GIRLS WHO STOOD OUT IN MORE WAYS THAN ONE

Dear *Voluptuous*,

Three models in the September '16 issue were major standouts.

1. Rockell's layout reminded me of a 1960s pinup photo shoot. I had described her as a younger, more-voluptuous version of *Price Is Right* model Rachel Reynolds. In this layout, Rockell takes me back to a more-innocent time and looks like a bustier, more-voluptuous version of Donna Douglas (Ellie Mae in *The Beverly Hillbillies*). The throwback hair style has a lot to do with it.

2. Alana Lace reminds me of a bustier, most-voluptuous version of Chloe Vevrier. She definitely resembles Chloe facially, which is good.

3. Kate Marie reminds me of a bustier, more-voluptuous version of Cassandra Calogera. She resembles Cassandra facially, which is good.—V.C., Naples, Florida

A reader thinks Kate Marie (near right) and Cassandra look similar.

The amazing Maserati was bustier than ever when she returned to our studio recently.

WASN'T THERE ROOM FOR TWO GIRLS AT THE TOP?

Dear *Voluptuous*,

I am forever head over heels for all the beauty you showcase in the models. Every issue tantalizes and catalyzes the apex of fantasy with models that are truly exquisite in their mind-boggling beauty and goddess curves. The production and layout of the magazine is unparalleled in its precision, class and sophistication, and I am always very eager to see the new

issues of *Voluptuous*,
XL Girls and
SCORE.

Now to a more-succinct

point. I love many a model, but I'm often keen on the *Ebony* goddesses. I was way pleased with the 2015 award winners, but a big part of me felt a deflation when Maserati did not win an award.

To be clear, I don't malign the readers and their choices as much as I shout from the rooftop, "Wait! One pure goddess of illustriousness didn't get the recognition she deserves! Maserati is the "it" model with her style and spectacular curves.

Okay, I will step off my soap-box. I guess I just want to throw mad praise at the unbelievably gorgeous model that is Maserati. We all know this and I am being hyperbolic in my shout from the rooftop. After all, she did get a runner-up accolade to Liza Biggs, who my heart soars for heartily.

Showcasing Liza was outstanding, but I felt a bit of sadness in seeing Maserati's smaller pic on the opening page of Liza's pictorial in the July '16 issue. I had the thought, "Well, can't we have them both? Don't they both deserve major awards?"

I am slowly recovering from this mild gut punch and find gratitude that both models

were at the top of people's minds and, in the end, they are both great, but the winner is the winner.

Bottom line is that Maserati's recent work has the power to floor the reader with a single punch. From head to toe, she electrifies. Whether in a still image or video vignette, she nails it with her incredible confidence that comes across in the hottest of ways.

I love huge-titted models of all ethnicities and cultures, but I am always intoxicatingly attracted and drawn to black and Caribbean models, of which Maserati leads the way. Some other absolute knockouts for me include Vanessa Del, Kristina Milan, Miosotis, Roxi Red and Mianna Thomas. There are others, but Maserati is the pinnacle of massive-titted, super-curvy vixens. Here's to you babe.—Seth, via email

THEY'D BE THE BUSTIEST SISTER ACT EVER SEEN

Dear *Voluptuous*,

I'd like to see Tiggle Bitties (Nov. '16) and Jennica Lynn (July '16) do a scene together. They look like sisters as Jennica is a thicker version of Tiggle.

Tiggle reminds me of actress/model Brook Shields but much more stacked 'n' packed. I like the contrast of Tiggle's black hair and alabaster skin. Her eyes are two pools of splendor, her thick, dark eyebrows and her full, ruby red lips are amazing.

Tiggle's breasts are two monumental mounds of mammary magnificence capped off with sanddollar-sized areolae and button-sized nipples. Her stomach is flat, her waist is lender, her twat is meaty and juicy and she has long, toned, shapely legs.

Danni Lynne (July '16) really does it for me. She reminds me of former Spice Girl Scary Spice (Mel B.), currently a judge on *America's Got Talent*, only taller and with a much more stacked 'n' packed body. She has a perfectly proportional, symmetrical, slim 'n' stacked body. In her last layout in the October '16 *SCORE*, she even sported the Scary Spice hairstyle.

