS IN SPACE

Did you know that Playtex, makers of the "Living Bra" and the "Cross Your Heart Bra," helped produce space suits for NASA in the 1960s? It's true.

In 1962, NASA commissioned a division of Playtex to help create the Block II spacesuits for the Apollo mission astronauts. The company had been involved in high-pressure aircraft suit production, and NASA wanted the expert sewing skills of the more than 50 lady bra and girdle makers who were specialists in the kinds of materials that were being used in space suit construction.

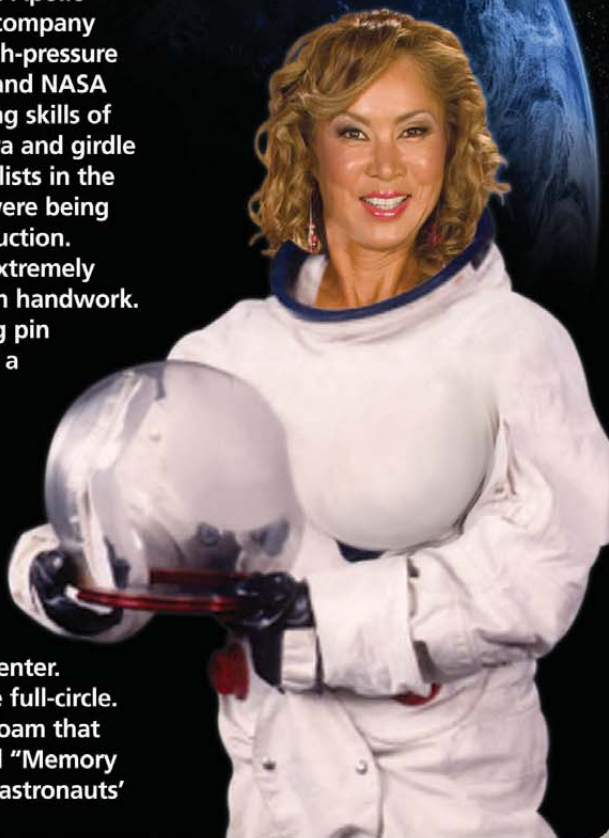

The ladies had to be extremely cautious in their precision handwork. Leaving even one sewing pin behind in the sections of a suit would have been a catastrophic event.

"Designing and building spacesuits requires a lot of the same skills and knowledge as manufacturing girdles," noted a veteran spacesuit technician at NASA's Ames Research Center.

But now, life has come full-circle. A dense, heat-sensitive foam that molds to the body, called "Memory Foam," was first used in astronauts'

mattresses. Now it's used in the cups of the new Playtex Natural Accents Memory Foam Bra.

And that's why tits are called rockets and missiles. If Minka (below) went into space, they'd have to have rocketed her rockets.

The Horniest People Are In Great Britain

The British are now considered the most promiscuous of people in any western industrial nation.

A study was conducted by asking more than 14,000 people in 48 countries to fill in anonymous questionnaires. They were asked about numbers of partners and one-night stands, how many people they expected to screw over the next five years and how they felt about casual sex. The UK's high ranking was linked to the decline of religious feelings about extramarital sex, equal pay and rights for women and a highly sexualized popular culture. A third of British men are in relationships with women they poached from friends and 28% of British women have poached partners from friends.

"Historically, we have repressed women's short-term mating, and there are all sorts of double standards where men's short-term mating was acceptable but women's wasn't," said David Schmitt, professor of psychology at Bradley University.

The promiscuity rankings of industrialized western countries are: 1. United Kingdom; 2. Germany; 3. Netherlands; 4. Czech Republic; 5. Australia; 6. United States; 7. France; 8. Turkey; 9. Mexico; 10. Canada.

The U.S. has some work to do if it wants to be a world power.

Bigger Real Boobs Through Science

Any big-boob lovers out there who are opposed to stem-cell research? You might want to think again.

Stem cells taken from spare fat on the stomach or thighs will soon be used to increase breast size. The cells will be extracted and separated from fat before being mixed with another batch of fat and injected into the breast. Unfortunately, the procedure only causes minor changes in cup size. But it's better than nothing.

A breast surgeon at the London Breast Institute at the Princess Grace Hospital is leading a trial with 10 patients. Although the first goal is treating breast cancer patients, cosmetic patients might also soon bene-

fit from the new technique. The technique has proved a success in Japan, where it is now used to provide healthy women with breast enlargements.

"This is a very exciting advance in breast surgery," the doctor said. "Breasts treated with stem cells feel more natural because this tissue has the same softness as the rest of the breast. We are optimistic we can easily achieve an increase of one cup size."

Critics say that breast enlargement by stem cell injec-

tion should not be offered until large-scale cancer patient trials are completed. But we'd like to offer SCORE HQ as a test facility.

ALIA JANINE

ALIA TAKES HER CAPTIVE IN HAND

Queen Alexis Silver orders warrior tribeswoman Alia Janine (Sept. '09) to take her prisoner, Hugo, to the cages. She forces him through an exotic maze of caged monkeys and birds and finally knocks him off his feet with her spear. He thinks he's in trouble, but he's in for the blow job and fuck of his life as Alia discovers man-flesh for the first time.

RACHEL LOVE

RACHEL EXPLORES THE EXPLORERS

Queen Alexis orders Rachel to interrogate two of the two explorers. She forces them down to the river and threatens to dispose of them, but the explorers save themselves by tickling her curiosity about men and cocks. Rachel has only been with women, and they manage to convince her that cock is better than pussy. James is being held prisoner in a cage when Kali approaches. He's starving, having not eaten in days. Kali taunts him with fresh fruit and uses her tits to feed him. Suddenly, he's not hungry anymore. He's horny. She dances for him, poking her tits through the cage. James begs to be untied and wants her to come inside. Certain that he'll do nothing to harm her, Kali steps inside the cage and gets her first taste of male fruit. He fucks her brains out and plants his seed on her rack.

