ASTOUNDING!

Dear SCORE,

Hey guys, another great job. Upon receiving the Nov. '04 issue of SCORE, I was astounded to see Linsey Dawn McKenzie side-by-side with Nicole Peters. My heart nearly exploded. More features like that, please. I can't even imagine the match-ups, but I'm sure whoever you show will be incredible.

You guys do such a great job of presenting the real beauty of large-breasted women, not some air-brush artists idea of one. Keep up the good work.
-C.H., Zachary, Louisiana

Dear C.H.: We've received thousands of votes for the Nicole/Linsey Nov. '04 SCORE "Battle," and it is so tight, we are waiting for stragglers to declare a winner, though the true winners are SCORE-men who had the opportunity to see these two super-naturals side-by-side and tit-to-tit.

A HAND JOB VIDEO?

Dear SCORE,

Thanks for two great magazines, SCORE and Voluptuous. As for Nicole Peters, she's my girl. Please don't stop running her photos. I can't get enough of her beautiful body and those big boobs. Wow! I buy all the magazines that have her pictures in them. I have both her DVDs, and I want more.

Speaking of DVDs, how about a hand job video featuring some big-breasted beauties jacking off a big, hard cock and taking a load of gooey jizz all over their tits.

I've seen some of your models do that in hardcore videos, but not nearly enough. A lot of times the guy does it, which immediately turns me off. My suggestion? Get "The Penguin" from the Blues Brothers to beat those porn guys with a ruler every time they touch their dick. I'd pay to see that, too! -T.O., Gladstone, Oregon

Dear T.O.: Relax, Nicole is here to stay, though we don't know if you'll see her in a hand job video jacking off a hard cock. As for a video dedicated to a girl jacking a guy off all over her tits, we try to do that with most of our XXX hardcore scenes (as you can see with Brandy, right), though you are correct in noting that some porn pistoleros still persist in doing the work themselves. Does anybody have The Penguin's phone number?

YOU CAN NEVER GET TOO MUCH OF A GREAT ONE!

Dear SCORE,

In your Dec. '04 issue, you start with a complaint by D.H. about too much Nicole Peters, then Elliot James gives us a story about Jonesy on page 23, whom you say you wish you had more readers like. Well, here is one now—a reader

The only thing better than seeing Linsey and Nicole battling it out in the Nov. '04 SCORE? For at least one reader, it's seeing busty babes like Brandy jacking a guy off all over her tits.

since 1995—who is ready to admit: I am no Nicole Peters fan. I am a fan of Busty Dusty, Traci Topps and Tawny Peaks—all of whom are now retired, meaning I may get an archive pictorial or a retrospective once in five or six years. I am also a fan of Alyssa Alps, whose column is also gone.

My point is that those of us who have been with you guys for a long time all have some models we didn't like. Again, Nicole Peters is not my favorite model. But, she's here today, and she, too, will be gone tomorrow. Some of my back issues may have a bit more dust on them than others, but D.H. has nothing to bitch about (long-term) as far as variety. You guys have always done a great job at showing a wide variety of the best models.

Lastly, and this goes to what kind of man reads SCORE. To D.H., I don't know how you do things in England, but I'm a SCORE-man and a Texan, and you'll never hear me complaining about getting too much of anything, especially big tits!—J.F., Corpus Christi, Texas

"IS THAT GUY FUCKING NUTS?"

Dear SCORE,

I knew something was up when I saw Nicole Peters with the red-bar-banned treatment on the first page of the Dec. '04 SCORECard, and when I read D.H.'s letter, all I could think of was, "Is that guy fucking nuts?"

Now, I admit I voted for Ines Cudna as Newcomer of the Year for 2003, but come on, D.H., look at Nicole Peters. She's a goddess, with incredible tits and a down-to-earth charm that makes her irresistible! Don't be going and writing what you did because you know what will happen? You may get what you wish for. I only hope Nicole Peters didn't read that letter and decide to stop modeling. If that happens, D.H., there'll be a bounty on your head and you'll have to hide in a cave with Bin Laden.—M.F., Buffalo, New York

Editor's Note: We received hundreds of letters in defense of Nicole Peters and not one to the contrary. As we stated in the Dec. '04 issue, Nicole was not banned from SCORE. Nicole will make many appearances in the coming months (and hopefully years), probably beginning with the June '05 Awards issue—just a hunch. As for whether Nicole read the letter, yes, she did. Her response? "I'm sure it wasn't a personal thing, and everybody is entitled to their

own opinion. No hard feelings. Cheers." Big boobs and down-to-earth—what's not to love about Nicole Peters?

WHERE ARE THE BRAS?

Dear SCORE,

What a new (for me) boob magazine. I see you are number one in big boobs in America, and now you are also the best in Finland.

I have a question for you. Where are the brassieres? The lift-up, push-up ones? Those that push and press the heavenly breasts aggressively up and out, causing breast flesh to spill out.

I dream that some new issue of SCORE could present mega-boob beauties dressed up in provocative bras, opera-length seamed stockings as well as high heels, the model's boobs wobbling and undulating wildly as they walk in those heels.

I will look for this and your magazine from now on.—M.A., Finland

KELLY & BRANDY...STUNNING!

Dear SCORE,

Could I just say how great it was to get the last two issues of SCORE.

I have to comment on the awesome newcomer from the Oct. '04 SCORE, Kelly Kay. Geez where did you find such an amazing, young lass? To have a body like that at the age of 18 is udderly incredible.

I was wondering if there is gonna be a website set up for Kelly Kay. I would be more than willing to subscribe, even if she never shows us what she has down below.

I would also like to comment on the stunning Brandy Talore. She is a great model and video performer. I often speak to her on Yahoo Messenger and feel she is an amazing girl!

How come SCORE does not have a website for her? We have websites for Ines and Nicole Peters, both of whom are stunning, but I feel that Brandy has been cheated. After all, she has done hardcore and some amazing sets. If you could get back to me that would be great, and maybe supply an e-mail address for Kelly Kay.—Name and e-mail address withheld

Editor's Note: Kelly Kay's official website is www.BustyKellyKay.com, and, yes, she does show some bush. As for Brandy Talore, no website is being planned for her, though with more fan interest like yours, it will certainly be considered for Brandy.

HOW MANY CZECH GIRLS ARE NAMED WENDY WHITE?

Dear SCORE,

I have a few comments about your magazine (besides the great titties). What is with all the BS accompanying your photo shoots? You exaggerate cup sizes and list your models as being lower in weight.

For instance, you mention "Marketa" when I have seen her name listed as Wendy White in another magazine. It's time to fess up guys. Also full of BS is your saying Cassandra is a 34F, when I have seen her 'pups' in a video where she even said they were a DDD on screen, and also in other magazines saying they were 40DD.

And Nicole Peters is a fucking woof. Her hips are so fucking wide they take up an extra four pages! And what is with the BS saying Isabella (SCORE Oct '04) as having 34 DDs? A 34C, maybe, but DDs?! Fucking blow me! All of this comes from a guy-me-who has dated and fucked big tits!

Other than that, I enjoy spewing hot, gooey loads all over your magazine. —"John," Calgary, Alberta, Canada

Dear John: First, the bra sizes come from the models, who buy their own bras and know what size they wear. Secondly, in measuring cup sizes, starting with a D, when you add another D (DD), that is equivalent to an E-cup, with a third D equaling an F-cup. Thirdly, bra sizes are oftentimes not indicative of a woman's actual breast size. Taken literally, a 46E means a woman is 46 inches around her chest (under her boobs) with five more inches added for her boobs. The truth is, off-the-rack bras are simply not designed for slim-n-stacked busty SCORE-girls. Many models, who for example have actual measurements of 32F, will buy a 36E and taper the band to fit. Lastly, Wendy White? Yeah, that's a real Czech name. If you want to believe the stories in other rags, that's your prerogative. It's your fantasy.

BOOB BEAT

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

BIG BOOBS RULE SIN CITY

CHELSEA CHARMS STARS AT THE EXOTIC DANCER EXPO

Guest columnists Jane, T. and Dick.

This year your Boob Beat columnist turns the microphone over to three terrific **SCORE** readers who are going to tell you about their busty adventures at the 12th annual Exotic Dancer Expo in Las Vegas. We start with Dick and Jane, a **SCORE**-supporting couple who love to go to strip clubs when a big-bust feature is performing. Next, British Boob Cruiser "T" describes life in the City of Sin and Skin.

DICK & JANE GO TO VEGAS

Work hard, party harder. That's the way we try to live our lives. What's the sense of killing ourselves every day at work if we can't enjoy the fruits of our labor? Well, it was in that spirit that Dick and I went to the Gentlemen's Club Owners Expo and the Exotic Dancer Fan Fair at the Mandalay Bay Resort in Las Vegas.

We hadn't even gathered our luggage at the airport when my cell phone rang, and it was my friend, Crystal Gunns. We decided to share a limo with Crystal. We threw our bags into our rooms, and in what turned out to be a sign of things to come, there

was no relaxing to be had. In fact, Crystal and I would end up dancing in the Rum Jungle into the wee hours.

Dick and I woke up with a pair of delightful hangovers. We walked into the huge Expo showroom and headed straight to the Charming Ventures booth, which not only housed Chelsea Charms, but also Crystal Gunns and Texas Barbie Bennett. We had not seen Chelsea since last year's Expo, and we had a lot of catching up to do. We had met Barbie once before in New York at Flashdancers. Talk about a head turner! Needless to say, I spent most of my time in or around this booth.

Right across the aisle was another friend, Maxi Mounds. And around the corner was none other than Lovette. You have to love a girl who greets you with the question, "Have I had sex with you yet?" On the other side of the aisle was the Exotic Dancer exhibit with Nicole Tyler in that booth. It was certainly fun to see her again. Standing shoulder to shoulder with her was the totally ripped Devon Michaels, which made us realize as we looked around the Expo that every one of these girls has put in some serious time at the gym!

Suddenly in the midst of all this, I had a vision, and her name was Exotica. There

The biggest tits of the Expo belonged to Chelsea Charms (far left) and Maxi Mounds (far right), shown here with guest columnist Jane (middle, left) and Crystal Gunns (middle right).

she stood, and if I ever have any doubts about my bi-sexuality, they are erased every time I lay my eyes on this girl. Then lo and behold who walks in but yet another dear friend of ours, the elegantly gorgeous Echo Valley. She stopped by, but was busy because she was co-producing the upcoming awards ceremony.

The place to be that night was the Spearmint Rhino Club, so Dick and I hopped into a limo with Crystal, Chelsea and T, and the five of us headed out there. It was like a Who's Who of big bust features. Besides having Crystal and Chelsea walk in, also on hand were Lisa Lipps, Dee Dee Deluxx, Crystal Storm and Plenty Uptopp. Well, when Plenty and Crystal Gunns get together, it's a recipe for mayhem. They kept everyone laughing all night.

On day two, the Charming Ventures booth was mobbed. Who could blame anyone for wanting a picture with Chelsea, Crystal Gunns

and Barbie? Then Minka showed up to be with her Maxi, and if you took a poll of who the sweetest feature entertainer is, Minka would win easily. We got totally psyched when Vixen LaMoore showed up. We absolutely adore this girl! She, too, looked fabulous, and it was great to catch up on the past year with her as well.

