Charlie Loves Chocolate

Dear XL Girls,

Hi! I just had to comment about Charlie Cooper's layout in the Nov. '12 (SP236) issue of *XL Girls*.

When I opened this issue to check out the contents I immediately saw Charlie Cooper's layout listed. So I quickly turned to it and I wasn't disappointed. Charlie is one of my favorite models. She's what being an XL girl is all about. Big, sexy and beautiful with such a curvy body, awesome rack and really nice booty. Seeing her in an XXX-rated interracial layout was X-tra hot and sexy. I do recall Charlie (in a V-mag layout) saying that she loves watching interracial porn with BBWs. Since then I'd hoped she would go interracial, and I'm so glad she did. I applaud Charlie for being so upfront about her love of black men. Looking at her layout, it is very obvious. I've never seen Charlie look so lusty, sexy and beautiful. What a turn-on! From the first steamy

scene till the last, this layout is in my opinion one of the best to ever appear in *XL Girls*.

Charlie looks great with her huge 38Gs wrapped around a hard cock, and she looks even better sucking cock! Charlie looks incredibly hot and sexy being stuffed full of big, black cock in a nice variety of positions. The last scene—a big cum facial—is extra hot. This layout has it all. Thank you, Charlie! Charlie and her lover show us how awesome interracial is. I want to encourage Charlie to do more XXX-rated interracial stuff. Also, I'd love to see Charlie with two black men in a XXX-rated interracial layout. I think it would be very hot and sexy!

Keep up the great work. *XL Girls* is really an awesome magazine. I love it!—P.S., Bethel Park, Pennsylvania

Never Enough

Dear XL Girls,

Two years ago I had never heard of *XL Girls*, let alone seen a copy. While I was browsing the [ebooobstore](http://ebooobstore.com), I saw the covers of some of your back issues that I really liked—the Jan. '08 issue featuring Savannah Phair really impressed me. (That issue is still one of my favorites.) Your magazine is outstanding and fills a niche that needed filling. Since I didn't want to risk missing an issue I subscribed. Probably like a lot of your readers, I wish you would publish monthly. I also subscribe to *40Something* and buy *50Plus* and *60Plus MILFs*. So I get 10 issues a year. With *XL Girls* it's only six issues a year—not enough.

A little while ago I was going through another favorite issue (Nov. '11 SP218) which features three of my five all-time favorite models—Lisa Canon, Danica Danali and Twilight Star—and soon my cock was oozing precum. The photo of Twilight being

Savannah Phair graced the cover of one reader's favorite issue—Jan. '08.

butt-fucked almost got me off, but I managed to hold off until I saw Danica on pages 84 and 85, and then I shot off. Two other of my very favorite models are Julia Juggs and Bailey Santanna. You could feature these models often and I would be happy. You haven't featured Twilight since Nov. '11 and I, for one, want some new photos.—Anonymous, Sacramento, California

Survey Comments—Part I

Dear XL Girls,

It is not very often I feel compelled to write in, but once I saw your survey I felt it was time to add some comments to your outstanding efforts in bringing hot, larger girls to print and multimedia. You no doubt have many eager men across North America blowing loads all over the place at the sight of these hot, hot women. I wanted to expand on some of the questions asked in the survey and share a few of my own experiences that you people

Charlie loves to get white cream from black cocks all over her tits!

Analee is just as famous for her large, juicy bubble-butt as she is for her big tits. Everyone loves a girl who's stacked both up and down below!

in part have shaped.

Desire Monet, Analee Sands and Charlie Cooper all have a friendly "Let's get to fucking" look to them that constantly gets my cock rock hard as soon as I see them. You should have a spread completely devoted to Analee's ass. It is a world class booty!

Much like Reuben, you have done the modern day equivalent of pictorializing what he did so long ago on the canvas. Do not fall victim to thinking a plumper would be less attractive. At the very least, it would be nice to feature one per issue.

It was great seeing Charlie get pounded by some black dick, and her ass shots were fantastic! As a compliment to that, picture Betty Blac getting proper ass worship from a lean, white guy like me, tonguing her ass while hitting her G-spot with my fingers. As a 48-year-old male I have a growing appreciation for large, curvaceous asses that otherwise are frowned upon by mainstream media. Black and Hispanic asses are to be properly worshipped! What a waste otherwise! Your publications have likely done more for racial harmony than any government program.

It is always a huge turn on when a girl takes an interest in uninhibited masturbation. There is nothing better than happening upon a big girl with a dildo in her ass, pussy or clit, looking to get a little freaky.

Shaved pussies are the way to go. It allows for full admiration of the prettiest butterfly. Big props to Asha—what a find!

I know for some girls eating is a turn on, but I do not like to see anyone degraded. Having shared your magazine with several beautiful bigger girls who almost immediately felt empowered by your magazine, seeing themselves in positions of sexual attractiveness and authority, the food shots are always a turn off! I am sure you could grow your market share by making bigger girls aware of your mag as it in a small way is the equivalent of "Cosmo." You just celebrate the realistic image of today's woman and not an unrealistic, unattractive image that I can't see sucking and fucking the way any big girl does.

