PICK OF THE MONTH

The long awaited sequel to one of the most highly acclaimed adult videos of all time is finally here!

Duke of Knockers

**1995's
"Best Adult
Video Of The
Year?" The
Duke 2 Is A
Leading
Contender!**

Filmed on location at a lush English mansion, what made the original *Duke Of Knockers* a bestseller and "Best Picture" winner was the original screenplay and outstanding photography. Sure, there was enough hardcore to last any horny guy through many long, hot summers, but viewers actually developed a "feel" and relationship with the characters. When they were getting porked, it was as if you were actually doing the dirty deeds. When they were blowing some massive cock, it belong to you! The same award-winning producers are back, and that unique rapport found in the original *Duke* is an integral part of its sequel. You'll find yourself cheering for your favorite to become the next "Dutchess of Knockers," and getting off with her in unison when she's screaming in orgasmic ecstasy. Is this the "Best Picture of the Year?" With a cast like this, it'll be hard to beat!

Whether
you've
seen her
on T.V., the
movies, or
dancing,
there's
still only
one...

Letha

ay what?

Letha Weapons was on T.V.? She sure was! Definitely not *Married With Children*, one of our favorite SCORE-girls was on Fox's hit Sunday night sit-com a few months ago, playing, what else but a sexy stripper! "I had a great time, even though I didn't like being typecast as a bimbo," says Letha, who let us in on what the cast members are really like. "The mom and the dad-'Al' and 'Peggy'-are great people. They're real nice and friendly, but there's something wrong with Cristina Applegate. I was playing the bimbo, but she didn't have a clue. And 'Bud' Bundy...he flirts with everybody and their dog! There's something wrong with that boy!"

ou didn't see this much of Letha on *Married With Children*, but you'll see a lot more of her if you check out her latest XXX feature, *The Duke Of Knockers 2*. "XXX with the wildest woman around," exclaims Letha (who isn't lying!) and also let us in on a secret... "That's definitely my last hardcore video! I'm getting out of the adult business!"

Y

es, we hate to be the bearers of bad news, but Letha Weapons is hanging up her boobs for good! "It's just time for me," says this Los Angeles resident, notorious for being one of the "wildest" and "baddest" busty babes to come around in some time. "I want to get into more mainstream modeling, and and maybe some acting, which is hard to do when everybody thinks you're just another bimbo, which I'm definitely not!"

or those of you

looking in Letha's

"Checklist" for her fan club

address, your eyes did not

deceive you. "I'll be getting

a new one soon," promises

Letha, "and when I do I'll

call the guys at *SCORE* and

give it to them so all of you

can give it to me!" Hey, she

isn't lying! Associate editor

Michael Uwate is still grin-

ning like a bear from his

Aug. '94 interview with

Letha, arguably the

raunchiest we've ever had

at *SCORE*, so keep reading,

and we'll let you know how

to get some more of Letha!

So Tiff, if you're reading this issue of *SCORE*, give me a call! C'mon out to Los Angeles and we can really turn this town upside down!"
