The "we're-still-standing" issue of *XL Girls* (SP331) with seven debuts.

THE REPORTS OF OUR DEATH HAVE BEEN GREATLY EXAGGERATED

Dear *XL Girls*,

How great was it to go to my local adult superstore and see *XL Girls* back on the magazine racks! I thought my favorite magazine was gone forever being that it had been almost eight months between issues. Also, I thought I had read in *Voluptuous* magazine that *XL* was no longer being published, so I did a doubletake when I saw the new *XL*. At first, I thought maybe it was an old issue that I might have missed, but then I saw all the new girls on the cover (and the cover date) and was like, "Yes!"

Great issue. The seven new girls were superb but not entirely surprising since you hadn't published an issue in a long time. It's great to have you back. Now please tell me this is permanent.—R.M., Albany, New York

Dear R.M.: Well, as Benjamin Franklin said, "In this world, nothing can be

said to be certain except death and taxes." We can tell you that *XL Girls* is not dead. We can also tell you there's a good chance that your local adult store or magazine shop is going to charge you tax when you buy the magazine.

As for *XL Girls*' return...this is certainly a case of "back by popular demand." We received sacks filled with letters from disappointed and upset long-time readers, begging us to reverse our decision. Then we saw something we hadn't expected: sales figures for the issues of *XL Girls* that had led to its temporary demise were much higher than had been projected.

So here's the deal: *XL Girls* is back... kinda. Right now, we're taking it one issue at a time, depending on sales. Meanwhile, you have this issue, and we're also presenting more plumpers than usual in *V-mag*. Basically, let's all keep our fingers crossed.

MORE, MORE, MORE! HE NEEDS MORE ELLIE ROE!

Dear *XL Girls*,

Ellie Roe (SP331) is one of the best-looking models I've ever seen in *XL Girls* or anywhere else. Wow, she is sexy! She has nice eyes, strong, healthy hair and a wonderfully voluptuous fleshy trunk and upper arms. Great shape on her titties with nicely textured nips, ripe for sucking on. I would love to give her cunnilingus and a rim job. Such a beauty. Please give us more!—P.W., via email

OKSANA: NO TATS, SO SHE'S MORE BEAUTIFUL

Dear *XL Girls*,

Oksana Rose (SP331) is a beauty. Oksana, please do not make tattoos on your body because a beautiful, voluptuous body looks more hot and sexy without tattoos.

What's Ellie Roe thinking about as she fucks her plump pussy with a dildo? "I hope all the readers at home who are watching me enjoying myself are enjoying themselves."

What a beautiful, soft, curvy body. So young and plush! I would love to have my head slapped non-stop by those huge, soft, luscious funbags. Her curves are phenomenal. Here's hoping for an illustrious career for this beautiful young plumper. I can't wait for her next shoot!—M.G., via email

Dear M.G.: You can't wait and you don't have to wait! Oksana returns on page 44 of this issue with her first boy-girl pictorial. She's a sexy schoolgirl who gets pounded by her tutor. And if you want to see even more, the video version of that scene is online right now in the members area of XLGirls.com.

HE LIKES FAT GIRLS, AND LILA LOVELY IS HIS LADY

Dear XL Girls,

Lila Lovely (SP331) is a babe. So curvy and beautiful with her blond hair, which I love. I'd love to play with her tits and sniff her asshole. I don't like thick babes. I like fat babes, so I hope Lila keeps gaining weight. I love the photo on page 34 because you can see Lila's beautiful rolls.

I went to XLGirls.com and saw Lila having sex. I like the way she sucks cock. I wish it was my cock she was sucking. In one of the scenes, she's wearing pantyhose. BBW pantyhose definitely needs to be a thing. That video is now one of my favorites ever. I want much, much more of this. I've cum buckets to this!

Lila is a mature plumper. She's almost 40. Her maturity shows in her videos because she knows how to make love to a guy's cock. She

Lila Lovely has nothing to hide and is proud of every inch of her body.

knows exactly what to do with it because she has done it a lot.