"Cosmo" and the North American culture have done a tremendous disservice to bigger girls by making them think they are unattractive and undesirable. And that implies that it is odd or strange for men to be attracted to them. Completely and utterly untrue! I haven't seen you folks turn out an issue yet that hasn't left my cock drained of cum.

Having played semi pro basketball in France and Germany for two years, I can tell you that the best sexual encounters I have had have been with beautiful, hot, larger, uninhibited women who licked, sucked and

Worship Betty

Dear *XL Girls*,

Betty Blac is a Nubian goddess with a body that deserves to be worshipped. Her face is so lovely and inviting. Her curves are delicious. I love how she is holding up her tits to me on page 36, as if saying, "Here, these are for you." I was also intrigued by her story. I see that she likes to be tied up and that she enjoys watching men jerk off. She would love me then; I jerk off all the time! I certainly spent many hours jerking off to her spread, pink pussy and chocolate tits. I thoroughly enjoyed fantasizing about what it would be like to fuck Betty's mouth, tits and pussy. I'm glad she came to realize that she likes cock! Hope to see her in a hardcore layout soon.-F.F., via email

No issues with this issue

Dear *XL Girls*,

I've written to both *SCORE* and *Voluptuous* before, but I think this is the first time that I have written to *XL Girls*. The Nov. '12 issue (SP236) is so fantastic that I had to take time out to express my appreciation.

I tend to be very critical about the nudie magazines that I read. I am

interracial hardcore scenes. Plus, I've been told that redheads love big, black cocks! I really hope Trinity ends up doing interra-

months. They are:

Most gorgeous hanging/sagging tits: Sarah Rae.

Most exciting hardcore layout: Charlie Cooper.

Best two-girl layout: Micky and Natalie. Most two-girl layouts have one exciting model and one not so exciting one. Mickey and Natalie are both world class.

And finally, I have to admit that I love the taste of pussy and I always fantasize about how each model's pussy would taste. In the November issue I think Betty Blac and Marilyn Mayson are tied for the most mouth-watering twats that I have drooled over in recent months. I would have to actually taste them to judge between them. But I guess I'll have to leave it a tie. Compliments to all of you.-R.N., via email

Tell Trinety to Go Black

Dear *XL Girls*,

Trinety Guess is the perfect model to ride a big, black cock. Her porcelain skin and plush body would be perfectly complemented by a giant chocolate rod penetrating her pink pussy. I would love to see her swallow a black cock then take it up her ass. Trinety was built to take black cock. I love seeing girls like her in

Fancy Fuzz

Dear *XL Girls*,

Elaina Gregory demonstrates super sexy poses for bushy girls (Aug. '12 (SP232) issue). I love to see tiny panties or swimsuit bottoms with fuzz showing. In that denim miniskirt shot, even with her hand there, her fuzz is showing very fancily! Please have all the bush girls pose like her in micro-mini skirts or short-shorts. Do shots of the girls bending over, lifting their legs, etc. On a few poses have a helper sneak in and tug a pussy flap out of the bush.

I love the super slick shaved cunts too. How about an *XL* beauty shop special? Have bushy *XLs* seat themselves upside down in a shop chair with their knees over the chair back, pussy bush up at working height for trimming, shampoos, buzz cuts or maybe even bleach or dye. For a finishing touch have a stylist sprinkle some glitter on the pussy and crack and upside down tits.

A former girlfriend got a hairstyle with glitter in it. After a while it was on her eyelashes, makeup and down her neck. By the time we started fucking it was quite a sight. Her tanned tits-big, loose 38Cs-were sweaty and

had a lot of glitter stuck on them. I was a gentleman and massaged it into the tits at full pressure. It was fun and a super turn on. XLs would be the ultimate glitter gals so try some glitter crotch with slick slits and bushy girls and big glitter tits specials.—B., Las Vegas, Nevada

XL Fantasies

Dear XL Girls,

I love the idea of a well-written fantasy about BBWs. Like the chubby neighbor with nice, big tits who you meet in the laundry facility, and you can't help but stare at her nipples as they poke through her silk shirt. And she can't help but notice the growing bulge in your pants. Then naughty things happen right there in the laundry room. Or your chunky babysitter who doesn't know how to appropriately dress for her growing body (yes, she's 18), which you thank god for. The huge ass in front of you at the grocery store—be it MILF or sales clerk—who you strike up a conversation with. Then it turns into feeding her at her place and very intense magic happens. Your cuckolding wife who knows black dudes love her chubby body, and you let her take on three black cocks.

There's your plump, sweet cowork-

er with a British accent and a better body image and more self-confidence than the American girls who complain about their perfect, chubby bodies. She always catches you staring down her shirt, so you make out and fondle her crotch in the bathroom at the corporate Christmas party, spawning the moniker "DJ Giggle Britches." The Eskimo rapper artist girl you had a fling with in the early stages of your new relationship and felt horrible about but couldn't help because she had enormous F-cup sweater puppies! Your naughty ex-girlfriend you kept sleeping with well into your new relationship because the sex was so amazing, and she has the most amazing little, chubby body with huge G-cup tits.