I recently purchased the DVD *All Stacked, All Natural 6*. A great grouping of slim 'n' stacked and borderline-plumper models. I love Juliana Simms, Alaura Grey, Tiggle Bitties, Joana Bliss,

Tiggle (above left) and Jennica Lynn both have big naturals, but do they look like sisters?

Newcomer May West shows off her sponge...her hairy pussy.

Alexya the Great, Maya Milano, Vanessa Y., Jennica, Roxi Red and Larissa Linn. I love Vanessa's new slim 'n' stacked look; she has the body of a 20-year-old.

Shione Cooper is my favorite model of all-time. Alexya is a close second with her drop-dead good looks and perfectly symmetrical, slim 'n' stacked body. I only wish she were taller.

Maya Milano is almost unrecognizable from her first DVD scene. She now looks like Jane Russell with her new hairstyle, only Maya is much more sexy and voluptuous.—J.H., Bonita Springs, Florida

A FEMALE READER WHO HAS PUBES AND LOVES THEM

Dear *Voluptuous*,

That *Voluptuous* editor Dave Rosenbaum didn't know pubic hair is a sponge was funny (May West interview Sept. '16). Porn is the reason there's so little pussy hair; it's better for seeing the cock inserted.

As a bi woman of 31, I've never shaved my cunt and never would. May looks so hot with her pussy hair in full view. And, yes, bush is a sponge, mostly a sponge for sexy, wonderful pussy odor. Pubic hair helps hold the female odors. Like me, some men get off on olfactory smell. Hairy pits and asshole are hot, too.

All of your models in the September '16 issue would look better with hairy cunts. Roxi Red is hot with her cunt

hair. And how about Kate Marie with a hairy hole?

Back to Mr. Rosenbaum, he has not seen many hairy cunts. Maybe back in the '90s was the last time hairy cunts were in style in the porn world. I still masturbate to Kelly Everts' hairy cunt, pits and asshole. I'd love to sniff her odors. Take a whiff, Dave!—H.J., Raleigh, North Carolina

Dear H.J.: *Sponge, eh? That's a first for me. But we'd love to see yours. Are you busty and hairy, H.J.?*

YEAH, WE CARE ABOUT OUR READERS! YOU'RE THE BEST!

Dear *Voluptuous*,

Received the September '16 issue of your great titty magazine, filled with big-titted beauties for all big-titty lovers to drool and jack over. Thank you for printing my letter. It shows us that you care about what we think of your great magazine and all of the great, big-titted beauties.

As regards to which Czech beauty named Veronika I was referring to ("V-Mail"), I love them both, but my favorite is Veronika in the December '15 issue. I love the cute tattoo on her cute little ass. Gazing upon those big, luscious, suckable tits, that wet, warm fuckable pussy and that ass, all I can say is, keep those Czechs coming...because I sure am! I would love to play a game of chess with her so I could be her Czech mate.—B.B., Fort Dodge, Iowa

Veronika comes and goes and has been a favorite for a long time.

Aussie newcomer Lila Payne is a natural beauty we love looking up to.

IF YOU'RE OUT THERE, R.N., WE HAVE A BUYER FOR YOU

Dear *Voluptuous*,

What is R.N. doing with the rest of his collection ("V-Mail, July '16)? As someone who once threw away a huge pile of **SCORE** Group magazines, I bet he'll later regret it, as I did. I've spent the last two years trying to get them all back, at first from you directly and then from the Internet. I've enclosed a copy of my current want list. Nothing ventured, nothing gained.

I really enjoyed seeing first-timer Lila Payne in the July '16 issue. I've been pouring over her pictorial every day since the moment the magazine arrived on my doorstep. Her face is absolutely adorable and her body is totally out of this world. The first two pictures in the white dress completely bowled me over. I can't believe this is what she looks like just walking around in her day-to-day life.

Lila's ass is so hot, it could single-handedly reignite *BootyLicious* magazine. My only regret is that you included only one pussy shot. Lila's pussy is so beautiful, I want to lick it and kiss it and bury my face in it.

