LOCK HIM IN A ROOM WITH THE GREATEST *SCORE* BIKINI BABES!

Dear *SCORE*,

Wow! I bet y'all had the damnedest time choosing just 15, eh? ("The Greatest *SCORE* Bikini Babes Ever," *SCORE*, Aug. '10). Ya'll have given me a problem: choosing one out of my top six. Here's why (which is also why locking me into a room with all six and having to choose only one may get me beat up!).

Linsey Dawn McKenzie is looking like she's the queen of the beach with

Linsey strikes the command pose as her naturals overwhelm a bikini.

the command pose in her photo. Anyone wanting to challenge her better have their insurance paid up 'cause she looks like she plays for keeps (and, yet, I'm hornily intrigued).

Angelique, Tiffany Towers, and Tawny Peaks have been favorites of mine since I bought my first *SCORE*

issue almost 13 years ago.

Busty Dusty and Minka both have "You like what you see? Wanna come and get to know me?" poses. Busty Dusty has a bit of a sultry pout while Minka's smile wins you over.

I choose Her Majesty Linsey Dawn

Minka's bikini can't contain her, so she pops out a nipple to give it some relief.

McKenzie as the Greatest *SCORE* Bikini Girl. Had y'all said top three favorites, then I'd confidently say LDM, Busty Dusty and Minka.–Indy, Norfolk, Virginia

WHO LOOKS BETTER IN BIKINIS, NATURAL OR ENHANCED GIRLS?

Dear *SCORE*,

The ultimate bikini babe (Aug. '10)? Linsey Dawn McKenzie, no question, but then, that would apply regardless of what the model was wearing.

I'm not really a massive fan of bikinis. I prefer seeing models in lingerie. That said, I reckon a pair of naturals breasts will always look better than their enhanced counterparts in a bikini top. I like the side-splay and undulation you get as the girl walks and reclines. That's top banana.

By the way, kudos–finally–for the interview in the same issue with Daylene Rio, who I voted for as 2009 Model of the Year. It's about time this girl got the spotlight all to herself. The woman is definitely sex on legs.–K.S., United Kingdom

Lillian Faye shows off the side-splay that makes naturals look great in bikinis.

MORGAN LEIGH: THE REASON THEY INVENTED TINY BIKINIS

Dear *SCORE*,

Nobody does a bikini justice like the great Morgan Leigh. Her body was built for bikinis: huge, pointy tits and a tiny waist. You folks were obviously thinking the same thing when you chose to open your bikini layout with her, and if that didn't put me over the

KAYTEE VS. AUTUMN-JADE AND THE INEXACT SCIENCE OF BRAS

Dear *SCORE*,

The greatest *SCORE* bikini babe (Aug. '10) is Crystal Gunns. She exudes charm and sex appeal.

On another note, I am most impressed with Kaytee Carter, as are many readers, I'm sure. However, although she may prefer to wear an I-cup bra, those lovelies cannot be true I-cups. Compare her to Autumn Jade. Kaytee's tits are not nearly as large as Autumn's. I'd estimate Kaytee at a G-

cup, max. Kaytee is a bigger girl, you say, and there can be no doubt about that. However, Autumn and Kaytee both measure 34 inches around the rib cage, so my comparison is valid.

Also, I believe Kaytee's hips are closer to 36 inches than 34 inches. Do not take this as criticism. Kaytee is beautiful and a very sexy girl-next-door.–J.C., Oklahoma

Dear J.C.: Keep in mind that Kaytee is a bigger girl at 5'8", 148 pounds while Autumn is 5'2" and at her peak was 121 pounds. In general, it's almost impossible to discern a girl's bra size just by looking at her. Plus, bra measuring is never an exact science. Many intangible factors go into deciding what size bra a girl wears (and is comfortable wearing).

GIVE CREDIT WHERE IT'S DUE: TO OUR GREAT PHOTOGRAPHERS

Dear *SCORE*,

I have a suggestion that actually comes from my cousin, who is as thrilled with *SCORE* as I am. He is a professional photographer, and he says one of the reasons for *SCORE*'s excellence, in addition to the great models, is the quality of the photography.

In many XXX spreads I've seen, the male model blocks the view of the girl, and it's really the girls that men want to see. *SCORE*'s photographers are better than most at getting the right angles and viewpoints. I am not a photographer, but after my cousin pointed out the obvious to me, I can appreciate the difference.

My cousin likes to be recognized for his work and says photographers are rarely given enough credit for their work. *SCORE*'s professional camera artists are among the most highly skilled in the business. My cousin suggests, and I'm passing on the suggestion, that you give the photographer credit by name at the beginning of each girl's layout.–R.N., via email

BIKINI BABES IN AUGUST, THEN ALL-NATURALS IN SEPTEMBER

Dear *SCORE*,

Another great "Summer Sex Special"/bikini issue (Aug. '10). This issue has become as much of a mainstay on the *SCORE* calendar as the annual all-naturals issue in September.

Some readers have asked why you don't do an all-augmented issue. My answer is that this bikini issue is as close as you need to come: Great enhanced, slim-n-stacked bikini babes like Morgan Leigh, Annina, Holly Halston and Harmony Bliss, plus most

of the 15 girls in "The greatest *SCORE* bikini babes ever." Great wet T-shirt shots of Daylene Rio, too, but my favorite photo in the issue is of Harmony Bliss sucking cock while her bikini top is pulled aside to reveal her big, pointy tits. I can just feel myself on the receiving end of that blow job!–J.L., Santa Monica, California

CHRISTY DOESN'T JUST SUCK COCK. SHE MAKES LOVE TO IT.

Dear *SCORE*,

I was really impressed when I got my August '10 *SCORE* in the mail. When I opened it up, I was happy to

Harmony's BJ style: Chest out, suck hard.

see Angela White and Christy Marks. I wish that was me in that layout with Christy because she always aims to please. She doesn't just suck a cock. She makes love to it, and I like that.

Since Christy lives in Pennsylvania, I wish she were my neighbor. If Christy is really planning to go to college, I wish she'd go to Lehigh University here in Bethlehem. If she does pick Lehigh, there's a house on my street that will be ready to move into in June.–J.P., Bensalem, Pennsylvania

four of them. On the extremely rare occasions when glitches have occurred, your customer service resolved them promptly and professionally.

