Bailey's a Ball-Buster

Dear XL Girls,

Just wanted to say how much I've been enjoying draining my nuts over the May '12 (SP227) issue. *XL Girls* is rapidly eclipsing *SCORE* and *V-Mag* as my favorite SG publication, and I literally can't wait for each new issue.

The May '12 mag is stuffed with so many hot women I don't know where to begin. Danica Danali, Shugar, Lisa Cannon, Natalie Fiore, Renee Ross and Samantha all get me stiff and spurting, but this issue's standout babe has to be Bailey Santanna. Bailey is a certified fox who has never once disappointed me with either a video or pictorial. She looks like she truly loves getting dick'd in every orifice, and my stroking pleasure (to her lay-out) was magnified a thousand-fold reading about how she sucks cock while watching pornos and likes getting her starfish "stretched out" by huge black schlongs.

Please give me more Bailey (in ever dirtier layouts) and keep up the good work in general. *XL* is a godsend for us big-girl lovers. -K.S., via email

Titter Trophy Wife

Dear XL Girls,

The Aug. '12 (SP232) issue was packed with the hottest *XL Girls* ever. My favorite was Elaina Gregory. She is perfect for *XL*. I love everything about her, from her full breasts to her pretty face to her bush. Her pussy must be amazing to lick and smell. I only wish I could see this beautiful woman do hardcore! I've cum so many times to her photos already; I can't imagine how hard I'd cum to a hardcore video of her. This girl is a superstar and needs to start taking cock for the camera. Her husband is such a lucky guy. If I were married to Elaina or a girl like her, I would fuck her so hard every

Bailey is a horny babe who loves to turn up the raunch in her scenes.

Elaina Gregory is a trophy wife who loves to share her body with readers. We thank her and her husband for sharing her bountiful tits and juicy pussy with us!

night. She is the ultimate big-boobed trophy wife.-J.J., Phoenix, Arizona

Dear *XL Girls*,

Elaina Gregory is an amazing find. Her body is ripe for the picking, and I love her pushbutton nipples. They are actually kind of small for the size of her breast, but they look good on her. Her nipples are also wonderfully erect. Her breasts hang in a nice way and her nipples are in a good position on them. Overall she is an extremely attractive girl, and it is so hot that she has a hairy pussy but shaves her asshole. She knows what she's doing.-F.A., Yonkers, New York

Zeta's Nipple Boners

Dear *XL Girls*,

Zeta has some of the biggest, most 3D nipples I've seen in a long time. I love that they look like pencil erasers, and I think it's hilariously awesome that you called them nipple boners. Those are the perfect kind of nipples to suck on. I'd suckle those puppies nice and gentle for her, then slip my

I'd instruct Zeta to do so, and from her interview she seems like the kind of gal who is happy oblige.

After a hot, wet titty-fuck I would go to town on Zeta's pussy and asshole. I love her dark labia and her purple starfish. I'd make sure to spread her as wide open as possible and tongue-fuck her pussy and asshole as deep as I could, tasting all her juices. Zeta could even get on top of me and suck my cock while I eat her. 69 is always fun. Then I would get on top of her and slowly slide my cock in her pussy, sucking her nipples while I pump away. Zeta's pussy juices would be flowing out of her, dripping down her ass crack and leaving a puddle on the bed. I continue to screw her, hearing my balls slapping against her pussy-juice-covered ass. Her tits are jiggling everywhere. It's glorious.

I turn Zeta over for some doggie-style action and slap her round ass a few times. She loves it and moans louder. I stick my finger in her ass and she starts to cum. I can feel her pussy clamping down on my cock and her

Zeta's nipples stick way out whenever she's turned on and ready to fuck. In this scene her nipples were as hard as the big cock between her tits!

cock between her nice, plump DDD-cups. Zeta doesn't have the biggest tits in the magazine, but hers are still very nice and would wrap around my cock just fine. I have a medium-sized 6-inch penis so even a girl with just a D-cup can smother my cock with her tits. I love to fuck tits and have the girl suck my dickhead while she does it.

whole body convulsing. She reaches back and fondles my nuts, and I almost blow my load but manage to keep my cool. After cumming, Zeta pushes me back on the bed and climbs on top of me for a ride. Her big tits and pointy nipples are right in my face and I am in heaven. She switches between grinding down on my cock

and bouncing up and down on it. She starts to cum again, and I finally let my jizz erupt inside her hot cunt. She tells me she loves feeling my cock shoot cum inside her.

Ink Lovers

Dear XL Girls,

I know some guys don't like it, but I am really digging your ladies with

Tattoos are a topic of debate. Some like them, some hate them.

tattoos. Chicks with tattoos are hot! Please don't try to hide your models' tattoos with clothes or weird angles. I'm a fan, and I know there are more readers like me out there! For example, I think Dors Feline is hot as fuck. I'm also a fan of the new ink that Porsche Dali is rocking. And the tattoo on Elaina's arm is a nice touch. It doesn't bother me one bit! All the old-timers out there who hate tattoos just have to accept that more and more women are getting ink, and there are plenty of guys out there who like it. I would be thrilled if you featured a girl in XL with a full sleeve, but I know that might a little too extreme for y'all. I just happen to think tattoos are beautiful works of art, and yes, I have many myself. I think as more time passes tattoos will become more and more accepted. You have a great magazine as is, but please don't hide your

lovely models' ink!—G.L., Asheville, North Carolina

Devilish Angel

Dear XL Girls,

Can we talk about Angel DeLuca for a minute? This girl is smoking hot. That ass of hers is in desperate need of a spanking. She is the finest girl I have ever seen in your magazine. I like her haircut with the bangs and the way she licks her nipple. And her pussy is absolutely magnificent. It is so tiny and pretty and perfectly shaved or waxed. My face needs to be between her legs tasting her sweet sugar.

Do you have any pictures of her belly and her ass? I would like to see more of them. She is such an adorable girl-next-door. I can't wait to see more of her.—Q.J., Nashville, Tennessee

Dear XL Girls,

Oh my god, Angel DeLuca is heaven on earth. My cock is throbbing, throbbing, throbbing for her. She is one big, gorgeous dream girl! Her ass is big and so gorgeous, and her toes are gorgeous. I would give anything to smell Angel's toes and lick and suck them, while my cock throbs and throbs! Oh my god, I love her naked, and her smooth pussy is paradise! I love her hips and tummy, and her tits are driving me crazy. Just knowing that her pussy is spread wide turns me on so much. I love her ass from behind and then spread. I would give anything to just smell and lick her asshole and slide my tongue deep in it. Her pussy is so gorgeous! I love her spread wide on the couch on her back.

I would get on my knees and lick her asshole and smell her pussy, then lick all over her smooth, smooth hairless dream pussy! Oh my god, she makes my cock throb and throb when I look at her smooth pussy and her butt. It drives me crazy! I would love to spend hours with her naked, loving and kissing and worshipping every single perfect inch of Angel, touching her and giving her orgasm after orgasm!—B., via email

Trinety Infinity

Dear XL Girls,

I think Trinety is the kind of woman I could love for an eternity. Even though I've only just been introduced

to her, I feel like she could be my all-time favorite model, regardless of how hot the next new girl is. Trinety has won over my heart, and loads of my cum! Curvy, pale redheads like her get me so horny. When I see her, I just want to unleash my hands all over her body and roam and caress all those curves. I have always loved big women, especially redheads. I like her glasses, too. I wish more models would wear them during their shoots. It gives them that cute, nerdy look.

