NEW SCORE GROUP VIDEO CATALOG NOW AVAILABLE

If you dig *SCORE Xtra*, you're gonna love this...The SCORE Group's new video catalog—64, full-color pages, loaded with hardcore pictures and featuring the best in big-bust and fetish erotica. Anybody who purchases a SCORE Group video or back issue (Ads with a mailing coupon to The SCORE Group) will get the catalog for free, included with their order, as will all *SCORE* and *Voluptuous* subscribers.

NOW, THAT'S EXOTIC

Dear SCORE:

I wanted to write and thank SCORE for a consistently great big-bust magazine—the best in the world. Your penchant for finding newcomers before anybody else is one of the reasons SCORE is the best, and in the July 2000 issue, you outdid yourselves with Arianna.

Arianna's boobs aren't the biggest, but they certainly qualify as SCORE material. Her exotic look is what got me, and those eyes. She is stunning and one of the most exotically beautiful women I have ever seen. More of her, please?

The same for Adina. She is a bit more voluptuous (no pun intended) than Arianna, but very sexy and a worthy addition to the SCORE collection of models.

While I have the July 2000 issue well in hand, thank you for Angelique (we'll miss ya, baby), Penelope Pumpkins (always a pleasure), Windy Leigh (what a beauty) and Brittany Love "Caught In The Act." I thought her Jan. 2000 cover was one of the best I have ever seen in any magazine. But, seeing her *less* made-up made me realize how truly beautiful and sexy she really is. Brittany's a keeper.

As for SCORE Xtra, Valerie Fields' pictorial got my rocks off, big-time, as did Daizie Kellogg. What a sweet, innocent girl. That's what I thought in the Jan. 2000 SCORE. Now, I love her even more.

My apologies for writing so much, but I have never written SCORE before and I wanted to get my money's worth. While I have your attention, where have the interviews gone? They were always my favorite part of SCORE. If your editor does not have the time to talk to the SCORE-girls, I eagerly offer you my services. Either way, please

Exotic? That's one way many SCORE-men described July 2000's Arianna, and she's definitely that. Hot, too. But, you can see for yourself in *Busty Auditions #1* (turn to page nine to order). Arianna not only does raunchy and xxxplicit girl-girl with fellow July 2000 debutante Adina, but this Afghani newcomer also gets intimate during her first and only video interview. Plus, there's also bellydancing with Arianna looking a lot like she does here. Don't miss *Busty Auditions #1*, one of the most erotic and eclectic adult videos of the year.

For those of you who dug Adina's July 2000 **SCORE** debut, there's plenty more where that came from. Here's an appetizer of Adina's upcoming **SCORE Xtra** hardcore debut, and her debut video, *Busty Auditions #1*, is available on page nine of this issue where. The girl can take a cock, that much is for sure. Keep reading **SCORE** for more!

MORE COCKSUCKING!

Dear SCORE:

I want to compliment you on the inclusion of the **SCORE Xtra** insert. Very hot to see some of the best big bust models sucking cock and getting fucked. Some people won't like to see it and will complain, but as you have stated, let them rip it out and throw it away if they don't like it. Personally I would like to see more cocksucking in that area with facials...and less of the girl/girl action which really isn't hardcore. Still, **SCORE Xtra** is a good effort.

And, congratulations on Julia Miles. This sweetie is absolutely

gorgeous...and what a body! All the right curves in all the right places. Congratulations on Pop and Mama Miles for bringing up their daughter like that! This young woman will go a long way! Glad to see you are sniffing out new talent like Julia.

Finally, some people have been complaining about pissing in **SCORE**. Nonsense. I find the pissing photos quite erotic, but can see how some wouldn't like them.

I try to get all issues of **SCORE** and *Voluptuous* here in Australia on the newstand, but they sell out fast.-F.D., Melbourne, Australia

So, you guys like those cock-sucking shots? Hey, we aim to please. Here's another taste of 18-year-old Daizie Kellogg's July 2000 *SCORE Xtra* hardcore debut for all of you guys who are like Daizie and just can't get enough!

big, natural tits. The bigger the better. I also loved the 18 year old, Renee, in the May 2000 *SCORE*. She is absolutely gorgeous, and those fresh, big tits are great.

This is also the first time I have written to a magazine of any kind. Keep up the good work. Oh, by the way, could you do a pictorial on someone's naturally endowed wife?

Plumpers are nice also. I would like to see my wife in your magazine, but don't know if she would go for it. I will try and see what she says. She is well endowed and a little bit

And, watch for new hardcore pictures and a new XXX-rated video starring Plenty UpTopp in an upcoming *SCORE Xtra*. How much can Plenty take? all of it, boys, and we have the pictures to prove it! Watch for them soon in *SCORE Xtra*!

Dear P.F.: Thanks for your letter and your comments. Now, send us your wife, please! Seriously, though, we'd love to publish readers' wives in SCORE, only we're kinda dependent on our readers and their wives. THE NEXT COLT 45?

Dear SCORE:

I would like to thank you for bringing forth such a magazine of both literal and visual entertainment as SCORE. Recently I've heard a rumor that one of your feature models is now expecting child and I wanted you to confirm if this was true or not. The model is Colt 45 and that she's due sometime this summer. If so, could you relay my congratulations to her and best wishes? Thank you.—E.W., e-mail address withheld

Dear E.W.: We called Colt 45 and she is happy to announce that she is NOT pregnant. In fact, according to Colt, she has lost 25 pounds since her April 2000 SCORE appearance and is more slim-n-stacked than ever.

BELIEVABILITY

Dear SCORE:

I initially was going to write this letter to comment on something a previous reader wrote in the July 2000 issue about Crystal Storms' "cross-eyed nipples," and as I thought more about his comments, I realized that there is a larger underlying issue that should be addressed. I think that as we continuously focus on size, we have forgotten about believability.

Now, please don't get me wrong, I consider myself SCORE's biggest fan and the words "too big" are not

Busty Auditions

Adina & Ariana

Two Newcomers! One Hot Video!