Imagine my surprise, then, when I learned from the letters sections of these four periodicals that DVDs were frequently included with those magazines purchased at the newsstand. Don't think of me as ungrateful. I realize that as a subscriber, I pay considerably less per issue and receive the 15% discount on certain products and free shipping. But I would also point out that by paying for issues well in advance, I am unable to be selective in my purchases. I might not have bought many of the issues I did if I had viewed their covers in advance.

I realize that profit is imperative (a fact lost on the Crimson Horde spewing from Washington, D.C.), but I don't think the cost of DVD duplication is prohibitively expensive. I receive sample CDs from a lecture company about eight times per annum, and they're still in business.

If the numbers are such that not everyone can receive the DVDs, and there are reasons not to reward your loyal subscription base, then the fair solution is for no one to receive the DVDs.–A.M., via email

Dear A.M.: Thanks for writing and giving us the chance to address your concerns. Just as significantly reduced price, convenience and numerous discounts are incentives to subscribe to SCORE, *the bonus DVD is an incentive to buy* SCORE *on the newsstand. Price is a key issue here. Depending on when you subscribed to* SCORE, *you're paying anywhere from $3.33 to $5 U.S. per issue. Compare that to the $11.99 readers pay for the newsstand edition that includes the DVD. Including the bonus DVD with your subscription would more than swallow up the very small profit margin that remains on subscriptions. That's because in addition to DVD duplication, there's the additional cost of packaging the DVD with the magazine, plus extra postage (because the magazine with a DVD would weigh more).*

We have considered (and are still considering) offering a subscription rate at an increased price that would include the DVD bonus. Would anybody be interested in that?

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

The Ultimate Good Girls *Gone Bad*

These Three Hot *SCORE* Girls Qualify For The Crown

Adding to this month's good girl/bad girl theme, "Boob Beat" has some nominees for an Ultimate Bad Girl crown. These are former Good Girls who go above and beyond in their raunchy, nasty Bad Girl antics.

Our first is Puma Swede, a very

funny, pretty Stockholm bombshell. When Puma debuted in the Holiday '04 issue as Johanna, she was okay about toplessness but refused to open her legs. Toys? Forget it.

And then something happened to Johanna. She became Puma Swede and went from zero to 60, doing the nastiest, dirtiest hardcore XXX (*Big Tit Tune-Up, Stacked Street Sluts 3*) like the world was going to end tomorrow. She's probably done well over 200 sex scenes so far. Puma is really into sloppy, messy blow jobs and throat fucking that covers her face and chest in saliva and cum. We never believed that Johanna would transform from a Swedish cock tease into this voracious sex maniac.

Our second nominee is Kianna Dior, a Chinese/Canadian beauty who debuted as our "Dancer Next Door" in the October '00 issue. Kianna (*Hard SCORE 2, Busty Slut Expo*) started off light with girl-girls and then went cock-wild. She's probably fucked and sucked in at least 300 scenes and, like Puma, she specializes in the sloppiest, messiest, noisiest blow jobs a girl can give with lots of gagging, gobs of drool and ropey spit strings connecting lips to cock.

Our third Good Girl/Bad Girl nominee is Brandy Talore. Brandy started with *SCORE* and *Voluptuous* in June 2003. A 21-year-old small-town midwesterner, Brandy chided *SCORE*'s dirty-minded editors in her first interview. "Never say nice tits or nice rack," Brandy scolded. "Say, 'Oh, your breasts are nice,' but please don't say, 'Nice tits.' It's vulgar!"

A year later, Brandy did her first hardcore DVD (*Hard SCORE*). From then on, there was no turning back. She became a super porn star. Six years later, Brandy is still fucking her brains out (*Rack Riders, Sexed & Suckled*). We're still surprised by Brandy's transformation from Good Girl (cheerleader, school athlete) to Very Bad Girl.

Who will be the next Good Girl Gone Bad?

The GOOD, The BAD and The UNDECIDED

Lexxi Tyler has not fucked cock yet. On-camera, that is.

There are Good Girls who have absolutely closed the door on ever being bad (Lorna Morgan and Merilyn Sakova) and Bad Girls who get badder and dirtier as time goes by (Summer Sinn, Holly Halston, Alexis Silver). There are the Good Girls who look like Bad Girls but are not (Vanessa Montagne, Alana Anderson, Busty Brianna). There are the Bad Girls who look like Good Girls (Christy Marks, Shione Cooper) but are bad. And then there are the girls on the fence. Will a good stiff breeze blow them over to the Badlands?

Maggie Green (page 40) did her first girl-girl with super-Bad Girl Daphne Rosen in the July '10 issue. Will Maggie move towards real action with a dude or try a tits and tugs?

Anna Loren (October '10) seems a possible candidate for cock play. Anna has that glint in her eye that says she could be game and wants persuasion. And her sister took it up the ass for *Naughty Neighbors*, so maybe it runs in the family.

Jessica Taylor (May '10) has the potential to be a bed burner and so does Sophie Mae (Sept. '10), one of the rare Czechs to hang a stop sign on her panties.

I can't figure out what's holding back Lexxi Tyler (October '10). She has porn star in blinking lights over her head, and she does hot girl-girl (with Kianna Dior in *Busty Slut Expo*). And then there's Natalie Fiore (Sept. '10). I often wonder about this European hottie. I'd bet serious Euros that her sex drive behind closed doors is off the boner-meter. Will she ever give up her on-camera cherry? I'd love for that to happen.

And, finally, there are Mandy Pearl, Lillian Faye, Camille Morgan, Yurizan, Rukhsana, Michelle Bond, Paola Rios, Ines Cudna, Ariana Angel, Kylee Nash and Isis Haze. I suspect they're saving it for marriage. Some things are not always understood...and maybe it's better that way.

Jessica Taylor is a construction worker by day, dancer by night.

