Let's face it: Most women don't fuck on-camera, and the chances of them becoming porn stars decrease as they get older. And once they have kids...game over! But these 40somethings are different. Yeah, they all have children who would be shocked to find out what they're doing, but they're doing it anyway. Many of them are breaking their XXX cherries. Packed with slutty anal.

Wanna know a secret? Girls eat pussy just as good as boys do, and the 21 bisexual babes in this flick know it. The girls explore every nook and cranny of each other's bodies. They fondle each other's tits and suck each other's nipples. They drink the sweet nectar out of their girlfriends' slits. One group of girls has a slumber party that turns into a lezzie orgy, complete with pussy eating and dildo action. The MILFs even participate in the fun with a strict PE teacher giving her carpet-munching students a workout and Raven dominating two submissive teens.
