ASHLEY WINS TOP NEWCOMER: THE CONTROVERSY CONTINUES!

Dear SCORE,

There she was again, and on the cover (SCORE, June '10), that Ellison, not looking at all happy to be there, as usual. It is kind of ironic that her strained smiling percentage (two or three photos out of 51 in the four pictorials you have imposed on SCORE readers) is only a few points more than her winning percentage for your Newcomer of the Year award, as stated on page 21 of the June '10 issue.

Why did The SCORE Group publish so many magazine titles, each supposedly aimed at a specific models group, if it leaves open the XL corral door and lets these girls invade the SCORE pages, as has happened way too often lately? This is no illusion as I have all the issues you ever published to reinforce my opinion. However, I don't have to continue to put up with mod-

Some readers think Ashley deserved Newcomer of the Year. Others think she never should have been in SCORE.

Eva Notty (right) finished second in the Newcomer of the Year contest. Faith (left) finished third.

els like Ellison, who is definitely not a SCORE Girl. My subscription renewal is coming up in a few months, and I will let it lapse.—G.L., Quebec, Canada

Dear Readers: Never has the SCORE Newcomer of the Year contest stirred up as much controversy as the 2010 contest. Many readers love Ashley Sage Ellison, as evidenced by her winning Newcomer of the Year. Others don't think she belongs in SCORE because of her voluptuous figure. But how did she win? It's simple. Because there are 10 finalists for Newcomer of the Year every year, the top vote-getter doesn't need a majority of the votes to win. Most years, 20-30% of the vote is enough. And that's the range Ashley was in (24%, actually) to win Newcomer of the Year. Read on for more opinions on both sides.

A FEW GOOD REASONS ASHLEY WON NEWCOMER OF THE YEAR

Dear SCORE,

Ashley Sage Ellison is the most beautiful and sexiest woman in the world. She has the face of an angel and a body to match. There is absolutely nothing about the way she looks that is not total feminine perfection. She is sweet and adorable, and she does not act or pose like a slut or a whore. She would be the most gorgeous model even if she covered her body with a large garbage bag.—M.B., via email

HE SAYS OUR FIRST MISTAKE WAS PUTTING HER IN THE MAGAZINE

Dear SCORE,

I have been buying SCORE off and on for the past 12-13 years, and this is the first time I was compelled to write. I didn't write when you cut 20 pages from the magazine and didn't cut the price. I didn't write when SCORE dropped the XXX section and overall is not as explicit.

I am writing now because the quality of girls has gone down so low that a girl like Ashley Sage Ellison was named Newcomer of the Year. Are you kidding? She doesn't even belong in the magazine. She is a better fit for *Voluptuous*. What is happening to you guys or, better yet, to your girls? SCORE has turned into *Voluptuous*, not slim-and-stacked.

No SCORE model should be heavier

than someone like Karina Hart. I get that there aren't many girls like Linsey or my old favorite, SaRenna Lee, but come on, I see girls around town that are as busty as Christy Marks. Someone there is not doing their job.

Let me at least give you guys one positive thing about SCORE. The magazine has never looked better visually and is one of the nicest-looking adult publications to page through. Good job.—Adam, New York, New York

Karina Hart (above): the limit for *SCORE* voluptuousness? Christy Marks (below): Not busty enough for *SCORE*? Really?

Jayden Prescott (June '10) got fucked in the ass with her husband's blessing.

ASHLEY SAGE'S JUNE PHOTOS CONVINCED HIM: SHE'S THE ONE!

Dear SCORE,

Your June '10 awards issue is so great that I don't know whether I can keep my hands off my cock long enough to finish this letter.

I voted for someone other than Ashley Sage Ellison, but I know that if I had seen her hot layout in this issue earlier, I would have voted for her. I guess I never really appreciated how exciting Ashley is until now.

Please convey my thanks to the husband of lovely Jayden Prescott for encouraging his wife to take it in the ass for your cameras. Jayden is extremely arousing and has the potential to be the hottest XXX SCORE Girl of the year. Most husbands would be jealous if their wives fucked other men, but Jayden's husband is a true SCORE fan and a true friend to us horny guys.

One complaint: Your girls use too much lipstick. When a girl has a beautiful face to go with her great boobs and juicy pussy, she doesn't need to use any makeup. I noticed this especially with Christy Marks and Karina Hart in their June layouts. Both have lovely faces and mouths that look as if they could drain huge cocks with no problem. But their lipstick is so garish that it almost spoils their photos. Next time, please forget the makeup. They don't need it.—C.J., Philadelphia, Pennsylvania

IS THIS THE FINAL WORD ON ASHLEY SAGE? PROBABLY NOT.

Dear SCORE,

You're damn right Ashley Sage Ellison belongs in SCORE! I'm still dropping loads over Ashley's pictorial in the Holiday 2009 issue. That woman is just so damn perfect!

Please bring back Crystal Gunns. Denise Derringer, too. I have been waiting too long to see them again, especially in tight tops. Nothing turns me on more than big tits in tight tops and tight jeans. Please show more women wearing tight jeans, and don't forget to include those ass shots. As much as I love big boobs, I like seeing a bit of ass.—C.B., via email

Dear C.B.: First, the good news. We have a new Crystal Gunns pictorial on page 76 of this issue. Now the bad news: It could be her final pictorial. Regarding Denise, she has dropped out of modeling, and we haven't heard from her in a while.

NOT ONLY DO SCORE GIRLS LIFT HIS COCK, THEY LIFT HIS SPIRITS!

Dear SCORE,

I recently discovered and joined a small online group of men who, like me, have been diagnosed with clinical depression and have discovered that a good big-boob magazine is much more therapeutic than the anti-depressant medications prescribed by doctors. Out of seven men from various parts of the U.S. and Canada, four of us, including myself, consider SCORE the best because you have the best of both worlds: the greatest naturals and the

greatest enhanced models.

I mentioned to the group that whether I prefer a natural or an enhanced girl depends on my mood, and the others agreed. Over the years that I have been pleasuring myself over the *SCORE* Girls, Minka has always been very wonderful at lifting my mood, and she is probably your greatest all-time model. Two of my contacts in the group agree. Minka's tits are the standard against which compare other boobs. I especially appreciate the wonderful tan lines Minka always has which accentuate her twin treasures.

Keep up the good work and you'll keep all of us, too. -T.M., Pennsylvania

AUTUMN-JADE: THE CURE FOR THE JADED SOLO DVD VIEWER

Dear *SCORE*,

I have a suggestion for any *SCORE* reader/DVD viewer who is bored by solo big-boob videos because he thinks he has seen everything a girl can possibly do with her tits to make them jiggle and shake and hang. I suggest that he get a copy of *Ultimate Autumn* featuring Autumn-Jade, mostly solo except for one delightful girl-girl with Lilith and one boy-girl as an army private with a sergeant who orders her to do a lot of solo stuff before he goes to town

with her. The things she does as a French maid, in the shower, washing a car, cooking in the kitchen and underwater are the most original and creative tit work that I have seen.