The Day After Boobquake

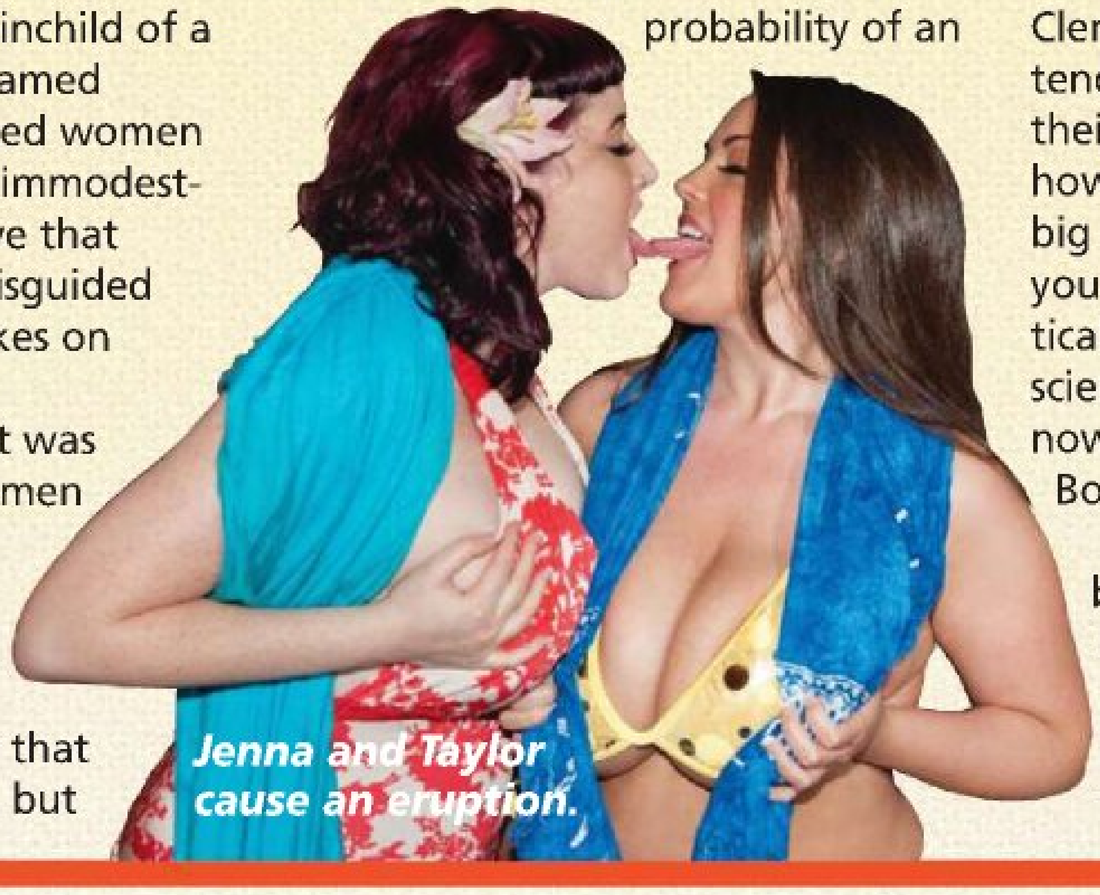

Boobquake Day, which I wrote about last month, is the brainchild of a Perdue University student named Jennifer McCreight. She urged women around the world to dress "immodestly" this past April 26 to prove that Iranian clerics are slightly misguided when they blame earthquakes on scantily dressed women.

"To quote something that was floating around Twitter: women can move mountains, but they don't cause earthquakes," Jennifer said the day after Boobquake.

There was an earthquake that day off the coast of Taiwan, but there's seismic activity on the planet every day.

"Earthquakes between 6.0 and 6.9 magnitude happen, on average, 134 times a year," Jennifer explained. "That means we had about a 37% probability of an earthquake of that magnitude happening on Boobquake day just due to chance alone, hardly an improbable event that needs to be attributed to an angry deity. I'm pretty sure our results aren't going to change Iranian Cleric Kazem Sedighi's mind. People tend to find any way possible to justify their superstitious beliefs, no matter how illogical. I'm sure the next time a big quake hits, we'll get a 'See? Told you so!' even if the event wasn't statistically significant. He didn't care about science before and he probably won't now. Even if he says that, I think Boobquake succeeded."

We think Boobquake should be declared a holiday, like International Beer Day (August 5) or Secretary Day (April 21). Anything that influences girls to wear tank tops is our kind of day.

Jenna and Taylor cause an eruption.

Sweaty Boobs

Donna Frye had issues with sweaty breasts, so she put her entrepreneurial mind to work and came up with the Wick'em Bra Liner, made with fabric used in athletic wear.

"Although I had discussed my problem with countless doctors over the past 15 years, not one of them offered a solution that worked," Frye said. She decided to create a solution.

Frye took over a year to research, design, patent and create a prototype of her exclusive Wick'em Bra Liner. Her product, for cup sizes A to G, is sold at Braliner.com.

She Walks LIke She Bangs

By studying the way a woman walks, trained sexologists can correctly detect whether she enjoys vaginal orgasms. So claims a study published in *The Journal of Sexual Medicine*.

Sixteen Belgian co-eds completed a questionnaire about their sexual behavior and were then videotaped while walking in a public place. The videotapes were rated by four sexo ogists, who were able to correctly deduce over 80 percent of the time that the girls enjoyed vaginal orgasms just by the way they walked. How did they do this? Supposedly, the sum of the girl's stride length and her vertebral rotation was greater for the vaginally orgasmic women.

"This could reflect the unblocked energetic flow from the legs through the pelvis to the spine," the authors claimed. "Blocked pelvic muscles, which might be associated with psychosexual impairments, could impair both vaginal orgasmic response and gait."

We already know that girls walk funny after getting a good, hard fucking. It has nothing to do with science.

Birthday cakes are full of bad carbs and too much refined sugar, so we advise this month's birthday girls to keep away from them. They should be popping out of cakes instead. However, since their birthday comes only once a year, they can have their cake and eat it, too. Happy birthday, ladies!

BRITISH BEACH BABE COVER-UP

More than half of the British girls quizzed in a United Kingdom survey go topless on foreign holidays, but none of them would show their bazooms on beaches at home and only a fifth of them will wear bikinis.

The most common reason they gave for refusing to go topless in Britain was the possibility of being seen by people they know. A third of the 1,000 girls polled said they felt comfortable topless or in skimpy swimsuits in other countries because foreign men are more used to nudity. And British guys don't count? Don't they deserve some nipple, too? C'mon!

"When I'm in places like Spain or Cyprus, everyone is topless at all the beaches, so it's nothing special," explained our bosom bud Kerry Marie (BustyKerryMarie.com). "People don't say, 'Oh, look, she's got her boobs out.' But at home if I had my boobs out, people would say, 'Oh, my God, look at her. She's topless!' and that can get to be a bit annoying. When I'm in Europe, nobody cares. Everybody on the beach is naked or half-naked.

