Molly's a Cock-Saver

Dear XL Girls,

Your Feb. '13 issue (SP241) issue is simply wonderful. I enjoy all the beautiful models, but I would like to give special compliments to three especially hot ladies.

I am an oral person and I love the taste of pussy. I even enjoy exploring a woman's ass with my tongue. When I'm reading a magazine like yours I fantasize about how each model's pussy would taste. Passion Brooks and Alyson Galen have cunts that are so juicy that I must confess I actually drool over them. Both ladies' butts are so kissable, and I have to admit that I have kissed them both in their great rear-view photos.

My third lady is Molly Howard, whose threesome XXX layout was a lifesaver, figuratively speaking, last night. My wife, Gwen, enjoys double penetration, and I encourage her to

bring home her male friends to join us for pleasure. Last night she brought home a college senior who I'll call Mark. I guess Mark got nervous when he saw Gwen's husband (me) and couldn't get it up. (I don't know why. I don't consider myself threatening at all.) Anyway, I got the bright idea to show Mark Molly's hardcore photos with the two guys.

My bright idea worked! Molly's photos cured Mark's problem right away, and Gwen found herself the lucky recipient of two loads from Mark and two from me. And in case you're wondering, Mark's first load was in Gwen's cunt and mine was in her mouth. Mark's second was in Gwen's ass and mine was in her cunt.

Please convey my sincere compliments, as well as Gwen's, to the lovely Molly. And give my solo compliments to Passion and Alyson.—M.R., Bensalem, Pennsylvania

Reader J. had beach-side sex with a full-figured, bikini-clad hottie.

Survey CommentsPart II

Dear XL Girls,

Your magazine has inspired me to the most powerful sexual experience I have had recently. I use to see a very large, shapely girl walking in my neighborhood while I was driving, and I got to thinking as I was becoming a car cripple there she was engaging in a more sustainable transportation practice. And here I was driving two blocks to get coffee, etc. Using her efforts as motivation, I started walking and working out and lost 13 pounds and now am very fit at 6'6" and 198 pounds thanks to her. I finally saw her on foot after a long time of not seeing her and told her how her walking activity inspired me to get more active, to which she nearly cried. After explaining to me that after many years of struggling with weight issues and self-esteem she had some to accept that she was what she was and maybe some guy would appreciate her. Well, after telling her about

Molly's three-way pictorial was so hot it turned a potentially disappointing sexual encounter into a hot, cum-filled three-way. Go Molly!

Anna Beck has made a few appearances in *Voluptuous*. Reader P.G. says she's one of his favorites and requested more photos of her, so this one is for him.

my experiences in Europe she tells me she is from France here doing translation work. I said no wonder I have spent the past number of months beating my cock silly after seeing her out walking. I told her that my porn collection (Euro women are far more accepting of this than North American women and would almost be suspicious if you didn't have one!) is almost exclusively bigger girls, and she couldn't believe it. She had been through quite a dry spell of not being fucked for almost a year, and that drought quickly came to an end. But I had to allow a little build-up.

Over the next week I dropped off something at her door early in the morning progressing from chocolates to flowers to a mani/pedi/Brazilian waxing/belly piercing. I told her it was my goal to make her feel as hot as my balls have felt for the past year jacking off to her. Another plumper friend arranged for late-night tans at the salon so she would not feel embarrassed in a bikini and thong. After six tans she would have been ready for the French Riviera. She was absolutely smoking hot, and looked very similar to Natalie Fiore.

I took her to my cottage in rural Nova Scotia, and we have a semi-private beach. Still feeling somewhat self-conscious we went to the beach with her in a tight one-piece suit that showed off her curves beautifully, but

underneath was a super hot red thong bikini. After the beach cleared a little I set up a semi canopy and peeled off her one-piece so she now had reached her goal: to be in a thong bikini on a beach in the blistering sun, tanning with a shaved pussy and me gently massaging oil all over every curve and crevice of her body. My cock was absolutely rock hard in a way the blue diamonds can never match, and we fucked on that beach for two glorious hours until the sun went down! As we made our ascent back up the steep beach stairs, her in front with thong bikini on (all inhibitions now gone!), I stopped her to look at the sunset. As she turned to look, I slipped off her bottoms and gave her pink asshole a full rimming, getting my tongue inside her delicious anus and making her squirt right there.

Your magazine and the beautiful women in it inspired this, and Severin (the woman) and I thank you. I suggest a layout that converts a plain Jane plumper to a hottie. It will work wonders to encourage other guys to do what I have done. Thanks so much!-J. Nova Scotia, Canada

gorgeous women in the last 15 years. But a few deserve models special mention as goddesses. They are: Nicole Peters, Karina Hart, Natalie Fiore, Samantha, Renee Ross, Arianna Sinn, Ashley Sage, Shar, Kristina Milan, Miosotis, Taylor Steele, Maria Moore, Cherry Brady, etc., with many more to consider.