The tall, Amazonian blonde with the huge, chubby boobs pushed up into her neck who snorts when she laughs. You always see her at the bar, and you send her a link to the [Scoreland](#) website because you absolutely know the rest of your chubby-chaser friends online would love to see her gorgeous face on *XL Girls*. You happen to actually sleep with her immediately after breaking up with your girlfriend, and her huge, tan ass is even better looking in real

XL INTERVIEW

NIKKI SMITH

COPS CAN'T STOP HER FROM CUMMING!

XL Girls: Welcome, Nikki. It's great to meet you. You seem happy to be here.

Nikki: Yes, I am. This is my second time shooting for you, and I'm looking forward to it.

XL Girls: Where are you from?

Nikki: California.

XL Girls: And how were we lucky enough to get you in here?

Nikki: I started as a webcam model and created a Twitter account for that. And The SCORE Group found me. And now here I am!

XL Girls: Obviously you have big boobs. What's your cup size?

Nikki: 38H.

XL Girls: You've had big boobs for a long time, right?

Nikki: Yes.

XL Girls: In your model form you mentioned that you were a dancer and cheerleader in high school. What was that like having such big boobs?

Nikki: It was definitely interesting. It took a lot of bra support, like doubling up on sports bras just to keep 'em down so I could be athletic. They looked cute in uniforms though.

XL Girls: I bet! Were you the favorite cheerleader? I'm assuming you got a lot of comments and attention for being a busty cheerleader.

Nikki: Yes, I did. I was popular, but my tits were even more popular. But I think I got more comments when I was younger. Just because it was so out of the ordinary for girls to have boobs at that age. But I didn't mind too much. I kind of like the attention.

XL Girls: Well there are plenty of guys who'll give it to you here! Are you still flexible from your cheerleading days?

Nikki: I used to be. I'm sure I could be if I stretched.

XL Girls: Is that something you use during sex? Like, doing a split on a guy's cock or something?

Nikki: No, I haven't done that. But I'm going to try it now that you mentioned it to me!

XL Girls: You said that your special talent was giving head...

Nikki: Yes, I love it!

XL Girls: How do you think you learned to give good head?

Nikki: Honestly, I started watching porn. The first thing I learned from porn that I was really excited about was how to put a condom on a dick without using my hands. I was really proud of myself when I mastered that. That was a big step in my sex abilities.

"IT TOOK A LOT OF BRA SUPPORT, LIKE DOUBLING UP ON SPORTS BRAS..."

“DEFINITELY TAKE IT DEEP. GAG YOURSELF IF YOU MUST. IT’S AWESOME; THEY LIKE IT.”

XL Girls: What is your method for giving a good blow job?

Nikki: Definitely take it deep. Gag yourself if you must. It’s awesome; they like it. Not too much hand, but a little bit. More so on the balls than the dick. And enjoy it. Don’t suck dick if you don’t like it. It totally ruins it. If you enjoy it, they enjoy it. If you don’t enjoy it, they don’t enjoy it as much.

XL Girls: That’s probably the most important thing, to enjoy it.

Nikki: It is!

XL Girls: So we heard that you’re something of a voyeur...

Nikki: A little bit.

XL Girls: What are some public places you’ve had sex?

Nikki: Just about anywhere in my hometown. I’ve been in some car or some back seat all around town. But right now my favorite place is about an hour and a half away. It’s this really beautiful river with a waterfall.

XL Girls: Do you live near the beach?

Nikki: No, I don’t.

XL Girls: So are you ever in a bikini?

Nikki: Well we have a few lakes and rivers. But I’ll put on a skimpy, little bathing suit and lay out. But speaking of beaches, that’s actually where I lost my virginity.

XL Girls: Was this in California?

Nikki: Yes, in San Diego.

XL Girls: So what happened?

Nikki: I actually met a boy on vacation. It was for one of my birthdays, and my parents decided that they were going to let me go back and visit him. So my mom took the motor home down, and he stayed with us in the motor home. My mom was in the motor home, too. So one night we went out to the beach to watch the sunset and had a little fire and blanket. And we had sex, did the dirty!

XL Girls: That was nice of your parents to facilitate that!

Nikki: Oh, they had no idea.

XL Girls: Wow. That’s the stuff dreams are made of. Have you ever been caught having sex?

Nikki: My dad did catch me having sex. It was bad. It was at my house. I played hooky from school and walked home. I had a boyfriend with a really hot car so I invited him over. My dad had left to work probably about half an hour earlier. And sure enough, just long enough for us to get naked and get going, he walked right back in the front door. He saw my boy’s car outside so he knew exactly where to go. We got in a lot of trouble.

XL Girls: I can imagine. I would have died of embarrassment!

Nikki: It was pretty mortifying.

XL Girls: Well, on to less embarrassing topics. You also mentioned that you’re into skydiving. Are you kind of an adrenaline junkie?

Nikki: I never thought I was. I was terrified of heights, and my sister wanted to go skydiving for her 20th birthday. It was a big fiasco, and I refused to go. I said no way, there ain’t no how. Well, my dad ended up buying my ticket, a friend’s ticket, and basically paid for it up front. That’s a lot of money to shell out, so I sucked it up and went. I was scared shitless, but it was amazing. It was so much fun.

