SCORECARD

Is Valory Irene (far left) the next Linsey Dawn McKenzie (center) or the next Danni Ashe (far right). Simply being Valory Irene is fine with us!

VALORY IRENE: THE UKRAINIAN LINSEY DAWN MCKENZIE?

Dear *SCORE*,

Go ahead and say it. It's okay this time because I may agree with you. Exclusive debuter Valory Irene (Feb. '11) looks like Linsey Dawn McKenzie, doesn't she? In fact, that Christmas getup she had on looked like something LDM wore in one of her videos, too. The poses were Linsey-like. The stance, the penetrating stare, the charming smirk, her overall seductive allure…yeah, she was Linsey-like.

Valory's boobs aren't quite as large as Linsey's and may not be as firm, but they're just as uniquely shaped in how they curve outward from her ribcage. And when Linsey started modeling, her boobs were around the same size, somewhere between a G or double-G to Valory's double-Fs.

Valory has a body identical to Linsey's too: slender and naturally stacked. It looks like Valory can communicate with her eyes like Linsey could, although Linsey seemed more subtle with her stare.

It's too early to really say if Ms. Irene is finally the next model to fill Linsey's shoes, so I know, let me calm down. It's just ridiculous sometimes how we break our necks asking ourselves whether a particular model is or isn't the next LDM, but blame Linsey for that. She raised the bar so high.

But wait a minute: Valory didn't show pussy in her debut, did she? But I know she supposedly did in her video debut, *Wet Dream*. See? There it is again. Another similarity to Linsey. Linsey had a video called *Busty Wet Dreams*. I bet you didn't even realize that. Some day, we may be calling Valory the Ukrainian Linsey. We'll see.–S.M., Baltimore, Maryland

HE JUST WISHES VALORY IRENE WOULD SHOW MORE...TEETH!

Dear *SCORE*,

Just read the February '11 issue and a few things took me by surprise. First is newcomer Chica. She's beautiful. She reminds me of legend Savida.

Next, newcomer Valory Irene. I think John Fox hit this one out of the park since she's also featured in the February '11 *Voluptuous*. If she poses again, can y'all convince her to show her pearly whites as she smiles? I understand she's shy, and, in her shoot, she does provide that "come hither" look like an enchantress, but I bet she's even more beautiful when she shows her teeth.

Lastly, the TMM (Tit-Meat Measurement) formula from J.B. in Toronto, Canada ("Scorecard"). Holy smokes, how in the heck did he come

Newcomer Chica (above left) reminds one reader of 1990s model/dancer Savida.

up with that? I tried to follow the formula and understand the math, but he's missing a few things. For example, the Super Maxi Measurement (SMM) in Step 3: He doesn't explain where that part comes from. Also, I'd like to see his math on how he calculated Miosotis' TMM as 64ZZZ20; the number-letter-number combo went over my head. I'd also like to understand how to use the TMM. Does it determine if a model's better than another, like comparing Miosotis' TMM against Angel Gee's or Daylene Rio's?–iNDy, Norfolk, Virginia, via email

MAYBE VALORY IRENE IS THE UKRAINIAN DANNI ASHE

Dear *SCORE*,

First Karla James, then Kelly Christiansen, now Valory Irene. Wow! Valory's February '11 debut is quite special. Those 34FF tits just sit up and beg to be fucked and sucked. Outstanding. John Fox is spot-on saying her tits are similar to Danni Ashe's. That was my first thought, too.

The Stephanie Stalls pictorial is her best yet, and I simply can't believe Alana Anderson has never had those titties plowed. If those tits need fucking, then you tell her I am the man for the job. Perhaps me and fellow Brit K.S. could have a go at them?

I was interested to read in "Boob Beat" that the least-favorite way to look at tits is when they're bunched up. Not for this old tit man. There's no bet-

ter way to present a nice rack as far as I'm concerned. The way Tiffany Towers is presenting her tits at the top of that same page is the one for me!

I'm going to finish on a negative note. I am so fucked off by letters from James ("Scorecard," Feb. '11) and others who moan about models not showing pink. It's a fucking big-tit mag, you morons! As long as the girls are offering up those big tits for me, I'm a happy man, and that should be the way for all true *SCORE* Men. Ninety-five percent of the models do spread their pussies and asses, anyway, so be happy and shut up. Check out Karla James' pictorial in the January '11 issue. It steals the issue, and there are no pussy shots. If that pictorial isn't good enough for the whiners, they shouldn't call themselves tit men.–C.A., West Midlands, United Kingdom

YOU, ME AND EVERY OTHER BOOB LOVER IN THE WORLD

Dear *SCORE*,

"Arianna's 1st Time" (Feb. '11) was a great feature and one fantasy I would have liked to fulfill.–Name and address withheld

THE 20 GREATEST NATURALS... WHO *ARE* THE NATURALS?

