Reader B.C. would like Gwen in this position for some anal licking and sticking. A full rump like hers has that effect on men who don't even like backdoor lovin'.

Give up a load for Gwen!

Dear XL Girls,

Just picked up the Jan. '09 issue (SP176). Your first dark-haired beauty of the magazine, Gwen Etoile, blew my mind and my dick at the same time. She's a buxom, tattooed chick who caused me to stroke my dick, shoot my load and stain my sheets.

Gwen's big 38DDs got my full attention and made me wish my dick was between her huge tits. With a well-lubed hard-on, I'd slide between Gwen's squished jugs, pinching her rosy-red nips as my balls slap against Gwen's hooters. I'd slide my dick between Gwen's huge funbags with my balls slapping against her awesome, huge rack, hard and fast till I blew my load all over her sweet, red lips and tits, letting Gwen suck the last of my cum from my pulsing dick.

Gwen's shorthaired patch of fur over her hot, pink slit made my tongue itch and my mouth water to be between her thighs and taste her pink pussy surprise. I'd slip my head

between Gwen's thighs, open her pussy lips to taste her sweet nectar and lick her hot box and erect clit. Then I'd lick inside Gwen's hot love tunnel, taste her sweet poontang and make my way to her clit, where I'd wrap my lips around her joy button and suck it between my lips. Cum for me, Gwen. Shower my face with a hot shot of your love juice.

I'd turn my buxom sweetie over, with her lovely, full, round butt in the air. She'd spread her cheeks so I can lick her chocolate button. Let me slide my tongue down the crack for some rim job fun. Lube up a finger to stick inside, massaging deep inside her tight backside. I'd slip my dick between her cheeks, push my cock's helmet in until it is fully inside. I would pump her full-figured rump and grab her hips while her ass cheeks jiggle and her 38DDs sway. Gwen's tight ass muscles grab a hold of my dick as I blow my load down deep inside her backside.

As you can see, I love XL Girls and

all the natural women inside, especially women like Gwen with a little fur in the basement.—B.C., Old Bridge, New Jersey

Bushy babes are the best!

Dear XL Girls,

There's nothing I love to see more than a woman with a furry bush like Karla Lane's. My cock loves to explore pussy nests like that, especially when it belongs to a big woman with a plump cunt that squeezes my cock. It reminds me of the old days when women didn't shave anything. That's when I did a majority of my pussy chasing, up until the Eighties. And as we all know, just about every woman had a bush until the Nineties.

Shaved pussies are all the rage, but some still prefer a big bush like Karla's.

I have heard other men say they like a woman who is shaved because it tastes better and there isn't so much hair in the way. Personally, I like those curls to be in the way and tickling my face. It feels nice. I would tell any woman I was with to only trim her bush at the most, no shaving! When she is all natural I will give her all the sucking and fucking that she wants. And this is why Karla Lane's big bush makes me smile. I'm sure it feels, tastes and smells just lovely. Please show more natural babes like her.—G.L., Vancouver, Canada

We all want to do Dallas

Dear XL Girls,

I just got your Jan. '09 issue (SP176). Very good! I enjoy reading the letters, but of course, the pictures are the best.

My favorite girl in that issue is Dallas Dixon. She is so pretty, has a friendly smile and an absolutely killer body. I'd love to handle and suck her big, floppy tits. I'd like to see her back-side spread, too. She's perfect. I'm just picturing her sitting there, spreading her pussy lips, fingering herself and smiling at me as I jack off my dick for her. More Dallas Dixon, please.—L.E., San Rafael, California

Dallas Dixon loves showing off her curvy body and pussy for you. Show her your appreciation and jerk it!

Can you imagine Plumpers of the Caribbean?

Dear XL Girls,

Just a note to say your video *Plus Sized and Plugged* is one of your best! You can always cut way back on the sex toy scenes or leave them out. The music on the menu was excellent.

Every time you go through it you see something different and I love the variety. Savannah Phair is beautiful in her exercise suit. She knows how to shake and bounce. Savannah is awesome rolling around on that blue balloon thing and bending over picking up the trampoline.

Lexi Windsor is a nice surprise as she is a great actress who really gets into her lab instructor role. Karlee Adams is great in blue jeans. Veronica Vaughn looking down at the camera in the striped dress is a masterpiece.

Alice Webb could be in the movies from the Thirties and Forties. In some of those 1930s movies the only requirement for an actress was to scream. Alice and Savannah did that excellently in their exercise videos.

Rose Valentina is unbeatable as she leans back in bed and shakes while masturbating. The music is also good. Love her facial expression before she takes off her red pants.

You should do Hollywood-type videos once in a while. Like ones with Mexican wrestlers, a girl motorcycle gang or a period piece with pirates. Keep up the good work.—Anonymous

Jaden is his muse

Dear XL Girls,

This letter is for Jaden Suede from Jan. '09 (SP176). Hi baby, my name is Nate and I think that you're a very pretty lady. You look really good in those sexy, black heels.

One day I would like to be a porn star. I'm 32 years old. I love to draw pictures for magazines. I'm mixed. My mom is white and my dad is black. I have a very muscular build. I love to workout and I love big girls! I love pretty feet, too. Yours look like they could use some loving. I'd give you a foot massage with some strawberry-kiwi lotion and kiss you all over from head to toe, all day and all night! I live by myself so you can come over and visit whenever you want!—N.W., Richmond, Tennessee

Ideas so wacky they just might work...or not

Dear XL Girls,

I got a copy of your SCORETV the other day. It is pretty good.

