DID ARIANNA LOCK UP 2010'S TOP NEWCOMER IN FEBRUARY?

Dear SCORE,

I know you haven't even announced 2009 Newcomer of the Year yet, but for me, the competition for 2010 Newcomer of the Year is over. Just give it to Arianna Sinn (Feb. '10). Beautiful face, big, beautifully shaped, natural tits, great body...this girl has it all, and I can't imagine you're going to find any-one better (although I hope you do). I'm in love! The photo on page 46 with her tits hanging is the stuff that dreams are made of.

One more thing: I have to give you guys a lot of credit for finding Ariana and Cynthia Flowers in one scouting trip. Very impressive.—G.R., Asbury Park, New Jersey

Cynthia and her bountiful breasts were part of our bounty on a recent scouting trip.

Is the battle for 2010 Newcomer of the Year already over? Did Arianna Sinn seal the deal in her Feb. '10 debut?

Dear C.R.: Thanks! You can see more of Arianna and Cynthia at Scoreland.com. We devoted a week-long special to that scouting trip. You can also see Cynthia's first XXX boy-girl in the March '10 issue of SCORE, available on page 11. A video of that scene is part of the special.

TIMES ARE TOUGH, BUT YOU CAN ALWAYS DEPEND ON SCORE

Dear SCORE,

The Mamazon DVD has two discs and loads of extras. Is this a one-time thing, or are future releases going to be like this one.

In Anna Song's last pictorial (Dec. '09), she discusses how wild her sex life is. If her sex life is so wild, then how come she doesn't do hardcore?

I know this subject has been brought up before, but I want to put my two cents in. I'm talking about models with big tits and hot asses. A model doesn't have to have a big ass in order to have a hot ass. Not that I mind big asses. The models who come up are Daphne Rosen, Delotta Brown, Danni Ashe, Crystal Gunns and Dawn Stone. The one with hands-down the perfect

Sure, Janet Jade has great tits, but it's impossible to ignore her rear assets.

combo of big tits and ass is Janet Jade.

Finally, over the past few months, there have been a few music magazines that have folded due to the economy. I was pretty shocked when these magazines folded because they have big subscription bases. I've also read rumors of a few mainstream magazines being close to folding. So, I have to ask, is there any chance of **SCORE** and its sister magazines folding due to the poor economy? I know **SCORE** does not rely on advertising like most mainstream mags, but I just want to be reassured.—B.P., Toronto, Ontario

Dear B.P.: Sleep tight, B.P. Times are tough, but **SCORE** and *Voluptuous* are still doing fine. Yes, one of our sister magazines, *Leg Sex*, recently suspended publication, but its circulation was always low compared to our big-boob mags.

To answer your other questions: *Boob Science* and *The Breast of SCORELAND* are both recent releases and both are two-disc sets.

Anna Song doesn't do hardcore for a very simple reason: She isn't comfortable with the idea of doing it. There is a big difference between fucking on camera and fucking in the privacy of your own home. Most women would agree.

HE'S NOT ALONE IN HIS LOVE FOR ASHLEY SAGE ELLISON!

Dear **SCORE**,

I just have a few things I would like to say about Ashley Sage Ellison. I think she is the most beautiful, most sexy, most wonderful woman I have

The face. The tits. The look. Is it any wonder Ashley won 2009 Newcomer of the Year?

ever seen anywhere. I love and adore everything about the way Ashley looks. She is absolute feminine perfection in every sense of the word and is easily the most beautiful woman in the world. Ashley does not have to spread her legs or behind to look exciting and be sexy. She is perfect the way she is.—M.B., via email

Dear M.B.: Many of your SCORE boob brothers agree. Ashley was voted 2009 Newcomer of the Year.

HE LIKES TITS IN MOUTHS, BOOB SCARS, HICKEYS AND MORE

Dear SCORE,

Fantastic shot of Angelina Verdi on page 61 of the January '10 issue with her tit in her mouth and her hands parting a very well-preserved pussy. A perfect example for all models to follow. I also like her spread shots and arms-raised shots. Arms raised

Angelina shows perfect coordination by sucking and spreading.

makes the tits stand out more.

I would like to see Angelina and others do an exercise routine. Have a several-shot sequence of them in different positions with a tit in mouth, arms up, bent over, legs raised, on their backs doing situps and on a treadmill. Also make sure to have the boob-job girls pose tit-in-mouth and do tit-tug lifts to show off the undersides of their tits. Very sexy area. Boob-job scars are a turn-on, too. Don't hide them or air-brush them out.

I would also like other sexy big-tit special features like big, blue veins, stretch marks, hickeys, tattoos, nipple piercings, unequal breasts, long breasts and other unusual features.—Name and address withheld

AN UNUSUAL REQUEST: "PLEASE, KARINA, DON'T DO Hardcore!"

Dear SCORE,

In SCORE Super Naturals (SCORE Special #179), Karina Hart says she thinks she might be getting closer to doing hardcore and that she's excited about doing it. I nearly vomited when I read that statement. In fact, I was turned off a bit. How could she even consider such a thing?

Karina is one of my most admired models. She's one model I expect better from. Karina has to realize she's too good for that.

She has a chance to be one of the all-time greatest legends in the history of SCORE and V-Mag. Karina, you're rapidly approaching legendary status. Don't mess up a good thing. Follow the blueprint of past models like Sharday, Via Paxton, Nicole Peters, Kerry Marie and Lorna Morgan. They all held themselves to a higher standard.—S.M., Baltimore, Maryland

Dear S.M.:

We suspect that a lot of readers are going to disagree with

Is that a real cock in Karina Hart's pussy? It's hard to tell, isn't it?

you, but let's see. We will point out that Karina has already gone further than Sharday, Via, Nicole, Kerry and Lorna (who has never even fucked her pussy with a dildo). Karina tugs and tit-fucks a real, live cock in the DVD Busty Riding Academy...which, by the way, has sold very well. She also gets fucked by a dark strap-on in As You Wish, and at times, you'll have trouble distinguishing it from the real thing.

AN UNPAID TESTIMONIAL FROM A SATISFIED SCORE SUBSCRIBER

Dear SCORE,

As a long-time subscriber to both SCORE and Voluptuous, I strongly encourage casual readers to consider the many benefits of having a magazine subscription.

The most obvious benefit is savings. If you buy five or more magazines per year, you would be surprised to find that a year subscription will actually save you money. Also, as a subscriber, you receive an additional 15% off SCORE Group back issues and videos. These savings can really add up over time.

Another benefit is time savings and discretion. As a subscriber, you save time by not having to make a special trip to your favorite newsstand. You may meet someone you know during the time of your purchase or encounter insensitive sales staff. You must also

A PAIR OF BLUE-VEINED BEAUTIES AT THE STORE MADE HIS DAY!