And unlike a lot of girls who look bored jiggling their tits (which may be why the guys feel bored as well), Autumn giggles, smiles and laughs as she does each wonderful new thing with her boobs (and her pussy and ass, too). I don't fast-forward at any point, as I usually do. Every moment is thrilling. -R.N., New Jersey, via email

Dear R.N.: Thanks! For those of you who haven't seen it, *Ultimate Autumn* is available at eBoobStore.com. Or give us a call and we'll be happy to take your order. The toll-free number is 1-800-421-0760 in the U.S. and Canada. Elsewhere, it's 001-305-662-5959.

JUST HOW FAR WILL WE TRAVEL TO FIND BIG-BOOBBED BABES?

Dear *SCORE*,

Women with big tits are the best things in life. For seven years, I have noticed that you feature many Eastern European women, especially stacked Czech babes like Lenka and Russians like Anna Song and Marilyn Sakova. But I wonder why haven't you featured girls from the former Yugoslavia? Why haven't you featured Serbian and Croatian women? The former Yugoslavia has some of the biggest-breasted women in the world, and I'm sure they would excite your readers. Why not send your photographers to Belgrade, Serbia and check out some of the big-busted women? You could offer them a chance to pose.

Is there some sort of on-going boycott of Serbia that prohibits you from shooting girls there? If not, I suggest that you hop on a plane and fly to Belgrade, city of big-boobed women. You and your readers will not be disappointed with the big-titted talent you will find in the former Yugoslavia. -H.J., via email

Dear H.J.: Unfortunately, the logistics are a lot more complicated than just hopping on a jet and going to Belgrade. We have no contacts in Belgrade and have never heard from girls, model agencies or agents there. However, if you specifically know any big-boobed girls in Serbia or Croatia who should be in *SCORE*, let us know at model@scoregroup.com or tell them to log into BeAScoreModel.com.

KARLA JAMES

IS SHE THE NEXT GREAT ONE?

Karla vs. Linsey Dawn McKenzie

From the country that gave us the legendary Linsey Dawn McKenzie (above right), here comes Karla James, a 22-year-old knockout from Yorkshire, England who made her *SCORE* debut on the cover of the Sept. '10 issue. But is it too soon to compare Karla to the all-time greats? No, according to many *SCORE* Men.

"She is without a doubt the greatest discovery in years," wrote S.B. Added J.Z., "Absolutely remarkable. Karla could be Linsey's sister. The resemblance in body and face is uncanny." And Score-lover wrote, "Karla is a lot better than Linsey in almost every way." How does she compare to some other great naturals? Let's find out!

Karla vs. Sharday

We originally decided to compare Karla to Sharday because Karla hopes to become the greatest European natural and Sharday is probably the greatest natural *not* born in Europe (Sharday was born in Puerto Rico and lives in the U.S.). But then we looked at several photos in which Sharday's twin torpedoes were hanging enticingly and noticed a strong similarity between Karla's hangers and Sharday's hangers. Karla's breast-hang is especially impressive because tits as firm and heavy as hers usually don't look great in this position. Karla's do.

Karla vs. Marilyn Sakova

Karla is 5'2" and has a 30-inch waist to go with her G-cup naturals. Marilyn Sakova (above right) is 5'5" and has a 25-inch waist to go with her G-cup naturals. As ultra-slim 'n' stacked naturals go, there has never been a model like Marilyn, whose breasts seem impossible considering her tiny waist. And, on paper, Karla would seem to be overmatched in this comparison. But Karla's breasts are much firmer and heavier than Marilyn's, and in the photo on this page, Karla looks extremely slim 'n' stacked (much like Linsey did in her prime). In reality, Karla and Marilyn have very little in common, but this photo proves that Karla is in Marilyn's league.

Karla vs. Kerry Marie

Here's where things start to get very interesting as we compare two outstanding British babes: Karla and Kerry Marie (below). Any girl who hopes to be considered the greatest Brit titter is going to have to go through Linsey, Kerry Marie, Lorna Morgan and Nicole Peters, and Karla's journey starts here. Kerry and Karla are similar in the firmness and fullness of their breasts, but we suspect this is one comparison Karla is going to win with all but die-hard Kerry Marie lovers.

Karla vs. Lorna Morgan

The comparison between Karla and Lorna Morgan (above right) is fascinating because, somehow, Karla looks like Linsey in some photos and Lorna in others. Here, the facial resemblance is overshadowed by the breast resemblance in terms of shape (almost

identical), areolae and nipples. Below, we see Nicole Peters (right) striking one of her trademark poses, and yet Karla is her equal and more (bottom left). This is the photo that, for us, puts Karla over the top as being in a league with the all-time greats.

Karla vs. Nicole Peters

Karina Hart (right) was the booty queen of the busty naturals...until Karla came along. Both have full, round, fleshy butts any ass man would adore. But who has the better combination of tits and ass? And how does Karla stack up against the other six girls in this pictorial? Tell us what you think by writing to Scorecard, 1629 N.W. 84th Avenue, Miami, Florida 33126. Or email us at score@scoregroup.com. Will Karla take her place with the all-time greats?

GIRLS WHO'LL JACK A GUY ON CAMERA BUT WON'T FUCK HIM

Dear SCORE,

That was a pretty funny story in the May '10 issue. I'm talking about Daylene Rio sitting on your editor's lap and daring him not to cum. This must have happened right before he put together that lousy four-page Marilyn Sakova

If Janet Jade will tit-fuck a guy on camera, why won't she give up her pussy?

Daylene Rio gets ready to give you the best lap dance of your life!

spread. I know it was mostly done to highlight her website and the tit pump she had, but still, four lousy pages? The pictures were hot, but they looked like they were from a few years ago.

After watching Crystal Gunns and Janet Jade in the *Tits & Tugs* videos, I just don't get it. You'll jack a guy off and let him feel your tits and cum on you, but you won't let him fuck you? I don't see the moral point here. Will one of their relatives watch and say, "Oh, thank god. Crystal only jerked him off. She didn't fuck him. She's still a good girl"? I just wish one of these girls would do at least one hardcore scene before we never see them again. Fuck, Linsey did it. What's the big deal?

I liked the letter in "Scorecard" comparing SCORE in the 1990s to the 2000s. As a SCORE reader since 1997, I would like to give my opinion.

The biggest difference is the number of models who made their SCORE debuts in the 2000s. By debuts, I mean never having posed nude anywhere else. It was rare to pick up a SCORE in the '90s and find a model who had not already posed for other magazines or done porn.

Kudos to your editor for the April issue. He made jerking off much easier by putting Janet Jade's, Minka's and Karina Hart's pictorials together. There

BIG BOOBS IN THE NEWS

WIN Karla James' Autographed Bra

The Hooter Harness of the New Brit Super-Discovery Can Be Yours!