Maria Moore was excellent in the outdoors. You could devote a whole DVD to Maria. Have her hoeing a garden in one scene, or have her bird watching at a park and writing in her notebook. Maria could hypnotize any crowd as she sways her boobs while her name is posted at the bottom of the television. That would make for a good movie segment. Have Maria do hypnotherapy with a patient to remove various fears and phobias. You could have Maria in her office getting background info from her patients. Then she removes her suit top and blouse to put her subject in a trance with her breasts.

And you could always use more scenes where she shakes her hooters. Usually when you show footage like that it's over way too fast.

Another idea is to show a big, busty model showing off her Kung Fu skills on a small stage at night during a charity benefit of the high society. She daintily takes off her heels and then delivers a series of chops and kicks. Nothing happens the first time. The second time the guy standing there falls like he was poleaxed. Brandy Talore might be good for Kung Fu. Find a good opponent such as a pro lady wrestler or boxer that can give her pointers and keep it real. As real as possible anyway.—Anonymous

Yes, it does sound crazy

Dear XL Girls,

I know this might sound crazy, but I'm totally in love with Gwen Etoile. Do you think she'd give me a chance? I would totally marry her. Although there's one hitch—I have another girl. She is a beautiful gypsy woman so I don't think Gwen would mind. Hopefully she is not the jealous type.

Let her know that I am a singer. I go to the recording studios to sing. I can sing anything. You name it, and I can sing it. If I could have just one wish fulfilled, it would be that Gwen, my girlfriend and I would never be apart. There must be a special church to marry us all. And during the reception, I could sing love songs to the

More XL Girls!

Dear XL Girls,

Okay, this once every few months shit is not working for me anymore. You guys need to put out XL Girls every month. At first I was not into big girls at all. But now I look for XL Girls on the porn shelf every time I go to the liquor store. Get on it, fellas!

More people need to understand the sexiness of a big girl. And speaking of big girls, get Kerry Marie in your magazine again. Have you seen her lately? Her tits, ass and belly are huge and so fucking sexy, I beat off every time I see her new pics online. If you don't believe that there is enough demand for a monthly version, put it to vote. Let your readers vote on whether they would like it monthly and would buy XL Girls magazine that often.—R.L., via Email

It's all about the boobs!

Dear XL Girls,

I want you to know that my favorite models in the Jan. '09 issue (SP176) are Kelly and Alice. I like plumpers that have really big tits. I don't mind if they're fat as long as they have huge boobs that balance out their bodies. Alice is particularly attractive to me. I like everything about her except her nipple rings. (I don't like body jewelry). I think I may get your video *Plush and Plugged* because she's in it. You need more super-plumpers like her. Thanks for featuring women like Kelly and Alice.—K.K.G., Macon, Georgia

Alice is the the GOAT (Greatest of all Time)

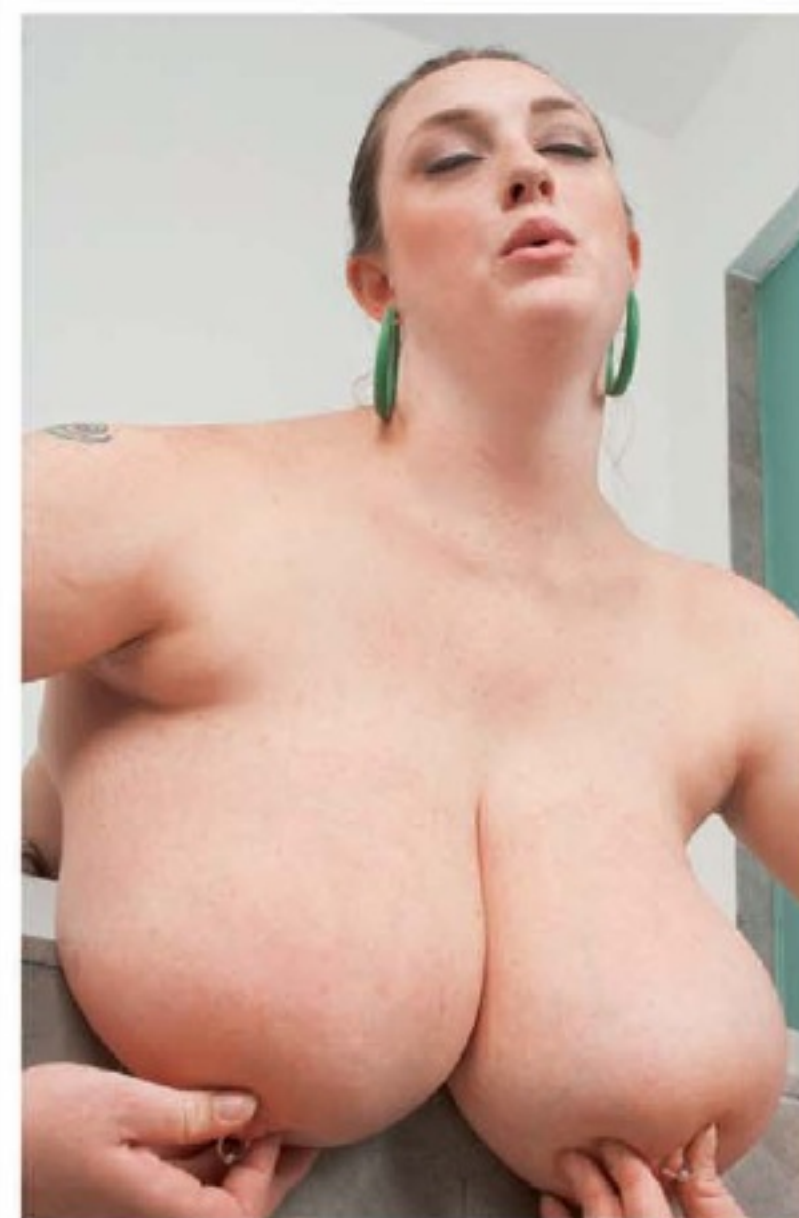

Dear XL Girls,

Holy fucking shit. Where do I need to go to see Alice Webb? This girl has to be the greatest XL Girl of all time. Don't get me wrong; I love 99.99 percent of all the girls in all the SCORE Group's pages, but in general I like them a bit bigger. From the slim and impossibly stacked Merilyn Sakova,

to the hottest newbie Karina Hart, to the amazing Samantha...yummy.