They debuted in the July 2000 *SCORE*, and this is Adina's (left) and Ariana's first-ever video. It's very erotic, very up-scale in production quality with candid and intimate video interviews for both girls, solo posing, a super hot belly-dancing scene by Ariana, a raunchy, dildo-filled girl-girl and Adina's first XXX, hardcore, cock-worshipping scene!

in my vocabulary. But, I think the "cross-eyed" reader touched on an important subject. Take Chelsea Charms, for example. She is a beautiful woman and sure subconsciously I know her breasts have been

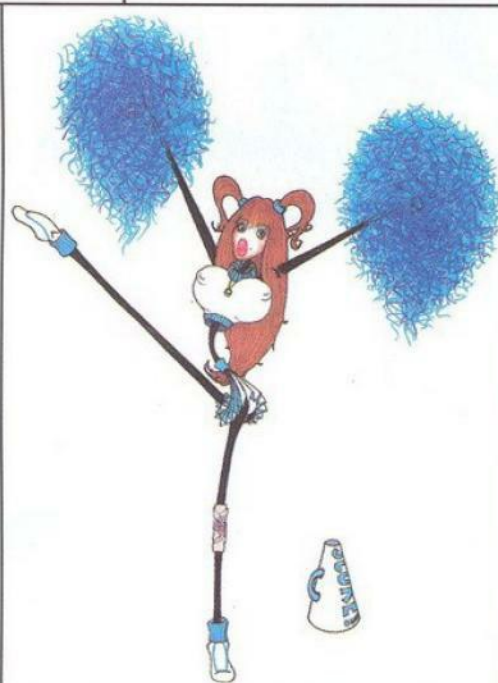

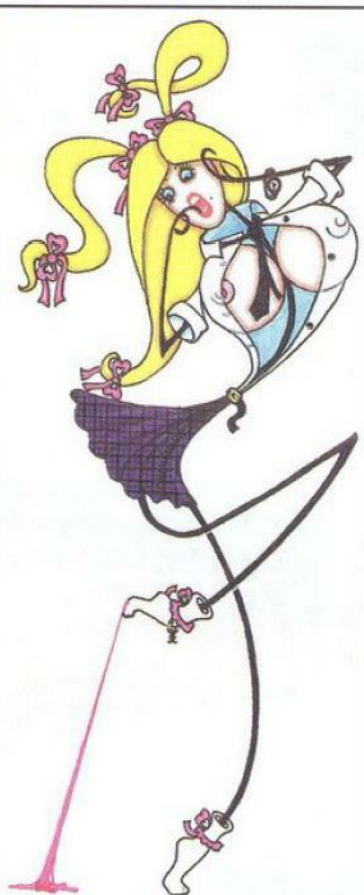

augmented, but her nipples are so misaligned I cannot even fantasize for a moment that they are real.

Along those lines, what is the deal with the models wearing wedding bands on photo shoots (i.e.

Tawny Peaks in the Nov. '99 issue, and she is not the only model to do so). Do they not understand that what they are selling is a fantasy! The last thing any guy wants to see on a woman is a wedding band. I understand that these women have lives outside of modeling and deep down I think most readers understand that the models probably have someone serious in their lives. But, at least while they are on the job, could they not make these little facts less widely known. It really ruins the mood.

Next, I feel that every model has the right to decide whether she is going to do porn. But, I would like to see more photos of models who do porn on a regular basis. For example, I would much rather see a layout of Letha Weapons (pre-reduction), Tiffany Towers or Rocki Roads than Alyssa Alps, SaRenna Lee or Pandora Peaks. I am not saying that the latter are not as attractive as the former, and actually quite the contrary is true. But, it is hard for me to believe captions that read something to the effect that, "I like to have sex every night with a different guy" from a model who has not even done one porn film.

Now, understand what I am saying. I'm not talking about bad boob jobs, married women or women deciding not to do porn. What I am talking about is believability. And, the reason I bring up the topic is that I believe that it is imperative that both *SCORE* and its models attempt to produce the most believable product possible. Now, some may argue that any model with size 72ZZ and a waist that you can completely encircle with two hands is not very believable, and to them I would say, "At least we *SCORE*-men can dream." That is, if there is some semblance of believability.

BIG BOOBS IN THE NEWS

SCORE Profile: The Saint A man after our own heart

SCORE-man "The Saint," with the first big-boob babe he'd ever seen live at a strip club—Zoryna Dreams.

Welcome one and all. We have a treat for you. The one thing we've never actually done in *SCORE* is profile a reader. So, here goes. For privacy reasons, we'll call our friend by his nickname, "The Saint."

The Saint has enjoyed numerous *SCORE*-girls at the strip clubs and loves taking Polaroids with them. As an artist, he often does comic book-style pinups of them, as super-heroines. In fact, this columnist saw his picture of Sofia Staks hanging on the wall in Sofia's home.

Age and marital status: 32, single
Lives: East coast, USA

Occupation: Digital photograph technician for a metropolitan paper
Avocation: comic art

Hobbies: Photography, strip clubs, comic book collecting

Email: simontemplar@hotmail.com

At what age did you develop a Johnson for the superbusty girls?

Saint: I was first attracted to women with big breasts in high school. As for the giant boob types, probably around college, when I was 17 years old.

Do you remember the first big boob stripper you saw in a club and when?

Saint: The first was Zoryna Dreams, in October, 1992. I'd seen her on Howard Stern's show and was so taken with her that I decided I would go see ZD if she ever appeared at a strip club.

How many times a month do you go to a club and how much time do you spend per visit?

Saint: How many times a month depends upon which features are appearing that month. I will generally stay in the club at least an hour, more if I'm solvent. I time my visits around the feature's showtimes.

Name some of your favorites you have met, by their looks.

Saint: Zoryna, Joey Karson, Lisa Lipps, Staci Staxxx and Colt 45.

Name some favorites, by personality. I mean the way they treated you.

Saint: The same as above.

Have you ever joined any model's

A Portrait of Sakura

Japan's top buster, Sakura Sena (Dec. '99, *SCORE*) sends us this nice bit of fantasy art, done by one of her biggest fans, Japanese big breast-lover Kageko Yoshimachi.

Sakura was tickled pink and genuinely honored to be voted third runner-up in *SCORE*'s 1999 Newcomer of the Year contest, after Lorna Morgan and Bobbie Roxxs, and she sends a "domo arigato" to all *SCORE*-men worldwide who voted for her. The winner of that annual *SCORE* contest was the incredible Via Paxton, as announced in our May 2000 edition, and deservedly so. At least, that's what Sakura told us. After all, according to Sakura, she voted via e-mail for Via, too.

The Saint

Continued From Page 15

mail or Internet fan clubs, and why?

Saint: I joined Zoryna's mail fan club because she was my favorite. I joined April Hunter's website, briefly, to see more photos of her, especially the shots of her flexing her biceps, another of my likes. I've also tried Utah's and several others.

Do you remember the first issue of SCORE you bought? Any favorites?

Saint: I bought the second issue of SCORE because Zoryna was on the cover, and I haven't stopped since. Later I was able to track down the first issue. My favorite covers would be a toss-up between September 1993 (Lisa Lipps) and January 1998 (Plenty Uptopp).

If you had a wife or girlfriend who wanted to get huge breast implants, would you be agreeable?

Saint: If she or I could afford it, yes. It would be her decision, though, not mine.

You're an artist. Who are your favorite artists of big breasted women?

Saint: Dave Stevens, Adam Hughes, Otis Sweat, and Jack Henslee. They rock.

You do illustrations of SCORE babes as superheroines. Who would you like to draw that you haven't yet?

Saint: Teddi Barrett, Jessica Justice, Fantasia, Melody Foxxe and Maxine Monroe.

Which of the newer girls would you like to meet that you haven't yet?

Saint: Bobbie Roxxs, Teddi Barrett, Holly Body, XXXena and Jessica Justice.