I also liked the scene where Lila was down on her hands and knees and scrubbing the floor like a good wife should. Her titties are jiggling like crazy. Then the guy comes in and fucks her asshole. Lila's thighs and belly shake a lot when she's getting fucked in her ass. I like that a lot, too. I would do anything to spend a night with Lila.—J.C., via email

Dear J.C.: We also love Lila, which is the reason we made her one of the stars of the hardcore movies The Breast of XL Girls 3, Thick Chicks on Dicks Anal Edition 3 and Chubby & Fucked 3, all available on page 99.

And we agree with you 100% about the girls keeping their bellies exposed in solo and hardcore scenes. We often have to encourage the girls to do that. Often, they think they have to lose weight before shooting for us. We tell them, "We love you just the way you are. That's why we decided to photograph you." Or they try to cover up because

Cute chubbette Oksana Rose (SP331) has zero tats and piercings.

All of the performers/models, and all of the characters that they portray, were over 18 years of age at the time of the photography. The content is inappropriate for minors, and appropriate care should be taken to ensure that it is not viewed by anyone under 18 years of age.

We're certain Rose Blush (XL Girls #331) would get a ride in a heartbeat if she went hitchhiking in this get-up. The video version of this scene is at XLGirls.com.

KITTY: GREAT BODY AND A GREAT GIRL, TOO

Dear XL Girls,

I can tell everyone here that XL Girls has truly proven themselves to be dedicated to finding the very finest in BBW performers, as I've been watching some of Mischievous Kitty's work on Chaturbate for the past few months, and I was thrilled to see her in XL Girls #331.

I must say, she is not the average big-tittle girl as she has proven to actually have an intriguing sense of humor and winsome personality that makes her work shine. She is truly a brilliant combination of beauty and comedic talent.—A.O., via email

SHE SPREADS HER PUSSY WIDE. DOES THAT MEAN...

Dear XL Girls,

What a wonderful sex bomb of a lady (Susie Masterson, SP331). Sexiest girl ever. I love every part of her from her beautiful face to her long, lush hair to her big tits to her soft belly to that pretty pussy that she spreads so wide and proud. My favorite photo is the one where she's bending over and giving us a view through her legs of her spread snatch and ass and her hanging tits. About that spread ass...hint, hint? Susie says she has a fantasy about a guy using his tongue on "my nipples,

society has told them that thin is in. Not here, it isn't! To us, there are few things better than an XL Girl lying on her side and her round belly jiggling and shaking like crazy while she's getting fucked!

A GIRL WITH A BOD THAT CAN MAKE YOU BLUSH

Dear XL Girls,

Rose Blush (SP331) doesn't just have gorgeous curves. She has a gorgeous face, eyes, hair and smile. She is way sexy strutting about in full clothing, and when she disrobes and exposes her body that way, much of the Earth stops. Great girl and the body of a real woman. Rose has it all. She looks so beautiful and is so sexy and charming at the same time.

I enjoyed her interview, too. I hope to see lots more of this sweetheart.—S.B., via email

Dear S.B.: There's more of Rose to come, including videos at XLGirls.com. Rose also stars in the movie Super-Sized Sluts 2, available on page 99.

SUZUMI STARTS BIG...BIG COCKS IN HER ASSHOLE!

Dear XL Girls,

Seeing Suzumi Wilder (SP331) getting ass-fucked by JMac and Tony was definitely the highlight of the issue. She didn't start small, did she? Doing her first threesome with two

huge cocks...that's saying something. I don't know what it says. Maybe that Suzumi is one of the horniest girls in the world, but I think we already knew that. This is just further proof.

In my opinion, Suzumi is one of the most-underrated blondes in your magazine. I'd love to add my cum to those loads all over her!—L.B., Sacramento, California

When we asked Suzumi Wilder about her first anal three-way scene, she said, "Make sure you give me guys with the biggest cocks you can find." So we did!