But this fuckin' chick Alice is my dream girl. She is absolutely beautiful. Look at that face! And those bedroom eyes—she's looking right at me. I can almost hear her say, 'Come give me that fucking cock.' Those gigantic tits are what men's magazines should all strive to find. And she has some of the most touchable legs ever. Her hot, spread, hairy pussy and her spread ass all show the glory of Alice.

Now put your cock away for just a second to read what Alice has to say. Go ahead...put the cock away. Alice wants to be a big porn star. It's okay to grab your cocks again. This girl stands four inches taller than me and she's as heavy as I am. Amazon fetish,

**Alice's rack is so big it can do damage
when it's flopping around in your face.
We'll gladly take the beating.**

anyone? I'd take Alice out on her dream date, if I could ever get out of my apartment. Please hurry and get this girl stuffed with the biggest, hardest cocks you can find. I can't wait to see what she can do with man meat.

Okay, I think I'm done gushing over sexy fuckin' Alice. No wait, wait, wait...Ohhh, shit. Now I'm done.

I hope it was as good for Alice as it was for me. And I hope your readers enjoyed this letter. Thanks and keep it up.—R.M., Detroit, Michigan

My Big Plump Wedding

XL GIRLS VIDEO REVIEW

Samantha 38G is about to get hitched and this is going to be a wedding no one will forget! Temptation is everywhere, but Samantha doesn't want to give in to sex till her wedding night. But that doesn't mean her four busty bridesmaids aren't going to play. They get their big tits fondled and their plush holes filled at every opportunity. By the time they sing "Here Comes the Bride" you'll be cumming from all the XXX action!

SAMANTHA IN HORNY MATRIMONY

SAMANTHA • MARIA MOORE • SAPPHIRE • CASSIE BLANCA • ROSE VALENTINA

THE FITTING

As much as we would like to see these BBW bridesmaids walk down the aisle naked, it's just not going to fly at a wedding. So they go to get measured for their bridesmaid dresses. Maria Moore, Sapphire, Rose Valentina and Cassie Blanca all get naked to get their huge racks, bellies and butts measured. Then, being the good friends that Maria and Sapphire are, they want to get Samantha a special wedding gift: a big dildo for when her soon-to-be husband is away. Only, they end up using it on each other instead! Then a real cock enters the equation for more sucking and stuffing.

BACHELORETTE PARTY

Before the big day, Samantha's friends throw her a wild bachelorette party. As usual, they just can't keep their tits in their tops. They play boob games before the real fun starts when the male strippers arrive. Samantha desperately wants some cock, but manages to keep her panties on. The other girls are not so modest. They're horny and this is a bachelorette party; somebody better get laid! In fact, their get-together turns into an all-night orgy. The girls lick each other's pussies and take turns fucking two cocks!

WEDDING PHOTOGRAPHER GETS LAID

The bachelorette party orgy wasn't enough. Cassie and Rose were still craving cock, so they went after the first one they could find. The wedding photographer is the lucky guy who gets to pound these two chubby chicks at the same time. Rose climbs on top of his dick for a drilling while Cassie latches her lips to Rose's big nipple. Then they switch so Cassie can get her fill. As horny as they are, they wrap it up in time for the ceremony. It's a beautiful wedding with busty girls all spilling out of their tight, tiny dresses. Samantha is glad to finally tie the knot and she can't wait to get back to her room with her new husband to begin the fuckfest.

CONSUMMATING THE MARRIAGE

The honeymoon has officially started and Samantha gets to consummate the marriage. As soon as her hubby carries her through the threshold, she ravishes his cock. She's been sex-starved and now she needs to get fucked. She blows him deep and sloppy and then opens her legs for the moment of truth. A cock entering her pussy never felt so right.

Kelly Shibari

"I'm smart, assertive and very horny. I need somebody who can keep up with me."

Kelly's no average gal. She wants a man who can tickle her mind and her pussy.

Kelly doesn't have to do much to get attention. Her exotic Asian looks combined with her plump, sexy body are enough to turn heads. But getting her to notice you is more tricky. "I like men with a weird, dark sense of humor. And I think men who can be witty instead of just goofy have the kind of intelligence to keep up with me...in conversation and in bed. Nothing will make me want to suck a guy's dick more than a stimulating conversation. If the chemistry is there when we talk, it will definitely be there when we fuck."

"My taste in men is unconventional."

Kelly could have anyone she wants. But smooth-talking playboys aren't her style. She's more attracted to the quiet types who are usually overlooked. "I don't care about looks or style. Shy bookworms turn me on. I've found that guys like that tend to be very passionate lovers. They worship my body and I'm a woman who loves to be pampered. But I don't just lay back and let them do all the work."

If she likes you, Kelly will take action.

As much as Kelly loves to be treated like a queen during sex, she likes getting on her knees like a dirty slut just as much. "I'm a giver and a receiver. I want a guy to give me a massage and lick every inch of my body, but then I want to deep throat his cock and suck his balls. If he shows me how much he wants me, I will definitely show him how horny I am for his cock. When we fuck, I give it my all and I won't stop till we both cum several times."