XL Girls: This is going to be a hard question to answer, but which do you think is better, having an orgasm or going skydiving?

Nikki: Oh wow, that is hard to answer. They’re totally different sensations. I don’t know if anything can beat an awesome orgasm. That’s top-notch. But there’s a totally different feeling with being able to float in the sky. I like them both for different reasons.

XL Girls: They’re both great feelings.

Nikki: They are!

XL Girls: Have you ever had a three-

some before?

Nikki: I have not.

XL Girls: Oh, okay. That's another thing to keep in mind then! Are you attracted to women?

Nikki: Yes, I am.

XL Girls: I was looking at your Twitter feed and you mentioned that you flirted with the girl at the front desk of your hotel.

Nikki: I did. Guilty. I had a not so great room, and I called down immediately when I was put in the room. I told them I wanted a different room, but there was nothing else available. So I woke up this morning and as I was

going to get breakfast I saw the girl I flirted with the last time I was here, the first time I shot with you. So I was like, yay, I'm getting a new room! I kind of mosied over there with a big smile and was like, "Hey, I remember you." And she had a really big smile and said, "I remember you too. You show your tits!" I told her what was going on with the room and she was like, "Oh, for you, we can definitely find a room."

XL Girls: You guys should totally hang out.

Nikki: We

totally should, in my room!

XL Girls: Exactly. And what kind of girls are you into?

Nikki: It really just depends. I don't have a personal appearance that I'm attracted to. It's more about the personality. I like really outgoing girls. I can be a bit submissive so I think it's really hot when the chick is a little more aggressive.

XL Girls: Okay, and what was your best girl-girl experience like?

Nikki: I'd moved back to my parents' house for a short amount of time, and they were out of town, so I had a friend come over and spend the

night. We were on Yahoo messenger with some guys she knew from her school. We were just messing around, flashing them and stuff. And lo and behold, we eventually forgot the computer was on, and we started making out. It turned into this hot and heavy girl-on-girl action on the living room floor. The guys couldn't see everything, but they could hear. They got shots of us wrestling around and changing positions and stuff. It was really fun, and it was with a good girlfriend.

XL Girls: The next day were those guys like, "Whoa, that was fuckin' awesome!"

Nikki: Yeah, they were like, "So, what did you do last night?" We tried to play it off like we were just watching movies. And they were like, "Really? 'Cause that's not what we heard." And we just started dying laughing.

XL Girls: That was the precursor to your webcam experience.

Nikki: Yes, quite possibly!

XL Girls: So are you into anal?

Nikki: Yes, I got into it just recently. It's apparently very popular.

XL Girls: What have you done?

Nikki: I have this cute, little anal toy that I really like a lot. Especially having that in my ass while getting fucked—awesome! And I've had anal sex twice now. Once was really awesome, and once wasn't that awesome. So I'm still in the ease-me-into-it stage. You can't just shove a big, ol' dick up my ass!

XL Girls: There has to be a warming up phase.

Nikki: Right. It feels so amazing when you take the time to do it right. Just take your time, you know?

XL Girls: They need to know how to work it.

Nikki: Exactly. It's a process.

XL Girls: Part of that process is ass licking. Do you like that?

Nikki: I really like that actually. I had a boyfriend that kind of introduced me to it. At first I thought it was ridiculous, but one night when my inhibitions were lower he went for it. I didn't stop him like I normally would, and it felt amazing. From then on out I was hooked. I was like, I enjoy that!

XL Girls: And you like to masturbate?

Nikki: I do.

XL Girls: How often would you say you do it?

Nikki: At least once a day. At least.

XL Girls: What's your favorite way to do it—manually? Toys?

Nikki: You know it was manually for a long time. But on the webcam they like toys so I started trying them. I have this one little purple Doc Johnson that I absolutely love. It's a little G-spot thing that works like a charm every time. But if I'm feeling really frisky and I want to have a really crazy orgasm I'll get the Hitachi.

XL Girls: Do you still use your hand ever?

Nikki: I do occasionally. Not all the time. Maybe it's just me, but I'll do it whenever I want a small, little orgasm, like when I want to go to sleep. Nothing crazy like fucking myself with a toy really hard. So yeah, occasionally I do.

XL Girls: Have you ever masturbated in public or anywhere outside of your house?

Nikki: I do outdoor shows a lot. I actually got the cops called on me a few times for being too loud out in my backyard, so that was interesting. I answered the door butt-ass-naked just to see what they'd do.

XL Girls: Whoa, whoa. Hold on. You answered the door naked for cops? What happened there?

Nikki: Okay, so I was outside in my backyard and I was doing a show. My roommate, who is a guy, came outside. And he never comes outside when I'm on the cam because he knows. He gives me my space. He was all like, "Nikki, there's someone at the door"

for you." And I was like, "Well, I'm busy." He said, "It's the cops." And he asked if I was going to get dressed. I was all like, "No!" [Laughs.] So I went to the door naked and they were like, "Miss, do you want to cover up?" And I was like, "No, I'm okay. I'm in the middle of doing something right now." And they told me my neighbors had complained about the noise level. And they just wanted to let me know that there is a decibel level, not that I was anywhere near the decibel level. It was my neighbor who called and the cops told me that she had the right to take me to civil court, or whatever it's called. But I've come to the conclusion that she was just really jealous and she called the cops because her husband started checking me out the moment I started camming. So, I know why she was so pissed.