British newcomer Karla James (Sept. '10) measures 42 inches (107 cm.) and wears a 34G bra (U.S.-size).

A signed bra can be yours if Busty Lady Luck smiles upon you.

"I have to buy my bras from a well-known shop here in England called Bravissimo," lovely Karla explained in a chat. "They specialize in large support bras for big-busted women. I have to pay a lot of money for my bras, around £50-£60 per bra, so they are good quality and last me a long time. I don't buy a specific brand. I just buy bras that give me good support and look sexy. And yes, I always wear a bra."

Now for the boring, but necessary, details. Simply write on a sheet of paper your full name, address, phone number and email address and the statement, "I am over 18 years of age and I want to win Karla's bra" and mail it to "Win Karla's Bra, SCORE Magazine, 1629 NW 84 Avenue, Miami, FL 33126 USA." No purchase necessary. This

offer is prohibited in countries where SCORE-sized big boobs are not allowed. Multiple entries will not increase your chances of winning so please, just one entry. Sorry, no email, fax or courier entries for this contest, although we will accept entries by carrier pigeon. Your entry must be postmarked by December 31, 2010. Good luck, SCORE Men! You've got to be in it to win it!

How To Cause A Rear-End Fender Bender

First, you need a sexy SCORE babe walking in the street. The U.S. National Highway Traffic Safety Administration doesn't keep stats on how many fender benders and accidents begin with hot, busty women distracting drivers. You think cell phones and texting is a problem?

The past year, there has been an upswing in drivers tending to blame Toyota, not big breasts, for their accidents, but I know better. I'm not saying we need to ban busty girls from going outside or cover them up. And

burkhas are just ridiculous. The girls would probably walk into traffic and get run over because they can't see. On the contrary, I encourage well-developed women to walk around more often in minimal clothing.

In states with warm climates year-round, we have the phenomenon of girls in bikinis, tank tops and shorts holding up car-wash signs at street corners. Not just holding up signs but waving them at passing drivers. Now *that's* dangerous. Busty women. I love them, but they're road hazards.

Smile! You're On Candid Scanner

A 29-year-old security worker at Heathrow Airport in London, England is suing after a co-worker snapped her image when she entered a body scanner. She could be compensated £20,000 (\$30,500 U.S.) for the breach of privacy. A security guard took the photo of her breasts when she mistakenly walked into an X-ray scanner that takes images of passengers. He also made a comment about her "gigantic tits." Idiot.

Summer Sinn's Tits Open All Doors

A karate-chopping security guard backs off when he sees Summer's ID.

These days, most of us have to show our photo identification when we do anything. Sure, if you're a world-famous celebrity (such as Urkel from *Family Matters*), you can pretty much come and go anywhere you please without having to show your ID to anyone. For the rest of us peasants, if you lose or forget your ID, you'll have a hassle.

But not Summer Sinn. Summer needs no ID. You see, Summer's thrusting hooters can open any door. Her tits are her ID. Whether she's on an airport security line, getting on a boat, checking into a hotel, renting a car...literally any routine procedure, Summer doesn't have to worry if she

forgets to bring her ID. She has her own way of getting through any checkpoint. Even if she didn't have her purse with her and her clothes were skin-tight, her identification is her cleavage. She's warmly welcomed by bouncers, airport screeners, traffic cops, doormen, headwaiters, cab drivers...you name them.

Summer Sinn's impressive chest can clear a path to her destination like a bulldozer. This fact inspired the writers of our DVD *Big Tit P.O.V.*, who based her hot sex scene on her power. Her 34GG tits pass all checkpoints, including a karate-trained security guard, until she enters the *SCORE* Studio and gets the shit fucked out of her.

Quote of the Month

"Girls must dress not for themselves or to please themselves or their girlfriends. They must dress to please the man. What girls think is sexy is not what men think is sexy."

—Marilyn Sakova

SMILE IF YOU LOVE BOOBS

Smiling. It's a subject that's been generating controversy for years at *SCORE*. I think everyone loves a smiling model, but when a model doesn't make smiling her natural expression or doesn't smile a lot, then what? Some send in comments, like this one from R.C.:

"I love big boobs, but they are number two on my list of what

makes a model, or any woman, desirable. Number one is the smile. A smile means she is comfortable with herself and enjoys what she's doing. I don't get that from Ashley Sage. Ashley, if you want to win me over, you must learn to smile."

Countering, S.M. writes: "You know, Ashley doesn't smile a whole lot in her pictures, but so what?

She has the look of contentment instead, and as long as she's content, that's all that matters. Ashley looks so good, she can afford not to smile."

There's no right or wrong, just personal taste. Some models like to look serious because they think it makes them look sexier. Some models pout. Some models don't like their smiles. Some models are naturally happy-go-lucky all the time so they smile a lot. Women smile more often and more naturally than men, so when we see a serious-looking girl, human nature makes us think she's unhappy or having a bad day.

Researchers in social behavior claim that a smile gets a person what they want, sells more products, makes other people happier and establishes trust and personal bonds. We've gotten many letters about smiling since 1992. What's your opinion about the lip flip? 🍷

Conclusive proof that Newcomer of the Year Ashley does smile.

DEBUT**

**YOU CAN SEARCH FAR AND WIDE
AND YOU'LL NEVER FIND A GIRL
LIKE THE EYE-POPPING MIOSOTIS.**

Let's get right to the point: The tits are KKK-cup naturals, which means Miosotis' are bigger than the largest augmented racks in the world...but hers is 100% natural. And here's the most incredible thing about Miosotis: You could probably find girls with breasts as big as hers, but those girls would be a hundred pounds overweight. Not Miosotis. Her waist measures only 28 inches, and with a chest measurement of 50 inches, she's one of the rare natural members of The 20 Club, that exclusive group of girls whose chest measurement is at least 20 inches larger than their waist.

Miosotis is from the Dominican Republic, and we flew all the way to this island nation to shoot one of the true natural wonders of the world. Have you ever seen cleavage shots like the ones on the first spread? Have you ever seen hangers like those Miosotis is displaying on this page? Can you imagine getting smothered by Miosotis' acres of creamy, brown breast flesh? Miosotis told us that she grew up in an area of the D.R. where a lot of girls had big breasts. It was a farming area, and doctors suspected that something in the water or the food made the local girls stacked. By the time Miosotis was 13, she had DDD-cups.

MIOSOTIS

BIRTHDAY: Sept. 16

HEIGHT: 5'6"

WEIGHT: 148 lbs.

BRA SIZE: 36KKK

MEASURES: 50-28-36

BORN & LIVES:

Dominican Republic

A woman with large, dark brown breasts is posing on a beach chair. She is wearing a silver bracelet on her right wrist and has her hands clasped near her mouth. She is looking towards the camera with a slight smile. The background shows a blue ocean and a clear sky. The chair she is sitting on has a colorful floral pattern.