Rose's HHH
tits will knock
you out!**

Rose has a not-so-secret weapon. Her 50-inch chest gets her noticed whether she's wearing a turtleneck or she's completely naked. During her shoot for *My Big Plump Wedding*, Rose sat down with us to discuss her personal life and all things boobs and sex.

**AN INTERVIEW BY
ALEXANDRA QUINONES**

XL Girls: Welcome, Rose. How are you doing today?

Rose: I'm great! Happy to be here.

XL Girls: Where are you from?

Rose: Fort Lauderdale, Florida.

XL Girls: A Florida girl! Do you go to the beach a lot?

Rose: I live at the beach. I'm there every Sunday tanning and swimming and hanging out.

XL Girls: Do you wear little bikinis?

Rose: Everything is little on me. Even if I get a large it's still little. But I'm good as long as it's covering what it needs to cover, depending on what beach I'm at. I go to some topless beaches here.

XL Girls: How do people react when they see you topless?

Rose: They usually just stare or they'll whisper and point. But I don't mind it. I'm confident and I like my body so when people look it doesn't bother me.

XL Girls: Have you ever gone to a nude beach?

Rose: Yeah, I just went to a completely nude beach, Haulover, for the first time like, a week ago. It was awesome. People were taking pictures of me with their camera phones. It was a lot of fun. I love being naked and I didn't have to worry about tan lines! Even though tan lines can be sexy sometimes.

XL Girls: Were the people taking pictures of you naked, too?

Rose: No. I think they were tourists because we were at the beach and they were dressed like it was snowing out. Meanwhile I'm there completely naked. They would ask if they could take pictures and I was just like, 'Sure!' I do it for work anyway.

XL Girls: So it's safe to say that when you go to the beach you get a lot of attention.

Rose: Yeah, no matter what. Guys, even girls will be staring. And I'll just wave or smile and be like, 'Yeah, they're real.' I've had big boobs forever so I'm used to the attention.

XL Girls: What's your bra size?

Rose: I wear a 42HHH. So I'll wear between a G and an H, depending on how much support I want. When I go to the gym I have to wear two sportsbras or else my boobs are jiggling all over the place. I don't want people

taking pictures on their camera phones there, too!

XL Girls: Sounds like you were made to be behind a camera.

Rose: Yeah, I guess so. That's why I'm in this line of work. I wouldn't do it if I didn't love it.

XL Girls: Do you get a lot of attention even when you're not dressed in anything revealing?

Rose: Yeah, even if I wear a big sweater my boobs look huge. You can't hide the fact that you have HHH boobs. They're always popping out. I think people would notice my chest

This self-proclaimed "nice Jewish girl" covers all the bases: her boobs, nude beaches and blow jobs.

even if I was wearing a garbage bag!

XL Girls: When did you first start to develop breasts?

Rose: By sixth grade I was wearing a B-cup and overnight I was a D-cup and then a DDD-cup and they would just not stop. They're still growing.

XL Girls: You shot for us about a year ago. Have your boobs gotten bigger since then?

Rose: Definitely. I think I was a G-cup back then.

XL Girls: Now you're a HHH. What

comes after that?

Rose: I don't know. I have to get my bras personally made. If I go to places like Frederick's to get sexy bras then I know I'm getting an F-cup or something that's totally not going to fit. So I have to be prepared for what shirt I'm going to wear on top of it.

XL Girls: Do you have a lot of bras that don't fit?

Rose: I have some that are too small for me and I'm popping out of them. But they're really sexy and the fit isn't that bad so I don't mind that they're kind of small. I've had guys tell me that they like it when my boobs are popping out of bras that are too small for me.

XL Girls: Do you have a lot of sexy bras or plain ones?

Rose: I have plain ones and sexy ones. I'm fortunate because I've been able to go bra shopping around the world. I'll buy a bra from Europe if I have to. I just want a bra that's sexy and fits well. I'll pay whatever I have to pay. Anything for my boobs!

XL Girls: What kind of underwear do you wear?

Rose: This might sound crazy, but none. I rarely wear panties or underwear. I stopped wearing them sometime when I was in the eighth grade.

XL Girls: You stopped wearing underwear?

Rose: Yeah. It was funny because I actually had to buy underwear to model.

XL Girls: So you don't wear underwear at all?

Rose: Not really. Maybe I got it from my mom because she doesn't wear underwear either and one day I just stopped.

XL Girls: Even when you wear a dress or a skirt?

Rose: Well then I'll at least have a thong or a G-string on. That's probably the only time I'll wear underwear. I couldn't be that scandalous.

XL Girls: You probably always have to wear a bra, though.

Rose: Always!

XL Girls: Do you ever go braless?

Rose: Never, unless I'm just going to the corner store. But really, I can't go out of the house like that. I'd be messing with my boobs every five seconds. I'm braless right now and they're all

over the place. I get all kinds of looks when I go out and I'm wearing a bra. Could you imagine what would happen if I didn't have one on?

XL Girls: You would probably stop traffic or cause a car accident with your boobs.

Rose: It's amazing; people act like they've never seen boobs before. But I guess that makes sense. They're huge. If I saw a guy with a huge dick walking around I'd stop and stare, too. So I can't blame them.

XL Girls: What kind of guys do you usually go for?

Rose: I'm an equal opportunity employer. *[Laughs]* If you've got it, you've got it. It's not all about looks, I'm not shallow. I do have to be physically attracted to the guy but you could have a six pack or be chubby. If you make me laugh that's all that matters.