"The Saint" loves his super-busty heroines, and here are his versions of Plenty Uptopp, Colt 45, Nikki Knockers and Casey James a the FemForce extraordinaire.

These days I am a subscriber.

Would you buy a magazine if it had only one pictorial you really liked?

Saint: I used to do that more when the big boob magazines were five bucks, and I wasn't paying rent at the time, so price wasn't an object. Now I may wait until I can pick up the issue second hand.

Name some ladies you would love to meet in person.

Saint: I wish more of the English models would come over to the United States. However, the English guys are probably saying the same thing about our girls. Names that come to mind? Lisa Phillips, Chloe, Linsey Dawn McKenzie, April Hunter, Holly Body, Georgina, Bobbie Roxxs and Barocca.

Who's the one SCORE-girl you would most want to be marooned on an island with, and why?

Saint: Lisa Phillips. She's my all-time favorite.

Who's got the nicest boobs by touch?

Saint: Of the ones I've been fortunate to touch, it would be a toss up between Zoryna and Joey Karson.

When a guy is nuts over boobs, does it make it tougher to be interested in "ordinary" women you know or meet?

Saint: Not really, in real life. The superbob gals are fantasy figures.

A few readers have said that the SCORE Xtra section dents their dream-girl image. What are your feelings?

Saint: If you're a fan of these gals, eventually you're going to wonder what it might be like to have sex with one. SCORE Xtra lets us see our dream-girls in action.

If you had a million dollars, what would you do?

Saint: First, I'd pay off my student loan. After taking care of the mundane stuff like that, I'd start having fun with the money. A suite on the next Boob Cruise would be a certainty for me! No doubt!

Sana Fey: Mrs. Pussyman

We don't much care for weddings at the Boob Beat. The uncooked rice always hits us right in the eyes, which can lead to scratched retinas. We're happier getting poked in the pupil by a pointy nipple, far away from any wedding chapels. Plus, we always believe beautiful, busty babes are kinda public property. You know, one for all and all for one...or something like that.

Be that as it may, we hear tell that SCORE-girl and porn star Sana Fey is now Mrs. Pussyman, aka Dave Christopher, long-time director/producer of numerous porno videos. They got engaged last winter and are planning on tying the knot shortly. Sana will probably be focusing more on her website and girl-girl videos, after starring in a large number of guy-girl videos the past three years.

Good luck, Sana.

Phoenix Rising

A beautiful woman, Phoenix (or Phoenix K) was no small potatoes in the brasierre department either, with 34DD cups. You've seen her in the Holiday '99 *SCORE*, teamed up with Bobbi Roxxs, Autumn and Kaylee O'Toole for the 'Battle of the Showgirls' in Myrtle Beach, South Carolina. You've seen her in the October '99 *Leg Sex*, as first runner up in the Miss Nude Florida Pageant held at Deja Vu in Tampa ("Tampa Leg Fest").

This spring, Phoenix decided to join the superbust parade. Step one was to pay a visit to Dr. Gerald Johnson in Texas, plastic surgeon to many legendary bust queens who was interviewed by *SCORE*'s editor in the March 2000 *SCORE*. Step two was to spend some post-op recovery time at Kayla's Kastle of Kleeavage in Vegas. Here is your sneak peek, courtesy of Phoenix.

Phoenix, who's billed as the Native American Princess, grew up in Wisconsin. She's 23 years old now, born January 29th. She's crisscrossed North America as a feature stripper and is a regular at Fan Fair. When she's got the time, Phoenix enjoys suspense movies and football (Green Bay, of course).

But, Phoenix wants to go even bigger than you see her here, so the next step is a return to Dr. Johnson and his new "twine" technique used by Minka, Chelsea, Maxi, Melonie, Utah and others. However, Phoenix may be one of the last of the string-girls for a while since the big-bust jungle drums say that the good doctor may be cooling it on supersized tits, at least for the time being.

At press time, Phoenix had just taped an episode of Jenny Jones, which probably will have aired by the time you read this. Naturally, they asked her to be feisty and "tough." Hell, they ask all the dancers to act that way, thinking it pumps up the ratings. However, in real life, Phoenix is a sweetie.

One of the new kids on the big-boob block is Phoenix K., billed as the native American Princess, who is looking to super-size. Heck, these are some pretty good looking boobs, so we wonder, is string really necessary?

U.S. Supreme Court restricts nude dancing

The United States Supreme Court made it easier for local governments to ban nude dancing in adult clubs nationwide, ruling last March that a performer's freedom of expression can be restricted by forcing her to wear pasties and a G-string.

Nude dancing can be banned in an effort to combat crime and other harms that adult entertainment clubs often attract, the majority of the Justices said in a splintered decision reinstating a public-nudity ordinance in Erie, Pennsylvania.

Such dancing is "expressive conduct," but it falls "only within the outer ambit" of the Constitution's First Amendment free-speech protection, Justice Sandra Day O'Connor wrote in the court's majority opinion. "The ban promotes Erie's interest in combating

the negative secondary effects associated with adult entertainment establishments," such as crime, and was not aimed at restricting a dancer's right to free expression, O'Connor went on to say.

The ruling bolsters the effect of a 1991 Supreme Court ruling that allowed the state of Indiana to ban all barroom-style nude dancing under a state law generally prohibiting public nudity.

Like most Supreme Court decisions, the Court was split on that Indiana decision, as it was in this most recent reaffirmation where the Court voted 7-2 to allow bans on nude dancing, but voted 6-3 to reinstate the Erie ordinance.

Although the court's rationale was divided, the decision is sure to have broad impact. Immediately

after the decision was handed down, Valerie Sprenkle, Erie's assistant city solicitor stated that dancers at a nude club in the city "will be required to cover up."

John H. Weston, attorney for the former Erie nude-dancing club owner who challenged the ordinance, said the ruling may lead to a flurry of attempts to ban nude dancing, but that, according to past precedent, governments will not be permitted to arbitrarily ban nude dancing, instead having to "defend their assumptions" that nude establishments lead to crime.

"Everybody wants to put these businesses out of business," added Jim Waple, general manager of Archibald's, a Washington D.C. nightclub that offers nude dancing

two blocks from the White House. "What crime does it cause? We don't have any drug dealers out front. We don't have any prostitutes out front."

However, J. Robert Flores of the National Law Center for Children and Families said, "The Supreme Court has sent an unmistakably clear message to those who exploit women and feed on the lusts of men that the First Amendment does not provide a license for immorality."

Justice O'Connor said that even if the ordinance "has some minimal effect on the erotic message by muting that portion of the expression that occurs when the last stitch is dropped, dancers...may perform wearing pasties and G-strings."

She compared the nude-dancing ban to a prohibition on burning draft cards, which the Supreme Court upheld in 1968. In that case, the government "sought to prevent the means of the expression and not the expression itself," she said.