Dear *SCORE*,

I have a few comments about the "20 Greatest Naturals" contest.

First, the field from which we were to choose. You gave only 43 models and we are selecting half of them.If 20 are to selected, the field should be larger, say about 60.

Second, I understand that we can use write-ins. I'm surprised that models like Kelly Madison, Taylor Steele and Penny Porsche are not listed.

This one stays on the best-seller list because it has 26 big-boobed hotties, including Christy Marks, in over seven hours of hardcore action.

All videos may be purchased at eBoobStore.com or by calling 1-800-421-0760 (U.S. & Canada) or 001-305-662-5959 (International). Or see many of them now at SCOREonDemand.com.

COMING SOON: *Valory Irene: All Yours* is the new DVD featuring the FF-cup newcomer with the perfect tits, and it includes her most up-close-and-personal most explicit scenes yet.

However, we can have a bit of a problem in the write-in category. There are many models who we are able to tell are augmented. There are many who we can tell are natural. (I'm sure the three I mentioned are naturals.) But there are some who we may not be sure about. Hence, we might select one of them without being aware she is not natural.–R.C., Brooklyn, New York

"LOOK, MA, NO HANDS! MY NIPPLES ARE IN MY MOUTH!"

Dear *SCORE*,

Here's another vote for more "Look Ma No Hands" style tit-in-mouth poses. This often-requested pose is the biggest turn-on possible. I also like the idea of having a guy (or another girl) sucking the model's tit from behind her and over her shoulder. Make a DVD series of the "Look Ma No Hands" theme. All kinds of combinations and positions while suck-holding a huge tit in their mouths.– B., via email

2010 *SCORE* AWARDS: HERE'S TO THOSE WHO DIDN'T QUITE WIN

Dear *SCORE*,

2010 was definitely a tough year to choose the top newcomer. Shione Cooper won my vote back in January 2010, and while Karla James is fine, and Jenna Valentine can be sexy as hell in fishnets and a corset, and Taylor Steele has a gorgeous face, and Arianna Sinn is sinfully beautiful, every time I see Shione, I am awestruck by her exot-

OVER THREE HOURS OF YOUR FAVORITE NATURALS IN XXX ACTION!

That's right, we said naturals. That's right, we said hardcore. Wall-to-wall hardcore for over three hours. Selena's mechanic is trying to rip her off, so rather than letting him fuck her over, she fucks him with her big tits and Latina pussy, talking dirty all the way. Contessa Rose wants to be a model, so she makes sure she gets the job by sucking and fucking her prospective employer's cock in his office. Kali tells us what we're going to see before getting her big, pliable tits played with and her mouth and shaved pussy fucked.

Black 'n' stacked Aileen models her FF-cup naturals in a sheer white top. Her videographer gets so turned on by her tit-bouncing and kneading and filthy talk that he whips out his cock and fucks her tits, mouth and hairy pussy. ic beauty and her amazing figure.

The Model of the Year Contest is considerably harder to judge. I only cast votes for naturals, so even though Daylene Rio is smokin' hot, I narrowed it down to Christy Marks, Merilyn Sakova, Janet Jade and Karina Hart. These four beauties all deserve to win, but since only one can, I have to give it to Karina for her jaw-dropping face.–E.B., Berkeley, California, via email

BREAKING DOWN THE CHOICES FOR 2010 MODEL OF THE YEAR

Dear *SCORE*,

My Model of the Year choice was based on the layouts each model had published this year only. Minka's body of work is awesome, so I had to seriously consider her for another title, but based on her published work this year, I had to eliminate her. If only she had put more dicks in her mouth.

Maggie Green had a great bondage layout in December '10, but it wasn't enough to earn her the title. Daylene Rio had a great year with layouts by the pool, shooting billiards and getting fucked in a tight, pink street walker's dress, but her tits are not quite Model of the Year material for some reason.