Dear D.M.: She didn't, but we're going to keep asking. We can't imagine that a girl who shot such hot solo scenes doesn't have hardcore in her future.

HE LOVES LOLA RAYNE & LOVES HER TATS, TOO!

Dear XL Girls,

What an incredible new model! Lola Rayne (SP331) is a beautiful young woman with a very sexy body. I love everything about her: her hair, makeup, outfit, piercings, and body art. I love her purple hair and that wonderful, plump, soft body of hers.

Lola is an amazing find and the most-endowed woman I have seen in XL in more than a decade. What a fantastic first set! I can't wait to see what she does next.—M.L., via email

Dear M.L.: What's next? Lola is one of the stars of the movie Super-Sized Sluts 2, available on page 99.

You made some interesting comments about Lola's piercings and tattoos. For every letter we get from a reader who doesn't like piercings and tattoos, we get another from a reader who loves them. Certainly, they've become more accepted with each passing year.

Eight stacked naturals in the big-tit event of the decade!

ALSO AVAILABLE ON

When eight naturally stacked babes travel to the north coast of the Dominican Republic, their clothes come off for the wildest tit-to-tit action you'll ever see. It's a big-tit lover's dream-come-true, packed with the scenes you've fantasized about. **Helen Star** (black monokini), her sister **Erin** (green bikini) and **Daria** (blue monokini) are challenged to dive into a pool and collect colorful rings. As you can see in the bottom-left photo, they do so in very sexy ways. Below right (left-to-right), **Alexya**, **Codi Vore** and **Sha Razel** go tit-to-tit and get soapy in a shower. And (right) in a scene everyone's been begging for, sisters Erin and Helen get off side-by-side in bed and with a tit-fucking machine.

It's time for some bikini stuffing! When this scene opens, the **Star Sisters** and **Kitty Cute** (far-right in the large photo on this spread) are enjoying a beer poolside. They're also tit-fucking the bottles! Their challenge: somehow shoehorn their big naturals into the smallest bikinis possible. They can do that! The bikinis get smaller and smaller, the action gets hotter and hotter, and before long, the girls are naked and spreading their pussies. We devoted two full pages to this scene because we think it's the one XL lovers will enjoy the most.

**WATCH IT
NOW AT**
EBOOBSTORE.COM

How much fruit can a stacked babe fit in her cleavage? (Left-to-right) **Sha Razel**, **Codi Vore** and **Alexya** try to find out. What's better than watching a busty babe washing a car? Watching two busty babes (below left, **Daria** is using the hose on **Demmy Blaze**) washing a car! And in the grand finale, the kind of scene we'll never get tired of watching: a poolside oiling show with all eight girls. You'll also see great slow-motion action of the girls running on the beach and dancing on the sand. There's never been a movie like *On Location North Coast*.

THIS GUY HAS MORE SELF-CONTROL THAN WE DO

Dear XL Girls,

Cosmia (SP331) certainly has a baby face and a nice, beautiful body. XL Girls, you did it again!

Cosmia reminds me of a girl I taught in the community college where I work. I always overheard the other female students making fun of her because she liked to wear tops that showed off her belly even though she was very plump. I thought it was incredibly sexy because she had great tits, but the other girls called her things like "fat slob" and "jelly belly" behind her back and commented on how a girl with her body would dress like that. Not very bright girls (as proven by their grades). Most of them were skinny with small chests. They didn't have what Daylene (that was her name) had. And she was smart, so I didn't give her an "A" just because of her tits and how she smiled at me in class, although I would have.

One day, Daylene came to class wearing a top that was so low-cut, I could see all the way down to her bra.

Continued on page 86

In his fantasies, a teacher's student is doing what Cosmia is doing here.