XL Girls: Are you single? Dating?

Rose: I was with my high school sweetheart but we just broke up this year after eight years. So I'm very single.

XL Girls: Are you living it up?

Rose: Yes! I go out now and I don't have to answer to anybody. And that was the problem with him. He said it's between your job or us. I told him that love wasn't going to pay the bills. Either you trust me and you're okay with it, or you're insecure. I guess he couldn't handle it. But I'm very happy being single right now and I wouldn't change a thing. I love my life.

XL Girls: You chose porn over your longtime boyfriend?

Rose: Definitely. It's not like the relationship was perfect. If it was, then maybe things would've been different.

XL Girls: How did you end up at SCORE?

Rose: Through one of my friends. I was friends with his ex-

wife and she had big boobs, maybe like a DD or a DDD. She always told me I should come here but I had never done nude modeling before. But I decided to try it and I sent my pictures in and the next week I was in here shooting! Now I love it. You guys are the best company I've ever shot for by far!

XL Girls: Thank you! Aside from porn, do you have another job?

Rose: Right now I'm just doing this. I was an office assistant but this is very time consuming. But I love it. It's getting better and better. I want to launch my own Website soon and that's a lot of work, so I don't have time for a regular job. Not that I would want one.

XL Girls: You're a natural at this anyway and you're making a lot of people happy.

Rose: Yeah, getting work for something you have naturally is great. I was nervous when I first came in to shoot but I got the hang of it. The more I did it, the more I liked it. And now I've come this far. This is way better than working in an office.

XL Girls: Have you shot any hardcore yet?

Rose: Yes, I just started. I didn't do it for the longest be-

cause of my ex-boyfriend. I was just doing solo. And now I get to have great sex and make a living off it.

XL Girls: Now that you're single, what do you like to do in your free time?

Rose: My best friend and I go to the gym or we lay out. Every Wednesday we go out and party at the same place. We check out all the cute guys. It doesn't matter what we do, we make sure we get out and we're not at home staring at each other.

XL Girls: Are guys more interested in you when they find out what your line of work is? Or do you think it intimidates them?

Rose: I think they're kind of intrigued by it. But sometimes they get the wrong idea. I have business cards and they'll mention that it doesn't say what I do. I just tell them that I model. Then they go and Google my name on their phone and show me the pictures that come up. Okay, so you got me! Either they're gonna call me or they won't. But just because I do porn doesn't mean I'm going to have a one-night stand with them. I still have the same morals. They didn't change just because of what I do for a job.

XL Girls: So you're not into casual sex?

Rose: I wasn't promiscuous before so that's not going to change. Obviously I love to have sex but I'm not going to go around and just fuck any guy I meet on the street.

XL Girls: You're the girl next door.

Rose: [Laughs] I'm a nice Jewish girl. Kind of. I try to be. No one at temple knows what I do.

XL Girls: Does anyone in your private life know that you've been shooting porn?

Rose: Oh, yeah. All my friends know. They're cool with it. My mom knows and she's my biggest fan. My hair lady knows. She's like, 'At least your hair is nice. That's my work on camera!' I think she works extra hard on me because she knows I'm being filmed and she wants me to look good. But hey, I like looking good, too.

XL Girls: When you go out, do you like to dress sexy?

Rose: I live in heels. Always. And I'm only 5'3" so I'm all for anything that can make me taller. And for shirts, I'm either going to be showing cleavage or completely covered up because there isn't really any middle ground. So yeah, I like to dress sexy. I think all women like to feel sexy.

XL Girls: Do you ever use your boobs to your advantage?

Rose: It's not something that I do intentionally. Sometimes it just works out that way. People will definitely remember me if I come back to a club. They might not remember my name, but they'll remember my boobs. They get me to the front of the line.

XL Girls: What do you think of girls with fake boobs?

Rose: I think that's ridiculous. But then again, if you have curly hair you want straight hair. We always want what we can't have. My mom actually got a reduction and she looks great.

XL Girls: Big boobs run in the family?

Rose: Definitely. Both my grandma and my mom had breast reductions. But I have the biggest boobs in the entire family and I'm not planning to get a reduction anytime soon.

XL Girls: Are you into girls at all?

Rose: Ninety-five percent of my life I've been with guys. I could probably count on my hand how many times I've been with girls. I can see the appeal of it, though.

XL Girls: But you've experimented?

Rose: Yeah. We go to the strip club and get a little crazy. That's where most of my girl experiences started. My birthday is in two weeks and we already have the whole upstairs of this strip club booked. We'll see what happens, but if it came down to it I'd rather go home with a guy. Girls are beautiful, but whatever they're going to use, I can buy at the store. I'd rather just have the real thing.

XL Girls: What happened during the times you did fool around with girls?

Rose: It was mostly her doing stuff to me. It was usually with my friend who referred me here and her ex-husband. But they were already broken up by then. We used to hang out at the strip club and sometimes we would go back to a hotel. But it was usually me and him and sometimes she

would mess around with me. Mostly we would just kiss and she would play with my boobs and eat me out.

XL Girls: So this was a threeway?

Rose: It was pretty much a threeway, only she did more to me than I did to her. That's the only time I've really messed around with a girl.

XL Girls: No more threeways with other couples?

Rose: No, just with them. He owned a nightclub and when the club would close we would go to the strip club. And I always knew how it was going to end. We would get the hotel room before we even got to the strip club and I knew we were going to have sex. But it wasn't always the three of us getting it on. Half the time it was just me and him having sex.

XL Girls: Did the wife or ex-wife know you guys were doing that?