"I went on holiday to Cyprus, and this guy at the hotel the whole time kept asking me, 'Can I rub lotion on you?' He didn't stop. It got to be an awful bother."

That guy thinks exactly like we do so we can't criticize his rubbing compulsion.

Janet Jade

Whether she's sucking a lollipop or jacking a cock, Janet is always good!

Janet Jade is shy. That might seem impossible to believe as she sits in front of you with her luscious, creamy, caramel tits hanging out, a shock of pink apparent from down below as she licks a giant lollipop, seemingly unaware of the phallic significance of what she's doing, but Janet can be very shy.

"It depends on the situation," said this DDD-cup natural from Detroit, Michigan and runner-up for 2009 Model of the Year. "If I'm in front of a lot of people, that's good and I'm not shy. It's one-on-one that I'm shy."

Okay, but we've seen her one-on-one in the DVD *Tits & Tugs 5*, and Janet definitely isn't shy in that movie. She knocks on a neighbor's door, dressed to impress in a halter top. Seems she's locked herself out of her house, and she's come for help. But she's no damsel in distress.

"You wanna play a game?" Janet says to the Good Samaritan who's about to get the best kind of reward. "It's called tits and tugs. You interested?"

Before long, Janet is on her knees, squeezing her giant naturals around his hard shaft and sliding them up and down.

"You gonna cum betwen my tits, baby?" she asks.

She works his cock hard and fast. She uses her hand to jack his cock. She knows what she's doing.

"Squeeze my tits, baby," she says, slapping his cock against her boobs. She gets on her knees and lets him spread her ass, and as she jacks him some more, she says, "I want you to cum all over my tits."

Eva Notty

You're looking at the bad-girl side of Eva. Is there a good-girl side?

The idea that Eva Notty has a good-girl side might not be so apparent when you see her pictures or watch her fuck in the DVD *Boob Science*, but it's there. This long-legged makeup technician from Arizona just manages to hide it most of the time, beneath her big tits, long legs and seemingly always-wet pussy. But you're not going to find that side if you ask her what she likes most about tit-fucking.

"I like that my tits are big and can wrap around any-sized dick," she said. "I like the cock-head coming out from between my tits, and if the cock is long enough, I can put it in my mouth and suck it. And if the guy wants to cum on my face, I'm happy to let him. Of course, my preference is that he cum on my tits. Most guys have never been with a girl with breasts as big as mine, so they like to cum all over them."

Or in her mouth.

"And if the guy's cum tastes good, I just might swallow it."

Eva (who made her first magazine appearance in the August '04 issue of *Naughty Neighbors*) debuted in the December '09 issue of *SCORE* and didn't waste much time showing us her bad-girl side. She was the subject of a week-long special at Scoreland.com, during which she enjoyed her first on-camera tug-job and tit-fuck. A little later, she made the big jump to her first all-the-way hardcore scene in *Boob Science*. She fucked like she was born for it.

"I like to have sex as often as possible," Eva said. "I'm an assertive girl, and I'll initiate sex if I

Annina

For her, one cock is a good day. Two is better. Three is best of all.

A typical day in the life of German *busen* wonder Annina goes something like this: Wake up before eight a.m. Take a shower. Relax. Read the newspaper. Check her email. Eat breakfast. Meet some friends. Go shopping. Eat dinner, maybe at a nice restaurant.

That's a slow day. It's a good day for Annina, but not the best day. The best days are the ones she shares with a man…or two. Or three.

"I like sex with more than one man," said this slim 'n' stacked sexpot with G-cup tits and some very needy fuck holes. "I love double penetration. I love to give blow jobs. Tit-fucking is okay, but it's not as good as double penetration. I like when men cum on my tits, but it is best after they have fucked my pussy and my ass. Then they can cum on my tits if they want."

Got the picture? This former real-estate agent from Cologne, Germany–she was fired because her boss thought her boobs were too big–has an insatiable sexual appetite. What we've seen her doing in *Big-Tit A-List*, in which she gets fucked in the ass by a big-dicked stud, and in a video at Scoreland, in which she takes on Shane Diesel's impossibly long, thick, black cock, are just a taste of what she does in her personal life.

"I can tell you about a special sexual experience I had," Annina said. "It was with three guys outside in a parking lot near the highway, and there were 10 men watching us have sex on the car and next to the car. I started by giving all three of them blow jobs while they took turns fingering my pussy, then one of them

Maggie Green

From glamour model to kinky bondage chick in just a little over a year.

Seeing Maggie Green like you've never seen her before doesn't take a lot. After all, this is the girl who, up until her *SCORE* debut in the October '09 issue, didn't do a whole lot (by men's magazine modeling standards). She had become an Internet superstar simply by baring her natural F-cup tits, and if you wanted to see her pussy, you either had to be her boyfriend or her gynecologist.

But in that debut issue, Maggie showed us her pussy hair and a bit of her slit. A few months later on Scoreland, she spread her legs and gave us our first look at her sweet pussy. In the July '10 issue, and in the DVD *Boob Science*, she got fucked with a strap-on by Daphne Rosen.

And now, this: Maggie in bondage with her wrists tied together and a ball-gag in her mouth, unquestionably, her most outrageous pictorial ever. She's gone from topless-only to this in just 15 months. Has *SCORE* scandalized Maggie?

"Maybe," she said, laughing. "This is definitely way out there for me. I don't even do stuff like this in my private life, no less in a men's magazine. But I knew when I started posing for *SCORE* that if I wanted to be a *SCORE* Girl, I'd have to go a little further than before. I guess you could say that this and what I did with Daphne means I've gone a lot further!"

About a year ago, Maggie told

Christy Marks

Scoreland's 2000-2009 Newcomer of the Decade can never get enough.

Christy Marks was the "Teen Tit Wonder" when she made her worldwide debut on the cover of the November '07 issue of *SCORE*. She was a seemingly innocent, huge-boobed 18-year-old, and we wrote, "She has the kind of fresh, enthusiastic attitude that only comes with youth."