MODELS WANTED

**WE PAY

**Anorei

**The
BIGGER
they are,
the more
we want
them!**

Do you know a girl who's plump and beautiful and would be perfect for *XL Girls* magazine? Maybe this girl never dreamed she could be a model. She probably thought she was too big...thought society's norm for models would prevent her from living out her fantasy. Well, here at *XL Girls*, we like 'em bigger, and that means big tits, big asses, big thighs and soft middles, too. So tell this girl that you think she's beautiful. Tell her there's a world of guys out there who would love to show her the appreciation she deserves. Tell her she can receive generous compensation and get all the perks that come with being an erotic model. If you know a girl who has what it takes, tell her to call *XL's* studio manager today and find out about this exciting opportunity. In the U.S. and Canada, the number is 1-877-726-7335, extension 2004. Elsewhere, call +1-305-662-5959, extension 2004.

Pleasingly plump, marvelous Milly joins the ranks of BBW superstars.

"I'm kind of short, so people look down at me when they're talking to me, so they're looking down right into my cleavage," said 2017 *Voluptuous* Newcomer of the Year Milly Marks, who's mak-

ing her *XL Girls* debut. "These heels are making me taller than I really am. I'm four-eleven, five-feet on a good day." We've never seen this 22-year-old stunner having anything but a good day.

There have been very few girls like Milly.

She joins a select group of babes who have appeared in *XL Girls*, *Voluptuous* and *SCORE* magazines (Micky Bells and Renee Ross are two of the others; can you name any more?). In Milly's case, she grew into her *XL* body, pleasingly putting on pounds in all the right places. And it just so happens that Milly has become hornier as she's gained weight.

**Milly has
always
been
horny.
She loves
to fuck!**

But since doing her only girl-girl scene with Codi Vore, Milly has amped up the heat, first with her hardcore cherry breaker, then with her first three-some, then with her first anal scene and now with her first DP. It's featured in the new movie *Voluptuous Xtra 19* (available on page 99). Milly is beautiful proof that big girls have bigger sexual appetites.

XL GIRLS INTERVIEW

NEWCOMER NAGINI

**SHE'S
YOUNG,
SHE'S
PLUMP
AND SHE'S
READY TO
BUST OUT!**

Interview by Carlo Pirrongelli

She's a webcam model from a small town in the northeastern United States, and the fact is, that's all the adult modeling Nagini thought she'd ever do thought she'd be. She was having fun showing off her young, plump body to her growing number of fans, picking up some extra money while going to nursing school. But suddenly, all that changed.

Basically, a male friend of hers said, "You should check out XLGirls.com." So she did and decided, "I can do that!"

You're damn right she can! Nagini is 5'5", 178 pounds with G-cup tits, a 46-inch booty and a soft, plush body. Really, she's the kind of girl we always search for: a girl-next-door who's not a porn star. A girl who never dreamed of doing anything like this. A girl who doesn't see herself as a celebrity or as anything special but who is, indeed, special.

Long story short, Nagini sent her photos to us, basically saying, "Do you want me?" And we said, "You're damn right we do!" So we flew her down to Miami, Florida, and before long, she was taking off her clothes and

showing off her plump body for all the world to see. Enjoying every minute of it, too.

So here she is, gentlemen: a true girl-next-door. The kind of girl we love. The kind of girl we know you'll love, too.

XL Girls: Nagini, welcome! It's so good to have you here.

NAGINI: Thank you for having me.

XL Girls: And we're here in Miami, Florida, and we want to see all of you and find out a little bit about you. How big are those boobs?

NAGINI: They are 38G, and they're all-natural, of course.

XL Girls: Wow! When did your breasts start developing?

NAGINI: I would say when I was eight or nine years old. I was a cheerleader. The outfits had to be made

XL GIRLS INTERVIEW

differently for me because I was the only one developing at that time. I was very young.

XL Girls: Was that cause for friction with the other students?

NAGINI: It's always been a cause for friction, even now. [Laughs] I didn't have a lot of girlfriends. Nobody liked me because they didn't have what I had, so I grew up being a tomboy because the boys at that age weren't interested in my boobs, so they were just like brothers, and I was fine with that.