*Maggie
Green*

THE GIRL OF YOUR DREAMS IS NO LONGER JUST A FANTASY. MAGGIE GREEN IS 100% REAL!

It's the face that'll get you at first. Green eyes, blonde hair and a Midwestern freshness that comes from her Michigan roots. Then, of course, it's her tits that'll hook you: full, firm F-cups that overflow just about any bra or top she tries to squeeze into. But when Maggie Green visited us for "Maggie Green Week" at [Scoreland](#), it was her personality that won us over. She doesn't use her looks to get what she wants. She's just the girl next door who happens to be hot as hell. But she'll never let you know she knows it. Gentlemen, prepare to fill in love with Maggie.

"I love running, biking, playing with my dog, drinking wine and watching movies," Maggie said, and yes, she did say running, which must be quite a sight with those big breasts bouncing. "I like flashing strangers in public, laying on the beach and watching hot chicks in bikinis, traveling and dancing." Yeah, she did say "watching hot chicks in bikinis," but don't worry. She likes guys. "I'm a no-nonsense girl," she said. "I really hate pick-up lines of any kind. I like when a man is straightforward and introduces himself and cuts out the bullshit."

"I like guys who are open and honest," added Maggie, who was a cheerleader in high school. "Showing an interest in me as a person, not just my boobs, will get you somewhere." Of course, there are times Maggie wants you to pay attention to her chest. "One year during spring break, I paid for the entire trip by winning wet T-shirt contests. Every time I showed up for one, the other girls would look at my chest, and I could see what they were thinking: 'We have no chance against those!'" Who does? When Maggie's around, you might as well surrender.

INTERVIEW BY DAVE ROSENBAUM

Most SCORE Men wouldn't have much interest in a Japanese Geisha girl. The traditional one, while sexy and very talented at pleasing men, tends to be deficient in the chest department. The fact is, very few Japanese women are super-stacked. But Kiko Lee is an exception.

Kiko, who made her debut in the February '09 issue, is the kind of Geisha girl any SCORE Man would appreciate. She has DDD-cup tits. And she likes to let men do whatever they want with her.

"I'm a passive girl," she said. "I like the man to take the lead in bed. If a guy's really good at sex, I'll probably forgive him even if he acts like a jerk. I love everything about sex."

You'll love everything about Kiko Lee. Pete Rose did. Read on.

SCORE: Hi, Kiko, and welcome back to SCORE. Let's get to the vitals first. Where are you from?

KIKO: Okinawa, Japan. That's where I was born.

SCORE: And where do you live now?

KIKO: Denver. Colorado. I've lived in Europe, too. Frankfurt, Germany. Tennessee. All over. I moved from Okinawa to Frankfurt when I was 10, and I came to the States when I was 14. I'm a military kid.

SCORE: What languages do you speak?

KIKO: I speak Spanish and English, and I understand Japanese.

SCORE: So you grew up all over the world. What was that like?

KIKO: Kind of different because I had to change schools wherever I was expected to go.

SCORE: Did you like that?

KIKO: Yes. I still travel now. I think I'm used to it.

SCORE: You mentioned last time that you've been a dancer. When did you start dancing?

KIKO: When I was 19 at Centerfolds Showclub in Denver.

SCORE: What got you into it?

KIKO: I needed some money, and I was sitting home one day watching *Geraldo*. True story. And there was this

girl on, and she was talking about how she was dancing at this club and making a lot of money, and all she was doing was taking off her clothes. And I thought, "That's all you gotta do to make a lot of money? Okay." So I found a job in the newspaper the same day after I watched *Geraldo*.

SCORE: So you went down to the club, and then what happened?

KIKO: I went to the club, and I didn't realize my boobs were big. I thought all girls had boobs like mine because my parents had never told me anything about sex. They were real quiet. And I walked in the door and the owner said, "You're hired." And I said, "I don't know what I'm supposed to do," and he said, "You're supposed to dance," and I didn't know what I was doing, and I didn't know I had big boobs until the girls in the dressing room told me.

SCORE: Time out! You'd seen other girls. You must've known that your boobs were bigger than other women's.

KIKO: I never paid attention. It was not something I looked at.

SCORE: How big were you at the time? Do you remember?

KIKO: I was a double-D naturally, and four years ago, I got enhanced to a triple-D.

SCORE: And you didn't realize your boobs were bigger than most girls'?

KIKO: I never looked at my boobs. I always wished I could be bigger. I saw girls on TV and thought, "I want to look like that," but I didn't notice that I already did.

SCORE: I'm sorry, Kiko, but you have to understand how hard it is for a guy to comprehend this.

KIKO: I know, but my dad is real strict and military. He never told us about sex. He never told us about what women look like. And my mother's the same way. She never told me. She had me in baggy clothes and glasses. I was probably the biggest nerd in school. [Laughs] I didn't know anything.

SCORE: So because of your baggy clothes, people didn't know you had big boobs.

KIKO: That's right. Maybe my parents realized I had big boobs and that's why they had me in baggy clothes, so nobody would look at me. I didn't know until I walked into the club and that owner saw me and hired me without me even dancing. He just knew I

had big boobs and I'd be popular with the customers. That was it!

SCORE: And then you walked into the dressing room and the girls saw you. What was their reaction?

KIKO: It wasn't so much their reaction as mine. I got undressed, and then I saw them undressed and saw their boobs, and I thought, "They are big, aren't they?" [Laughs]

SCORE: So up until that point, nobody had ever said to you, "Wow, your boobs are big!"

KIKO: Never.

SCORE: Were you a virgin at age 19?

