Tawny & Tiffany

“Cum, little girl,” said the tutor to the pupil.
“You’ve been a good girl, and I have a reward for you...”

The only question is, who's the pupil and who's the teacher? Both Tiffany Towers and Tawny Peaks know a lot about loving, and in their first pictorial together, both of the busty babes definitely make the grade!

A lot of guys wonder if the girls are really getting it on during the pussy-eating pictorials. The truth is...yes and no! Sometimes it's just posing, but with two girls who have acquired a desire for that certain pungent aroma and flavor, no direction is necessary, and our only problem with Tiffany and Tawny was getting them to slow down so we could put more film into the camera!

Veterans of several girl-girl pictorials between them, Tawny and Tiffany still don't consider themselves old pros at eating pussy. "Just two girls having fun!" says Tawny, who has tasted Lisa Lipps and Tonisha Mills among others, and ranks Tiffany right up there... "Tiffany's the perfect lover! Not only is she very passionate, but she's also the most acrobatic woman I've ever seen! She can do some amazing things!"

"I've been many places, but I've never been to...: Disneyland! I'd love to go there!"

Favorite Food: "Anything burnt! I'm very picky, but it has to be well-done without any veins!"

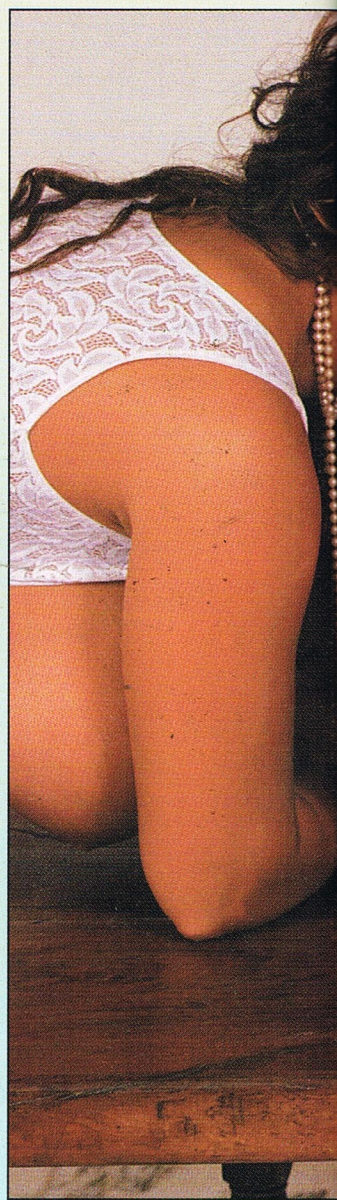

Favorite Pastime: "Watching television and renting movies. Thursday night on NBC is a ritual for me, and I rent two or three movies a day."

Ideal Guy: "Kind, considerate and nice. As far as looks, I like guys with short hair, but what's on the outside is nothing compared to what's on the inside! A good heart can win over any woman!"

Tawny's not alone in her adulation for Tiffany. After her Dec. '94 *SCORE* pictorial and interview, thousands of Tiffany's fans have written our office praising her school-girl charm and out-of-this-world body. One man even went so far as to fly up to Ottawa to meet her while his Malibu, California property was washing away into the Pacific, and he came away raving about the woman of his dreams—the one and only Tiffany Towers.

Anybody who has seen Tiffany's solo pictorial in the "Best Of SCORE" knows that she's a nimble, little sprite. Ooops! Did we say "little?" There's nothing little about this acrobatic Canadian, including her "Best Of SCORE" pictorial—10 pages! It's one of the sexiest pictorials we've ever produced, so look for it on a newsstand now! If you think Tiffany assumes some outrageous poses here, you ain't seen nuthin' yet!