The highlight of the trip came when Crystal Gunns and Chelsea took us out to dinner for our second wedding anniversary. Talk about being bowled over! We sat there looking across the table at these extraordinary women and couldn't help but feel blessed to know them.

The next night we went to Cheetahs for our annual lap dance from **SCORE**-girl and good friend Darby. When she gives a lap dance, you don't forget it. In fact, I am getting all warm thinking about it.

At the awards dinner that evening, Lovette won this year's Big-Bust Entertainer Award, yet

So, do two Crystals add up to one Chelsea? As great as **SCORE** covergirls Crystal Storm (left) and Crystal Gunns (right) are, in the boobage department, there's no topping Chelsea Charms.

Hey, it's an Alyssa Alps sighting. Shown here carousing at the Expo with Kayla Kleevage, Maxi and Crystal in the snapshot on the right. To the left is a lineup of disparate boob sizes, with (from left to right) Echo Valley, Lana Del Amore, Chelsea Charms, Crystal Gunns and Vixen LaMoore.

again. The Entertainer of the Year Award went to Nicole Tyler.

The next day was the Fan Fair portion of the event and the Bikini contest. This was the second consecutive year that Exotica hosted the contest. Representing the big-bust girls were Crystal Storm and Lana del Amore. Our front and center row consisted of myself, Echo, Crystal Gunns, Vixen, and Chelsea, and we made a lot of noise for our favorites, especially Devon Michaels, who was in such amazing shape you could see her definition through her jogging suit. The photo ops were all around us as fans were snapping pictures of their favorite feature entertainers.

The trade show portion of the Fan Fair was held the last day at Sapphires Club, and this is the best opportunity for SCORE fans to meet their favorite entertainers. For the first time since the week started, we saw Kayla Kleevage. And as you looked down that row of bombshells, you would see Maxi, Minka, and Texas Barbie. Around the corner were Crystal Gunns, Chelsea, and Echo who were being mobbed by fans. What a great birthday!

That night was yet another annual event for us, the Pimp and Ho ball, which was held this year at the Orleans. We have been to this party before, and you get a great montage of partygoers. As it turned out, this was the biggest party we ever attended, with over 7,000 people in wild costumes. It was indescribably crazy. By the time we had gotten back to our hotel, we could barely stand.

This was an incredible week for us. These are exceptional women, and we'll all miss them. It was great to meet so many new people, and get to know so many others better. Until next year, we leave with this parting thought: support your local big bust dancers!

T'S EXPO REPORT

I arrived in Las Vegas from London, and with the rigors of jetlag I decided that the only way I could stay awake was to visit a strip club, and I knew just where to go. SCORE-girl Darby dances at Cheetahs, and I felt it my duty to go and get several lap dances from her.

I had already arranged to hook up with Dick and Jane, and we met in the casino bar at Mandalay Bay. With them was their good friend, the gorgeous Crystal Gunns. As we sat there chatting, I tried not stare at Crystal's cleavage, but I fear I failed on many occasions. We adjourned to a restaurant for dinner and then moved on to the Rum Jungle for partying. And while Crystal looked great standing still, you should see her when she shakes it.

At the registration desk of the Expo, I ran into pocket whirlwind Lovette. As usual she is

all smiles, deep cleavage and improper suggestions. I helped her set up her stand and she embarrassed with a stream of talk so dirty it would make a teamster blush.

When the Expo finally got into gear, it was babe heaven. Crystal Gunns shared a booth with her best friend Chelsea Charms. I have met Chelsea many times before, but she never fails to take my breath away.

That evening what would become the regular gang met for dinner—Dick and Jane, Crystal, Chelsea, and their manager John. We had a sumptuous meal before heading out to a showcase at the Spearmint Rhino club.

The club was packed. As we made our way into the bump and the grind, I saw a familiar face—a shock of blond hair and huge boobs belonging to Plenty Uptopp, who was here with Lisa Lipps. In addition, we also had house

In or out of clothes, Minka is packing, as columnist Jane found out in an M(inka) & M(axy) sandwich.

dancer Dee Dee Deluxx with her huge rack. I am in boob heaven, and Crystal kept buying me gin and tonics. If I were any happier I would have to hire someone to help me enjoy it.

All good things must come to an end, so we all piled into a limo and head back to the hotel, where, Crystal decided to pose topless atop one of the stone lions at the hotel's entrance. I have already learned that it is pointless to argue with Miss Gunns once she has made up her mind, so I just enjoyed the view.

I woke up the next day feeling awful, and it's not just the hangover. I caught a cold, and although I dragged myself to the Expo and took a few pictures, I decided to retreat to bed. The next evening I'm so ill that I missed the Exotic Dancer Awards where Lovette won Big Bust Entertainer of the Year.

The next day is the Bikini contest, and I have been advised that the legendary Crystal Storm will be making an appearance. It was originally Crystal Storm and SaRenna Lee who showed me the path of boobdom, and the opportunity to meet Miss Storm in person was too important to pass up, sick or not.

In the audience are my buddies Dick and Jane, Echo Valley, Crystal Gunns and Chelsea.

Miss Storm is indeed competing and looked stunning in a purple bikini. When she took the stage, we all gave her the most vocal support possible. Inexplicably, neither Crystal or Devon Michaels made it to the finals. We in the big-boob corner were indignant, but to no avail.

My fading health forced me back to bed where I passed out before I got my shoes off. I slept fitfully until the phone rang: "It's 'the Gunns.' You are coming to dinner." As a gentleman, I am powerless to refuse a lady. We have a table reserved at the terribly swish 3950 restaurant, and the company is even better than the food—Echo Valley, the Crystals and Jane. Dick and I were wearing the biggest grins, and every guy wished they were us.

The Fan Fair this year was being held at Sapphires. As well as the previously mentioned ladies, we had Minka, Kayla Kleevage, Maxi Mounds, Lana Del Amoré, Aspen Reign and Lovette. The fans were starry eyed and got Polaroids with their paramours. I met the posse later for dinner as tonight was our last hurrah, and Texas Barbie joined us.

After dinner, Dick and Jane took off in the direction of the Pimp and Ho ball, leaving Crystal, Chelsea and myself on our own.

Crystal told me that a barman at Sapphire's had promised her free drinks all night, so naturally that's where we headed. Crystal somehow produced another limo out of thin air, and in a matter of minutes we were settled into a booth by the stage at Sapphires.

Suddenly Crystal Storm appeared! She was dancing at Sapphires this evening. I got two lap dances which I will remember well into my dotage. Crystal Storm was due to go on stage, and The Gunns was very keen to see she got the attention she deserved. She rounded up a small fortune in singles and distributed them to our party so we could shower Crystal with them. Then, Crystal Storm was joined onstage by Chelsea and The Gunns until it looked like the bouncers would lose their sense of humor.

We retreated to our table from where I saw Mercedes Mounds. I ran over to invite her to join our merry band. Once again I found myself sandwiched between a surfeit of gorgeous, busty girls. It is such a shame that I'm leaving tomorrow. In the ride back to the hotel, I am the only one awake. Crystal Gunns is asleep on my lap looking angelic. Everybody save myself has early planes, so we say goodbyes and promise to do it all again next year. 

And, because Chelsea Charms' rack looks stunning topless or clothed, here's another picture of The Charming One with Vixen LaMoore.

Funky hat, Crystal. And, Lovette, it's damned good to see you, girl. Before the next Expo we'll need to get more pictures.

GREAT TITS & NOW...WE'VE GOT BUSH!

Yes indeed, boys and girls, England's newest natural has cum of age. Oct. '04 *SCORE* debutante Kelly Kay, one of the favorites for 2004's Newcomer of the Year award, has lost her knickers and is now showing off her pussy. How does Kelly's honey-hole compare to her world-class boobs? They both look super sweet to us!

WEBSITE: www.BustyKellyKay.com

If you compare Kelly's Oct. '04 debut pictorial to this month's, you might notice some changes with Kelly. It's only been six months and Kelly has celebrated her 19th birthday, but she looks...all grown up. Her hair is up, and Kelly's face even looks leaner. Plus, where Kelly looked a bit nervous in her debut, she now has that "come fuck me!" look. Why the difference? "My mum wasn't at this one!" said Kelly, who, yes, was chaperoned during her Oct. '04 debut photo shoot. "I love my mum, but who can pose nude and look sexy with their mum watching? Now, I can show off." We like what we see, Kelly.

Man, look at those tits! We keep saying that every time we see pictures of Kelly, and the good news is, we've been seeing a lot more pictures of Kelly because...drum roll, please...BustyKellyKay.com has hit the Internet. The biggest, all-natural tits we've seen in a long time have their official home on the world wide web, and boob-hounds are lovin' it. With so many pictures of Kelly you can jack for months, tit-lovers know a great one when they see her, and Kelly is just that. Will she enter the realm of fellow *SCORE* web goddesses Linsey Dawn McKenzie, Nicole Peters and Ines Cudna? Kelly is already there. And, from the looks of things, Big-Tit-Dom's upper echelon is gonna need to make room for another superstar super-natural, and her name is...Kelly Kay.

SLUTS.

THEY'RE THE HOTTEST SORORITY ON CAMPUS, AND ONLY THE HORNIEST BUSTY BABE WILL MAKE THE GRADE!

Illustrations By OTIS SWEAT

Erotic Fiction By PAUL HUGLI

The lush creeping ivy choked the red brick like obsessed fingers squeezing a gigantic pair of tits. The white plaque above the building's entrance read, in bold, gold Greek letters, *Sigma Lambda Upsilon Theta*—or SLUT—the most exclusive sorority on the campus of the Southern California University of the Media (SCUM), itself one of the most exclusive campuses in the nation. Both were renown world-

wide for their alumni and alumnae. A list could be given, but that would be redundant, given the reputation of the school's achievements. SLUT, itself, only had two basic requirements for acceptance—beyond academic achievements and social status, that is—the pledges must be 18 or older, and their mammary gifts must exceed DDD-cups. Special attention was given to innate gifts, though many SCUM coeds had been given tit-jobs as high school graduation gifts in the hopes of becom-

ing SLUT sorority members.

It was a crisp September day, and Rush Week was beginning. In the main hall of the SLUT sorority, three pledges stood naked, front and center. All three were more than qualified to carry on the grand tradition of SLUT, founded in 1990. Seated before them, on an elevated gilded throne, was Queen Lotta Bush—who was related to a powerful American family—draped in a floating red satin robe with a white sable collar. It was opened, revealing her naked, nat-

ural EEEs, capped with silver-dollar size areolae. The 10 Sorority Sisters, dressed in white diaphanous togas, flanked the queen, five per side.

The queen rose and raised her gold, jewel-adorned scepter, and all was quiet, except for the queen. "We, the Sisterhood of Sigma Lambda Upsilon Theta, are proud to welcome these three fine applicants...if...if they can pass a few tests of their loyalty to the Sisterhood."

The queen stepped down, handing her scepter to her fan-bearer-on-the-right, Diana Prince, and cupped the first pledge's breasts, weighing them, kneading them. "Nice, Pledge Petra. Very firm. I would say EEEs." The red-head nodded. "Well-formed nipples, too." The queen tweaked the bloated nipples with her thumbs, then licked them. "Hmmm, tasty."