KIKO: Nope.

SCORE: But even the guy you had sex with didn't mention that your boobs were big?

KIKO: No. I thought all women looked the same. My father kept me very sheltered. I wasn't allowed to date or anything like that or go to parties. No makeup.

SCORE: And that didn't bother you?

KIKO: Oh, yeah, it did because I wished I looked like other girls.

SCORE: But you did. Better, actually.

KIKO: But I didn't know I did.

SCORE: Wow!

KIKO: Because I see one thing in the

SCORE: So your mother is Okinawan. That means you're Japanese?

KIKO: Well, we're actually Islanders. We're Okinawans. There's a difference between Japanese and Okinawans. I'm half Okinawan and half Spanish.

SCORE: That's unusual but it makes sense. When I look at you, I wonder, "Is she Latin or is she Asian?"

KIKO: I look like both.

SCORE: I guess you do. So you're 19 years old, you go into the strip club, you discover for the first time in your life that you have big boobs. What was your reaction to that?

KIKO: I was kinda nervous the first time, but then it got me thinking about what I wanted to do with it. I didn't want to be just a stripper who wears what everyone else wears. I wanted to be more of a burlesque dancer, so I started reading and watching different movies about Gypsy Rose, and I would see different movies where it was more about the costumes, not just a pair of heels and a G-string and a bra. And

finally I told my mother, and she started making my costumes.

SCORE: Your mother had no problem with what you were doing?

KIKO: No.

SCORE: How about your father?

KIKO: My father hates it. He didn't know before but he knows now. My

uncle kinda told him because he walked into the club and saw me.

SCORE: Really?

KIKO: The other dancers said, "Oh, your uncle's here," and sure enough, he was there.

SCORE: How old were you?

KIKO: Twenty. I'd been there for about a year. And then I went out, bought him beer, said "Have a good time," and I walked away. And I said, "Just don't tell my dad," and the first thing

he did was tattletale.

SCORE: That wasn't very nice.

KIKO: No, it wasn't. I mean, I didn't tell his wife that he was there.

SCORE: You started researching dancers and burlesque dancers. What were you finding out?

KIKO: I was looking at costumes and how things looked and wondering how I'd look in them. Looking at adult magazines, adult movies. I figured, "If I'm going to do this, I might as well do this the way I want to." So I decided how I wanted to do my hair and make-up and clothes.

SCORE: Stuff you'd never done before because you were always Miss Baggy Pants And No Makeup.

KIKO: Yes. And I liked it. I like all the clothes. I'm a real clothes whore! Shoes, clothes, makeup. I like it all. Now that I've discovered my body, I like dressing it up.

SCORE: What kind of stuff do you like to wear?

KIKO: It depends on the day. I don't have one particular style but basically everything that I do wear, I make sure that my boobs are showing, even if at the grocery store.

SCORE: If we saw you out shopping, what might you be wearing?

KIKO: Probably a summer dress, short shorts with a tight top, always a push-up bra. I like to show off my boobs. I'm only five-two, so I wear a lot of heels. That's my normal everyday wear, so I guess you'd say I'm flashy. I get a lot of attention. [Laughs] Sometimes it's good, sometimes it's bad, depending on where I am.

SCORE: When is it good?

KIKO: If I'm in a nightclub, dancing, trying to meet people. It helps me, especially at concerts. I like going to concerts and showing off. My boobs help me get backstage to meet who I want to meet.

SCORE: What kind of concerts?

KIKO: I like hip-hop and rap.

SCORE: When have you gone backstage at concerts?

KIKO: Last April I met Ice Cube. I was wearing an itty-bitty dress, and I was next to the bartender, and the bartender helped me get backstage. I met Ron Jeremy because we had a sex convention in Colorado, and I was wearing a low, low top and some little

Crystal Caged

A full-page photograph of Crystal Bunnies, a professional wrestler, behind a chain-link fence. She is wearing a black and blue wrestling outfit, a blue choker, and black fingerless gloves. She has a blue chain around her neck and is looking directly at the camera with a confident expression. The background is a purple and blue striped wall.

EVEN WHEN SHE'S FENCED IN, CRYSTAL HOLDS US CAPTIVE!

Crystal Gunns goes after what she wants, so if you're gonna lock her up in a cage, you'd better be ready to pay the consequences when she gets free. But Crystal isn't going to burst out of that cage, and she's not going to climb out of it. She's going to lure you inside using her FF-cup tits, big, round ass and fuckable pussy. And when she has you in there, you're gonna wonder who's the captor and who's the prey.

She pulls out a tit and pushes her right breast against the fence, her hard nipple brushing against the chain link. She knows she's almost got you, so she pulls out her left breast, lays back, spreads her legs and pulls her panties aside, giving you a teasing view of her glistening pussy. And then, because she knows you can't resist her ass, she gets down on all fours and opens up her butthole. Now she's got you. There's no point in resisting. You're all hers!

Crystal has been a *SCORE* Girl for seven years because she always manages to remain fresh and exciting. She won 2007 Model of the Year after doing her first boy-girl video, a tit-fuck in *Tits & Tugs*. Now she's making a run at the 2009 honors. In the January issue, she was the recipient of an erotic boob massage from several wandering hands. In the March issue, she went tit-to-tit with bosom buddy Cindy Cupps (see the video version in *Big-Tit A-List*). Now she's showing her kinky side for the first time. "This is one of my favorite photo shoots ever," she said. "But it's not about what I like. I love keeping you guys happy." You've got us, Crystal!