Dear *SCORE*,

The other day while grocery shopping, I encountered a girl who is my kind of people, so to speak. She was slim and rather pretty, although at first I hardly noticed that. And she was dressed rather conservatively except that the neckline of her blouse was cut about as low as it could be, legally speaking, to showcase a rack that was huge, quivering and even vascular to some extent. I mean with a blue vein or two showing on the creamy nakedness. Right on the verge of being gross, you know what I mean?

This vascularity thing interests me as I have not really seen it too often on tits. I think I would notice it if it were there. Minka has it, for instance, although not real prominently. But with Minka, I figure it is only logical that such massive implants would increase the blood supply of the supporting structures. The grocery store

Renee Ross proudly shows off her blue-veined beauties. Imagine seeing her at the grocery store!

lady, on the other hand, had tits so perfect, both as to size and quiver, that I figured they had to be naturals.

My fantasy is that she got them that way and maintains them that way by simply milking them a lot or by having it done. Seems like that would be a better way to go than implants, and with the added advantage that the hormone changes, etc., might make for a lushified pussy, too.—C.H., Los Angeles, California

*Dear C.H.: We were with you until the thing about the lushified pussy. But as for prominent veins in breasts—or blue-veined beauties, as we like to call them—they're uncommon but not rare. Renee Ross has a huge pair of blue-veined beauties, and her veins actually become more prominent when she gets aroused. Until she came to The *SCORE* Group, Renee was unaware that the blue veins in her breasts were actually a good thing. Check out her XXX videos on *Scoreland*. You'll see that the hornier she gets, the more her blue veins pop out of her breasts. It's quite a sight to see. Readers, we'd love to hear what you think about blue veins in breasts. Love 'em? Hate 'em? Intrigued by them?*

EVERY BRA WINNER IS FROM NORTH AMERICA. COINCIDENCE?

Dear SCORE,

Cindy Cupps bra giveaway (Nov. '07 SCORE), won by J.G., Wisconsin, U.S.

Tera Cox bra giveaway (Feb. '08), won by N.G., Texas, U.S.

Summer Sinn bra giveaway (May '08), won by S.M., West Virginia, U.S.

Christy Marks bra giveaway (July '08), won by G.S., California, U.S.

Kelly Kay bra giveaway (Aug. '08), won by J.D., Toronto, Canada.

Chloe Vevrier shirt giveaway (Nov. '08), won by B.B., Oregon, U.S.

Morgan Leigh bra giveaway (Dec. '08), won by J.D. Toronto, Canada. Wow! Two-time winner. Lucky guy!

Carmen Hayes bra giveaway (Feb. '09), won by S.S., Pennsylvania, U.S.

Minka bra giveaway (April '09), won by L.E., Alberta, Canada.

Angel Gee bra giveaway (Aug. '09), won by C.O., New York, U.S.

Ten out of the last 12 contests (the winners of the Marilyn Sakova bra giveaway in the June '08 SCORE and the Miss Emma bra giveaway in the March '09 SCORE never had their geographical locations disclosed) have been won by residents of either the United States or Canada. Helluva coincidence, don't ya think? Either that or people from Europe and the rest of the world don't bother to enter.—K.S., United Kingdom

Dear K.S.: For some reason, very few Europeans or UK residents (or other nationalities) enter. In the most recent Morgan Leigh giveaway, every entrant was from the U.S. It could be that since the contest is only open through posted mail, not email or fax, Europeans don't want to bother with going to the post office and figuring out the proper postage. This is only a guess, of course. It's also true that we have far more readers in North America than in the U.K.

Then again, we detect a little sarcasm in your letter, K.S. You should know better: You're from the U.K., and you won an honorable mention in the SCORE DVD Catalog's scriptwriting contest.

Okay, readers in the United Kingdom and the rest of Europe: Get those entries in for this issue's bra giveaway (see "Boob Beat" on page 15 for details). Natalie Fiore's bra is definitely worth winning, especially since her growth spurt!

Q&A With Alana Anderson: Never Been Tit-Fucked!

Alana Anderson (December '09) has a pair of perky, pointy, puffy and large nipples that make breast men drool. She likes to model sexy outfits, heels, bikinis and skimpy underwear for guys, then toy her pussy while they watch. Now that's entertainment! A milker, Alana talked tits and bras with us for Boob Beat.

SCORE: What brands of bras do you buy and where do you buy them?

Alana: My favorite bras always have lace or a lace overlay. I like to buy Pour Moi and Fredericks.

SCORE: When you're trying on a bra, what do you do to test whether it's going to fit right?

Alana: I buy most of them online, but when I buy one in person, I step out of the dressing room and ask, "Does it look okay?" If the guy I'm with looks excited, then I buy it.

SCORE: How long does a bra last before you

throw it out?

Alana: About six months. Then the straps start to loosen too much.

SCORE: Do you like your nipples sucked hard or soft?

Alana: Yes, but the other way around. Suck them softly first then hard and deep.

SCORE: Is tit-fucking a regular part of your sex life?

Alana: No, but that's only because no boyfriend has been interested in tit-fucking me, although if one wanted to, I would be happy to let him. I guess since I have never been tit-fucked, that makes them virgin tits. Can you believe that? Oh, yeah, did I mention that since they have milk in them, they have a warmer body temperature than without milk, so I'm sure that would be a plus. Hmm, maybe next photo shoot!

SCORE: Has a guy ever asked you to breastfeed him?

Alana: Yes! I have milk and love to have a guy suck on them.

SCORE: If we were to see you shopping, what would you be wearing?

Alana: In hot weather, a small, low-cut top and a mini-skirt with casual wedge heels. In cold weather, a tight sweater and pants with knee-high heeled boots. I almost never wear flat shoes since I'm so short. I'm only 4'11".

SCORE: One last thing: How did you find out about SCORE?

Alana: A guy online told me. I saw that a couple of iFriends web-chat hostesses had modeled for you. I asked those girls, and they had good things to say about you, so here I am!

No cock has plowed her boobs so she calls them "virgin tits."

Pandora was voted "The Fairest" in June 2000 SCORE.

Ten Years Ago In SCORE

In the June 2000 SCORE, Pandora Peaks was announced as the winner of "The Fairest Of Them All" beauty contest. Over 8,000 readers and Scoreland.com members voted in this contest that featured 20 girls.

The runners-up of the contest were, from second place to 10th: Linsey Dawn McKenzie, Chloe Vevrier, Traci Topps, Dixie Bubbles, Alyssa Alps, Tiffany Towers, SaRenna Lee and Minka.