XL Girls: How did the cops react?

Nikki: They were literally dumbfounded. They didn't know how to have the conversation with me because I was standing there naked. It took them a couple of seconds to realize that I wasn't going to get dressed to talk to them and they better just get the conversation going.

XL Girls: That's hilarious.

Nikki: My roommate thought it was really hilarious. He was in the living room dying of laughter. He was like, "What are you doing, are you insane?" And I was like, "What? I'm in my own house!"

XL Girls: That's a great story. So after that did you just go back and resume what you were doing?

Nikki: Yeah. Oh yeah. And actually about ten or 15 minutes after the cops left I was finishing up my show, and my neighbor came out with the vacuum cleaner and just held it up in the air. And of course it overpowered me so I had to go inside. It really sucked. She was playing hardball.

XL Girls: Do you still have problems with this neighbor?

Nikki: I moved. My new neighbor is really cool.

XL Girls: That's good. She was a hater.

Nikki: She was!

XL Girls: Okay, so you mentioned that you learned how to give head from porn. What kind of pornos do you like to watch?

Nikki: I actually watch a lot of three-some porn. And I think it is probably because I haven't done it yet.

**"I ANSWERED THE DOOR
BUTT-ASS-NAKED JUST TO
SEE WHAT THEY'D DO."**

XL Girls: Well there you go, even more motivation to try it.

Nikki: It's like the best of both worlds. You have the penetration, you have the nice cock, but you still have beautiful girls going down on each other. How much better does it get, really?

XL Girls: When did you first realize that you might be interested in girls?

Nikki: When I was in school and I had a friend who was on the cheerleading squad with me...

XL Girls: Oh, wow.

Nikki: [Laughs] I know, cheerleaders! But we decided that since we both had

of iffy with guys.

Nikki: Yeah, those young guys don't know what they're doing.

XL Girls: With girls, they're a little bit more passionate.

Nikki: Oh, don't I know it!

XL Girls: But let's not bash the guys here. Cock is good, too. What kind of guys do you like?

Nikki: I definitely go for confident—not cocky—guys. I hate cocky guys. Arrogance drives me insane. I like a clean-cut guy, someone who looks very simple. I don't go for anything too over the top. A guy who can look

feel like the relationship is going to last for a little while. Not everyone who takes me out to dinner is gonna get laid. I think that's the biggest thing. And I just like to have fun. I like to do random things. I think a fun date is going to the batting cages or going to have frozen yogurt. And like I said, having sex in the parking lot afterwards! Of course that's after I get to that point with someone. I just like to keep things spontaneous and not dinner and a movie every time we go out.

Because how much can

“WHEN IT COMES TO DATING I’M A LITTLE OLD FASHIONED. I DON’T KISS ON THE FIRST DATE.”

never kissed a guy before that we both needed to practice. So we had a sleep-over, an old-fashioned in-our-pajamas, painting-our-nails sleepover. And we decided that we were just gonna practice making out. So that's all we did for like two days. Just made out. Her mom thought we were crazy for not leaving her room the whole time. And surprisingly nothing else happened, but we did makeout *a lot*. I was a pretty good kisser by the time I first kissed a guy.

XL Girls: That's some good practice. Girls are good kissers. It can be kind

good in plain jeans and a T-shirt is hot. I'm definitely a sucker for country boys. I am from California, but I'm a diehard country music fan. So you put a guy in Levis and boots and oh my god, I am done.

XL Girls: If a guy wanted to date you, what things should he keep in mind? Any advice?

Nikki: Surprisingly enough, when it comes to dating I'm a little old fashioned. I don't kiss on the first date. Usually. I definitely don't have sex on a first date. I really only choose to have intimate sex with a partner if I

you really learn about someone while watching a movie?

XL Girls: Yeah, exactly. So even though you're kind of old fashioned about dating, do you ever have casual sex with people?

Nikki: I have before. There's a time and a place for it I think. If I'm going to have casual sex with somebody then it's going to strictly be casual sex. I don't want to have sex too soon with someone I'm interested in dating. I just need some no-strings-attached dick, and sometimes that works. But

Anna is hot, from the way her body looks to the way her pussy feels!

We never get tired of seeing Anna Kay. She is truly something special, the epitome of a big, beautiful, busty woman. But looks will only get you so far. There's more to this curvy goddess than just her stunning appearance. Anna is fun and frisky and intelligent, and best of all, she's a very horny woman! "The older I get, the more sex I need to have," she said.

For Anna, long gone are the days of being sexually shy and reserved.

In Anna's interview in the March '11 (SP207) issue, she told us that she'd been sexually conservative in the past, but was getting more interested in doing kinky things, some of which she was even hesitant to name. These days she is in full-blown freak mode! "I finally had an amazing three-way experience. I discovered that I really like the taste of pussy, and sharing a cock with another girl can be a lot of fun."