MAKE YOU EXPLODE!**

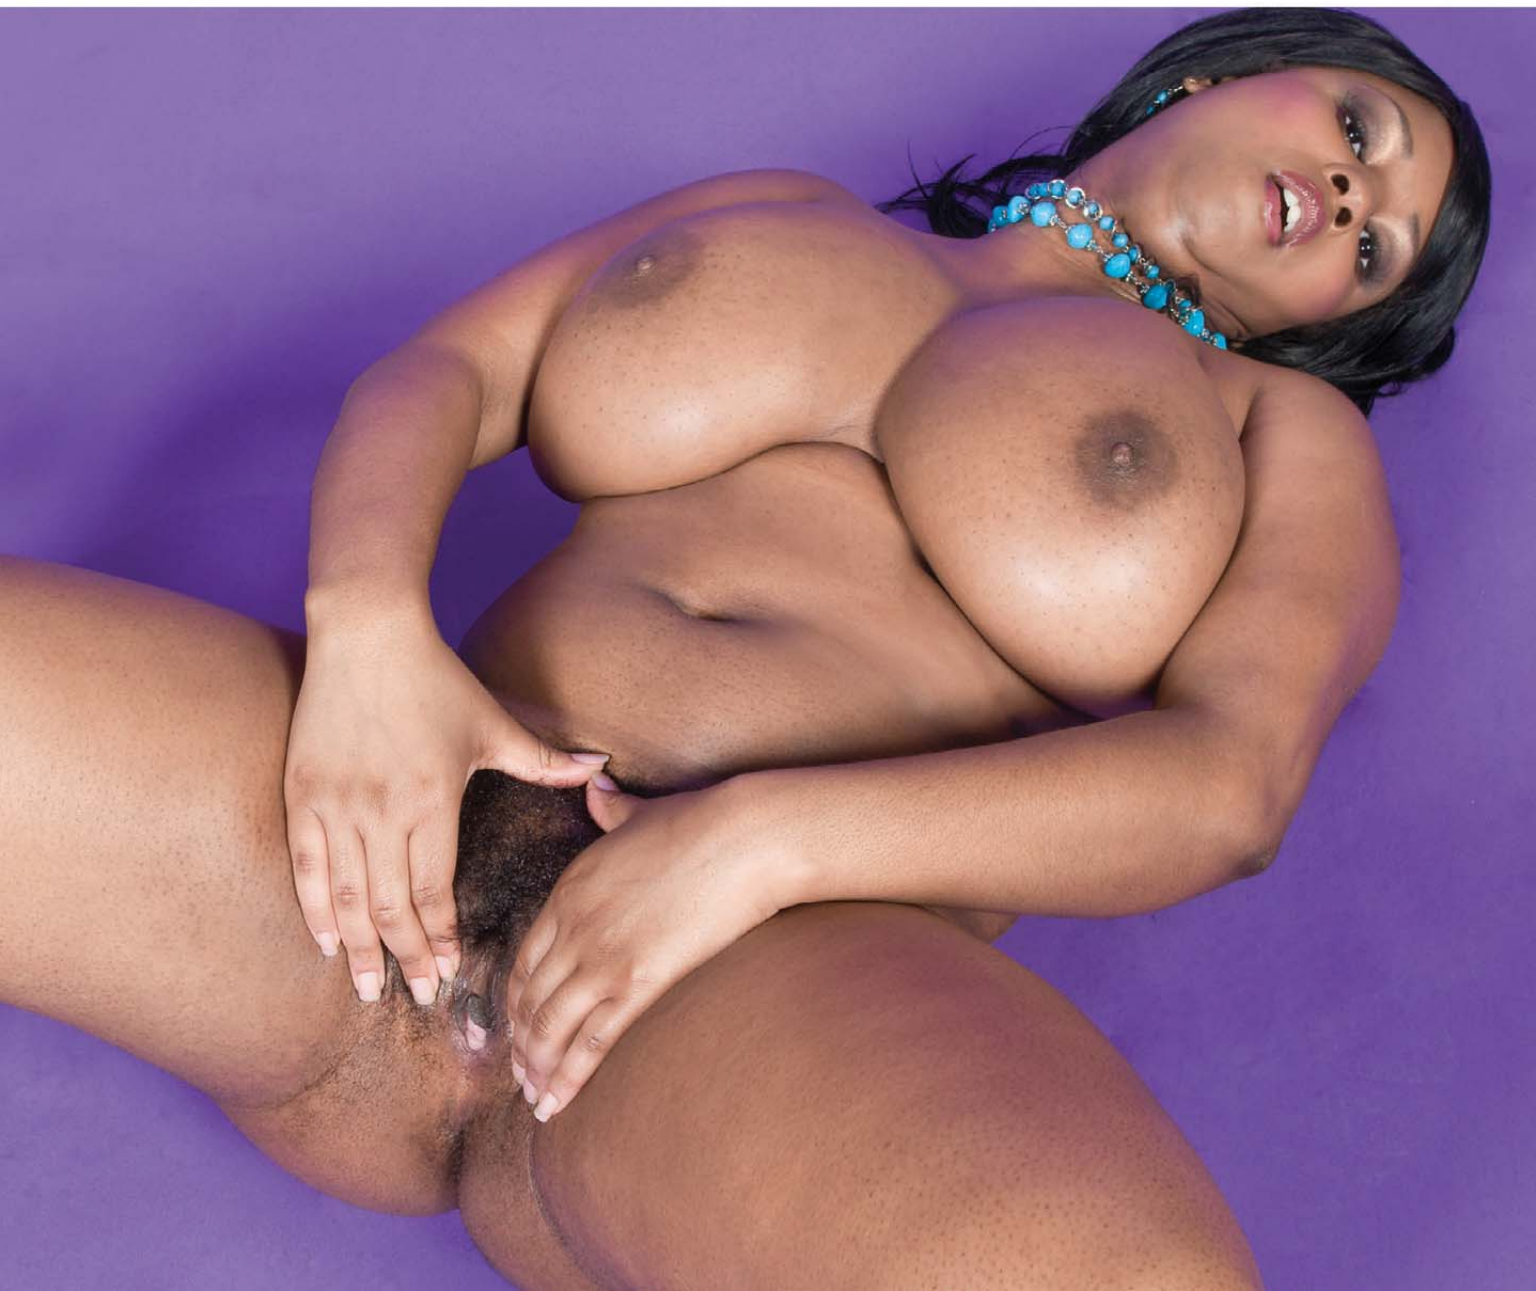

A month of great *SCORE* debutantes continues with beautiful Aileen Ghattman from Marietta, Georgia. Five-foot-two. Big, heavy, natural FF-cup tits. An overflowing bush of pussy hair, which is as eye-catching today as shaved pussy was 20 years ago. Sexy. Smart. And kinky. Aileen is a dominatrix who gets off on dominating men and women. She uses her entire body to get what she wants.

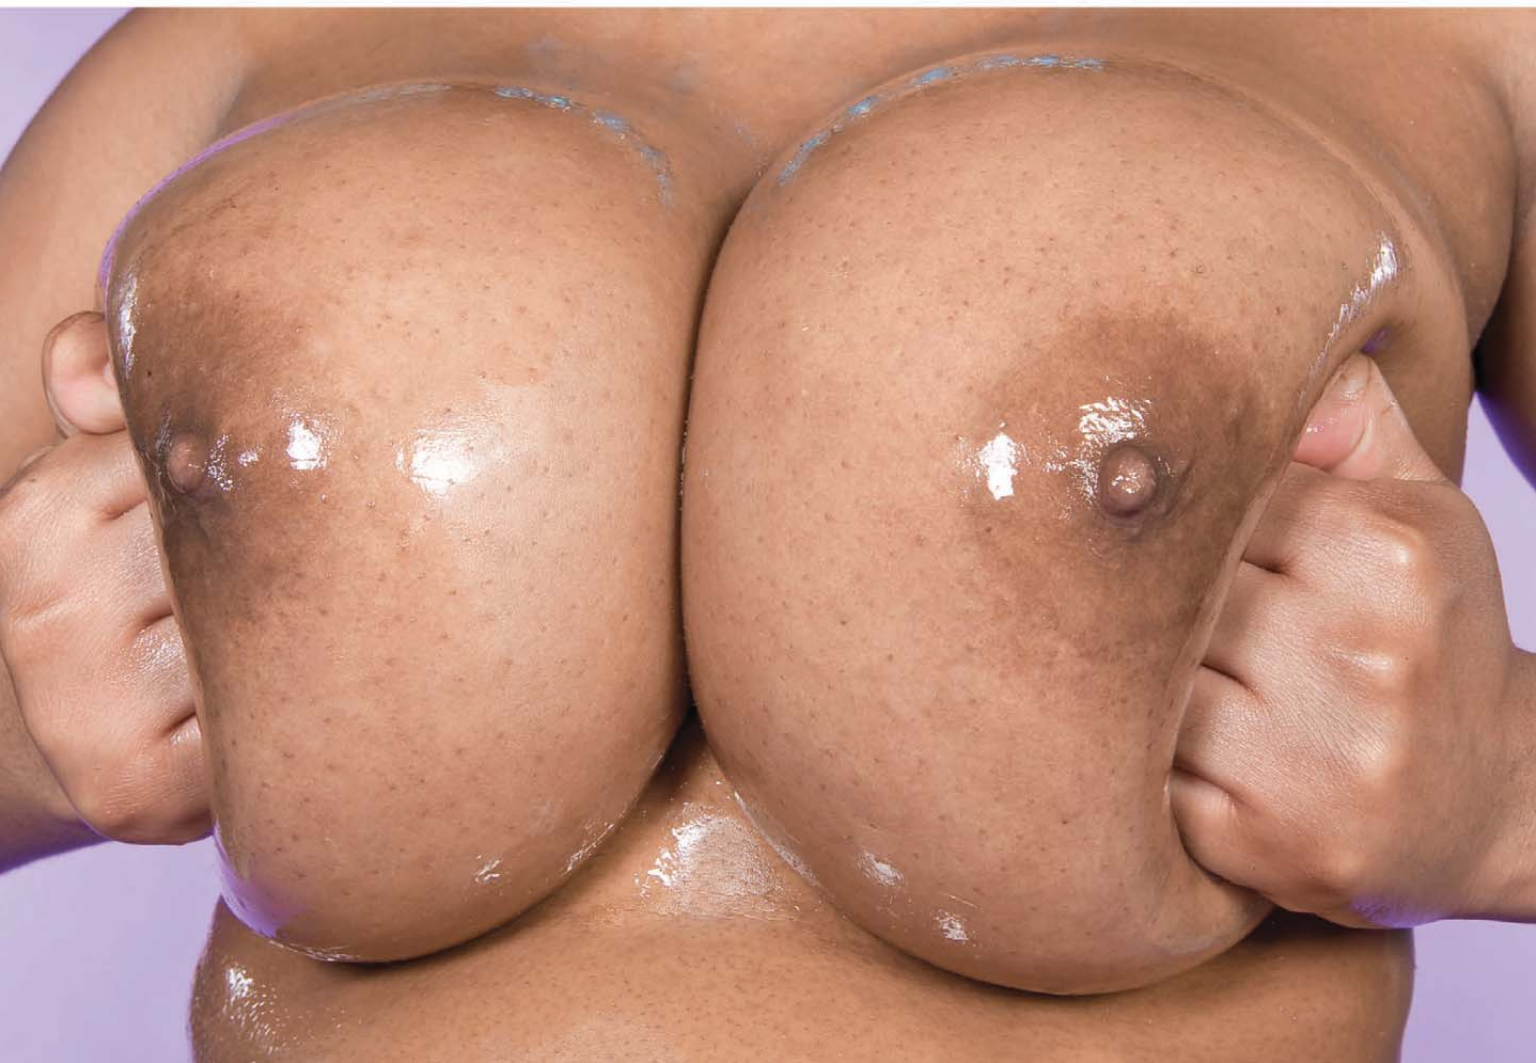

"I'm really into the tease," Aileen said. "If you saw me out, I'd probably be wearing a halter top and short, short skirts so my ass was hanging out a little bit. My tits are so big, men don't pay as much attention to my ass as they probably should." That might be the case, but we're going to stay focused on Aileen's rack. "I think it's funny when guys try to make believe they're looking at my face when all they're doing is sneaking a peek at my chest. It's okay. You can look!"