But there's one more goddess I must mention, and that's the awesome Anna Beck who has failed to appear for a long time. This Czech beauty has such a lovely face, great ass and especially those huge, pendulous boobs with those blue veins running through them! This lady could be a legend!

Come on you guys. Please do me a favor. Get Anna Beck on DVD. Her appearance is way overdue. In the meantime, keep up with the great work, and keep those huge tits coming!—P.G., Salford, England, UK

Seven Days of Stroking

Dear XL Girls,

Shyla Shy's glistening, oiled up, pregnant body looked so dazzling in the Feb. '13 (SP241) issue. Her darkened areolae and huge nips are magnificent. I can't get enough of her luxuriant titties and belly. She looks so sexy on her back, legs up and holding her ass while waiting for a nice pussy licking on page 41. I stroked my hard cock to Shyla's layout and also opened more of my V-mag preggo layouts on the bed. They included April McKenzie (Oct. '09) and Kali West (May '10 and April '11—and let me say her hairy beaver looked hot and yummy). Stefani's July '10 pregnancy layout and post-pregnant Holiday '11 layouts were also open. I loved her puffy tits and juicy twat on page 65 of that Holiday '11 V-mag. I express my deepest gratitude towards these lovely ladies for preggo posing. My cock loves cumming to their luscious bodies.

The next day I jacked one out to the gorgeous Alyson Galen's pussy and ass pics from pages 58 to 81. I love her massive titties and giant areolae. I would love to see Alyson modeling a white string bikini that's too small for her sexy body. Her areolae would look so hot sticking out the edges of her bikini top.

Gya Roberts is reader R.S.'s favorite model, and it's easy to see why. She exudes sexuality with her hot, pussy-spreading poses and lusty expressions.

On the third day of my stroking extravaganza I read Adriana Avalon's interview with my cock in hand. She looked so lovely in that red bra, panties and garters, not to mention the black high heels and white stockings. I fantasized that naughty Adriana's juicy cunt was sitting on my face for me to smell, taste and tongue for hours on end. I would so love to be licking up all her slit juice. I cummed nice and hard to those pictures of her.

On the fifth day I blew a load to sexy Passion Brooks. I love her ginger pubes and juicy cunt.

Two days passed before I was able to jerk for Kacey Parker's plumpness. I love those tiny panties she wore in her layout. She has the most beautiful pussy ever and her massive melons are astonishing.

Arianna Sinn looked so hot in those dental floss panties and it was not long before my cock was shooting a load for her buxom body.

Eventually I will read Kandi Kobain's interview and jack off for her sexiness and blow many more loads for my XL SP241.

With how jealous my wife is towards my XL and V-mag collection, I have to go through painstaking, or should I say stroking efforts, to whack

off! Thanks again, *XL Girls*.—G.V., Neepawa, Manitoba, Canada

More Survey Comments

Dear *XL Girls*,

I have added some comments to elaborate my thoughts regarding your survey questions.

1. My favorite model is Gya Roberts, and two other favorites are Terri Jane and Lexi Windsor.

2. I always thought that *XL Girls* were supposed to be larger than those shown in *Voluptuous*.

3. When it comes to interracial, for me it's not that easy. As a rule I don't like to see a black male having oral sex or sexual intercourse (vaginal or anal) with a white woman (especially one of my favorites), but if he is good-looking and has impressive equipment it doesn't bother me as much. To show you just how much of a hypocrite I am, I've seen many pictures of women of color (black and Hispanic) who I liked very much. And I didn't mind seeing a white man engaged in a sexual encounter with them. I'm sure a lot of your black readers will take exception to that, but you can't please everyone. The only way out would be to show strictly solo layouts, which is not going to happen.

Red pubes like Passion's are a rarity around these parts!

5. Many times a model will have other features that get my attention more than her pubic hair.

8. My preference is for white women, but as I stated in No. 3, many black and Hispanic women are very nice to look at as well.

As is, you present a very nice mix of features and models. In most cases it's up to the model and the ability of the photographer to guide her through poses to produce an erotic layout. If both are good, the resulting images will get a man's attention. The first time I saw Gya Roberts I liked the variety of her facial expressions. Her enthusiasm, her love of being an exhibitionist and her passionate poses were so good that I thought I could feel her energy radiating from the pages with sparks flying off the paper. Those wonderful debut shots were presented in the Dec. '11 issue of *Voluptuous*.—R.S., Massachusetts

Passionate for Passion

Dear *XL Girls*,

I am entranced with Passion Brooks. I love redheads, and her fiery bush sent me over the edge. It is the hottest thing ever to see a natural redhead with her flaming red pubic hair. I'm so glad Passion didn't shave hers

Terri Jane was the bustiest girl at school.