But even in that first layout, Christy gave us clear signs that not far below the surface, a bad girl was lurking. In addition to her H-cup naturals, she had a shaved, pierced pussy, and on the next-to-last page, she locked her legs behind her head and gave us an unobstructed view of her obviously not-virginal pussy and puckered asshole. And then she told us, "I love getting fucked while I'm playing with my vibrator." She was ready to be bad.

Within a year and still a teen, Christy was showing off her sexual skills by serving up an acrobatic, super-hot tit-fuck and tug job in the DVD *Tits & Tugs 2* (in one

SCORE Girls Gone Bad

They went from girl-next-door to hardcore!

We wait. We anticipate. We fantasize about the day when we'll see our favorite *SCORE* Girls in XXX action. Sometimes, it never happens. But for the girls in this special pictorial, it did. Crystal Gunns made us jack happy with a tit-fuck/tug-job in *Tits & Tugs*. We waited six years for the legendary LDM to break her XXX cherry in the January '02 issue. She did one more XXX scene, a three-way with Veronika (both scenes are in the DVD *Encore)*. After six years of teasing, Chloe Vevrier finally fucked in the Aug. '99 issue. She did it one more time in the January '01 issue. See her in *The Best of Chloe*.

Taylor Steele hasn't made us wait. She debuted in the March '10 issue and has already done her first on-camera tit-fuck...cumming soon! Heather Michaels, a favorite in the late '90s, enjoyed a rare on-camera fuck in *SCORE Xtra #2*. Canadian Lily Valentine came, came and went, disappearing from the radar after three blazing XXX scenes. See her in *The Breast of SCORELAND.*

Cindy Cupps had been a *SCORE* Girl since 1999. She turned down many offers from many studios to do a boy-girl scene. Then she decided to try her hand at a breast-sexing scene–just one!–and we were given the honor. It's appropriate that Cindy co-stars with Crystal Gunns in *Tits & Tugs* because Cindy introduced Crystal to *SCORE*. Jayden Prescott came to *SCORE* because her husband asked her to. Her first day in the studio, she took it up the ass from one of our big-dicked studs. Readers still ask about Tera Cox, a Missouri girl who blazed across our screen in 2007, did four XXX scenes (including two in *Pounding the Pledges*) and then disappeared. JANET JADE

Continued from page 18

Shy? No fucking way!

"I guess there's the part of me that's shy and doesn't want a lot of attention, but then there's the part of me that likes to be admired," she said.

There's a part of her that can dress up in a cute, purple dress and pigtails and suck on a lollipop and a part of her that can dress up like a cheap hooker, puff on a cigarette (Janet doesn't smoke in real life) and let a total stranger cum all over her rack.

"I liked it," Janet said of her scenes in *Tits & Tugs 2*, *Tits & Tugs 4* and *Tits & Tugs 5*. "It was lots of fun. It's the kind of thing that most people who know me wouldn't expect me to do."

One of the great things about Janet is that, like all of the girls in this "Good Girls Gone Bad" issue, she didn't have to go anywhere near a cock to get into *SCORE*. Her tits were her passport (her ass, too, considering she has made two appearances in *BootyLicious* magazine). And, like most of the girls (Annina and Heather Michaels being the sole exceptions), she has done boy-girl only for The SCORE Group.

Even if she hadn't, Janet has done plenty to keep us interested. She debuted in the February '08 issue wearing a simple summer dress with lots of cleavage, and we instantly fell in love.

"I dress very casually," Janet said. "A pair of jeans, a tight T-shirt and sandals. I usually don't wear underwear. But it doesn't matter what I wear. It's impossible to hide my boobs."

Six months later in the August '08 issue, Janet oiled up her tits in a sexy outdoor workout set. We've seen her sharing a cock with Christy Marks in the March '10 *Voluptuous* and being a very bad girl when she attached a dildo to a drill and fucked her pussy in a video at Scoreland.com (the photos were published in the June '10 *SCORE*). The amazing thing about that video is that Janet manages to look cute while doing some very raunchy stuff.

"Obviously, I know what you guys are doing when you're looking at my pictures, and I find that flattering," Janet said. "Every girl wants to be admired, and being in *SCORE* is the height of that. I get to show my good side and my bad side."

With Janet, it's all good.

EVA NOTTY

have to. I like a good kisser and I like my boobs to be handled gently with a lot of sensual touching. Lick them and suck them. Tease them and breathe on them. My nipples get hard fast. They're very sensitive. I think foreplay is the most important part of sex. The more time you spend before getting to my pussy the better because it really gets hot and bothered while you're playing with my tits, and then the orgasm is better."

For Eva, the orgasm is everything. In the scene pictured here (you can see the video version at Scoreland.com), Eva wakes up her fuck friend by rubbing his cock through his pants. No words are necessary. The guy reciprocates by rubbing Eva's pussy, and then Eva moves his head down into her cleavage. She sucks his cock hard–"Hold it right there," she says–and spits on his cock to keep it lubricated. She makes sure he pays plenty of attention to her F-cup tits, then gets his dick extra-hard by wrapping her boobs around it. She climbs on top for a reverse-cowgirl fucking and never stops talking dirty.

"You like that pussy?" she says as she bounces. "You like the way I fuck you?"

Eva doesn't seem to be thinking about the cameras that are right in front of her. She's enjoying the action, loving being a bad girl, and when the guy turns her over and fucks her pussy missionary style while squeezing her tits, her sounds of pleasure get even louder.

"Cum all over my tits. Cum all over my face," Eva says, delirious. "Cum all over me," she says, and he squeezes out his load all over her tits. And what does Eva do when his balls are empty? She licks his spunk off her nipples.

In *Boob Science,* Eva is the hair stylist of your fantasies. She tit-fucks the nerd she's trying to turn into a stud and then goes to work with her mouth, sucking and making sure his balls get plenty of attention, too. A lusty fuck follows, and Eva jacks his cum onto her creamy rack.

"Two of the best cums I've ever had were the cums I had for *SCORE,*" Eva said. "I never realized fucking on camera could be so much fun!"

So, is Eva a good girl gone bad? Or has the bad side that's always been there finally come out?"

"I'll go for the second one," Eva said. "Definitely."

Angel Gee

She loves three things: big tits, sex and being the center of attention.

In the final scene of the DVD *Boob Science*, Daphne Rosen takes two nerds to a wild house party filled with wild people. The party is crashed by Angel Gee and her two nasty goons. Angel is looking tough but sexy in a fishnet lingerie top that her pierced nipples poke right through and thigh-high leather boots, and her hair is blonde and done up in dreads.