Among the other highlights that month: the debut of Jessica Justice; "At Home With" featured Heather Hooters at her Michigan forest retreat; our "On The Road" columnist and exotic dancer Alyssa Alps went to Cancun, Mexico, North Carolina and New York City; Dave Cummings pounded Sierra in SCORE Xtra; Angel Eyes went nipple-to-nipple with Lovette in an unusual pairing; and Casey James wrapped up the month with her gigantic tits. Did you save that issue, veteran SCORE Men? We hope so.

Win Natalie Fiore's Boob-Buttress! It's Bigger and Better Because Her Tits Are, Too!

The great French superstar of SCORE (December '09) and *Voluptuous* (October '09) and star of the DVD *Natalie Fiore: Naughty In Nassau* has something very big she wants to get off her lovely chest.

One lucky SCORE reader is going to own the massive brassiere that Natalie wore during her most recent photo shoot with her favorite studio. (That'd be us!)

This lacey bra is underwired, hooks in the back, and the inner cup was autographed by Natalie on the morning the SCORE photo crew arrived in Europe. Natalie's tits are now 38G due to a late growth spurt in 2009, but she wore this 38D-cup on special occasions to give herself

incredibly overflowing cleavage.

To win, simply write on a sheet of paper your name, address and email address and the statement, "I am 18 years of age or older and I want to win Natalie's bra" and mail it to "Win Natalie Fiore's Bra, SCORE Magazine, 1629 NW 84 Avenue, Miami, FL 33126 USA." No purchase is necessary. Multiple entries will not increase your chances of winning. (That means you, President of France Nicolas Sarkozy.) SCORE is not responsible for bra seizures by customs agents or brain seizures caused by staring at Natalie's tits. Your entry must be postmarked by June 30, 2010. Sorry, no email or fax entries for this contest. Good luck!

They're not kissin' cousins, but they could be. When Jessica Taylor (May '10) arrived at the SCORE Studio, we thought she was Jolie Rain (Sept. '08) for a second. They're alike in another way, too: a guy was responsible for them showing their tits to us. Readers can be our breast model scouts.

Jolie told us how she came our way. "I was working as a bartender in a sleazy place, and he saw me in a tank top and said, 'Wow, you have amazing breasts. I love this magazine, SCORE. I'm the biggest fan, and you should totally try out.' I was like, 'Well, I don't know,' and he said, 'Please, you'll make everything come true for me.' And finally I said, 'Okay, I'll give it a shot.'" Not only did she give it a shot, Jolie polished the hard wood online at BigBoobsPOV.com, BigTitHooker.com, TitsAndTugs.com and Scoreland.com.

As for Jessica, she told us, "A friend of mine who lived in Florida told me about the magazine, and I called and sent my picture in, and 48 hours later, here I am. It happened pretty quickly, actually. I've never modeled before."

Super High-Tech Water Bra Massages Tits, Too

Spanish bra-brainiacs have invented a new bra that both supports and massages breasts. The Hidrosens bra uses hidden pouches of water and air to uplift and motion sensors to constantly adjust the fit of the pouches. Lingerie and female products company Teleno claims that the massaging action of their super-bra gives women a sense of "well-being and peace." According to their website, Teleno.es, "Women feel more comfortable and their breasts look more firm and natural, apart from the fact that they can show off their cleavage. The bras have undergone extensive testing by doctors, and the tests show they increase blood flow to the breasts, improve lymphatic drainage and prevent sagging. So not only do you look like a million dollars but you really feel it as well."

Survey Sez!

At Scoreland.com, we polled members asking, "Do you like photo sets and videos with a strip club or lap dance theme?" Here are the very mixed results from 638 SCORE Guys.

Love them: 24%

Like them: 23%

I'm indifferent: 38%

Hate them: 14%

Ashley
Sage
Ellison

**BEAUTIFUL FACE.
HUGE NATURALS.
SHE'S OUR NO. 1
SCORE GIRL!**

When Ashley Sage Ellison debuted in the June '09 issue, we knew she was special. That issue was dedicated to the *SCORE* Awards winners, but we squeezed Ashley in and asked, "Are you looking at the 2009 Newcomer of the Year?" Well, the voting was close throughout—the closest ever—but in the end, you named Ashley Sage Newcomer of the Year.

The debate started when Ashley debuted: Is she a *SCORE* Girl? Or is she more of a *Voluptuous* model, stacked and packed rather than slim 'n' stacked? As always, we asked you, the *SCORE* Men, to answer that question, and in many ways, you were split. The online voters gave Eva Notty a slight edge over Ashley Sage Ellison with Faith a distant third. The magazine voters gave Faith a slight edge over Ashley with Eva a distant third. Ashley's consistency between the Scoreland vote and the magazine vote gave her the win by one half of one-percent!

"Innocent and absolutely beautiful," was R.D.'s comment about Ashley. Phil wrote, "Is it too early to vote for Ashley Sage Ellison for model of the millenium? Don't need dildos and dicks, nor want them. That beautiful body and daring, pouty face are over-the-top sexy." M.B. from Pickering, Ontario wrote, "She is the most beautiful and sexiest woman in the world. She has the face of an angel and a body to match. There is absolutely nothing about the way she looks that is not total feminine perfection. She would be the most gorgeous model in the magazine even if she covered her body with a garbage bag." Of course, Ashley doesn't do that, but she doesn't spread her legs, either. Yet her many admirers don't mind. They love her huge, white, pillowy breasts, along with her beautiful face and sexy pout. Imagine sticking your cock between those pillows and fucking them hard, Ashley pouting to catch the tip of your cock in her mouth. The readers have spoken, and Ashley is a **SCORE** Girl.

TALKING TITS AT THE BIG-BOOB BLOG

The SCORELAND Blog was launched last summer and has become a place where big-tit lovers hang out to talk about the objects of their affection. SCORE Editor Dave Rosenbaum, "Boob Beat" columnist Elliot James and Voluptuous editor Maria Guerrero dish out the topics, and everyone is invited to join in on the conversation. Here's a collection of the most popular and controversial Blog postings, along with comments from the Blog followers. To read more, log-on to blog.Scoreland.com.

CLEAVAGE: A MAGNETIC VALLEY FOR YOUR EYES.

Posted by Maria

As far as I am concerned, when a chick is showing cleavage, she WANTS you to look at it. So let me set up the situation for you.

You have me, a big-boobed chick, out to lunch with a buddy of mine. So, my buddy Mario and I are waiting to be seated at a local Colombian restau-

dude, look at that cleave crack at 12 o'clock," and I realize that he is also fixated on the funbags ahead when she looks up and catches us staring at her.

That's when two things happened.