XL Girls: So you were getting all the guys!

NAGINI: In one sense, yes. I just wanted someone to hang out with. They weren't interested in my body at that age. It wasn't until later that they realized what I had and started paying attention to my breasts.

XL Girls: What size were your breasts when you were, say, 11?

NAGINI: I remember specifically that when I was in sixth grade, I was in a D-cup bra. Nobody could believe it.

XL Girls: Were you the bustiest girl in your school?

NAGINI: At that time, yes, by far. After a while, some of the girls caught up so I was one of the bustiest if not the bustiest when I was in high school.

XL Girls: Where are you from?

NAGINI: I'm from a very small town in the northeastern United States.

XL Girls: What do you do for fun where you live?

NAGINI: Well, it isn't really a tourist place unless you like to go hiking. We are surrounded by mountains, so if you like the outdoors, that's perfect. If you get sick and tired of hiking, there aren't a lot of options. Not a lot to do. I love to cross-stitch and watch my favorite TV shows. I workout when I have the time. I like to watch football. The Steelers are my team.

XL Girls: Do you do a lot of hiking?

NAGINI: I try. I used to fish a lot. I didn't get bored of it, but fishing isn't fun for me because we have a lot of insects that attack you. I don't like being eaten by insects. Actually, I don't know

"He bent me over in front of the bike trail and fucked me from behind!"

anyone who does!

XL Girls: How is fishing with big boobs? Do they cause problems?

NAGINI: Well, there's not a lot of upper-body movement, so it's easy. It's not like jogging or doing jumping-jacks where my boobs would be bouncing all over the place. It's more of a low-key activity, so my boobs don't get in the way.

XL Girls: Did anything kinky ever happen in the woods when you were fishing or hiking?

NAGINI: Well, I recently went to New Zealand, and me and my friend went biking. No big deal, right? But then we found a little trail that led out to the lake area, and there was enough wooded area to be hidden but at the same time be seen, so we got down to the little trail and noticed a cleared area that we could go to, behind some bushes, and we went there and he bent me over in front of the bike trail and fucked me from behind. And that, I'd have to say, was the biggest turn-on of my entire life. I like being in an area where I can be seen but the possibility of actually being seen is a little low. Then again, anybody could've shown up, so you never know.

XL Girls: And that turns you on?

NAGINI: That turns me on.

XL Girls: So is that the exhibitionist in you? Would you say you're an exhibitionist at heart?

NAGINI: Here and there. I don't do it by myself. I won't just flash somebody or masturbate in front of an open window. I have to have a partner in crime, so to speak, and this guy was perfect for me. I guess you could say I love public sex but that can be tricky without getting arrested, and I definitely don't want to get arrested!

XL Girls: So, Nagini, how did you end up at *XL Girls*?

NAGINI: Well, I started my webcam last year. I just wanted something to make a little extra money to get through college without struggling.

XL Girls: What are you studying, by the way?

NAGINI: I was doing nursing, but I'm thinking of getting my bachelor's in psychology and then going to medical school. Anyway, I gained over a thousand followers on my webcam very

From Russia, a girl with one of the biggest natural racks we've ever seen.

ATTENTION! The girls in this issue are really stacked. Yeah, we know that's true of every issue of *XL Girls*, but the girls in this issue take it to a whole different level. The average bra size is likely higher than any issue ever, and Natascha Romanova is a super-chesty example of what we're talking about.

**No bra can contain
Natascha's melons.**

Natascha somehow shoehorns her natural melons into K-cup bras, and we say "somehow" because the guy who photographed her in the Czech Republic reported that when she took off her bra, she had deep marks in her shoulders from the weight of her tits. If you ask us, Natascha needs a good bra fitting.

"I like to show my beautiful, big boobs in very tight tops."

Well, the fact is, all tops are tight on Natascha because her tits are so big. A shirt that would show no cleavage on the average girl shows acres of tit when she's wearing it. "My bras have to be made by specially-selected companies," she said. "I get a lot of appreciative looks from men. From women, not so much." Of course not. They're jealous. After all, why should one girl have so much?

