This is the photo of Skye Sinn's "fun zone" that Andy is raving about. But just imagine it as a full-page photo. Do you enjoy pussy close-up shots?

### Skye Sinn's debut left a lot of readers breathless!

Dear XL Girls,

I've just finished checking out the July '13 issue (SP250) for the 9th or 10th time. Great girls overall. The new girls Nixie Knight and Kendra Lee Ryan are hotties who definitely "got my attention" more than once—if you know what I mean. The other debut babe, Christina Klein, doesn't do it for me.

But newbie Skye Sinn, the super-sexy blonde bomber totally blew my mind! I see her quickly becoming an XL superstar, especially if she sucks and fucks a stud or two. God damn the girl is fuckin' sexy!

When I read that she has no gag reflex, loves giving BJs and gargles before she swallows, it left me breathless. But the full-page up-

close shot of her sweet, inviting, damp cunt and tight pooper is probably the hottest fucking photo you guys have ever published in the mag! I'm ordering another copy of the issue because that page is coming close to being ruined.

Please feature Skye again and again and again. I can't get enough of her.—Andy, Austin Texas.

*Andy's email is the most exuberant of many letters and emails we received, all of them raving about Skye. Rest assured, guys, she will be back! She got it on with some of our studs, and one of the sessions was captured on video and is included on our new DVD, Large Lovin' 3. (See outtakes on pages 20-27 and ordering info on page 87.)*

### Jasmine Jones and her Fuckit list

Dear XL Girls,

Jasmine Jones who was a newbie in the May '13 issue (SP247) is my kinda girl. Seems to me that she's a bit older than some of the gals you show us, but she's sexy as hell and she's from Texas. I like her dark hair, beautiful eyes, awesome tits and juicy pink snatch

She said she has a Fuckit list and she's already

Jasmine Jones

had a foursome. If riding with a trucker and banging him senseless in the sleeper for a few nights is on her list, I volunteer to help her cross it off. I regularly go out of Dallas to Philadelphia or Baltimore and I'd be delighted and honored to have Jasmine ride with me.—T.J., Dallas, Texas

### "I fell for Kendra Lee!"

Dear XL Girls,

With the first layout of new girl Kendra Lee Ryan (SP250), you guys wrote, "If you don't fall for (her),

Kendra Lee Ryan debuted in our July '13 issue (SP250) and won a lot of fans, many of whom said they're not usually into tattoos, but with her....

you shouldn't be reading this mag!"

Well, I did! Who wouldn't fall for a sexy babe like Kendra Lee who can work a stripper's pole, deep-throat a dick and even squirts when she cums? And she's a Philly sports

nut, too? Marry me Kendra Lee!

I'm not really into tattoos, but I'd accept hers, any day. I'd kinda like to see her getting fucked, but I'd be goddamned jealous as well.—Jack, Philadelphia, Pennsylvania.

*Jack wasn't the only guy who fell for Kendra Lee, and she will be back, sucking and fucking! You can see her in action in Large Lovin' 3, too.*

### Bailey Santanna, preggo

Dear XL Girls,

I love preggo models, but I couldn't tell you why if you had a gun to my head. I'd like to be fucking the girls, but I wouldn't like to be the baby daddy to any of them.

We know preggo models are popular. The latest one in the mag was Bailey Santanna—six-months pregnant—in SP247. You'll see her fucking, soon.

You've given us Shyla Shy pregnant (SP241) and the super-sexy Bailey Santanna, six months preggo (SP247). I hope there are more on the way.

Bailey is as close to being my dream girl as any girl I've seen in the mag. I would love to motorboat her awesome tits, lick her till she cums, then fuck her every way she could think of, twice a day, every day.—Wayne, San Diego, California

# CONSIDER THIS...

Would you like your woman to come home with her nipples or areolae tattooed? We doubt it. This cute nip belongs to V-mag's Natalie Fiore.

## Nipple tats are coming to America

Nipple and areolae tattooing was originally created for women undergoing breast reconstruction. Now it's becoming the latest cosmetic fad for coloring and enlarging the nipples and areolae. It's getting popular in the United Kingdom and will soon be available in the United States.

The two-hour process can cost over \$1,000 and results in a tattoo that lasts from 12-to-18 months. Regular touch-ups are needed because the inks fade over time. The nipples are anaesthetized during the procedure.

