There's something very natural about Kelly that readers love.

KELLY HAS WON HIM OVER BUT NOT EXACTLY TO THE DARK SIDE

Dear SCORE,

I have a confession to make. I've unexpectedly gotten the hots for Kelly Christiansen (April '11). Okay, I know, you're like, "How's that a shocker?"

Well, because I'm not really into enhanced models. I'm a naturals-only big-boob fan. But Kelly has been lingering in my mind, and pretty heavily, too, so I gave in and had to face the reality that despite her counterfeit boobs, she is super hot. I've looked past her boobs and accepted her for who she is, and that's a very attractive, sweet-faced and down-to-Earth, tall blonde who actually has a chance to become one of my fantasy girls. Kelly has melted my heart.

Next up, another hottie from Romania, eh? Is Romania going to be the next Czech Republic? It started with Joana, then Crisa, then Arianna Sinn, and now you have Lana Ivans (April '11). Lana is European but almost looks Latina. She even has an

Lana Ivans (April '11) isn't Latin, but she has a Latina booty!

ass like a Latina, and what a pair of round, firm double-Ds, too. Perfect for tit-fucking!—S.M., Baltimore, Maryland

THE SCIENCE OF BOOB WEIGHT: IT'S NOT REALLY A SCIENCE

Dear SCORE,

I have one small request: Could you put in the "Check List" for each model what her boob weight is? Some of the models, such as Natalie Fiore, Kristina Milan, Chica, Karina Hart, etc., must be carrying some amazing weight.—R.B. Michigan, via email

Dear R.B.: They are, and your idea is

Don't trust that scale! Morgan Leigh's boobs are heavy, but how heavy?

very nice, but weighing boobs is an inexact science, mostly because the girl's boobs are attached to the rest of her body. Elliot James discusses this on page 16 of "Boob Beat," writing, "A scale is inaccurate when it comes to weighing boobs. The water displacement method that I've mentioned in the past is far more precise. Some designers are even working on new, more supportive bras based on breast weight instead of cup size, using the water method."

WHAT IN THE WORLD IS THAT?

It's a QR (Quick Reponse) Code, and you're going to be seeing them more often in SCORE. A QR Code is a specific matrix barcode that's readable by dedicated QR Barcode readers and camera phones. Starting this issue, we're placing QR codes throughout SCORE to enhance your experience while reading the magazine. The QR codes are super-quick-access shortcuts to our mobile sites, movie previews and even eBoobStore.com.

To read the codes, you will need to download an application to your smart (camera) phone. Once the application is installed, it's as simple as opening the app and scanning the code.

*For **iPhone** users we recommend "Red Laser" (search for it in the App Store; it's free!)

*For **Android** users we recommend "QR Droid" (search for it in the App Store; it's free!)

*For **Blackberry** users we recommend "Barcode Assistant" (search for it in the App Store; it's free!)

LOOKING FOR ARIANNA, PLUS THE GREAT CUM-SHOT MYSTERY

Dear SCORE,

There are a few things in the April '11 issue that I need to write about.

First, it is rare that we find bad pictures in *SCORE*. But there is one on page 22. I'm referring to the picture of the ladies of *Big-Boob Finishing School*. The problem is at the right of the picture. Here is little Arianna Sinn in the dark behind tall Eden Mor (July '11). Arianna seems to be hidden. I would have switched the two ladies. Arianna is a very beautiful woman with beautiful assets (her smile first, her tits second) who, due to her height, should be in front when she is being photographed in a group.

I remember Michelle Bond from a few years ago. It's nice to see that she has returned. She is more beautiful now than before. I cannot pinpoint the major difference. Maybe her expressions, maybe her hair style. Her larger breasts sure don't hurt.

It was interesting to see the ladies chosen for "The Golden Age" section. If I am not mistaken, they are all enhanced models except for maybe one, Lisa Chest. Attractive they all were, but I still prefer the natural models. How about the same layout with natural models?

Lastly, I am confused about something. I had purchased the DVD *Busty Cock Worshippers 2*. The XXX pictorial with Daphne Rosen is from that DVD. The last picture in the magazine shows that Carlos came on Daphne's tits.

However, in the DVD, he came on her ass. Did he cum twice?—R.C., Brooklyn, New York

Dear R.C.: Yes, Carlos did cum twice because he fucked Daphne twice: once for the photo set and again later for the video. We don't shoot photo and video sets at the same time. They're shot separately, partly because video and still photography have different lighting requirements (and also we don't want the clicking of a still camera to be heard on video).

THAT'S BOND, MICHELLE BOND, AND SHE'S BETTER THAN EVER!

Dear SCORE,

The April '11 issue with Michelle Bond was exceptional. It's hard to believe she has not appeared since 2007, or did I miss something? I would hope she appears sooner this time. This is one great girl, and her body has definitely gotten much better. Her tits are spectacular, and her "come-fuck-me" look is all it took for me to empty my nutsac in a hurry.

Michelle's appearance prompts me to ask for a Michelle vs. Karla James vs. Ashley Sage comparison feature. How about a Michelle vs. LDM feature? Is Michelle Model of the Year material?

Valory Irene has my vote for 2011 Newcomer of the Year. Her tits and areolae are all I needed to see before

Michelle Bond returned in the April issue with a bigger rack.

getting off. As a reader suggested, her areolae are the best since Danni Ashe's, and that goes back a long way for me.

The "Golden Age" feature makes this issue a keeper. The memories it brings back are amazing. There are probably some other women who could have been included in "The Golden Age," but the ones in this issue are tops in my book. I probably would have chosen the same ones.—J.W., Lisle, Illinois

"FANTASY SCORE," NEW GIRL LANA AND VALORY'S PUSSY

Dear SCORE,

Sorry, K.S. and Greg ("Scorecard," April '11), but I'm one SCORE reader who doesn't want to see the return of "Fantasy SCORE." It's a waste of a page, ridiculous and pointless. I want to see real tits, not cartoons.

After March's slightly disappointing issue, it's good to see that April was

Valory has magnificent tits, but she wants you to see her pussy, too.

business as usual. Was I the only reader to be left almost speechless by the Lana Ivans pictorial? Another great find, guys. Just look at those tits, and a proper ass, too. The picture on page 29 where Lana is peeling down those jeans and serving up that ass is incredible. I wanna be behind her spreading those cheeks and running my tongue up that ass creek, and I wager I'm not alone on that one.