She's expanded her sexual horizons, but Anna still wants you to take the lead role.

One thing that hasn't changed about Anna is her passive sexual nature. Despite a constant craving for cock, she still wants men to make the first move. "I like the guy to be dominant. I want him to get on top of me and tell me what he likes, and I'll do it. When a guy is confident and in control, it's a big turn-on for me. Nothing makes my pussy wetter than a guy who knows what he really wants."

HOLLY JAYDE

Meet Holly Jayde. She's the kind of girl you can have fun with!

This young cutie likes watching live football and hockey games, going to the movies and shopping. Her sexual turn-ons depend on her mood, but she's "always open to new things." Some of the things she has done are three-ways with two girls—"I've done it a few times but I still fantasize about doing it again"—and a three-way with her boss and his wife in their Jaguar! "It was so sexy, and I admired their sexual openness."

Holly considers herself a sexually open person.

"I masturbate at least twice a day! I love watching porn. Daily orgasms do wonderful things for the body and mind! When it comes to sex, I like for the guy to show me how much he wants me. It's such a turn-on to have him craving me." And Holly can never get enough sex. She told us that she tries to fuck as often as possible. "I'd do it three times a day if I could!" And this pale-skinned princess also likes it rough. "I love a good pounding!"

A woman with long, wavy brown hair and bright pink lipstick is posing for a 'Tale of the Tape' feature. She is lying down, with her hands resting on her thighs, showcasing her large breasts and thick thighs. The background is a plain, light-colored wall.

usually if I'm interested in a relationship I take it a little slower.

XL Girls: Gotcha. I have sort of a strange question for you. Since you were a dancer when you were younger, do you think the old saying is true, that someone who is a good dancer is good at sex?

Nikki: I think there's a little bit of an advantage. Not necessarily the better the dancer, the better the sex. But it helps to have that coordination and a little bit of rhythm, especially if you have music on in the background. I'm sorry but if you fuck me to a really good song and you do it right, it's awesome. So I think there is a little bit of an advantage there.

XL Girls: Do you think it helped you?

Nikki: I think so. I haven't been super flexible in a while, but I do still have enough flexibility where I can get in unusual positions. I can rock my hips the right way. I think I'm okay.

XL Girls: What is it about blow jobs that turns you on so much?

Nikki: I like to please. Me knowing that I'm good at blow jobs, and being able to look up and see the look on his face and knowing it's driving him crazy because he can't fuck me yet 'cause I'm still sucking his dick—even though I'm a little bit more on the submissive side—just having that control for a little bit, I love it.

XL Girls: Do you like the guys to make the first move?

Nikki: Yes. I like them to be a little more dominant. I do prefer them to make the first move. But if I really want it, and I really want to suck his dick, and he's not doing anything about it, eventually I will rip his pants off and take control. Sometimes it's like, "Hello! Are we going to kiss forever? Let's do something!" Sometimes you have to step up and show them it's okay. Especially with me since I like do old-fashioned dating. They want to respect that until I'm like, "Okay, I can't take it anymore."

XL Girls: It's good that you know when to take control of the situation.

Nikki: Sometimes you have to!

XL Girls: Well, Nikki, that's all we have for you today. Thank you for such a great interview!

Nikki: Thank you!

SASHAA JUGGS

XL
DEBUT

"It makes me feel good to know that men are drooling over me."

If that is the case, then Sashaa probably feels good a lot! She's a dancer at a BBW club, and tongues must be wagging whenever she unleashes her bountiful curves. She is the perfect big-girl package with her pretty face, luscious body and cock-smothering rack. "I'm not gonna lie. My tits get me a lot of attention, and I like it."

Sashaa is a bit of an exhibitionist. She knows there are men who appreciate a body like hers.

"I think all women are beautiful no matter if they're thin or thick," said Sashaa. "Personally I love to be naked, and I'm proud of my body. I know society may try to tell us that thinner is better, but with all the guys who come to my club, I don't think that's true! They think girls who are built like me are hot, and I agree!"

It's good to know your strengths and weaknesses.

Sashaa is especially proficient at sucking dick. "I love pleasing a guy with my mouth. I've been told I'm good at it. And I'm flexible too," she said. Her weaknesses? "A guy with a nice smile or a beautiful, busty woman. When I see people like that I just melt, and I want to have sex with them."

MICKY BELLS

Micky is one of a kind, and she likes that she doesn't look like other women.

"I have dated a lot of men who like big boobs," Micky told us. "But even they say they have never seen boobs as big as mine! I know it may sound funny, but sometimes I forget that my breasts are so big. But then I look around at other women and I see their chest is not as big as mine. But it's a good thing. I like to stand out."

Micky is a soft-spoken siren.

When you hear Micky speak, you'll have to listen closely. She has a very gentle, quiet voice, something that is reflective of how she is in bed. "I prefer that a man focus on kissing me first. And I do not like them to handle my breasts roughly. I prefer to be touched gently and softly. I like for my breasts to be caressed and my nipples to be sucked gently." With a girl like Micky, you'll enjoy taking your sweet time.