Eva Notty was busy sucking a lot of dick this year, as seen in December '10,

WIN A *SCORE* magazine signed by Eva Notty

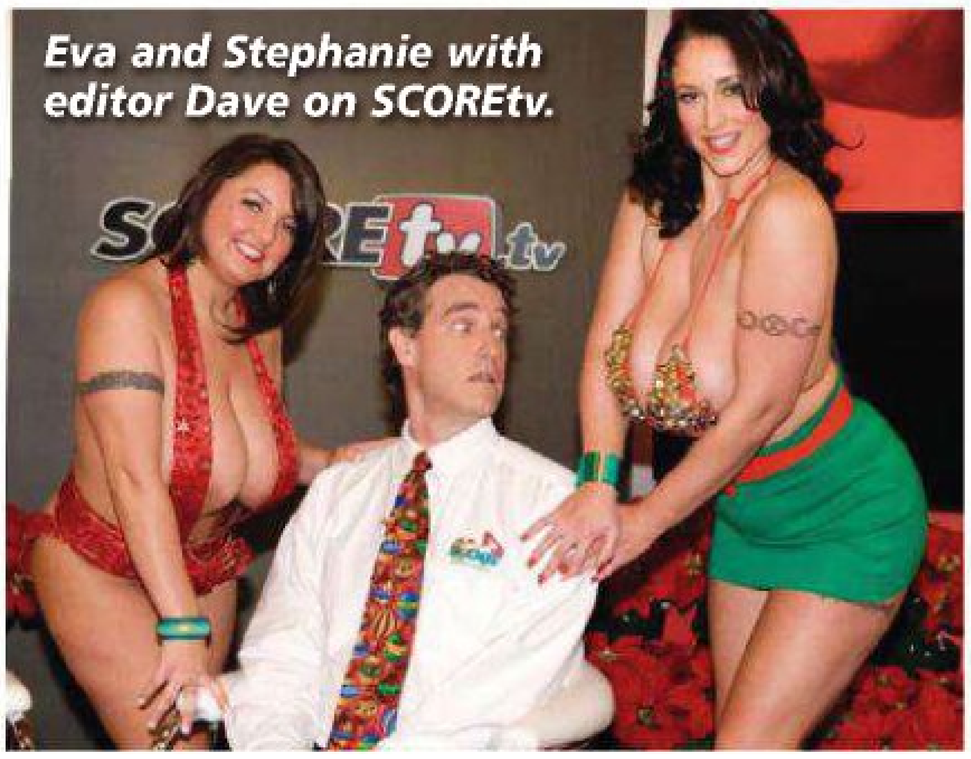
The new Model of the Year is a hottie!

Please give a big, hearty congrats and a 21cc salute to Eva Notty, the new *SCORE* Model of the Year. It was another fierce contest, and Eva faced off against very tough competition, including Christy Marks, Karina Hart and Minka.

To mark the occasion, you can win a copy of the December '09 *SCORE* autographed by Eva, the horny hairdresser in *Boob Science* and a special guest with Stephanie Stalls, Kelly Christiansen, Karen Fisher, Daylene Rio and other sexy stars in the must-see "SCOREtv Holiday Edition" on Scoreland.com.

This issue was the beautiful brunette's debut and cover magazine. Eva signed three copies. Will one be yours? You have to be in to win it! Simply write on a sheet of paper your name, address, telephone number and email address, and the statement, "I am 18 years of age and I want to win Eva's Mag" and mail it to "Win Eva's Mag, *SCORE* Magazine, 1629 NW 84 Avenue, Miami, FL 33126 USA." No purchase necessary. Sorry, no email, courier or fax entries for this contest. Please send only one entry. Multiple entries will not increase your chances of winning. Entries must be postmarked by July 31, 2011.

Enjoy Eva's fresh photo set beginning on page 64. If you love slim and stacked bikini girls, the Arizona traffic-stopper's Model of the Year pictorial will launch your missile.



I can't think of one *SCORE* Girl from Finland since 1992. Swedes, Danes, Norwegians, yes, but no Finns. If you know any busty Finnish girls who look like Karla James, we want to know at BeAScoreModel.com.

I mention this because we have a winner in the October '10 "Win Karla James' Bra" contest. He is Mr. P. of Helsinki, Finland, a nation without a *SCORE* Girl to call its own.

"I noticed *SCORE* in 2004, and since that year, I have been reading it," Mr. P. said. "I have bought *SCORE* DVDs, and now I have in my collection eight DVDs. I like especially DVDs that include lesbian sex. Those five ladies in *Big Boob Paradise* are fantastic. Some of my favorite girls are Karina, Arianna, Renee Ross, Minka, Rukhsana and Natalie Fiore."

A British newcomer, Miss James measures 42 inches (107cm) topside and wears a 34G bra (US-size).