Great to see Michelle Bond back. Those titties are looking more suckable

than ever. Let's hope she's gonna hang around this time.

At last, the gorgeous Valory Irene shows us her cunt, and a nice, slick one it is, too. But to be honest, it wasn't that important to me like I bet it was for some readers. Those tits are something special, and for a tit man like me, I could happily look at them all day and not worry if her panties come off or not. The sign of a true tit-man, guys!

Kayla Kleevage and Pandora Peaks are the two most awesome big titters of the '90s, period. Anyone agree on that?

Two more things before I go. The DVD *Big-Boob Finishing School* looks like a keeper. Finally, we all know how lucky [SCORE editor Dave] Rosenbaum is, but the picture on the bottom of page 12 confirms it: Angelina Castro and Kelly Christiansen bouncing their titties on his head. C'mon!—C.A., West Midlands, United Kingdom

Dear C.A.: Lana can be seen in her first tits and tugs and full-scale hardcore scenes online at Scoreland.com. She can also be seen fucking Arianna Sinn with a strap-on in the new DVD *Big-Boob Finishing School*, available on page nine.

HE PREFERS BIG TITS ON TOP AND SOME HAIR DOWN THERE

Dear SCORE,

Your beautiful women with big, natural tits, asses and pussies are absolutely wonderful, but most of all, I love the women with some hair on their pussies. To me, that's as sexy as it gets: a real and mature woman.

SCORECARD

Continued from page 8

Don't get me wrong: a shaved pussy is good, too, and I would not turn one down, but a woman with some hair on her pussy, whether it's a landing strip or a patch, turns me on. Models like Aileen Ghetman, Indianna Jaymes, Minka, Zoryna Dreams, Inesse, Nicole Peters, Kelly Kay, Ines Cudna, Emily Cartwright and Natalie Fiore with pussy hair are to die for.

I know most would disagree with me, but there are some of us who like something on a girl's pussy, and I'm one of them.—J.R., Texas

WHO'S THE NEXT SCORE GIRL? LET THE READERS PLAY EDITOR

Dear SCORE,

How many picture submissions do you get per month from new talent? How many of those girls actually make it into the magazine? You could start a whole new section called "Pick 'em" and put three girls with their pics in the magazine and have readers vote as to which girl they would like to see in an upcoming issue.—M.K., via email

Dear M.K.: We get hundreds of submissions from potential models each month, of which only very few actually get invited to our studio for a professional photo shoot. Your idea is a good one, but the main problem with publishing photos of potential models is that we explicitly tell them that their photo submissions are for evaluation purposes only. They would have to sign a model release for us to be able to use their test pictures in the magazine or online. And remember, the girls don't always look their best in the test photos because of the amateur nature of the photography (and lighting).

ONE DAY, HE MIGHT LIKE PIERCED GIRLS WITH PLENTY OF MAKEUP

Dear SCORE,

I really wish your models wouldn't use so much garish makeup, especially the very loud, bright-red lipstick that so many of them put on. Your girls are all world-class beauties, and none of them needs any makeup at all. I suppose some soft makeup is okay, but using too much of it detracts from their gorgeous faces. And a smiling, lovely face adds a wonderful dimension to a lady's fantastic tits, pussy and ass.

Now for a retraction. About a year

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

WIN Shione Cooper's hooter harness

Shione Cooper (April '11, *SCORE Xtra* 13), with her gorgeous, pouty-mouthed baby-face, naturally big tits and statuesque body, propelled to cover girl status in the July '10 issue. She's only the second Czech cover girl since Holiday '05's Petra, a one-shot model.

Shione is the speed racer of fresh, young boobs, rocketing from a 22-year-old glamour gal who barely took off her top to becoming one of the Czech Republic's wildest porn stars, giving Terry Nova, Dominno and others cause to look over their shoulders. Even normally jaded porn watchers have commented on Shione's explosive sexuality and man-delighting talents. She really smolders and loves the cock.

To win her bra, simply write on a sheet of paper your name, mailing address and email address (phone number optional) and the statement,

Be the only man in the world to own Shione's bra.

"I am 18 years of age or older and I want to win Shione's bra" and mail it to "Win Shione Cooper's Bra, *SCORE* Magazine, 1629 NW 84 Avenue, Miami, Florida 33126 USA." No purchase is necessary. Multiple entries will not increase your chances of winning so please, just mail one. Sorry, no email or fax entries. Your entry must be postmarked by August 31, 2011. If you're the lucky winner, we'll email you to let you know and to verify the shipping address. You wouldn't want it to fall into the wrong hands.

Claimed! Maggie Green's bra

We have a winner in the "Win Maggie Green's Bra" contest from the February '11 issue. Congratulations to Mr. D.A. from Colorado. Treat this hooter harness well, sir, as it has protected and supported Maggie's precious boobadoobas.

Miss Green (new pictorial on page 59) can be seen as Daphne Rosen's strap-on sex date in the flick *Boob Science* and in a hot toying scene in *Ripe Racks*. As for buying bras, Maggie said, "I go by whether my bras fit, if they're too tight. My tits are usually in the triple-D or E zone. They fluctuate depending on my weight and how much I work out. A good bra is a must! A girl has to take care of her boobs so they stay perky and high."

Sensational discovery at *Voluptuous* magazine

Over at V-Mag, debuting in the April '11 issue, a new babe with awesome 34N naturals is shaking up the house. A former ROTC and army veteran, Elaina Gregory almost considered a reduction. How did we find Elaina? Or did she find us? Like *SCORE* Girl Kelly Christiansen (June '11), her husband is a fan.

"He is a subscriber online, and he began to realize that I enjoyed

having my picture taken in the bedroom, so he told me that I could have fun and make good money by coming to pose for you guys," Elaina said. "So he told me that maybe I should check you guys out online [at BeAScore Model.com], and I did. I liked what I saw and then I called you guys. I figured that it might be nice to get away from being a housewife for a few days and come here to shoot. And I was right. It is a lot of fun!"