Please have her back to do a layout with pussy on every page and she'll get my vote for Newcomer of the Year.—D.H., Towson, Maryland

Dear D.H.: Lila returned in the September '16 issue, and although she did not show her pussy on every page, she showed it a lot.

RACHEL RAXXX AMAZING FEATS OF TIT

She's only 18 years old, and she has a rack like *that*. Those hangers are JJ-cups, and there's a very good chance they're still growing (most women stop getting bustier around age 25). But if it wasn't enough that Rachel showed off her giant hangers for all the world to see in the Nov. '16 issue, now she's going a step further by fulfilling every tit-man's fantasy. Would you even care about her pussy if you got to play with Rachel's rack?

Our stud Jimmy would've died a happy man if he had suffocated in Rachel's cleavage. He couldn't stop feasting on her endless breast meat. This pictorial proves that not only does Rachel have huge naturals; she knows what to do with them. That's a rare talent for any girl, no less a teen. "I love to suffocate a guy with my boobs," she said. "When I put my boobs on their face, they can't breathe or see or move. They always like it. I haven't had any complaints."

The ballot for Newcomer of the Year is on page 56 of this issue, and we have a feeling we might have stacked the deck by showing this pictorial. Is Rachel the bustiest 18-year-old we've ever featured? Probably. Does she have the biggest tits we've ever featured? Possibly. Rachel is in a league with Miosotis and Roxi Red. How busty is Rachel? So busty that Jimmy blew a huge load and still covered only a small portion of her rack. Wanna give it a try?

WE'VE ALWAYS HAD A LOT OF RESPECT FOR REDHEADS

Dear Voluptuous,

There haven't been too many red-head fantasy V-Girls that come to mind, except for a couple here and there. There's Micky Bells, I guess, back in her earlier days as a V-Girl. There's another Romanian, Roxanne Miller, but I don't think she's a natural redhead. Her hair was originally dark brown.

Anjii Ross had dark, reddish-brown hair. Jenna Valentine would dye her hair red, especially in her earlier days as a model. And, of course, Lily Madison seems to be one of the very few natural redheads.

It's been said that redheads are special. I'm not sure why. What makes a person be born with red hair? Does it happen when a blond and a brunette

“Men worship me, but I’m actually a simple, normal girl.”

INTE

She's a brickhouse with H-cup naturals and curves that go on forever, but those are only a few of the great things about luxurious Anastasia Lux.

She's pretty, cute and has a great personality. She's the perfect girlfriend. She loves sex. And she has sex on-camera, too. When we last saw her in the May '16 issue, she was taking on two studs and having the time of her life.

She's bubbly. There's just something about her. Reader R.D. said, "Coming home every day to a busty beauty like Anastasia would be any man's fantasy." We'd have a hard time leaving in the morning.

Anastasia, who was born Portugal and lives in England, debuted in the June '15 issue.

Let's get to know her better.

***“I developed
quite late, and
when it
happened,
boom! They grew
massively!”***

V-MAG: Hi, Anastasia, and welcome back to V-mag. It's always great to have you.

ANASTASIA:

Thank you! It's always great to be here.

V-MAG: I saw you filling out your model info sheet before. What was the most interesting question?

ANASTASIA: Well, there were a lot of questions about my breasts, and one was about whether I started developing at an early age, and the answer is no, I didn't. It happened quite late. I wasn't expecting it at all. It happened all of a sudden. I remember going to school and all my friends had breasts, and I was like, "Oh, what about me?"

When is my turn going to come?" And then when it happened, boom! They grew massively, just about overnight.

V-MAG: Do you like them?

ANASTASIA: I do. I like them, but they kind of get in the way sometimes. I think they're a little bit too much, although there are a lot of people who absolutely love them.

V-MAG: We definitely are among those people. What's your bra size?

ANASTASIA: Thirty-two H.

V-MAG: Impressive.

ANASTASIA: Yeah!

BARE FACTS

Movies: *SCORE Threesomes 3* (XXX-Rated) and *All Stacked, All Natural 6* (X-Rated). Order on page nine.

V-MAG: Did you have any friends who are as busty as you?