"Hi, Angel," Daphne says. "These are my wards, Dexter and Sheldon. They're just dying to fuck you."

Angel looks them over and says, "I like men who know what they want." Then she, along with Daphne, proceeds to give them what they want: a wild four-way with blow jobs and fucking.

In the scene pictured here, Angel's hair is brown and down. She's glammed up and being romanced by a guy with flowers. But the same thing happens here that happened in the *Boob Science* scene: Angel fucks and sucks.

So who's the real Angel, the bad girl who ends up fucking or the good girl who ends up fucking?

"Both," Angel said. "If I'm with a guy and he's interested and I'm interested, we're probably going to end up in bed or the backseat of his car. And if he doesn't seem interested, we'll still probably end up fucking. A guy who's hard to get, I know how to handle him. The ones who look easy, I play really hard to get, so one who plays hard to get, I'll just be nice and approach him and see how it goes. Flaunt myself in front of him and see his reaction, and that tells

fucked my pussy on the top of the car while I blew the other two, then they took turns in my ass and my pussy, and when one of the men wasn't in my ass or pussy, I was giving him a blow job. So I had men in my mouth, ass and pussy at all times, and these 10 men were just watching me. I'm sure they were doing more than just watching! And it felt so good to have cocks in my ass and my pussy at the same time, and when they came, they came all over my chest. It was wonderful! I was out in public doing these naughty things!"

Annina tells this story in her sweet, sexy, babydoll voice, her very serviceable English tinged with a German accent, and she tells it as matter-of-factly as if she were telling us about a new outfit she just bought or an episode of *Big Brother*, the German version of the TV reality show in which she has appeared (she has also appeared in the Phillipines version). For Annina, loving sex and fucking on camera are nothing to be ashamed of. It's what she is. It's her life.

"It's always a sexual highlight to have sex with more than one man," Annina said. "It's an adventure. I go out sometimes during the day or night and I never know what's going to happen. I might just go shopping and I end up doing DP with two men I had never seen before. It's always a lot of fun!"

For Annina, the idea of being a good-girl-gone-bad is a big part of the thrill. It's the reason she first modeled for *SCORE* in 2008.

"I'm an exhibitionist," she said. "There is a man fucking my pussy or my ass, and people are watching, and this is unusual and exciting. Most girls don't do that, especially with two men. I have had sex with Shane Diesel, who has the biggest cock I have ever seen. I didn't think I could handle it, but I did. I have taken very big cocks in my ass, and they have always felt very good. And then I see the camera and I think, 'Oh, I am doing this. What a bad girl!'"

And now she's ready to live out her wildest, baddest fantasies.

"Perhaps I will run a contest to see who would like to be in a gang bang with me," she said. "That would be fun. If you'd like to do it, please write in and let me know. My ass and pussy are waiting for you!"

us, "Obviously, I'm not bothered by taking my clothes off in front of people. That's never bothered me. My mom used to get mad when I would change my clothes without shutting the blinds. I really don't care who sees me naked, and it can be a turn-on. I know that people look at me naked and like it. I think that's hot."

A few months later, when Maggie was helping us select her partner for her first girl-girl scene, she told us she wanted someone who was experienced because she wanted the scene to be good.

"I knew Daphne would do me right, and she did," Maggie said.

That scene was one of the most remarkable we've ever shot. *SCORE* editor Dave Rosenbaum remembers walking into the studio that day and hearing the distinct sound of girlie moans. The first actual words he heard were, "Oh, fuck, it feels so good!" Remarkably, those words weren't coming from Daphne, the seasoned porn star, but from Maggie, who was having her first on-camera girl-girl experience.

"Oh, rub it in all over my titties,' Maggie said, boldly, lustfully, and as Dave wrote, he knew "that in a matter of months, Maggie had transformed herself from shy girl to porn nymph-in-the making."

"Well, I'm not so sure about that," Maggie said. "I'm not going to say it'll never happen, but I still haven't had sex with a man on-camera, and I don't know if I ever will. With Daphne, the whole scene was very comfortable and it fit in logically with the movie. I'm not saying there's anything wrong with having sex with another man on camera. I just don't know if it's for me."

But a little bit of light bondage with a ball gag? She's okay with that!

"To me, there's nothing wrong with any kind of sex as long as it's between two consenting adults and nobody's being pressured into doing anything," Maggie said. "Bondage is fine as long as both parties know what they're getting into and there's that trust factor. I trust *SCORE*, so when this was suggested to me, I knew it would be done tastefully, and it was. I think every girl has her limits. I'm still finding mine!"

We can't wait to see where Maggie branches out next!

Melissa Mandlikova

Cum one, cum all, and make sure you save a load for this busty Czech!

Melissa Mandlikova is shy. *Yeah, right!* It should go without saying that any girl who bares her tits and spreads her sweet, pink pussy in an international men's magazine is at least a bit more outgoing than average, but sometimes, we meet a girl, she doesn't say much, she keeps to herself, and we assume she's shy. We forget how she sucked on her own nipples while looking into the camera in the May '09 issue and fingered her exceedingly wet twat in the May '08 issue.

Actually, we don't forget those things. We kinda put them off to the side for a moment, after we're done jacking. Hey, of course she doesn't say much! She speaks Czech and we speak English! And, hey, who was it that she spent most of her time with during the shooting of *Busty Riding Academy* in Hungary? Terry Nova, another Czech buster, a girl who knows a thing or two about sucking and fucking on camera. What do you think those girls were talking about? The best places to shop in Prague? No! They were talking about sex! And weren't they the two girls who grabbed a double-headed dildo from our supply box and disappeared to one of their rooms for hours? Yeah, they were!

But that's all circumstantial evidence. The best evidence, the real evidence of Melissa's not-so-shy personality, came from Kristy Klenot, Melissa's partner in a tits-and-tugs scene in the DVD *Busty Riding Academy*.

"She told me that she loves cum and not to hog it all," Kristy reported. "She told me she likes

when men cum on her tits because she likes to rub it in. She said cum makes her tits feel good."

Kristy is the porn star in their scene, the girl who has done it all in front of the camera, but you'd never know it by watching *Busty Riding Academy*. Melissa is right there, jacking the cock, getting tit-fucked and taking a well-deserved load of cum on her F-cup rack. And there it is. The final piece of evidence that Melissa Mandlikova is not shy.