Aileen is a dominatrix. She knows how to use a whip, something she demonstrated during a sexy interview at Scoreland.com. She didn't demonstrate how she gives prostate massages. She told us. "I take a latex glove and slide it down my hand, and then I take my index finger and play around your asshole. Then I insert it to the end until I hit the prostate, and I milk the prostate gland. You'll just keep cumming, and you won't be able to stop." Too late, Aileen. Your curvy body already made us do that.

Dixie's Cups

DIXIE DEVEREAUX'S F-CUP NATURALS OVERFLOW EVERYTHING SHE WEARS.

Several months ago, Dixie was sitting at a bar in Southern California when the woman sitting next to her stared at her tits and asked, "Oh my God, are those fucking things real?" Dixie was amused. "Yes, they are," she said. "Go ahead and feel them if you want." The woman did, then asked whether Dixie had ever heard of The SCORE Group. "You should give them a call," she said. Dixie did just that. And here she is!

Dixie is used to getting attention. "I used to ditch class in high school, and I had to make it up by running laps," she said. "Guys would watch me and yell, 'You need fucking chains to hold those things up!'" Chains, maybe. Bras don't work. "I find bras that fit, but my tits are always busting out," she said. "It's hard to keep them under control, but that's no big deal. I'm an exhibitionist. I know there's more to being a woman than having big tits, but they sure are nice to have. It's like my tits put guys in a trance." Dixie, we're under your spell.

WE WISH WE COULD PUT ON DVD WHAT'S PLAYING IN HIS MIND!

Dear SCORE,

Please tell me that Rukhsana (June '09) will be doing hardcore soon. Baby has a great bod. I would love to see a big cock thrusting in and out of that irresistible pussy. And as she gets fucked, see those beautiful tits bouncing back and forth, up and down. Please let me know when she is going to do it.-J.L., Los Angeles, California

Dear J.L.: You can pray if you want to, but we're not sure you should hold your breath over Rukhsana doing boy-girl hardcore. So far, she hasn't even spread her legs and shown pink.

THE PHENOMS THAT ARE JANET JADE AND MIANNA THOMAS

Dear SCORE,

When I turned 49, I determined that women of African descent grow the greatest bodies, period. They are cute looking and grow the greatest boobs and asses by far. They grow more boob mass than any other race. I wouldn't change a thing about them.

I was disappointed Janet Jade didn't win 2008 Newcomer of the Year. To me, she was The Phenom. Karina Hart is awesome, but she wasn't The Phenom. Now you have Mianna Thomas. This proves my point about African women. It's almost as if a sculptor created them and they came to life.

In 1990, I tried to get married to a woman of African descent, but I was rejected. But in my heart, I always want a woman of African descent who is like Janet Jade or Mianna to start a family with.-E.F., Burke, Virginia

THIS MONTH'S LAST WORD...

Dear SCORE,

Some readers want more XXX, some want none at all. Some readers love dildos, some hate them. Some readers think you should keep out any girl who won't spread. Some just care about the tits. I've come to the conclusion that if you listened to everything every reader said, there'd be no magazine.

Victoria's Secret

**VICTORIA'S SECRET IS THAT SHE HAS BIG TITS.
NOW, FOR THE FIRST TIME, HER SECRET IS OUT!**

You might be saying, "How can Victoria's big tits be a secret? There's no way she can conceal those puppies." Ah, but she can! Victoria is a factory worker in a small city in the Czech Republic, and most of her co-workers are men. "If they knew what I really look like," Victoria told our photographer, "they wouldn't be able to concentrate on working."

Victoria disguises her soft, shapely body by wearing two sports bras and a baggy shirt under her work uniform, which is rough and shapeless. She wears no makeup, so by the time she gets to work, she looks like...well, one of the guys. "It is hard to be young and have a nice body and to have to cover it up all the time," she said. "That is why I decided to go to Prague and have these pictures taken. I wanted to feel like a woman." Victoria suspects, however, that some of the guys in the factory already know her secret. "I do not know how they know." We know. They're *SCORE* Men. They have boob radar. And to a *SCORE* Man, boobs like Victoria's can't be concealed.

short-shorts, and he noticed my boobs, so I got to meet him, too.

SCORE: Did you end up having sex with Ron Jeremy?

KIKO: No, but I gave him head.

SCORE: What happened that you ended up giving Ron Jeremy head?

KIKO: Me and one of my friends met him at the sex convention in Denver, and we were standing around talking to him, and we went behind the curtains and I gave him head.

SCORE: His cock is big, isn't it?

KIKO: It is, and he knows tricks, like he can make it go up and down in a second. And it doesn't take him very long to get hard, so he can control himself very well.

SCORE: How long did it take you to get Ron Jeremy off?

KIKO: I don't know. About 20 or 30 minutes. And then he gave me his room number and told me to call him later that night, but I stood him up.

SCORE: Poor Ron was sitting in his room waiting for your call. Is Ron Jeremy the most famous person you've ever had sex with?