OKSANA ROSE

Studying sucks. This horny coed would much rather suck cock.

Oksana, covergirl of *XL Girls* #331, is doing her homework when her tutor drops by. "I really wanted to thank you for all the help you've been giving me," she tells him, reaching out to stroke his cock. "My parents are going to be out of town for the weekend, so they're not going to be here." And so, study time is over!

"I love this scene. I've always had a schoolgirl fantasy."

"Being able to live it out on-camera was so hot!" That's what Oksana told us after she finished sucking and fucking Johnny's cock and he shot his load all over her big, firm naturals. "I got really horny when I watched this scene at XLGirls.com," she said. "I love watching my ass when I'm riding a cock. I don't know why it turns me on so much." Why ask why, Oksana? Just enjoy it as much as we enjoy watching you in action.

"It runs in the family. My mom does adult modeling."

"She had such a great time with it and I loved seeing how dolled up she was after a shoot, so I figured, why not give it a try?" Sure. Why not? "There's nothing more satisfying than taking a cock," Oksana said. "I love messing around and laughing while taking photos, but it's such a turn-on to get fucked in front of the camera!"

She's a horny super-plumper with huge naturals and soft curves.

"I've gotten attention because of my chest all of my life, since I was in my teens," said Naia, whose worldwide journey has taken her from Russia to Brooklyn, New York to her first *XL Girls* shoot

in Miami, Florida. "My favorite outfit is ripped jeans and a V-neck T-shirt or any stretched-out top. That usually does the trick, but no matter what I wear, I always catch someone's eye."

DEBUT

Was Naia the bustiest girl in her school? "I most certainly was!"

Seems like Naia has gone from bustiest to horniest. "I can suck on my nipples and toes," said Naia, who calls herself "a Russian sensual deviant. I masturbate a few times a week. I have toys designed to stimulate my clitoris, and that just drives me wild. I

love lots of kissing, nipple-licking and pinching and someone softly going down on me or me on the guy. I'm sexually assertive and I love oral sex, giving and receiving. I love sucking cock. My favorite position is cowgirl because the cock goes deeper."

"I love to be in charge of a man. I love to do anything I please."

Naia had her way with two men, including big-dicked JMac, when she visited our studio. But, appearances to the contrary, she's not all about sex. She loves yoga and meditation. Now that she's living in NYC, she enjoys going to Broadway shows and museums and sampling different cuisines. "I would love to travel more and visit as many countries as possible." quickly, and I was like, "That's pretty cool." I was very surprised. And my friend from New Zealand mentioned The SCORE Group, and I said, "I never heard of them." And he said, "Well, you're not a fan of big boobs, so you probably wouldn't." So I looked into it some more, and I thought, "Okay, maybe I could do that." And then a few months later, one of the editors from The SCORE Group started following my Twitter, and I didn't know about that until my friend said, "Hey, do you know who's following you?" I had no clue. And he told me and I was like, "Okay." So I tried it out and sent in my pictures, and you wanted me.

XL Girls: So this is your first time modeling professionally, right?

NAGINI: Yes. I've been on-camera myself and I've had friends take me, but that's it, other than my webcam. I never thought I'd do this.

XL Girls: How do you feel about it?

NAGINI: It's kind of surreal. I mean, growing up where I did, there are no celebrities. You're on the same page as everybody else, and coming here and being treated as great as I have been is sort of like a dream. I'm definitely not used to this, but I could definitely get used to it. I mean, I'm going to be in a magazine, and that doesn't happen to everyone, does it?

XL Girls: Absolutely not. Are you a little nervous?

NAGINI: I am. This is my first time in Florida and my first time doing professional porn. There's a lot of firsts for me today!

XL Girls: So you're doing this for the first time. What else do you want to do that you've never tried?