Next, the queen performed the same evaluation on blonde Pledge Paula's DDD-cup breasts, noting the heavy pebbleness of the areolae. The queen's comments on the third pledge, the beautiful brunette Mary, dealt with the elasticity of her FFF's nipples.

The queen stepped back and retrieved her scepter from Diana, nodded and licked her lips, noticeably pleased with the qualifications of the pledges. She knew in her heart that all three, upon graduating from SCUM, would have no trouble getting a job as a weath-erperson on some local TV station.

Each pledge would be pitted against one another, in elimination rounds, because there was only room for one new candidate this semester. The first hazing took place in the sorority, before the Sorority Sisters. While the pledges remained naked, at attention, Queen Bush clapped her hands, and Diana brought over a large cardboard box. She knelt, placed the box on the floor, then backed away. The Queen rummaged

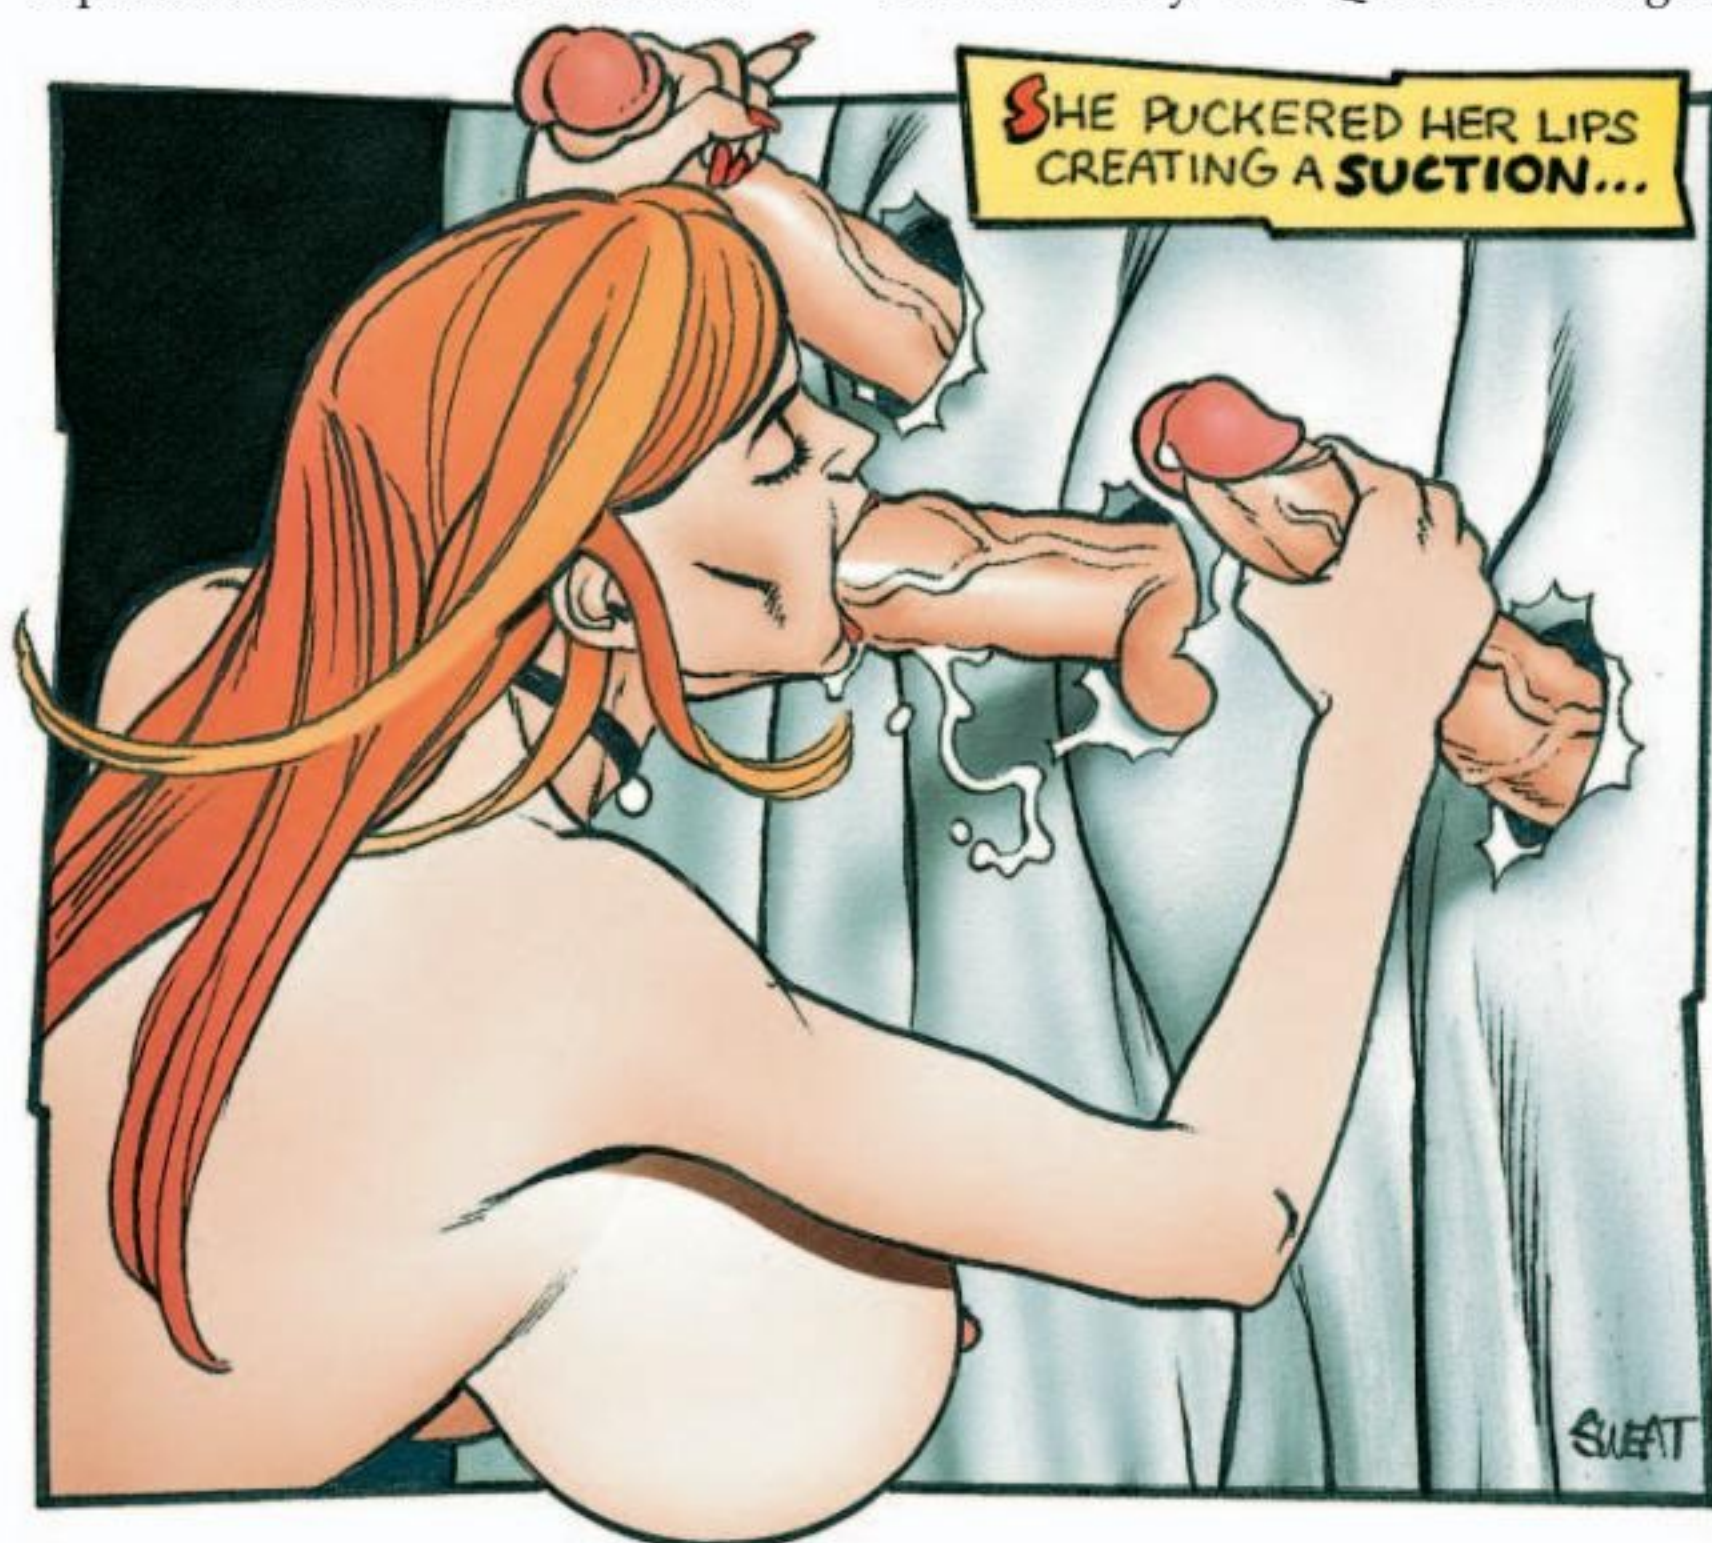

through the box, finally removing three items, handing one each to the pledges, whose eyes widened with both anticipation and apprehension. They had heard rumors of the various hazing events the Sisters of SLUT had staged in the past. But they were only rumors. Now, the pledges knew the rumors were true!

Petra eyed the Tesla 2000 Vibro in her hand, a battery-operated vibrator, silver, 12-inches long, tapering to a rotating head. Paula rolled between her hands a Holmesque 14-inch long flesh-like dildo, three-inches in diameter. Mary just stared at the object in her hands—a 16-inch long, double-headed dildo.

"Now," Queen Bush said, "though I'm sure this never happened to you ladies, the scenario goes like this: It's a Saturday night and your date has stood you up. So how do you entertain yourself on such a lonely night? Pledge Paula? You are first. Show us."

The 10 Sisters gathered around as Paula took center stage—actually a pink settee—and knelt before them. She fisted the 12-inch dildo in her hands, the bulbous head resting on her chin and went into her routine. "Damn it, Jimmy! But, hell, I don't need you! Here...see what you're missing!" Maybe game show hostess material, Queen Bush thought.

Paula shook the blond hair out of her eyes and quickly licked the rubbery head. Her lips stretched around the head of the faux penis, her tongue dart-

ing at the moist slit. Without the slightest gag reflex, her mouth inched down the shaft, over and across the simulated veins, until her nose was nestled in the dildo's hair, her chin resting on the ball sac at the base. With equal ease her mouth glided back up the shaft, until the head popped out of her mouth. Doe-eyed, she looked at the dildo. "See what you're missing, Jimmy? And that's just for starters!"

Laying down on the settee, Paula's left hand maneuvered the dildo as her right hand reached across and grabbed her firm left tit, mashing it into her right one, creating a glorious valley between her DDD mountains. The head of the

dildo inched its way into the bottom of her deeply impressive cleavage and moved frictionlessly upward until the head popped out of the top. Paula craned her neck forward, darted her tongue against the faux pee-hole.