Most of O'Connor's opinion was joined by Chief Justice William H. Rehnquist and Justices Anthony M. Kennedy and Stephen G. Breyer, with Justice David H. Souter joining O'Connor's opinion in part and Justices John Paul Stevens and Ruth Bader Ginsburg dissenting on the side of free expression.

The most alarming element of the Court's decision, not strictly for the adult entertainment business, but for all Americans, is that Justices Antonin Scalia and Clarence Thomas, in a separate opinion by Scalia, voted to go further. They cited "the traditional power of government to foster good morals."

Frightening. What does that say about the United States when two of the most powerful men in the country feel the government has the power to legislate morality.

Why should you? Think about it. Today strip clubs, tomorrow...you. And, on that note, it's time to bid adieu and enjoy this month's bevy of busty babes. Keep on scoring, boys...while you're still able.

Ragin' Cajun

SHE MAY LOOK LIKE
A PUSSYCAT, BUT
WITH A NAME LIKE
STORMY WATERS,
LOOKS CAN BE
DECEIVING.

Wow! What a cutie! Unfortunately, we really don't know diddly about this busty babe. We talked to her briefly, arranged for a callback, but she's incommunicado and, you know how those printing deadlines can be...The Show must go on. So, from the great state of Louisiana, down Baton Rouge way, here comes one of America's newest feature dancers, a slim-n-stacked, 21-year-old Cajun who's new to the nudie world, but hopefully has the staying power to make it big. Introducing...Miss Stormy Waters.

We can tell you that Stormy's voice says Southern belle, but you just know from her eyes that she's a tiger in the sack. And, though she doesn't return phone calls, we forgive her. Hell, we'll forgive anybody who looks like this and is a St. Patty's day baby. Plus, with Stormy being a mystery, now, you guys can go to a club and find out what she's all about without being influenced by a horny editor. We're guessing her personality is something special. But, if it isn't, break out the duct tape, because with a package like Stormy's, who needs meaningful conversation?

It's been a good year for this lady! The name is Bobbi Roxxs. And, not only can she kick ass, she also shakes it pretty well, too. Say what? For the short version on Bobbi...she is an ex-Marine turned housedancer turned feature dancer who made her worldwide debut in the Nov. 2000 *SCORE*, has appeared twice more since and is one of the hottest dancers in the world. For the long version, you're gonna have to keep on reading...

Bobbi has come a long way since she was humping 14 miles as a Marine. Now, she's travelling the country in her motorhome (as seen in the March 2000 *SCORE*), dancing and loving life. "It couldn't be better!" Bobbi told us in her video interview for *SCORE Xtra #3*, Bobbi's only video. Yes, aside from her fourth *SCORE* appearance in less than a year, Bobbi even has her own video. See, we told you it's been a good year!

So, what can you expect when you meet Bobbi? She's talkative, down-to-earth and easy-going, though a bit shy until you get to know her, then she's like a life-long friend. She loves sports, cooks, can shoot a mosquito's dick off at 200 yards and can either be the perfect lady or one of the boys. In short...Bobbi Roxxs!

MAXI-MUM BOOBAGE

If there's one word that describes Maxi, it's "colorful." Find out all about the babe behind the huge boobs in her first *SCORE* interview.

What's this? An interview? In *SCORE*? I know, the last one we published was, what? In the Dec. '99 issue with Autumn? So, why are we picking up the tradition again? Because Maxi Mounds is in the house, we've never interviewed her and she's got some huge boobs. So big, in fact, that when we sailed with Maxi on Boob Cruise 2000, that's all I would say to her. Not hello. Not sweet nuthin's. Just, "Wow, those are some huge tits!"

Being an effervescent bundle of joy, Maxi put up with my adolescent banter, and, now that we've actually spent some quality time together, I've realized that there's a lot more to Maxi than just a big pair of tits. And you will, too, after a few thousand words.

So, find your happy seat and let's see if this old dog still remembers how to talk to a busty babe...

SCORE: Hey Maxi!

MAXI: Hey sweetie!

SCORE: On Boob Cruise 2000 I was stallion, and now I'm just sweetie?

MAXI: Fuck me stallion, fuck me!

SCORE: And you said you'd never tell! Seriously, though, I just have two questions for you...One-Does your back hurt?

MAXI: Oh, I'm going to get you! For those who don't know, Michael's messing with me because I told him once that two questions I hate are that one and, "Are those real?"

SCORE: Why the attitude, my dear?

MAXI: No attitude. It's just that I hear those questions so much, all the time. I just wish people would ask something else, like..."How big a dick can you fit between those?"

SCORE: An open invitation for our readers and future club-goers?

MAXI: Sure! Nobody has ever asked me that question. Not once.

SCORE: Well, honey, it's not your standard fare pick-up line.

MAXI: That's what would make it so special. Guys, listen up—you have to be original with us women. Trust me, we've heard it all. If you want to stand out and get your dick between our tits, be original!

SCORE: So, Maxi, how big a dick can

All righty, boys and girls...for those of you who love huge boobs *and* reading, look over yonder to the left and enjoy Maxi Mounds' first *SCORE* interview. If you prefer the short version and huge boobs...greetings! Here come some of the biggest boobs in the world. Trust us, we sailed with Maxi, Casey James and Minka on Boob Cruise 2000, so we know. You will, too, when you see the Holiday 2000 Boob Cruise issue of *SCORE*. But, that issue is still a few months away. Until then, enjoy the view, courtesy of a lady who is fast becoming one of our favorites!

Going into Boob Cruise 2000, we knew Maxi had huge boobs. But, spending a week with her, we discovered the lady behind the boobs was awesome. Don't let her Amazonian stature fool you—this lady is an absolute sweetie, nice to a fault, a real party animal and, in simplest terms...a good woman. Plus, she digs guys! Yeah, that surprised us, too, what with her long-time relationship with Mini Mounds and the tag-team Moving Violations, we thought she was a lesbo. But, as we discovered with Maxi, she's not what you expect...and that's a good thing!

MAXI MOUNDS INTERVIEW

Continued from page 34

you fit between those?

MAXI: Big! But, size doesn't really matter. If they're too big, you can't suck them anyway. My attitude is, the small ones are easier to suck. Plus, the big ones, you can poke somebody's eye out with that thing?

SCORE: Try as we might!

MAXI: It's all fun and games until somebody loses an eye!

SCORE: But, you know sex is all about the guy, don't you?

MAXI: You really think so?

SCORE: I will if you will! Actually, I'm just being a guy. But, I never thought dick mattered. Aren't you strictly into chicks?

MAXI: (Laughing) I plead the Fifth! Seriously, everybody thinks I'm a lesbian because of Mini, but I love men. Always have, always will.

SCORE: And Mini is your partner with Moving Violations?

MAXI: Yes. We've been partners for years and still are. People think she's my wife, but we're just good friends and dance partners.

SCORE: Speaking of dancing, what's your story? How'd it all start?