ANASTASIA: Not really. Once they grew, nobody else really had them that massive, and they're even more unusual because I have a small back, but my cup size is humongous.

V-MAG: Let's talk about something else for a while and then we'll get back to tits. What are your hobbies?

ANASTASIA: I have quite a few hobbies. I'm into movies, so any time something new comes out, I go, or sometimes I'll just stay at home and watch a movie on my laptop if I have a lazy weekend and I want to be indoors by myself, eating popcorn. I'm a movies freak.

V-MAG: What do you want to try that you haven't done?

ANASTASIA: Oh, my, there are so many things! I love traveling, so if I could go on a cruise or go to a crazy place like Alaska or take a trip around the world, that would be

nice. There are so many different things I haven't tried, sexually as well.

V-MAG: Okay, back to your tits. Do you get a lot of attention because of your chest?

ANASTASIA: Yes, I do. Sometimes it's a little too much, so if I go out, I don't really expose them, and if I'm working out at the gym, I notice all eyes are on me. Sometimes I do feel a little bit uncomfortable because of that, but I suppose it's only natural that people look at me if I'm on the beach wearing a bikini. It's completely understandable. Not everybody has tits like mine.

V-MAG: Have you ever flashed your boobs in public?

ANASTASIA: I haven't, no. Back in the UK, there's a big thing about just flash-

ing them at a concert, but I've never done that. I'm actually quite reserved. I might not seem that way, but I don't put myself out there in public.

V-MAG: Do you always wear a bra?

ANASTASIA: I do, absolutely, except when I'm sleeping. During the day, whatever I'm doing, I make sur I have one on. It's more comfortable and I want to keep them nice. I wear special bras as well, but bras are not easy to find. When I go shopping for lingerie, it's a nightmare.

Most people don't have the patience to go with me, so I go by myself. But at night, I don't wear any underwear, just my pajamas or nothing if it's summer.

V-MAG: Do you masturbate?

ANASTASIA: I do. I'm single, first of

all, and this is not an excuse because I think everyone does it, even if they have someone, but because I don't have a partner, sometimes I'm home alone and I have needs. I watch porn sometimes, and, yes, I do masturbate, and I have one or two sex toys.

V-MAG: You just did your second three-way at SCORELAND. Did you enjoy the scene?

ANASTASIA: It was great. I love doing threesomes. They're my favorite. Sometimes it's not easy because we're all on top of each other, but I like it like that. The more the better. I had plenty

to work with! It was really good.

V-MAG: Can you tell us about your sexual fantasies?

ANASTASIA: Hmmmm...there are so many! Like I said, I'm a fan of three-ways, and it can be a spontaneous thing that just happens in the moment without being planned, but if there are two guys, I have to be persuaded by one of them who I know really well. That way, I feel comfortable enough to go for it. When it's all arranged between them and I'm caught by surprised, that's really nice as well because I'm like, "Hmmm, I wasn't counting on this happening." [Laughs] But they already had it all in their minds! I think it's great either with two boys and one girl or with two girls and a guy in the middle as a sandwich. Either way, I enjoy it. Both experiences

are really good, but they're different because of the way the female body works and the number of boys.

V-MAG: Are there any *Voluptuous* models you'd want to make a girl-girl-boy video with?

ANASTASIA: Yes, quite a few, and a hot scene in a pool in the Caribbean would be so freaking awesome!

V-MAG: Are you into any fetishes?

ANASTASIA: Where to start? Let me get my list! [Laughs] I find it fascinating when men like to play with my feet. I like to give foot jobs, but I don't do it often. People always ask me for a tit-wank, for obvious reasons. I also like Latex, so once in a while, I get to wear those sexy outfits. I like the way Latex feels against my body. And the other fetish has to be soft bondage, where I do rope bondage and get tied up and my hands and my ankles are tied with handcuffs, ropes, tape, chains, duct tape. I think I've tried a bit of everything. You have to try everything at least once, right? I do have a bi-sexual side as well, so anything that involves other girls, yep! I'm all for that!

V-MAG: Have you had any experiences with big-boob girls?