If there's one thing that just about all our models have in common, it's that they all had the biggest tits in their school. Terri is no exception. "They grew rapidly. It was like from one day to the next I had huge boobs that came out of nowhere." Terri realized very fast that button-down shirts weren't ideal for keeping her growing chest under wraps. "Having big boobs was new to me, so I didn't realize they made button-down shirts pop out. A button even flew off my shirt one time in class!"

"If I dressed like this at school, I would've gotten detention!"

"When I was in school I tried to hide my boobs. I think most girls who have big boobs are embarrassed to have them at first. I know I was. If I wore something like this to school the teachers would not have been happy, but I'm sure the boys would have liked it! But now I would totally wear something like this."

**As her boobs
have grown,
so has her
confidence!**

Terri eventually embraced her magnificent chest and decided that dressing sexy and revealing was much more fun than frumpy and conservative. "Now I love to wear pretty bras that push my boobs way up high and make them look nice in a low-cut shirt. I just wish they weren't so hard to find. A lot of the time I'll have to wear a bra that's too small for me. They push my boobs up a lot but they can be sort of uncomfortable if you wear them a lot. But at least my boobs look good. No matter what, they should be shown off instead of hidden."

A woman with large breasts, glasses, and tattoos is posing for a photo. She is wearing a black headband, large white hoop earrings, and a white beaded bracelet. She has a tattoo on her left shoulder and a tattoo on her lower back. She is standing in front of a white lattice fence and a wooden chair. In the background, there is a stack of books and a small plant.

**6 MONTHS
PREGGO**

Bailey's knocked-up knockers are bursting!

If Bailey is looking radiant in this pictorial (which she always is, but especially so right now), it's because she's six months pregnant. She's glowing, growing and pouring out of tight tops. "I thought my boobs were done growing, but apparently not! Since I've been pregnant they've definitely gotten fuller, along with the rest of me. I hope after I deliver I get to keep my bigger boobs!"

Bailey makes sure to take care of her mounds.

Now in the sixth month of pregnancy, Bailey is making sure to moisturize her growing bits every day. "I rub cocoa butter on my tummy to help reduce stretch marks, and then I rub it on my tits just because it feels nice and slippery. After I rub myself down I like to just lay around naked for a while to let the oil absorb."

This expecting hottie also makes sure to take care of her pussy!

By now you might have figured out that pregnant *XL* girls stay juicy and horny throughout the whole ride. That may not be the case with all women, but we suppose our girls are just built that way—horny no matter what! “I’ve still been having as much sex as ever. Lately I’ve been doing it doggie-style a lot. It’s the easiest position considering my belly, and I always cum really hard from it.”

XL INTERVIEW

NIKKI CARS

SHE MISSED SHOWING OFF HER BIG TITS!

XL Girls: Welcome back to the studio, Nikki. It's been a while since we've seen you here.

Nikki: Yes, it's been about three years since I've been here.

XL Girls: What made you decide to come back?

Nikki: I actually have missed it. I did

come back about a year and a half ago; I worked for someone else. Then you guys got a hold of me and it was the perfect opportunity.

XL Girls: How long have you been nude modeling?

Nikki: About eight years.

XL Girls: What got you into

modeling in the first place?

Nikki: It was just for the fun of it. We never really expected anything

"I STARTED DOING CAM WORK AND PHONE SEX AND THEN I STARTED DOING SHOTS..."

out of it at all. It was my husband's idea. He came home one day and said, "We should put naked pictures on the internet." So that's what we did. It was just a fun thing to do, and I ended up really liking it.

XL Girls: Where did you start off posting pictures?

Nikki: I did Southern Charms. That's where I originally started. Like I said, I never thought I would get anything out of it. I thought it would just be for the fun of it. A couple of months in I was making money and people were sending me messages like crazy and it spiraled from there. I started doing

cam work and phone sex and then I started doing shoots here. Once I started I liked it so much that I wanted to keep going.

XL Girls: Wow, so you were a phone sex operator?

Nikki: Yes. [Laughs] You could say that. I did that for quite a while.

XL Girls: How did you like that?

Nikki: It was funny, especially if you don't do cam with it. You just go about your whole day, wash dishes, do the laundry and talk to people about sex on the phone.

XL Girls: What were some of the things people would tell you? What

kind of conversations would you have? I imagine they were interesting.

Nikki: I had a really funny one actually. This guy would call me and tell me that he wanted me to give him directions to where I lived. He would also ask me if it was warm where I was or if it was cold. And he'd ask me if I was wearing a jacket. I didn't understand at first. He kept wanting me to tell him that I had taken off my jacket, then give him directions to get off on the exit to my house. And that's what did it for him.