I really hope Trinety does hardcore. She is quickly becoming one of my favorite models. If she rides the bologna pony she will definitely secure her spot as number one XL babe in my heart. I've already masturbated and cum so many times just to her solo photos. If there were a video of her, especially a hardcore video, I think I would be capable of shooting 10 loads in under an hour. I love her round skin, full boobs and the soft

Trinety spreads her pale pussy lips to reveal the bright pink inside.

tummy. Her tummy is my favorite part. Nice and squishy and pale. It's just the right size. I'm so glad you didn't keep it hidden under a corset or some other article of clothing. A girl with a sexy stomach like Trinety shouldn't be ashamed to show it. Guys like me find it a huge turn on.—V.V., Birmingham, Alabama

PASSION BROOKS

We love it when the drapes match the curtains!

There's a hierarchy to the way we check out potential *XL* models. First we look at the boobs. Then the face. Then the body. If everything checks out, then we start to wonder about more random things. In Passion's case, we wanted to know if those thick, red locks were the real deal. We were pleased to find that she is a natural redhead when she spread her pussy to show us her pubes!

Passion knows how to move her luscious body for your pleasure.

This ginger babe is beautiful and talented! "I can make my ass clap and make my titties dance up and down," she said. Judging by her ample assets, that must be a sight to behold. In addition to being able to wiggle and jiggle like a pro, Passion is also bilingual in Spanish.

Passion may have big tits, but she doesn't like to keep them trapped in the confines of a bra. She likes to let 'em hang loose!

"I don't always wear a bra depending on the top or dress I have on. It's not always needed. My breasts are perky." Passion also doesn't like to fuss with fancy custom-made bras. She gets hers at a local department store and calls it a day. We must confess that we hope those bras are a bit ill-fitting, encouraging lots of tit spillage or the nixing of a bra entirely!

XL INTERVIEW

KANDI KOBAIN

SHE LOVES DOING PORN, AND IT SHOWS!

XL Girls: Welcome back to the studio, Kandi. We've missed you and so have all the guys!

Kandi: I've missed being here!

XL Girls: How did your scene go?

Kandi: It was a lot of fun. It's always a lot of fun.

XL Girls: Great. So we actually shot you four years ago in 2008. What have you been up to since then?

Kandi: Not much, pretty much the same stuff. Working on my website, webcamming, doing my thing.

XL Girls: When you came here you had just started modeling, right?

Kandi: Yes, when I came here it was my first professional shoot. It was my very first hardcore shoot. It was my first everything.

XL Girls: Were you nervous?

Kandi: Yes, I was very nervous.

XL Girls: How do you feel today coming back after four years?

Kandi: I was really nervous, I guess because this is where it all started for me. It was nerve-wracking the first day, but then once we got in and got going it felt like home. I like it here. Hopefully it won't be another four years before I'm back!

XL Girls: Definitely not! We like having you here as well. Now, do you still get nervous sometimes when you shoot in certain situations?

Kandi: Not normally. A lot of the stuff I shoot I do regularly with the same people so I don't get nervous anymore. But for some reason I was nervous coming down here.

XL Girls: Maybe it was flying down here and being in a different state.

Kandi: That was probably part of it. But I also wanted to do a good job modeling for you guys.

XL Girls: You don't have to worry, you're a natural! Why did you decide to start modeling in the first place?

Kandi: I never really knew that bigger girls could do this kind of modeling. A guy I was with at the time got me into it. He liked me and liked what I had and I kind of just fell into it. I've enjoyed every minute of it. I've been modeling for almost five years now. It's been a lot of fun. It really helps a girl build up her self esteem. A lot of people say that porn is degrading but I don't think it is. For me, porn builds you up and makes you much more confident. I love it.

XL Girls: That's awesome. So was your boyfriend at the time the one

"FOR ME, PORN BUILDS YOU UP AND MAKES YOU MUCH MORE CONFIDENT."

who told you about *XL Girls*?

Kandi: Yeah, he showed me *XL Girls*. And we got a little tipsy one night and took pictures and submitted them. The next thing I knew I flew out here and it's been happening for me ever since then.

XL Girls: So this all just happened on a whim? But that's usually how it goes.

Kandi: Yeah, it really did. It's definitely not something that when you're little you think 'Oh, when I grow up I want to do porn.' You definitely don't think that when you're younger. But here I am!

XL Girls: Why do you think you've

liked modeling so much and stayed with it for so long? Because there are a lot of girls who come in and shoot a few times and you never hear from them again.

Kandi: Everyone that I've ever worked with has been very professional and very kind to me. It's a great environment. Everyone that I've met while doing this has been a wonderful person. I feel welcome anywhere I go. What can I say, I love it!

XL Girls: We're glad you've had such a great experience. So, you're here partially because you have big boobs. What's your bra size these days?

"I HAVE A HUGE PANTYHOSE FETISH, AND I DO A LOT OF PANTYHOSE MODELING."

Kandi: I'm a 40G.

XL Girls: That was your size last time you were here. How long have you been a 40G?

Kandi: I've been a G-cup for quite a while. Probably six or seven years.

XL Girls: I saw on your questionnaire that you do a lot of pantyhose modeling and that you're kind of into the foot fetish thing.

Kandi: Yes, I am. I have a huge pantyhose fetish, and I do a lot of pantyhose modeling. I do it for my site and for other sites. It's a huge turn-on for both me and the guys. The guys love it. It's different. It's more softcore.

XL Girls: What do you like about the pantyhose? Like you said, it's not that common. So for people who have never heard of that or might think it's kind of unusual, can you explain?

Kandi: Well a BBW in pantyhose is very unusual. There are not many BBWs, bigger girls or plus-sized girls that do pantyhose. So it's kind of a niche. But I love the way they feel and the way they make your legs look. I love sliding a cock between my feet with pantyhose on. It feels amazing even for the girl. I love it.

XL Girls: So a lot of it has to do with the touch and feel?

Kandi: Yeah, the touch, feeling it and the shininess.

XL Girls: Have you hooked up with guys who were foot fetishists?

Kandi: Oh yeah.

XL Girls: What goes on when you hook up with a guy who's into feet?

Kandi: It feels amazing for the girl, first of all. It's a lot of fun. It's mostly just a lot of foot worship and you know, a cock in your feet. I hooked up with a guy once and he was dressed in a very expensive business suit. And he took it off and he had pantyhose on. That was a first for me. It was amazing though, just to feel his pantyhose and my pantyhose rubbing together was odd, but it was amazing.

XL Girls: In that kind of situation do you have sex with the person or is it more of the cock and the foot thing?

Kandi: Yeah, it's the cock and the foot and rubbing it on the pantyhose. Or you might put your legs together and they'll slide it across your pussy, but not in it, just over the pantyhose.

XL Girls: That's very interesting.

Kandi: Yes, it's very different.

XL Girls: So I also read in your questionnaire that you love to masturbate.

Have you ever done that in public?

Kandi: I do love to masturbate. I've had sex in public, but I've never masturbated in public.