1. Mario elbowed me and whispered, "Stop staring, stupid."

2. She grabbed her napkin and covered her tits and sort of snapped me out of my boobnotized state.

Shortly after that awkward moment

Cleavage: It was meant to be stared at.

rant. While we are waiting, I notice this chick sitting at a table directly ahead of us. She is immersed in a deep convo with her lunch date and doesn't even glance in our direction. Normally I would have glanced at her and kept going, but here is where it gets sticky.

First of all, this chick had MONDO tits. Second of all, she was wearing this low-cut sweater thing that showed off what I like to refer to as A VALLEY OF TIT CREASE. I'm talking about a fucking Grand Canyon of cleave, dude.

So I look over at Mario to say, "Hey

passed, our host sat us, and when we walked by, she distinctly whispered the words, "Fucking perverts." HISSED is more like it.

Now, here is what I have come to vent about on the blog, because, well, I can! WHY AM I THE FUCKING PERVERT WHEN SHE WAS THE ONE WEARING HER CHESTICLES OUT AND ABOUT?!? IT'S NOT MY FAULT SHE WAS FLYING THE TIT FLAG OUT THERE ALL PROUD AND I HAD TO SALUTE IT WITH MY EYE-BALLS, IS IT?

THE GREATEST HITS AND TALES OF TITS FROM THE SCORELAND BLOG.

As far as I am concerned, if you are showin' off your pair, prepare for the stares.

That's my rule and I'm stickin' to it.

COMMENTS

Angela White

I know that when I have put effort in to looking good, then I want people to look and appreciate, but there is a difference between creepy staring and appreciative staring. I am always wary when I see a woman staring at my tits because more times than not, I'm braced for a bitchy comment... it's a sad world where women can't appreciate other women :(

Jack

It's all about the situation. A busty gal in a tiny bikini on a beach would likely be more comfortable with stares whereas a mother with kids would not. I find if a person smiles and the gal smiles back then everything is OK.

Jade

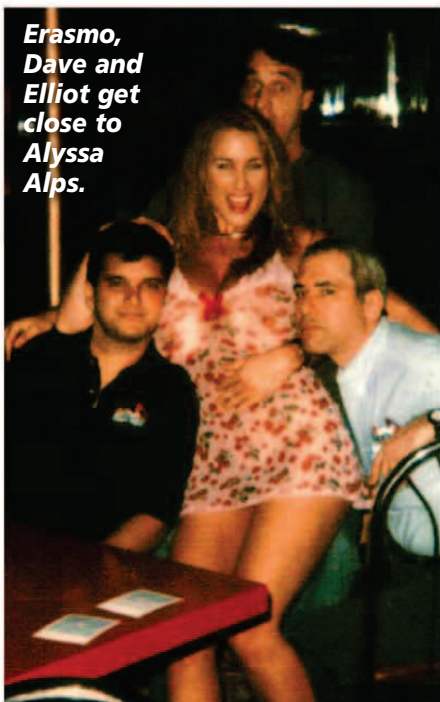

U r all screwed in the head! If u bear ur cleavage ur asking for it. Thats rapist talk all of u sickos!!! Im a 30J an I dont show them off. BUT I STILL have ppl staring WAY too much an make comments like Im asking for it!! It makes me SO MAD that u have NO manners!! Didnt any of ur mothers tell u its rude to stare!!!

HAPPY BIRTHDAY, ALYSSA ALPS!

Posted by Elliot James

I want to pay separate tribute to Alyssa today. Alyssa wrote a column in SCORE called "On The Road" that began in the January '98 issue and ended in the June '03 issue. I enjoyed reading the columns about Alyssa's trips to clubs all over the USA and see-

ing her photos with strip-club fans and the *SCORE* readers who'd go to see her shows and have a drink with her. It was really cool.

If you have those older *SCORE* issues and read her columns, you know the feeling. She was buddies with a ton of *SCORE* Girl feature dancers, so they often popped their buttons in one photo or another in many columns.

The photo above is beat-up and grainy because it's a scan of a Polaroid taken on September 28, 2001. These days, everything is digital and doesn't age and color-fade like chemical pics on paper do, so there is no sense of a passage of time. When Alyssa was in Florida to dance at the Treasure Island club in Hialeah, Dave, Erasm (our DVD supervisor) and I went to see one of her lunchtime shows, which we, uh, really, uh, enjoyed. Someone snapped a shot of us, and I put it in my photo album.

I could go on about Alyssa's New York Xmas shows at Flashdancers and being helped out by her at the Exotic Dancer Fan Fair shows she coordinated in Vegas every August, and how every year, Alyssa used to ship the office a box of her homemade Xmas cookies. But I'm starting to get all depressed and morose, and Alyssa wouldn't like that.

COMMENTS

Dino

Always enjoyed her column especially if it featured her partner in crime Leslie Wells! I'm sure Alyssa is married some-

where raising kids and baking. The one thing I really loved about Alyssa was her ass!! She had a great ass with that little devil tattoo.

Rod Peters

A friend of mine out in Tucson has some Polaroids of Alyssa when she was doing feature dancing in that town. He tells me they are among his prized possessions.

THE WHIPPED CREAM DEBATE

Posted by Maria

Round these parts, I find myself in conversations with other editors, art directors and staff, and one of those convos was about the whole food and tits situation.

Some people were all for food and jugs making lovely music together. (Like when Annina coated her tits in the Holiday '08 issue of *SCORE*.)

And others saw pics of Cynthia Romero's foodie boobs from the Jan. '06 issue of *SCORE* and raged against it with a fervor usually reserved for our Piercings and Tattoos Debates.

**Cynthia

And so the debate raged on and on, and when it was all said and done, it boiled down to one thing and one thing only.

Whipped cream.

I've noticed a couple of uncanny resemblances with several *SCORE* Girls, not in breast size or shape but facially.

The first two are Michelle Bond, a girl-next-door from Wirral, England who's modeled many times since 2002, and Isis Haze, a new hottie from Madison, Wisconsin who was discovered by *SCORE* reader Rick Rueping. The girls could be sisters.

And then there's Europe DiChan, a long-time *SCORE* model who sailed on four Boob Cruises, and Michelle Honey (July '09 *SCORE*), a model from Las Vegas. Europe, of course, has much bigger, heavier tits than Michelle, but I'm just focused on faces right now...for the first time in a LONG time.

rates the foodies from the non-foodies in our office. All of the staffers who

were adamantly against food-on-jugs action said that whipped cream was the exception.

So what say you, big-tit lovers? Is food on boobflesh A-okay, or is it a titty taboo? Is whipped cream the universal peacemaker for this debate?

COMMENTS

Viggo

Well, Maria, I think I'm with the anti-foodies (you wouldn't believe that if you saw me). At least when it comes to pics and videos. In real life it's a whole other matter. But then there are some photo sets that make me think i'm wrong. I still remember very clearly the stripper pics of Crystal Gunns where she covered herself with chocolate and milk. Now who wouldn't want to lick her clean?