XL Girls: That's different.

Nikki: Yes, it was funny how specific

"I ALWAYS HAVE A SEXY TOP ON. SOMETHING LOW-CUT..."

he was about his fantasy.

XL Girls: So if you do this kind of modeling and the phone sex thing, you must be kind of an exhibitionist.

Nikki: Yes, I am.

XL Girls: When you go out to the mall how do you dress? Casual or more sexy and revealing?

Nikki: I always have a sexy top on.

Something low-cut that shows my boobs. I like to show off.

XL Girls: Have you ever flashed anyone in public?

Nikki: [Laughs] Yes, only about a billion times.

XL Girls: Tell us about a couple of those times!

Nikki: We used to take a lot of road

trips, and I liked flashing the truckers. That was a lot of fun for me, and the truckers seemed to really appreciate it. But my friends always dare me. So they tell me to do it and I do it. It could be anywhere.

XL Girls: Do you get any double-takes? Do people honk?

Nikki: Yeah. Most guys will honk or shout, or just look shocked. We get some mad wives. I've gotten into some situations. It's better to do it when they're not around.

XL Girls: Definitely! So, what kind of guys are you into?

Nikki: That is a hard question to answer. I don't know. It changes. I like bald guys. I like guys with tattoos. Rough guys.

XL Girls: Manly men?

Nikki: Yes, manly men. Not girly men.

XL Girls: Are you into women at all?

Nikki: Yes, but it's been a while. I do like women, too.

XL Girls: Do you like a particular type or does that also depend?

Nikki: No, that one doesn't depend. I'm picky about my girls. I like big boobs, but I like skinny girls.

XL Girls: So slim and stacked?

Nikki: Yes.

XL Girls: Have you ever had a relationship with a girl?

Nikki: No, I've just played around with girls. I enjoy it, but I don't think I could have feelings for them the same way I do with a man.

XL Girls: Have you ever been in a three-way before?

Nikki: Yes.

XL Girls: Was that with your husband or with someone else?

Nikki: Yes...with my husband and without him.

XL Girls: That sounds like you've had a few three-ways.

Nikki: [Laughs] Thank you. It has been a while, but yeah, I've had them with my husband and without him. When I was with him we would have guys come over and a girl here or there. I've done a few since him, since he's been out of the picture. I've been with a few guys in three-ways, but I haven't been with any girls for like four years.

XL Girls: So when you have a three-way do you prefer two guys?

Nikki: I do prefer two guys because I don't like sharing penises. I want them all for myself.

XL Girls: Okay, understandable. Have you ever had more than a three-way?

Nikki: No, no orgies yet. Not that I don't want to, I just haven't yet.

XL Girls: What would you say is the kinkiest thing you've ever done, in your opinion?

Nikki: I don't know...probably the craziest thing I've ever done was when I went to a swing club, and there was a huge back room with this huge bed in the middle of it. And of course I decided to be the first one on it and naked. And we kind of all just had some fun right there in the open. That's probably the kinkiest thing I've ever done.

XL Girls: What city was that in?

Nikki: It was in Indiana.

XL Girls: Was that your first time in a swingers' club?

Nikki: No, I had been to one before.

That was the first on-premises one that I had been to, where you can actually have sex at the venue.

XL Girls: They have swingers clubs where you can't have sex?

Nikki: Yeah!

XL Girls: Oh, I didn't know! How does that work?

Nikki: You meet up at the club, and then you leave if you want to have sex. You have to have special permission I guess.

XL Girls: Okay, I see. You have to go to the sex zone.

Nikki: Yeah, that's where all the fun is.

XL Girls: Do you like to be naked or have sex in public?

Nikki: Yes, but more so I like to have sex outside. We used to go to the woods to have sex all the time. I don't

know how many times I was almost caught. But that was always one of my favorite places to do it.

XL Girls: I was actually going to ask you if you'd ever been caught.

Nikki: We walked out of the woods one day, and my husband had taken his fishing pole with him "for cover." And I had a bag of lingerie because we'd been taking pictures and then we ended up having sex. And I come walking out of the woods and I look across and there's two guys with binoculars. I get a little closer because I was taking my bag back then coming back to be with my husband. And they were the park rangers. So I don't know if they saw or not, but we didn't get in trouble.

XL Girls: Well they had binoculars...

"I LIKE TO HAVE SEX OUTSIDE. WE USED TO GO TO THE WOODS TO HAVE SEX ALL THE TIME."

"I THINK DOGGIE-STYLE IS MY FAVORITE POSITION. I LIKE TO BE BENT OVER."