A spokesman from the British Association of Aesthetic Plastic Surgeons stated, "If women are going to get it done, they need to go to a proper medical tattooist rather than go down to the local tattoo parlor.

"I'd recommend women give it consideration and thought because it's permanent and you don't know what the effects will be as the breast changes over time. The nipple-areola complex will also change with pregnancy, so women really need to think about their futures."

## Booze over boobs is the latest product

G-Spirits, a German liquor company, is marketing limited edition vodka, rum and whiskey that is poured over a model's naked tits before bottling.

"The G in our label stands for gentleman," a company spokesman said. "To create the perfect taste, we let every single drop of our spirits run over the breasts of a special woman, one whose characteristics we saw reflected in the liquor. We have a special basin made out of glass. After the liquor is poured over the breasts, it

From the photos on the website, it seems that the girls that G-Spirits employ are just as stacked and sexy as SCORE model Alura Jensen is.

runs directly into the basin."

"Afterwards, the spirit gets analyzed in a laboratory, then it's bottled. We pay high attention to having an hygienic filling process and medical personnel are present to verify that everything is in order."

An exclusive photo of the chick

the liquor was poured over is packaged with every bottle. Bottles of G-Spirits sell for over \$100. That price alone could cause a hangover. Even so, how much would you pay for a bottle of vodka poured over your favorite model's hooters?

You can get more information and see the girls at: [gsprits.com](http://gsprits.com).

## Now you can lick a bacon-flavored pussy

Can't get enough bacon, even when you're getting hot and heavy with your babe? Well now you can combine two of life's greatest pleasures, bacon and pussy.

Show her that you're a true bacon-lover by using baconlube, the world's first and only bacon-flavored massage oil and personal lubricant.

J&D's baconlube is water-based, proudly made in America and is the gold standard of meat-flavored massage oils. Its even vegan-safe.

It's just \$11.98, plus shipping, from JDfoods.net where you can find a plethora of other bacon-tasting, bacon-scented and bacon-promoting products to eat, drink and wear. They even offer bacon-flavored condoms!

Would you actually consider using some bacon-flavored lube if Anna Kay was inviting you to eat her out?

As we said in the last issue concerning Shyla Shy, we know how popular preggos are with many of you guys and we're working on getting more...as best we can. Obviously, many of you would selflessly volunteer to "help out" in getting more prego models, but....

For you, Wayne, Bailey will be in the mag again soon as she fucked one of our studs when she visited our studios.

## What a cum shot!

Dear XL Girls,

I have to say that seeing the models sucking dicks, tit-fucking and getting banged in the magazine doesn't do much for me because I'm not the one getting any of the action. (I get off on solo layouts of the girls when my imagination gets to run wild.

But I really enjoyed the layout of Kacey Parker going at it with Johnny the stud in the May issue (SP247). She seemed to be really getting off. The full-page, up-close photo looking down on Kacey with her face covered in jizz and the dude's dick by her cheek, while she's working on her nipples, was an awesome way to finish up the layout and the issue. Kudos to the photographer for grabbing the shot.—Pete G., St. Louis, Missouri 

Pete G. enjoyed seeing Kacey Parker fucking (SP247), but says he only gets off to solo layouts because he's not the one getting laid. Do you agree?

# JAZLYN SUMMERS

**XL**  
**DEBUT**

## Her nickname's Creampyepussy!

Any girl with big boobs and a big butt and the nickname "Creampyepussy" certainly qualifies for inclusion in *XL Girls*. Jazlyn is a cam girl our studio talent-seeker found during her daily search for sexy, fleshy babes. *(She is the first of several cam girls in this issue)* The Carolina cutie has a feisty, lusty, man-pleasing personality...and she's fuckin' hot-looking! This is what she says about herself, "I love my breasts and the attention they get me. I love to shake my ass and tits for men. I love sucking hard cocks. Thick girls do it best! I love cum. That is my fetish."

## Jazlyn's a horny wee minx!

"I masturbate every day," Jazlyn said. "It's a great stress reliever. I love to watch porn when I do, especially threesomes. My Rabbit is my favorite toy to cum with, but sometimes I just use my fingers. I'm horny all of the time! I dream of a man who can fuck my mind before he touches my body, so that I cum without his touch." We told you this babe's hot.