MAXI: I graduated high school in Lakeland, Florida, and I started dancing pretty early. I was working at a car dealership for a while—I was raised in the car business. Basically, I got tired of that. I wanted to become a hairdresser and I was going to school during the day and I started dancing at night to pay my way through school. I loved dancing so much, I wound up staying in it. The first club I worked at, which is no longer there, was La Pleasures in Lakeland.

SCORE: How was your first time?

MAXI: You can imagine, me a little country girl basically taking it all off to begin with. It was pretty scary.

SCORE: I'm like most guys—I only slow dance and I don't even do that well, so what's dancing well like?

MAXI: I love it! I love the attention I get and the fact that I can turn somebody on just from the way I move. I also like making people laugh. I tell jokes all the time. For me, dancing is a great job. I get

totally naked. I play with myself. And I actually get paid to do it. The only other job I know where you can do that is as a politician.

SCORE: I was just looking at your pictures, and, I have to say..."Man, you have some huge tits!"

MAXI: (Laughing) Sweetie, you're going to need another pick-up line!

SCORE: But, they are!

MAXI: They're bigger than a human head—most heads. Most guys I go up to who are wearing a hat, I try to put the hat on and it doesn't fit. (Laughing) I always tell them, "Wow, you've got a small head."

SCORE: A lot bigger than the first time we met when I interviewed you for *Busty Auditions* #2.

MAXI: I had the string put in by Dr. Johnson, and they got a lot bigger. He told me that as my body accepted the string, tissue and fluid would form around it, and it has. The result? My breasts got even bigger!

SCORE: And, that's a good thing.

MAXI: Oh yeah, it's great! They're soft and big and beautiful. Men absolutely love them! (Laughing) And, they're almost paid for! I've had them for about seven months, and I might be one of the last. I just got back from seeing Dr. Johnson and he told me wasn't going to be doing any more super-sized breasts.

SCORE: Yikes! What's up with that?

MAXI: It's because of the girls. Some don't listen to what he tells them to do and because they are so big, you need to rest a bit longer than normal. Some girls who have had it done don't follow his instructions and they have gotten complications.

SCORE: How big were you with regular augmentation? And, how big did you get with the string?

MAXI: I was 2,700 cc's per boob when I first went and saw him. When I left he put in 3,600 cc's—2,500 cc's of string and 1,100 of fluid. In the last seven months, because as your body produces its own fluid, I have grown to about 4,200 cc's in each one. And they're so soft! They're so much better than the implants. I love them! I play with them all the time!

SCORE: Speaking of that...Guys love playing with a woman's boobs and

Julia Miles

**ONE OF THE GREATS?
JULIA'S ALREADY
THAT, AND DESTINED
FOR MUCH MORE!**

Drop your socks and grab your cocks, because here cums Julia The Great! After her May 2000 *SCORE* debut, everybody in big-tit-dom, from readers to models to editors, has been clamoring for more of this 18-years-young German goddess, so here goes...

Now, for those of you who have the May 2000 *SCORE* safely tucked away, go to it for the Julia Miles story. Right now, we add an addendum... Julia's not as innocent as she looks. Sure, she wanted to be in *SCORE* since she was 12, but she did have some surgery to improve herself. Julia told us it was a breast lift to aid her voluminous, but sagging, bosom. What she didn't tell us was she did some naughty things when she wasn't supposed to. At the age of 16, Julia made some videos and even posed for an amateur pissing pictorial. Now that she has come clean, we still love her, as does everybody else worldwide. As many expected, Julia has become all the rage in Europe, and is now one of that continent's top nude models. A boner-fide superstar at age 18, take a good look, because you're looking at a true big-bust legend in the making!

Guys who have already seen Julia's *SCORE* video (available in this month's Video Club on page 78) know that she's got more curves than that road in San Francisco. And, from talking to Julia, that ain't gonna change. A chipper girl, who speaks remarkably good English with a hint of a German accent, Julia told us she's not going to diet or turn into a fattie. Her future plans? She doesn't have any. Julia is just going to model and enjoy all of the attention she's getting, and why shouldn't Julia? She's certainly one in a million.

Wanna know what we're dying to see? The 2000 "Newcummer of the Year" contest. Julia Miles vs. Chelsea Charms. The way we see it, this year is shaping up to be a two babe race, with other worthy candidates like Brittany Love (Jan. 2000) and Arianna (July 2000) fighting for third. From reader letters, it's already looking like Julia is the early favorite. Still, a lot can change in the months to come and the next Julia Miles may come forth to really make it a tough vote. Jeez, we should be so lucky! Until then, get all of Julia you can if you haven't already. Her May 2000 *SCORE* debut is in the Back Issue Department on page 88 of this issue, and her solo (100% Julia!) video is available through *SCORE*'s Video Club on page 78. After all, with a body like Julia's, you can never get enough!

COLUMN BY ALYSSA ALPS

One heck of a month, guys! There wasn't one predictable thing that happened, and of course going on SCORE's Boob Cruise 2000 speaks for itself as something totally different for me. My life is always full, some months more than others, and, trust me, these past 30 days were a doozy!

The Northern, Fargo, North Dakota

My one and only gentlemen's club of the whole month was in North Dakota, because I was too damn busy with other projects.

Fargo is like a second home to me; being that it's in the Midwest helps a lot of course. My kind of people; laid back is the order of the day here. The club was super as usual and I got to work with some of my buddies from last time as

My first Boob Cruise! I arrived in St. Thomas a day late and frazzled, to say the least. But, the minute the "lady in red" landed at St. Thomas' airport...well, you can see what it was like. A week in paradise that you'll experience in the Holiday 2000 Boob Cruise extravaganza! You don't want to miss that issue. Trust me, I was there for every moment, and it was...magical.

BOSOM BUDDIES? HOW 'BOUT BED BUDDIES...AND HORNY ONES!

Holy hooters, boob-men! Who do we have here? Brittany Love, she of the red locks, blue eyes, big boobs, Southern charm and an all around hot dish...looking kinda wanton and wanting, too. Do you blame her? After all, take a look at Deanna Baldwin. Lusty, busty, blonde with a face that could launch a thousand dicks. These are outtakes from the video *Bosom Buddies #2* (available on page 18 of *SCORE*), an all girl-girl sextravaganza featuring Autumn snacking on Chloe's enormous clit, legends Nilli Willis and Dee, and some heavy strap-on fucking with Michelle and Nicola Moore. Yowza! Hot stuff, especially with Brittany, who has been featured three times in *SCORE* since her Jan. 2000 cover, was a Boob Cruise 2000 babe and done hardcore on *SCORE Xtra #3*. In *Bosom Buddies #2*, she even made Deanna cum. No big deal, say you skeptics? It is for Deanna, who told us there was no way she'd climax on video. "None whatsoever. I'd be way too nervous," were her exact words. Ahh, the naive girl. Little did Deanna know she was in the hands of a pussy-eating expert!