Nikki: Yeah, I kind of hoped that they did watch but I didn't want to get in trouble. When you're out in the woods, you never know who could be watching. Maybe that's why I like it!

XL Girls: So besides that, what are some other places that you've had sex in? In cars?

Nikki: Cars, definitely. Well, you know how they have the little sheds in the parking lot of Lowe's? We like to use those every once in a while. The doors to them are always open, and we just go in the shed.

XL Girls: How long does that take? That sounds like a quickie.

Nikki: That's gotta be a quickie. You have to be worked up and ready to go. It's such a thrill.

XL Girls: So you've never done it in a bathroom or restaurant?

Nikki: No, I've never done that.

XL Girls: Keep it in mind.

Nikki: [Laughs] Yeah, I think I'm gonna do that.

XL Girls: With oral sex, would you rather give or receive?

Nikki: I like it either way. I definitely

appreciate both.

XL Girls: A lot of girls who shoot for us say they would rather give a blow job than get eaten out.

Nikki: I like sucking dick. But I wouldn't turn down oral either. I'm not gonna say, "No, you can't lick my pussy." I do enjoy it.

XL Girls: Do you have a favorite sex position, or do you like them all?

Nikki: I think doggie-style is my favorite position. I like to be bent over.

XL Girls: Is it because the guy can fuck you hard?

Nikki: Yeah, hard and deep and it's perfect like that.

XL Girls: Is that what gets you off the best? Going hard?

Nikki: Yes, definitely. Getting pounded in doggie-style.

XL Girls: When did you start getting your boobs?

Nikki: In fifth grade I think. It was like they just grew overnight. I had like B-cup boobs right away. Then in high school they were huge. I had like D-cups. I didn't know what to do with these big ol' things.

XL Girls: Did you get a lot of attention because of your chest?

Nikki: Yes, I got negative attention though. The guys were weird when I was in school. They picked on me rather than flirted with me because they liked my boobs.

XL Girls: Things are kind of backwards like that when you're young. Did they have a nickname for you?

Nikki: Of course I was Dolly. Everyone called me Dolly Parton.

XL Girls: Did you have blonde hair?

Nikki: No.

XL Girls: So it was just the boobs, then.

Nikki: Yes, just the boobs. [Laughs] They weren't very smart boys.

XL Girls: Did you try to hide your chest at first?

Nikki: All through school I wore sweatshirts. All the time.

XL Girls: When did you start to embrace having big tits?

Nikki: It wasn't really till I started Southern Charms. I started getting positive attention and I realized that guys really liked big boobs. Then I started showing them off all the time

and got a great response from lots of people.

XL Girls: Did you not like having big boobs at first?

Nikki: Yeah, it was uncomfortable. The young guys at school made me feel uncomfortable for having them.

XL Girls: But now you like them?

Nikki: I love having big tits. They make me feel sexy.

XL Girls: Have you ever used your chest to get something that you wanted? Maybe a cup of coffee or getting out of a speeding ticket or something like that?

Nikki: I have gotten out of a speeding ticket with my tits. Luckily I had a low-cut shirt on. I don't really remember the scenario but the cop was very willing to not give me a ticket. And he kept looking at my chest.

XL Girls: With guys, does size matter to you? Are you a size queen when it comes to cocks?

Nikki: I don't know; that's an iffy one. I like big cocks. I actually prefer them. But some guys with big cocks are afraid to use them, so they don't fuck very well. So then the guys with the smaller ones are better.

XL Girls: So it's more about their skills.

Nikki: Yeah. But if you know how to use it, I would prefer a bigger one that pounds me.

XL Girls: Is there anything you want to try that you haven't yet?

Nikki: I would like to try the orgy.

XL Girls: What do you do in your free-time?

Nikki: I mostly do family time, and I spend a lot of time with my friends and just have fun.

XL Girls: How do you feel about anal?

Nikki: I love anal, but I don't want to do it on video. It's something that's very personal for me.

**"IT SEEMS LIKE THEIR COCKS

XL Girls: Is part of it that you won't do it with just any guy?

Nikki: Right. I have to be really comfortable. If it's with the right person I like it better than regular sex. Anal sex is awesome. I don't want to let any fans down, but it's really something that I'd like to keep private.

XL Girls: Can you have an orgasm from anal?

Nikki: Yes.

XL Girls: With no vaginal stimulation?

Nikki: No, none.

XL Girls: Is that a different feeling than a vaginal orgasm?

Nikki: It's more intense I think.

XL Girls: Do you watch porn?

Nikki: You know, I did before I started making it.

XL Girls: What kind of porn would you watch?

Nikki: I would just let my husband pick out stuff, and we would watch the movies, the remakes and spoofs.

XL Girls: Do you ever watch your own sex scenes?