KIKO: No.

SCORE: Do you want to tell me who is?

KIKO: I don't think I should. He might get in trouble.

SCORE: Okay. Can you tell me some of the famous people you've had sex with?

KIKO: I don't want to say because some of them are married and some of them have girlfriends and some of them are big-time sports players. I don't want to get them into trouble. But my boobs get a lot of attention from famous guys.

SCORE: I would think so. When you're at the grocery store and you're wearing these tight shirts, what kind of reactions do you get?

KIKO: The men stare at me and the women are mean. Some of them. That's just the way they react to me, but in Denver it's different because they don't see a lot of women with pushed-up boobs and heels.

SCORE: Do you always wear a bra?

KIKO: It depends. If I'm going to a club, no, because a lot of times my outfits are so tight-fitting, I don't need one, but during the day, I have to.

SCORE: So you would say that you've completely changed since you were 19 years old.

KIKO: Totally changed.

SCORE: Would you have ever guessed?

KIKO: Probably not. I had a few boy-friends who might've thought that I would come out of the closet, so to speak, but I was very shy and never thought about something like this.

SCORE: But you're not shy at all anymore, are you?

KIKO: Not really. And I say what I mean and I mean what I say. I don't hold anything back anymore. People have to accept me for being me.

SCORE: So you love your boobs.

KIKO: I love my boobs. I might even get bigger, I don't know.

SCORE: That's fine with us.

KIKO: But then I get scared. I think, "If I make them bigger, how much more attention would I get?" If I lived in California, then it would be okay, but in Colorado, it's not okay.

SCORE: So you've been living in Colorado for a while.

KIKO: Yes, because my mother lives in Colorado, and it's tradition that the oldest daughter takes care of the mother. And I'm the oldest.

SCORE: Of how many?

KIKO: Five. Two sisters, two brothers.

SCORE: Are your sisters built like you?

KIKO: No. I'm the biggest chest-wise and the smallest body-wise. I have no idea how that happened.

SCORE: Do you dance in Denver?

KIKO: Not right now.

SCORE: What do you do now?

KIKO: Right now I'm working for a mortgage company and I also do my own bookings for different things.

SCORE: What do you do for the mortgage company?

KIKO: I'm a loan processor.

SCORE: So you don't deal with the clientele that comes in, do you?

KIKO: Once in a while, but not usually. My boobs used to help me sell cars.

SCORE: Time out! You sold cars? You were a car saleswoman?

KIKO: Yes. I used to sell cars to a lot of men. Not too many women, though.

SCORE: Do you think a man ever bought a car from you just because of

June Summers

STREET SLUT

STANDING ON THE CORNER, WILLING TO FUCK ANY GUY WHO HAS A HARD COCK AND A FEW BUCKS TO SPARE.

There's no doubt what she is. She's a hooker, a street slut. "Hey, baby, you want this, don't you?" she says to passers-by. "We can make a deal." June Summers deals with her tits and pussy. Her mouth, too. She climbs into the car, and before you know it, she has your dick out of your pants and into her mouth. Because that's what street hookers do, and if you want to fuck her back at the motel, well, that's gonna cost you a little more. But that's okay. June is worth it.

Like the good hooker she is, June lets you know that she's enjoying her work. As Cookie, the hooker Woody Allen picks up in the movie *Deconstructing Harry*, says, "It beats waitressing." June swallows her john's balls, something a lot of hookers refuse to do, and then takes his hard cock deep in her tight cunt hole. "That's good slut pussy, right?" June asks her john, knowing the answer, and don't you love a chick who refers to her moneymaker as "slut pussy"? But you don't have to love her. You just have to pay her.

your big boobs?

KIKO: Yes, I do.

SCORE: He walked in, he wasn't planning on buying a car and he saw you and decided to buy a car?

KIKO: I think that happened two or three times. I know one was with a friend of mine. He brought his friend over, and the friend tried to impress me by buying one of the more-expensive cars that I was selling.

SCORE: Did it work?

KIKO: No. I'm a flirt, but I don't go out with too many men. I like being single, being on my own and doing what I want to do. I like being my own person.

SCORE: How can a guy impress you?

KIKO: By being intellectual. I like conversations with somebody who's smart and can eventually turn me on with his intelligence rather than flirt with me. Anybody can have sex, but you have to have a mind to get into my pants.

SCORE: So it's not a particular body part, other than the brain, that does it for you?

KIKO: No. A majority of the guys I hook up with are real smart.

SCORE: You know, I just realized: The Democratic convention was in Denver last year. Lots of smart guys.

KIKO: Oh, yeah! I love politics. I'm one of the biggest political groupies. If I could do anything, I would be in politics myself. But I wasn't in Denver for the convention. Too bad. I'm a big Bill Clinton fan.

SCORE: You've never had sex with Bill Clinton, have you?

KIKO: No! I've never even been near him. I wish I could, but I don't think his wife would like it.

SCORE: He doesn't like pretty girls so that would rule you out.

KIKO: No, he doesn't. But I have black hair, so maybe that would help. Monica has dark hair.

SCORE: If you had the chance to have sex with Bill Clinton, you would.

KIKO: Oh, yeah! No doubt about it.

SCORE: Is there anybody else in politics who turns you on? Obama?

KIKO: There aren't too many other politicians I'd want to have sex with. I love Mr. Bill. But like I said, I like smart men. I like attitude men. Nicolas Cage, Jack Nicholson, Bruce Willis. I like men who look like they know how to take

charge when they're with a woman.

SCORE: And those guys you just mentioned look nothing alike.

KIKO: No. It has nothing to do with looks. And they're probably not considered the sexiest men alive, like Brad Pitt or something, but I'd probably really enjoy sitting down and having a conversation with them, and that would turn me on.