Slowly, at first, the dildo slid between her magnificent breasts, disappearing, completely smothered, only to reappear and poke her in the chin. Paula increased the frequency until the entire action was but a blur to the gawking Sisters. Finally, she arched her back and released her left tit. Her tits exploded apart like twin ICBMs. As she relaxed, her tits bounced back, colliding together, jiggling for an eternal moment.

Paula slid the wet dildo down, across her smooth stomach, and without ceremony crammed it into her snatch, pumping away as if the dildo was a piston firing on all cylinders, her love juices as grease on the flesh-pink pole. Before long she was squirming about on the settee, screaming, yelling a drunken sailor's obscenities, climaxing again and again and again.

Barely conscious, Paula slid the dildo from her gaping, gooey cunt and brought it up to her lips. She squeezed the dildo's ball bag and it erupted, splattering her face with false jism. She licked her lips and muttered, "And that's what you missed, Jimmy."

The Sisters clapped and hooted their appreciation. Queen Bush scooped some "jism" from Paula's face and tasted it. "Hmmm, banana. How appropriate." Then, she looked at Paula and nodded her approval. "You've passed the first test." The Queen turned to the other girls. "Next up, Petra."

Petra took her place on the settee, sitting, her bare thighs slightly parted, love juices already dripping from the slit in her heart-shaped pubes. "Johnny, oh Johnny, why?" She even managed a few tears to go with her play-acting. Queen Bush thought that this redhead might one day be able to get a starring role on a soap opera.

Petra licked the tip of the vibrator, circling her tongue around it, soaking it with her saliva. She ran the vibrator down her body, through her massive tits, across her flat belly, to the opening of her cunt. She switched on the vibrator, and it all but jumped away from her. Getting it under control, she studied the love-toy. Turning the dial on the bottom of the head, the vibrator began to whirl, faster and faster. Petra could only manage a stunned, "Whooaaa."

Setting the vibrator on medium, Petra proceeded to massage her clit, until it was bloated to the size of a grape. Running the tip of the vibrator along her cunt lips, she began to writhe a bit. Sticking it into her slit caused her to jump, almost to fall off the settee. Repositioning herself, Petra got into the mood as the vibrator threatened to completely disappear inside her as she turned it to high and full rotation. Her scarlet tresses thrashed about, her left hand frantically trying to retain her hold on the base of the vibrator. Her right hand groped her huge tits, moving

You mean there's something else to think about besides tits?"

DROP-DEAD GORGEOUS

WE WERE HARD THE SECOND WE SAW SARA!

Yep, Sara Mack is a sexy one, and now we're all going to get to see her nekkid. When you consider that only five guys have seen her puss-n-boobs (four boyfriends and a doctor), we're feeling rather fortunate right about now.

SCORE 35

Sure, plenty of guys have seen Sara, just not in the buff. She's one of those regular waitress types who works in a London pub. You know the type of girl. She's the hottest one in the place, and every time she bends over, you and your friends are trying to look at her cleavage or sneak a peak at her ass. Your single buddies bullshit her in the hope of getting lucky. Married guys fantasize about a quickie in the back alley. But nobody ever gets lucky... until now!

A 21-year-old part-time student, full-time waitress, it wasn't too hard getting Sara to pose. Topless glamour models in England are practically celebrities. However, we had to bend over to get Sara to do the same. Still, the chance to become a full-time student, part-time waitress courtesy of the *SCORE* Scholarship Fund clinched the deal, and the only person happier to be naked in *SCORE*, aside from about 100,000-plus guys, is...Sara. She's been struggling to make ends meet, as most young people do. Now, she can focus on school, finish her final two years, and instead of teasing businessmen during happy hour, in a couple of years this public relations-hopeful will be turning the tables and teasing the waiters. Good luck, Sara. And thanks for the look.

IT'S TIME FOR OUR ANNUAL FLING WITH A HOT ONE!

Another year and, like an annual holiday, Cindy Cupps is paying us another visit. She's become the model for big-tit excellence and consistency since she first posed in the Jan. '00 *SCORE*, quietly going about her business. Cindy poses whenever we ask, starred in an X-Rated video when we asked and, to be honest, she's so reserved, it would be easy to overlook Cindy. We just can't. Have you noticed 'em yet? Cindy's areolae are amazing, and now we get to jack all over them one more time!

SCORE 45

Let's face it, Cindy always looks amazing. You can see her camera-confidence in these photos, and though we have tried for four years now, we still have a hard time explaining how suckable and lickable and just downright jackable her areolae appear to be. Darker and more pronounced than the rest of her breast, their size is mesmerizing to many and stunning to even more. When they go three dimensional with love-bumps, you basically want to reach out and suck on the page. So, go ahead, *SCORE*-men, knocker yourselves out!

For those of you who love nothing better than seeing juicy, tangy twats like Cindy's rammed with chick sticks, head on over to the Video Club on page 98. *Busty Dildo Lovers #5* is there and so is Cindy. Her boobs get plenty of erotic tit-action and this delectable honey hole, which is looking particularly delectable in these pictures, gets a major workout. Maybe it's the lighting or perhaps it's just her time of the month to be especially horny. Whatever the reason, Cindy, her tits and her pussy have never looked hotter. We can hardly wait to see her next year!

quickly from one to the other, palms moving in frenzied circles, abashing her engorged bright-pink nipples.

All the while the Tesla 2000 Vibro continued to work its magic. Its rotating head whirled inside her vaginal walls, sending surges of pleasure through Petra's body. With a whirlwind of electrical synapses firing in unison, her body felt like a human dynamo, emitting electric sparks, ready to explode.

And explode Petra did!

She screamed so loud Queen Bush thought the campus police would soon be knocking down the sorority's door. Instead, Petra jerked one more time, fell to the floor and was still. Nobody moved or said a word. Then, slowly, Petra righted herself, sitting up, leaning her sweat-soaked back against the settee. In fact, she was soaked all over, as if she'd taken a swim and hadn't bothered to towel off. She wiped her brow off with the back of her right hand. "Wow."

The Sisters loudly clapped as two of them helped Petra to her feet, toweling

her off, paying special attention to her prized melons. Queen Bush kissed her hard on the lips. "Congratulations. You've passed, Pledge Petra."

"Next up," the Queen announced. "It is is Pledge Mary's turn."

Everyone turned to Mary. She was limply holding the two-headed dildo in her hands, her face ashen. Suddenly, she screamed, dropping the dildo as if it had just turned into a snake. Mary bolted out of the sorority house as if it was on fire, buck-naked, not even bothering to gather up her clothes.

Queen Bush shrugged. "Well, I guess that's our first elimination."

"What? No strap-on elimination?" Diana Prince said, total abject disappointment in her voice, sadly holding up a pair of matching latex and leather strap-on dildos. Then her pretty face lit up. "Does anybody want to meet me in the rec room?"

Deanna Troy grinned and said, "I will if you wear your Wonder Woman costume for me."

"It's a deal, my little Wonder Girl."

They hopped, skipped and jumped out of the room, as happy as any two breasted split-tails could be.

"So far, so good," Queen Bush said to Pledges Petra and Paula. Both ladies smiled, wondering what the next day would bring.

It was noon and the campus quad was packed with students, some chatting during lunch. Others cuddled together in gossip, while others discussed yesterday's football games, Monday quarterbacks all. Yet they all parted the way for Queen Bush and her Pussy Posse of SLUT Sisters, parading through the quad as if they were royalty. In many ways they were. The Sigma Lambda Upsilon Theta sororities across the nation were comprised of American Royalty—the rich and famous.

Diana led the way chanting, "SLUTs of the World—Unite!" She was dressed, as were the rest of the Sisters, in a translucent toga, which showed everything without really showing anything. A gold lasso served as a belt, fully accenting the Sisters' qualifications as members of SLUT.