Miosotis isn't the only "Treasure Chest" we photographed on our trip to the Dominican Republic. We also shot superstacked naturals Kristina Milan and Vanessa Del. But both of those girls have fleshier, more-voluptuous bodies than Miosotis, and the comparison (you can make one of your own at XLGirls.com), makes Miosotis even more impressive. She's much thinner than both girls and much bustier, too. Bottom line: She just might have the most spectacular body in the history of *SCORE*. Oh, and she sucks, fucks and tit-fucks, too. But that's a story for another day and another issue. For now, lose yourself in Miosotis.

INTERVIEW BY
DAVE ROSENBAUM & ELLIOT JAMES

When Minka made her worldwide magazine debut in the October '94 issue of SCORE, we knew she was special. Otherwise, we wouldn't have made her our first Asian covergirl.

But we had no way of knowing that Minka would undergo one of the most magnificent boob expansions in the history of tits...that she would become the world's biggest-busted Asian...that she would become the most in-demand mega-busted hardcore porn star.

We had no way of knowing that she would sail on three Boob Cruises and become an international sensation.

And we certainly never could have predicted that exactly 16 years after she debuted in the October '94 issue, Minka would appear in the October 2010 issue to celebrate the release of her new DVD, Maximum Minka.

At the time, we didn't know what Minka was all about. But we know now. This is her story.

2010: Minka gets ready to cool down in Miami, Florida.

SCORE: When you first started shooting for *SCORE* in 1994, did you have any idea that your career would last so many years and that you'd be popular for so long?

MINKA: I knew I could do it if I wanted to do it. Still, after all these years, I'm still in the same shape I was when I started. I eat healthy food. I play tennis non-stop. I'm fine. I knew I could do it, but a lot of girls, 15 years ago, were stuck up. They didn't talk to me. And I thought, "Wait. Wait 10 years." And now, everybody's gone, and I'm here! And I'm going to be here next year!

SCORE: So Minka, it's been 16 years.

MINKA: Sixteen already?

SCORE: Where does your dedication come from?

MINKA: I think it all comes from tennis. I always had to take care of myself. Starting with middle school, I was on my own. I had to take care of myself. In middle school, I got a scholarship. In high school, I got a scholarship. College, I got a scholarship. Nobody was going to help me. If you don't take care of yourself, you're finished. So when I came to the United States in 1994, yeah, I cried a lot. "What am I going to do? I cannot find a job." When I was little, all I wanted was tennis, but when I came to the United States, I knew I had to take care of myself. And now I have everything. I have my dogs. I'm a very good cook. I have a Mercedes. I have a big house. Whatever I want to buy, I can buy. If I want to slow down, I can slow down. But life is short, and I try to enjoy it and always be the best at whatever I do.

SCORE: Where were you born?

MINKA: I was born in Seoul, Korea.

SCORE: Do you have any brothers or sisters?

MINKA: I have an older brother and an older sister and a younger brother and a younger sister. I am in the middle. Two brothers, two sisters.

SCORE: What did your father do?

MINKA: My father was a writer and my mother was a housewife. Me, I played tennis. That was my job. I stopped playing tennis when I came to the United States in 1994. I tried to get a job as a tennis teacher in Washington, D.C., but I didn't have a license to teach tennis, and I couldn't pass the test. It was a written test. Then one day, I was playing in the Asian Olympic Games in Chicago, and my friend, she's a plastic surgeon, she and I were

showering together and she said to me, "Why don't you get into the men's magazines? Don't teach tennis. How much money can you make teaching tennis?" So I sent three pictures to your studio in England, and one week later, they sent an airplane ticket, and I was in England.

SCORE: When your friend said you should be a magazine model, did you have big boobs.

MINKA: I had natural boobs. Thirty-six double-D. Very small body and a cute face, but I said to my friend, "How can I do this kind of modeling, showing my pussy and everything? I cannot do that." And she said, "You have the look. Do it." So I gave up trying to teach tennis and jumped into the magazines.

SCORE: Before your friend said that to you, had you ever thought about modeling for men's magazines?

MINKA: No. Not at all. I didn't even know about the magazines. I had never seen them. So she brought SCORE magazine the next day, and she said she'd never seen any cover of SCORE with an Asian girl. She said, "You have a photogenic face. You're going to make it."

SCORE: Did you like seeing yourself on the cover of SCORE?

MINKA: Yes. I thought I had a cute

SCORE: Were you nervous?

MINKA: No, because I liked it. In all the pictures, I had a natural smile on my face. And it was going to be the first time an Asian girl was on the cover. That was very important to me.

SCORE: Were you proud?

MINKA: Yes. It's like when I play tennis, I kick their ass. Same feeling. [Laughs]

SCORE: Going back to when you first were in *SCORE*, how did you get into *SCORE*? Did you know somebody who had shot for us?

MINKA: No. When my friend showed me the magazine, I saw the telephone number and that's what I called. I sent three Polaroid pictures.

SCORE: What happened next?

MINKA: Next, John Graham got the pictures, then he called my house. He said, "An airplane ticket is going to be at your house in one or two days. I want you to come to England." That's it. So I went to England. And he took a test picture and said I would be on the

SCORE: How did that go? The feature dancing.

MINKA: I followed what Lisa Lipps and Casey James were doing. I didn't know how to dance that way. I didn't know how to sing. I didn't know how to take off the clothes. But I knew how to smile, and I learned what to do.

SCORE: Do you remember the first time you danced in a club?

MINKA: In New York. New York Dolls. I didn't have any costumes. I was wearing Army clothes. Simple. But the men threw more money! The first time I was on stage, I was very nervous because so many people were watching, plus I didn't know when to take off my clothes. So I started throwing off my clothes, and every guy was holding money, so I collected the money! That's it! [Laughs] I danced for four songs.

SCORE: Topless or bottomless?

MINKA: In New York, I had to wear a G-string. Just topless.

SCORE: When the men gave you the money, how did you take it?

MINKA: This way. [Demonstrates by pushing her tits together] Between my boobs. A little thing I got from Lisa and Casey was sometimes the guy would hold the money in his mouth, and I would take it from him by squeezing my boobs together. And I would always have eye contact with every man. They were horny! The hornier they were, the more money came out.

I have to take care of them. And also because dancing puts a lot of pressure on your body.

MINKA: One time I tried to go upside-down on the pole and I thought, "I'm gonna die!" I'm not joking! I lost my balance, and after that, I never did it again.

about my costumes. They cared about my boobs and my nipples. They'd never seen such big nipples! And they're pink. Very big. Very sensitive!

SCORE: Let's talk about your boob growth. When you came to the United States, you were a natural double-D. And then what happened?