Nikki: I do.

XL Girls: Do you have sex while watching your scenes?

Nikki: I haven't, but I have had sex with somebody right after he watched my scene. I let him watch it, I showered, I got it and he was like, "Oooh."

XL Girls: That's a good way to get him warmed up.

Nikki: Yeah! I was like, "Here, watch this. This is what I can do."

XL Girls: How do you feel about tit-jobs? Do guys always ask you to do it?

Nikki: Yes, they always ask. I don't mind it. I want them to have a good time and enjoy my big tits. Although sometimes it seems like their cocks get lost in my tits.

XL Girls: Do you have a preference for where a guy cums?

Nikki: No, not really. Anywhere is okay. They like to do it on my boobs a lot and that's fine with me.

XL Girls: And what about spitting or swallowing cum?

Nikki: I swallow. [Laughs] What's the point of spitting it out?

XL Girls: It's already all in your mouth, right?

Nikki: It's like I already got it.

XL Girls: Well, that's all I have for you. Is there anything you'd like to say to your fans?

Nikki: Yeah, look for me to be back!

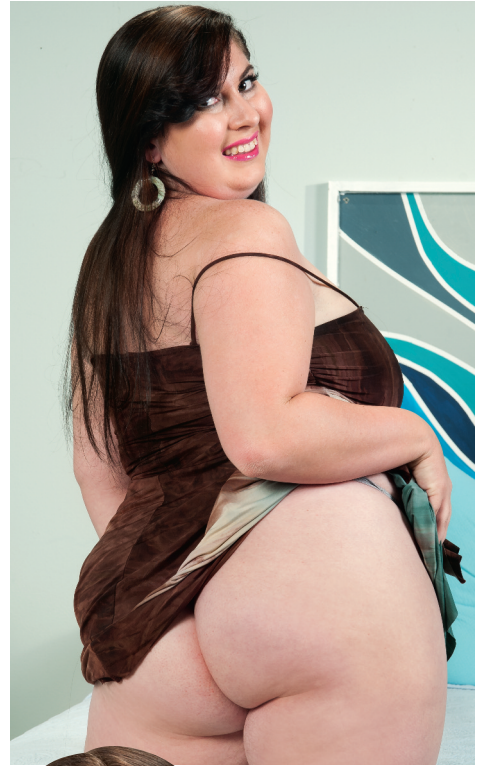

XL Girls: Nikki is back!

Nikki: Yes, Nikki is back!

Meet Brandie, a chubby cutie from Florida.

Just looking at Brandie, you can tell what kind of woman she is. Her kind face and sweet smile tell no lies. Brandie is a plumper-next-door type who likes reading, writing poetry, playing video games and walking in the park. Her idea of a perfect date is going to an amusement park or doing an outdoor activity. This curvy sweetie is also in touch with her sensuality. "I love masturbating in the tub. Feeling my hands gliding over my wet, soapy body really turns me on." She's wholesome on the outside and naughty on the inside. She has plenty of desires, but she wants you to make the first move. "I'm sexually passive. I like the guy to be in charge."

XL
DEBUT

Brandie has luscious hips, thighs and ass to go along with her big tits.

And she shows off her curves appropriately. "I dress casual yet cute. I'll wear a long skirt or pants and a low-cut shirt." Brandie knows how to leave a little bit to the imagination. But when it's time to fuck she lets it all hang out. "I love doggie-style. Being bent over and spread open like that is so hot. I also like having my nipples sucked on."

Brandie is a nice girl, but even nice girls like to show off their assholes.

This photo is evidence of that. It's almost as if Brandie is inviting someone to come taste her tender starfish. Maybe even stick something inside of it? "I'm not really into butt stuff. Maybe in the future. For now I'm content just having my pussy pleased." And speaking of which, these photos are an example of how Brandie gets off. "I mostly just finger myself and rub my clit. I guess I like the feeling of flesh, even if I am just masturbating."

Kandi Kobain

Juan Largo

This was Kandi's first fuck scene with us in nearly four years. Although she considers herself to be comfortable in front of the camera, Kandi admitted she was a little nervous this time around. "I guess since my modeling career started here, I wanted to make sure I did a good job in my scene. I had a little bit of the pre-fuck jitters! But they melted away once I took my clothes off."

If Kandi was nervous, it didn't show at all. She was just as horny and cum-hungry as she was when she first shot with us in June 2008. She rocked this cock, sucking it nice and deep so we could see it poking through her cheek, then squeezed her tits together as a makeshift pussy for it. Kandi gave this cock a nice hard tit-fuck, and an even harder, hotter fuck with her pussy. She screamed and moaned and talked dirty throughout the entire drilling, asking for more and more cock, deeper and deeper in her cunt.