XL Girls: Well, keep that in mind then! Where did you have sex in public?

Kandi: I was actually at Dillards. I was buying new clothes for my website and I was showing off some lingerie. My man just loved it and we ended up in the dressing room.

XL Girls: How long were you in there?

Kandi: It was just a little quickie, like 10 to 15 minutes.

XL Girls: What? That's not a quickie. That's a pretty decent amount of time to be in a fitting room!

Kandi: Well, and I don't know if you've seen any of my videos but I'm very, very vocal when I have sex. I'm very loud. It was really hard to contain it and not get caught.

XL Girls: So you had to bite your lip?

Kandi: Yes, pretty much.

XL Girls: But you didn't get caught?

Kandi: No, we didn't. We almost did, but we didn't.

XL Girls: Were there other people in there?

Kandi: No, it was empty.

XL Girls: Oh, okay. You had it a little easy then. So do you have a favorite combo when it comes to three-ways? What I mean is do you like boy-girl-girl, or with two guys?

Kandi: I prefer another girl. I'm very into girls. I love it with girls. So I prefer to have another girl with me, preferably with big boobs and a nice ass. That really gets me going.

XL Girls: Actually the last time you were here you shot a three-way with another girl, Alyssa Andrews. Was that your first? I mean, I assume that was your first time shooting a three-way.

Kandi: Yes, that was my first time shooting a three-way but not my first time being in a three-way. Her boobs were huge!

XL Girls: Did having her there take the edge off a little or were you still nervous?

Kandi: I think I was still nervous because she was brand new, too. It was her first shoot, too. So the both of us were first-timers.

XL Girls: Right, makes sense. So speaking of being bi and liking girls, when did you first realize that you liked girls?

Kandi: Probably when I was about 18, when I got out of the house and got to experiment and live my life.

XL Girls: What was your first experience with a girl like?

Kandi: Amazing. [Laughs] It was a lot of fun. She was a girl who had been with girls before so she kind of showed me the ropes.

XL Girls: How did you meet her?

Kandi: Through school. We were in college together. You know, that's how it usually goes. [Laughs]

XL Girls: So you guys just hung out and one thing led to another?

Kandi: Yeah, we had a few drinks.

XL Girls: When you were growing up did you have a strict upbringing? Where you a good girl?

Kandi: Yes, I had a strict upbringing and I was a good girl. I went to school, I got straight As. I started college when I was 16. By the time I was 18 I'd graduated high school, I was working and going to college and I still had a 10 p.m. curfew. I grew up in a very strict house. I never actually got into watching porn until I started shooting for it. I never knew anything about it.

XL Girls: So people who you went to high school with would probably be surprised to learn that you do porn.

Kandi: Yes, definitely. There are few people that know, like my real close friends. But other than that I don't think people know. But if they did find out I think they would be like, "Holy crap!"

XL Girls: When you were in school did you get a lot of attention

“WHEN I GOT INTO PORN IS WHEN I REALLY STARTED TO APPRECIATE MY BOOBS...”

because of your boobs?

Kandi: Yes, I've always had really big boobs. I started developing really young. I've always gotten attention because of my boobs.

XL Girls: What kinds of things would they say to you?

Kandi: Well I was always known as the girl with the boobs. 'Cause there was a bunch of us with the same name, and they would always refer to me as the one with the big boobs. They had a nickname for me and they would tease me.

XL Girls: But it wasn't a big deal?

Kandi: No, not really.

XL Girls: Did you like having big boobs? Or were you embarrassed?

Kandi: At the time, no I did not like them because I was the only girl that had to wear a bra all the time. All my friends could go and wear anything they wanted, but not me. I had to have a bra on, I had to have a tanktop on and something to cover my bra straps. At the time I did not like having big boobs. I hated them. But now I totally love them.

XL Girls: What was the turning point when you started to like your boobs?

Kandi: Once I got out of high school and was able to go out and dress dif-

ferently and show them off a little more. And when I got into porn is when I really started to appreciate my boobs and really started liking my body and everything about me.

XL Girls: Yes, you wrote that you want to take over the world with your boobs! That's pretty ambitious.

Kandi: [Laughs] Yes, that'd be great!

XL Girls: So after four, almost five years in this business, is there anything that you think you know now that you didn't know at first? Has your perception changed at all?

Kandi: I'm a lot more open to different things and trying new things sexually and in relationships. It's really opened my eyes and made me a more well-rounded person.

XL Girls: Has a fan ever recognized you in person?

Kandi: Yes. The first time it was odd because it was at a strip club. He kinda grabbed me and I pulled my hand away and kept walking because I didn't know him. Then he kind of cornered me and asked me, "Are you Kandi?" And I was like, "Yeeaaah." So that was kind of creepy, but after that it's been a lot of fun. I just had one a couple of weeks ago at an airport. He messaged me at Twitter asking me if I

was at the airport and I told him yeah. Then he walked up to me and introduced himself and took a picture. It's a lot of fun. The first time it happened it was kind of scary that someone recognized me. But other than that it's fun. I enjoy it. It lets me know that people like me.

XL Girls: So you like it when they say hi and stuff?

Kandi: Yes, unless of course I'm with my family or something.

XL Girls: Okay, so that's a message to the guys other there. Don't say hi to Kandi if she's with her family.

Kandi: But if I'm not it's fine to say hi!

XL Girls: Okay, so I think I know the answer to this one, but when you go out are you usually the bustiest girl?

Kandi: Yes, usually.