"In UK size, they're a 30 HH," Karla told us. Congratulations, Mr. P.

"I dance several days a week at a club called Silk Exotic in Juneau in

Isis Haze won Best Boobs in the Miss Nude Wisconsin contest.

Wisconsin," said Isis, who was brought to *SCORE's* attention by Rick. "I've been dancing for a few years, always fully nude. I started out like that right away. Rick saw me and said he had the perfect magazine for me because I have natural, big breasts. That's how it all started. If any *SCORE* readers visit Silk and bring any magazines I'm in, I'll be happy to sign them."

Isis appears in the DVD *Ripe Racks* and has more videos online at Scoreland.com and SCORE Videos.com. Check 'em out!

SUCKERS

There are many benefits to busty girls sucking or licking lollipops or popsicles. The greatest benefit is to me, of course, but this is not about me. The fact is, sucking increases the flow of oxygen. More oxygen intake means a better immune system and a stronger metabolism. All of this means a healthier chest and tits. Ask Daylene Rio!

Also, psychologically, when a big-boobed girl sucks on a lollipop, occasionally taking it out of her mouth to lick her lips, her levels of mental and physical tension automatically decrease.

Stress affects all girls. Some girls reach for a cigarette to lower this stress. Not good. Others wipe out an entire chocolate cake in one sitting. Not good, either. Some bite their fingernails. Too messy! Sucking on a lollipop can relieve the stress and anxiety of modern life while providing a healthy kick to the day. If more large-chested girls sucked lollipops, they would feel less nervous and stressed. I urge all busty women to stock up on the pops and keep them handy.

Angela White: Top-Shelf Politician

Last issue, I reported that Angela White campaigned for a seat in Parliament in the state of Victoria, Australia. The wonda from down-unda is an active member of the newly formed Australian Sex Party. And now for the results.

Our Angela earned 1,020 votes (2.5% of the total votes). The brainy brunette beauty had hoped to pick up at least four percent of the vote. The winner was the Labor Party's Richard Wynne, who beat Kathleen Maltzahn of the Greens Party. Angela said she was glad that Wynne won because Maltzahn wanted more scrutiny and criminalization of the sex industry. So if Angela's pro-sex campaign helped to tip the scales against Maltzahn, her work was successful.

"The current censorship laws in Victoria are archaic," said Angela, who came in at No. 10 on the list of the Top 100 Scoreland Girls of the Decade. She was also the *Voluptuous* Model of the Year for 2007. "It is currently illegal to sell X-rated, non-violent pornography in Victoria despite the fact that 76% of Australians believe it should be legal. Yes, you heard me correctly. Where I currently live, it is illegal to sell the porn that I appear in!"

The Australian Sex Party vote in the Victorian Upper House has almost doubled following the state election. Said Party president Fiona Patten, "The Sex Party's pledge to get religion out of politics is one small step closer."

Will Angela become a regular in Australian politics?

SURVEY SEZ!

We ask a lot of questions online at the "Scoreland Blog" and Scoreland.com in our never-ending attempt to bring you the best in big-boobed action. We like to know your likes, dislikes, requests and suggestions, and, whenever possible, use them as a guide.

Surprisingly, a large number of *SCORE* Guys are often neutral in their opinions. For example, 60% didn't care if the girl is either aggressive or submissive in a hardcore scene. In an earlier poll, 26% didn't care if a model was dressed like the girl-next-door or was glammed-up in fancy clothes. And, sometimes, it's not always about the boobs. In a question about dropping loads, 27% would rather see a girl open her mouth for a cum load and swallow it compared to the 24% who prefer to see her tits take the load, a long-time mainstay in big-tit hardcore. Only 14% were into creampies (internal cum shots) despite a recent flurry of letters in "Scorecard" asking for them.

Here is the latest set of poll questions and answers. It's a lot more interesting than a political poll. And don't forget to log-in once in a while and voice your opinion.

Put your love in their glove

Two French aristocrats, His Royal Highness the Prince Charles Emmanuel de Bourbon Parme and the Count Gil de Bizemonthope, think their new product, The Original Condom, will turn the everyday, boring rubber into a classy, high-falutin' item.

"Condoms protect everyone from disease. Ours protect from tackiness," the Count said.

The idea behind The Original Condom's fancy packaging is to make condoms look upscale. The Count and His Royal Highness say that while other condom brands are kept hidden until needed, The Original Condom is designed to be proudly displayed on the nightstand (along with the champagne and French cheese?).