Kandi should never feel nervous before fucking, whether it's in front of the camera or off it. She's a natural at pleasuring cocks. She has the kind of enthusiasm that only comes from a true love of sex. "I don't see myself retiring from modeling for a long time. I enjoy it so much; I couldn't imagine just having a regular, boring job. I'm great at sex and I love to fuck, so I feel so lucky to live the life that I have. I get to be naked and have amazing sex with big-dicked guys. What more could I ask for?"

Big-breast connoisseurs all agree, Kristina has a pair of world-class tits.

The Dominican beauty has perfect mocha mams. Even by big-tit standards, Kristina's boobs are huge. Readers have fallen in love with the sheer size and fullness of her hangers. And we are so thankful that such a big-breasted beauty shoots hardcore. You can see her latest XXX scene in the DVD *Cocoa Nut Busters 2* (available on page 9.) In the video, there's a lot of squirting going on. Kristina squirts her fuck-buddy with breast milk, covering his face and mouth. Then he sprays her tits down with lots of his ball-milk.

**Kristina's pussy is wet,
but it's not only because
she's in the shower.**

Diamonds aren't always a girl's best friend. In Kristina's case, it's her showerhead. She told us she often uses it to masturbate and loves how discreet it is. "On the days I don't have sex, I love to take a long shower. I make it very hot and steamy, and then I put the water on my pussy until I have my climax. It feels almost as good as sex. I've been masturbating this way for as long as I can remember. It's better than fingers!"

**Kristina is offering up
her big, soapy tits.**

Kristina is the silent, giving type. She doesn't like to talk too much, but she will make sure you're taken care of. That's why the first thing she does whenever she fucks is give guys a faceful of her ample tit-meat. Then she makes sure to smother your cock with her tits, and suck it, too. "I know what men want. They want my tits. I never met a man who didn't want to play with them."

"I love wearing sexy lingerie and taking it off!"

In the past year or so, Sarah Rae's boobs have been growing at an incredible rate, and she was no longer able to wear her old bras. This was the first bra and panty set she bought online for her new curves. "This is my favorite bra and panty set ever! It's so pretty and it's comfortable, too. Even though it's not going to stay on, I love the way it looks, and I hope the guys do, too."

When Sarah doesn't want to wear a regular bra, she uses a "hand" bra.

A hand bra is just what it sounds like—when a girl holds her boobs up with her hands. Here, Sarah is doing a variation of the forearm hand bra, only she's a little slack on the support. But that's okay! The spillage is hot. Just imagine, her tits are so big she can't contain them with both arms!

"I'm sexually assertive. I like to make sure I get what I want."

Sarah's confidence practically radiates off her photos. You can tell by the way she carries herself and the things she says that she's proud of her body and her sexuality. So naturally when it comes to sex, she isn't afraid to go in for the kill. "I definitely initiate sex. I'm not going to just wait around while I'm horny! I've been really busy lately so I haven't been having sex as much as I'd like. So when the opportunity arises I don't waste time. I love being teased and all, but I don't like waiting too long to get the ball rolling."

off. She has the most beautiful hair and eyes I have ever seen. I could just get lost in those blue eyes of hers. Thank you for the great photo of her pussy on page 24. I could just imagine sticking my tongue in her hot hole and tasting the sweetness. She has such a nice, tight pussy. I would love to tongue-fuck her then fuck her for real with my cock. Her asshole also looks like it's ready for a good tonguing and dicking as well. The way she spreads her asscheeks makes me think she likes to do anal. If so, that would be a real treat. I don't think I have seen a redhead girl do anal in

Alyson's Areolae

Dear *XL Girls*,

I have a feeling that Alyson Galen is going to be the newest superstar over at *XL Girls*. She has an excellent pair of tits with very interesting areolae. Her melons and areolae are wonderfully enormous, and I love her milky white skin and dark hair. Alyson is

JASMINE JONES

XL
DEBUT

Welcome Jasmine to XL Girls. We have a feeling she's going to fit in just fine.

See Jasmine's tits in the photo above? That's exactly how she likes them, up and in your face. "Shelf bras are my favorite because I like to have a lot of cleavage. They're hard to find a good fit in my size though. As for the rest of me, I like clothes that hug my body. I enjoy showing off my curves. I like to be pleasing to the eye. It makes me smile when someone else looks at my tits."

What else does Jasmine like?

"I like to watch other people get off to me, whether I'm masturbating, having sex or just hanging out naked. I enjoy masturbating on my webcam for all to see. I also love cum. I love it all over my face, dripping from my mouth and just everywhere. I have swallowed a few times but I really enjoy seeing it all over me."