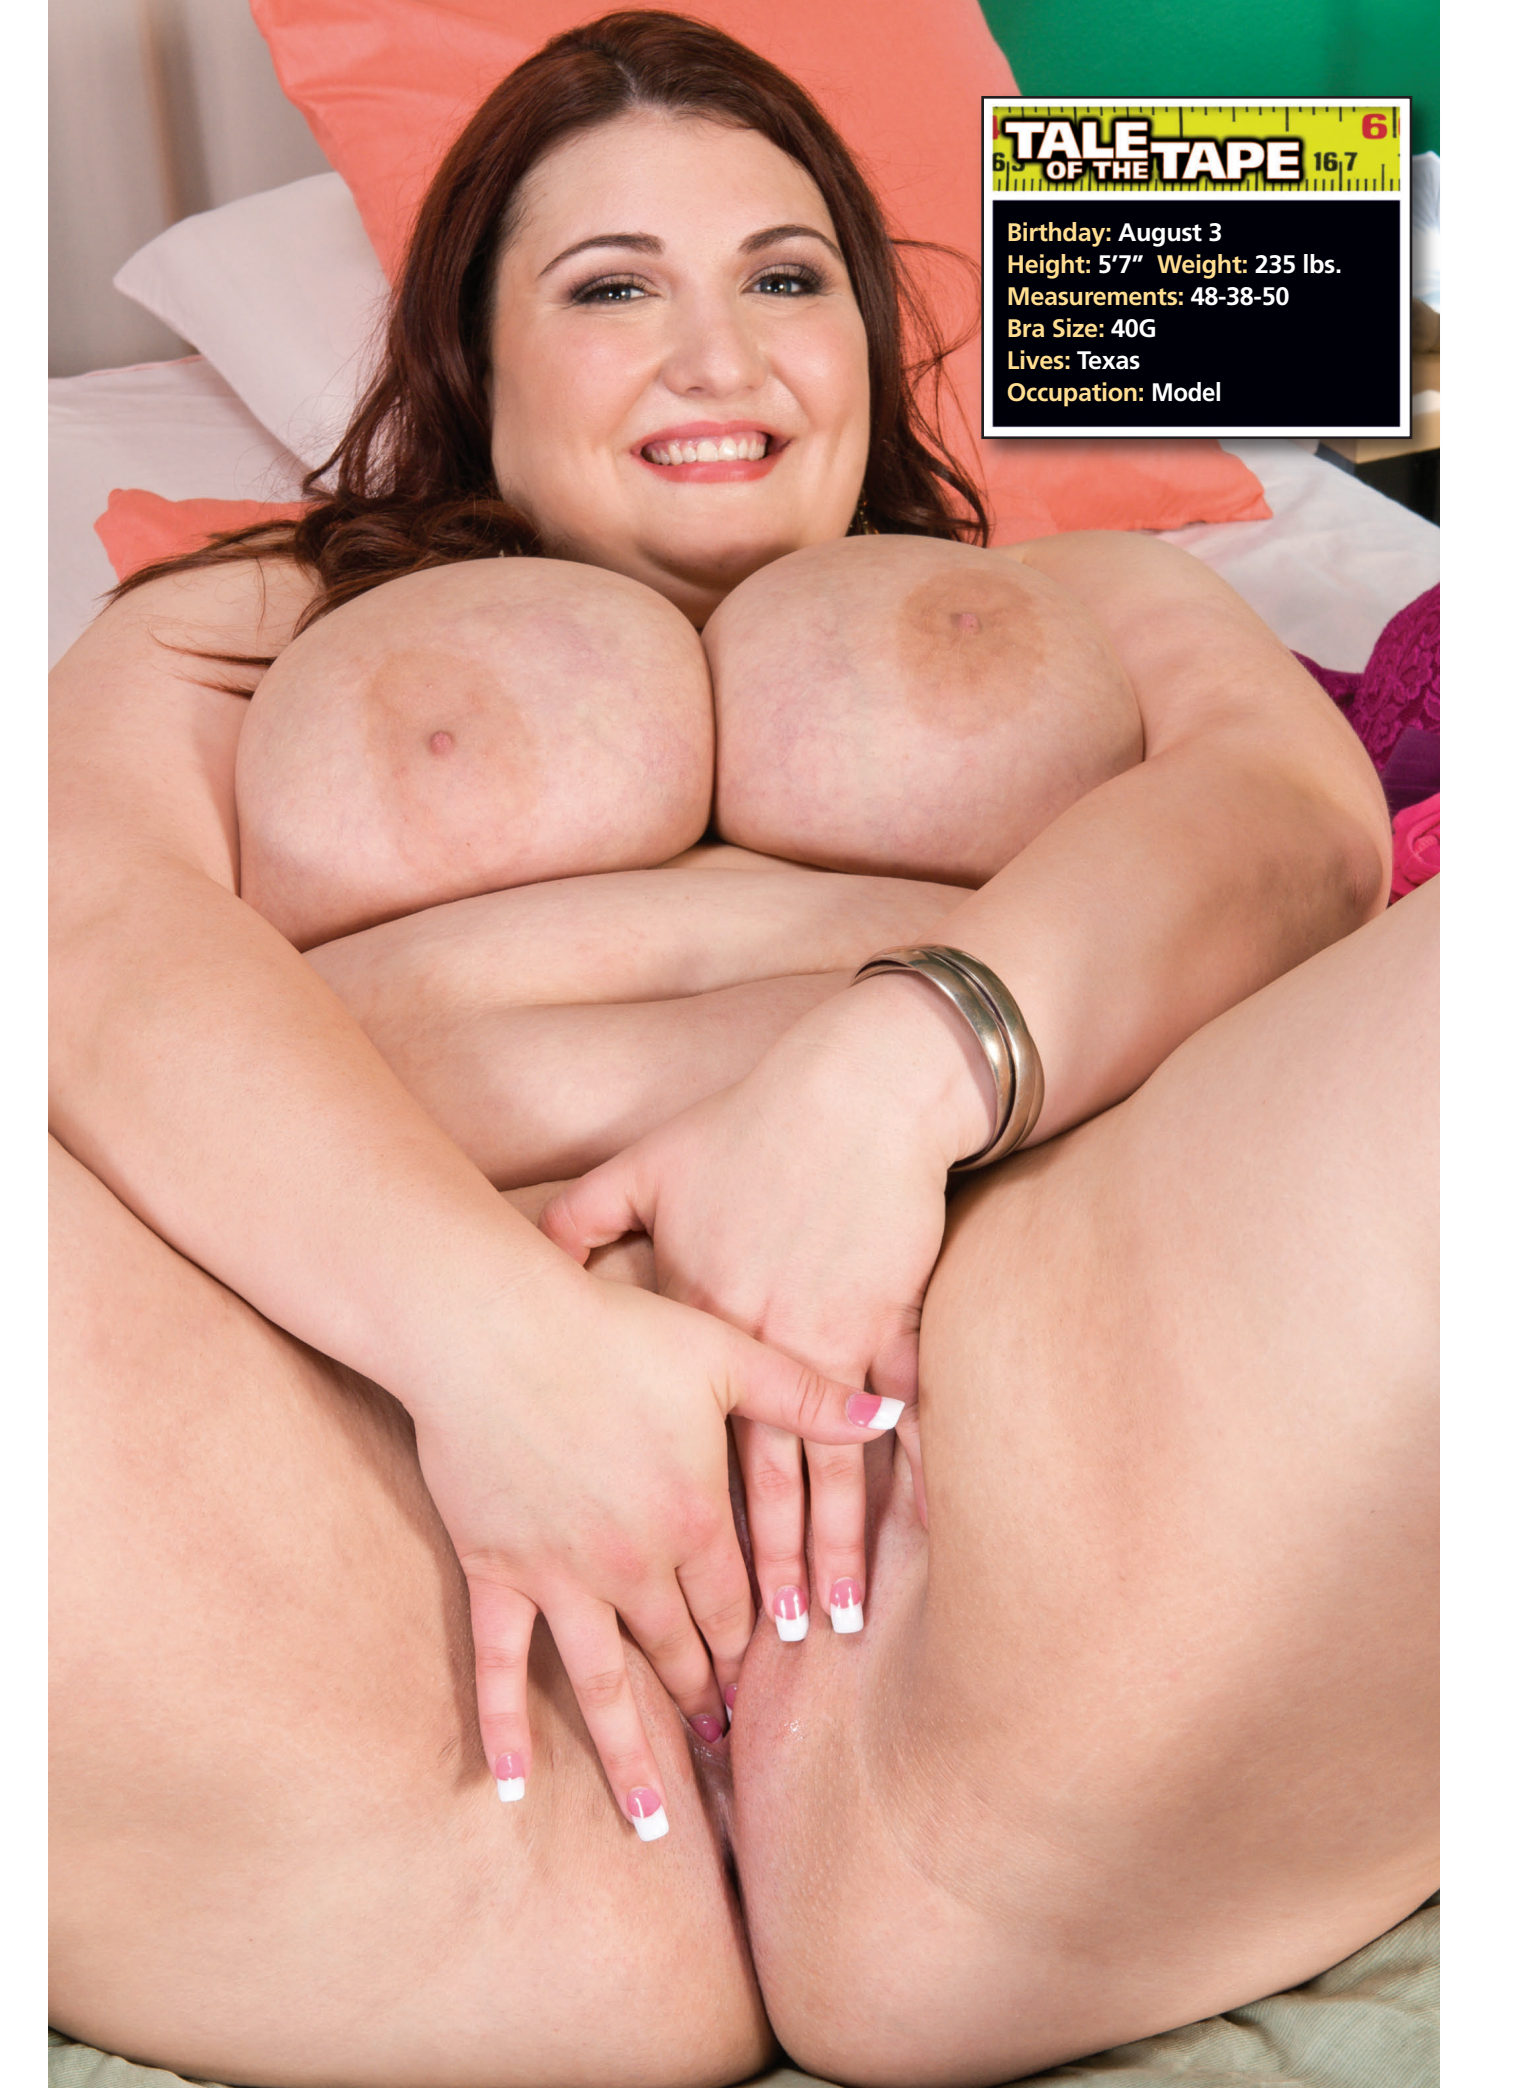

XL Girls: Or do you happen to have a group of really busty friends that you like to go out with?

Kandi: No, not really. I'm usually the bustiest. I hang out at Hooters a lot 'cause they have good beer.

XL Girls: And you're probably still the bustiest girl...

Kandi: And I am still the bustiest girl. Everyone is always like, "Oh, I love your boobs." Nobody believes me that

PREGGO DEBUT

7 Months
Voluptuous, Holiday '12

Lactating
Sneak peek!

Shyla Shy makes a glowing XL debut!

Shyla is well-known in *SCORE* and *V-mag* for being a cute titter who showed us her naughty side in the feature movie *Mamazon*. She's also been in a number of other flicks, including her most recent, *Voluptuous Xtra 14* (available on eboobstore.com). Now, pregnant, bustier than ever and just about ready to pop, she makes her debut in *XL Girls*. We're thrilled to have her, so please make her feel welcome!

Shyla is sharing her pregnant journey with us.

As you can see in the photos on page 34, Shyla shot with us when she was seven months pregnant and again after she had given birth. In this set she was eight and a half months along. Her reason for coming to the studio? "It's fun!" Just like Shyla was about to pop, we knew guys would be popping off loads once they saw her!

Shyla enjoys flaunting her newly engorged milk jugs in public!

Obviously Shyla isn't so shy about showing off her body, even in this very pregnant state. And she's not just showing flesh in the studio. Shyla even went to a water park in a bikini. "I went down one slide and my boob did come out of my top. I just laughed about it."

A woman with large breasts and a pregnant belly is posing for a photo. She is wearing a red beaded necklace and a red beaded bracelet. She is sitting on a white surface. The background is a blue wall.

they're real. They think they're fake!
XL Girls: They look real. But they're so big it might be hard to believe.

Kandi: Yeah, and also I have some bras that give me really big cleavage. They might look fake in those, but they're 100 percent real.

XL Girls: I'm guessing you probably get a lot of attention for your chest when you out.

Kandi: Yes, definitely. My favorite is when a guy is checking me out and he's with his girl. And his girl catches him looking at my tits. I've seen girls smacking their boyfriends and guys running into things.

XL Girls: Do they even try to hide the fact that they're looking at you?

Kandi: No, not at all.

XL Girls: Have you ever intentionally flashed someone?

Kandi: Oh yes. Crazy-girl weekends, driving down the highway and flashing truckers and just having fun.

XL Girls: Have your boobs ever accidentally fallen out?

Kandi: Oh yes. You can't wear strapless bras when you have boobs this big. They always tend to fall out. I was actually at a girlfriend's wedding, and I bent over and my boob fell out. Her husband was the one that saw it. That was a little embarrassing.

XL Girls: Was this at the reception?

Kandi: Yes.

XL Girls: Always stealing the show!

Kandi: It was an accident, I swear!

XL Girls: Don't worry, we believe you. So, how do you like to have your boobs played with?

Kandi: Any way. I love it. I love titty-fucking a guy and putting his cock between them. Those cocks disappear 'cause my tits are so big.

XL Girls: Have you ever made a guy cum just from doing a tit job?

Kandi: Oh yeah.

XL Girls: Do you have any tit job tips?