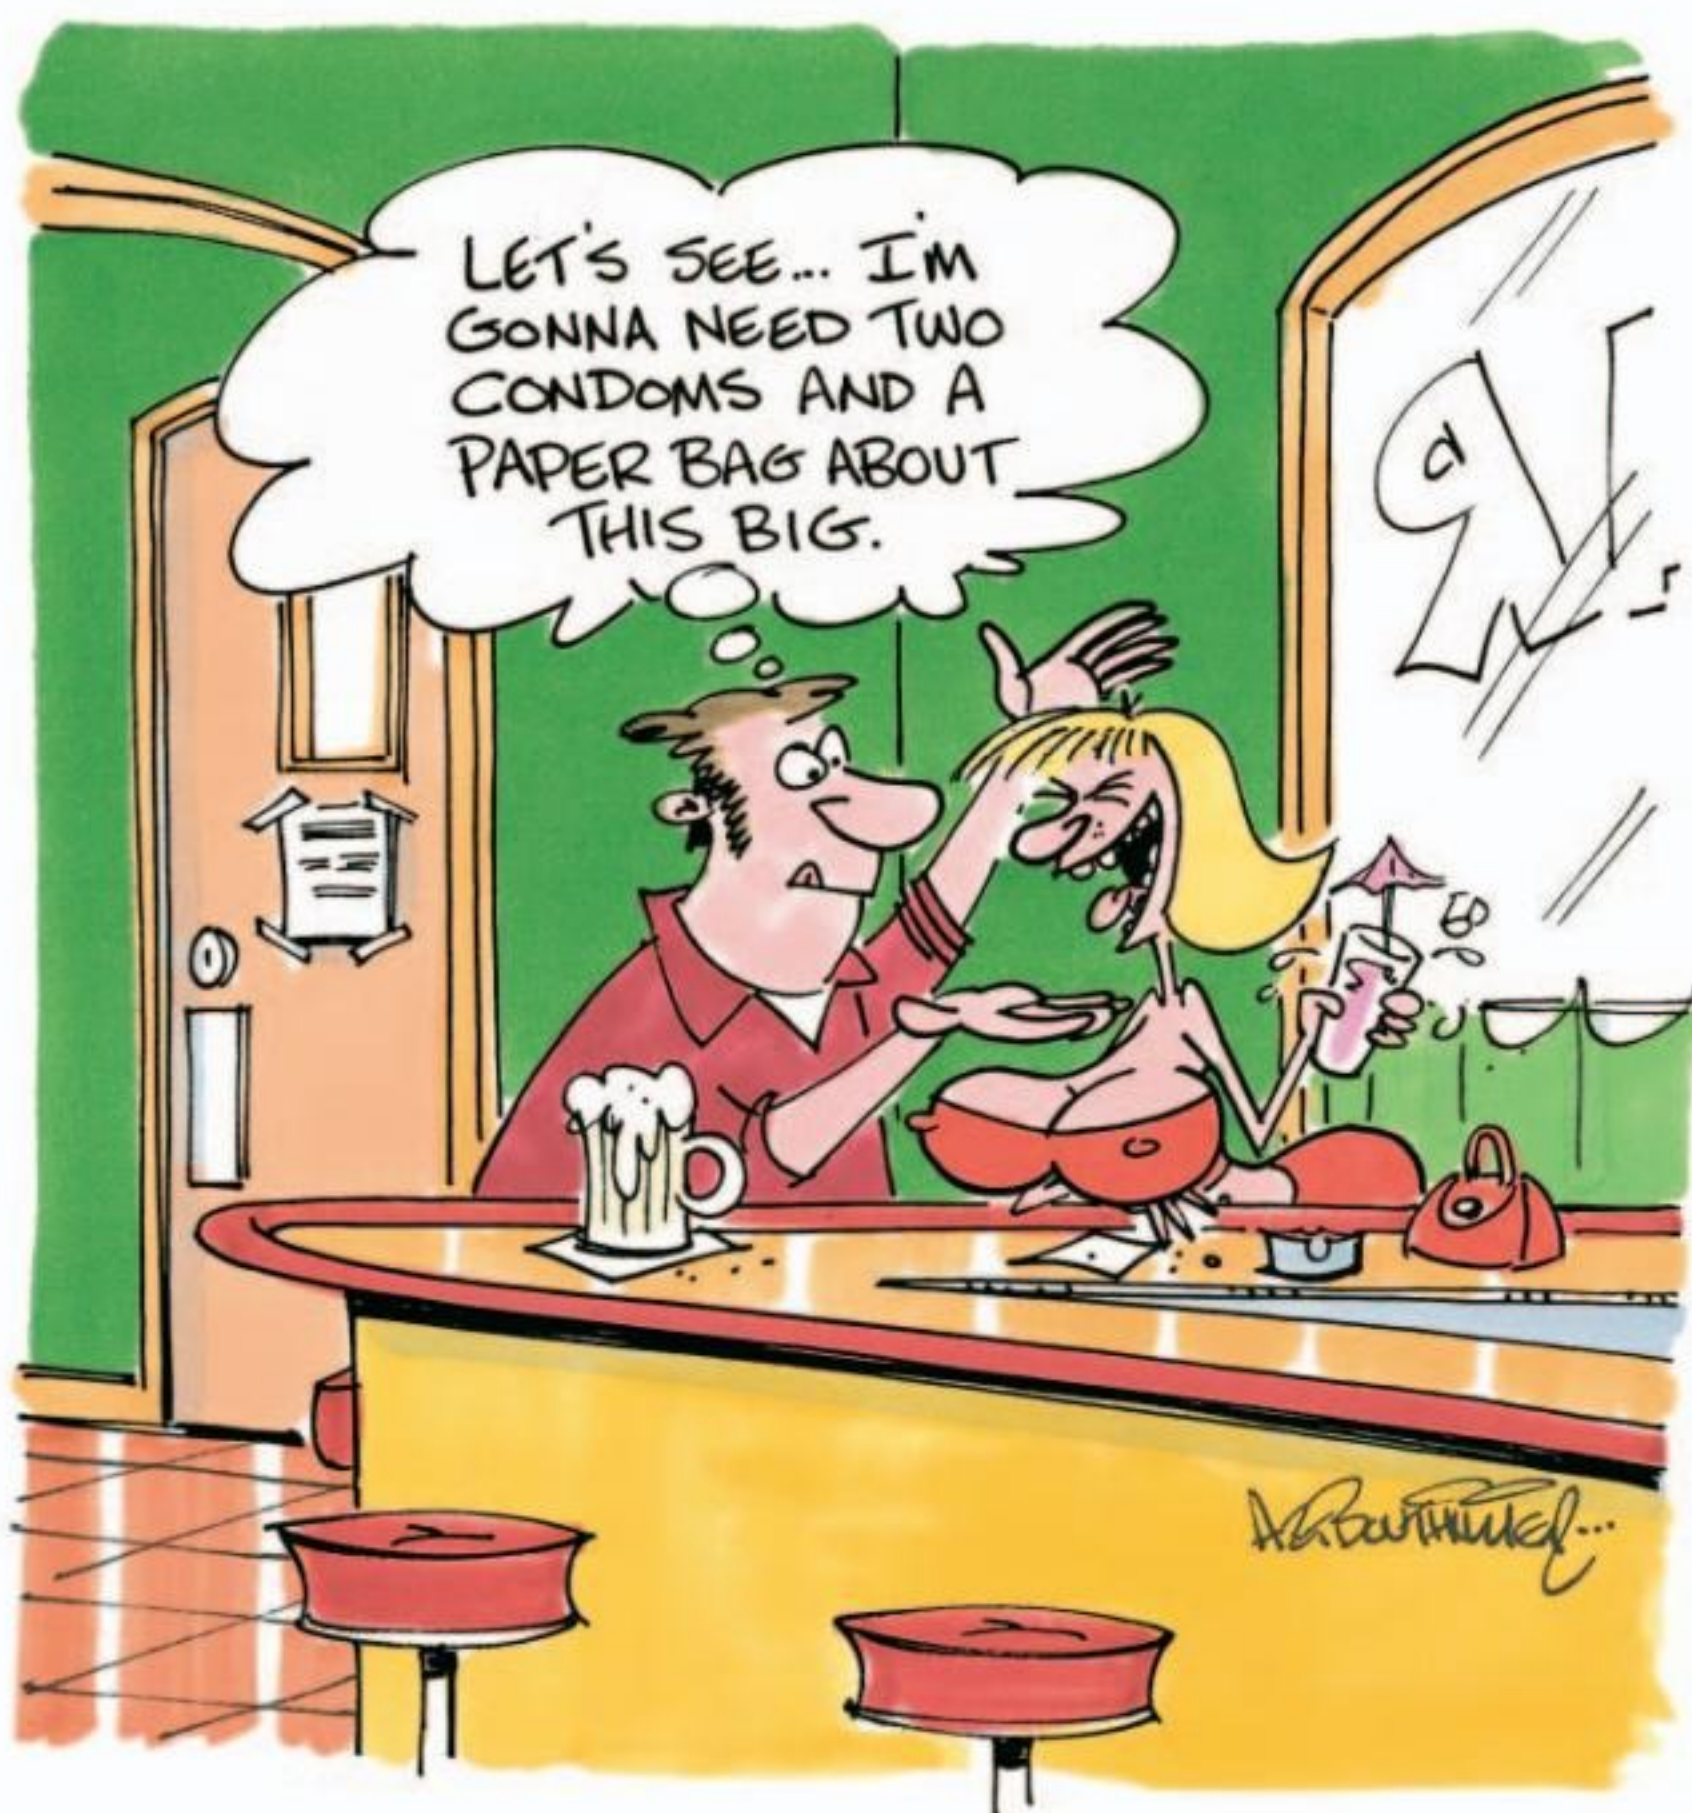

Queen Bush was her royal self in a robe of red satin trimmed in gold leaf. Beneath, she wore a white mini-half-shirt, cinched at the middle with a heavy, ornate gold belt which would make a heavyweight boxing champ cry with envy. All that was missing was a crown, crook and flail, though she had her trusty scepter.

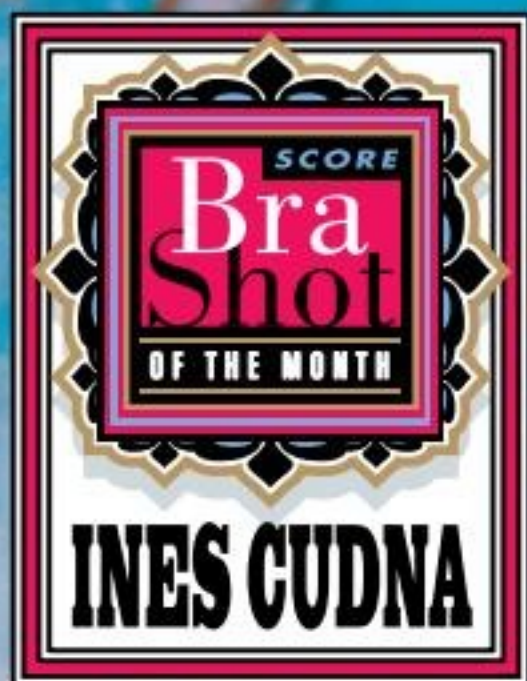

The 10 sorority Sisters stood five abreast, at arms-length apart, across from each other, forming an aisle for the Queen to promenade through. They had their arms folded across their breasts, all so prim and proper. Over 500 inches—more than 40 feet—of lust-filled tits were on display. It was like SCORE's infamous Boob Cruises, only without the ship.

The Queen waved to the crowd as she strolled down the aisle formed by the Sisters, smiling at the drooling horn-dogs among the crowd of gawkers, even nodding at their crude remarks centering around tits and fucking. At the head of the aisle, the Queen turned, held up her scepter like Moses at the parting of the Red Sea and said what the horn-dogs had been waiting to hear: "Behold! The glory of what is!"

Everyone looked to the north. Nothing. Then, from around a far bend in a grove of tall, weeping willows, a mirage-like image appeared, shimmering in the sunlight. As the image neared

SO, YOU WANT A LAPDANCE FROM A SCORE-GIRL? HERE'S A GOOD ONE!

Her name is Darby, and she debuted a year ago in the March '04 *SCORE*. Since St. Patrick's Day is her birthday, and because so many *SCORE*-guys have gotten lapdances from her in Las Vegas and asked that we bring her back for an encore pictorial, here's Darby! So, what are the chances of hitting Vegas during Super Bowl weekend, and when the game turns into a blowout heading over to Cheetah's to enjoy some of the old bump-and-grind with Darby? "Pretty damned good!" says our housedancer turned *SCORE*-girl. "I'm always there and I love giving lapdances! I love feeling a guy's rock hard cock rubbing against my clit, puckering my asshole and wrapping my tits around his head and riding him until the pleasure gets so good, he begs me to stop." Yeah, we're down with that, but we wonder, who the hell would ever ask her to stop?

the quad, one could see it was, in fact, two figures. And what figures they were! Each jogging, holding up an Olympic torch, the flame flaring backward in the jogger's wake. The crowd began to clap and howl, a din that continued to escalate until it was deafening.

The jogging Petra and Paula were completely naked, except for a sash each wore across her chest reading: S.L.U.T. WANNABE. But the sashes were difficult to read, even if anybody wanted to, because of the bounce in their jogs. And bounce is an understatement. It was a scene even the late Russ Meyer couldn't have imagined in one of his boobalicious films. The glorious tits that were Petra and Paula sprang back and forth, rebounding, boomeranging against each other. Bouncing up and down and all around, like a stripper on full-rotation, sans the tassels. Each jog threatened to knock the pledges out. On each up beat one of their magnificences would hit them in the chin, knocking their head back. But they managed to remain upright, jogging. Their pubic hairs were dewy. Their long, tanned leg muscles rippling, glistening with sweat with each delightful movement.

Petra and Paula entered the quad and

raced down the gauntlet formed by the SLUT Sisters, all the while being lightly lashed on their backs and asses by the Sisters' lasso belts. Nothing painful, just symbolic and highly erotic. As quickly as they had entered the quad, Petra and Paula were gone, out of the south end, much to the disappointment of the almost riotous crowd of onlookers.

The Sisters fell in behind Queen Bush and Diana Prince led the Pussy Posse out of the quad.

Three days later Petra found herself standing in front of the green door of dorm room 69. She pondered what might be behind *this* green door, especially after the hazings with the Tesla 2000 Vibro, the streaking through the quad, a day spent dressed as a baby and the hour as a living nude statue in the trophy case of the SCUM Headbangers. She took a slip of paper from the back pocket of her Daisy Duke cut-offs and read it. *Go to Room 69. Suck Them All & Come Back Alone.* She shrugged, shoved the paper back into her pocket and knocked on the door.