A woman with long, wavy brown hair and bangs is posing outdoors near a swimming pool. She is wearing a red string bikini top and bottom. Her skin is glistening with oil. She is looking towards the camera with a slight smile. In the background, there is a swimming pool with a blue and white tiled edge, and some greenery and a white building.

Don't mistake Micky's gentle sexual nature for a lack of lust!

Micky is a sensual babe who appreciates a tender touch. But just because she steers clear of rough handling doesn't mean that she isn't horny. "Usually I make the first move on a man!" she said. As you can tell by these photos, Micky is quite the sex kitten. Pet her just right, and she's yours. "I can make a man cum very fast with my breasts. I also like it when a man tastes my pussy. That is the best feeling. That is what makes me orgasm the fastest."

life than in your wildest dreams. The gorgeous music fan of your band that became one of your many groupies. She had amazing, chubby G-cup breasts that still undulate like magical, mesmerizing orbs in your head. Some years later they remind you that at one point you must have actually had game. Did I say they were all drop-dead gorgeous with glorious, chubby boobs and bodies and they all really wanted to date you and do nothing but go down on you forever and ever? But some question why you would date such big girls?

But then you feel much better when you pick up a copy of your favorite BBW magazine at the local porn shop because you know you'd be the envy of all the readers of *XL Girls* if they saw how beautiful and gorgeous and pleasantly plump, fat or huge their boobs and asses were. And you feel...validated. Maybe vindicated even.—Anonymous

The Days of Gwen

Dear *XL Girls*,

What ever happened to Gwen Etoile? She was so hot. I was really hoping to see more of her in your magazine. She is one of my favorite models and the hardcore scene of her

Devon Taylor would be perfect to fulfill one reader's many chubby fantasies.

TWILIGHT STARR

With her Asian background, Twilight is one erotic and exotic babe!

An Asian plumper (or in Twilight's case, half-Asian) is a rare thing to come by. But it certainly isn't a rare thing to cum by! These exotic beauties (like our other Asian XL babe, Kelly Shibari) intrigue men with their unique looks and make them shoot loads with their tight, wet pussies. Twilight is no demure woman. She loves anal and she is not shy about it. Check out her hardcore scenes in *Wide Load Nymphos 2* and *The Breast of XL Girls* to see what we mean! "Even before I ever had sex I would masturbate by putting toys in my ass. I have always loved anal stimulation!"

Every inch of this chubby beauty's body is thick and delicious.

Obviously, we love Twilight's tits. But we can't overlook the rest of her. Twilight is tender and juicy from head to toe! "I do get a lot of looks and comments for my tits. But I also get a lot of comments about the rest of my body, especially my legs and ass. They're nice and thick and curvy, and men seem to really appreciate that." As much as we love big tits, we love a big, slappable ass, too!

Twilight makes sure to take care of her tits.

"I always wear a bra, even when I sleep. I gotta keep 'em perky!" When tits get to the size of Twilight's, keeping those sweater puppies under control is important. "I love to play volleyball, but I have to wear two sports bras to keep my tits under control. I might knock myself out if I don't! And they still bounce around like crazy when I'm jumping all over the place."

A woman with long dark hair and bangs is posing on a white quilted surface. She is wearing large gold hoop earrings and several gold bangles with colorful stones on her right wrist. She is looking towards the camera with her mouth slightly open. The background is a light green wall.

Marilyn Mayson & A1 B

Not everyone finds their true calling in life at such a young age, but Marilyn is just lucky like that. "I love fucking for the camera," she said. "I do it for the guys watching, and I do it because I love it. I hope I can continue to do it for a long time to come. Every time I do a hardcore scene, I try to make it as hot as possible. I want it to be something that I would masturbate to myself."

If Marilyn had decided that she didn't want to take her clothes off for the camera, she could have made a great phone sex operator. Her voice is enticingly soft and horny as she begs for more cock. Let's just say that she sounds as good as she looks. Luckily, Marilyn gives us all of her. In this scene, Marilyn spreads her pussy open to receive a hard pounding. And then she bends over to take it in her ass! We think Marilyn has met her porn standards with this scene. Everyone is going to cum to it!

Take a moment to enjoy Marilyn's pale tail getting filled with man-meat. She's a kinky girl. In her debut appearance in the Nov. '12 issue (SP236) Marilyn said that she likes creampie, dirty talk, role playing, lactation and the mile high club. In addition to this, she also shared some more naughty experiences with us: "I've had sex on a bus in Seattle, in my neighbor's yard and in a playhouse in front of Toys "R" Us! It was pretty cramped in there, but it was such a weird, wild place to have sex that I didn't mind at all."

Thanks for writing in. And just so you and all our other readers are aware, we will be publishing the survey results in the next issue of XL Girls—May '13 (SP247). Stay tuned!

His Cock Is Happy

Dear XL Girls,

The abundance of ass and pussy spreading from all the new sexy babes in the Nov. '12 (SP236) issue had my cock spilling cum for days. I first went to my favorite on page 69 and began stroking to Violet Addams' lovely asshole and meaty pussy. That ass pic of Violet was my favorite out of the whole issue. I would so love to be the one blowing pastry cream all over that beauty of an ass. I've already cummed countless times to her gorgeous ass shot.