Kandi: You really gotta squeeze them together and pound the cock.

XL Girls: Is that part of foreplay? Or does it come at the end?

Kandi: It's a little bit of both. Sometimes that's how they like to finish, and sometimes it's how they like to get worked up in the foreplay.

XL Girls: Do most guys want to do

ARIANNA SINN

Every time we see Arianna, it seems like she gets hornier.

Our first impression of Arianna was that she was a classy girl who was trying something that was a little out of character for her. But as we've gotten to know her, it's become obvious that there has always been a little sexual devil inside of her dying to come out. Not that she isn't still classy, but she's really opened up her horny desires to us. Once we saw her do hardcore, we knew that this was no passing fancy for Arianna. "I always loved to have sex, but now I can honestly say that I love to fuck more than ever. Modeling has made me so horny. I am totally comfortable and happy spreading my pussy for the camera."

Arianna has become more sexually open in her personal life as well.

Arianna has always said that she was more conservative in her personal life than she was on-camera. But she's recently reported that she's loosening up a little. "Lately I have been dressing more sexy than usual, wearing tight dresses, low-cut tops and sexy lingerie. I'm starting to like the attention that my body gets me when I wear revealing clothing."

When it comes to posing, Arianna is one of the best pussy spreaders around. It also doesn't hurt that she has an amazing-looking twat!

If you want to see a good spread eagle photo, just look for Arianna. She is a pro at the pussy shot. She knows how to place her fingers so that her clit and pussyhole are perfectly exposed. And you couldn't ask for a picture of a prettier pussy either. Arianna's twat is perfectly pink and completely hairless. It has cute, little labia and a nice, tight entrance. It's always ready for a tongue or cock.

Another great beauty has been brought to us by her generous boyfriend!

Alyson is just your typical girl-next-door. She likes to play video games, watch movies and hang out with her friends. She'd never heard of *XL Girls* before. And if her boyfriend hadn't informed her about our magazine, we may have never gotten the chance to see her amazing body in the nude! Alyson was admittedly nervous shooting for us, as this was her first time modeling. But she really warmed up to our cameras once her clothes had been off for a while. "That was more fun than I expected. I just had to get used to being naked in front of so many people."

XL
DEBUT

A full-body photograph of a woman with long dark hair, a purple headband, and large hoop earrings. She is sitting on a bed with white sheets and purple pillows. She is looking directly at the camera with a slight smile. Her body is very curvy, with large breasts and thick thighs. She is wearing white nail polish.

There's a lot to like about this curvy cutie.

Alyson has a cute face, juicy tits and a sexy, curvy body. But those areolae really steal the show. They are awesomely huge! They're the target on her massive melons, drawing you in for a closer look. "I used to feel embarrassed about the attention I'd get from my chest, but not anymore. I like my boobs and my areolae."

Alyson has done some sexual experimenting, but there's still so much more that she wants to try.