Rose: Oh, yeah. She was the ex-wife by then. Me and her were friends so she knew. Then the guy got remarried and we stopped fooling around. But then he got divorced from that girl and we slept together again.

XL Girls: Was he hung?

Rose: It wasn't that big but he was okay. I've definitely slept with bigger but he was still sexy and he worked out and it was great sex.

XL Girls: So you're not a size queen?

Rose: No, definitely not. I mean, if it's the size of my pinkie then don't waste my time. But with that guy it was always good sex, and that's all that matters. Not the size.

XL Girls: Motion of the ocean?

Rose: Yeah. We had chemistry. He was a good friend of mine. I can still call him if I need anything. We were friends with benefits.

XL Girls: You said you don't do one-night stands, but a friends with benefits situation is okay?

Rose: It depends on the guy. I don't think I have to be in a relationship to have sex but there has to be some kind of connection between us.

XL Girls: What does a guy have to do to win you over?

Rose: I'm not sure. If it's instant, then we click. Then we'll talk and he can meet my mom before we go out.

XL Girls: You introduce every guy to your mom?

Rose: Oh, yeah. Always. I know I'm 23 and I don't have to do that. But my mom is 50 and if she went on a date I'd want to meet the guy.

XL Girls: Has your mom ever considered adult modeling?

Rose: [Laughs] No, but she is gorgeous. My guy friends call her a MILF and always talk about how hot she is and I'm like, 'Keep it to yourself!' But yeah, she takes care of herself and is always grooming herself and in the salon getting something done.

XL Girls: Speaking of grooming, do you shave or wax?

Rose: Both, although I think waxing hurts horribly. But beauty is pain and waxing lasts longer. I shaved last night but usually I wax. It just hurts so bad! But it has its perks. I can go two or three weeks and not worry about any-

"I like to give, as crazy as that sounds. Guys think I just say that, but I really do like to give."

Miss Isabelle

"Cock is sacred to me. I love it. I worship it. My day is not complete unless I get it."

Let's get straight to the point. Miss Isabelle is really fucking horny.

"I know you probably hear this all the time, but I want to have sex as often as possible! The more I get it, the more I want it. It's like my body has been reminded of what it wants to do. I'm the horniest after a major round of sexin'. Kissing, licking, sucking, making animal noises, waking up the neighbors...I love it all! A good night like that is always followed by a sore pussy the next morning!"

Nothing compares to the real thing for her.

Everyone masturbates, and Miss Isabelle is no different. But when she's getting freaky with herself, she'd rather rub than plug. "I tend to play with my nipples and my clit when I masturbate. I rarely penetrate myself. No matter how good the toy is or how horny I am, it doesn't do the trick because it doesn't feel like a real dick. I'd rather save the penetration for the real thing. But I still love masturbating!"

What is it that Jade *hasn't* tried yet?

"I'd really like to try double penetration, but I've got to get the hang of anal first! I've gotten butt-fucked a few times but I'm still a novice. So far, I think I like it. I've also fooled around with women before, but never with a strap-on. I would love to fuck a woman hard like a man and have her to do the same to me. And when I've done these things, who knows what's next? The sky is the limit!"

thing. I like my guys to keep their stuff trimmed neat for when I go down there and I make sure I keep up maintenance on myself.

XL Girls: Do you prefer to give or receive oral?

Rose: I like to give, as crazy as that sounds. Guys think I just say that, but I really do like to give.

XL Girls: Would you say you give good head?

Rose: Yeah. The other night I was with my ex and he was like, 'Oh, my God.' And I was like, 'I've been giving you head for eight years. Are you kidding me?' He was stunned and I was like, 'See what work does?' But he told me to not even go there.

XL Girls: Shooting porn helped you give better head?

Rose: It gives you more experience, so in a way, yes. I've learned some tricks.

XL Girls: Do you prefer giving head to a guy going down on you?

Rose: Yeah, because I know what I'm doing and he's going to be happy. When the guy does it to me sometimes it's just not that good and I want them to stop.

XL Girls: Have you ever been with a guy who does it well?

Rose: Yeah, definitely. I wish all guys could be that good at it. My ex was okay at it, but in the eight years I was with my ex he did it to me maybe enough times to count on both hands. But I didn't really care. I'd rather give.

XL Girls: Was he just not into it?

Rose: He said he didn't know how but the first time he did it he gave me an orgasm. And ever since then he did it to me maybe ten times. But for me to give head, you don't even have to ask. We could be driving in the car and I'll do it. I swear, I'm a nympho. I just love to have sex.

XL Girls: How many times a week do you have sex in your personal life?

Rose: As much as possible. Five days a week usually.

XL Girls: So, then getting head wasn't the reason you got your clit piercing?

Rose: No. It was just something that I'd wanted for a while. A few girlfriends of mine had it done and they told me how great it feels. So it wasn't

Lenka

"I'm an exhibitionist. I love it when people watch me undress and have sex."

It's been a while, but Lenka is back and she's showing off her full bod just for you!

The last time Lenka graced *XL Girls* with her presence was in Jan. '08 (SP158). At the time, she could not get enough cock. Fortunately, nothing has changed! "I'm still the same old horny Lenka! I will probably still be craving sex when I'm a grandma. Who knows, maybe I will still be modeling then! Being watched and knowing that guys are jerking off to me are some of my biggest turn-ons."

She's been an exhibitionist ever since the beginning.

Lenka's first time having sex was memorable. Not for the sex, but for who was watching. "I was at a camp and it was the middle of the day. Everyone had gone away on a field trip and I stayed behind with another guy. I took off my panties and he started pumping away. It wasn't that great. But I later found out that the door was slightly open and one of my friends was watching us. He later told me that he masturbated to that scene many times. To me, him jerking off to me losing my virginity is far more erotic than the actual experience was."