So, Deanna, what is the Love Goddess like in the sack? "What can I say? She's good! I still can't believe she made me cum. I never thought it would happen. It surprised me, because Brittany is very quiet, nice and basically a perfect, proper, Southern lady when you get to know her. But, in bed that all changes. She's a wildcat. So passionate, too. I know she likes men, and I do too, but I swear, I'd do her any time, any place, any where!" Hmmm, funny you should mention that, Dee... We've been thinking the same thing!

Her first real crush was Davy Jones of "The Monkees," so trust us, boys, just about anybody can bag this busty babe. And, if you don't get lucky, hey, that's what we're here for. We have the hardcore pictures and, if you really want to make it a blockbuster night, video, too!

Now, you guys know how we believe in honesty here at *SCORE*. Always have, always will, so we have to tell you...Tanya is quite pretty with a perfect, swimsuit body. But, unfortunately, she knows it and can act like a snotty, stuck-up bitch at times. Hey, nobody said life was perfect...or is it? We have Tanya getting reamed with sex toys and taking anal beads with a lustful, smile on her "I'm better than you" face. So, for all of us who got snubbed by the head cheerleader in high school...it's payback time! As for Nikki, she's a sweetie. An ex-Budweiser-girl, she's friendly, nice and, best of all, she knows how to go to the hole when it's game time! *You go girl!*

Yep, Nikki knows how to please, and you can see the live action version of this pictorial in The SCORE Group's exclusive, new video *Busty Auditions #2*. It's available for the first-time on page 24 of *SCORE Xtra*, is XXX-rated, and also features this month's interviewee, Maxi Mounds, cumming like crazy in a solo masturbation scene, plus intimate interviews with all of the stars! Order up, boys, and you'll be cumming in no time!

well as new staff that is just as great!

The club has been changing things around a bit and all is definitely for the better. Ladies Night and a Friday night band for their regular bar, a sports bar downstairs and a BBQ nightly on nice days for all starting at dinnertime! You can get good food, see naked chicks and play pool. What more could you ask for? Kind of like one stop shopping! No fan pictures this week because some of the staff and a few of my favorite dancers hogged all of the film. What can I say? Everyone wants to be in *SCORE*! I figured, what the heck; they always do the right thing by me!

Saturday was a bit much. I had to do the post office, banking, shop for supplies for the Boob Cruise, pay my bills and phone or e-mail two dozen people to remind them I was going out of town. Plus three shows, packing up, saying goodbye to all until next time (hopefully in

November) and the 5:30 a.m. flight that started my journey into big boob fantasy week. Jealous of my glamorous life? Trust me, I was exhausted before I even started!

SCORE's Boob Cruise 2000

Fifteen ladies times two equals 30 big boobs surrounding me at all times, not counting mine, and the models were all half or completely naked, running around the ship or on the beach for a whole week! Need I say more? I went along to write "The Ship's Log," so you'll have to wait until the Holiday 2000 issue of *SCORE* for all of the goodies. It'll be worth the wait, that much I can say. I can tell you that it was really great to meet the models and passengers and of course to hang out with the *SCORE* staff.

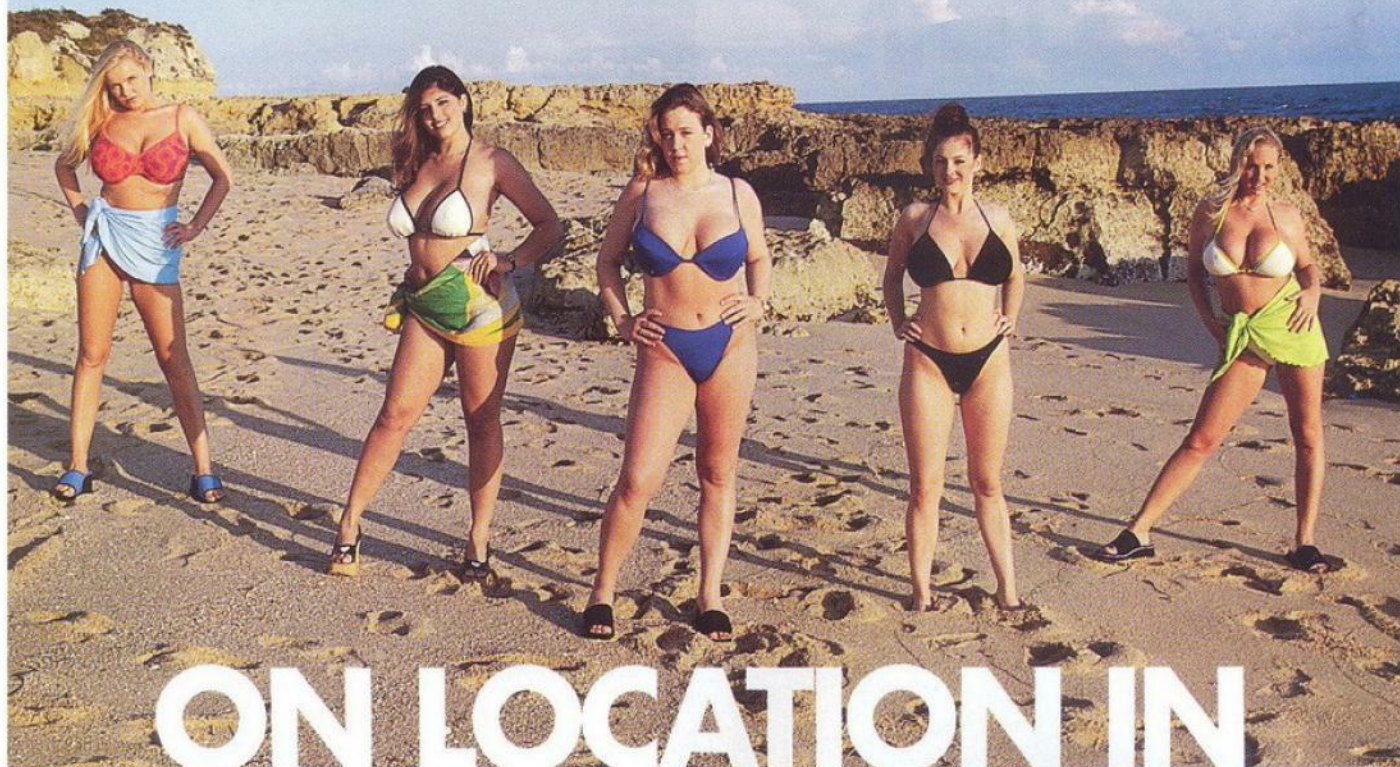

I left the ship so exhausted that I slept for 12 hours when I finally got home, not to mention spent from all of the beach action. The question I found myself asking when I got home was, "Would I have traded this experience for anything?" Not

Before Boob Cruise 2000, I was in Fargo, North Dakota... How's that for two extremes? It was fun, though. I always love North Dakota, me being a Wisconsin girl, it's almost like home. Meeting wonderful people makes every entertainer's life better, and I had a great time hanging with my dancer pals Christina, Savannah and Charlie. Plus, every girl needs her boy-toys, and this week mine were Sean and Juan.