# TALE OF THE TAPE<sup>2</sup>

Born: May 18 Age: 33  
Ht: 5'3" Wt: 180 lbs. Bras: 44DD  
Measurements: 44-38-45  
Dress size: 14 Shoes: 9  
Lives: North Carolina  
Occupation: Cam girl

## What's your sex life like?

"I tend to be assertive when it comes to sex," Jazlyn said. I like lots of foreplay with kissing and having my nipples sucked and teased, then I like to ride a cock hard. But my favorite way to screw is definitely doggie-style. And if that leads to my butt hole being licked and then crammed with a cock, so much the better. I like girls, too; eating pussy and being eaten out. I've had threesomes with two guys and with another girl and a guy and loved all the combinations. I've screwed in cars in parking lots and on the beach. Sex—both orgasms and actual screwing—is a big part of my life these days."

# VERONICA VAUGHN

## Welcome back girl...lookin' good!

We last featured Veronica—all glammed up—in our May '10 issue (SP195). But, when she's not working or going some place special, she dresses down. So, what's changed for her? "I'm still dating occasionally and getting laid, and masturbating a whole lot," Veronica said. "I love getting myself off in front of the web cam, knowing that guys are watching me and jacking off. I have real orgasms; I don't need to pretend. I guess it's because I've cum so much that I often squirt. Guys love that and so do I."

**You call your-  
self an apart-  
ment nudist?**

"Yeah, when I'm home alone, I'm naked most of the time. I sleep naked, too," Veronica admitted. "I always have a robe by the door in case anybody stops by. If I've had a guy stay over, I'll stay naked in the morning while I'm cooking him breakfast because, hopefully, seeing my bod will get him going again for another session in bed. I'll be ready and willing for whatever he wants to do."

## What kind of guys do you usually date?

"I usually go for older guys," said Veronica. "They are more mature and experienced and know how to treat a woman right. The oldest guy I ever dated was 49. The first guy I ever had sex with was about 12 years older than me. He was gentle and patient and losing my cherry to him was a wonderful thing, so I've liked older guys since."

## Almost Given Up Now I'm a Believer

I should have been happy, but I was reluctant to go out that night. I'd been divorced for almost a year, and my buddies were always trying to set me up with some "awesome, hot chick," but I hadn't met one that I'd been attracted to. I really wanted to get out of it, but it was my brother's stag night so I had to go.

Jayce picked me up in a stretch Hummer limo with some of our friends. They were already well on the way to being buzzed. I sat there trying to get into the mood, but it was eluding me. I kept wondering what was the point? I'd never meet anybody while I was with the guys. I'd spend a pile of cash and have nothing to show for it but a hang-over in the morning.

The plan was to hit a nightclub before going to a strip club. Jayce's best man had organized a reserved area at the back of the club. I quickly found a seat in the corner.

"Fuck, Matt," Jayce said, handing me a Jack and coke, "Try and get into it, will you? You look like an old man sitting there like that."

I knocked back most of the drink and followed him between the tables

to the dance area and we stood on the fringe watching, glasses in hand. A cute babe took Jayce's arm and dragged him onto the dance floor. As soon as he was out of sight, I went to go back to the table, but a hand softly touched my back.

When I turned around, I looked into the greenest eyes I've ever seen. They were sparkling, and when she

**I squeezed a handful of flesh, marvelling at how soft she felt.**

smiled her whole face lit up.

"Would you like to dance?" she asked, taking my glass and putting it on a table.

I nodded stupidly as she led me away. The music slowed to an 80s ballad and we were crushed in the crowd. I wasn't much taller than her, and her large tits were squashed into my chest. Her cleavage pushed up and I noticed slight darkening where her nipples were. I had the almost

uncontrollable urge to touch them.

The DJ read the mood of the crowd on the dance floor, and slow song followed slow song as we danced. I moved closer against her. I slipped my arm around her and pulled her in towards me until our mounds were almost touching.

She moved seductively to the music. She had an innocence about her, and I found her the most desirable woman I'd ever encountered. Warmth oozed from her, her happy face was infectious and for the first time in a long time I found myself smiling without having to force it.

I pulled her into me. Her hair tickled my nose and I breathed in her scent. She sighed, and I felt protective of her, as though I'd known her for years. My hand strayed downwards over her ass. I squeezed a handful of flesh, marveling at how soft she felt. I didn't even know her name and here I was grabbing at her ass as though she was mine.

"Sorry," I whispered. "I don't even know your name."

"Angelina," she said, "but everyone calls me Angel."