**Jasmine is making
her way through
her fantasy sex list!**

What struck us about Jasmine (besides her juicy figure) was how proactive she was about fulfilling her fantasies. "I wanted to try group sex, so I had a foursome at a friend's house. What I would like to try next is having sex in public. I imagine I'd be in a skirt with no panties underneath. It'd be in a dark booth or on the dance floor."

totally the plumper next door and I'm so glad her boyfriend sent her to *XL Girls*. I would love it if this cutie did hardcore, especially interracial. I would also like to see a photo where she is doing a hands-free self-sucking pose with her enormous boobs. She is the perfect candidate for a tit-smothering video. February's Finest

Dear *XL Girls*,

Thanks for the six issues a year change. There is more than enough demand for quality big girl/huge tit magazines. Please include in every issue at least two *XL* girls with XXXL tits like Anorei Collins and many others her size and style. Big girls that are more than half tits are well represented in other sites and magazines. Offer bonuses for the biggest tits.

My favorite tits in the Feb. '13 (SP241) issue are on Alyson Galen. I love their huge size and extra low down areolae. I also love Adriana Avalon's tits. They're huge with big, red, off-to-the-side nipples. Shyla Shy's late preggo layout is fantastic. I

love the oil-soaked, full-bag tits and sexy, big belly. The last photo shows her about to deliver! I like that XL features girls from *SCORE* and *V-mag* when they qualify: preggos like Shyla, girls that grow bigger curves like Arianna, also extreme huge hangers tits like Miosotis should qualify.

In upcoming issues and DVDs please include some wild milking scenes. Not just a drip here and there. Have a tit-lover helper squeeze her tits hard like a super soaker, then pull her tit up and spray milk in the girl's face. Empty both tits on her face. Also, tit-fuck the milk bags and give her a triple facial-sperm and milk for a total makeup meltdown.

Next, several XL girls mentioned in layouts and interviews that they like their tits slapped and spanked. Please consider producing an XL tit slap DVD series, including other rough tit play with full-stretch tit lifts and drops for tit/belly slaps. And in mag layouts have every girl do a self tit suck (hands off) pose. Glad to see Anorei Collins is included in *Super Sized Rides 3*. I will place an order soon. She has the size and style tits—huge and hung to the waist or lower—I would like to see a lot more of in *XL Girls*. Thanks again.—B.S., Las Vegas, Nevada

Kacey Rules

Dear *XL Girls*,

First, let me start off by saying how much I love *XL Girls* magazine. You always have the hottest girls with hte biggest tits. The quality of your work is top-notch. And as always, your Feb. '13 (SP241) issue was excellent. With so many hotties packed in there, it was hard to choose my favorite, but I think I have selected a winner. It was no easy task, but Kacey Parker was my favorite girl, with Alyson Galen in a very close second. Kacey's personality really shines through in her photos. You can tell she is a confident, fun and horny big girl. I really liked the photo of her squeezing her sexy, round tummy. More girls should proud of their soft bellies the way Kacey is. She has a sparkle in her eye and the brightest smile. Those full tits of hers and her tight slit are both very enticing as well. I can't wait to see her in a hardcore layout and video. I know she is going to rock it!—F.F., Richmond, Virginia

When you see Kacey's photos, you know she's good at sex. She eye-fucks the camera and gives it everything she's got.

Kacey Parker Johnny Champ

Before we saw Kacey fuck, we already knew she was going to be wildly cock-hungry. It was good to see that our prediction was right when she shot this scene. She is practically salivating before this guy even gets his dick out of his boxers. Once it's out Kacey gags on his cock and says, "I've been a bad girl. Spank me with that big cock. Get that precum all over." And she's just getting started!

You know what makes Kacey a good fuck? The fact that you can tell she's having a good time. She loves choking on a cock and uttering the filthiest things. "I'm a hungry fucking cock whore," she says before getting on all fours for a hard pounding from behind. She bites her fingers and clenches the sheets, holding on for dear life as she's taken on a wild, bumpy dick ride.

A woman with large, dark brown, wavy hair is posing for a photograph. She is looking directly at the camera with a slight smile. She is wearing a silver chain necklace with large, clear, teardrop-shaped pendants. She has a heart-shaped tattoo with wings on her upper left chest. She is wearing black lace underwear. Her hands are resting on her hips. The background is a simple, light-colored wall.

Because Kacey's dirty talk is so hot and raunchy, here are a few more gems from this scene: "You're in me so deep. My pussy is so creamy on that big ol' fucking dick. I love your balls slapping my ass, reminding me who's been a bad girl. Punish this pussy, beat it up. This is your pussy...Making my big ass titties jiggle as you fuck me." And for the grand finale she asks for a "mask of cum" all over her face. Now just look at these photos, imagine her saying that and let your load go! (Check out the video on XLGirls.com.)