ANASTASIA: Yes, I have. It was a three-way. There was a guy there, and our tits were so huge that his cock would just disappear in the middle of our tits. A guy could have a really big dick, but with these two [jiggles her tits], it's impossible not to get lost in there. You can't even see the cock when it's here in the middle and I'm giving a boob fuck. I'm fascinated with it. I think everybody likes big boobs. I mean, why wouldn't you, and I don't care whether they're fake or real, as long as they're big. I absolutely love it, and I think tit-fucking feels amazing.

V-MAG: You have no preference between real and fake tits?

ANASTASIA: Well, if I had to choose, I'd pick natural because they're so soft and you can move them around and see them bouncing.

V-MAG: Do you give your breasts any kind of special care?

ANASTASIA: I really like to have them massaged, but it's not a beauty treatment thing. It's more of an erotic massage. It feels good. So I get these special oils for massages and body lotions. I'm not going to lie and say, "Oh, it's aromatherapy. It's very good for my

When we asked Juliana what superpower she would like to have for one day, she said, "I would like to read the thoughts of men." Does she really need a superpower to do that? And does she really want to know what we're

thinking? It goes something like this: *Holy, shit, what a pair of tits! I want to sink my cock between those big beauties and blow my load all over her face and rack. I don't even need to see her pussy. I just need to fuck those tits! There. Happy, Juliana?*

"When I drive, I always have problems with my seat belt," Juliana said. "It's just not comfortable. They don't make comfortable seat belts for girls with big boobs like mine." That's true. Shoulder harnesses tend to tit-fuck busty girls. "I always joke with policemen if I am alongside them in traffic." We'd wager she's never received a speeding ticket.

Juliana is the first V-Girl we've met who sleeps on her stomach. We don't know how she does it. She goes to nude beaches in Spain and always wears bikinis. That has to be quite a sight (although we don't know why we'd need to see her in a bikini now that we've seen her naked and spreading). She likes to run. We'd pay to see that, too. She was a finalist for 2015 New-comer of the Year and now she's a finalist for 2016 Model of the Year. Got your vote?

As is Monica Love, who we called "The Polish Princess of Big Tits" when she bared all for the first time in the July '16 issue. Will we soon be calling her "Voluptuous Newcomer of the Year"? CONTEST

*Who was
tops in tits
in 2016?*

*You
decide!*

This is the one: V-mag's oldest award, dating back to 1998, when Carol Brown won our first Model of the Year contest. Since then, only the all-time greats of big, natural tits have captured V-mag's highest honor, and we guarantee 2016 will be no exception: winning this award automatically makes a girl an all-time great. Anastasia says she's "a simple, normal girl." Yeah, right: a simple girl with an hourglass figure and gigantic tits who has three-ways on-camera. Nothing is simple about Rockell; not her perfectly shaped tits, not her beautiful booty. Roxi Red is simply amazing with her L-cup naturals that place her high among the bustiest V-Girls ever. Samantha simply has a great rack.

Make way for 2015's Model of the Year! It's Vanessa Y., whose beautiful face, gorgeous hangers and hairy pussy make her easy to beat off to but hard to beat. Joana won this award in 2013 and 2014. Will she become our first three-time winner? Alana Lace was 2014 Newcomer of the Year and is trying to add Model of the Year to her trophy case. Her teeny-weenie bikini pictorial in the Sept. '16 issue made her case very nicely. Dark-haired beauty Kate Marie has something for all big-tit lovers. She's sexy with an attitude.

Are tits getting bigger, or what? No offense to Carol Brown, but when she won the first Model of the Year, few of the other girls were nearly as busty as these babes. And none of them fucked on-camera, like Cat Bangles. There was no such thing as a J-cup Asian natural, like P-Chan. Alexya, our 2015 Newcomer of the Year, has fashion model beauty to go along with her curvy body. Juliana Simms can suffocate any man with those big tits. Your job, V-Men, is to narrow down this impressive list of finalists to just one girl. We know, it's hard. Then vote on the next page.

WHAT'S GOING ON AT XLGIRLS.COM?

Mya Blair is showing her tits for the first time at XLGirls.com.