**You want a girl back,  
we bring her back!  
So...here's Alice!**

Alice last stirred up the troops with an appearance in our February '12 issue (SP222). That layout generated a lot of fan mail. As one guy put it: "Alice is my kind of girl: freckled and big-titted. I hope she decides to do hardcore. She has so much potential to be one of the greats! I would love to see how her huge breasts look tit-fucking a cock. But you'd have to find one very well-endowed guy to be able to handle that rack." Any volunteers?

## What is your sex life like, Alice?

"I like oral every day—giving and taking—and screwing every other day. But what satisfies me the best is getting off during foreplay," Alice said. "That combination keeps me happy and satisfied. I don't need to be in a bed to go for sex. I've banged a guy in the bathroom on the Santa Monica pier, and I screwed another guy on the ground in the middle of a forest. That was awesome because I could scream as loud as I wanted to. I fantasize about having sex in a hot air balloon."

**"Basically,  
I'm a total  
tomboy.  
Always have  
been"**

## A quick Q&A

How does a guy attract Alice's attention? "That look in his eyes that tells me that he wants me," she said. "It can't be faked. Eyes give it all away. I also look at a guy's fingers to see if he can play a musical instrument...well, a guitar. I really go for guys who can do that." How does Alice dress when she goes out? "I usually wear a movie T-shirt and a simple skirt. And I always wear a bra. A girl with 40HH tits like mine has to. It's a must. Basically, I'm a total tomboy and always have been. But I guess my breasts kinda give me away as being a girl." Ya think? Is Alice not the sexiest fuckin' tomboy you've ever seen?

# SARAH RAE

She's very conceited about her boobs

**Interview by  
Dave Rosenbaum**

*Sarah is a cute as hell girl-next door who has a delightful giggle and an awesome pair of titties that she's proud of. She is delighted at the attention she's receiving from XL Girls readers and on the website where she is currently the most popular model.*

**You're just sitting there bouncing your boobs. Do you bounce them when you're out and about?**

Hey, I'm a professional big-booby bouncer. I don't do it much when I'm walking, but sometimes when I'm sitting in a restaurant I do find myself doing it. It's like second nature to me now.

**What reaction do you get?**

People stare at them...at me.

**And waiters hang around you.**

No, not much because that would be creepy.

**You've been called vivacious? Is that true? How would you describe yourself?**

I'm bouncy, peppy, smiley and bursting with boobs and love.

**How big are your boobs?**

They were double-Js the last time I got them measured in a store.

**A store? Don't tell me it was a guy who got to do it?**

No it was a girl in Victoria's Secret. She measured them and I took the measurements home and googled them. They had nothing for me: nothing above a double-D.

**What was the girl's reaction?**

"Holly crap, you got a lot of boobs there, girl." She was nice about it. But she couldn't help me with a bra.

**Yeah, they have nothing above a double-D there, and even they are smaller than usual, just to make customers think they're bigger than they really are.**

That's right. Actually, back when I was double-D I went in and got measured.

**What? When you were nine?**

Well, I was in 9th grade, actually. (Laughs)

**You must be very proud of them.**

Yes, I'm proud and very conceited about them. I'm always showing them off and talking about them.

**Conceited? In what way?**

I just think they're extremely amaz-

ing, and I'm always trying to show them off and always talking highly about them. My boobs make me happy.

**Trying to show them off in what way?**

Well, I always wear really low-cut and tight shirts, and sometimes I wear bras that are smaller than my actual boobs to give me lots of cleavage. It doesn't hurt

and luckily I don't have back problems.

**Are they the same size?**

The right one is a little bit bigger.

**So, you're 24 with double J-cup boobs. How old were you the last time you were a D-cup?**

About 12.

**Sarah hates it when her tits are trapped and confined.**

**Have you always liked your boobs?**  
Yes. Absolutely.

**Was there ever a time when you said, "Wow, I wish they'd stop growing?"**

No. But I'm a little worried about them getting past a K-cup, because the letters past K don't sound sexy.

**Why? Are they still growing?**

I have no idea. But they were a double J last year, and I've actually lost weight since then.

**So, you like being stared at?**

Yes, and I often stare at them myself. I always check myself out when I pass a mirror, and look down at them when I'm sitting down.