Elaina has never been a dancer, never posed naked for anyone but her husband, never gone to a nudist resort or a nude beach. Never gone to New Orleans and flashed anyone for beads. Sounds just like Kaytee Carter (June '11).

"The only other pictures I ever took before were for my husband," she said. "That's it. And in the comfort of my own home. No other guys were there."

And while we joke when we ask a girl if her boobs have ever caused an accident, besides her nipples poking someone in the eye, that did happen to Elaina one time.

"I was doing a carwash for a non-profit organization, and I was in a bikini top and little shorts and holding up a sign, flagging down cars, and this guy wasn't watching where he was going and he totaled his car," she said.

Our kind of woman! And that guy must've been a *SCORE* Man.

Check out *SCORE* editor Dave's video interview with Elaina at Scoreland.com. It's loaded with Elaina's naked tits and pussy.

Our online blog has lots of videos of Angelina Castro.

String bikini fling

I don't know for sure who invented the string bikini, the one item all *SCORE* and *Voluptuous* girls should pack in their suitcases (besides their bras, tank tops and booty shorts). Whoever created this wearable dental floss, I'd like to shake their hand for bringing happiness to the world.

Some sources claim the inventor of the string bikini was a Brazilian fashion model named Rose de Primallio who sewed one quickly for a photo shoot. Another story is that a public relations man and his wife had a designer create a string bikini in 1974 for a show during the opening of a shopping center in the French Quarter of New Orleans. Seeing as how Brazil is the center of the universe for the tiniest bikinis, I'd go with the Brazilian model story.

Extreme string bikinis represent all that is good, wholesome and healthy. Before I go to sleep and when I wake up, I give thanks for a.) big boobs and b.) string bikinis. Without them, there'd be no August swimsuit issue like this one! So God bless Angelina Castro (above), string bikini goddess, and other *SCORE* bikini girls.

JULIA MILES

(Over 18 *SCORE* editions starting with October '00; DVDs *Best of Chloe Vevrier*, *SCORE Xtra 5* and *Ultimate Julia Miles*)

I thought Julia would have a very long career. Wrong. Now retired from modeling (although she never made any kind of official retirement announcement), Julia has appeared at a few auto shows and has been spotted at some tattoo expos in Berlin. That's really been it for any kind of public exposure for Julia after a blitz of TV and celebrity magazine appearances and appearances at the Cannes Film Festival and other events for several years.

Julia always enjoyed her trips to England for her *SCORE* shoots, although she never rented a car because she was nervous and intimidated about driving on the left side of the road. Model of the Year 2003, Julia seems destined to enter the *SCORE* Hall of Fame one day. Her XXX DVD *Ultimate Julia Miles*, released in 2003, still sells well.

Julia came to England for her *SCORE* videos and pictorials.

Bettie Ballhaus is a Sexy Sports Quiz girl on German TV.

BETTIE BALLHAUS

(March '01, Oct. '01, Feb. '05, Dec. '05, Aug. '06, July '07)

In addition to performing in strip shows at cabarets around Germany, Bettie keeps busy as one of the late-night "Sexy Sports Quiz" hostesses on the German Sports Television call-in show *D:SF Sportsquiz*. Bettie wears boy shorts, halter tops and high heels and exhorts viewers to call in and try to win money.

Bettie first worked at a gas station and as a geriatrics nurse. She began modeling in 1996.

"One might say I was a typical young woman from the ex-GDR [German Democratic Republic]," Bettie said. "Sex and sex education was, in former times, a largely taboo topic. Now it pleases me to show my body to the public."

In 2009, Bettie starred on the German version of TV's *Big Brother* with *SCORE* Girl Annina (Dec. '10). Yes, they showered together and were the big guns of the house.

VANESSA MONTAGNE

(March '99, Oct. '03, Oct. '04, Dec. '05, *Buxotica SCORE* Special #98)

Introduced to *SCORE* by Minka, stacked and shapely French tent-pitcher Vanessa Montagne was the monokini-clad covergirl for the October '03 issue (see the photo on page 56).

"I wrote Minka an email because I adored her for a long time," Vanessa said. "The next time Minka came to Europe, we met."

Vanessa has changed very little since that shoot eight years ago. She keeps her beautiful bod sexy and sleek with a strict diet and exercise program. Vanessa still models and owns a photo and Internet business. Vanessa likes the U.S. and has traveled across America. She loves going to topless and nude beaches in Europe. Vanessa once accidentally placed a pair of denim shorts from the *SCORE* wardrobe in her suitcase and took it home. When she discovered her mistake, she promptly mailed the shorts back to *SCORE* in Miami. Impressive, eh? We've been occasionally sniffing them ever since.

Frenchwoman Vanessa is still showing off her shaved, pink cunt and her huge, firm tits.

TITS BY THE POUND

Gorgeous Arianna Sinn weighing her tits (right) once again reminded me of how society in general neglects boob weighing. I don't think I'm being ultra-critical here. Science is the true key to everything. Weights and measurements are vital in every aspect of our existence, and that includes tits. I have no doubts about the number of offers Arianna (Feb. '11, *Big-Boob Finishing School*) gets per day to help weigh her melons.

"I don't need a scale," bragged one volunteer. "The palms of my hands are more accurate than a digital scale."

That's what they all say. The fact is, a scale is inaccurate when it comes to weighing boobs. The water displacement method that I've mentioned in the past is far more precise. Some designers are even working on new,

more supportive bras based on breast weight instead of cup size, using the water method. I think boob weighing should be a competitive sport. I just can't get anyone to listen to me.

Weigh to go, Arianna.

Mandy:
Take me
out!

Mandy is girlfriend material.

In the UK, Mandy Pearl (July '09, *Hooter Hotel*) has been appearing on a new dating show on ITV called *Take Me Out*. In this tribute to male degradation, a single guy looking for a date tries his luck with a bunch of sexy girls. They signal their disinterest by switching off a light at their podiums. That gives the host (Sir Paddy McGuinness) the chance to say his patented phrase, "No likey, no lighty." The psychologically wounded schmuck eventually takes his pick of the girls who haven't switched off their lights. Sounds like fun. Not as much fun as watching Mandy in *Hooter Hotel*, but we're glad that television producers recognize talent.