NAGINI: I'd love to go SCUBA diving. That sounds like it would be a lot of fun. Of course, we don't have beaches where I'm from, but I'd love to go someplace where I could do it.

XL Girls: Okay, back to your boobs. When you go out, do you dress to show off your breasts?

NAGINI: Yes. I tend to draw attention to them. Why not? I have some very sexy, low-cut tops that I usually wear with a push-up bra. Why should I hide them? I think they're beautiful, and, obviously, men love them.

They're part of who I am. And it's usually not a good look when a busty girl tries to hide her boobs. It's usually not very flattering.

XL Girls: So you do get a lot of attention? From men and women?

NAGINI: Yes! Daily! All the time! I like it except for when I'm at work. Otherwise, I enjoy it. I definitely like when guys check out my breasts.

XL Girls: What kind of bras do you usually wear?

NAGINI: I buy different styles. Unfortunately, it's very hard for me to find bras that fit. I can't fit into off-the-rack bras.

XL Girls: Besides having big breasts, do you have any special talents?

NAGINI: I love to write.

XL Girls: Are you into any fetishes?

NAGINI: Not really, but I can feed off my partner and go with anything. I'm up for just about anything, and if a guy wants to do something, within reason, of course, I'm willing to try it. I have a very open mind about things. I kind of feel that until you do something once, how do you know?

XL Girls: Do you masturbate?

NAGINI: Almost daily! I love it! My partner and I like to do it in front of

each other and then get so wound up for the real thing. And that makes it even better. It's a real turn-on!

XL Girls: Are you sexually assertive or passive?

NAGINI: I'm a pleaser. I can go with the flow. I'm whatever my partner wants me to be at any certain time. If he wants me to take control, I'll do it. I'll get on top. I'll ride him. I'll give him a really good blow job. If he wants to take control, then I can do that, too. I really don't have any one way that's best. It really depends on the situation. But do you want to know a secret?

XL Girls: Of course!

NAGINI: I'm really into sweaty, animalistic sex. The rougher and harder the better. I love to really go at it with my partner.

XL Girls: About how often do you have sex?

NAGINI: A lot. All the time. Whenever I'm near my partner, the clothes come off and we do it!

XL Girls: Do you have a favorite fucking position?

NAGINI: Doggy style, definitely. On all fours with my ass in the air and my tits hanging down. I've never been

with a guy who didn't like me like that, either. For me, it's a very hot position. I love it.

XL Girls: What kind of foreplay do you like?

NAGINI: I love oral, giving and receiving. I love sucking cock and I love having my pussy eaten. What girl doesn't?

XL Girls: Both at the same time?

NAGINI: Why not? Sixty-nining is great and it's a lot of fun.

XL Girls: Have you ever had sex with another girl?

NAGINI: Yes. I had a little thing with a husband and wife for a little while. That was fun, but nothing like that has happened since. I like women, but I'm mostly into men.

XL Girls: So you would definitely say that you're all woman.

NAGINI: You could say that. I've never been called anything else!

XL Girls: Well, Nagini, I have a very strong suspicion that our readers are going to be very much into you. Thank you for doing your first professional shoots with us.

NAGINI: Thank you for having me. I'm having so much fun, and I hope all the guys like me.

A scandalous Euro babe who was born to be an XL Girl.

When Carla was young, she saw *SCORE* and *XL Girls* in magazine stores and prayed to the boob gods for big tits. Her wish came true. "I started getting boobs very young," she said. "I was the busty babe of my school. I was a 36E at 15." But she never thought about modeling for us until we approached her. The thing is, though, Carla was already a star back in Ireland.

DEBUT

**She calls herself Carla4Garda.
Here's the story behind that.**

In Ireland, where Carla lives, the policemen are called gardai. In 2017, a video of Carla having sex with a garda next to his vehicle made the rounds in Ireland. Then another video emerged of Carla having sex with another man in a garda uniform by the side of an Irish highway, and suddenly, Carla4Garda was a national celebrity.