**Do huge boobs run in your family?**  
Both of my grandmothers had huge boobs, so I guess that's where I get them from.

**Do you always wear a bra?**

Most of the time. Sometimes they can be annoying. I hate it when my boobs feel trapped. If I'm going out somewhere nice I will, but if it's just running to the store, I don't bother. Actually, I usually go naked at home.

I do everything naked, even cooking.  
**What's your typical experience with guys and big boobs?**

It depends on the guy. A lot of guys like them and a lot of guys don't. It was explained to me that when guys are younger, they really like them but they are more secretive about admit-

**"A guy cumming inside me feels natural ...feels right."**

ting it. But when they get older, they are not worried about showing it. I love my boobs and anybody who loves them.

**You are a webcam model. Do you use Skype or what?**

I'm on Streamate and I use a Microsoft LifeCam.

**When guys come on to see you and your beautiful boobs, what's a typical request that they make? Wave to show me you're real?**

Yes, and they want me to take them out of my top and play with them. I take them out and bounce them. I can do it synchronized and I can swing them and bounce them without even bouncing my body. I have muscles that can do it: my chest muscles. I think I'm very talented. I can do hands-free nipple sucking, too. I can do one easily, and I'm working on doing both at once.

**Are your boobs heavy?**

So I've been told. My gay friends are jealous of them and always like to touch them.

**So, do the guys on the webcam get around to asking to see your pussy or have you play with yourself?**

Not very often, actually, but that doesn't bother me.

**Have you ever been with a guy sexually and had to remind him that you've got a pussy?**

(Laughing) Sometimes. They just get lost in my boobs. But I really don't mind too much because I can have orgasms from titty fucking and getting them sucked. (blushing)

**"I can cum when I'm tit-fucking a guy or when he's sucking my nipples."**

**So, lying in bed masturbating and you suck your own nipple?**

*(Still blushing)* Yes, and I suck on them even if I'm not masturbating. **What? Like walking about in the supermarket and you pop one out to suck on?**

I'm not that bad! *(laughing)*

**Okay. You're out in public. Should a guy make comments about your boobs, yes or no?**

He should tell me that I'm beautiful...gorgeous. Say something positive about my figure.

**What's the wrong thing to say?**

"Does your back hurt?" "Can I suck on them?"

**No? Really? Guys have asked you that?**

Yeah, it happens quite often.

**Do women look, too?**

Oh yeah. I was nearly picked up by a pregnant lady in a bowling alley one time. She was telling me how beautiful I am and how she loved my boobs. She tried to get me to have a threesome with her and her husband. I didn't go for it.

**Do you like girls?**

Yeah big-boobed girls and tiny, petite girls, too.

**Why tiny and petite?**

They're so cute.

**Have you ever been to bed with a girl?**

Yeah a couple of girls. But I prefer guys.

**Ever had a threesome?**

Yeah, with a girl and a guy.

**What kind of guys do you like?**

A guy must have a sense of humor. If you can't laugh with me, what's the point.

**Of course when you giggle, your boobs jiggle?**

It's nothing but a benefit for them. They get to hear my cute giggle and see my tits wiggle.

**I've read your model questionnaire. What is light BDSM? Explain please?**

Well, I like to be a little bit tied up. I like my booty spanked. I don't like anything serious, just my hands tied up.

**So you like the guy to be in control?**

Sometimes, but sometimes I like to take charge.

**You like to have your boobs played with?**

Ooh yeah!

**"I'm working on hands-free nipple sucking. I haven't managed to do both of them yet."**

**You like to be on top for sex?**

I love to be on top!

**Your boobs are in his face?**

Yeah, I love that.

**So that's how you get off the best?**

Yeah.

**Do you titty-fuck?**

I love it. I'm good at it. I can really work the guy over. Sometimes I cum from the titty-fucking, too.

**What else do you like? What's your favorite thing?**

It's a guy cumming inside me. It feels natural...it feels right.

**That's a very cool thing to say.**

**Head? Are you a giver or a taker?**

I love them both the same.

**What makes for a good blow job?**

Well, I enjoy it. I actually love giving it. It makes me happy. I don't just sit there with a dick hanging out of my mouth and think, "Oh, I gotta do this again because he wants it." I really get into it.

**Are you a spitter?**

No I always swallow.

**Do you like teasing?**

I like to be caressed and I like to be excited till I'm almost cumming, then back off and start again.