A SCORE reader (and friend of Mandy's) originally encouraged her to send in her snaps to BeAScoreModel.com. Send us your busty friends, too. Big tits=\$\$\$\$\$.

**THIS SUMMER, WE
HOPE YOU SEE A
GIRL LIKE KARINA.**

Unfortunately, this is something you're not likely to see at your local beach or pool this summer. No, we're not talking about the big tits. You'll likely see some busty babes (although none like Karina). And we're not talking about the monokini. Some girl might be daring enough to wear one like this. We're talking about the combination of natural H-cup tits in *this* monokini. It's a sight that would cause every male within 50 yards to swarm in Karina's direction.

A full-page photograph of Karina Hart posing in a red monokini. She is lying on her side on a blue towel on a wooden deck, with a swimming pool and tropical foliage in the background. She is wearing a red headband and has a confident expression. The monokini is a bright red, one-piece swimsuit with thin straps. The background shows a clear blue sky, green plants, and the edge of a swimming pool.

These photos were taken on the Caribbean island of St. Martin during the shooting of the DVD *Karina Hart As You Wish*. They show Karina at the height of her sexuality: her natural breasts bigger than ever, her waist smaller than ever, her horniness (heat and beautiful, tropical surroundings will do that to a girl) evident by her expressions. Monokinis are usually the province of breast-enhanced super-titters like Morgan Leigh, but Karina pulls it off beautifully. "I love modeling in exotic places," Karina said, "and I loved wearing this sexy monokini. It made me feel naughty!"

Karina is rapidly building up her modeling resume. She won 2008 Newcomer of the Year and 2009 Model of the Year. She finished second in the "Best of the Decade" voting at Scoreland.com and was second runner-up for 2010 Model of the Year. Next issue (September '11), we're going to announce *SCORE's* 20 Greatest Naturals ever, as voted by readers like you, and Karina is currently among the top five vote-getters. No surprise when Karina has the ability to fill out a monokini the way she is here. Bikini or not, she's one of the greats.

INTERVIEW BY DAVE ROSENBAUM

If you've seen Kitana Flore fucking in the DVD SCORE Xtra #13 (available on page nine of this issue) or in the February '11 issue of SCORE, then you know what a sexy, horny, fun-loving girl she is. But you don't have to see Kitana in action to know that. Just one look at her is all it takes.

Kitana is from Miami Beach, Florida (born in Puerto Rico) with a beautiful body and face and firm, fuckable young tits. Her

THE LATIN BARBIE OF SOUTH BEACH

KITANA FLORES

stare smolders. It melts. She has perfectly shaped tits and a Latina booty that even J-Lo would envy. She's the kind of girl who could become a big-time porn star just by saying, "I want to be a big-time porn star." Whether she does or doesn't remains to be seen. For now, we're just happy to have her at SCORE.

The following interview was conducted just hours before the scene that's depicted in these pictures. The edited video version can be seen at Scoreland.com, and it's worth checking out. The video starts with Kitana wearing a sexy, blue outfit that seems like it was originally designed to be used as ribbon to wrap a gift. But the gift is Kitana, who gives us a lesson in sexy Spanish words (pussy, ass, asshole, etc.), shows off her body, then gets oiled up by your SCORE editor.

And then, she had sex with one of our studs. But when you're finished devouring her body, look into her eyes. Can't you imagine she's doing it with you?

SCORE: Hey, Kitana, nice outfit.

KITANA: It's very hot, isn't it?

SCORE: It definitely is, especially on

you, but I have one question: How come whenever you come here, we never put you in real clothing?

KITANA: I don't know. That's a good question.

SCORE: Do you walk around like this all day?

KITANA: [Laughs] Oh, no. Even worse!

SCORE: What do you mean worse?

KITANA: I don't know. Which way do you want to mean it? [Laughs] I walk around with a robe and open it and just let it drop. [Laughs] Actually, I don't really do that.

SCORE: Well, you had me going there. What you're wearing right now...well, there isn't much to it. Your ass and pussy are barely covered. By the way, what do you call your pussy?

KITANA: Maybe princess or cookie. "I want to eat your cookie." Or *cosita*. That's a Spanish word. It means "that little thing." Or pinkie.

SCORE: Pinkie? That I don't get at all. The funny thing is, the clothes we put you in aren't sexy by themselves, but

you put them on...

KITANA: And I make it happen?

[Laughs and jiggles her tits]

SCORE: Absolutely. Do you usually wear panties?

KITANA: Yes. All the time. Usually booty shorts or thongs. I'm not the kind of girl who would walk around with a short skirt and no panties and wait for the wind to blow, you know? I'm a lot more conservative than that, believe it or not.

SCORE: Kitana, I'll believe anything you tell me. Now, where are you from?

KITANA: I live in South Beach now, but I was born in Puerto Rico. The islands of beautiful people and beautiful booties.

SCORE: You're evidence of that.

KITANA: I guess. I don't know. I don't like to brag about my body or think I'm all that. I'd rather people look inside at my personality than the physical because the physical can go in a minute. It doesn't last forever.

SCORE: But this, being here at *SCORE*, is all about the physical, isn't it?

KITANA: I guess.

SCORE: And you kinda have it.

Actually you definitely have it.

KITANA: Thank you!

SCORE: Well, we have every model who walks through our doors fill out a "Model Info" sheet, and under occupation, you put "Model."

KITANA: Yes, I am.

SCORE: And to be a model, you have to have it.

KITANA: I guess so, but I think even being a model isn't all about your body or your face. I think people who read this magazine and see my videos can see through to my personality. I mean, it's nice to have a good body, but I don't think people should be so full of themselves. I try not to be.

SCORE: Well, we're full of you, Kitana. Let's start at or near the top. Nice boobs. They're so firm. Do you like your boobs?

SCORE: Have you ever watched the Winter Olympics? Your boobs remind me of ski jumps.

KITANA: Yes, they do! You can ski down my boobs!

SCORE: I'd love to. They're pointy, too. Very nice.

KITANA: One is pointier than the other sometimes because of how I lie down. But I can make them both pointy. *[She rubs her nipples, and both of them become pointy]*

SCORE: You know, Kitana, the way you're rubbing your nipples right now makes me wonder: Are you an innocent girl or a bad girl?