MINKA: And then the first time, I put in 2,300 ccs. And the next one, I put in double implants. One was saline and one was silicone, 3,500 ccs, and I could not stand up. I had a neck problem, so right away I went to Dr. Johnson and I

took them out, and then a new thing came out, silly string, and that's what I have now. But that's very heavy, too, so I have to exercise every morning. Every morning, I get up at six o'clock, drink a half-hour energy drink, go downstairs and have a muscle drink, and then I drink a shake with a banana and an apple, a couple of cookies, and then I go to the tennis court. I do this every day and I don't have a back problem. I build up my body so I don't have a problem, but other women with big boobs have trouble standing up

because they don't exercise. They're so heavy! Think about two heads and putting them in a bra! *[Laughs and jiggles her tits]* That's what it is like!

SCORE: What kind of exercises do you do to strengthen your back?

MINKA: Every morning, I do crunches and stretches.

SCORE: When you had your first boob job, did you like your boobs?

MINKA: Really the first time, I didn't like them. They were too small. The next one I loved. It was the perfect size.

SCORE: When did you first call yourself the world's biggest-busted Asian, or did someone else call you that?

MINKA: The magazines called me that. But not only Asian. I think I'm the biggest one now because most of the other girls are gone.

SCORE: Do you know how much your boobs weigh?

MINKA: I don't know, but I guess maybe 20 pounds each. My favorite dog is 17 pounds, so I figure my right boob is almost the same as her body, so maybe 20 pounds each.

SCORE: How much do you weigh?

MINKA: Now 130. Before I got these boobs, maybe 90, 95 pounds.

SCORE: When did you decide that you wanted to keep getting bigger?

MINKA: I always did because I want to be on top all the time. I want to be the best. When I play tennis, I want to be the top. I don't care who you are, I want to kick your ass, and when I got big tits, I wanted to be on top, and now I am! Some girls thought they were better than me, and maybe they were for a while, but a couple of years later, I was on top. And look now. Everybody from the '90s is gone, and I'm still here! Who is the top dog? Minka! Doesn't matter, anything I do, I want to be No. 1. Last year when I was at the national games in tennis, the other girls were saying, "You are a porn star. How can you play tennis?" I said, "Don't worry. I'll kick your ass!" And in the final game, they looked at me like they thought they were better than me, and I said, "You look at my boobs. You wish you had my boobs. Now I'm going to kick your ass!" *[Laughs]* And I killed them all. I fucked them up in their heads. They don't know how I can move with such big boobs. They say, "Amazing! How can she carry that much big tits and run around the tennis court in hot weather, 100 degrees?"

MAGGIE OPENS UP

SAME GREAT TITS, BUT NOW SHE'S SHOWING PINK. IT'S THE NEW MAGGIE GREEN!

Before she arrived in *SCORE* last year, Maggie had never posed for a men's magazine and had never shown more than her big, pale, natural F-cup tits on the Internet. Until then, "The F-Cup Girl Next Door," as we called her on the cover of the October '09 issue, had teased us with her pussy, covering it up with panties, her hands and crossed legs, never offering a glimpse of her promised land. But since then, Maggie has done her first girl-girl (in the DVD *Boob Science* and the July '10 issue). And in this pictorial, she's opening wide for our jacking pleasure. Which makes us wonder, "What happened?"

"I was always very comfortable with topless modeling," Maggie said. "People say, 'Was it weird the first time you went topless?' but, no, it wasn't weird at all. And I always knew that if I was going to keep you guys interested, at some point I was going to have to show more. So I started taking my panties off, and then *SCORE* asked me to do my first girl-girl. I wanted to do it with someone who knew what they were doing, and that was Daphne Rosen. And once I did that, doing this was easy!"

Release: StoreMags & FantaMag

There it is, *SCORE* Men: The pussy that Daphne Rosen strap-on-fucked in the DVD *Boob Science* and the July issue, spread wide and wet for your eating and fucking pleasure. And Maggie's not shy about it at all, looking right into the camera as she spreads. Great stuff. Of course, her tits, which got her into *SCORE* in the first place, look extraordinary: full and heavy on her chest. We wouldn't know which to fuck first, her pussy or her tits, so we'd probably do both, which is exactly the idea of this photo. Now turn the page for an even more-open view of Maggie's delicious cunt. It was definitely worth waiting for!

XXXTRA HELP!

**SHE CAN'T HELP HIM
WITH HIS GRADES,
BUT SHE CAN HELP
HIM WITH HIS COCK.**

Detention has progressed since we experienced it. We never had a teacher who looked like Indianna and had giant tits bulging out of her tight top. She's no one to piss off, but she is someone to fuck around with, as this punk is about to learn. Seth's grades suck and he failed the last test, so she tosses him into detention for some XXXtra help. Seems Seth hasn't been paying attention in class, but Miss Jaymes knows how to keep him focused. "How can you not pay attention to these big, juicy tits," she asks him. As usual, Seth doesn't have an answer, so Miss Jaymes gets down on her knees and applies her juicy lips to his shaft. With his cock in her mouth, she's gonna teach him a hard lesson.

"Eat my pussy or I'll send you to the principal's office," Indianna orders, and Seth knows if he doesn't please Miss Jaymes, his cock is going to go in the same direction his grades have been going: Down. When Miss Jaymes' pussy is good and wet, she mounts the desk and has Seth fuck her from behind. That desk looks like a sturdy surface to fuck on, doesn't it? Yeah, it does, and it is. Before long, Miss Jaymes is showing Seth all the new positions, and if he can't pass this test, he's too fucking stupid. "I've had a teacher fantasy for years," Indianna told us. "Now I've lived it." Student cums. Miss Jaymes cums. Class dismissed!

DON'T EVEN TRY TO KEEP YOUR EYES ON THE ROAD WHEN LEXXI IS IN YOUR BACK SEAT.

Lexxi Tyler has just spent the day shopping on South Beach, and now she's waiting for her ride. Only an idiot would keep Lexxi waiting, especially when she's dressed the way she is, so finally, Lexxi gives up and accepts a ride from the gentleman she saw reading *SCORE* in the adult novelty store. "Mind if I sit in the back?" Lexxi asks, climbing into his van. "There's a lot more room there for me to spread out."

DRIVING MISS LEXXI

"You look familiar," the driver says. "Haven't I seen you in..." and before he can finish his sentence, Lexxi pulls down her tube top to reveal her big, firm E-cups, and now the dude knows where he's seen her before. "Just drive," Lexxi says. "And try to keep one eye on the road." The windows aren't heavily tinted, so it's possible that passersby can see what Lexxi is doing inside, and even if they can't, they might have noticed that the van is swerving down the road. Lexxi lays back, pulls aside her panties and spreads her meaty pussy, and the *SCORE* Man driving almost rams his van into a pole, but he doesn't care because this has turned into a very good day.

WHERE'S MINKA? SHE'S IN THE NEW DVD MAXIMUM MINKA!

Dear SCORE,

I purchased the DVD *The Breast of SCORELAND* and something interesting struck me. There was one model who was glaringly missing. Where was Minka? She made numerous videos for SCORE and has been a fan favorite.