"One of my kinkiest experiences was having sex in a room while other people were asleep in there, too. I don't know if this is kinky, but I also like to do anal. One of my sexual fantasies is to have a threesome, and I would also kind of like to try having sex in public."

XL INTERVIEW

ADRIANA AVALON

SHE'S THE KINKIEST GIRL WE'VE MET YET!

XL
DEBUT

XL Girls: Hello, Adriana. Welcome! Are you ready to answer some perverted questions today?

Adriana: That sounds great!

XL Girls: Okay, where are you from?

Adriana: Pittsburgh, Pennsylvania.

XL Girls: Is this your first time modeling in a studio?

Adriana: This is my first professional shoot but I've been doing it on and off for a year. A little bit of fetish, bondage and glamour nude.

XL Girls: And what's your bra size?

Adriana: 38E

XL Girls: So this might be kind of an unusual question, but do you have any special talents or boob tricks?

Adriana: Well I can stick a beer bottle between my boobs and drink it. It's a fun party trick. My friends like to make me hold things with my boobs, like I'm their coaster or something. The beer has to be pretty full though or else it tips over.

XL Girls: What reactions do you get?

Adriana: People are either really impressed or they think it's the most ridiculous thing they've ever seen.

XL Girls: Those people are just haters.

Adriana: Usually the guys are really impressed and the girls aren't.

XL Girls: That's pretty common. But you don't need to worry because your talents are appreciated here.

Adriana: That's why I'm here!

XL Girls: So do you have any hobbies? What do you like to do in your free time for fun?

Adriana: I make jewelry. I draw sometimes and paint occasionally. I have a dog so I play with my dog. I read voraciously about anything.

XL Girls: You're artistically inclined.

Adriana: Yes, some of the jewelry I made I even brought with me to wear in my scenes.

XL Girls: That's cool. What kind of jewelry do you make?

Adriana: Necklaces, earrings, a lot of beaded, metal things.

XL Girls: Had you heard of *XL Girls* before sending us your pictures?

Adriana: I'd heard of some of your magazines, but as a whole company not so much. But apparently my roommate knows you guys.

XL Girls: How did that come up?

Adriana: I wrote down the information of where I was going to be. And when I told him about the shoot apparently he wasn't listening, but when I wrote down that I was shooting at

“WELL I CAN STICK A BEER BOTTLE BETWEEN MY BOOBS AND DRINK IT.”

The SCORE Group he was like, “Oh that's really cool!”

XL Girls: So you have a guy as a roommate? How is that?

Adriana: It's great. He's like my obnoxious brother or something.

XL Girls: It's just platonic?

Adriana: It's completely platonic.

XL Girls: Have you guys ever heard each other having sex?

Adriana: Oh yeah, definitely.

XL Girls: Have you guys ever walked in on each other naked?

Adriana: Oh, yeah. Well, I had him take the pictures for the submission. He's seen me naked, repeatedly.

XL Girls: He's never tried to bang you or anything?

Adriana: I don't think he sees me like that. We're just friends, and I'm not his type at all. He likes tiny, little blonde girls. And there's no physical attraction between us. Our friendship is completely platonic.

XL Girls: Very few people can get away with that kind of thing.

Adriana: We have a strange relationship, but it works.

XL Girls: Yes, you're proof that platonic relationships between men and busty women can exist. But we don't know how he can resist your boobs.

Adriana: It's okay. I don't have to bang every guy. We're just friends!

XL Girls: Maybe he's gay! Just kidding. So, why did you decide to get into modeling?

Adriana: I had a friend say, “Hey you should try this.” And I'm an exhibitionist by nature, so I really like being in front of the camera. It's fun, it's something I enjoy doing. It's worked out for me so far.

XL Girls: You just read my mind. I was getting ready to ask you if you were an exhibitionist.

Adriana: Totally. Yes, very much so.

XL Girls: Could you give us some more details about that?

Adriana: It's actually been over the last few years that I've started to realize this. I've had sex in an alley by my house while there was a party going on and people were walking in and out. I blew one of my friends on the sidewalk in front of the house. I like being in public and knowing people are watching me.

XL Girls: Have you ever had sex in front of other people?

Adriana: I know I have, I just can't remember when. I'm part of the fetish community in Pittsburgh, so I know I've been at parties and been in in-

volved in things that people were watching. But I don't always remember exactly what happens at what time or event.

XL Girls: Tell me more about the fetish community.

Adriana: It's a big community. We do stuff every month and we have play parties. I'm really into restraint and bondage. I tend to be submissive for the most part. I like breath play.

XL Girls: What's breath play?

Adriana: It's basically being choked. Within safe limits of course.

XL Girls: Oh, wow!

Adriana: I like wrestling. I like basically anyone trying to hold me down. I mean, I'm a big girl. I'm almost six feet tall. So anyone that can hold me down by force, I think that's really hot.

XL Girls: You said you tend to be submissive. Is that generally when you have sex or more when you're doing fetish play?

Adriana: It's more in the sexual sense that I'm submissive. On a day to day basis I'm not going to be like, ok whatever in a submissive way. When it comes to sex I generally like a guy who is going to be more dominant than me.

XL Girls: Do you like to dress up?

Adriana: Oh, I love to dress up. It's my favorite thing.

XL Girls: What kind of things do you like to wear?

Adriana: Sometimes we'll have theme parties. At my house I have two roommates. The guy I've lived with since I moved to Pittsburgh. And we just got another roommate. They're both kinky, too. So there's a lot of kinky stuff going on.

XL Girls: Did you meet them through the fetish community?

Adriana: Yes. So we'll have parties all the time. And we like to have theme parties. We've had a superhero party. We've had

Halloween parties. We just had a Mad Men-type 50s and 60s themed party. So I like to dress up for those. Sometimes we'll just have kink events and people wear leather or black. I've seen people in the full latex body suits. I can't do those 'cause they're too freakin' hot. So yeah, any excuse to dress up I'll take it.

XL Girls: At the kink parties, what kind of things go on?

Adriana: It depends on the party. Almost inevitably somebody gets tied up. And I have a few friends who are riggers, which are people who like to tie other people up. I've been suspended from the ceiling a few times so that was fun. We have holes in our ceiling for it. I must sound like a complete freak saying this!

XL Girls: No way! This is interesting!

Adriana: We have suspension hoists in the basement. You can put a carabiner through there and put a rope through there and suspend people. It's like a harness. So you're actually off the ground.

XL Girls: When you go out to the movies or the mall how do you dress?

Adriana: I usually dress pretty casual. I like to be comfortable. But I do tend to wear something that accentuates the boobs like a low-cut shirt. That's about as sexy or slutty as I get.

XL Girls: Anything that shows off the boobs is good.

Adriana: Yeah, as long as the girls look good, I'm happy.

XL Girls: Have you ever flashed anyone in public?

Adriana: Oh yeah. But it's been quite a while. The last time was probably when I was in college.

XL Girls: What happened?

Adriana: Well I grew up in Missouri. And the big thing to do is go on float trips. So you get a big raft and float down a river and drink beer. And I think the last time I flashed people was on a float trip.

XL Girls: So there are other floaters around too?

Adriana: Yes. There were a lot of people. I feel like half the world has seen my boobs at this point.

XL Girls: What kind of guys do you usually go for?

Adriana: Definitely intelligent guys. Tall. [Laughs]

XL Girls: Yeah, I was going to ask how the height thing was working out.