"I love to make men cum with my photos," Melissa told us through an interpreter in one of her definitely not-shy moments. "I love to make them horny when they look at me."

Melissa recently told us a story about a shopping trip in Prague.

"There was a guy sitting bored as his girlfriend shopped," she said. "I decided to be naughty and a little flirtatious. I grabbed a shirt from a rack close to him and made believe I was looking at it. Then I took off what I was wearing to see if the top would fit. I had a sexy, little white push-up bra on that made my cleavage look very big. I looked at him and smiled. He was very surprised and happy, but his girlfriend was angry."

And even angrier when the guy excused himself to use the men's room. Melissa had no doubt about what he was doing in there.

"I wish I could have gone with him, but I do not steal other women's boyfriends," Melissa said, reverting to her good-girl side.

Melissa, who recently graduated from a university in the Czech Republic, is still unsure about how bad a girl she wants to be. One time, Melissa was on-location with *SCORE* when we were shooting several XXX scenes of other girls. Melissa didn't jump into the action–she has yet to go all the way on camera–but she didn't leave the room when the other girls were fucking, either. She watched with obvious interest, and a few times we caught her touching herself.

"I love sex," Melissa said. "I would do it every day if I could. I love going out to clubs and dancing and shaking my tits and making the men horny."

But does she fuck those men?

She blushed, then smiled. "A good girl never tells."

memorable scene, she jacked the stud's cock while upside-down with her tits smacking against her face). Shortly afterward, she broke her hardcore cherry in a big way–an unprecedented way–with four different scenes in the DVD *Christy Marks Gets Fucked*. Once she started fucking, she couldn't stop. Holly Halston helped Christy break her anal cherry in *Christy Marks Anal Angel*, and Christy took on giant-dicked Monster Cock in *Christy's Big Bang*. All the while, she remained a fresh-faced, down-to-Earth country girl from rural Pennsylvania who just happens to have big tits and loves to fuck.

"I get into my scenes very easily and get very wet and cum a bunch of times," Christy explained. "It's just like fucking at home but with a camera in my face. I do the same things I do at home, just more positions. I really enjoy it. When you see me fucking on camera, it's the real deal!"

Christy is always the real deal and she always seems to be looking for her next sexual adventure with a man or another girl. She loves big tits almost as much as you do. When she was in Eleuthera for the DVD *Big-Boob Paradise*, she did a hot tit-to-tit scene with Angela White. Even more impressive was her scene with Gianna Rossi, a slutty porn star with far more experience than Christy. Gianna tried to dominate Christy, and Christy let her. The result: a red-hot scene loaded with lusty bad-girl tit-sucking and dildo fucking.

"Lesbian porn is my favorite," Christy said. "It gets me off. And I love to be submissive."

But she can take charge, too. Karina Hart was a reticent lezzie until she fell into Christy's soft hands during a shoot in rural Hungary. Christy showed her the way, and before long, Karina's girly moans were echoing throughout the historic castle where the scene was shot.

Later that week, Christy joined Terry Nova for a raunchy outdoor four-way with two studs for the DVD *Busty Riding Academy*. A few hours later, after she had been thoroughly fucked by two of our best men, insatiable Christy was roaming the halls of the castle, looking for an off-camera fuck buddy or two. Of course, she got what she wanted. Who can resist Christy?

"I love being a *SCORE* Girl because I love being surrounded by pussy and cock," Christy said. "What girl wouldn't love that?"

"It's just like fucking at home but with a camera in my face. I do the same things."

Alexa

We asked her to do a tits-and-tugs scene. She took it a step further.

Alexa was on her knees and Neeo's rock-hard cock was slicing between her F-cups. This tits-and-tugs scene was progressing very nicely. Our stud had already sucked on Alexa's nipples, hungrily stuffing as much of her breasts in his mouth as possible, and the look on Alexa's face said, "I'm horny as hell."

And that's when she did it: She grabbed Neeo's cock, took into her mouth and sucked it hard. Neeo and our videographer were stunned.

"I wasn't sure what to do," said Jose, the videographer. "This was supposed to be a tits-and-tugs scene, not a tits, tugs and blow job scene, and there she was having her mouth fucked by Neeo and looking up at the camera like she was having the time of her life. What was I supposed to do, stop her? No way!"

As Alexa kept on sucking, mouthing the stud's balls, going deep on his shaft and catching his cock-head on the upswing of a few cleavage strokes, too, it was becoming very obvious that Alexa didn't care what was in the contract. She was going to do whatever she wanted to do.

"Then Alexa laid on her back for more tit-fucking, and she kept on raising her head to catch Neeo's cock in her mouth," Jose said. "But I didn't realize just how horny and nasty Alexa was until she invited Neeo to stand over her face while she sucked his cock, then spread her legs and used her hands to spread her pussy wide open. She was doing everything she could to convey the message, 'I'm a dirty girl."

Alexa's desire to suck cock when the script said, "All you

ANGEL GEE

me where I need to go. I can pretty much handle whatever comes at me."

Or cums at her.

"I want to be the porn star in my bed," Angel said. "I love to watch myself having sex. That's hot! I'll pick up little ideas by surfing the Web, and I'll try out new toys. I feel like I'm my own porn star in my own room."

Everything about Angel's appearance screams "porn star," from her blow-job lips to her sultry expressions to her pierced nipples and all the way down to her pierced pussy. Yet her background says the opposite. She's a small-town girl from Littleton, New Hampshire who, instead of moving to Los Angeles and living the life of a porn star (she has never modeled for anyone but The SCORE Group), continues to lead a life away from the mainstream.

"I live in a very small town about 30 miles from Memphis, Tennessee, and everybody knows me," Angel said. "When I first moved there a few years ago, word got around really fast. The

man who owns the grocery store blushed the first time I walked in."

No surprise. Angel always goes braless, and since she was wearing a white tank top that day, her obviously pierced nipples were showing through. She was wearing fuck-me pumps (she's only five-feet tall, so she's short 'n' stacked), and she figures the grocery store owner had never seen anyone like her. Of course, very few girls are like Angel. Even in her driver's license photo, she's glammed up and showing cleavage.