Mandy will keep you warm when it's cold out.

She's got a plush body and big, squishy tits that are perfect for snuggling up with. "I'm not fat. I'm fluffy! I'm the right kind of girl to cuddle up with and I could definitely warm you up with my body. But honestly, I'd rather get hot and sweaty from fucking! Save the mushy stuff for someone else. I just want to put my tits in your face and ride that cock! And as for cuddling afterward, I'm too tired after sex!"

Mandy

"No head is safe from my tits. I will squeeze and smother the one on your head and the one in your pants with my boobs."

After a crazy fuck session with Mandy, both of you will be completely spent.

You will be exhausted from releasing so many loads of cum and she will be breathless from getting them out of you! "If a guy doesn't cum at least three times when he's with me, I get pissed as hell! I want all that cum."

Mandy has many ways to make you shoot your load all over her supple body.

First, she gets it with her tits. "I put these puppies to good use! They're so big that when I squeeze them around a cock and spit down my cleavage, it feels just like a pussy." Then, she gets it with her mouth. "I suck it all the way down till I can feel their balls touching my bottom lip." After that, she gets your cum with her pussy. "I like to fuck on top, on bottom, standing up, whatever! I'd do it hanging upside down if I could!" And if it's a full moon out, she might even make you cum with her ass. "That's only for special occasions, though."

Mandy is just as frenzied when she is alone and stuffing her pussy, too.

When it comes to sex—whether it's with another person or with herself—Mandy goes all the way or not at all. "I don't believe in half-assed fucking. I love sex so much that I can't stand for it to be mediocre. Even when I'm masturbating by myself I get way into it. I pound away with a dildo and I moan and scream and bite the pillow. Sometimes I'll even suck the dildo like it's a real cock just for fun! One time when I was masturbating I was going at it so crazy that my roommate thought I was in there with someone else! That's just how I do it."

really for guys to eat me out. But it enhances everything sexual. Like when I'm doing stuff by myself or if I'm having sex I can tell the difference now that I have the piercing.

XL Girls: Can you feel it when you're walking around?

Rose: A little bit but not that much. I have to move my legs a weird way for it to really give me any pleasure from just walking.

XL Girls: Did it hurt to get?

Rose: Not really. I mean, it did a little bit but it was over so quick that I barely noticed it. What sucked was the healing part. But that's because I couldn't have sex or really do anything for like six weeks. I didn't even masturbate. It felt like a lifetime.

XL Girls: Do you masturbate a lot?

Rose: Yeah. When I'm not getting sex I do it all the time. I have to or else I'm going to be the biggest bitch.

XL Girls: When you masturbate do you use toys or your hands?

Rose: Toys work better than my hand. And I have so many now, like a bag full of them from filming for my Website. Okay, maybe like ten. It's not that much but it's kind of a lot. And I use them all. But vibrators are a lot better than dildos. If I'm going to use a dildo I'd rather just call somebody to fuck me than do it myself.

XL Girls: So you're working on your Website now?

Rose: Yeah, I'm working on it with a friend of mine.

XL Girls: What's the URL?

Rose: Rosevalentina.net. It's not up yet but it's coming soon! But if you Google my name, the shit that comes up is crazy. Blogs and everything. People from around the world even find me on my personal MySpace page, and there's nothing about Rose Valentina on there.

XL Girls: So you must have some serious fans out there.

Rose: Yeah, a lot of military guys.

XL Girls: Have you ever been recognized by a fan in public?

Rose: Yeah, a week ago. It was my mom's 50th birthday and we went out to dinner. A table of guys came up to us and asked for my signature. It was

Welcome Rikki to XL. She's the queen of kink and she's not afraid to show it!

When it comes to fucking, Rikki will do just about anything, so long as she is the one calling the shots. She's very sexually assertive and she's the first one to admit it. "My kinkiness intimidates some guys, but that's okay. They probably weren't right for me anyway. And there are plenty of guys out there who like the way I am. They want to learn what I have to teach them, and I'm more than happy to play that role. I love to fuck the shit out of submissive men."

crazy. My mom was like, 'This isn't *Rose Does Fort Lauderdale!*' But they were still pretty nice and I gave them my autograph. I wouldn't be where I am without my fans so I appreciate them and I'm always nice.

XL Girls: Did you know there was such a big market for BBW women?

Rose: No, not at all. I was shocked by all the places my name turned up on the Internet and the blogs where people could rate me. I was afraid to read them at first. There would be like ten pages of comments and they could be saying anything. But most of them were really good ratings of my boobs and performance.

XL Girls: You look like you're enjoying yourself in the solo scenes you've shot for us. And now you're doing hardcore. Would you consider doing anal?

Rose: I've never done it in my personal life and I wouldn't want my first time to be on camera. But once I get used to it, maybe. I'm not saying I'll never do it, just not now.

XL Girls: What about a finger?

Rose: I might do it to myself depending on the photographer. All they really have to do is ask nicely. And if a guy wants to lick me there then he can. I don't really care. It feels good, but I don't know about some big cock going in there. I think I'd have to start off with a smaller guy if I were going to try it.

XL Girls: Just as long as anal isn't completely ruled out.

Rose: No. I just have to try it out in private first and then who knows?

XL Girls: You're giving a lot of guys something to look forward to.

Rose: They've got a lot more to look forward to than just that! I just started shooting hardcore. Even though I'm not doing anal or anything too fetishy, I enjoy shooting and I hope the guys have a good time watching me.

XL Girls: They do! We think you're going to blow up in this biz.