Pablo

I'm with Maria on this one, like as long as it doesn't look like a refrigerator accident, as long as it's not too messy, I'm good for it.

Matador

Not my thing. If it's going to be boobs with food then it had better be a turkey breast or chicken breast. Otherwise, I like my food and my boobs separate.

A MESSAGE FROM THE AMERICAN HARD-ON ASSOCIATION

For me, models smoking is a guilty pleasure. I'm anti-smoking and have dated only one smoker in my life. I have never been a smoker, and it bothers me when people I love smoke. It's bad for them.

But when a busty (or not-so-busty) model (or a stripper in a club) smokes a cigarette, my

Merilyn enjoys a smoke before smoking cock.

Does good girl Ines smoking get your dick hard?

dick gets hard instantly. And the smoking blow job? Forget it. She takes a puff of her cigarette, then takes a puff of the cock, and there's smoke everywhere, and it's incredibly nasty. In a good way.

I think I know why I feel this way. When a girl smokes cigarettes and does porn, she's doing two things she's not supposed to be doing. And I like that.

COMMENTS

Tom

I'm conflicted on this question. I'm a non-smoker and I have never been in a relationship with a woman who smokes. I do agree with you that in some situations, e.g., fetish photos, smoking is sexy. In general I would prefer to not know that any of the models I really like are smokers.

Mr Brum

Oh man, I totally love smoking photos. I think you've hit the nail on the head with the bad girl doing something naughty hypothesis. I think Freud would have something to say about oral fixation as well.

VOYEURISM: SOMETIMES IT HAPPENS

So there is this lady who lives next door to me. Let's call her Cougarella. She is in her 40s and has these huge bazoombas. She's augmented. She has an Amber Lynn Bach-type of body. She isn't too hard to look at, that's for sure. Dave would say she's a MILF.

The other day, I was BBQing in my backyard, and I happened to be staring at my fence while I flipped some steaks. That's when I saw her. Cougarella. Right through the slats in the fence posts. Naked as the day she was born. In a gardener's hat, gloves and those hideous Croc shoes that should be banned. But the rest of her was naked. NAKED! I kinda went, WTF?! But I couldn't look away. WHO COULD LOOK AWAY? Every time she moved, her tits would sway. It was a sight to behold.

So I made it my mission to start asking around about Cougarella's nudity. First person was my neighbor across

Eva
Notty

SHE'S TALL, STACKED AND BEAUTIFUL. SHE FUCKS, TOO!

It was the classic battle: the super-natural vs. the slim 'n' stacked **SCORE** Girl. In 2002, slim 'n' stacked Crystal Gunns won out over Annie Swanson for Newcomer of the Year. In 2009, Eva Notty—who resembles Crystal in many ways—represented the slim 'n' stacked set...and nearly won out.

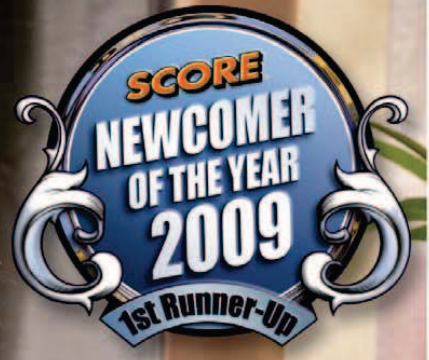

The magazine voters went for the natural, Ashley Sage Ellison. The Scoreland voters went for Eva Notty, the classically slim 'n' stacked *SCORE* Girl. One possible reason for the disparity is that during the voting period, Scoreland members had already seen Eva fuck on film while the magazine voters hadn't. If Eva's XXX pictorial in the April '10 edition had appeared a few months earlier, would she have won? It's impossible to say. But this much is certain: With her DVD debut in *Boob Science*, featuring a scorching hardcore scene, Eva is well on her way to *SCORE* greatness and is an early favorite for 2010 Model of the Year. "She's one of the sexiest women ever," reader R.S. declared.

"Is there any part of Eva that isn't perfect?" asked D.W. of Seattle, Washington in casting his vote. "Start at the top with her beautiful face and long hair. Then there's her perfect tits, tapered waist and round ass. Of course, who could overlook those long legs that seem to go on forever? Ask any man to describe his dream girl and she'll look like Eva. And she fucks, too." In other words, Eva is perfect.

**WE'RE NOT JUST
BLOWING SMOKE.
FAITH IS RED HOT!**

In the early 2000s, the United Kingdom was on the verge of domination in the area of naturally stacked women. Having already given us Linsey Dawn McKenzie, Lorna Morgan, Kerry Marie and many others, the UK asserted its natural dominance when Nicole Peters won 2003 Newcomer of the Year and Kelly Kay won 2004 Newcomer of the Year. But then, a drought...until now.

In 2009, the UK's naturals rose again and made us rise again. Ashley Sage Ellison from Manchester, England, won Newcomer of the Year. And Faith, who's from the county of Yorkshire, England, finished a close third. In fact, Faith won the voting among magazine voters, but she finished a distant third behind Eva Notty and Ashley Sage in the Scoreland voting, resulting in the close third-place finish. How close? Less than two-percent of the total vote separated the top three finishers in the voting.

With her gorgeous face, perfect body and smoking-hot modeling style, Faith is one of the most perfect girls we've ever seen. She had been a presence on the Internet for some time, but in 2009, she finally arrived with her *SCORE* debut, making her a *SCORE* Girl and elevating her to elite status. Wrote K.D., "The newcomer category was tough this year, as always. I love Ashley Sage Ellison as much as the next guy. I have a thing for pierced nipples, giving Angel Gee a lot of points. I love Mianna Thomas so much. Maggie Green is awesome, and Eva Notty is pure sex. But then there's Faith...blonde and beautiful, slim and stacked, and she's got a pierced navel. She wins...you gotta have Faith!"

the street, a retired police officer. We will call him Officer Krupke. When I asked, Officer Krupke laughed and told me that she would put on the topless window show every day at three p.m. without fail.

Then I asked my other next-door neighbor, Mrs. Rodriguez, a housewife and a general Cougarella hater. Her report confirmed that Cougarella had been putting on the tit-show for over a year now. Except when she told me, it wasn't as happy-go-lucky as Officer Krupke's report. "That fucking slut! I want to claw her fucking eyes out. I've caught my husband looking at her. She has no shame! You should say something to her about that. She is your neighbor, you know."

Her request that I say something got me thinking. Should I say something? What if this MILF got her kicks being an exhibitionist? Who was I to ruin her good time and, apparently, the good time of all the penis'ed folks in my neighborhood?