In addition, it would have been nice to have seen Victoria (December '02), who in her one scene displayed a sexual hunger that very few models show. I understand that just so much can be included in the collection, but a best-of collection must include the best.—R.C., Brooklyn, New York

Dear R.C.: We agree. Victoria Brown's scene in SCORE Xtra #7 was great. We loved seeing her deep-throat a cock while working her pussy with a dildo, then getting her pussy and asshole fucked. But we had a limit on how many scenes we could include in *The Breast of SCORELAND*. Unfortunately, we couldn't include everyone's favorites. We had to limit ourselves to the most-popular, most-requested scenes.

As for Minka, we were saving her best hardcore scenes for the new DVD *Maximum Minka*. Check out a preview of the DVD (and a new interview with Minka) beginning on page 32 of this issue).

REAL WOMEN, REAL SEX, BUT SUB-PAR PRODUCTION VALUES

Dear SCORE,

This is the first time I have felt compelled to write to an adult magazine, and I am 49 years old. That means I'm passionate about your mags. I am a college-educated marketing director in a small advertising agency and part-time college professor. I'm upper middle class with three offspring and a truly beautiful wife who could have been a V-Mag model some years ago and a SCORE model later on.

The production values in some of your studio DVDs and videos are really, really poor. Yes, your models are always great, and I especially love that you really appreciate female beauty in every

glorious form. Every race, every body type, every age group; pretty faces, not so pretty faces with nice bodies...I honestly believe that there is room for every kind of woman in SCORE Group DVDs. That's one of the reasons I buy even your crummy studio DVDs, because the women are hot! More so, because some of the models in SCORE Group products look like real women that you see in the street or at the supermarket. Women that you can actually talk to and get into your bed, and not some jaded Victoria's Secret supermodels that won't even look at you if you don't look like George Clooney or have a Trump-like bank account.

I'm not referring to the on-location productions (Bahamas or Boob Cruise, etc.). Those are really sensational. I'm talking about the studio productions, where you have the girl casting three or four shadows because the guy who sets the lights for the video shoot probably has no training, or the whole set looks so fake that it's really hard to believe that the people on the screen are enjoying sex and not just doing their job.

Last, I have a question. I know three girls who could probably qualify as *Voluptuous* models. Do all of your models require passports and U.S. travel visas to go to Miami? How do you go about photographing your Eastern European and South American models?—L.F., via email

Dear L.F.: According to United States law, we cannot shoot anyone in the U.S. who does not have a U.S. passport. This is a relatively recently regulation (only over the past two or three years), and it's why we have been traveling so often to shoot models. In other words, if a model is good enough (like Taylor Steele, Ashley Sage Ellison and Arianna Sinn), we'll go to her (or fly her to a non-U.S. location) for the shoot. True behind-the-scenes story about Annina's anal sex scene in Big-Tit A-List (and her scene with Shane Diesel): We had Annina sitting in our Miami studio, ready for action, but we had to fly her (and the male model, and our entire crew) to the Bahamas to shoot the scene in order to be in compliance with the law. As you can imagine, this is rather expensive, so we'll only travel to shoot very good and exceptional models. Do your girls fit into that category, L.F.? If so, visit BeAScoreModel.com, or send their test shots to model@scoregroup.com. Test shots are only used for evaluation purposes and are never used in the magazine or on the website. That's the law, too!

IS IT TITTY BRAINWASHING OR GIVING YOU WHAT YOU WANT?

Dear SCORE,

So the results are in for the 2009 SCORE Awards, and will I be the only SCORE Man to say I'm a little disappointed in the predictable outcome? I was hoping for a couple of surprise this time around, but it wasn't to be.

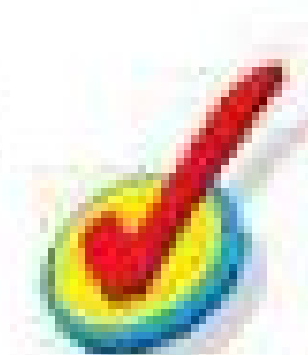

For what it's worth, my votes were Crystal Gunns for Model, Cindy Cupps for Hall of Fame and Angel Gee for Newcomer. I don't doubt the word of my fellow SCORE Men, but you guys at SCORE did seem to get the result you wanted. Okay, I could never tire of looking at Karina Hart. Her tits are amazing, as is that ass, but for me, models such as Karina (and Christy Marks) get so much exposure, it's almost a form of titty brainwashing for the voter. Ashley Sage Ellison belongs in V-Mag, so her getting Newcomer of the Year doesn't wash with me. Having said that, I enjoyed her pictorial and think it is her best yet.

I suppose I can't argue with Sharday winning her Hall of Fame slot. Her tits are impressive, as the shot on page 57 confirms, and yes, she is stunning, but I hope Cindy Cupps gets what she deserves next time around.

Sharon Pink's XXX set was fantastic, and the stud laying the pipe was as near to an average Joe as we're gonna get, so nice one, guys.

Finally, a big shout out to fellow Brit K.S. I love to hear what you have to say. Any chance of sending in your Top 10? I'd love to see it!—C.A., West Midlands, United Kingdom.

Dear C.A.: You make some interesting points about the SCORE Awards. Truly, most years, the SCORE Awards are a coronation in which we honor the girls who have already been established as the best of the year. There have been few surprises, especially in the Newcomer of the Year contest. But there are good reasons for that. Certainly, the editors of SCORE are supposed to know what the readers want, so, naturally, the girls who we judge as best (and who we think you like most) will get the most exposure in the magazine. And, in a way, we're sending the unwritten message, "These are the best girls." We don't see it as brainwashing. We see it as giving you more of what we think you want. Of course, you have many opportunities to tell us that we're wrong (including, but not limited to, the year-end voting).

As for Cindy Cupps, we think her time will eventually come. 

"I'm Anna.

**Fly
me!"**

**YOU WON'T NEED
A FLIGHT MAP TO
NAVIGATE ANNA
LOREN'S HOT BODY.**

Join the Mile-High Club with Anna, who looks like she's ready to fly. "Sex on an airplane is something I haven't done, but I'd like to try," Anna said. "It could be a problem because I'm very tall, but I'm sure me and my seatmate would find a way to make it happen. Everyone else does!" Anna has a lot of fantasies—"too many to mention"—and she lived out one of them when she saw herself in the November '09 issue of *SCORE*. "I was like, 'Those are my tits! That's my pussy!' It was so exciting!"

Anna came to *SCORE* by way of her sister, Autumn. "My sister shot for some of your other magazines," Anna said. "She had sex, too. She did an anal sex video." Indeed, Autumn, who looks a little like Anna (but has smaller tits), got ass-fucked in the April '09 issue of *Naughty Neighbors* and can be seen in action at SCOREVideos.com. "I don't think I'm ready for that," Anna said. "Having sex in front of the camera, I mean. But tugging on my nipples and playing with my pussy was lots of fun, and when I found out I could do a masturbation video, I was definitely down for that!" You can see that video at Scoreland.com. It'll make you a mile high!