KITANA: It depends on the time and the place and the people. I'm different at different times.

SCORE: When are you a good girl?

KITANA: When I'm working professionally. When I'm dealing with people who are owners of things or agents. I'm always professional, but when you're with your friends, you can be yourself and kind of wild out.

SCORE: And when are you a bad girl?

KITANA: When I'm here. Right now. In a few hours. In the bedroom, of course. Guys are sometimes surprised by that because I usually don't dress too sexy and I can be kind of laid back, but when they get me in the bedroom, I can be pretty wild. I think a lot of Puerto Rican girls are that way. We hide our wild side until we get into private situations. We don't think it's proper to be too out there in public, even though we can dress sexy. But I can be very assertive when I'm horny or see a guy I like. I almost always make the first move. If I'm interested in you and I can tell you're interested in me, you'll know it. Then you'll see my wild side. I won't waste time. I mean, it could take hours before a guy decides to make a move, and a lot of guys are afraid to, so I'll do it for them. I'm not the kind of girl who thinks guys have to bow at my feet. Besides, I don't like lame pickup lines, so I take the pressure off the guy.

SCORE: What's the lamest pickup line you've ever heard?

KITANA: One time, a guy came up to me and said, "Can you light me up?"

SCORE: Did he have a cigarette in his mouth, I hope?

KITANA: No, and he didn't get any further. That was too lame.

SCORE: Okay, so when you see a guy, what part of his body do you usually look at first?

KITANA: His eyes.

SCORE: His eyes? Really?

KITANA: Yes. Definitely. I look at their eyes to make sure they are truthful. And I pay attention to a guy's body language, too. I don't like men who aren't honest. I'm always honest with them, so they should be honest with me. Guys look at my body first, I know that, but they should look at my eyes.

SCORE: Well, you have very nice, very honest eyes, Kitana. Okay, so you have your guy, and you've gotten to know him a little better. What would be your perfect evening?

KITANA: Eating outside in front of the ocean. Maybe in one of those restaurants on South Beach. Just chilling out, people-watching, enjoying the beautiful weather, food, wine. If I'm not with a guy, going shopping with my friends or family. But if I'm with a guy, definitely having sex.

SCORE: Well, we've seen some of your bedroom skills, and the readers are going to get to see more of them in this issue. You have great nipples and areolae. Have you ever thought about piercing them?

KITANA: I've thought about it but I've never done it.

SCORE: You've thought about it?

KITANA: Well, I'd pierce my nipples before I'd pierce my pussy. But if I wear a nice top, it might look tacky with my pierced nipples poking through. I try not to call too much attention to myself.

SCORE: I think it would look hot. But you did pierce your belly button.

KITANA: Yes. Twenty years ago.

SCORE: Twenty years ago? Wow! You were very young when you did that. Why did you do it?

KITANA: First a friend did it for me and it got infected, then I went to a professional spa when I was 18. I thought it looked sexy. You guys like it, don't you?

SCORE: Kitana, we like everything about you. Now, you say you don't always dress sexy, but just the way you're sitting there right now, touching your body, I can tell that you don't like staying dressed, do you?

KITANA: I'd rather be naked than

**ON-LOCATION IN GRAND BAHAMA ISLAND,
KARLA CAUSED AN EXPLOSIVE REACTION.**

It's not a bikini. The dictionary defines a woman's bikini as a two-piece garment. But here's some history regarding this garment that we love so dearly. It was invented by engineer Louis Reard in Paris in 1946 and named after Bikini Atoll, the site of nuclear weapon tests in the Marshall Islands. Reard reasoned that the burst of excitement the bikini caused would be like the one caused by the atomic bomb. His theory certainly applies to the burst of excitement we're feeling over Karla in her monokini!

Karla's monokini perfectly showcases her curvaceous body, framing her G-cup naturals and showing off her full, round ass, too. She didn't get her tits out until the third page of this pictorial, something you might not have noticed because she was showing so much tit-flesh in the swimsuit! If there's ever been a more spectacular sight anywhere on any beach, we want to know about it. "I design my own bikinis, and I love wearing them because I can get a sexy tan," she said. "Plus, I can save my white bits for that special someone!" Right now, that special someone is you!

This spectacular babe from the Dominican Republic proves that when it comes to tits, there's no such thing as too big. wear clothes, but I think there's a time and a place for everything. I always wear a bra, even though I can probably get away without wearing one. Part of the reason I wear a bra is because I don't want my nipples poking through and part of the reason is because I want to keep my breasts nice. I don't want them to sag too much when I get older. But I like to be comfortable in everything I wear. I like to be classy but fashionable. I don't like to put it all out there. I like to keep the guys guessing a little bit.

SCORE: The thing is, your body is hard to miss no matter what you wear. You're so curvy. What's the best part of your body, in your opinion?

KITANA: For me, maybe my breasts. I hear that a lot.

SCORE: How about your butt?

KITANA: Yeah, I hear that, too, especially for someone so skinny. But girls say it's my boobs, guys say it's my ass. How about that? Guys like the booty, but they like the boobs, too, especially if they're Italian. But guys don't have to choose. They can have the whole thing if they're nice and honest.

SCORE: Okay, although just about every guy here would say the best part of your body is your boobs. Do you like to have your nipples sucked on?

KITANA: Of course! What girl doesn't? And my nipples are very sensitive, so if a guy starts there and slowly works down my body, he's going to find that my pussy is already very wet before he even does anything to it.

SCORE: How about your ass? Do you like having it slapped?

KITANA: Oh, yeah, definitely.

SCORE: How hard?

KITANA: Hard. You gotta leave a handprint there afterwards so I know you did the job.

SCORE: How often do you have sex?

KITANA: As often as I can, not as often as I'd like. I'm so busy that sometimes it seems the only times I have sex are when I'm in the studio! Maybe that's why I enjoy it so much. I enjoy having sex on camera, which I guess makes me a bit of a bad girl.

SCORE: Well, don't worry, Kitana. We won't tell anyone. Do you exercise?

KITANA: I swim a lot and I dance a lot. I do a lot of dancing at home. And I ride

THE 2010 NEWCOMER OF THE YEAR TRIES TO DO THE IMPOSSIBLE: SQUEEZE INTO A BIKINI.