Quite a lot is going on.

Cat Bangles, one of the finalists for 2016 *V-mag* Model of the Year, returned to our studio. She'd plumped up (Cat seems to get bigger every time we see her), and almost all of the weight has gone to her bootylicious ass.

Monica Love, one of the finalists for Newcomer of the Year, has been doing a lot of fucking. In a recent scene, Monica does her personal trainer.

Roxee Robinson, another Newcomer of the Year finalist, returned to our studio for another set of shoots, and her

new stuff is spectacular. A more-confident Roxee has taken her modeling to the next level.

And check out Mya Blair, who says her tits are DDD-cups, "last I checked." She obviously hasn't checked in a while because those puppies are looking a lot bigger. Mya fucks, too.

XLGirls.com is updated five times a week with photos and videos of your favorite naturally stacked girls. Some of them are plumpers. Some of them are V-Girls. Many of them fuck.

"I love the attention I get," said Harmony, who fell off our radar for a few years but is back and looking better than ever. "I don't really need to wear anything to draw attention to my boobs. You can't help but notice them." That's true, but Harmony's pretty face is a nice distraction from her big naturals, so you can excuse a man if he actually does look at her eyes. "It's been known to happen," she said, laughing.

HARMONY WHITE PERFECT HARMONY

Harmony is a special girl, so we asked her what she would do to make a guy feel special. "Just regular housewife things," she said. "Cook his favorite foods. Clean. Iron his clothes. I'm a hopeless romantic, so in bed, I'd aim to please him in every possible way." She wouldn't have to do much. Wrap those tits around our hard cocks and we're happy men. "I've been told that," she said.

Harmony can be seen wrapping her tits around cocks and fucking in the movie *Voluptuous Xtra 15*. That pretty pussy of hers gets fucked, too. "Shooting for *Voluptuous* opened me up, but I'm still pretty shy, believe it or not," she said. She's a shy girl who watches porn. "I think I'm a closet lesbian. Watching girl-girl makes me horny." Watching Harmony makes us horny.

Vmag
DEBUT

Let's welcome a super-stacked MILF who was a little scared when she walked into our studio for the first time. "I'm a little bit nervous but super-excited about my first time here," Amaya said. "I do some webcam modeling at home, but it's a little different being in front of the big camera. I'm nervous but I'm not shy. I love showing off my boobies. I can't wait to get naked to let the world see these big boobies." Let 'em fly, Amaya. By the way, guys, they're G-cups.

"I sent my pictures in for the opportunity to get some modeling work, and within a couple of hours, I was throwing stuff in a bag and trying to catch a plane," said Amaya, who owns a dance studio in Illinois. "I was, like, 'Oh my god!' Made the plane. I thought I was going to miss that. I got picked up by a nice gentleman when I landed and was driven to my hotel. I got a good night's sleep and was driven to the studio the next morning. Super exciting." Exciting for her. Very exciting for us. By the way, Amaya fucked for us, too.

"I started getting boobs when I was really young, and I hated them," Amaya said. "Now it's like, 'Holy crap!' I get lots of attention because of my boobs and I love to have them played with. Sometimes I even play with them myself. They're too good to resist." We definitely agree with that. Amaya's tits aren't just big; they're super firm and look very heavy. Welcome to *V-mag*, Amaya.

KATARINA KNOCKED UP & FUCKING

The last time we saw gorgeous Czech babe Katarina Dubrova, in the October '15 issue, she was pregnant and fucking. Well, guess what? Katarina's pregnant again, and she's fucking again for all the world to see. Funny thing: In per-

son, she comes off as so shy and reserved that a person who'd just met her would be surprised to find out she does hardcore. Finding out that she shatters one of the ultimate taboos by fucking while preggers would be shocking.

The last time we saw Katarina sucking cock and fucking, she was a pregnant mom-to-be. Now she's a mom, and that makes her a MILF, and her hormones and sexual desires remain in overdrive. She reported that her husband (sorry guys; he's the dude who's fucking her here) can't keep his hands off of her, and that's fine by this horny mama.