The guys said they decided to name their royal rubber The Original Condom after they learned that early rubber condoms were developed in France. The word condom, from the Latin word condus or receptacle, comes from the name of the Frenchman Charles de La Condamine. The English started to use the word condom after his death in 1774. In 1807, Lafayette brought French-made condoms to his beloved America. We didn't learn that in high school, huh? Check out theoriginalcondom.com.

Some object to interrupting their sex-time to put on a condom. In that case, we recommend that the woman place the condom on their partner. That makes it more exciting.

KAYTEE, A TWO-TIME COVERGIRL, MADE A SERIOUS RUN AT GRABBING THE TOP PRIZE.

She's the all-American girl with blonde hair, a beautiful face and big, natural tits. There's no doubt that 2010 was a great year for *SCORE* naturals, and Kaytee, who is as natural as they come ("I don't want to be a porn star. I want to be the same old Kaytee who occassionally does the unexpected.") has stolen a lot of hearts. "I love that now I can see pictures of the girl of my dreams," wrote L.G. of Miami, Florida.

StyleMagz.com

"Kaytee has some of the most-perfect and roundest natural boobs in 2010, period," wrote S.M. from Baltimore, Maryland. "She's cute with an all-American Girl look about her: the smile, the tan lines, the girl who has that signature wink." Wrote S.S. from Lisle, Illinois, "She's a breath of fresh *SCORE* talent." Kaytee, who had never danced nude and doesn't even sunbathe nude (explaining those tan lines) was discovered by a *SCORE* reader and did her only boy-girl scene with that guy as a gift to him and to the rest of us. And, to prove that she's going to stick around for a while, she was the covergirl of the March '11 issue. Kaytee, we're glad we have you!

KARLA FINISHED THIRD? NOW THAT MUST'VE BEEN A GREAT YEAR!

When Karla James debuted on the cover of the September '10 issue, we had little doubt that we were looking at the 2010 Newcomer of the Year. "The Next Linsey Dawn McKenzie Is Here!" we announced, and many of you agreed. "The best discovery since LDM," wrote Roberto. Added James, "She's the next Model of the Decade already. You can't get any sexier than Karla." What we didn't know at the time was that Miosotis would make her *SCORE* debut in the October issue and Kelly Christiansen would come along in the Holiday issue. So take heart, Karla: Linsey didn't win Newcomer of the Year, either. So you're in good company.

These photos, shot on-location on Grand Bahama Island, once again attest to Karla's all-natural girl-next-door beauty and sensational boob power. Wrote R.L. from Sycamore, Illinois. "Whether or not Karla is the next LDM, she has the most perfect tits and finest ass of any girl in the competition." And although not showing pink might have hurt Karla in the voting (Kelly and Miosotis both did hardcore), L.H. from New York said. "There is an art to being sexy. Karla proves that saying."

BRAINS, BEAUTY AND, OF COURSE, BIG TITS. THAT'S KELLY CHRISTIANSEN.

The 1990s was the slim 'n' stacked era of *SCORE*. The 2000s was the age of the naturals. Kelly Christiansen, who finished second in the Newcomer of the Year Contest, isn't a throwback to either era. She's more of a throwback to the 1950s, when photos of brickhouse blondes with big tits and womanly hips like Marilyn Monroe and Jayne Mansfield were pinned up on just about every man's wall. Well, if Kelly is heralding a return to that period, we say bring it on!

No way, and these pictures of Kelly with her H-cup tits overflowing a halter top and her round, shapely ass shoehorned into a pair of tight jeans, only begin to do her justice, because as great as Kelly's body is, her sweet, down-to-Earth personality and beautiful face make her even better. Maverick wrote, "She is amongst the greatest finds I have ever laid eyes on. Lovely smile and great height, surely six-feet plus in high heels. A standout beauty, and a lucky husband who gets to behold her daily." Yeah, he did say husband.

Kelly's husband is a *SCORE* reader, and he encouraged her to model for us. He even encouraged her to have sex on-camera. "He's always said, 'You should show off your body,' but I was a little heavier back then so I wasn't very confident," Kelly said. "Now I'm very comfortable. I got to the point where I said, 'I have to accept the way I look.' Any flaws, I have to live with them. This is me." Flaws? We can't find any, and we've looked closely! And, we're happy to report that being in *SCORE* has made Kelly more confident. She loves modeling, loves being a *SCORE* Girl. And, in case she needs a little boost, we offer her this comment from J.S. of Orlando, Florida: "Kelly Christiansen is Helen of Troy. The most beautiful woman in the world."