"My breasts are my most distinguishing feature, so when I get pulled over by a policeman, I want him to be certain it's me," she said. "I never get a ticket!"

Angel likes wearing tight jeans with tank tops and baby T-shirts. Her idea of dressing up is a button-down shirt that's open to her belly button with a bra so "my tits are up there and at the center of attention." Sometimes she's the center of attention even when she doesn't want to be. Like in airports.

"My piercings set the alarm off every time I go through security," she said. " Once when I was coming from Memphis, the girl had to feel me down because of my piercings. She said, 'I hope you don't mind this.' I said, 'Oh, no, I don't care.' She asked if I wanted to go into a private room, but I said, 'We can do it out here.' All of the guys, their mouths were dropping to the floor watching her touching my boobs and making sure it was the ring on my clit that was setting off the alarm. Yeah, I liked it."

ALEXA

have to do is jack his cock and tit-fuck it," is only one of the reasons she has quickly become one of our favorite good girls gone bad. The other reason is that she didn't have to go anywhere near a cock to get into *SCORE*. She has the kind of slim 'n' stacked body that is always welcome in this magazine. Her big tits, small waist and pretty face landed her on the cover of the January '10 issue. Her lusty tit-fucking and spur-of-the-moment cock sucking landed her in the DVD *Tits & Tugs 5*.

Alexa, who's from Berlin, Germany was introduced to us by a *SCORE* Man. She's an exotic dancer and entertainer, and she's also into fetish modeling, which is very big in Germany.

"She's very sexy and willing," our videographer said. "She has this sauciness about her, this horniness. She's very extroverted and happy-go-lucky. She's always flirting, and as you can tell, she always goes after what he wants. Neeo told me that the blow job Alexa gave him was the best he's ever had."

Alexa doesn't speak much English, but managed to tell our videographer that she tries to have sex every day, even though she doesn't have a boyfriend.

"I have fuck friends," Alexa said, smiling and rubbing her tits. "I call them up and they come over! They eat my pussy. I suck their cocks. I love it!"

After this shoot was over, our videographer asked Alexa if she had fun. Alexa smiled, licked the last trace of cum off her tits and said, "Of course! Did I shock you?"

Then she looked over and saw that Neeo had another hard-on. And guess what she did next!

KARINA HART

Continued from page 90

the day, "I like the feeling of a man's cock against my breasts."

She cradles his cock like she's treasuring it, then tit fucks him some more. She rubs his cock-head against her nipple, looks up as if to say, "I want your cum," then lets him squeeze her breasts around his cock, allowing him to enjoy the feel of her creamy tit-flesh.

But Karina needs to get off, so she straddles his legs and rubs her pussy against his thigh, jacking his cock harder, licking one of her nipples, pussy rubbing in perfect synchronization with cock-jacking, her moans getting louder. She's cum once, and now she wants to cum again, but the real question is, "How has Carlos *not* cum yet?" Hey, he wants to enjoy this for as long as he can.

Finally, Karina flips over on her back, and Carlos gets to do what every *SCORE* Man has fantasized about doing: He straddles her chest, lets her wrap her whoppers around his cock and fucks her tit-tunnel hard. She stops him for a few seconds so she can jack his cock and rub it against her tits, then invites him back into her cleavage.

"Oh, baby, I want your cum," Karina moans, and it's clear that Carlos isn't going to last much longer. He wants to shoot his load more than he's wanted to in his entire life, she jacks him harder, working her hand in a rapid-fire motion until, finally, his spunk explodes all over her chest.

Karina rubs his cum into her tits. Carlos is exhausted. Karina looks at the camera as if she's realizing it's there for the first time. She knows she has made the transition from *SCORE* Girl to Bad Girl and that she has shot the steamiest scene of her modeling life.

"Yes, I enjoyed it very much," Karina would say a few hours later. "I knew it was something my fans wanted to see, and I am happy that I could give it to them. And I am even happier that I could get so much satisfaction out of giving it to them. I hope they enjoyed it as much as I did."

No doubt, they did. Karina's scene helped make *Busty Riding Academy* one of our best-selling DVDs ever and placed Karina in special company. Most of the greatest *SCORE* Girls ever (including eight of the 10 newcomers from 2000 to 2009 who were voted "Best of the Decade" by Scoreland.com members) have never had sex on camera with a man. SaRenna never did it. Neither has Lorna, Kerry Marie, Nicole Peters, Merilyn and a long list of all-time greats. But Karina has, and *SCORE* Men will always be thankful.

Of course, Karina has never been shy about being in front of the camera. Since debuting in the July '08 issue, Karina has always been willing to suck on her own tits, spread her pussy and ass and fuck herself silly with huge toys that most girls would think twice about using, easily sliding them in and out of her pussy. A few months after Hungary, she would film another explicit scene, getting fucked by a black strap-on for the DVD Karina Hart *As You Wish*.

But on that one day in Hungary, Karina was just the way we always wanted her.

"Oh, baby, I want your cum," Karina moans. What big-boob lover could resist her?

Karina Hart

From the academy to the Busty Riding Academy in one lusty tit-fuck.

Every *SCORE* Man knows that fucking a big pair of tits can be better than fucking pussy. When the tits you're fucking belong to 2009 Model of the Year Karina Hart, it isn't even a contest, as Karina proved when she did her one and only boy-girl scene in *Busty Riding Academy*.

When the scene opens, Karina is by herself in a room of an historic castle in rural Hungary. She's wearing a long, elegant dress that her magnificent, full, pale H-cup naturals are overflowing. When her stud, Carlos, shows up, he does exactly what any of us would do: He goes right for her tits and sucks them hard.

Karina is young but she's experienced and knows how to turn a man on. Carlos lies down, and she drags her rack across his face, smothering him with her boob flesh and letting him suck her nipples. Karina wiggles her tits in his face, moaning with pleasure. Her nipples are harder than we've ever seen them, and she's behaving like a nympho in heat.

She lifts her dress to expose her smoothly shaved snatch and fingers her clit. Carlos pinches her nipples, she keeps rubbing her clit, and finally, Karina takes off the dress and throws it to the floor. Then she slides down his body, takes his cock out of his pants and starts pumping his hard-on against her tits. She drops her head just a bit–is she going to take him into her mouth?–then drops her tits around his cock and gives him a combination tug job/tit-fuck, moaning louder because, as she told us earlier in