I mean, voyeurism...sometimes it happens, right?

COMMENTS

Viggo

Maria, you should tell her. There's a good chance you'll get lucky with that one. Although I'm not sure this story is 100% true.

Sienna Hills

She more than likely gets turned on by the idea of what if someone is watching...I know that I would...I run around naked all the time...indoors and outdoors...but I also live in the middle of the woods.

Mr Brum

Man, I wish I had neighbors like this. I would happily continue to catch as many of her shows as I could, if possible working out a way to watch her and jack off surreptitiously. She must be a real exhibitionist.

"SUCK MY BALLS! EAT MY ASS!" AND OTHER IMPORTANT ISSUES

Posted by Dave

The SCORELAND Blog voters have spoken, and they have a message for all you girls out there: "Suck my balls! Eat my asshole!" That's right. "A blow job is not just about my cock-head and shaft," they're saying. "It's about my sac and asshole, too!"

We asked, "When a girl is giving you a blow job, what should she suck?" Here's how the results turned out:

"Head, shaft and suck those balls, too!" got 53%

"Suck my shaft! Suck my balls! Eat my asshole!" got 26%

"Just the head and shaft!" got 21%

Just remember, guys: If you want your girl to pay attention to your balls and asshole, rub-a-dub-dub!

COMMENTS

A woman can lick my balls but not suck them.

Jade

I love it when a guy tea-bags me and I beg my bf to let me blow him. Trouble is, his balls r too big to fit in my mouth. I like to double dunk. They're just too big for two at a time.

Veronica Vaughn

My personal style is deep-throating and licking the balls at the same time. Seems to drive them "nuts"!

Lee

Include me in the 25% who don't want their balls sucked. I do too much squirming and giggling. Nobody needs to see that.

Sir Juan-derful

I have to admit, I was real leery of a woman licking or sucking down there? But once it is done!? OMG! If they lick in that little spot between your asshole and ball sack? You will be in for one hell of a nut/orgasm!

**MANY NEWCOMERS FUCKED IN
2009. NOBODY DID IT BETTER.**

The last time we saw Sharon Pink, in the February '10 issue, she was by herself. And, yes, she looked gorgeous and sexy showing off her F-cup tits and spreading her juicy cunt. If ever there was a girl with an apt last name, it's Sharon. But the fact is that a girl like Sharon shouldn't be by herself. She shouldn't have to diddle her own clit and fuck her own pussy. So here's Sharon, again, the way she should be.

Sharon debuted in the March '09 issue and just missed being a finalist for Newcomer of the Year, which shows you how strong the field was. But we found a place for her in this, our annual awards issue, because if there were such a thing, Sharon might have won Hardcore Newcomer of the Year. "I like to look at the camera when I take a man in my mouth and pussy," Sharon told us through a translator. "I think about pleasing the man I am with and also about pleasing all the men who will be seeing my pictures or watching my videos. I like it when you think about fucking me." That would be right now, Sharon. We're jacking, cumming and thinking about you.

The first 15 members of the **SCORE** Big-Boob Hall of Fame had one thing in common (in addition to their big boobs): They all debuted in the 1980s and '90s, meaning the modern era of busty babes had gone unrepresented. Until now. Sharday, who was 18 when she debuted in the Nov. '01 **SCORE**, is the first Hall of Famer from the 2000s.

Sharday became eligible for the Hall of Fame in 2007, but many *SCORE* Men held back their votes for her, hoping she would come out of retirement. Finally, the girl who we called "one of our greatest discoveries ever" when she debuted in the November '01 issue, got the votes she needed, beating out Autumn-Jade, Cindy Cupps and Casey James. "From top to bottom, she's one of the sexiest ever, and she helped usher in the era of all-natural *SCORE* Girls," wrote M.P. of Ogden, Utah. Wrote J.Z. via email, "She left us far too soon, and finally her time has come."

Sharday on the cover!

Sharday walked into our studio on her 18th birthday and landed on the covers of the Nov. '01 issues of SCORE and V-Mag (top row). Of 12 cover issues, only the Sept. '03 SCORE (fourth row from top, left) and Dec. '06 SCORE (bottom left) are not soldout. From the first day of her career to the last, Sharday was a SCORE Group exclusive.

Sharday's career included 12 main cover appearances, 2001 *SCORE* and *Voluptuous* Newcomer of the Year, 2002 *SCORE* and *Voluptuous* Model of the Year and now her Hall of Fame induction despite having never done boy-girl, girl-girl or inserted a finger or dildo into her pussy. SHOULD WE HAVE AN AWARD FOR BEST XXX PERFORMER?

Dear SCORE,

I have been a devoted online follower of all your website for over 10 years. I routinely vote in the year-end awards, but I am disappointed that an obvious award category is missing. This year-end award category can be cross-branded like the SCORE Big-Boob Hall of Fame category and it shall be called "The Hardcore Performer of The Year."

The viewers and readers need to give your hardcore performers their due because, outside of a select few (less than a handful), they get overlooked and left out at awards time. So let's get add it on for 2010.-J.M., via email

Dear J.M.: Interesting idea. Let's start with some informal nominations from the class of 2009. Any suggestions, readers? We think highly of Sharon Pink's fuck skills. You can see her latest XXXcapade beginning on page 45 of this issue.

NO NATURAL IS BETTER BUILT THAN JANET JADE.

What did Janet do in 2009? Glad you asked. She tit-fucked again and teamed with Christy Marks to coax the cum out of a lucky guy's balls. At Scoreland, you can see her pussy getting drilled by a mechanical dildo. But best of all, Janet kept being Janet. She kept being super cute and incredibly stacked.

In 2008, Janet was first runner-up to Karina Hart for Newcomer of the Year. This time, she's second runner-up to Karina and Christy Marks for Model of the Year, putting her in impressive company (and making her arguably the greatest black 'n' stacked model ever). Wrote M.G. from Baltimore, Maryland, "Rarely do we see the combination of incredibly cute, incredibly sexy and incredibly overflowing super-stacked that we do in Janet."

Wrote B.P. from Toronto, Canada, "Everything she has done on video and in pictures is classic stuff. Any pictorial in *SCORE* with Janet was usually the best in that issue, and any of her scenes in a DVD was better than the other models' on that DVD. Besides Daphne Rosen, she is the only nominee who was also in *BootyLicious*. Most importantly, she has the hottest-looking tits of any nominee." It's hard to disagree with that assessment after looking at the picture on this page. But even if it was about more than the tits, it would still be all about Janet.

OIL MAKES EVERYTHING BETTER

Posted by Maria

Let's make something very clear: Tits are wonderful, wonderful things. Now I want to make this statement: OIL MAKES TITS BETTER.