Is it fair to say that the bikini Miosotis is kinda wearing in these photos is overmatched? Damn right it is, but don't blame the bikini or the bikini makers. You see, there's just no market in the bikini-making world for a size 36KKK...because there are maybe a handful of girls in the universe (if that many) who can fit into one. So, Miosotis' bikini? It doesn't fit. It doesn't come close to fitting. It might fit a G- or an H-cupper. Miosotis' breasts are twice that size.

A full-page photograph of a woman with large breasts posing outdoors. She is looking down and slightly to the side, with her hands resting on her hips. She is wearing large, colorful earrings and a pink patterned bikini bottom. The background shows a blue sky, a swimming pool, and some greenery.

In this photo, you're seeing what Miosotis can't possibly see: her pussy. Because when Mio looks down, all she sees is tit-flesh. "I don't wear bikinis to the beach," said Miosotis, who lives in the Dominican Republic. "What is the point? No matter what I wear, most of my breasts are going to be exposed." Of course, Miosotis stuffing her tits into a tiny bikini top is something we all want to see...no matter how futile her effort might be.

Hot girls look great in bikinis, but hot, big-titted girls look even better. Because bikinis were made for busty babes. Is a monokini a bikini? Hey, don't ask questions. Just gaze at Kelly busting out in Miami, Florida. Kerry Marie, wearing a mesh bathing suit that probably wouldn't be allowed on most beaches, got naughty in Key Largo, Florida. Bikini Rubdown

MAGGIE GREEN INVITES YOU TO REACH OUT AND TOUCH HER NATURAL, SUN-KISSED TITS.

"One year during spring break from college, I paid for the entire trip by winning wet T-shirt contests," said Maggie, who grew up in Ann Arbor, Michigan, a city that didn't present many chances for Maggie to show off her wet T-shirt and bikini-wearing skills. "I must've won three or four of them. Every time I showed up for one, the other girls would take one look at my chest, and I could see what they were thinking: 'We have no chance against those!'"

"Now that I'm traveling a lot, I go to the beach whenever I get the chance," Maggie said. "I love the beach, and I do love showing off my boobs, but I have to be reasonable about it. Then again, there aren't too many bikinis that can cover my breasts completely." The bikini she's wearing on the opening page of this pictorial doesn't come close ...which was why we asked her to wear it. "I don't think I could wear a bikini like this to the beach," she said. "I'd probably get arrested. But I'd definitely wear it at a backyard pool like this one. Then I could ask the friend I'm with to rub in some sunscreen, and we'd see what happens!"

It was a hot day in Miami, Florida when these pictures were taken, so Maggie jumped into the pool to cool off (we're guessing the sight of her erect nipples is making you a lot warmer). Then she got out of the pool, and with the sun shining down on her fair skin, Maggie asked a male friend who accompanied her to rub some sunscreen into her luscious breasts. "I burn very easily, so I have to be careful," she said. "Of course, having someone rubbing lotion into my body is a lot more fun than rubbing it in myself!" So he rubbed, and Maggie rubbed, and before long, Maggie's moans of pleasure echoed throughout this palm-tree lined suburban neighborhood. "If anybody heard me, that's okay," Maggie said. "It's even better. People hearing me cum makes it hotter." Hot like Miami. And like Maggie.

The ultimate bikini babe

THAT'S MORGAN LEIGH, THE GIRL WHOSE BODY NEVER SAW A BIKINI IT DIDN'T LIKE.

It happens every August: Morgan shows how a bikini or monokini is meant to be worn in our annual swimsuit issue. In 2009, she proved black doesn't always minimize a girl's assets when she destroyed a black monokini. Last year, her huge, pointy tits decorated a white, one-piece monokini (and a spectacular photo of her in a pink bikini earned her many votes as our greatest bikini babe ever). This year, Morgan goes the traditional route with a red, string bikini that, as usual, conceals very little of her slim 'n' stacked body. That's just how she likes it.

"The 2000 Boob Cruise changed my life quite literally," said Scotland-born Morgan, who was a passenger, not a model, on that cruise. "I gave up a career in the food industry and became a model and dancer." And, then, when she had super-sized to her own satisfaction, she became a *SCORE* Girl and our 2006 Newcomer of the Year, an event she calls "the proudest moment of my life. I like the attention, otherwise I wouldn't have such big boobs. And I love bikinis because with my tiny waist and big boobs, it's much easier for me to find bikinis that fit than it is to find dresses that fit. Clothing isn't built for a girl like me."

The sight of Morgan in a tiny bikini would be enough to satisfy most men. But then Morgan throws in super-pointy nipples that she loves to lift to her mouth for a lick. And, if that wasn't enough, a pink, meaty pussy that she loves to spread for your viewing and fuck-fantasy pleasure. "I know what men are doing when they look at my pictures, and I love it. I encourage it," Morgan said. "I got my big tits not only for my pleasure but for every man's pleasure. I spread my pussy so wide because I want to imagine all you guys jacking your cocks and maybe fucking me. Most of all, I love being your ultimate fantasy girl." She is.

SCORE: Do you watch any sports?

KITANA: Football. And I watch the Olympics whenever they're on. But I don't usually like sitting around watching people do things. I like to be the one doing things. I think keeping active is the best way to stay in shape.

SCORE: You're doing a good job. By the way, how do you say ass in Spanish?

KITANA: Culo. Smack my culo! [She bends over and smacks her ass hard]

SCORE: Your legs are very nice, too.

KITANA: Thanks to my daddy.

SCORE: Why's that?

KITANA: He's very tall. He has very long legs, too.

SCORE: Is there ever a time when you say to yourself, "I wish my body wasn't this hot?"

KITANA: No! I never even look at myself in the mirror and say anything like that. I just try to look better every day for myself.

SCORE: But you get a lot of attention, don't you?

KITANA: Yeah, but I either ignore it or say "thank you."

SCORE: And you said that you usually don't dress hot.

KITANA: No, I don't. That's the thing. I wear things that cover me up because when someone has too much here [touches her breasts] and here [points to her ass], you have to be careful about what you wear because otherwise people can see you as a whore, so either I show my boobs and cover up the rest of my body or show my legs and cover up everything else or just show a little bit up top, unless I'm going to a club. Then I'll wear something sexy, but like I said, there's a time and a place.