So here's Miosotis, who put on a memorable XXX tit-sex show in the November '10 issue, boggling our minds once again in a hard-core pictorial in which most of us are going to be too busy looking at what her tits are doing to notice that she's sucking cock and getting fucked. Wrote B.S. from Las Vegas, Nevada, "Miosotis is fantastic. Her tits are in a class by themselves. She's the first *SCORE* Girl whose tits hang several inches below her navel in a standing position. Even very few *XL* Girls can match her tit size and length." E.F. from Ludington, Michigan said, "Miosotis is an Amazon. Tremendous in all respects." She's one-of-a-kind.

I love Angel Gee's pierced nipples and dirty good looks. It was great seeing her getting fucked along with professional fuck-doll Daphne Rosen in May '10 and even better seeing her getting tea-bagged, groped and dicked in the December issue.

In the end, I voted for a girl with beautiful, natural big tits: Natalie Fiore for her girl-next-door looks, cute accent, round ass and those boobs that have gotten better over time.–K.D., via email

LIFE DRAWING AND THEN SOME. A READER'S STORY, PART ONE

Dear *SCORE*,

I married as a virgin at an early age. My wife was hot and loved to fuck but was a little small in the breast department. Unfortunately, our marriage soured and we divorced.

I had to admit I was a bit depressed when I received a call from one of my wife's friends, Professor Raymond, an art teacher at our local college. She told me she was sorry for my divorce and asked me if I'd like to pose for her Life Drawing class.

"Come on," she said. "It will get you out and about and it will be fun."

I agreed, and then she explained that Life Drawing was posing nude and having the students draw you. I had to admit I was intrigued. I'd always admired Professor Raymond's rack at various parties.

I was a little nervous but also intrigued. She and my wife were close, and I had always thought she liked me. Then I thought about my relationship with my wife. During foreplay, my wife had always commented on the size of my cock. She would always wake me up in the morning by running her hand up my thigh, then she would pull down the covers of the bed and "watch me grow," as she liked to say. "I've never seen anything like it," she would say as she began to beat me off. My cock would stiffen and I'd get "tremendous," according to her. She would either jack me off, blow me or have me fuck her brains out. "I guess you're what they

THE PANTHEON WELCOMES THE GIRL WITH THE GREATEST HANGERS EVER.

She never did hardcore. She never even did a full-on lezzie scene (her tit-to-tit with Ines Cudna and Cassandra in *On Location Costa Del Sol* are the closest she ever came). But Nicole will go down as one of the greatest naturals ever, and her entrance into the *SCORE* Big-Boob Hall of Fame as the 17th inductee should come as no surprise to anyone who watched her win *SCORE* and *Voluptuous* Newcomer of the Year in 2003, perhaps the greatest year ever for new naturals. This time, in a field that included Crystal Gunns, Cindy Cupps, Casey James and Alyssa Alps and many other superstars, Nicole has proven her greatness once again.

One reader wrote, "Nicole was never given the accolades she deserved. Her massive, natural tits, ample curves and gorgeous looks should mean done deal." R.C. from Brooklyn, New York said, "The 2010 Big Boob Hall of Fame choice is easy. I vote for Nicole Peters because she is the most beautiful and a natural." And B.W. from Liverpool, England said, "I'm partial to Nicole because she is a Brit, but her heavy hangers have nothing to do with nationality. In my opinion, the greatest natural hangers ever should be in the Hall of Fame." And, now, they are.

call a grower, huh?" she would say to me. I had no idea what she was talking about, but after our divorce, I started to purchase big-breast magazines like *SCORE* and *Voluptuous,* and while I'd marvel at the models, I noticed that none of the male models had anything on me. I wondered if my wife and Professor Raymond had discussed this.

I arrived early for class and met Professor Raymond. She was dressed down in an artist's smock but looked pretty good otherwise.

"Okay, you ready?" she asked.

"Sure," I said.

She gave me a robe and told me to go behind a partition, relax and get ready. As I got undressed, I could hear some of the class members talking and laughing. I was nervous, and as I looked down at my cock, even I had to admit it was pretty small. "Holy shit!" I thought. "What if there are some hot girls in class, not to mention Professor Raymond or even a couple of dudes?"

I felt like putting on my clothes and fleeing when I heard Professor Raymond's say, "Okay, model you can come out now." "Shit," I thought as I walked out in front of the class. It was all a bit of a blur. It seemed like there were about 12 students in class, half a dozen guys and half a dozen girls.