# MICHELLE MAY

## Michelle is back again!

Michelle was last featured in our August '11 issue (SP214). Since, then a lot of you have asked to see more of her...and who wouldn't want to? We asked her to talk about sex. "I like bondage, I'm a bit of a masochist and I'm very assertive" she said. "A fantasy that I often masturbate to is screwing in a burning building with my own fire captain." (Wow!) "I've had sex in some unusual places—like on the 50-yard line of Rice Eccles Stadium at the University of Utah, and been part of a foursome when we all screwed on a sofa. What can I say, I love screwing!"

## Michelle is a big sports fan.

"A girl with a rack like mine gets into sports by never really getting along with girls," said Michelle. "I say what I mean and I mean what I say. So girls think I'm a bitch. But guys don't. They appreciate my bluntness. So I prefer to hang around with guys rather than girls, and being around guys a lot, I've watched and learned to love sports." If that's not another great reason to love this sexy plumper, we don't know what is.

## What is "a great fuck" for you?

"A really memorable fuck involves both of us getting a bit rough with clothes being torn off, both of us panting and sweating, me being banged hard doggie-style and begging to cum, with a bit of scratching or biting thrown in," Michelle said. "I can describe it so well because I've had pretty much that a few times with different guys, and I'd love more of it."

A woman with long, wavy brown hair and large breasts is posing for a photo. She is sitting on a brown carpeted floor against a blue background. She is wearing a dark brown, glossy, wide-brimmed bracelet on her right wrist. Her hands are resting on her thighs. The image is a full-body shot, showing her from the waist down to her legs. She is looking directly at the camera with a slight smile.

# Ashley

Readers often ask when we're going to feature new layouts of Ashley. The truth is, we don't know, guys. She enjoyed modeling and showing her amazing tits, but she was very shy when talk turned to sex. When we asked how she liked to masturbate and cum, she answered, "I can't tell you that. I'm a good girl." Showing her pussy and butthole for the camera? "Sorry, but no. I just can't do that," she said. The captivating, young, beauty therapist from Manchester, England is every inch a big-breasted superstar, but perhaps she's a shooting star.

## *A Shooting Star?*

We first shot Ashley in our London studios, then flew her to a private beachside pad on the beautiful Dutch-French island of St. Maarten in the Caribbean. We filmed the DVD *Ashley's First Time* on this tropical paradise, and mother nature blessed her with beautiful weather. Ashley doesn't smile much in her photos, but she looks content. Let's face it, she looks so damned good that she can afford not to smile...or show her pussy. We published layouts of Ashley, readers loved her, and she won 2009 Newcomer of the Year in both *SCORE* and *Voluptuous* magazines.

## She visited us to fuck!

This sexy Latina fuck doll—she's only 5-feet tall—wasn't interested in posing solo when she visited our studios: she just wanted to fuck for photos and a video, too. "I need a lot of sex," said Salena. "What you see me doing in my videos or photos is what any guy would get from me if we were fucking. I put everything into every fuck and don't hold anything back. I love to please guys and take good care of their cocks and having them cum always gets me off, too."

## Her taste in guys

"I like tall, strong, good-looking guys who have muscular arms and who smell good," said Salena. "And they must act like a gentleman and treat me properly. I'm easy to please when it comes to dating. I love to go for a walk on a beach in the moonlight and follow that up with a slow, romantic dinner. Then, if the guy is making my pussy tingle, he'll be in for a long, sweaty night of anything goes sex. And I mean all night!"

A woman with long brown hair, large breasts, and thick thighs is posing for a photo. She is wearing black lace underwear with a pink ribbon. She is smiling and looking at the camera. The background is a blue wall with a framed picture of pink flowers.

She swayed against me, her breasts rubbing against my chest. Neither of us wanted to stop, so we kept going till the DJ said it was break time.

"Do you want to get some fresh air?" she asked.

"Sure." I followed her out to the patio at the rear of the club. It was deserted. I couldn't take my eyes off her. She had a voluptuous body and she looked sexy as hell. My ex-wife had been what most guys called, "Sexy." She was thin and almost brittle to touch. She got implants and they were fucking awful! Playing with her tits before sex was like kneading basket-

balls, and I hated having to do it but I did it to please her...and to get pussy.

Now I had this super-curvy chick tempting me with her sweet and innocent disposition. She was a real woman; there was nothing fake about her. I wondered why I'd never before gone for a girl like her. I'd always chased after skinny, conceited bitches who worried about how they looked and what people thought about them.