SCORE: Well, you're a little person, so covering up must be easy for you. When you cover up, you don't look fat, do you?

KITANA: No. That's a good thing.

SCORE: Let me ask you this: Has there ever been a time when a guy saw your body and was completely shocked by what he was seeing?

KITANA: Oh, yeah, and he busted a nut right then and there.

SCORE: Really? Tell us the story.

KITANA: Well, he definitely liked me,

and I liked him, and one day, we got together, and we were in private, and I took my clothes off, and he just busted like a water fountain. [Laughs]

SCORE: Did you laugh then?

KITANA: I did. I felt so bad, but I couldn't help it. I was like, "Oh, my God," and then I said, "I gotta go."

SCORE: I gotta go? Were you two going to have sex?

KITANA: Yes, of course.

SCORE: So he blew it.

KITANA: Yeah, he did. After that, he never saw me again. [Laughs] I'm sorry. If you're reading this, you know who you are!

SCORE: Now, you're a double-D?

KITANA: Yes.

SCORE: You look bigger than that.

KITANA: It's because of my back. My back is smaller, so that makes my breasts look bigger. It's weird. I'm a 33 and a half to be exact, and I'm a double-D. The size bra I wear depends on who makes it.

SCORE: By the way, you do have a great back. It curves. Very nice. And you have tan lines. You don't sunbathe nude, do you?

KITANA: No, not nude, unless I go to Europe. If I get an invitation to Europe, I'm going, but here, no. I wear different kinds of bikinis so I get different tan lines. The last one I wore was pretty small. It was for the regatta weekend here in Miami.

SCORE: Don't people run around on their boats naked during the regatta?

KITANA: Yeah! All the girls run around naked. They party, they drink, they pop their tops off! My bikini top comes off but not the bottom. One time behind closed doors, it all came off, all of it! But I'm not going to talk about that.

SCORE: You had sex on a boat?

KITANA: Yes. At least once. Many times, if you want to know the truth. But that's what happens during regatta weekend. Everybody gets crazy.

SCORE: Baby oil and sex together?

KITANA: Yes! I love it.

SCORE: You've done that?

KITANA: Yes. Many times. Wine and baby oil. Anything wet.

SCORE: Are you naturally a little tan?

KITANA: Well, naturally, yes, I'm not pale white, but lately I've been out in the sun a lot.

SCORE: Well, you're looking better than ever. Thanks for being here.

KITANA: Thank you! And now I'm going to go have some fun. 

Hot tub of tits

A TINY BIKINI. A HOT TUB. AND JANET JADE. SOUNDS LIKE SUMMER!

The bikini doesn't fit. No doubt about that. Tiny white triangles are simply not cut out for the job of concealing a pair of DDD-cup whoppers like Janet is toting. And that bikini bottom? Forget about it! It's not doing much of anything, either. "I usually dress casually," Janet told us. "A pair of jeans, a tight T-shirt and sandals. But it doesn't matter what I wear. It's impossible to hide my boobs." And here, she isn't even trying. Janet is from Detroit, where you're not going to find many girls wearing string bikinis, so when she got down to sunny South Florida, she grabbed the opportunity to flaunt her considerable charms.

This pictorial has it all for boob lovers. First, Janet overwhelms her bikini. Then, she takes out her tits and oils them up (because a pair like hers must always be given tender loving care). Then, she hops into the hot tub and lets the water cascade off of her breasts. And finally, Janet applies some cream because...well, because she knows that's what you want to see. Along the way, Janet shows off her round ass (worthy of being featured in *Booty-Licious* magazine) and pink, fuckable pussy. "Most people who know me back home think I'm shy," Janet said. "They'd be very shocked if they saw these photos." Janet, some of them have!

Next month, in our annual all-naturals issue, we're going to feature our 20 greatest naturals, as voted by the readers. Judging by how the voting is going so far, Janet has a very good chance of making the cut. But let's stay in the present. Let's appreciate the here and now: a hot, sunny day, a girl who can do justice to a bikini like few others can and the sheer size and apparent weight of Janet's tits. "SCORE has made me appreciate my breasts," Janet said. "I used to think they were too big, but you guys out there have made me feel special. Thanks, guys!" As always, the pleasure is all ours.

ago, I wrote that I didn't care for piercings and jewelry in a model's tongue, nipples, navel or pussy. I want to retract that comment, especially about the tongue and the pussy. I changed my opinion a few months ago when I was on a business trip and met a lovely lady at my hotel. The way her bejeweled tongue tickled my cock and the way her clit ring (is that what it's called?) tickled my tongue was so delightful that I felt as if I was in heaven. I may be nuts, but I believe the tickling sensation actually enhanced the delicious flavor of her juices for me. So bring on girls with piercings as often as you wish.—R.N., New Jersey

VALORY IRENE HAS MUCH MORE THAN JUST A GREAT PAIR OF TITS

Dear SCORE,

Just wanted to chime in with my thoughts on Valory Irene (April '11). Wow, this chick really is the business!

All the talk is of Valory's incredible rack (and rightly so), but am I alone in noticing how utterly drop-dead gorgeous she is facially? She has the sort of enigmatic, seductive, mysterious and yet approachable look in her eyes that I can attribute to very, very few models. The legendary Cindy Cupps comes to mind when I look at Valory, the obvious difference being, of course, that CC was

an augmented gal while Valory's eye-popping headlamps are all nature's own work.

I'm the biggest XXX fan there is, but could I care less if Valory never shows pink? Not a bit. She's one of those rare finds, a woman who seems almost too beautiful for porn.

It's so early in 2011 and you've already set an extremely high watermark. I'm looking forward to seeing if you can top Valory between now and the 2011 awards (my guess is no).

Secondly, my favorite, or "go-to," pictorials: For me, pretty much any Cherry Brady pictorial will do the trick. As I'm a massive fan of the nurse fetish (and who isn't?), my absolute favorite is her nurse pictorial from the September '07 V-Mag.