Rose: Thank you. I really hope so! It's been a lot of fun so far.

XL Girls: And with that we've got to wrap up the interview. We'd like to thank you for everything.

Rose: The pleasure was all mine. You guys are awesome!

We'd like to see Toni in a two piece, too

Dear XL Girls,

I love all the regulars that I have seen in your magazine over the years, but there is one model who I think deserves more coverage on your pages: Toni Evans! I first saw Toni in *Wide Load Nymphos* and ever since then she has been one of my favorite models. But sadly, I have only seen her in your magazine twice. I haven't seen any new material of her in a while, but the older stuff that I have never gets old because I am a true fan. But it would sure be nice to see some new footage of her!

Toni is so beautiful and I'm sure many of your readers will agree. I love her breasts, face and legs. ZZ Top must've been singing about her!

I know that because she is British she probably doesn't wear swimsuits a lot, but I think she would look great in one. If you could arrange some kind of shoot like this I would probably cum in my pants. A curvy woman in a bathing suit is the epitome of sexuality and beauty to me. But I would take Toni any way I could get her.—F.F., Los Angeles, California

Kelly is one of a kind

Dear XL Girls,

Where did you find a jewel like Kelly Shibari? She is unreal. I've never been so attracted to an Asian woman before. I like big women and usually Asian women are small. Naturally, I was surprised to see Kelly. She doesn't have the biggest tits but she is exotic and sexy. She is so pretty I would like to take her out on a date and just stare at her lovely face. And when she wasn't looking, I'd totally check out her sexy body, too.

I wonder if she is passive or aggressive. The BBWs that I have been with were all sexually assertive, but I always felt that Asian women were passive. I'm very intrigued to know what Kelly's sexual style is. Either way, I'd be more than happy to bone her, whether she wants to make my cock her own personal fuckstick or if she wants to be my sex slave. Please put her in more XXX!—J.T., Newport, Rhode Island

Weighty Concerns

Dear XL Girls,

I have just discovered your magazine and I don't know how I've gone so long without it! I have seen other BBW magazines at stores and in newsstands, but I felt they were of a lesser quality. They looked very primitive, like a high school senior designed them. I noticed that you have some of the same models but as for the rest, yours are way hotter. And your magazine is designed very well and looks professional and classy.

I like big women with big tits. A thick, supple body looks best when it's topped by a pair of huge hooters. Actually, any body looks great with a big pair of tits, but I just happen to like BBWs. That's why I'm glad I finally came across your magazine. It celebrates being big rather than encouraging women to lose weight. To all the extra large women out there: Don't lose any weight! You look hot the way you are.

I personally do not like the pressure the media puts on people to be thin. I am of average height and weight myself, but that is how I am naturally.

I think people, especially women, should stay within their natural weight and not try so hard to change themselves. Long live the large ladies!—E.L., Miami, Florida

Check out this Czech

Dear XL Girls,

The centerfold girl, Angelina Vallem, from Jan. '09 (SP173) is super fucking sexy. She's just the kind of plumper that I like from top to bottom. She has a pretty face and gorgeous, blue eyes. Her big, full tits look perfect for snuggling my face in and she has curves in all the right places. I would love to hear her speak in her native Czech language. That's the cherry on top. I love foreign girls. I don't know what it is, but Europe seems to produce some of the hottest big-tit women that I've ever seen.

I really love the centerfold shot of Angelina. I can just imagine tongue-fucking her in that position with her pink heels digging into my back. I love it when a woman leaves heel marks, scratch marks or bite marks on my body because of the pleasure I'm giving her. And as much as I would

make her cum, Angelina looks like she would rock my cock with her horny face and thick body, too. Bravo!—T.R., Dallas, Texas

Dear T.R.,

You can see see and hear Angelina fuck in the movie Plump & Humped. Order on page 9.

Hungry, humping honies always hit the spot

Dear XL Girls,

Your movie *Feed Her, Fuck Her* rules. I have a food fetish and it doesn't get any better than seeing hungry chicks chowing down while they get fucked.

I was drawn to this movie by the big names: Maria Moore and Sapphire. But I was pleasantly surprised with the other girls in the movie, even though I had never heard of them before. Hayley Jane is a real looker and the threeway with Kandi and Alyssa was almost too hot to handle. I want to know what fucking gym I can go to for sex with two big, plump, sexy girls. And as to be expected, Maria and Sapphire were excellent.—G.D., Lodi, New Jersey

Alyssa Andrews & Kandi Kobain

The way to a big girl's pussy is through her stomach. Alyssa and Kandi meant well when they decided to workout. But the truth is, they'd rather be eating sweets and getting fucked. Now that's the best way to break a sweat! Luckily, this guy shows up to save the day with his big, hard cock and frosted donuts! He gets double the plumper love as the girls eat his snacks and his dick.

Kandi and Alyssa were relieved when this guy showed up with the goods. The reason they decided to exercise in the first place is because they were so horny that they needed a distraction. But they soon learned that the best way to handle a craving is to give in to it! "I'd rather workout by having a threeway than sitting on some exercise machine," Kandi said. "The way he fucked me really got my heart racing."

"There I was, trying to get through my workout," Alyssa said. "But I couldn't concentrate. My mouth kept watering and my pussy was getting so wet. I was hungry and horny at the same time. I wanted something sweet in my mouth and in my pussy. It was like this guy read my mind when he showed up! I guess Kandi felt the same way, too. In the blink of an eye we were eating each other's pussies and taking turns riding his cock!" These two big girls put their huge tits, plump butts and juicy slits to good use, pleasing each other and the guy. Their hard work was rewarded when they got cum sprayed all over their bodies.