**YES,
VIRGINIA!**

**THERE ARE MANY WAYS TO PAY FOR COLLEGE.
SHOWING YOUR TITS TO SCORE MEN IS ONE.**

College is expensive. Even in the Czech Republic. So here's Virginia Simms, a 5'9" beauty from the southern Czech Republic who's publicly shedding her clothing for the first time for two reasons: 1. She wanted to; 2. Tuition, room and board ain't cheap. Virginia is 21 years old and in her third year at a university in Brno, where she's studying political science and international relations. What else can we tell you about her? Not much. She doesn't speak much English.

Fortunately, a girl like Virginia doesn't have to say much to get her point across which is, basically, "I'm tall, I'm pretty and I have naturally big tits that I want to show you." She took her top off, we nodded and the rest is *SCORE* history. Will Virginia keep modeling, or is this a two-time thing (we also shot a set of her for *Voluptuous*)? Will she follow in the footsteps of so many of her Czech sisters, who have gone over to take over the world of hard-fucking anal porn? That remains to be seen. "She definitely got more comfortable as the shoot went on," our photographer reported. Czech girls seem to have nude modeling in their blood. And we think Virginia has already done a lot to help international relations.

**IT'S A SIDE YOU'VE NEVER SEEN
AND SHE DIDN'T KNOW SHE HAD.**

When Crystal Gunns made her *SCORE* debut in the March '02 issue, she was the ultimate mega-busty girl-next door: Smiling wide like she was taking a picture for her high school prom, peeling off a blue tank top and cutoff jeans. Since then, we've seen her in an all-American micro-bikini, as a space girl, as an office worker, even as a roller girl. And we've seen her tit-fuck. But we've never seen her like this: the all-American girl-next-door transformed into a dungeon-dwelling vamp. The boots, the latex dress that accentuates her FF-cup cleavage and, of course, the cigarette, which some of you will love and some of you won't. Did you even recognize her?

THE DARK SIDE OF **CRYSTAL GUNNS**

Nipple clamps on this spread, a nipple extender and a big, black dildo on the next and a facial expression that's about as far from girl-next-door as Crystal can get. Crystal enjoyed roleplaying for this pictorial—"It's fun to do something different, and this is *definitely* different," she said—although she wondered how her long-time fans would like it. We told her not to worry. We thought she might make some new fans with her new (but temporary) look. So what do you think, *SCORE* Men?

Release: StoreMags & FantaMag

Oiled-up tits in your face. Dildo fucking her huge rack. Great stuff. What you're not going to love is the news that this could be Crystal's final pictorial. Crystal shot it a few years ago, around the time she retired from feature dancing. We'd hoped she would continue magazine modeling, and after a brief period of national exposure (she was working as a school aide when her life as a big-boobed model came to light), we thought she might come back to the place she was loved most: *SCORE*. But she hasn't, and Crystal might be on 2011's list of nominees for the *SCORE* Big-Boob Hall of Fame. If so, we're glad we got to see her like we've never seen her before.

MAXIMUM MINKA

Continued from page 38

I beat them by using my brain. I make them crazy. But then I got suspended.

SCORE: Why?

MINKA: It was very hot on the tennis court, and my hands would get sweaty, and I would rub my T-shirt. I wasn't rubbing my nipple. I was rubbing my T-shirt to get my hands dry. But they complained. They said, "She's rubbing her nipple on the tennis court." It was making them crazy! And then my partner and I would do chest bumps, and they would complain, and then I got suspended. But my opponents were mentally fucked up because they thought I was rubbing my nipple, and that is one way that I beat them.

SCORE: How did you start playing tennis in Korea?

MINKA: My father taught me, and it was fun. Then when I got scholarships to play tennis in middle school, high school, college, it was tough because they paid me money to play, and I had no choice but to play. I had to. It was my job. And my dream was to play pro, but I couldn't go pro. Too tough. So I came to the United States, and I stopped playing tennis when my SCORE cover came out. Totally, completely stopped, and when I moved from Virginia to Las Vegas 12 or 13 years ago, I still didn't play tennis. I was doing a lot of feature dancing and modeling, but something was missing. I tried to fix up my house. Make a garden. Still, I had too much free time. I had to do something, but I didn't know what it was. But then one day, I took my tennis racquet and went to the tennis court, and right away, I loved it. Before, when I was younger, I had to play. Now, I want to play. Every morning I get up and go to the tennis court. I play for five, six hours.

SCORE: Do your boobs get in your way when you play?

MINKA: No. Not at all.

SCORE: What kind of bra do you wear when you play?

MINKA: A Sears bra. I make it very tight. I tie it up.

SCORE: What happens when you go to a public beach?

MINKA: People love watching me. Sometimes the men go crazy because I am wearing such a little bathing suit. Last year, I went to Cancun. You don't have to wear anything, but I wore a

bikini and top, and when I jumped in the water, every man jumped in! That was very funny.

SCORE: When you go to the mall, what will you wear?

MINKA: Jeans. A tight top. Tennis shoes. That's it! Simple. But whatever I wear, they look.

SCORE: Do you wear a bra?

MINKA: Yes, of course! My bust is so big, I have to wear a bra. But I love when the men look. They look at my boobs, and then maybe they look at my face. Some men look at my legs.

SCORE: Where do you buy your tops?

MINKA: Wherever I can buy stretch tops so they can stretch over my boobs. I like everything tight on my body.

SCORE: What colors do you wear?

MINKA: I like white because I'm dark. Red. Sky blue. Purple.

SCORE: Do you get more attention from women or men?

MINKA: Both. Women are laughing all the time, but men love it. It doesn't matter how old they are. They love it. The women say, "Ooooooh, that's disgusting." But I say, "You wish you had this." The men love it. What women think, I don't care. The men all think I look

good. I know they are all thinking "I want to fuck her big tits."

SCORE: Has a man ever said to you, "I want to fuck your big tits?"

MINKA: No, but I can always tell what they are thinking. I see it in their eyes.

SCORE: Have your big tits ever caused an accident?

MINKA: Yes. I remember in Hawaii, when I was working at a club, I was with Tawny Peaks. We were walking down the street, and we were wearing tiny bikinis, and a guy was driving a mo-ped. And he hit into a pole and got knocked out!

SCORE: Let's talk about the Boob Cruise. You were on three of them. What are your favorite memories from the Boob Cruise?

MINKA: My first Boob Cruise was '97. I was very excited. Lots of food! All I could eat! I would go to the kitchen and get all kinds of food so I could eat all night! And I don't know how many girls were there. We had parties. Dancing all night. It was a lot of fun. The next year was '98. The last one was 2000, so three times I was on the Boob Cruise. It was fun.