Adriana: It makes my life so difficult.

I've dated guys shorter than me, and it's kind of weird making out with a guy who's shorter than you. And they've said it too, that it's weird. So I like guys that are least my height or taller. And I tend to go for guys that are physically bigger just because I like guys that I know are stronger than me. I go for guys who are more dominant, and it's hard to see them as more dominant if I feel like I can pick them up and throw them.

XL Girls: How tall are you?

Adriana: I'm pushing six feet without heels on. And I like to be able to wear

heels sometimes, so tall guys are good.

XL Girls: Are you into girls?

Adriana: I'm open-minded about it.

XL Girls: Have you ever fooled around with a girl before?

Adriana: Yeah. I went through a sex in multiples phase in college, where I would have threesomes and foursomes. And there was usually at least one other girl involved in that.

XL Girls: Tell me about the dynamic with threesomes and foursomes.

Adriana: I don't even know how it got started. It was usually me and one of my roommates at the time—they were

**"WHEN IT COMES TO SEX I
GENERALLY LIKE A GUY
WHO IS GOING TO BE MORE
DOMINANT THAN ME."**

all girls—and one of my guy friends. Actually, I think it started with me and two guys. It was a good friend of mine from high school and one of his frat buddies. We got drunk one night and the frat guy was like, “I bet you wouldn’t sleep with the both of us.” My friend was just like, “You can’t just dare her to do stuff like that ‘cause she’ll do it.” So that’s kind of how it all started.

XL Girls: With a challenge!

Adriana: Yes, a challenge! I like those. Once my roommate found out about me doing both of them she was like, “I want to play!” So we got her in at a later time and ended up rotating different partners and going through different configurations.

XL Girls: When you did the foursome was it like two couples having sex next to each other?

Adriana: Usually it was like two and two and then we switched. Then four

all together. But we only tried it once because it was too much. Even with three, when it’s with two guys and one girl, it’s a lot of work.

XL Girls: Especially for you!

Adriana: Yes, I was like this is crazy! If it were all the attention on me then I’d like that. But having to give to two guys is a workout.

XL Girls: So the only time you had a three-way was with those two guys?

Adriana: Well that was the only three-way with two guys. It was just way too much work.

XL Girls: Have you ever had a three-way with another girl and a guy?

Adriana: Yes, that was much better. Not so much work.

XL Girls: So you like that combination better than two guys.

Adriana: Yes, and he did, too!

XL Girls: [Laughs] I wonder why! What’s the largest number of people you’ve had in a group sex situation?

Adriana: I think four was the most.

XL Girls: Yeah, because five people would get tricky.

Adriana: Right. With five I think you’re in orgy or gang-bang territory.

XL Girls: Would you ever do an orgy or a gang-bang?

Adriana: Oh, totally. I have a friend who really wants me to do a gang bang with his friends. Except one of the guy’s appendix burst and he’s in the hospital, so we have to wait till he gets out and is better.

XL Girls: That’s very considerate of you. What is it that attracts you to the idea of a gang-bang?

Adriana: I think it’s that I’m not in control. Since I tend to be submissive by nature when it comes to sex, I like the fact that I’m giving up that control. I wouldn’t want to just do it with a bunch of random guys, but people I’m friends with or someone who I’m willing to give that control to who is ar-

ranging it. I think that would be pretty hot. As long as it's a safe setting and someone that I trust is setting it up.

XL Girls: What do you think is the kinkiest thing you've ever done? I mean I know you have three-ways and foursomes and kinky parties to choose from.

Adriana: I guess it just depends what your definition of kinky is.

XL Girls: In your opinion.

Adriana: I think probably having sex in the alley while everyone was going back and forth from the house. Just because people could see us, including my landlord who lived there. I think that was one of the kinkiest things.

XL Girls: Did anyone say anything to you about it?

Adriana: No, surprisingly no one said anything to me.

XL Girls: Have you had sex in public other times?

Adriana: I've had sex in public other times, but that was the most fun.

XL Girls: And you've never been caught having sex?

Adriana: No.

XL Girls: Okay, well moving along, when it comes to oral sex would you rather give or receive?

Adriana: Honestly my favorite is doing it at the same time. But if I had to chose, receive.

XL Girls: Do you have a favorite position to have sex?

Adriana: It usually depends on the guy, but I really like doggie and I really like cowgirl.

XL Girls: When did you start to develop your boobs?

Adriana: Far younger than I wanted to. I was probably 12 or 13 that I really remember thinking, God my boobs are bigger than everyone else's. By 16 I was definitely very large chested. But by middle school I already had pretty large boobs.

XL Girls: Would people make comments to you about them in school?

Adriana: Every once in a while. When I was younger it was more behind my back. I don't remember a whole lot of teasing from high school, but I was also very reserved and quiet in high school. I was a nerd. I was a good girl. I didn't do anything wrong in high school. In college, that was a different story. I went to college with some people that I went to high school with. I started drinking and going to parties. And after going to these parties and

seeing these people I went to high school with, the guys were like, "Oh yeah, we always wanted to see your boobs." But at the same time it was like, really? You wouldn't even talk to me in high school and you wanted to see my boobs? I don't think so!

XL Girls: Were you ever embarrassed about having big boobs?

Adriana: No. They weren't quite as big in high school. They've gotten bigger as I've gotten older and gained a little bit more weight. But I mean they were still DDs in high school, but I'm almost six feet tall so I look more proportional. So I don't remember it being a big deal.

XL Girls: You mentioned that you were shy and reserved. What do you think made you open up more?

Adriana: Part of it was that I went away for college. I studied abroad for a semester and I got to see the world and loosen up a little bit. I started meeting people that were not as sheltered as I was. I started expanding my world view.

XL Girls: That's awesome. Where did you study abroad?

Adriana: London.

XL Girls: Was it party time over there?

Adriana: Some, but a lot of it was just seeing so many different cultures and seeing so many different things. I had to spend a week on a topless beach in Spain and that was just amazing.

XL Girls: Where you topless?

Adriana: Yes, and I burned my poor boobs! It was a great experience except for the sunburn.

XL Girls: I can't even imagine that. Did anyone try to take a picture with you when you were topless?

Adriana: Really the only people that were obnoxious were the other Americans that were there. The Europeans that were there didn't care because they're used to it. But there was a group of guys from Minnesota and that was the only time I felt uncomfortable being topless.

XL Girls: Did you have any flings while you were in Europe.

Adriana: No, not really. I was just soaking up the experience. We were with a bunch of other American students though so we were mostly hanging out with them.

XL Girls: Do you think you would ever go to a topless beach here in the

United States?

Adriana: Sure, why not? I'd wear sunscreen now. I know better.

XL Girls: Have you ever used your chest to get something that you want?

Adriana: Of course. I've never used them to get out of a traffic ticket. But I know what I look like. I'm not gonna hide the fact that I have big boobs or pretend that I'm not an attractive woman to not get something. I'm not going to downplay my appearance if it's going to get me somewhere. I know I've gotten free drinks because of my boobs. There was this bartender at this bar that I used to go to in college that just loved my boobs and would always give me free shots. So whenever I went to that bar I'd make sure to wear a really low-cut top.

XL Girls: With guys, are you a size queen? Does it matter to you?