There was no answer. After a few more knocks and no reply, Petra tried the knob. It was unlocked. She opened the door. No lights were on. She groped about, found the switch and the lights came on. The room was bare, except for a sheet hanging from the ceiling. It was

an ordinary white sheet, except there were three holes cut in it, at various heights, but all basically at the three-foot level. Suddenly, three flaccid cocks appeared through the holes. Petra smiled, instantly knowing what her assignment was.

The first thing Petra did was to quickly unbutton her blouse. Her imposing braless hooters leapt forward from their confines. She giggled. Kneeling before the altar of cocks she eyed the three offerings, pondering where to start. All three looked tasty to her. Like Dorothy, she decided to start at the beginning and follow the Yummy Prick Row.

Sans hands, Petra took the cock on her left and sucked the head into her mouth, savoring its brininess, licking the under-shaft. She performed the same on the cock in the middle and the one on her right, only having to adjust her height to accommodate the stature of the guy behind the sheet.

Again Petra started on her left, fisting the cock, stroking it, tenderizing the meat, sensing the pulsating veins. She performed the same on the other two cocks, getting a feel for the meat as if she was in a butcher's shop trying to decide on the best cut. The guys were getting antsy by her teasing, trying to thrust their cocks out further, hoping to gain her attention and receive special treatment, though it was really useless. Petra was in control, and she knew it.

Fisting the cocks on her left and right, Petra slowly massaged them, noting that the left one was much smaller than the one on her right. But the left cock was soon making up for this difference as it gorged with blood, rising toward full erection. The right cock also grew in her masterful hand, but not as impressively as the one on her left, having been larger to begin with. It gained more in girth than length. Satisfied with her hands' progress, Petra turned her attention to the center ring.

Leaning forward, Petra's tender nipple brushed against the sheet, sending shivers down her spine. She sucked the central throbbing piece of meat into her mouth, noting the small bump on top, just behind the bloated head. Sucking it further into her mouth, Petra's velvety tongue slid smoothly along the under-shaft, until her nose was nuzzled in coarse pubes. Moving back up the shaft, she gently gnawed on it until only the purple head remained engulfed within

THIS DANISH GIRL WANTS TO GO TO COLLEGE, AND SCORE IS HERE TO HELP!

A recent survey reported that Denmark is the “world’s happiest country.” Yeah, no shit, Sherlock. We’d be happy, too, if we had busty babes like Diana, who just graduated from college preparatory school, and is looking to do that higher education thing. It’s time to hit the *SCORE* Scholarship Fund. After all, a great mind and an awesome pair of tits are terrible things to waste.

Known as "Dee-Dee" to family and friends, officially, it was because when Diana was three, she kept pointing to stuff, saying "Dee, Dee," instead of "see," so the name stuck. Now, this 36DD-copper feels it was simply fate. Her mom is stacked, so is her older sister, but Dee-Dee says that, even in sexually liberated Denmark, there is no way they would pose. No biggie. After all, we did get to see Dee Dee's DD's, so one out of three ain't bad.

her loving mouth and playful teeth, causing pricks of pleasure in the owner of the nine-inch cock. She puckered her lips, creating a suction which almost created a vacuum within her mouth. The guy hammered his cock deep into her sucking mouth. Petra relaxed her lips enough to allow the man to do all the work. And he did! He hammered in and out with such speed and wanton abandonment the guy almost lost his balance and threatened to fall through the sheet. He managed to keep his balance before yelling out and dumping his sizable load into Petra's hungry mouth. Then he fell back, away from the sheet, leaving the hole empty.

One down, two to go.

Petra yanked on the right cock, saying, "Move over." The cock enthusiastically did as it was told, quickly emerging in the center hole, twitching up and down. She regripped the throbbing member and resumed stroking it, while Petra's main attention turned to the left hand cock fisted in her hand. She licked the under-shaft, sucking the nut bag into her mouth, noting how low-slung and large his rocks were when compared to the diminutive size of his flaccid cock—a strange contrast which greatly excited the already horny Petra.

She licked one nut after the other, sloshing them around in her hungry, salivating mouth. The guy became tense, moaning football statistics, but it was of little use. Before she could once again engage the cockhead, the guy erupted, spurting a geyser of cum over Petra's right shoulder, splashing on the floor about two feet behind her. She smiled. "This guy could win a cum-spurting contest, easy," she thought.

Lastly, Petra tackled the large cock on her right. Its length and girth was intimidating, threatening to stretch her lips out of shape. But it was worth it to get into SLUT. She ovalled her lips and managed to inch the entire bulbous cockhead into her mouth. Still, she knew even with all of her talents she wasn't going to deep-throat the entire 14 inches, but did manage seven inches of the threatening, pulsating meat. She pumped the cock before settling into a routine. Eight inches remained buried in her sucking mouth, with the remain-

ing six inches fisted in her hands which were stroking the hot, resilient skin. It wasn't long before the orbicular head popped from her mouth. The guy's massive load sprayed forth, soaking and coating Petra's face with jism.

Petra smiled.

The next day Petra again found herself naked in the main hall of the sorority, standing before Queen Bush and the SLUT Sisters. From her throne, the Queen said, "You've done very well, Pledge Petra. You have but one more test to complete. If you are ready, please turn around."

Petra turned and stared at six guys standing in a line, dressed in the gold and silver uniforms of SCUM's football team, the Headbangers. She turned back to the Queen. "What?"

"Your task is quite simple. Please pick out the three Headbangers you performed with last night."

"How? They are all wearing their football uniforms."

"You must find a way, without removing their clothes."

Petra shrugged, then strolled over to the footballers. Without warning, she reached out and grabbed the first guy's crotch. He jumped. She said, "Hey, this isn't fair. Queen Bush, I must protest. He's wearing his cup!"

Queen Bush ordered the guys to remove their protective cups. They tossed them away, and the Sisters scrambled for them. Diana Prince managed to scoop up three of them.

Petra paid no attention. She had an assignment to complete. She reached into the first jock's pants, cupped his thick cock, stroked it and fingered his balls. She continued down the line, examining each of the cocks. She smiled. Once again, she retested three of the guys just to make sure, then pointed each of them out.

"This was the guy on my left," Petra said. His small flaccid cock and heavy nut bag gave him away.

"And he was in the center. He had a bump on his upper shaft, just behind the head of his cock."

"Oh, how could I forget this one? He was on my right." A jumbo cock with a wide girth. Her lips still ached.

"Most excellent," Queen Bush said,

stoically, yet affirmatively. "You've passed. Pledge Paula failed this test."

"You mean I actually made it!?!?" Petra screamed, clapping her hands, jumping up and down, her massive endowments jiggling uncontrollably.

Queen Bush put up a finger. "Not quite yet, Pledge Petra. You have one more duty to perform. Are you ready for your close-up?"

"Huh?"

The Queen stepped down from her throne, regally promenaded to Petra and turned the confused, but excited, pledge around. Diana and Deena pulled open a red satin drape, revealing a large circular bed with black satin sheets. On both sides of the bed was a video camera on a tripod and an overhead bank of mini-spotlights.

"What do you say, Pledge Petra?" Queen Bush waved her hand towards the bed. "This is your final test."

"Well, I've come this far, I might as well...cum...one more time."

"Good. Please pick your co-star."

From the Headbangers, Petra chose the tall, handsome quarterback, Steve Trevor. She took his hand and led him to the bed. Diana and Deena worked the cameras after switching on the mini-spots. Petra sat on the bed and slid down the jock's pants to his ankles. He kicked them off immediately.

Petra wasted no time. Reaching around Steve, she grabbed hold of his tight, firm ass cheeks, squeezing them. "Yummy," she moaned. She bent down and came up with his cock in her mouth, gobbling it down to its root. As she eased back and the shaft emerged, it had doubled in length and girth—almost near its 10-inch full mast. It wouldn't take long for his cock to be fully erect, not with Petra's obvious oral expertise.

Still gripping Steve's ass, Petra hammered him forward, again filling her gullet with throbbing man-meat. Then she really got down to some serious cocksucking business, pushing and pulling him back and forth, her tongue and steaming saliva effortlessly massaging the cock flesh, her flame-red hair thrashing about in wanton abandonment until, suddenly, she stopped, letting go of Steve's ass cheeks and letting his cock shaft slip out of her mouth, leaving only the bloated head in her mouth for some last sucking action. Saliva slobbered from the corners of her mouth, dripping down Steve's shaft, dewing his coarse pubes.

SCORE Magazine's Raunchiest XXX Hardcore Feature Ever!

Three young beauties with huge tits arrive at the house of the mysterious Mr. Trousersnake, responding to his ad for a maid. But instead of a job interview, they get fucked good and hard! Produced by the boobhounds at SCORE magazine, *Busty Euro Maids* stars amazing new discoveries Iva, Marketa and Veronika in non-stop fucking and cum-swallowing plus a special appearance by SCORE superstar Ines Cudna in a horny, four girl Lezzie orgy. This is big-tit XXX at its hottest, nastiest and raunchiest from the guys who do it best!

The cock popped from her mouth with a lip-smacking sound. Petra tenderly stroked Steve's hot meat, smoothing the saliva over his entire shaft until it was nicely coated for her purpose. She unfisted the cock, and it involuntarily twitched up and down as if waving at Petra's grinning face. Again she gripped the jock's ass and pulled him forward, his lubricated cock sliding into her world-class EEE-class cleavage until the head rammed into her breastbone.

Petra raised her arms and began swaying back and forth. Her firm tremendous tits bounced around like beach balls, assaulting Steve's erection. Massive mounds of pleasure swung to the right, then to the left, smashing together, disengaging, only to once again collide together. Then, she began twirling her tits like a latter-day Virginia Bell—faster and faster until it was all a blur, until it seemed as though both breasts had melted into one giant rotating mass. Petra's sexual onslaught on the engorged cock caused it to twang in rhythm. A real sexual workout. A literal "beating of the meat."

Suddenly, Petra stopped cold and allowed her tits to come to rest. She grabbed her mammoth mounds and smashed them together against Steve's stiff member, shaking and jiggling them up and down, massaging the erection. Increasing the tempo with each motion, Petra caused the bloated purplish cock-head to pop out of her cleavage with more frequency, dripping pre-cum from its slit. A smile was plastered on Steve's face, and his eyes rolled back in delight. His bloated balls ached for release, but he would be damned if he was going to shoot his wad until he was good and ready. He wanted even more from Petra, and she knew it.

Steve pushed Petra's shoulders, knocking her back on the bed where she bounced a few times. Her tits were still flopping about when Steve parted her thighs and dove between them. His tongue licked her cunt lips, lapping up her love juices and smelling the aromatic scent of her womanhood. He sucked on her clit until it was bloated and aching to cum. Now, it was Petra's turn to roll her green eyes in delight, completely oblivious to the surrounding—orgasmically ignorant to the cameras and lights, to Queen Bush and the SLUT Sisters and the jocks gathered around the bed.

Steve kissed his way up Petra's

body, across her flat stomach, his tongue briefly darting in her belly button. His lips sucked on her left nipple, already an inch-long rod from the pleasure received. He lapped at it, circling his tongue around the heavily pebbled areolae as his left hand grabbed her right tit, massaging it, kneading its pliable but firm flesh. Twanging the nipple, Steve sucked in the puffy areolae and savored its tanginess, the tip of the thumb-thick dug poking against the roof of his mouth. Switching tits and hands, he continued the action—back and forth—until his mouth began to ache.