"Okay," Professor Raymond said, taking me by the arm. "You're going to lie down and hold your pose for about 35 minutes, and when I say hold your pose, I mean the tilt of your head, your gaze, everything. Okay?"

I nodded. I just wanted to go home. I began to lie down when Professor Raymond whispered in my ear, "Tom, you've got to take the robe off."

"Oh, I'm sorry. I'm just a little nervous," I said.

I dropped the robe and lied down. Professor Raymond took a step back, and as she looked me up and down, she seemed a little disappointed. Perhaps my ex-wife had left out the growing part. As she stepped away from me, she told me to prop myself up on my right elbow and "look toward these two students right here." She pointed at two young co-eds seated about 15-feet away from me. I looked at one girl who was kind of cute and had an embarrassed

CHRISTY, KARINA & MINKA WERE GUNNING FOR THEIR SECOND TITLE, BUT IN THE END, IT WAS EVA.

She nearly took home 2009 Newcomer of the Year despite debuting late in the year and making only one appearance. Her loss to Ashley Sage Ellison was perhaps the most-debated outcome in Newcomer of the Year history. And, she said, "I really wanted to win." Well, maybe a year late, Eva Notty's time has come. In one of the closest Model of the Year races ever–one that went back-and-forth for weeks with different models sharing the lead–Eva is the 2010 Model of the Year.

Eva is a classic slim 'n' stacked hottie in the *SCORE* tradition, and this pictorial, shot on a sunny day in Miami, Florida, is a classic oil-and-swimsuit *SCORE* pictorial. But Eva's win came down to more than just "slim 'n' stacked." Her XXX debut in *Boob Science*, in which she played a naughty hairdresser, helped her cause, as did her "Bad Girl" tits 'n' tugs scene in the Dec. '10 issue. Many readers seemed to vote for Eva to make up for her loss in the 2009 Newcomer of the Year contest. M.J.V. from San Diego, California wrote, "Eva should have won last year." D.W. from Naperville, Illinois wrote, "Eva missed out on Newcomer of the Year last year. She has the body for Model of the Year." And F.B. from Miami, Florida wrote, "Whether or not she should have won last year, Eva has it all: slim 'n' stacked, beautiful and she's a great hardcore performer, especially for someone who had never done it before." And so, in the end, Eva got the votes to out-duel Minka, Christy Marks and Karina Hart. And maybe your choice didn't win, *SCORE* Man. ONE OF THE BEST EVER PROVES THAT HER POPULARITY STILL ENDURES.

We weren't prepared for the onslaught of votes for Minka in the 2010 Model of the Year contest. After all, she has been a *SCORE* Girl since 1994 (a record for popularity that will probably never be equaled), and we thought readers had already acknowledged her greatness by voting her 2006 Model of the Year. But then, suddenly, the votes came pouring in for Minka, sometimes 50 or more at a time. They came from all over the world, and this well-orchestrated get-out-the-vote campaign very nearly resulted in Minka becoming a two-time Model of the Year. But, in the end, she settled for a very impressive second place.

look on her face. My eyes then drifted to her friend. She was much cuter and had a huge rack tightly encased in a thick ski sweater. It was cold in the studio and she was dressed warmly, but there was no hiding those tits. It's what I had dreamed about when reading the big-breast magazines.

My eyes met hers and she smiled. I was digging this when her friend nudged her and held her thumb and forefinger an inch apart and laughed.

"Holy shit!" I thought. "My dick is so damn small, you probably can't see it in my pubic hairs. I've got to relax."

A second later, the girl with the big tits got out of her seat to get something from her coat. She stretched as she did this, and her tits jumped in her sweater. I felt a little jump in my cock. As she sat back down, she looked at my cock and then back at me. I raised my eyebrows and smiled. *A little silent, harmless flirting couldn't hurt*, I thought. Just then, she shook her sweater back and forth, and her tits swayed sexily. She raised her eyebrows and smiled at me.

I'm sure she thought this was a little harmless flirting on her part, but it had a big effect on me. My cock began to grow, and then I heard the big-titted girl's friend say, "Look."

"Shhh, I see," said the big-titted girl. There was no stopping me now as I thought about what I'd do to the girl when her sweater came up. Just thinking about fucking and sucking those monster tits was making me huge.

I had to take a deep breath. My cock was growing, and all I wanted to do was stroke it while I looked at this big-titted wonder. Just then, I heard a guy's voice: "The dude is fucking huge." There was some laughter from the class, including the girls in my view. This brought Professor Raymond into my view. She must have been busy doing some paperwork or something because when she caught a view of my erection, her eyes bugged out of her head.