KATHY

The ultimate girl-next-door? Trust us, boys, they don't get any more down-home than this Boynton Beach, Florida government employee. Not only is Kathy a beauty, but she also happens to be hearing impaired, a fact that amazes us, but, to Kathy, is really no big deal.

We discovered Kathy on South Beach during a normal beach day. One of our *SCORE* staffers was ogling chicks, and after a few hours of checking out Kathy, he approached her, only to find out she is deaf. Apparently, she started losing her hearing when she was two, and by age 12, she was completely deaf. She signs, but relies mainly on lip-reading. During the ensuing years, Kathy worked her way through college and now works for the government. She didn't want to pose at first, but did so at the behest of her boyfriend, who felt Kathy needed a self-esteem boost. We were more than happy to oblige.

on your life! My editor/husband (We're like an old married couple—Bitch! Bitch! Bitch!) Michael called it, "magical," and for once, I have to agree with him.

Home, Wisconsin

I got to spend quite a bit of time at home for a change. Between house stuff and the new website, I needed to use my home office quite a bit. No lounging around for me! My webmaster, Phil was in town for a week shooting content, not only with me but also with my pals Kandi (my friend from the Excalibur in Winston-Salem, N.C.), Silver Moon (a very up and coming *Penthouse* gal) and my best bud Candee Apples, so I was running a house of naked ladies there for a while. My tenant and friend Mike didn't seem to mind!

I also had my normal housework to do, plus the yardwork. I did most of this stuff half naked, with Phil's

camera up my ass taking pics as I cleaned, did laundry, weeded and reseeded the lawn, cut back my dogwood trees and hung out in the kitchen, which you know is my

favorite place in my house because I love to cook and bake so much. My three-year-old niece asked why auntie was playing in the mud. My answer? Because I get paid for it,

I swear, just once in my life, I want to have one of those heart-shaped asses I see on really skinny chicks. You know the kind I'm talking about! Instead, here's my big, mid-western booty doing yardwork at home in Wisconsin. Of course, one of my friends had to take a picture. "It'll be great for your *SCORE* column!" Barbara

IT'S ENCORE TIME FOR THIS ZAMBIAN BRAINIAC!

Here's an interesting anecdote for all of you *SCORE*-men. Our Boob Beat columnist, Elliot James, also writes for our website, www.scoreland.com, and he's of the belief your trusty, not-so-old editor has a hard-on for college-girls. Whenever we publish nudie pictures of a university student, our resident Boob Beater can't help but get his digs in for the entire world-wide web to see. Hey, so sue a guy if he likes brains *and* boobs! With Barbara, you definitely get plenty of both!

From Zambia, Barbara is studying engineering in London. Unlike most college students, who need extra beer money, Barbara debuted in the April 2000 *SCORE* to pay her tuition. Well, that *SCORE* Scholarship Fund is renewable if you make the grade, and Barbara certainly qualifies. She hasn't changed much, either, which, if you look like Barbara, is a good thing. Still beautiful, slim-n-stacked, speaks all kinds of languages with an alluring, almost-English accent—it's great to be philanthropists, isn't it? Good luck in school, Barbara!

side of a concert before and it's very intense. I just tried to stay out of everyone's way. I did manage to get stuck in one of the condos (prep rooms off stage right and left) when Gene came down between songs. How intimidating he is with all the make-up on and he is quite a big guy, too. I do like them big, but no time to chit chat—he was working after all and no, I'm not a groupie. I was just having one of those "I haven't had lovin' in a while" kind of moments. It passed very quickly!

I've met Snake of Skid Row before in Calgary and it was good to see him again and he knows one of my ex's well, so we had a lot to catch up on. What a sweetie. I'm glad I only go to concerts once in a while because they really wear me out! I got a chance to go out with my friends Adrian, Scott (remember him from past issues) with Sheryl

Somebody save me from domestication! I cook, clean, do yardwork, bowl and even paint! Help! Maybe I need a personal ad...SWF, still only 21, big tits, heinie to match, good kisser, moderately high maintenance (but who isn't?), greasy food okay, likes foot massages, bosses who listen (Michael, that's a hint!), no drugs, but lots of liquor okay, watching videos on a Friday and falling in love. Absent any of the above, a pulse and love of housework will do! Think it'll work? We'll see next month...bye.

and Karen in tow, to my favorite restaurant, La Fuente's, some bowling (hot stuff!), to a new club, Tom Tom's, ending with a visit to the Dish, a neat gay club located in downtown Milwaukee. I certainly do get around don't I? My weeks not dancing are always different, but I believe this one tops all.

I'm back on the road again for most of next month, and I'm sure that I will be doing something exciting in my free time, so tune in next month for more of my adventures! Next stops include Texas, California and Oregon, to name a few! Until then, be good. And, if you can't, that's even better...Alyssa

**EVERY GIRL HAS A DREAM...
AND HERE IS LONDA EVE'S!**

As fresh as virgin snow. You betcha, and as white as it, too. That's what we thought when Londa Eve e-mailed us pictures hoping to get published. A housedancer in New Orleans, we were turned off by the tattoo and the lack of melanin, but she has some perky titties and a cute face. So, we took a chance. How we doin' so far?

Londa has dreams of feature dancing, and she even got a boob job to help make it happen. Will it? We have no idea. But, according to Londa, if she's going to make it as a big-bust feature entertainer, she needed to be in *SCORE*. "Every housedancer knows that. If you want to be a big-bust star, you have to be in *SCORE*," says this 23-year-old Texan. "I was hoping...praying that you wanted me." Well, Londa, flattery and a DD-cup bust will get you everywhere. Congratulations!

KIANA
VANCOUVER
BRITISH
COLUMBIA
CANADA

From the land of great skiing and Dungeness Crabs, here comes a newcomer to the big titty and porn world. The name is Kiana, she's a Eurasian housedancer in Vancouver who is looking to become a big-time porn star and feature dancer. She's already made the trek to Los Angeles, home of all things sinful, to pose for these pictures and make some... contacts in the jizz-biz. The early word from Kiana? Mission accomplished.

Although Kiana may not be the next Julia Miles, she's downright giddy to be in *SCORE*. In fact, it's Kiana's goal to be in as many magazines as possible, make a lot of videos and dance her cute tushy off. The girl is quite determined, and we're guessing, though she may not be a *SCORE* regular, she's got the goods to be an adult fixture for years to come. Good luck, Kiana, and welcome to The Show.

MAXI MOUNDS INTERVIEW

Continued from page 42

shooting a big load all over them. Give us the female perspective.

MAXI: It works for me! I love playing with my boobs. I love for guys to play with the boobs. I know some women who have had augmentation who lose sensation in their nipples, but not me. Still, and I hate to tell you this, but playing with my boobs isn't my greatest turn-on. It's one of them, but it isn't my favorite.

SCORE: What is?

MAXI: Having a man go down on me. But, I'm multi-orgasmic, so I definitely need a man with enough stamina to last at least an hour.