But my all-time, numero-uno SCORE Group layout is Linsey Dawn's naughty nurse set from the August '01 SCORE. Man, I almost turned inside-out, I shot so hard over those photos! I haven't looked at that pictorial for some time, but it's forever etched into my mind.

I love spreading shots, and I can pretty much crank one out over any model

If all nurses looked like Linsey (Aug. '01), hospitals would be overpacked.

who assumes this rudest of poses. Stephanie Stalls in the February '11 SCORE is what I call a load-blower!—K.S., via email

WANTING TO JACK WITH OTHER MEN: DOES IT MAKE YOU GAY?

Dear SCORE,

I don't think I'm the only one interested in a SCORE Girl bukkake. If SCORE was to make that type of video, it would be a good seller.

Bukkakes are a little degrading to women, but the idea of a group pussy-worship session is a hot idea. For a lot of guys, it's a real turn-on to jack with other guys. As it was told to me, it's a very liberating experience. Then there are the other homophobic men who feel that wanting to jack-off with another guy makes you gay.

Hey, we all do it, so why can't we talk about it and learn from one another? Betty Dobson wrote a book called *Sex For One, The Joy of Self-Loving* and gave workshops on female masturbation, endorsing the Magic Wand and teaching women how to become multi-orgasmic, so why can't men do it, too?

You should also think about making a masturbation-squirt video. Call it "Big-Tit Squirting Nymphos." Then you could run solo-girl squirting instead of the same old boring girl/guy stuff.

—S.H., via email

WHERE'S ARIANA? AND WHEN WILL WE SEE NADINE AND EDEN?

Dear SCORE,

I am a new (and now-loyal) reader of SCORE having recently discovered your magazine several months ago. I live and work in Europe, where I found out about your mag, and have purchased 35 back issues of SCORE dating from 2007 to 10. Upon my return to America next year, I will definitely be taking a subscription to SCORE.

As a lifelong lover of huge boobs and gigantic tits, I have found SCORE to be a paradise of big-boobed women. I am a recent college graduate who had the luck of being able to date an amazing girl who possessed a natural pair of 36F tits. Now that I am single and teaching U.S. History in Europe, SCORE has been my monthly big-boob savior.

I have two questions about your mag. First, when will you be featuring Ariana Angel again? She is one of my favorite busty models. Also, do you plan on having German tit-goddess Nadine Jansen or the lovely Eden Mor featured in *SCORE*? I hope these two models, along with Ines Cudna, may soon be making new appearances in *SCORE*.
—Jason, via email

Dear Jason: Eden made her *SCORE* debut in the July '11 issue and is also featured in the new DVD *Big-Boob Finishing School*, available on page nine. Nadine Jansen has made numerous appearances in *SCORE*, most recently in the September '06 issue, and has also been a regular in *Voluptuous* magazine, last appearing in the June '07 issue. You might see more of Nadine and Ines Cudna in next issue's all-naturals spectacular, which will feature the 20 greatest *SCORE* naturals as chosen by the readers. Finally, for now, we have nothing scheduled with Ariana Angel, who last appeared in Sept. '09.

WILL A TITS-AND-TUGS SCENE BE NEXT FOR MICHELLE BOND?

Dear *SCORE*,

Thanks for the return of Michelle Bond (April '11) to *SCORE*. The *Big-Boob Finishing School* DVD is great. Seeing Michelle dispensing her man-pleasing tips to five very sexy girls is wonderful. Her demonstration of the art of the lap dance to Eden and her tips on cock-sucking to Arianna Sinn (as if she really needs a lesson!) are really hot.

I am sure Michelle is too much of a nice girl to have full sex on camera, but maybe we can see her do a tits-and-tugs scene.—Simon, Cambridge, England

Dear Simon: We've asked Michelle, and so far she's a no-go, but you know we'll ask again. Who knows? Maybe she'll do one for all the readers who have written to compliment her recent return.

BECAUSE SOMETIMES, THE MAG & DVDS JUST AREN'T ENOUGH

Dear *SCORE*,

How come *SCORE* and *Voluptuous* don't have a line of merchandise, i.e. shirts, posters, door posters, etc? Could you imagine a full-door poster of Sharmay or Marilyn Sakova? Also, you should come out with a trading-card line. Imagine photos of girls in lingerie and bras as insert or autograph cards and even those kiss cards where the models kiss the cards and leave a kiss print.—B.D., via email

A TINY BIKINI, BIG TITS & HOOKER TRICKS MAKE EVA XXXTRA SPECIAL.

So here's Eva Notty, the 2010 *SCORE* Model of the Year showing us two things: 1. Why she won Model of the Year; and 2. What happens when a girl with F-cup tits starts parading around by the pool or the beach wearing a bikini top that doesn't even come close to fitting. Of course, several things could happen, one being that guys simply stare and tent their bathing suits. But Eva prefers that this happens: A guy tents his swimsuit and fucks the shit out of her.

Sun-Squeezed

The lucky dude takes Eva's overflowing rack as an invitation, and Eva takes his very visible hard-on as an invitation, too, and pulls him to a spot where they can be more comfortable, get to know each other a little better. The dude, having eyed her rack for the last half hour, now wants to get a closer look, so he spends plenty of time on her chest. "Touch and lick them gently," Eva told us. "Squeeze them a little. Suck them. Lick them all over. And don't forget the other one! Teasing is what it's all about. My preference is that a guy cums on my tits, and since most guys have never been with a girl with breasts as big as mine, they like to cum all over them. I'll rub it in for you and you can watch if you want." Of course, we all want to fuck Eva's pussy, too, and then cum on her tits, but we're amazed that the guy in these pictures (there's a video version online at Scoreland.com) kept his balls in control long enough to fuck her cunt after the way she wrapped her F-cups around his dick.

Now for something really special (and kinda different from a magazine point-of-view), Eva tells the guy to use a condom (they just met, after all), and uses her mouth to put it on. That's the kind of trick that street hookers like to use when they're giving a john a blow job in a car, and Eva told us, "It's the kind of thing I like to do because it's hot. It's dirty. It's sexy. Sometimes, I want to be a man's whore." Sometimes? Like on bright, sunny days in Miami when you're parading around in a bikini that was built for a B-cuppper? "Yeah," Eva said between sucks. "Definitely at those times."