Steve abruptly stood up and turned Petra over, slapping her on the ass. Positioning himself behind her, Steve slid his pulsating, rock-hard cock into her gooey wet cunt. After savoring the sizzling heat of her cunt, he began to ramrod her, and Petra reacted like a bucking bronco, screaming her delight, her scarlet locks flailing about, sweat pouring from every pore in her body.

Steve almost lost Petra and was forced to grab hold of her massive mounds to stay aboard and complete his ride. The tempo increased to the point that every forward thrust caused his bloated balls to smash against her thighs, creating pleasurable pain. Petra screamed in orgasm. Again and again and again she screamed.

Steve was ready to explode, too. Quickly, he flipped Petra over and jumped forward, straddling her midriff. He scooped up her massive breasts and mashed them around his cock, which was already thrusting forward. He titfucked her like there was no tomorrow as Petra continued through her climactic cycle. Then, his cock erupted, spraying jizz through the valley of her mounds, splashing into her chin. He rolled off her, sweaty and spent.

Petra and Steve, still coming down from their orgasms, were barely aware of the enthusiastic clapping going on around them. Then Petra felt someone take her hand and sit her upright on the bed. Her eyes managed to open and focus on Queen Bush, who smiled. "Congratulations, you are now a member of Sigma Lambda Upsilon Theta Sorority, Sister Petra."

Petra bounced up and down on the bed, her mammoth boobs bouncing in unison as she clapped her hands and screamed her joy. "Yippie! All my life I've wanted to be a SLUT!"

Carmen

AMERICA'S FASTEST RISING PORN STAR!

A year ago, Carmen debuted in *SCORE* all oiled up and hoping for big things! With two XXX videos in oh-four, plus two *SCORE* pictorials and countless cum shots spewed in her honor, most would be satisfied. Not Carmen. She's just getting started!

She's extremely articulate, and when you talk to Carmen, you know that proverbial lightbulb is not only on, it's burning brightly. Plus, the girl is off the scale on the flirtation meter. But, the thing we were wondering was, as smart as Carmen is and as personable as she comes off, how will she fuck? Carmen's *Hard SCORE* video was her first XXX flick, and we were including her with Czech fuck machines Iva and Marketa, plus *SCORE* fave Brandy Talore in her hardcore debut. With that lineup, it would have been easy for a nookie-rookie like Carmen to get overlooked. However, once she got her first taste of tube-steak, we knew Carmen was special. Sure, before she got nekkid Carmen told us how she was one of the best fucks nobody had ever seen and how she was going to become a major porn star. But everybody tells us that. Few wannabes back it up. Carmen did. Now, with *Black & Stacked Xtra #3* to her credit plus plenty more So-Cal film factory flicks, there's a new porn superstar in town, and you're looking at her.

Third, a lot more fucking. We were happy to oblige. Not only do we have new photos of Carmen, she's coming to *SCORE-Land* for more XXX hardcore. Keep reading, *SCORE-men*. LACY LOVE CRAVES COCK!

THERE'S ONLY ONE PLACE TO SHOW OFF WHEN YOU WANT COCK AND LOTS OF IT!

That's right, boys and girls, it's *SCORE Xtra* time, and if there is a better place in the world to see busty babes sucking and fucking blue-veined throbbers...Actually, there isn't! *SCORE Xtra* is #1 in big-tit hardcore. And this month, Lacy Love is cumming out in a big way, worshipping trouser-snake for the first time on camera, and you're there for the blow-by-blow!

A **SCORE** debutante in the Oct. '04 issue, in clothes Lacy is one of those refined, classy chicks you'd love to take home to mom. However, once her clothes come off, you better lock up Big Daddy. This girl is so intoxicating, sexy, horny and such an irrepressible nymphomaniac when you throw some zipper-pipe in front of her, no man can resist her. Watching her ride reverse cow-girl, it was like Lacy was playing trampoline on a big phallic post. And with all of the positions this limber blowup doll was assuming and how tight her vagina was, especially doggie-style, whew, we gotta be honest: It didn't take us long to masturbate. But, as we all know, life isn't complete until we see a busty babe like Lacy take a good sized dose of semen to her lovely breasts. Yes, Lacy not only loves large penises, but she craves the good stuff as well. So stroke with your right hand, flip the next page with your left, and let's all enjoy the view of Lacy getting what she loves the most!

SCORE VIDEO REVIEW

Review By CURLY REDWOOD

As soon as you hit the play button, you will see a difference between *Marketa's Busty Adventures* and much of what else passes for adult entertainment. Marketa's adventures don't have to do with exotic locales or beautiful scenery. They're more about hot sex.

There's not much attention paid to various positions in *Marketa's Busty Adventures*. This is all about raw, hot sex, cock slamming into pussy. It's about oral sex and swallowing a hot load of cum or a tongue on a clit and love juices flowing out of a woman like lava out of an erupting volcano.

Marketa likes to go hard and fast, a theme that you will see played out more than a few times in this video.

SCENE I: MARKETA GETS OFF

Marketa looks like she just got home from a long day at work. Now she is by the pool, still dressed in her business attire. Well, not for long.

Marketa looks very business-like in a blue button-down shirt with white pin-stripes and a blue skirt. Of course, Marketa unbuttons the shirt immediately to show her breasts crammed into a blue lace bra. The bra goes quickly, and Marketa is left to fondle and massage her big jugs.

She slowly and casually massages her breasts, occasionally bringing one nipple to her mouth to tease it with her tongue. Marketa goes into an extended fondling session, worshipping her own breasts. She kneads, gropes, massages, licks, sucks and does about everything but titty-fuck herself.

Oddly enough, Marketa then removes her panties, but leaves her skirt hiked up around her waist. She leans back on the white chaise, legs spread wide, and fingers her nearly bald pussy. Marketa has trimmed a "V" right above her snatch, which we will

We'll give you one guess who the star of *Marketa's Busty Adventures* is. Wendy White! Just kidding. This is Marketa, Czech super-natural porn star of *Hard SCORE* and *Busty Euro Maids* in her third hardcore video where she runs the gamut from solo masturbation to sex with a couple of different guys, then two long-donged studs at once!

assume stands for "Vagina," unless you're a fan of *SCORE's* sister mag, *Voluptuous*, in which case, this lady is a perfect poster-girl!

Looking for another position, Marketa gets on all fours and sticks her ass way up in the air. Any guy in his right mind would dive in, but Marketa has made sure she has her privacy. No one will be disturbing her wicked solo session. And it does get wicked when Marketa shoves a finger deep inside her wet hole.

Everything is done in deliberate fashion. Clearly, Marketa likes to take her time when she is alone. She knows what she likes, and she wants to take her time getting there.

Out of nowhere, a big white vibrator arrives (thank you, Mr. Friendly Cameraman). Marketa takes the battery-operated cock and immediately pops it in her mouth. After using it on her nipples for a while, Marketa spreads wide and guides the vibrator into her tunnel of love.

Again, she takes her time, but her soft, throaty moans tell you how much she is enjoying herself. Her thrusts are slow, but deep, and soon her moans grow louder and more intense as she climaxes. She takes the dildo out of her pussy and rubs it on her nipples, then looks up as if she's noticing that we've been watching the whole time. Maybe she's thinking about a second round.

SCENE II: MARKETA XXX

When this scene starts, Marketa is already sitting on the lap of her man-toy, Cage, with her shirt pulled up and her breasts swaying in the breeze. Chalk that up to good planning. Not even 30 seconds later, she's out of her skirt and panties, and on her knees taking Cage's stiff cock down her throat.

Marketa's mouth makes him hard in no time, and he responds by jabbing his tube steak into Marketa's mouth. His cock seems to be a bit larger than she can handle, but Marketa makes up for it with her hands and tongue.

The next scene has Marketa on top of this guy, riding him reverse cowgirl in a papasan chair. When Marketa's not bouncing up and down on his rod, her stud is power-fucking her from below. He then flips her over on her back, flattens the chair out a bit and gets on top to fuck her hard and deep.

Marketa then gets on all fours in the

KELLY MADISON'S CUNT-STUFFING!

THIS *SCORE-GIRL* AIN'T GONNA JUST LAY THERE! SHE'S IN CHARGE AND SHE WANTS CUM!

Is there a greater sight in the whole wide world than seeing a beautiful, busty babe like Kelly Madison gobbling knob? We haven't found one, and that's why, when Kelly called us and asked if we wanted more hardcore, we couldn't help ourselves. A horny attitude and a great tits make all the difference, and Kelly is about to show you just how much!

Now, for those of you guys breaking out your Aug. '04 *SCORE*'s and all of your other back issues to get the full Kelly Madison experience, yes, this is the same woman. True, her hair is lighter shade of the black it was in Aug. '04, but Kelly has that same horny look in her eyes that says, "Cum on, big-guy! I'm waiting for you to finish me off!" If you've seen her on the hard-core sex-fest *SCORE Xtra #8* or on her own personally run website, you know that Kelly doesn't just talk a hot game, she's got game! So much, she could make a eunuch cum buckets!

When Kelly starts fucking, one thing you notice immediately is that, aside from her obvious enthusiasm, the girl doesn't just lay there. On top, from the side, doggie, there isn't a position she can't assume. "I'm what you'd call sexually acrobatic!" Kelly told us, which translates into, "I just love to fuck! I love to feel a big hard cock so deep inside me, I can feel his balls slapping against my clit or my asshole. Do I have a favorite position? Sure, the one where the dick is in me, just pounding me so hard, I cum so much, I pass out!"

VIDEO REVIEW

Continued from SCORE XTRA page 10

chair, and Cage spits all over her slit before jamming his cock back in her. He hammers her hard while Marketa's boobs sway back and forth across the chair's cushion. At one point, Marketa looks right into the camera as her pussy is getting pounded and you can just see the unabashed ecstasy on her face.

The couple then moves to the floor, where Cage lays behind Marketa and fucks her in a spooning position. As he thrusts in and out of her, Marketa's big, natural breasts bounce and jiggle uncontrollably. Cage then shifts his position for better leverage and again delivers a piston-pounding fuck that Marketa can't seem to get enough of.

But when it's time to cum, Marketa gets on her knees and puts her man's cock back in her mouth. She pumps it furiously with her hand as she sucks on the head and whatever else she can fit in her mouth. He finally erupts, blowing a Mount St. Helen's-sized load of jizz all over Marketa's face and rack.

SCENE III: SIMONA

Simona is almost like a pinch-hitter here. Marketa is working hard and has already done two scenes, so now it's time to bring in a new face, who we saw getting fucked last month on *Zuzanna's Hardcore Hooters*.

Simona starts off being serviced by some young stud, who is still fully dressed as he eats her bald pussy and sticks two fingers in it. When we cut to the next scene, he has magically lost all of his clothing, and Simona has his erection in his mouth. This is what they mean when they refer to the magic of movie-making.

Give Simona credit for hard work. She definitely is doing all she can to get this guy ready to fuck. It takes a while, but finally he's ready to go. To watch Simona in the reverse cowgirl position, it seems she's been ready for a lot longer. This girl rides hard. She is all about the long, hard, deep penetration because she keeps bouncing high off this guy's hard-on and then all the way back down to his balls.