SCORE: Better eat my Wheaties!

MAXI: Oh, I don't mean you have to spend an hour down there, but you know, do that for a little bit, come up...(laughing) for air...then I play with you, then turn around and go back to it. I love foreplay. But, remember, I believe that turnabout is fair play. I give as much as I get.

SCORE: Are you a quickie, or a tough nut to crack?

MAXI: My attitude is, and a lot of people, especially women, don't understand this, is that the biggest sex organ is your brain. For some women, the reason it takes them so long to cum is because they don't know to relax their body enough and let the orgasm happen. They just have too much on their mind. Do I look fat? Is he liking it? Am I good enough? I think it comes from upbringing. If a woman was brought up conservatively...well, you can guess how they are in bed. But, if they are brought up openly and learn to love their body...sexually, they'll be able to enjoy their body and another person's better.

SCORE: Since you indirectly brought up masturbation, tell us about *Busty Auditions* #2 and your solo scene?

MAXI: That was fun! The video interview, too. I felt very comfortable with you.

SCORE: That's because I was just looking at your tits the entire time!

MAXI: (Laughing) Yes, you were.

SCORE: You know, they seemed big back then, but they were a lot bigger

on the Cruise, two months later?
MAXI: (Laughing) Like I told you earlier...they've been growing!
SCORE: From two months ago?
MAXI: Oh sure! They've been growing non-stop for seven months. Right about now they're starting to slow down. It's driving me nuts! Every time I wake up, I keep having to make a new bra!
SCORE: Which is something we discovered on Boob Cruise 2000—that you make your own clothes.
MAXI: Yes, I do. I took sewing when I was in high school, and I pretty much learned a lot. Plus, my mother sewed, so I learned a lot from her as well. When I first started dancing, I bought some costumes. That was before the really big augmentation, so they lasted a while. Now that I'm so busty, the last time I bought a bra and bottoms, I got charged close to \$200. For me, that just seemed a bit ridiculous. So, I took the patterns and started making my own stuff.
SCORE: Ever think of being the seamstress for the super-titters?
MAXI: I thought about it, but to tell you the truth, I've been so busy. I barely have enough time to make my own costumes and clothes.
SCORE: Yes, you've been busy... masturbating on video! Back to your video. Give us a blow-by-blow of your scene on *Busty Auditions* #2.
MAXI: Peter (the videographer) told me it was really hot!
SCORE: Well, you were there. What happened? Did you lose yourself?
MAXI: Fortunately, I did. I was so turned on, I just got lost in it all. We used everything, from lotion to a dildo to a butt-plug. Pretty much every hole gets covered.
SCORE: I guess you came?
MAXI: I did...several times. I know some girls fake it, but I figure why? That's no fun! And, to those girls who fake it, if it isn't working, tell your man what you want!
SCORE: What about you—sexually?
MAXI: I'm a Scorpio! I'm considered the highest sex sign on the Zodiac. I can cum in any position. I already told you I love for a man to go down on me. My two favorite positions are doggie style and me on top. I like being on top because I can

control the situation. Being a Scorpio, I'm a control freak—definitely. I'm dominant.

SCORE: Didn't the Zodiac die with the Partridge family?

MAXI: Come on, get happy!

SCORE: Did you know that kid—the drummer—one of his great grandfathers was Charles Dickens?

MAXI: No, I didn't. You see, you do learn something new every day.

SCORE: VH-1, baby! Intellectual stimulation at its finest. Plus, Keith was humping Laurie...

MAXI: (Laughing) I think Keith was humping anybody he wanted, although I liked Leif Garrett. He was my teenage crush.

SCORE: On the Boob Cruise, there was some romance in the air, and it got me to thinking, about that "one true love" theory?

MAXI: I totally believe in that. Someone who's willing to share everything—the good and the bad. I would say "true love" is being able to accept a person for who and what they are and not try to change them. I think that's what happens with marriage a lot. You fall in love with a certain person and the way they were. Then, once people get married, they try to change them into what they think they want. Once they've changed that person, they realize they wanted the person they had before.

SCORE: How do you know he or she is the one?

MAXI: You just feel it. You know it.

SCORE: Well, honey...don't change!

MAXI: I'm too stubborn to change.

SCORE: Good. I'll talk to you again for the Boob Cruise 2000 issue.

MAXI: That's going to be the Holiday 2000 issue, right?

SCORE: Yes, it is...on sale everywhere October 14th.

MAXI: A good gratuitous plug!

SCORE: Turnabout is fair play, right? Everybody can write you at...

MAXI: Maxi Mounds, P.O. Box 484, Englewood, Florida 34295 and my website is: www.maximounds.com. Thanks, sweetie. I'll see you again in the Holiday 2000 SCORE! Bye.

HERE CUMS THE DEBUT
OF ONE OF THE 'NET'S
HOTTEST NEWCOMERS.**

Hey, when you're hot, you're hot, and Bettina is definitely that. This German babe's pictures have been floating around the internet for much of the summer, and we've been flooded with e-mails asking for Bettina. We have to tell you, it wasn't easy, but where there's a willful hard-on, we find a way, so here's Bettina...one of the hottest newcomers in the world wide web.

A full-page photograph of a woman with large breasts posing on a bed. She has dark brown hair and is looking directly at the camera with a slight smile. She is wearing a white, patterned, off-the-shoulder top that is pulled down to her shoulders, revealing her large breasts. She is also wearing a thin gold chain necklace and a small hoop earring. The background is a plain, light blue wall. The bed she is lying on has a colorful, patterned blanket. The lighting is soft and even, highlighting her features.

A Berlin Bettie (as her friends call her), this 24 year old is also buddies with...Chloe. In fact, the German Wunderbabe is the one who got Bettie—an ordinary, regular, “one-of-us” working girl—into posing. “Chloe told me people would like me, and she should know,” says a legitimately bashful Bettie, who is the type who could be overwhelmed by fame, but we suspect could adjust to it. We sure hope that second scenario occurs, because Bettie is definitely not just an internet fluke. This girl belongs, and we’re glad to welcome her to **SCORE!**

So, you're wondering what does Alyssa do on a hot date? I go see KISS in concert and then I go... bowling! Like I've said before, "Welcome to my wonderful life!"

we've got to think of college educations here! She didn't get it and I didn't think I needed to start her so early in life on foot fetish information, so I left it at that.

I went to Chicago to hook up with my pal Kandi for a KISS concert. Skid Row and Ted Nugent were opening for them on their "Farwell Tour." Armed with my all-access VIP pass I got to go to this exciting event in style. I was actually a guest of my buddy Spike and boy did he treat me well! I hate crowds and of course KISS always sells out, but watching from the sound and lighting booth while wearing ear plugs was definitely the way to go. I got pretty grossed out when Gene Simmons did the blood-tongue thing he's so famous for on the big screen, but I couldn't help wondering about that long, acrobatic tongue of his. Hummm!

I've never seen the production