Adriana: No, not really. I mean, if it's like two inches then that could be a problem. But other than that, no.

XL Girls: It's more what he does with it, right?

Adriana: Yes, pretty much. And a talented tongue can go a long way.

Molly Howard Threesome

It can be easy to forget how young Molly is. She only just became of legal drinking age and just got her braces off. To celebrate her cumming of age, this supple spring chicken is taking on two cocks. She's certainly got plenty of tit-meat and a hungry enough pussy and mouth to handle them both, which she does with ease. We love watching Molly Howard grow up right before our eyes.

To make this scene even hotter, Molly wanted to wear this full-body fishnet suit. It seemed like the perfect outfit to transform her from a bubbly 21-year-old to a bold, horny, two-cock-fucking seductress. She was confident in her ability to keep up with these two hung studs, and expertly managed their cocks—guiding one to her tits when her mouth was busy sucking the other. There were no lulls or breaks in this fuckfest. Molly's mouth, tits and pussy were occupied the whole time.

We think Molly is the epitome of a big-girl sex fantasy, especially in this scene. She's hot, curvy, stacked and dressed to fuck. She doesn't just lay there and get screwed. Molly bobs her head as she sucks cock and grinds her hips as she takes a hard pole deep in her pussy. She is proactive about cumming and making these two guys cum. "A guy's orgasm is just as important as my own," she said. Molly must've felt good at the end of this scene, then, because both studs blew great, big loads all over her tits.

ADRIANA AVALON

Continued from page 69

XL Girls: Is there anything you want to try that you haven't? I know you mentioned the gangbang...

Adriana: There's that. That's probably the main thing.

XL Girls: As far as sex goes, that's a pretty big accomplishment. How do you feel about anal?

Adriana: It's not really my thing. I've done it, but it was a birthday present for a former lover. It's usually held in reserve for something special. Some people really like it, but it's just not my thing. I know some guys who like to have it done to them. I have a strap-on so I can do it to them if they want to.

XL Girls: A strap-on! How often do you use it?

Adriana: I actually haven't gotten a chance to use it yet. One of my friends with benefits really likes it but I haven't broken it in yet. I hope he never reads this!

XL Girls: You never said his name!

Adriana: That's true. It could be several friends with benefits.

XL Girls: How do you feel about titty-fucking a guy?

Adriana: I actually never really get asked to do that! I would be interested to do it more though.

XL Girls: Do you watch porn?

Adriana: Occasionally. I prefer sex!

XL Girls: Do you masturbate a lot?

Adriana: Yes.

XL Girls: Do you have any special toys that you use?

Adriana: Yes, I have a regular dildo vibrator that was a birthday gift from one of my friends. Because my friends are crazy people. And then I have one of the magic bullet vibrators with the rabbit ears on it. It works most of the time. I already broke one of them.

XL Girls: Do you have a favorite place to masturbate?

Adriana: Usually the shower.

XL Girls: Where is your favorite place to have sex?

Adriana: Wherever I can. I don't know if I have a favorite place, because to me the place isn't as important. If it's a novel place, but other than that it isn't that important.

XL Girls: Well, Adriana, that's all we have for you. This has been a very interesting interview. Thank you!

Adriana: I can't wait to read it!

KACEY PARKER

Meet newcomer Kacey Parker. She is one big, bad girl!

Kacey is a wild child who loves to suck cock and show off her big tits. In other words, she's the perfect girl to feature in XL! When we spoke to her, there was no need to poke or prod about her personal life. She was very up-front, a quality we definitely appreciate. "I love dressing like a slut. Boobs just everywhere! I'm not ashamed to admit I'm an attention whore. I love it when wives catch their husbands staring at my large, youthful tits!" Kacey says this with a giggle because she's perfectly aware of how seductively naughty she is. When it comes to special talents, Kacey says hers is titty-fucking and sucking cock at the same time.

XL
DEBUT

This 38H-cup hottie says that doing porn is the most fun job that she's ever had.

Here at *XL Girls*, everyone is passionate about what they do. The girls love to get naked and fuck on-camera, and the guys love to watch it. Kacey digs the work environment, too. "I get paid to do what I love. Can't complain." What else does Kacey love? Dancing, going to the beach, camping and pulling pranks on friends. She is also a big fan of masturbating. "I get myself off at least twice a day. Once in the morning when I'm in the shower, and at night before I go to bed." With such a delicious-looking pussy, how could you not want to touch it at least twice a day?

A full-page photograph of a woman with large breasts and a tattoo on her hip, posing on a couch. She is smiling and looking at the camera, with her hand near her mouth. The background is a solid blue color.

**Kacey is capable
of starting a fire
in your pants.**

"My kinkiest sexual experience was when I had sex with a fireman on duty in the fire truck at his station." This doesn't surprise us, as Kacey seems like a pro at handling big hoses. Just not in her butt. "I love to fuck and suck cock and balls, but a finger is all I can handle in my ass. I would like to try anal soon though."

that with you?

Kandi: Yes, most do. They can't resist my big titties! In fact, I can't think of a guy who hasn't wanted to fuck my titties. I think I would almost be offended if they didn't ask.

XL Girls: We can see why. Your rack should be fucked! And speaking of being fucked, how do you feel about anal? Like it? Hate it?

Kandi: I don't mind licking or touching but I don't want anything to go in. My butt is really tight so it can't handle anything too big going in there.

XL Girls: So you don't mind a little salad tossing?

Kandi: No, that's fine.

XL Girls: With your boobs, you don't mind if someone plays with them a little harder or rough? Your nipples aren't too sensitive?

Kandi: No, not at all. I love it. They can bite 'em, pull 'em. They can pretty much do anything. It all feels good.

XL Girls: Do have any fantasies that you haven't done yet that you would like to try?

Kandi: Not off the top of my head. Whatever I feel like doing I do.

XL Girls: There is that masturbating in public thing.

Kandi: There's that, and I think eventually I'll try anal. It's just not something I'm up to right now. But I'm sure I'll get to it eventually. At some point in my life I'm probably going to be like, okay, I'm ready for anal!

XL Girls: What do you think is the best thing about having big boobs?

Kandi: Getting to show them off. Getting to wear those low-cut shirts that girls with no boobs can't wear. Just filling in a shirt and feeling sexy.

XL Girls: What do you like to do in your free time for fun?

Kandi: I'm a big computer nerd. I like to take care of my computer and play video games.

XL Girls: Do you have one more scene left today or are you all done?

Kandi: I'm all done. I'm getting ready to head back to Texas.

XL Girls: Ok, well that's all we have for you today. Thank you for being so awesome!

Kandi: Thank you, it's always a pleasure to be here! I hope I'll be back to see you soon.

Samantha 38G & Tony

Oh, Samantha! How we love you, let us count the ways. We love your beautiful face. We love your amazingly big tits and your juicy ass. We love the way you suck cock and how you cum when you're getting fucked really good. We love your Southern accent. We love reading your Twitter feed. And now we are so happy to finally be able to say we love the way you do anal!

We know it's hard to believe that after all these years in the business, Samantha never let her ass get fucked on-camera until now. But that makes this scene all the more special. "For a long time anal was something I only did in my private life," Samantha said. "But I decided that it was time to share it with the world. I was finally ready."