Katarina was a slim 'n' naturally stacked SCORE Girl when we first met her in 2007. Then she got pregnant, her tits ballooned and she became perfectly suitable for *Voluptuous*. But she's still relatively thin for a pregnant girl, and it seems as if most of her weight has gone to her tits. "I had a lot of milk," she reported. "I was squirting all over the place."

BARE FACTS

Katarina

Birthday: August 9, 1985

Age: 31 **Height:** 5'4"

Bra Size: 36F

Previous appearance: Oct. '15

Movies: *Preggos & Milkers 2*
& *Big Tit A-List 3* (XXX-
Rated). Order on page nine.

You'll notice that Katarina's guy came inside her pussy. That's okay. She's pregnant, and she can't get pregnant twice. That's one of the many benefits of having sex with a pregger (the others being the enlarged tits, darkened areolae and swollen belly, but you know the drill). "I think I'm hornier now that I'm pregnant," Katarina said. "I feel like such a bad girl."

ANASTASIA INTERVIEW

Continued from page 30

health." It's because I'm feeling horny and I like to have my hands on them.

V-MAG: Let's talk about blow jobs. How do you like to start, with a soft cock or a hard cock?

ANASTASIA: Well, I like to start with it already rock-hard but not to the point where it's about to explode. I like to take it slowly, and a bit of role-playing before I start is good, but if I put my hands on it and touch it, I like it to be hard.

V-MAG: Do you like being tit-fucked?

ANASTASIA: Of course! I love to feel a hard cock between my tits. I can actually do a blow job like that. Get the dick right here in the middle and suck it.

V-MAG: Do you have a favorite tit-fucking position?

ANASTASIA: Yeah, lying down on my back so the guy's cock can almost hit me in my face!

V-MAG: When the guy fucks your boobs, do you want him to cum on your face or on your tits?

ANASTASIA: I like it when they cum on my boobs. I like the way it feels because by that point, after we're having sex for a while, my breasts become so sensitive, and just getting that spunk all over them is the sexiest thing in the world. I absolutely love it. If I had to choose, I always say, "Right here." [She points to her tits] I like to have cum all over my face and in my mouth, and I have to say that I like watching it when the spunk comes out, so if it's right here between my boobs, I can see it and it's amazing. It's a beautiful thing.

V-MAG: Have you ever had sex in a public place?

ANASTASIA: Yes, but not that often, unfortunately, because in London, I'd get arrested. [Laughs] But I like to break rules, and sometimes I take risks, especially if I'm away on holiday somewhere on the beach. Why not? When you're in the sea, people don't really notice anything because of the movement of the ocean. You can do anything you want. Just go very far away and people won't know what's going on.

V-MAG: Do you like to talk dirty when you're having sex.

ANASTASIA: Sometimes, but not always. It depends on the mood, and if the person who I'm with likes that, then I'm game! Then it's, "Let's get this filthy mouth to work!"

V-MAG: What's the best way to make your nipples hard?

ANASTASIA: Playing with ice when I'm really hot.

V-MAG: Do you like to have your nipples pinched or pulled?

ANASTASIA: Just slightly. Do you like to be bitten or have your balls pulled? [Laughs] With moderation, yeah, I'm up for it, but they are just very sensitive.

V-MAG: Do you like looking in a mirror when you're having sex?

ANASTASIA: Yeah! It's always a plus to see myself having sex from another angle. As a matter of fact, I need to find me one of those motels with a mirror on the ceiling! How cool is that? I might as well get a swing bed, too!

V-MAG: Do you think becoming a model and having sex on-camera has increased your personal sex drive?

ANASTASIA: Nope! I've always had a big sexual appetite anyway. I'm always ready to get it on.

V-MAG: How did you first get into nude modeling?

ANASTASIA: I started with fashion modeling at a very young age, and when I first got into adult modeling, I didn't even want to go topless because I wasn't comfortable with it. After I turned 18, people started asking for implied nudity and such, but I only got into nudity in mid-2014. I had to feel comfortable enough in my own skin to be able to do it.

V-MAG: Do you ever go to strip clubs?