Simona has a great pair of natural hanging tits that bounce wildly when she's riding her hard stud. She turns

Simona broke her hardcore cherry last month in *Zuzanna's Hardcore Hooters*, and she's back for another stiff cock, taking a three-hole plugging that leaves her totally spent.

around and does a more traditional ride, with her man palming her ass the whole time. Simona's enthusiasm is evident. Her moans fill the room and it's clear she is digging this guy's cock.

Simona seems to enjoy it just as much when she's not controlling the action. She gets on all fours and gets fucked doggie-style good and deep. This guy is banging away, going balls-deep with almost every stroke, and Simona sounds like she's in heaven. She even leans back into him when he temporarily takes his dick out of her snatch to take a quick breather. Simona doesn't want any part of that.

That position leads into some spooning. Simona reaches down to play with her nipple, and she gets long-stroked from behind. The only drawback comes when the guy starts building for his cum shot. He tries to say a word or two through his heavy breathing and comes off sounding like Darth Vader. Finally, he gets down to business, getting on top and pumping Simona's pussy until he delivers an enormous cum shot, spraying it all over from Simona's pussy all the way up to her cleavage.

Definitely a good substitution, coach.

SCENE IV: MARKETA TAKES ON TWO HEAVY-HANGING STUDS

This scene offers the first discernible lines on this DVD when one of the two lads says "super big tits" as he's massaging one of Marketa's cans through her dress. Okay, so the Oscar for Best Screenplay will have to wait until next year. But the lack of any credible dialogue in *Marketa's Busty Adventures* points out how serious the action on this tape is. We horny viewers don't have to endure any insufferably ridiculous lines or dopey scenarios so often found in adult videos that do little but make you miss a stroke or two or three. Marketa just gets right to the sex. She knows what you want.

In this scene, what she wants is cock. Lots of cock.

But before she gets what she craves, Marketa has a look that combines wanting with uncertainty, as if she's not sure if she will be able to handle these two guys. Nothing to worry about here.

With her bodacious rack and willingness to experiment, she could have added a third guy to the mix. Marketa starts off by giving both guys head. One of them is nice enough to finger her tight pussy and even plunge a fin-

ger in while Marketa gobbles his friend's tube steak. Marketa shows her versatility when she is giving one guy a blow job while the other tit-fucks her as she lies back on a black leather couch. The finger guy quickly puts his cock where his fingers were.

At that point, it seems like all hell breaks loose. Marketa gets fucked hard from all directions. She rides one cock and then the other. She's sucking on one cock and then the other. Through it all, her tits are bobbing up and down and she's almost constantly getting slam-fucked by one of her two studs.

They move to the sofa, where one guy gets behind Marketa and spoons her while she tongues the erection of the other guy. The spooner crams his cock deep in her hole, his balls slapping against her ass. Meanwhile, she continues to slob the knob of the other guy.

Then, Marketa gets on all fours and takes the big cock all the way in. Her tits surround the cock she had just been sucking, which was a happy coincidence as she was moaning from the deep fucking she's getting from behind. This guy delivers a power-fucking, and you'll love Marketa's "I'm-getting-the-fucking-daylights-pounded-out-of-me!" facial expressions. Hit "pause" on

One-on-one, few women are better hardcore performers than Marketa. With her curvy body, great tits, gaping mouth and suction-pussy, there isn't a 10-inch dick she can't handle or a limit to how many times she can get off. Now, if you think this busty, all-natural beauty looks awesome with only one cock, you oughta see her with two!

your staff-of-life, and you'll see that this is real hard, pounding sex, and whatever Marketa was expecting from this big cock was exceeded by leaps and balls. Each pounding thrust lands with slapping noises as the guy's balls make contact with Marketa's ass. You know that

sound. At least we hope you do.

Marketa still needs to play catch-up with the guy whose cock she has been sucking. The fucking slows down a bit so she can focus on the task at hand. Or mouth, as the case may be. Marketa gets her hand moving as her lips wrap

Marketa's voluptuous body takes a major pounding, and her sexy mouth just engulfs this huge dick until she gets a huge splattering of guy gravy all over her gorgeous tits.

around the head of this guy's cock.

From there, she's on her knees, sucking and stroking both guys until they both shoot their loads on her face and tits. Marketa then slurps up the jizz and looks like she's about to lapse into a pleasure coma.

No words are necessary.

SCENE V: MARKETA AND JIFI

Okay, if you're sarcastic like us, you're probably thinking "Jifi?!?" If he's going to be named after a peanut butter, why not "Skippy?" or "Let's hope he doesn't cum in a..."

He doesn't, but it wouldn't have been a surprise if Jifi had lost his load in a jiffy with the way he fucks Marketa on the kitchen floor. The two exchanged oral favors when this seen started, with Jifi giving Marketa a lot of tongue. She returns the favor long enough to get him ready for their session.

After a while, you wonder if Marketa is ever going to leave the reverse cow-girl position. Clearly it's her favorite. She likes being able to control the depth and speed of the penetration, but she also seems to love getting slam-fucked

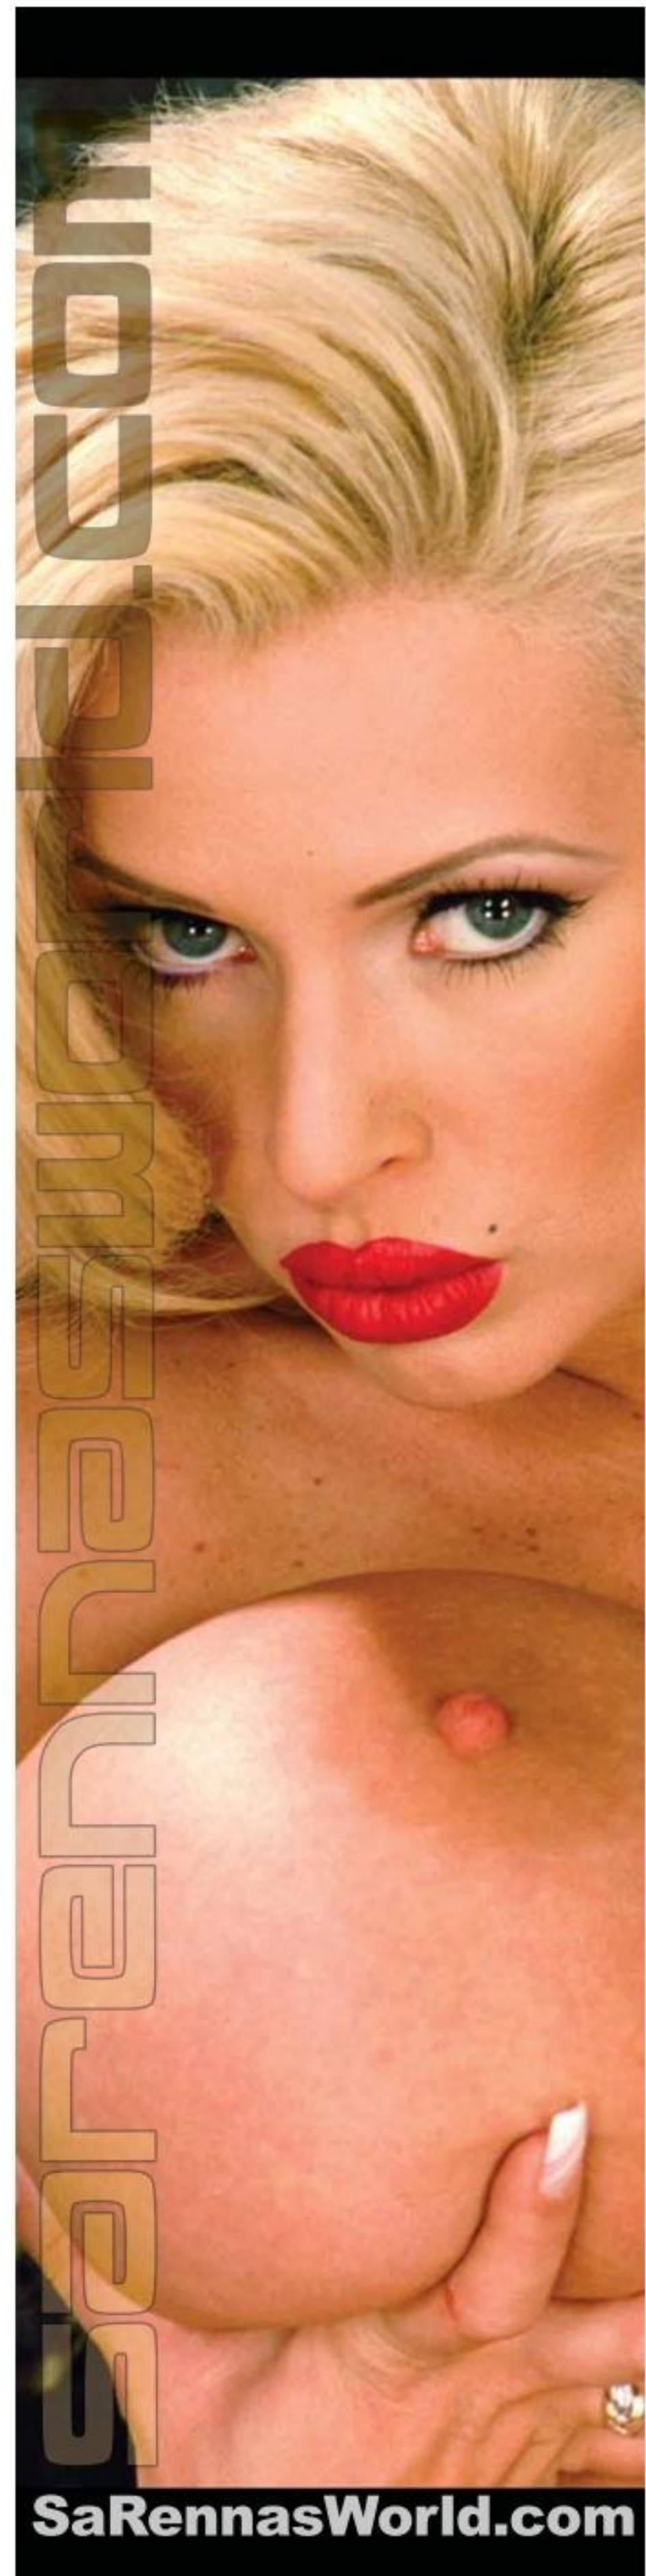

while straddling over her partner.

Finally, Marketa turns around and rides Jifi while facing him. It's more of what you have come to expect from Marketa and this video in general. The action is fast and furious.

Anyway, Marketa and Jifi eventually move to the kitchen counter. Marketa is kind of wedged up on the counter, her leg over Jifi's shoulder, and he is giving her every inch of his trouser snake right there next to the coffee maker.

The two of them don't waste a lot of time with different positions. They just fuck hard. It's great to see. Jifi seems to go balls-deep with every thrust and revels in being able to just bang the crap out of Marketa.

Jifi continues to plunge his sausage into Marketa's hot box, whipping up a tangy sauce in the process. You could say that Jifi has been stirring Marketa's honey pot. Soon, it comes time for Jifi to add the secret ingredient. When he's ready to serve, Marketa is on her knees waiting to taste. A baby bird never looked so hot, and Jifi, to his credit, lasts longer than most of us will when we see *Marketa's Busty Adventures*. 🍌