You can be staring at the most-marvelous boobies in the whole entire universe and they are good, but add some oil all over those orbs and WHAMMO! they get much better. It's something about the greasiness that just elevates them to the next level. It's the shiny,

*Oil makes

slick wonder of them that makes you want to run your hands over their lubricated surface.

And now that we are on the subject, how great do oily tits feel, eh? I could rub on a pair of slippery tits all day. Oil is synonymous with horny, good times. I would love to high-five every model who ever greased up for boob play. I mean, think about a room full of naked chicks...pretty hot, right? Now imagine them covered in oil and just slippin' and slidin' all over the place.

**THE VOTERS MADE IT CLEAR: IN 2009,
KARINA WAS THE NO. 1 SCORE GIRL.**

We thought there'd be a showdown, an epic boob battle between 2008 Model of the Year Christy Marks and 2008 Newcomer of the Year Karina Hart. But from the moment the ballot box opened, the votes kept saying the same thing: Karina! Karina! Karina! She's our 2009 Model of the Year.

SCORE Men have often labeled a girl as an all-time great by making her Newcomer of the Year one year and Model of the Year the next. Sharday, Marilyn Sakova, Christy Marks all pulled off the N.O.Y./ M.O.Y. double in consecutive years. Now Karina has done it, too. Interestingly, although Karina received twice as many votes as any other finalist, her voters often made comments such as "tough choice" and pointed out the quality of the field of finalists. Yet voters challenged by this choice usually chose Karina.

Why did those tough choices end up in Karina's favor? Do you really have to ask? Super-firm, heavy H-cup naturals that can make your cock disappear. A big, shapely ass that looks like it could take a hard pounding all day and night. Long, strong legs to wrap around your body while you're fucking her tight, pink, accommodating cunt. Yeah, we said accommodating. Anyone who's seen Karina work giant dildos in and out of her pussy knows she can handle the biggest dicks. And that beautiful face and sexy mouth that would look so good sucking your cock. Karina's tits, mouth, ass or pussy? That's another hard choice we'd love to make.

BEST OF THE BLOG

Continued from page 76

the least, it seems like nearly everyone has one of those bands around their upper arm or ankle. But you know how trends can be. Believe it or not, breast tats go back thousands of years. Egyptian and Polynesian women have a history of boob tatting.

Over the years, most of the mail we've received about tattoos has been critical. I tried to find a pro-tat letter sent to SCORELAND but couldn't. Me, I can live with ink but not on the breasts. I'm a pure skin man.

COMMENTS

Dave Too

It sort of depends on the tat and the woman. Selexia Rae's tat fit her on-screen persona, so I think it works for her. Some of the other girls, I am just not sure they fit.

panhype

I don't like tats either. In roughly 99% of all cases. Tats work like markers, they break the flow of formations. Fortunately-

Do Selexia Rae's tats make her seem sluttier? Is that a good thing?

ly, most models who have tats wear them where one can overlook them.

David

I HATE tattoos (and piercings) Period. It doesn't matter how big up top the model is. If she wants them, that's her business, I don't have to look.

Selexia Rae

Thank you to everyone who has supported my tattoos. Tattoos are an expression of someone, and to me they are part of who I am. I know not everyone enjoys a woman with tats and I respect that, but to all who love mine, HELL YA!!!

DO YOU REALLY WANT MY CUM?

Posted by Dave Rosenbaum

So I'm reviewing a 40Something video, and this 42-year-old MILF named Chloe (no, not that Chloe) is upside down getting her ass piledriven, and she's moaning, "Oh, I want your cum!" and that's when it hit me: When a chick says, "I want your cum," she's not really saying, "I want your cum." She's saying, "I'm done. Cum already."

Of course, in the video I was watching, the MILF was trying to be dirty and nasty. But in real life, if you're fucking a chick, and it's been going on for a while, and she has already cum once or a few times, when she moans in your ear, so sweetly, "Oh, honey, I want your cum," she's really saying, "Would you please cum already? I'm finished." She's not being a cum slut. She's being polite.

LOST...WITH BIG BOOBS

Posted by Elliot James

If you were shipwrecked on a deserted island, what would be the one thing, item, object or person you'd want with you? Guys would want their favorite model. But what about SCORE Girls? I asked a few, and this is what they told me. Thanks, ladies!

Vanessa Montagne: "First I wanted to say a dildo. Actually, I would choose a really big, interesting, exciting book and enjoy the time reading."

Minka: "Waterproof matches to cook food with."

Lorna Morgan: "My mobile phone fully charged and in service, a yacht would be handy, and as a last choice, Brad Pitt. If none of these qualify, then it would have to be my toothbrush. It vibrates."

Elizabeth Starr: "My toothbrush!"

Maxi Mounds: "Another person to talk to so I wouldn't be alone."

HOW COME THERE ARE NO HOOTERS AT HOOTERS?

Posted by Dave

I was in Vegas this past weekend and decided to check out the Hooters Hotel, knowing that doing so was probably a mistake. So I walked in, and 15 minutes later, I walked out because, just as I suspected, there were no big-hootered girls serving drinks or dealing cards at Hooters Hotel.

Years ago, Hooters defended itself from the feminazis by arguing (tongue in cheek, I assume) that the restaurant's name referred to the owl in its logo, not the hooters on its waitresses' chests. Everyone had a good laugh, and life went on. But here's the deal: They weren't being dishonest! On the average day, you're not gonna find many waitresses with big tits working at Hooters. This restaurant, and now the hotel, never ceases to be a disappointment for big-tit lovers.

I mean, really, have you ever seen a SCORE-built girl waitressing at Hooters? Angela White used to say she wanted to work at Hooters. Well, they wouldn't hire her. Her tits are too big. You know, most people probably don't think this is a big deal, but most people don't love big tits like we do.

So next time you're in Vegas, go to Hooters Hotel for the \$3 blackjack, but don't expect the dealer to have a rack. Of tits, I mean. Chips she'll probably have. Yours.

A DIFFERENT DEFINITION OF "HARD AT WORK"

Posted by Allie

When I first meet someone and we get to the "So what do you do?" conversation, I have to decide whether to tell them that I work in publishing or porn. Usually if they seem like a conservative tight ass, I say publishing and change the subject. If I sense that my new acquaintance is your average down-to-Earth, dirty-minded pervert (like myself), I tell 'em the truth.

Obviously, there are things about this job that make it unique from others. But it's like a normal job in many other aspects as well.

What's different:

First of all, the language. We talk quite openly (and loudly) about pussy, cock and tits. We also speak this way in important meetings. It's part of our business lingo. Imagine telling your boss, "We need a better shot of a cock in her pussy." Happens all the time.