SCORE: What is it about Bill Clinton that you like so much?

KIKO: His attitude. The way he sees the world. I like the fact that he's for the little man. He's not all about big business. He's not sitting around trying to get rich. He's trying to help the little people.

SCORE: Have you ever had sex with a famous person and said to yourself afterwards, "Wow, I can't believe I just had sex with that guy!"

KIKO: Yes. It was with a famous baseball player.

SCORE: Okay, you're teasing us too much! You gotta tell us!

KIKO: Pete Rose.

SCORE: You had sex with Pete Rose? The baseball player?

KIKO: Yes.

SCORE: And you found Pete Rose attractive and intellectual?

KIKO: Yes. He's a very smart businessman. He's still making money now even though he's considered the worst baseball player for gambling. He's still a good businessman. You sit down and have a conversation with him and he's got a great mind.

SCORE: Is Pete good in bed?

KIKO: He can do some things good. He can eat pussy well.

SCORE: Really? That's surprising to hear because I would not think that Pete Rose would eat pussy. I'd think Pete Rose was too self-centered to eat pussy.

KIKO: No. He's very good.

SCORE: Well, he used to dive head-first, so...

KIKO: But he came to me. I was walking around Vegas shopping. He had his manager and one of his bodyguards come get me, and they told me, "Pete Rose wants to meet you." I was looking at them like they were nuts, and it turned out that he did. So I figured, "Why not?" even though he's a lot older than me, so I met him and talked to him, and that night we went to dinner. He picked me up at my hotel. Then we went back to his condo and had sex.

SCORE: Who else?

KIKO: Several football players. Some

SCORE: Okay, you don't have to name names. How did we hook up with you?

KIKO: You found me on SexyJobs.com. I posted my own ad there just to see what would happen, and then I got an email from you guys. But I'd heard of SCORE since I've been in adult bookstores because I buy costumes all the time, and I always see the girls on the magazine with big boobs and thought, "How can I get in there?" And I figured it out. I wanted to be in the magazine, but I didn't have a clue how to get in.

SCORE: So SCORE is the first magazine you've been in, and the boy-girl scene you did for Scoreland was your first boy-girl on camera. How was that?

KIKO: Kinda scary but something new. Definitely something I can write about in my book.

SCORE: You're going to write a book?

KIKO: I've been thinking about it. It'll probably be fiction and non-fiction together. It'll be very interesting.

SCORE: You had sex with Pete Rose, and you said you've had sex with several other professional athletes. Do you like sports?

KIKO: I love sports. I'm a basketball fanatic. I like football, too. My favorite team is the Denver Broncos, and that's probably because of my father. My whole family roots for the Broncos. And in basketball, I like players. Allen Iverson. Dennis Rodman. He was a great rebounder. Charles Barkley.

SCORE: When you have a day off and you're not working, what do you do?

KIKO: It depends on the day. I like my Tivo. When I have time off, I like watching my favorite shows. I like the celebrity channel, too. TMZ. I like those things. I don't go out as much as I used to.

SCORE: Now, thousands and thousands of people are seeing you naked in SCORE and on Scoreland. Do you like the idea of that?

KIKO: Yes. This is kinda what I wanted to do. I thought about doing it for a long time. At first, I heard you needed an agent, but that's not true. And *Playboy* doesn't want me because I'm a dancer. So I'm glad SCORE doesn't care if you're a dancer or have an agent or not, as long as you have big boobs. This is where I belong. And I'm totally okay with people looking at my boobs. I'm not one of those girls who wears low-cut tops and then gets mad when people look. If you see me, go ahead, stare at my chest. I love it!

Christy Marks vs. **MONSTER COCK**

ELEVEN INCHES LONG. COKE-CAN THICK. EVEN EXPERIENCED PORN SLUTS FEAR MONSTER COCK. COULD CHRISTY TAKE IT?

It's hard to believe but just a year ago, Christy Marks was a video virgin. She had never done anything with a male penis on-camera until the October '08 issue, when we published scenes from her first tit-fuck movie, *Tits & Tugs 2*. Three issues later, in the Holiday '08 issue, Christy went all the way in a scene from *Christy Marks Gets Fucked*, in which she got slammed four different times. In the August '09 issue, Christy took it up the ass for the first time (with a little help from Holly Halston) for the DVD *Christy Marks Anal Angel*. But now, just when you think Christy has done it all—just when you think Christy has cemented her credentials to repeat as Model of the Year—she takes on the biggest sexual challenge of her life. Monster Cock. Eleven inches of rock-hard dick meat.

Christy loves to fuck more than anything, but she was both excited and apprehensive about her encounter with Monster Cock. "I hear it's like Godzilla-cock big," Christy said to our stylist prior to the scene. "I'm excited to see if I can do it. I'm scared, though. I don't know if it'll fit." When Monster Cock showed up, Christy didn't waste any time. "Can I see it?" she asked. When he pulled out his cock, which is not only long but Coke-can thick, Christy's eyes went wide. At first, she was speechless. "It's so big," she finally said. "It's huge!" Then she wrapped her mouth around it for the first time. "It's definitely a mouthful," she said. "I don't think I can get the whole thing in there. Not with my tonsils still intact."

She slurped. She spat. Christy got as much of Monster Cock into her mouth and between her tits as possible, then got ready for the ultimate challenge: getting Monster Cock into her tight pussy. "We're gonna have to work it in, though, because I don't think we're going to be able to—wham!—shove that in there!" she said. Christy spread her legs and gripped the couch as Monster Cock began to enter her. "Oh, my God, your dick's so big!" she moaned as Monster Cock bottomed-out. "I can feel you in my belly!" But it was in. All the way in. Christy had conquered Monster Cock!