ANASTASIA: No. I'm a dancer but not an exotic dancer. I used to dance when I was younger, and I'm still very good at it, but I had too many injuries. But I definitely have some Jennifer Lopez brunette Latina kind of fire. You should watch me on a dance floor!

V-MAG: What do you do to make a guy feel good, other than sex?

ANASTASIA: I try to please him with little things, like cooking him a nice meal, arranging a date out when I'm not in front of the cameras and sending him texts throughout the day saying how much I love him.

V-MAG: What makes you laugh?

ANASTASIA: Some of the comments made by fans online on websites and social media. I find it hilarious how they worship me as if I'm a sexual goddess when I'm actually a very simple, normal girl.

V-MAG: You might be a normal girl, but you're definitely a goddess.

ANASTASIA: Thank you!

get together?

These are questions for another day, I guess, but just an acknowledgement to all of the redheaded fantasy girls of the past and present. We often hear the term "redheaded stepchild," which means they don't get no respect. But there are a few that have my respect.—S.M., Randallstown, Maryland

HIS BUSTY NEIGHBOR, AND A NOVEL IDEA FOR A SCENE

Dear *Voluptuous*,

I love your movies where a busty girl is sunbathing topless or in a little bikini and the guy sees her or walks in on her and they have sex. I used to have a busty next-door neighbor who always sunbathed on her deck. She didn't go topless, but she would tan herself on her stomach, and when she turned over, she'd take her top off so she didn't get tan lines. I'd watch her from my bedroom, which overlooked her backyard, and once in a while, I'd catch a little bit of breast or nipple. A lot of tit was spilling off from the side when she did that. I don't know if she knew I was watching her.

I know you've done two *Big Racks*, *Hot MILFs* movies. I think they are very good. You should do one in which all of the models are naturals. I have an idea for a scene. A guy is embarrassed because his mother always goes out in clothes that show too much cleavage. I guess the guy in the scene would have to be 18 years old, right? They go out shopping one day, and the outfit the mother is wearing is more-revealing than ever. Right in front of her son, she picks up two men and brings them back to her house and forces her son to watch while she has sex with them. I think Vanessa Y. would be good for this scene. Maybe she isn't old enough, but she has a mature look about her. Also, I know she has never done boy-girl, so maybe a three-way for her first scene would be too much, but a guy can always dream.

The girl who just came back to *V-mag*, Ivana Gita, would also be good for this movie. She has massive tits, and although she's never done a full hardcore scene, she did do a tit-fuck and blow job, so getting her pussy fucked isn't too far off. Please see what you can do.—P.D., Plano, Texas

Chapter One of Paige's big-tit modeling story took place in the November '16 issue, when she showed off her firm, heavy G-cup naturals for all the world to see. And now, in Chapter 2, Paige is sucking and fucking porn cock on-camera for the first time. It's a big deal for us, and it's a big deal for Paige, too. "I love adventures and meeting new people," said Paige, who lives in California. This is a new adventure, and she met our stud.

**PAIGE
TURNER**

BIG-TIT MODEL, CHAPTER 2

BARE FACTS

Paige Turner

Birthday: May 24, 1989

Age: 27 **Height:** 5'5"

Weight: 158 lbs. **Bra:** 36G

Measurements: 42-30-40

Previous appearance: Nov. '16

Videos: XXX & solo at
Scoreland.com

"I love being grabbed by the hips and being fucked hard," said Paige, who got the hardest fucking of her life from the biggest cock she's ever had. "I thought he was going to turn me inside-out," she said. Interesting concept, but we'd rather keep Paige just the way she is so we can look at her beautiful body. How does Paige keep in shape? Not by working out... at least not in the traditional sense. "I masturbate every night before I go to bed. I love giving blow jobs. I love having lots of men at once."

Paige never had sex in public, but, she said, "I wouldn't mind." As she said, she loves giving blow jobs, and she especially loves when the guy shoots his load all over her huge rack. Good luck covering all of that breast real estate. Our stud couldn't, and he tried. She loves kissing and having her clit played with. Then you can fuck her mouth and pussy. Maybe even her ass. "It just depends," she said. "On the guy. On how I feel." How'd she feel after chapter two of her modeling career? "Amazing!"