Often us SCORE editors will congregate to ponder profound questions, like which would you rather fuck, an ugly chick with huge knockers or a pretty, flat girl? Or which is worse, a flat ass or cankles? But SCORE Men probably have similar conversations at their jobs, too. Right, guys?

Then there are the models. It's something special to be called into the studio and have a model do a 360 for you completely nude. And they're usually very happy to divulge the horny details of their sex lives.

Some other things that stand out about working here: Being extras in our feature movies like *My Big Plump Wedding*. Coming up with adjectives for pussy, cock, sex and boobs. And finally, being able to watch porn whenever I want while in the office.

What's not so different:

It's funny that a lot of people have this notion that going to work at an adult publishing company is like going to a strip club. I know it's porn and stuff, but we have, like, responsibilities. The truth is, I get here, I drink my coffee and I work in a cubicle. I work normal hours and I have deadlines to meet. Everyone wears normal clothes.

To be honest, I didn't know what to expect when I first started working here. But it's been great so far. I love being able to come to work and say cock and look at naked people. But maybe I'm just weird.

SCORE 89

INTERVIEW BY DAVE ROSENBAUM

We all have the dream: that our wife or girlfriend will be built like a SCORE Girl. That she'll eagerly show off her body and satisfy all of our sexual desires. Well, guys, a lucky SCORE Man in Arkansas is living the dream, and he was generous enough to share his wife with us. Her name is Jayden Prescott, she debuted in the April '10 issue and here she is again, going all the way!

"He's been a reader since 1993, and his dream was for me to be in the magazine and on Scoreland," Jayden told us. "I was

"This is only the THIRD GUY

very happy to make him happy."

And to make us happy, too. You see, it would have been enough if Jayden had just decided to show off her body for us. But Jayden went a step further: boy-girl, with one of our most-hung studs. And anal sex, too! That's right! Jayden Prescott, who's modeling experience up to now had been zero, is taking a big cock in her tight ass in her first XXX pictorial.

Now that's special!

SCORE: Hi, Jayden.

JAYDEN: Hi, how are you?

SCORE: I'm good. Jayden. You have a great body and an amazing ass.

JAYDEN: [She slaps it] It's there!

SCORE: Now, where are you from?

JAYDEN: I was born in Missouri, but now I live in Arkansas.

SCORE: Home of Bill Clinton, the former President of the United States.

JAYDEN: That's right.

SCORE: You just might have the most perfect body I've ever seen at *SCORE*. How big is your waist?

JAYDEN: Twenty-four or 25 inches, depending on how much cake I've eaten recently.

SCORE: You haven't eaten much cake recently, have you?

JAYDEN: [Laughs] I tried not to. I was getting ready to come here. I'm detoxing from cake.

SCORE: Now, I betcha you think that your ass is the best part of your body, don't you?

JAYDEN: It gets a lot of attention, but actually I've had a hang up over it ever since my mom bought me a girdle when I was 12 because she thought I was too sexy. She was trying to hide my assets when I was 12 years old.

SCORE: Too sexy? Doesn't exist. Now, as we've mentioned before, you're married, right?

JAYDEN: Yes. But the good news is that my husband is a very avid *SCORE* and *Voluptuous* reader, and that's how I came here. He especially loves the voluptuous girls.

SCORE: That's funny because you're definitely a *SCORE* Girl. I wouldn't call you voluptuous at all.

JAYDEN: He's been reading the magazines since 1993. Pretty much since the beginning. Back in 1993, I was only nine years old.

SCORE: He's older than you?

JAYDEN: He is older than me.

SCORE: Well, guys, this proves that you can have a girl like Jayden if...if what, Jayden?

JAYDEN: Actually, the thing that attracted me to my husband was how consistent he was. He's a down-to-Earth guy. Never pushy. Never judgmental. He kinda lets me do my own thing. That's the best part. He lets me be here, and he's at home working.

SCORE: He doesn't mind.

JAYDEN: No. I've got the greatest husband, letting me do *SCORE* while he's home. He didn't even mind that I'm going to have sex. In fact, he encouraged me to do it.

SCORE: Now, I'm looking at your pussy. Always shaved?

JAYDEN: Yes. I've tried to have the airplane strip and other designs, but I'm such a clumsy clutz that whenever I'm shaving, I ruin it. So completely shaved is easier for me. Make it simple.

SCORE: Now, let's talk about your boy-girl shoot.

JAYDEN: Yeah!

SCORE: You've never stripped?

JAYDEN: Never stripped. Never mod-

eled professionally.

SCORE: Never done a boy-girl scene?

JAYDEN: No.

SCORE: And you're doing anal!

JAYDEN: Yeah!

SCORE: Besides your husband, how many men have you had sex with in your life?

JAYDEN: My husband was the second. The guy I'm with today will be the third guy I've ever fucked. I've had one other close encounter. I don't know if you'd call it sex. Are we counting oral sex as having sex?

SCORE: You really are from the land of Bill Clinton! Yes, oral sex is sex.

JAYDEN: [Laughs] Penetration, this will be the third guy, but oral sex, I had my share in college and high school when I was still trying to be a good girl. "Oh, it's not sex," but yes, there've been a few more guys I've given blow jobs to. I didn't have sex for the first time until I was 20. You see, I was brought up in a very religious house. We didn't even watch TV! And when I had sex for the first time, I'd been going out with my boyfriend for four years. I was very religious and trying to wait for marriage, but I couldn't hold out. It was okay. It was awkward. We did it up in his room in his parent's house. But it made me want more.

SCORE: Amazing. Would you say you're still a conservative person, or

have you broken out?

JAYDEN: Well, I wouldn't say I've broken out because, like I said, this is the third person I've had sex with, although I guess most people would say having anal sex in a men's magazine is pretty wild. I mean, I don't have any real fetishes, although I've fantasized about having a threesome with my husband and another girl. I've always wanted to do a bukkake, but I've never done it. The wildest place I've ever had sex is on my front porch. We live in a neighborhood of retirees. Oh, and I once had sex on the balcony of a hotel in Memphis.

SCORE: How do you dress?

JAYDEN: Well, I always wear a bra to keep them in shape, but if I'm out on the town, I'll go braless. I like my shape to show through my shirt. Usually if I'm with my husband, my boobs are on display, but otherwise I'm fairly conservative. I'm still shy and still blush with all the attention my boobs get.

SCORE: In all honesty, Jayden, nobody is going to believe that you're shy when they see these pictures. I think you were born to do this.

JAYDEN: Thank you! It's easy to do something you love. When I was 20, if you'd told me I'd do this, I would've said you were crazy. But I love it. It's so much fun! I can't wait to get home and get the magazines and look at my pictures with my husband! 🍆