We found a secluded area behind some potted palm trees.

"You know my name, but I don't know yours," she said.

"Sorry. I'm Matt," I said.

"Hi Matt." She moved in close and touched my lips. I could smell Midori on her breath, sweet and tantalizing.

I kissed her finger, then sucked it into my mouth. She leaned in and kissed me back, her finger still in my mouth, teasing me as she ground herself into me. I could feel my dick beginning to grow, and I heard her murmur of approval.

My hands found her waist and then travelled upwards, under her top, to her breasts. They were huge, soft and pliable: definitely nothing fake about them. I unclipped her bra at the front and peeled it away so her

## XL Lovin'

continued from page 74

tits were free for me to explore. She lifted her top and exposed them to me. I actually gasped. They were magnificent! The areolas were large and dark. Her nipples grew big and hard under my touch. I leant forward and sucked one into my mouth as she moaned with pleasure.

Now that I knew she was as interested in me as I was in her, I slipped my hand under her skirt and felt her wonderful thighs. They were warm to the touch, and I couldn't wait to get between them and feel the heat coming from her pussy. I trembled, hoping she wouldn't stop me.

She didn't.

Still sucking at one nipple then the other, I peeled her panties down and we managed to get them off over her shoes. She parted her legs, her stance now making it easier for me to explore her. I kissed her hard as my hands roamed over her beautiful curves. She was more than warm, she was hot! I found her pussy. Her opening was wet and ready for fucking.

She fumbled with my belt and trousers. We managed to get the zipper open and my jocks and trousers down to my knees. My cock was throbbing under her touch. Again she murmured her approval, and I felt it getting harder, the knob straining, wanting to fuck her. The slit oozed precum as she ran her thumb over it.

As my tongue slipped inside her mouth, I slipped a finger into her pussy. It was soaking wet and damned hot. I slipped in another finger while rubbing her hardened clit with my thumb.

"Oh, God," she moaned. "Oh that feels good! I can't wait...fuck me!"

She turned quickly in my arms and leaned over the table, her bare ass beckoning me in the moonlight. Her flesh was white, her skin unblemished. I ran my hands over her butt cheeks, then over her hips and moved down into her crotch and pulled her back against me. My cock was knocking her ass. I grabbed it and slipped it down her crack and into her cunt.

My dick was swallowed up immediately! I sunk into her further, my hands finding her breasts and squeezing them as I began to pump slowly.

She pushed back against me.

Perhaps my concerns about finding someone could be over. I hoped she didn't have a boyfriend, wasn't attached to anyone and would be willing to go out with me. I couldn't think too much more as my cock was being swallowed up by the most awesome fuckin' cunt it had ever been in.

We fucked steadily for a couple of minutes, both of us panting hard. Then I began to feel the pressure building up in my balls, a sure sign that I was about to cum. I tried to maneuver her around but she resisted me, urging me on.

"I don't want to cum yet!" I whis-

she wailed, gasp-  
ing for breath.**

pered against her neck.

"I want you to. I'm gonna cum, too. We can spend all night together ...if you want it," she gasped, peering back over her shoulder.

I couldn't hold back any longer. I gripped her hips tightly, squeezing her soft, warm flesh. She screamed in orgasm as she felt my dick twitching, but then muffled the cry as she looked around, making sure no one was watching us. I shot major jets of jizz into her cunt, groaning as she moaned and pushed back against me.

As I shuddered against her back, she gently moved me away. She turned to face me, kissing me gently.

"You're sexy," I said.

"I'm not a slut, you know."

I was shocked. "What?"

"I hope you don't think that I do this with every guy I've just met," she whispered.

"I didn't think anything like that. Just for the record, I've never done anything like this, either."

"Do you want to go to my place?" she asked. "It's a half-hour away."

"Mine's less than 15 minutes," I said as I pulled up my trousers.

We left quickly, not bothering to say goodbye to anyone. But I did see Jayce's shocked face when I spotted him and waved. He must have wondered what the fuck was going on.

We hailed a cab and were immedi-

ately all over each other in the back seat. We didn't give a damn whether the driver could see us or not. Angel hadn't bothered to put her panties back on, and I wondered what the cleaning crew would think when they found them later.

I started fingering her pussy. She squeezed her thick thighs tightly, my hand almost disappearing as she ground against it. I was wild for her! My cock was ready to fuck her senseless in the comfort of my bed.