SCORE: Do you remember the places

you went?

MINKA: They stopped at a lot of small islands, and then we'd go shopping or have photo shoots. We took pictures with all the passengers. And the water was so beautiful. I could see right down to the bottom. Lots of fish. And the girls and the guys were jumping right into the water and were swimming, but I was a little scared of sharks. I didn't want to die, so I didn't jump in. [Laughs] Plus, I'm scared to swim in the ocean. My swimming pool at home I can swim in. If I can't touch my feet, I can't swim.

SCORE: Tell us about your stage shows on the boat. They were memorable.

MINKA: I used a toy, and I think during my shows, a lot of guys would run off and jack off into the ocean! [Laughs] They were so horny! And I put baby oil all over my body, and a lot of guys were helping put oil all over my boobies, and one time, I put a strap-on on a guy and had him fuck me with the strap-on! Everybody was partying! It was fun but also very, very relaxing. Very beautiful.

SCORE: Are you a party girl?

MINKA: No. I had fun on the Boob Cruise. I liked the sun. A lot of food. I liked being with the girls and the pas-

sengers. The dancing. I liked the ocean. Beautiful. But I am not a party girl.

SCORE: Do you remember who your roommate was in 1997?

MINKA: Busty Dusty. I remember that she always threw her stuff all over the room! I was always cleaning up after her. [Laughs]

SCORE: If we had another Boob Cruise, would you go?

MINKA: Of course, I would go. I enjoyed myself.

SCORE: Well, Minka, let's talk about sex, which is what most of the guys want to hear about. When a man is having sex with you, what is the thing he wants to do most?

MINKA: They want to fuck my titties! [Laughs] That's why they love big tits. Every woman has a pussy, but they don't have these tits. Plus, other women don't have nipples like mine. I have huge nipples, so men love it!

SCORE: What do they do to your tits and what do you want them to do?

MINKA: Put their cock between my titties, then pour on baby oil, and I squeeze my boobies together. All men love it!

SCORE: Do you squeeze your tits together or do they do it for you?

MINKA: If the man is on top, how can he handle my tits? [Laughs] They have to balance their bodies, so I have to squeeze my tits together. I squeeze hard and tight so I can hold the penis. I tie it up with my titties.

SCORE: What is the fastest a man has ever cum when fucking your tits?

MINKA: Some guys just look at my tits and before they even put it in there, they cum. No titty fucking. Just watching.

SCORE: They don't even get to tit-fuck you? They just cum?

MINKA: Yes. And sometimes if they are fucking my boobies, one minute, two minutes, sayonara, that's it! They cum all over my boobies!

SCORE: What titty fucking positions do you like?

MINKA: On my knees, and if you don't like to come on top of me, you can lay on your back, and I'll get on top and put your penis between my tits, and I'll rub all over your penis, top and bottom, with my tits and nipples.

SCORE: So the guy is on the bottom and you're on top?

MINKA: Yes. Or I'll get on my knees and give him a blow job. But most guys just want to fuck my titties. They want to feel them, suck them, and then they

want to fuck them. Any girl can give them a blow job.

SCORE: Do guys' cocks ever disappear between your tits?

MINKA: It depends on what size you are. Two inches? Three inches? Yes. Big ones, I can see the head. Maybe seven inches. But if a guy is three or four inches long, they're hiding! I cannot even see it! [Laughs] Men like it very much when their penises disappear between my boobs.

SCORE: Do you ever meet guys who just want to play with your boobs?

MINKA: Yeah. They want to feel them. They want to touch the skin. They ask me if I have any feeling in my nipples. I say, "Yes, I am very, very sensitive." And they just play. That's it.

SCORE: You have big boobs, but you have a small pussy, right?

MINKA: Tight pussy. [Laughs]

SCORE: Are guys ever surprised by how tight you are?

MINKA: Some. I made some movies here last year, and the guys were so big, one said, "Minka, your pussy is so tight!" The smallest was seven inches. I couldn't believe how big his dick felt.

SCORE: But you've had sex with Ron Jeremy, haven't you?

MINKA: He's not big. Everybody thinks he's big, but he's not big. He's thick, but he's very short. He's not more than seven inches. I fucked him, so that's how I know. Maybe he's a little over five inches. Short dick.

SCORE: This is groundbreaking! You just said that Ron Jeremy has a little dick. [Laughs] What's the biggest cock you've ever been with?

MINKA: One of the ones I fucked last year at SCORE. A tall boy. Jarrod Steel. I think that scene is in *Maximum Minka*.

SCORE: It is. You know, you're the last great mega-stacked model from the 1990s. *Mega-Boob Olympics* in Key Largo with you, Kayla Kleeve, Plenty UpTopp, SaRenna Lee and Maxi Mounds was probably the last time all of you were together in one place. What do you remember about that?

MINKA: That was fun. Everybody was very nice. I did a scene with Plenty and Kayla. That was a lot of fun. Very horny. I fucked Plenty.

SCORE: That's another scene that's in *Maximum Minka*, which your fans will love. Minka, thank you for joining us.

MINKA: Thank you, and thank you to all my fans. Keep enjoying my boobies!

HOT-BODIED BELLA BLAZE FUCKS AND SUCKS HER WAY INTO SCORE AND INTO OUR HEARTS.

When Bella Blaze, a bartender from Michigan, debuted in the July '10 issue, we asked, "Is she busty enough for *SCORE*?" This oughta help you answer that question. First off, Bella's DD-cup naturals look huge in the sexy, covers-nothing lingerie she's wearing. Second, there's something about a girl sucking and fucking that makes her look bustier. And third, Bella has a body that's built for fucking, and it would have been a damn shame if she hadn't graced our fine mag.

"I am not really into fantasies or role-playing," said Bella, who was brought in to shoot for *Naughty Neighbors*, our sister publication, and was asked to stick around after we saw her rack. "I like sex, straight and forward. The kinkiest thing I ever did was a foursome in a casino hot tub, but it was pretty much straight sex. Sucking and fucking. Nothing kinky. Me, two guys, another girl. Nobody was even watching, although I guess we could've gotten caught. I guess you'd have to say this is now the wildest thing I've ever done. None of my friends have ever fucked for a magazine."

Release: StoreMags & FantaMag

With her porn star body (big but not huge boobs, small waist, nice ass), Bella could go mainstream, and maybe she will. Her body and face remind us of Euro slut *SCORE* Girl Jasmine Black, who does everything on camera from anal to DP and more. Her personality is like Jasmine's too: a bit shy when she's talking to you one-on-one, less shy when she's getting naked and spreading for the camera, a runaway nymph when there's a cock in the picture. And here she is, looking right into the camera as her tight pussy gets slammed. "Fucking makes the jitters go away," Bella said. Will Bella go the same route as Jasmine? Will we soon see her taking cocks in her ass? Maybe. And if she does, we'll proudly say you saw her in *SCORE* first.