"Okay," she said to the class. "As you can see, things have changed, but you must draw what you see, so make your drawings in real time."

The professor shook her head in disbelief at the size of my cock. The class went back to drawing, and the big-breasted girl looked around the class to

see if anybody was watching her (I guessed) and then pointed to herself as if to say, "Am I the one who is giving you a hard-on?" I smiled and nodded. She raised her eyebrows as if to say, "I'm not even sure I'm capable of that" and shook her head. The class continued to draw as my hard-on raged.

After a couple of minutes, Professor Raymond said, "Okay, class, let's get cleaned up and get ready for class tomorrow night, and, of course, let's not forget to thank our model."

The class clapped, and the big-titted girl's friend yelled out, "Bravo!" The big-titted girl clapped politely and smiled demurely. Professor Raymond motioned for me to put on my robe. I stood up, making sure I cinched the robe tightly. As the class began to file out, the big-titted girl's friend made her way toward me.

"Hi, I'm Lynn," she said. "and this is my friend Penny."

"Hi," I said. "I'm Tom."

I shook Lynn's hand as Penny edged closer to me. Lynn continued to speak for the two of them.

"I can't wait to see you tomorrow," she said. "You were great tonight."

I nodded and thanked her, and then I looked toward Penny and said, "Nice sweater." Penny smiled and Professor Raymond shooed the two co-eds along.

As I was watching the girls leave and admiring Penny's ass, Professor Raymond made a reference to my ex-wife.

"Terry was a lucky woman," she said. I blushed. She continued. "We like our models to stay consistent. Do you think that you can…umm, pose like that tomorrow night??

"Will the same students be here tomorrow?" I asked, hoping I hadn't hurt Professor Raymond's feelings.

"Yeah, Penny will be here," she said, seeming disappointed. "A little young for you, don't you think? But I guess when you've got what you…"

I was excited all day Thursday thinking about Penny, and when I walked into class, Professor Raymond was sitting at her desk. As she got up to greet me, I noticed that she was wearing a tight sweater. I assumed she had overheard my comment to Penny, and when she gave me a welcoming hug, her tits pressed against my chest. I knew she had a nice rack but I'd never seen it so prominently displayed.

"So, are you ready to go tonight?" she said, placing her left hand on my right

arm. I looked down at her tits and said, "Do we have a couple of minutes before class starts?" She laughed, and before she could say anything else, a couple of students walked into the room.

"Another time, perhaps," she said as she brushed her boobs against me. Professor Raymond had never looked better, but my thoughts were still on Penny. As I stripped and put on my robe, I noticed I was certainly bigger than I had been yesterday to start the class. Professor Raymond had me intrigued, but I was still not looking all that large.

When I came out of the changing room, I looked around and noticed that Penny was not in her seat. Her friend Lynn was there and smiled. She, too, was dressed in a tight sweater, and her tits looked good. I had to laugh. Here I was with two pretty ladies who I'm sure dressed to impress me, and I was disappointed because Penny wasn't there.

I took my pose like I had the night before and was looking at Penny's empty easel. I knew it was just a matter of time before I could get it up for Lynn because she looked so good in that tight-ass sweater. Yet I could feel some sweat break out on my brow as I tried to get comfortable. I took a deep breath and heard a knock at the door. Professor Raymond opened the door, and I heard a girl's voice. "Sorry I'm late."

I was getting excited at the prospect of seeing Penny when she came into my view. I didn't have to wait long as Penny crossed in front of me a second later, wearing an oversized winter jacket. When she sat down to get to work, she smiled at me.

Unfortunately, she had yet to take off her jacket. I smiled at her and nodded, hoping she would read what I was trying to say to her which was TAKE OFF THE FUCKING JACKET! She seemed to understand what I meant and smiled, but I was pretty sure she was keeping the jacket on just to build up the drama. Even with her wearing a huge jacket, I could see the big bulge in her chest. I couldn't wait to see what she had in store for me. She stood up and made a production of removing her jacket, and when she did, my cock jumped and I'm pretty sure I let out an audible moan. Penny had on a tight, green, wool sweater that looked like she last wore it in the eighth grade.

End of Part 1. This typing is killing me.–T.N., via email

M.S. from Newington, Connecticut wrote, "Christy looks sensational modeling solo or getting fucked. Her huge, natural tits and angelic face are a great draw, and she seems to love fucking on camera. Christy is like a younger Autumn-Jade: a girl next door who loves sexuality and sensuality." As she proves here and will continue proving. That's a guarantee.