While Carla was becoming famous—or infamous—in Ireland, a SCORE Group editor spotted her on Twitter. Now she's fucking for us!

"I have a massive fetish for garda," Carla said. "Most people drive towards a garda car checkpoint and shit it. I have fanny flutters." When Carla was in Prague for her *XL Girls* shoots, she spent some free time ogling the local Czech policemen. "I find

them so sexy," she said. "I've had sexual encounters with 41 guards now in total. I've fucked some in and over squad cars and in the stations." In her first XXX scene at XLGirls.com, she sucks and fucks a garda. Sometimes, truth is way better than fiction!

She's a bra-buster from Russia who takes super-stacked to a new level.

As you've undoubtedly noticed, the girls in this issue are absolutely stacked. Sure, XL Girls are always stacked, but this issue, they're taking it to a different level. And Russian newcomer Eva is right up there on that high plain with a top shelf that's absolutely spectacular. Basically, this girl is all tit.

What do we know about Eva? Well, we know that she has a very big rack.

Eva didn't decided to show off her astounding boobs because an agent referred her. She didn't have a girlfriend or boyfriend suggest she model. Eva saw BeAScoreModel.com, logged in and decided to send in her test shots. But here's the deal: Eva speaks no English and her photographer didn't speak much English, either, so we know very little about her other than that her tits are incredibly heavy and firm. And really, do we need to know more?

Her belly was exposed, as usual, and she was wearing a short skirt that showed off her shapely, plump legs. She had on heels, too. This girl was a walking vision of what an XL Girl should be. The other girls in class were smirking, but the guys couldn't stop looking at her. I taught that entire class sitting behind my desk because I was rock-hard, especially the few times Daylene leaned over. I'm sure she was trying to tease me.

Now I can look at the photos of Cosmia in *XL Girls* and imagine it's Daylene. I never fucked Daylene because I don't fuck my students, but there's no rule against fantasizing. —G.T., Manhasset, New York

Dear XL Girls,

Nila Mason (SP331) is a gem. Nila is the hottest woman on the planet right now. Bigger than ever and better than ever. Good to see that Nila keeps putting on weight. I love her big, fat belly and those gorgeous rolls. She's a 100% unabashed plumper, as she should be. Everything about her is beautiful.—J.G., Springfield, Illinois

ALAURA GREY

One of the greatest naturally stacked babes ever takes on a big porn cock, but no man's meat can quite match up to Alaura's huge tits.

And that's a fact. Marco, the dude in this pictorial, has a big cock. Of course he does. Much bigger than average. He's a porn stud, and porn studs have big dicks. But next to Alaura's M-cup naturals, his tool looks average. After all, look at what Alaura's

tits are doing to his face in the above photo; the guy's practically getting smothered (and if he did get smothered, he'd have died happy). Fortunately for porn studs (and anyone else who fucks her), lovely Alaura's mouth and pussy are tight and wet.

TALE OF THE TAPE

Birthday: March 14, 1989

Height: 4'11" **Weight:** 146 lbs.

Measurements: 46-34-38

Bra Size: 36M **Previous appearances:** SP322, SP299, SP282

Movies: *Inside Alaura Grey* and *Tits & Tugs 10* (XXX-Rated and available on page 99).

This is one of four known hardcore photo sets of Alaura. Will there ever be another?

We don't know. We hope so, but you know what? Alaura's hardcore debut was so exciting, it'll never be matched. For years, we begged her to do it. She teased us. She told us she wasn't ready. Then, suddenly, she was ready. She did this scene as well as a tits 'n' tugs, another boy-girl and a three-way with two studs. She's made us very happy.

She loved doing her first XXX scenes as much as you love watching them.

You can tell by the smile on her face. You can tell by her soft moans of pleasure that can be heard in her movie *Inside Alaura Grey*. "I love sex," she said, "but I don't just have sex with anyone, and I didn't take doing this lightly, so it took me a while to decide to do this." So maybe this is Alaura's XXX curtain call. If so, she's going out with a bang!