We almost ended up fucking in the elevator going up to the fifth floor. We burst through the door, tearing off our clothes as we made our way to the bedroom. Angel's flesh jiggled as she ran, totally nude, and threw herself onto my bed. Her legs parted for me as I struggled with my trousers.

I stared at her, she was awesome.

After a minute she said, "What? Is something wrong?"

She made to close her legs, but I pushed them apart.

"You're goddamned sexy," I said. "I've never seen anyone so hot."

Angel giggled as I crawled up the mattress, kissing the insides of her thighs as I went. She stopped giggling and held her breath when I reached her pussy. I pulled apart her flaps. Her pink skin was shining, still wet with our juices. I licked tentatively, then more forcefully as she held the flaps back so I could concentrate on her clit, teasing it with my fingers, then rubbing once I felt it throbbing. I slipped two fingers into her hole and began fucking, licking and rubbing her to the point of no return. Her juices gushed around my fingers and over my face as a big orgasm blew her away.

"Oh, my God! Oooh! Oh yeah!" she wailed, gasping for breath. Then a moment later she whispered, "That was fucking awesome."

I chuckled as I climbed up her body, kissing her mouth before lying beside her.

"Where have you been all my life?" I said softly.

She laughed loudly. "That's such a corny line."

"I know, but I don't know what else to say."

"When I saw you standing there with the other guy, looking as though you wanted to be anywhere but there, I thought I'd save you."

"You did. I was ready to leave."

"But you didn't..."

"Thank God for that! Jeez, you've really gotten to me. You're so sexy. So easy to be with. So fucking great to make love to," I babbled.

"Well, what are you waiting for?" she giggled.

I rolled her onto her back and she spread her legs and grabbed my dick, guiding it to her cunt. With one thrust I was balls-deep inside her. I fucked Angel slowly, cushioned on her large, soft body as we moved together. After a few minutes, she rolled over so I could fuck her doggie-style, gripping her hips and fucking her deep and

slow. I spread her big butt cheeks apart so I could really bury my dick in her hole. When I wet a finger and slipped it into her butthole, she moaned in delight.

But the very best thing was when she pushed me away, lay me on my back and climbed up on top of me. She lowered her juicy cunt over my dick. I held it there as she impaled herself on me, her pussy flaps opening as my knob disappeared inside her. Her mound ground down against mine, her tits jiggling, as she rode me hard like a mad woman, gasping for breath, her eyes squeezed shut and her hair flying. I grabbed a jiggling tit in each hand and milked her nipples, causing her to start a low, continuous moan.

As Angel's orgasm built up, I felt my cock ready to explode. We came together, thrusting and gyrating like wild animals; not able to get enough from each other. I couldn't tell you which of us made the more noise.

Later, as we cuddled. I stroked her soft flesh, marveling at her beauty. I'd found a woman I really wanted to be with. A woman I desired more than any other, who wasn't conceited, but was happy to please me. I really wanted to get to know her a whole lot better and spend a whole lot of time with her, in bed and out. It was one of the best nights of my life.

And to think I'd almost given up.

# VIOLET ADDAMS

## **Fucking might make her a superstar**

Violet debuted in our November '12 issue (SP236) and earned a large fan following. Of course, the most common question we were asked, was "When is she gonna fuck?" The time is now, horndogs! She came back to our studios to take on big-dicked studs for scenes which were captured on video and still cameras. The videos made it onto *Busty Anal Sluts 2* and *Wide Load Nymphos 3*. Here's what the still camera saw.

## **This babe is fucking hot!**

Violet is a girl who obviously loves having her bod worshipped, especially by a stud with a big hard-on who's eager to get at her with his hands, lips, tongue and cock. She may be new to *XL Girls*, but she knows all about hard grinding and riding and she makes all the moves you'd expect from a seasoned porn star. But she's not a bored pro, she's a horny girl-next-door who really cums when she's fucking and gets extra thrills from knowing she's being watched.

Violet and her lush body rocked her fuck buddy's world. Lucky bastard! She sloppy-sucked his cock like it was the last popsicle in Death Valley, worked it between her awesome hangers, took it into her hot, tight cunt, and then opened up her asshole to be fucked, too. What the fuck more could a guy ask for when he's sexing it up with a girl? "I love it in my ass. I enjoy anal sex." Violet gasped. We fuckin' enjoy you, too, Violet!