I also can't stop jacking to Marilyn Mayson's 38H milkers and her center-fold ass shot. I loved her two fingers in her asshole on page 49 and that close-up pic of her huge boobs on page 46.

Every page of Betty Blac's debut pictorial had a beautiful ass shot of her. I love her smile. The cum will be flowing out of my cock for her sexy ass and tits.

What a hot ginger that Asha Marie

"These are weapons of mass destruction!"

Of course, Trinity is talking about her tits. "They get in the way of everything! I'll knock over glasses without even realizing it! They're also a weapon of mass distraction. Guys look at my boobs a lot. On the way to your studio some gas station guy took one look at me and was like, 'Whoa!'" Trinity also says that her luscious rack gets her free things (which are well-deserved). "Every woman needs to be spoiled for no other reason than the fact that she is beautiful and worshipped and has big tits."

Trinety is as much fun to hang out with as she is to look at!

Trinety is a laid back kind of girl who likes to play Xbox and hang out with friends. When she goes out she likes to dress casual-sexy, so she's comfy but still bursting out. "When I go out I'll usually wear a tight tank top and jeans. And I'm a little bit country so I might have some cowboy boots on, too. But the boobs will always be out there."

'With women, I'm more dominant. But I like men to take me.'

When Trinety is with a woman, she likes to take control. "I like to tell her to get down there and lick this pussy! And with women, I like to watch their face as I finger them till they reach their climax. I'm definitely more aggressive with them." But with a man, she prefers to take a more traditional role. "With men I like them to cum on my face or my tits or my ass. I also love it when they cum inside of me. It sends me over the moon! When I have sex with a guy, I like to feel wanted. I want my men to act like men."

is in her layout. She looked so hot with her hands on her hips wearing those red panties and black stockings on page 78. I only wish we could have saw more of her sexy legs in those black stockings. She has such a lovely asshole and pussy. I love cumming to her bubble booty.

Sarah Rae looked like such a sweetheart in her white semi-see-through bra, panties and stockings. White is my favorite color to see the models wearing in their layouts. It is even better when it's see-through. Her enormous 38Js hanging in between her plump body on pages 21 and 25 were so hot I want to lick every inch of her plumpness. She has a very pretty smile. Her pics will keep my cock drained and healthy.

Porsche Dali looked hotter than ever. She has become a real fave of mine, and I always enjoy stroking to her sexy pics.

It couldn't get any better than seeing Micky and Natalie together in another layout. I loved Micky's pic on page 74 and Natalie's on page 77.

Sweet Sarah

Dear XL Girls,

Sarah Rae is the most incredible

woman I have ever seen, and she has the most incredible rack a woman could have. The self-sucking photo of her on page 19 is excellent. It's exactly what I love. She is just pure chubby perfection. She is the kind of gal you'd want to snuggle up with in bed on a

cold, winter night. She'd definitely be able to keep me warm with her huge tits and cuddly body. I have thoroughly enjoyed cumming to her photos and imagining what it would be like to shack up with such a babe. What a body on her; I just can't get over it! Please give me more photos of her massive hangers and gorgeous, luscious body.—J.R., via email

Asha's Asshole

Dear XL Girls,

You always find the hottest red-heads, and Asha Marie is no exception. In fact, I think she sets the bar! Although many of your readers are turned off by tattoos, I am in fact intrigued by her pussy tattoos! And what a nice, tight twat she has. One of Asha's best assets is her ass. I would slap that big, white thing all day, then spread her cheeks and lick every inch of her pussy and asshole. I'm a bit of an asshole fanatic. Please, the next time you feature Asha, show more asshole photos. This girl has got it going on for real, and she sounds like she's into some kinky stuff. My kind of girl!—T.B., Reno, Nevada

Lisa Canon & Sergio

In a lot of ways, Lisa is still the cute, bubbly girl she was when she debuted in the Aug. '11 (SP214) issue. But in some ways, she's different. Much hornier and dirtier. Saying things that would've made her blush before. Lisa has become a boner-fied cock-fiend right before our eyes. "I'm a whole lot of woman," she said. "So I need a guy with a big cock who can fuck me hard."

In Lisa's last appearance in the May '12 issue (SP227) she conquered a black cock. She's also starred in the DVDs *Full Figured Foxes*, *Large Lovin' 2*, *Thick Chicks on Black Dicks*, *The Breast of XL Girls* and *Super Sized Rides 3*. She's proving to be one prolific porn babe! And she's loving every second of her cock-riding journey. "I love to have sex. I have no shame about that. So why not do it for the camera? I have a fun, awesome job, and the guys at home have fun watching me cum. It's a win-win situation."

One great thing about Lisa is that she's always finding new ways to top herself. When she first shot with us, she said she wasn't interested in hardcore. But she had a change of heart and decided to fuck for the camera. Then, not only did she do hardcore, but she did anal, too! And now we have her doing anal again, and this time, she's getting a creampie in her butt! What will Lisa do next? "I think having sex on-camera brought out the freak in me. I was a little more reserved before, but now I'm down to try anything."
